BOONEVILLE, MISSISSIPPI, THURSDAY, JANUARY 30, 1964

NUMBER 44

Forestry Improvement Winners Are Announced At Program Mon. Night

FIRST PRIZE—Paul Ratliff is shown as he received a \$100.00 Savings Bond as the first prize in the County Forestry Improvement Program for 1963. Congratulating him are M. W. Smith, Mrs. Agnes Carter, and Kenneth Pounds, representatives of the Peoples Bank and Trust Company, which sponsors the program.

FORESTRY IMPROVEMENT WINNERS—Shown are the ten winners in the County Forestry Improvement Program for 1963, (front row, left to right) Rex Yarbrough, third prize of \$25, Billy Barnett, T. R. Coker, C. R. Downs, and Paul Ratliff, first prize of \$100. (Second row, left to right) Stewart Vail, second prize of \$50, W. E. Keeton, R. W. Lee, W. A. Lowrey, and A. C. Roberts, Jr. Tree planting bars were presented to the fourth through the tenth place winners.

Paul Ratliff, of Wheeler Community, was awarded first prize, a \$100.00 Savings Bond, in the County Forestry Improvement Program for 1963 at the annual Forestry Recognition and Awards Program sponsored by the Peoples Bank & Trust Company.

Over 100 farmers, business leaders and agricultural workers attended the recognition banquet and awards program held in the Prentiss County Electric Power building Monday night.

Other winners were: Q. S. Vail, second place, a \$50.00 bond; and Rex Yarbrough, third place, a \$25.00 Savings Bond.

The following were awarded tree planting bars: W. T. Barnett, Jr., T. R. Coker, C. R. Downs, R. W. Lee, E. L. Lowrey, W. E. Keeton, and A. C. Roberts, Jr.

Dean Robert Clapp of the Mississippi State University School of Forestry and Professor John Starr were principal speakers. Dean Clapp commended the sponsors and agricultural workers on the county forestry program. He said, "This was the only county in the state that had the emphasis on forestry improvement that Prentiss County had." Professor Starr discussed the importance of timber stand improvement and new materials and techniques for doing timber stand improvement work.

D. W. Snyder, Public Service Commissioner, commended the sponsors, contestants and agricultural workers on the county program.

Awards were presented by M. W. Smith, Kenneth Pounds, and Mrs. Agnes Carter.

Bobby Killebrew, Area Forester, served as master of ceremonies.

Officials of the Peoples Bank and Trust Co., announced that the program would be continued in 1964 and urged all farmers interested in participating to contact any agricultural worker for help and advice.

Bloodmobile Here Today

The Red Cross Bloodmobile will be in Booneville Thursday (today) at the Prentiss County Electric Power Association building from 12 noon until 6 p.m.

Everyone is urged to come by and help Prentiss County meet its quota.

Thrasher Seniors To Present Play February 5th

The Senior Class of Thrasher High School will present "The Ghost of Roaring Pines," on Wednesday night, February 5th at 7:00 p.m. in the high school auditorium.

Mr. John E. Timbes and Mr. Teddy Ledbetter are sponsors. This play is a three-act mystery-comedy.

Everyone has a special invitation to come out and enjoy an evening of fun.

Dalton Garner Is New President Of Blackland R.C.D.C.

The Blackland RCDC met January 24 for a business session. At the business hour, new officers were elected and a resolution was made to make 1964 better if possible.

The members urged others to come and help make more progress for the new year. The chairman for the different committees are asked to give special interest to the fields in which they are responsible. The club wishes to strive to improve and promote community conditions to a high standard of education.

The following officers were elected: Dalton Garner, president; Ocie Tucker, vice-president; Eva Garner, secretary; Gladys Saylor, treasurer, and Pauline Geno, reporter. The club will have their next meeting February 10.

Rienzi Methodist Charge To Have Study Courses

The pastor of Rienzi Methodist Church is announcing two study courses which will be taught at Pisgah Methodist Church beginning Sunday, February 2 and lasting through the 5th, at 7:00 p.m. each night.

The titles of the courses and the teachers are: "Understanding the Bible," by Mrs. G. H. Holloman, and "Understanding the Methodist Church," by Rev. G. H. Holloman. All who are interested are urged to attend.

Notice

Wesleyan Service Guild and the WSCS will have an anniversary joint meeting on Monday night, February 3 at 7 o'clock at the First Methodist Church. All members are urged to be present.

Free Will Baptist Woman's Auxiliary Holds Meeting

The Free Will Baptist Woman's Auxiliary met recently for their January meeting with nine members present.

A review of the work done in 1963 was given by the president, Dot Gore. Thanksgiving baskets for nursing homes, baskets for the county home, clothing for children's home, decorated hospital doors, home and foreign mission aid were some of the many projects worked on during the year.

Those on the program were Barbara Smith, Faye Whitfield, Alma Martin, and Coptoliar Lawrence.

Plans were made to try for new members and get old members to return. The meeting was closed with prayer by Faye Pierce.

MR. HELLEM MODELS IN CLAY BEFORE STARTING THE HAND CARVING OPERATION.

Mr. Hellem has held the position of Master Carver of the American Seating Company since July 1960. He is one of the few Americans to have attained the rank of Master Carver as it requires many years of training under the guidance of a Master Carver to acquire the needed skills. Since joining the seating firm, Mr. Hellem served apprenticeship under Alois Lang and Joseph Wolters, both Master Carvers and both of whom were trained in the Black Forest region of Germany. In 1962 he completed carvings for the new \$2,000,000 Saints Faith, Hope, and Charity Church in Winnetka, Illinois. Among the 165 hand-sculptured pieces in that church was what is believed to be the largest single religious carving ever produced in the United States—a 24-foot high mahogany cross with an intricately carved 8 foot figure of Christ. The job took seven months to complete and has received national acclaim.

Mr. Hellem, his wife Betty, and their two children Scott and Melanie have already moved to Booneville and now reside on Church Street.

The new wing to be constructed on the present building will be located west of the present office area at the American Seating plant. It will provide Mr. Hellem with approximately 800 square feet of studio space as well as providing a new display chapel for the company's products. The new building will feature full height glass panels accented by exterior walls of Tishomingo stone. The building was designed by Mr. D. E. Way, Chief Architectural Engineer for the Church Division of the seating firm. It is anticipated that many prospective customers and other visitors will journey to Booneville to see Mr. Hellem's work and tour the manufacturing operations. (Architect's drawing on back page)

Town And Country Garden Club Hat Party February 14

Since the announcement last week about the hat party to be sponsored by the Town and Country Garden Club on February 14, there has been inquiries about the hats. These hats are all new spring hats, factory made, in the latest styles. They will be perfect for Easter, church or any special occasion.

The hats are comparable to much higher priced hats but are brought here at the special price of \$4.12, because the hat party is sponsored by a civic club.

The club is indebted to Mr. and Mrs. Loyce Farrar, who have graciously and generously consented to allow the hat party to be held at their lovely home.

Everyone is invited. The men are especially invited to come by from 11 a.m. to 5:00 p.m. on February 14 and buy a new spring hat as a perfect Valentine for their wives and girlfriends.

Thrasher Basketball Tourney In Progress

Thrasher's tri-annual invitational grammar school basketball tournament is in progress this week and will continue each night through Saturday, Feb. 1st.

Teams participating are Jumbertown, Thrasher, New Site, Hill's Chapel, Marietta, Wheeler and Booneville.

Notice

The Prentiss Chapter No. 12, O.E.S. will have a practice meeting Thursday night, January 30 at 7 o'clock. All officers are urged to be present. On Friday night, January 31 at 7:30, the chapter will have a regular meeting and Bro. Herman Smith will be installed as Worthy Patron. All officers will wear formals and be present at 7:00 p.m. for pictures.

Your Blood Is Needed

"It's an ill wind that blows nobody good," says an old English proverb that dates back at least to the 16th century. We are reminded of this by a line in an announcement of the recent meeting of the American Association of Blood Banks.

This valuable organization of hospital and community blood banks is an out-growth, remarkably enough, of the terrible Texas City disaster in 1947. The banks which cooperated to save lives after the ship explosion there felt the need for continual cooperation and formed an organization. It now has 3,800 members in every state and 25 foreign countries.

It has established standards for blood banks, a national clearing house system, regional reference laboratories, and a central file of rare donors. The workings of the last two often save lives dramatically by turning up rare blood types in emergencies.

The life of a woman in Wichita Falls, Texas, for example, was recently saved by blood flown to her from Boston, Milwaukee, and California donors. Blood from Memphis, Tenn., similarly saved a woman in Jersey City.

Since 1961, the Association and the American Red Cross have cooperated to permit local donation of blood for credit to friends or relatives anywhere in the country. But it all still depends on the human blood donor. So far, there is no other source. If you are between 21 and 60 and in good health you should give blood regularly to your local blood bank. The Red Cross Blood Bank, Prentiss County Electric Power Association building in Booneville today, Thursday, January 30, from noon until 6 p.m. Everyone is urged to help fill our quota.

BIG MOONSHINE HAUL—Law enforcement officers are shown with a 1957 Chrysler and 257 gallons of moonshine whiskey which was confiscated at midnight Friday night. Highway Patrolman John McCauley stopped the car driven by Jerry E. Smith, 20, of 842 O'Conner Drive, Tuscaloosa, Ala., to check his headlights and driver's license and Smith ran off on foot. He was arrested about three hours later at a roadblock by Baldwin Policeman Curtis Wilemon. The Lowndes Cou

a 1948 Buick. Smith was charged with improper tag, no inspection sticker, and possession and transportation whiskey and fined \$1,057. Pictured are, left kneeling, Paul Short, third district constable; left standing, Baldwin Officer Curtis Wilemon; right kneeling, Patrolman John McCauley; Deputy J. B. Whitehead; Chester Cole, first district constable; standing, Patrolman Hu and Billy Ricks Short.

Dr. Walter Simpson Named Co-Ordinator

Dr. Walter C. Simpson of Booneville has been appointed attendance co-ordinator for the local zone for the 41st annual Southeastern Educational Congress of Optometry in Atlanta, February 22-25.

The local professional man will serve with key men from some 100 other areas in the South as liaison with the 200-member planning committee. Motorcades are planned in some areas.

Held each year since 1925, the Congress attracted approximately 1,200 registrants in 1963. Some of the Nation's foremost lecturers will appear on the 4-day program. Latest scientific developments in all aspects of eye care will be reported.

Girl Scout Cookie Sale Starts Jan. 31

The Booneville Girl Scout troops will begin taking orders for their annual Cookie Sale on Friday, January 31, through February 8. To meet their goal this year, the Booneville troops must sell 2,784 boxes. With the profit made from the sale, the troops plan to build a new dining hall at Camp Anderel.

In the event that you are not contacted by a Scout, you may call Mrs. L. L. Bethay, Neighborhood Cookie Chairman at PA 8-4968 and place your order. The Girl Scouts need your support for their annual Cookie Sale!

Northeast To End Home Season This Week End

The Northeast Mississippi Junior College Tigers will end their home season this Friday and Saturday nights. The opposition will be furnished by Delta (January 31) and Holmes (February 1) Junior Colleges. Game time each night will be 7:30 p.m.

Thus far the Tigers have compiled an 18 won and 4 lost record. They are yet to be beaten in the Tiger gym. They have scored as many as 121 points in a single contest and have scored 100 or more points in 8 games. They are averaging 88.4 points per game while limiting their opponents to 75.3 points per game.

The following statistics should give you some idea of the balanced attack the Tigers present:

Player	Pts.	Av.	Pct.	fth	ftm	Pc.	
Robbins	483	22	58.3	203	161	79.3	
McGill	200	15	41.0	52	34	65.4	
Bolen	307	14	56.9	127	68	53.7	
Hall	317	14	45.3	116	89	76.0	
Richie	231	12	8	40.5	76	39	52.6

David Bolen leads the team in rebounds with 13.9 per game and H. L. Richie is averaging 11 rebounds per game.

Victory in these two contests would give the Tigers a 9 and 1 record in the North half of the state, second only to IJC of Fulton. The Tigers lost to Decatur in their only conference defeat (64-61). They have not played IJC.

Last weekend (Jan. 24-25) the Tigers won two games at their home gym. Friday night the Tigers defeated Scooba 121-67. For the Tigers Jim Robbins scored 36, H. L. Richie 30, and Dave Bolen 17 points. Ken Mazatt made 14 and Bob Briggs 13 for the Lions.

The following night Northeast dropped Decatur 92-63. Jim Robbins made 32, David Bolen 21, and H. L. Richie 11 points for the Tigers. Decatur's leading scorers were Danny Richardson, 21 points, and Tommy Puckett 10 points.

Admission for this weekend's games will be 50 and 75 cents. Support the Tigers!

North Mississippi Savings & Loan Declares Dividend

The North Mississippi Savings & Loan Association Board of Directors declared a 10c per share dividend to all stockholders of record December 31, 1963, Joe M. Hudspeth, secretary, announced today.

The association has offices in its building here in Booneville at Church and Front Street. Booneville is represented on the board by E. T. (Rob) Sartin and Fred L. Houston.

This is the second consecutive dividend which reflects the continued growth of this Mississippi chartered Savings and Loan association. In the year 1963, the association gained \$1,141,000.00 in savings.

In addition, in 1964 the association began operating an office in Ripley, Miss. The formal opening was held January 6th.

Cub Scout Pack No. 34 Will Meet Tonight

There will be a pack meeting of the Cub Scout Pack No. 34, at the First Methodist Church Thursday night (tonight) at 7 o'clock. All Cub Scouts and those interested in becoming Cub Scouts, between the age of 8 to 11, are urged to attend.

Victory For Freedom

The Supreme Court of the United States has now made it clear beyond question that state right-to-work laws are constitutional, and that the state courts have the power to enforce these laws which, in effect, give a worker the right to gain and hold a job whether or not he is a union member. The decision was unanimous—8 to 0. Justice Goldberg did not participate, as he was formerly Secretary of Labor and so might have been considered a prejudiced party to the dispute.

This action concerned an argument that federal law took precedence, that the issue must be decided by the National Labor Relations Board, and that the state courts were without authority. This was the argument that the court rejected. The right of the states to prohibit unwilling, compulsory union membership, if they so choose, is now

firmly established.

Right-to-work laws are in effect in 20 states, including Mississippi. Strong movements are constantly afoot to pass them in additional states. Under their terms, no employer can discriminate against a man because he joins a union—and no union can prevent this employment if he chooses not to join. He is a free man, who can accept or reject the union's offerings without penalty.

It might be added that these laws make for more effective unions, doing a better job for their members—for, under them, they must gain membership on the basis of service instead of compulsion. The Supreme Court's unanimous decision is a victory for freedom, and for one of the most fundamental rights—the right to work.

100 Years Ago—

Soldiers Relax, Shiver In Winter Quarters

By LON K. SAVAGE

January, 1864, was one of the quietest months on the battlefronts of the Civil War—something of a lull before the great and final storm that would begin with the spring. The struggle of the Northern and Southern armies 100 years ago this week was not so much against each other as against a common enemy: cold.

Both armies did remarkably well against this foe—so well, in fact, that many soldiers later told of enjoying their winters in the field.

Both Yankee and Rebel showed great ingenuity in improving upon what their respective governments had given them for comfort.

For many soldiers, the government had provided tents, and large, tented cities were seen scattered across the country. Along the Rapidan in Virginia, Gen. Robert E. Lee looked down from Clark's Mountain on such a city of Yankee troops and watched hundreds of curlicues of smoke lifting sky-

ward.

But tents were not the final word—not by any means. Thousands of soldiers on both sides built little huts or log enclosures, topping them with tent canvases or wood and filling the chinks with mud. Some built fireplaces, frequently using bricks from abandoned homes nearby. A few even added Victorian gingerbread designs along the eaves.

Bunks, Too

Some soldiers built bunks in their huts, using barrel staves or boards from hardback boxes. Others, even fancier, built spring beds with saplings and cushioned them with eaves or hay. They then stabbed their bayonets into the dirt floor and stuck candles in the handle ends to furnish light.

Therein, warm and lighted, they would pass away the time between tours of duty writing letters, reading, cooking, mending clothes, shaving or just talking.

Less Ambitious

There were, of course, less ambitious men. Some men would lay a bed of leaves or straw between two logs, lie down and cover themselves with tent canvas, and that was their winter home. Others would sneak off each night to sleep in a nearby barn or haystack, and a few lucky ones obtained regular sleeping quarters in a farmer's home, complete with featherbed.

Wherever the quarters were erected, the soldiers would first take care of their own needs, then turn to their community needs. In each camp, soldiers would build a chapel, a stable, and, of course, a guardhouse. In some camps, log sidewalks made their appearance.

As winter wore on, some soldiers turned to the finer things and made benches, chairs and tables, then whittled chess men and chess

Just Scribbling

by
MRS. ED JOHNSON

Remember me writing about another 'Helen Johnson' who had been in the hospital recently, and people kept asking my folks how I was feeling?

Well, in the Tupelo Journal Friday was a report that Mrs. Herschel Presley was arrested Wednesday night east of Nettleton and charged with possession of whisky.

Banner-Independent linotype operator Herschel Presley was working Wednesday night here at the paper, but I assure you our Mrs. Herschel Presley was at prayer meeting.

Nevertheless, Mrs. Presley (Dean) received a number of anonymous phone calls Friday asking for delivery of merchandise.

To top it all, Bro. Grubbs is pastor of the Calvary Baptist Church where Mrs. Presley is a member, and the other Mrs. Presley will appear before Justice of the Peace Grubbs next month.

I could make some sly remark about people living double lives—but knowing folks, they might think I meant it, and our Mrs. Presley and Bro. Grubbs have character above even sly remarks.

But it is amusing, to say the least.

There was mention made to me last week about seeing if a Driving Course could be taught in our high school. I think it would be a splendid idea . . . and if some of you readers investigate the possibility further, please let me know. I'll try to help.

My brother and sister-in-law from Montgomery, Ala., visited us last fall and she, Ella Mae White, asked me how in the world I ever put on make-up, and further suggested I put a light over the mirror in the bathroom. I finally had it installed, but what I can't figure out is how, just overnight, I got all these blemishes, lines and wrinkles.

And furthermore, I wonder what was really behind the suggestion. She's just four years younger than I am . . . or is it five?

There was a bird that, when given the opportunity one day, traded a small feather for a worm. This seemed a real good thing, and he didn't miss the feather at all. It was so good that the next day, when given the opportunity again, he gladly traded another feather for another worm. This went on daily for a few weeks until one day the feather he traded was so large that without it he could no longer fly. He had traded his liberty for security.

All of us want some amount of security, but not to the extent that we lose our freedom.

From the Scouting Magazine:

"My eleven-year-old grandson accompanied his father to arrange with a farmer for a troop camp site. Breathless, he told me of an old barn they were to use for sleeping quarters in case of rain. I reminded him of rats usually found in such buildings. 'No, grandma, there are no rats there; the snakes have eaten them.'"

Edward Everett Hale's famous short story, "The Man Without a Country," has just passed its 100th birthday. While most other tales of the same age are forgotten, this story is still going strong. It tells of the anguish and death of a soldier named Philip Nolan, who was condemned to lonely exile aboard a ship because he cursed the United States and said he wished never again to hear the name of his country.

As meaningful today as a century ago is his later advice to a midshipman: "And for your country, boy, and for that flag, never dream a dream but of serving her as she bids you . . . No matter what happens to you, no matter who flatters you or who abuses you, never look at another flag, never let a night pass but you pray to God to bless that flag."

We have three new guests at Aletha Lodge since last week. Our first couple, Mr. and Mrs. D. T. Marchbanks of Mantachie, joined us. Mr. Marchbanks used to have a leather shop and shoe repair shop. Later he was a lay preacher. He is 81 and she is 82 and they are a devoted couple.

Mr. H. C. Wardlow of Michie, Tenn., who is 78, was a rural mail carrier, and like most mail carriers I'm sure, has meant much to his patrons.

We had not expected Mr. Wardlow until Tuesday, so did not have his room ready and as mother, Mrs. Long, hurried about, she said, "From now on, we'll be ready on a moment's notice."

Sunday afternoon, one of our guests heard the closing remark of an announcer on "The Wonderful World Of Golf," and said, "That man is right—The Wonderful Word Of God." We didn't correct him.

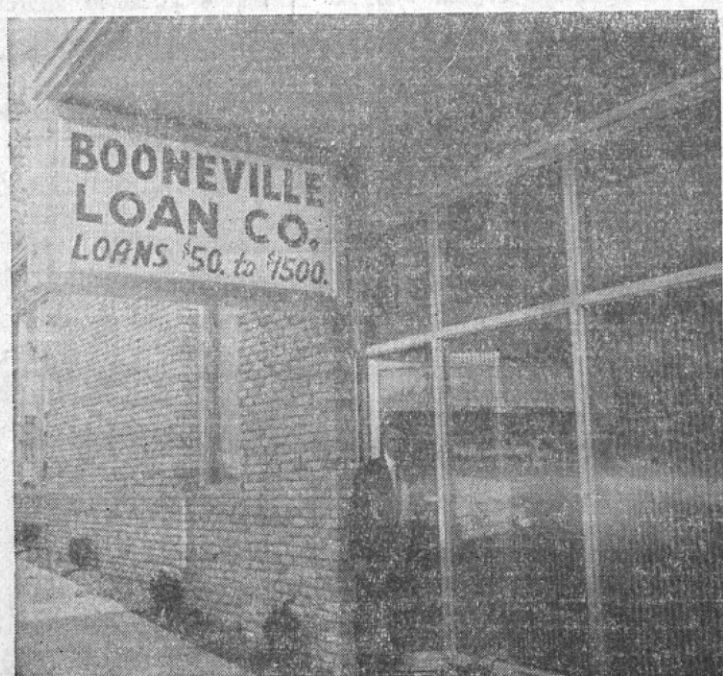

Back to the book of riddles:

Q.—Which is bigger: Mr. Bigger or Mr. Bigger's baby?
A.—The baby is a little bigger.
Q.—What do women do with the years they take off their true ages?
A.—They add them to the ages of their best friends.
Q.—What's the difference between a pessimist and an optimist?
A.—A pessimist is a lady who's afraid she won't be able to squeeze her car into a very small parking space. An optimist is a man who thinks she won't try.

Local Business

Chairman, Dept. of Journalism

The 1964 advertising plan of a major manufacturer of radio and television makes print media the only outlet for national advertising.

Philco Corporation has announced an increase in its advertising budget of 50 per cent for this year.

An estimated \$5,000,000 or 67 per cent of the budget, will go to newspaper advertising. In contrast, network television received 56 per cent of the company's advertising last year. The firm has dropped this type of advertising.

An executive of the company explains the change:

"Our surveys in individual markets show good consumer acceptance of the brand name and a need to increase dramatically local advertisements that show what and where to buy . . ."

This manufacturer of electronic equipment has joined others in rediscovering that "all business is local," and that no amount of strictly "brand name" advertising on the national level will guide the consumer to a local dealer.

But perhaps more significant, the surveys of the Philco Company reaffirm that the local newspaper is justified in claiming to be the most effective consumer shopping guide.

HD Club Meets At Stutts Home

The Home Demonstration Club met in the home of Mrs. L. H. Stutts Thursday afternoon, January 23rd, with 28 members present.

The meeting was opened by giving the Club Pledge, followed by giving the Pledge to the U.S. Flag. Mrs. L. L. Downs, president, gave a beautiful devotion taken from the fifth chapter of Matthew, followed by prayer.

Mrs. Claire Ross showed some very interesting and helpful slides

like soldiers in any day and time; they appreciated rest and friendship. But like soldiers in other days and other times, they knew their purpose was to fight, and eventually they would have to do just that.

Try this for a quick salad:
For six servings of jackstraw salad, cut into matching sized sticks 3 carrots, 4 large stalks celery, 2 large green peppers, and 2 large red apples. Mix with dressing and pile into crisp lettuce cups.

DID YOU KNOW?

*To remove lime deposits from the bottom of water bottles or pitchers, put tea leaves on the bottom of the container and fill with vinegar solution.

*You can wash many plastic items, such as tablecloths, shower curtains, raincoats and baby pants, in your washing machine with towels added as buffers. Use warm suds and rinses, short cycles, and

remove as soon as the washer shuts off. Hang to drip, or use your automatic dryer at the "off" or lowest setting.

*When an illness is over, there is only one safe place for the leftover prescription drugs. That place is down the drain.

*For a party dessert to please the children, roll heaping scoops of vanilla or chocolate ice cream in salted peanuts. Serve with chocolate sauce.

*To solve the problem of messy soap dishes, just cut a sponge to fit the dish. It will soak up all the water and keep the soap dry.

SEWING WITH KNITS
Mrs. Malcolm Sweeney, of the

Pisgah Home Demonstration Club, might well be considered an artist with a sewing machine. Those of you who have seen her creations for Sharon, her young daughter, and herself — not to mention her home — will agree.

The popular double knits of wool, cotton, man-made fibers and blends will be easy to sew, if you handle them properly. Some suggestions Mrs. Sweeney includes are these:

1. Pre-shrink fabric before cutting by rolling it in a damp towel and letting it stand overnight.
2. Don't place the pattern over the original fold, as it may not press out.
3. Select a pattern that calls for a minimum of seams and that features straight lines.
4. Pull the seam slightly and use a fairly loose tension on the machine so the fabric will stretch a bit, and the seams won't pull when the girdle is worn.

Legislator's Get Full Outline Of Governor's Program

JACKSON, Miss. — Last week's highlights in the State Capitol were the inauguration of Gov. Paul B. Johnson and the Senate's approval of the governor's appointment of Walter Giles Johnson, a Jackson oil executive, as Adjutant General.

This week, Prentiss County Rep. Charley McCoy of Wheeler and the other legislators got a comprehensive outline of the governor's program.

Gov. Johnson addressed a joint session of the legislature Tuesday afternoon and spelled out in detail the proposals he considered paramount to advance the state forward in all major areas.

Among the things McCoy and the other solons heard Johnson discuss in his Tuesday address were state finances, the need for increased research, and continued progress and work in balancing agriculture, industry and commerce; the 54th governor of Mississippi also stood firm on maintaining the state's sovereignty.

Lt. Gov. Carroll Gartin and House Speaker Walter Sillers worked at completing their assignments of legislators in their respective houses to the numerous committees yet officially membership.

Gov. Johnson addressed a joint session of the legislature Tuesday afternoon and spelled out in detail the proposals he considered paramount to advance the state forward in all major areas.

NORTHEAST TROPHIES—Bonner Arnold, basketball coach at Northeast Mississippi Junior College, stands before the trophy case in the Tiger gym which contains the 33 trophies which his teams have won since the college opened in 1948.

Coach Bonner Arnold Has Compiled Enviably Record At Northeast

Coach Bonner Arnold has the distinction of being the first and only head basketball coach in the history of the Northeast Mississippi Junior College. He has behind him a record that all sports figures admire and rival coaches envy. Coach Arnold is widely noted for the development of CENTERS in junior colleges.

Coach Arnold, who started his coaching career at Hill's Chapel High School in 1931, has left records that range from high school State Championships, to National Junior College runner-up. Coach Arnold, a graduate of Miss. State University with a B. S. degree and the University of Mississippi with an M.A. degree, began his junior college coaching at Northeast in 1948, when the college first opened.

The name of Bonner Arnold and Northeast basketball has almost become a legend in itself. While Coach Arnold has been at Northeast, he has won 463 games and lost 104. His teams have won a total of 35 trophies. His records include winning the most junior college championships and the most conference games. He has coached five All Americans, Ken Lindsey, Gene Garrett, Charley Floyd, Jimmy Benson, Vince Del Negro; the National Junior College Runner-up twice; and the most All State players. Coach Arnold also has the honor of having coached a professional and Olympic star, Adrian Smith of the Cincinnati Royals.

Aside from coaching, Coach Arnold is Athletic Director, head of the Physical Education Department, member of the faculty, a community leader and maintains and operates a large farm. "Coach,"

as Northeast knows him, has no plans in sight for retirement from basketball or his busy daily schedule. When asked if he could explain the reason for his success in coaching, he remarked that, "Good players make a coach successful."

Miss Sparks' Friends Nurses Meeting

Miss Mary Etta Sparks, registered nurse at Aletha Lodge, attended the committee meeting, Nurses Professional Registries of the Mississippi Nurses' Association at Jackson, Miss., Saturday.

Accompanying her to Jackson on Friday were Mrs. Eleanor Tidwell, Joan and James.

While there they all visited Bro. and Mrs. Ellis Estes at Jackson, sister and brother-in-law of Mrs. Tidwell and Mr. and Mrs. Edward Frost.

Miss Sparks is chairman of the By-Laws Committee of District 26.

Feb. Is American History Month

During the month of February, American History Month, the Natchez Trace Chapter D. A. R. will stress the study and encourage increased knowledge of American history in an effort to safeguard our American heritage. We must strive to preserve our freedom, understand our heritage and realize that the freedom which is ours today came about through sacrifice, wisdom and great faith of the founding fathers.

It is hoped that during this month as we reflect upon the deeds and lives of our nation's historic events and leaders that all patriotic Americans will be inspired to pursue further the study of American history.

When asked to name his most talented players, he declined, saying that while some were better than others, all shared in the victories.

Club Sees Film, 'Meals Can Be Magic'

On January 23, the Marietta High School 4-H Club girls held their monthly meeting.

The meeting was called to order by the president, and the song leaders entertained the groups with songs.

The meeting was then turned over to Miss Edwards, who presented a film entitled "Meals Can Be Magic." Afterwards, the members discussed the film with Miss Edwards.

The meeting was closed with the repeating of the Pledge.

Legionnaires To Meet

Regular meeting of Levi B. Morton Post 123, Booneville, will be held Tuesday night, February 4 at the Post home on Front St.

Commander White reports that the Legion membership is growing, well over our quota for the year, and urges those who have not paid up for 1964 to please do so now and help make this a banner year for the local Post.

Refreshments will be served following the business session.

East Booneville HD Club Honored

The annual Club of the Year supper and Achievement program for the home demonstration clubs in Prentiss County was held in the PCEPA building Tuesday night, January 21.

Special recognition was given to the club and to individuals who have excelled in the varied activities of Home Demonstration work.

East Booneville had been previously selected "club of the year." This recognition goes to the club as a unit which has the highest score established to determine the most effective home demonstration club in the county.

Officers of the East Booneville Home Demonstration Club are Mrs. V. F. May, president; Mrs. Toy Hill, vice-president; and Mrs. R. E. Pike, secretary.

Members of this club were presented corsages by the county council. The supper in their honor was attended by their husbands as well as husbands and special guests of members of other clubs in the county.

Following the supper, group singing was led by J. A. Thornton, minister, Booneville Church of Christ. The program chairman, Mrs. Walter Dilworth, congratulated the East Booneville members on their achievements and outlined the activities in which they had participated to win the title of club of the year.

Mrs. May, who is also county council president, presented prizes to blue ribbon winners in the Fall Flower and Vegetable Show and Exhibit Day. She also awarded checks to the following winners in council-sponsored contests: Home-maker's Record, Mrs. L. L. Downs, Booneville; Demonstration Leader, Mrs. J. A. Thornton, East Booneville; Secretary's Record, Mrs. Walter Dilworth, Pisgah, 1st; Mrs. Rupert Pike, East Booneville, 2nd; Mrs. Sam Chase, Burton, 3rd.

The home agent, Mrs. Claire Ross, presented certificates of Achievement to council members who had attained certain goals, and reading certificates to club members who had read a specified number of approved books.

Blue Devils Drop Three; Win One New Lightweight Chain Saw Now Being Offered Here

The Booneville Blue Devils, after a first-half upper hand, lost their spark during the final minutes of the game, and were defeated 43-41 by Selmer High School's quintet, Selmer, Tenn. last Thursday night. The Devils played a nip-and-tuck game during the opening minutes of the game, and then during the second quarter pulled ahead to stand 22 to Selmer's 18 at the half time. Then, after the intermission, the Devils seemed to lose their team spirit and drive, and fell behind. Selmer increased their lead and at time-out called by Booneville's Coach Kenneth Lindsey, the score stood at 42-36. The Devils went back into the game and came within two points of their opponents. However, the clock ran out, leaving them with their fourth defeat of the season.

For Selmer, Hockaday scored 12, Kirby 11, and Ellis 10. Mackey Smith made 15 for Booneville and Jimmy Burcham added 12.

Baldwyn 55, Booneville 54. After Booneville defeated Baldwyn in a B-team game, the Blue Devils were edged by Baldwyn 55-54 on Friday night in Baldwyn's gym. In the B-game, Booneville led 22-11 at the half time and went on to have a 36-30 victory. Mickey Wood made 11 for Booneville, while Allen got 10 for Baldwyn.

In the second-round game, Baldwyn held a 27-26 lead at the half-way mark, and defeated Booneville by only one point in the outcome. Gary Harp scored 21, Cotton Cooper 13 and Danny Bishop 10 for the Baldwyn Bearcats, while it was Mackie Don Smith 21 and D. T. Whitfield with 19 for the Blue Devils. During the final seconds of the game, Baldwyn was leading by one point, when Mackie Don Smith attempted a field goal, but failed. D. T. Whitfield rebounded and made a basket, which was declared void.

Thrasher Tops Booneville. The Thrasher High School team defeated Booneville's Blue Devils 50-38, after the Thrasher Bees won 49-44. Using stall ball tactics, Thrasher led 19-15 at half time. Wytho.

The revolutionary new Homelite XL-12 chain saw is now available through Joe Parr Tire & Appliance store, at the corner of Church and Front Streets in Booneville, Joe Parr, owner, announces.

Sailors made 16 and Danny Lary 11 for Thrasher. For Booneville, Mackie Smith made 15 and Jimmy Burcham 10.

Blue Devils Drop Marietta

The Blue Devils once again got into the win column with a 66-56 verdict over the Marietta Raiders Monday night in the Northeast gym. Booneville had a 34-29 halftime up per hand. Mackie Smith made 24, D. T. Whitfield 18, and Fred Stennett 15 for the winners, while Marietta's Milton Pharr made 16, Mary Hoard 15 and Ken Burns 12.

In a junior high game before the main game, the Booneville quintet won 38-25.

"The XL-12—the world's lightest, direct drive chain saw — weighs as little as 14 pounds, complete with 16-inch bar and chain. Yet it can slice through 12-inch logs in 10 seconds, fell trees up to three

Mrs. Sally Breedlove, Mrs. Hoyt Breedlove, Mrs. Prentiss Daniels and Mrs. Harman Gaddis spent the day in Jackson, Miss., Tuesday.

Friends are glad to know that Mr. Robert Cox has returned home following hospitalization at the Baptist Hospital in Memphis.

Mr. A. R. Dezonla of Jackson, Tenn., visited his daughter and son-in-law, Mr. and Mrs. Ben Smith last week.

NEW HOMELITE—Vernard Hall, left, and Joe Parr look over the new lightweight Homelite XL-12, which is now being featured at Joe Parr Tire & Appliance Store.

feet in diameter," Mr. Parr emphasizes.

"Whether you're a professional pulpwood cutter or logger, or you just want to get wood for your fireplace, clear a campsite, do some landscaping or repair storm damage, this new Homelite XL-12 provides the lightest, easiest, most economical way to do it.

"The remarkable combination of lightweight, power and performance of the XL-12 represents the greatest advance in chain saw design and construction in the last decade.

"Here for the first time is a chain saw with all the features that have made Homelite the top choice of professional woodcutters for years, and yet it weighs only 12 pounds, less bar and chain. You only have to try it in a few cuts to see how easy woodcutting can be. Even after using it for hours, you'll agree you have never handled a chain saw that cuts so fast with so little effort.

"Professional features of the new XL-12 include: A weatherproof 'hot spark' ignition system to give easy, instant starting in any season and any climate; a powerful new two-cycle, short-stroke engine

which has low friction for long life and gas economy; an all-position diaphragm carburetor which lets you cut in any position—up, down or upside down—with no loss of power; grouped controls—ignition switch, chain oiler, choke and throttle—that can be operated by one hand in one position for fast, simple, safe control; a husky crankshaft mounted on case-hardened roller bearings for long life and counter-balanced to eliminate vibration and reduce operator fatigue; an easy-to-clean air filter, located away from flying sawdust so that it provides lots of cutting time before it needs cleaning and which can be cleaned and replaced in less than a minute and re-used many times.

"But you have to get this saw into your hands and cut with it," Mr. Parr says. "It's only then that you'll realize what a revolutionary saw it is, and what a tremendous difference this weight reduction makes in how you feel after cutting."

Mr. Parr said they will also maintain a complete parts and service department for the XL-12, as well as for other makes of chain saws and lawn mowers. (Adv.)

COUNTY AGENT NOTES

TAXES

Here is a last-minute reminder to farmers and farm operators who had employees during 1963 subject to social security tax. This annual report to the Internal Revenue Service of the cash wages paid your employees is due January 31, 1964.

In determining which employees' wages are to be reported, the following rule is applied:

Mr. Smith

1. If any employee was paid \$150 or more in cash wages during the year his work must be reported.

2. Regardless of the amount of cash wages paid, if an employee worked on 20 or more days during the year and was paid by the hour, day, or the week, rather than by the job, his wages must be reported.

Also, be sure the report has accurate information for each employee, including the correct spelling of his name, correct amount of money paid him and the correct social security number.

Farmers who did not file an ESTIMATE OF INCOME TAX BY JANUARY 15 MUST FILE YOUR RETURN BY FEBRUARY 15, DAIRY NOTES

What about "lead feeding?" It seems to be working well for some dairymen who want to watch closely the amount of grain feed given to each cow. The purpose of "lead feeding" is to challenge the cow to top production.

In lead feeding you usually start a couple of weeks before the cow freshens. Gradually increase the amount of grain to one pound for each 100 pounds of body weight in addition to the regular daily roughage feed.

When the cow freshens and her udder is in good condition, the amount of grain should be determined according to her production. Then add one or two pounds of grain daily above these needs until maximum production has been reached.

After peak production has been reached, then drop two pounds daily until the level according to calculated needs is reached and continue until end of lactation.

This permits a cow that has the inherited ability to produce at higher levels than it normally would under usual feeding systems. Above average herdsmanship is necessary for good results under this system.

FEED GRAIN

Get all the information about the 1964 Feed Grain Program you can and study it thoroughly before making a decision on whether or not to participate. Study your own situation and your grain needs. Weigh the facts carefully. Then decide!

The sign-up period begins Friday February 10 and ends March 27. So there is no need to be in a hurry about your decision!

HOG SALE

The first annual sale of the Mississippi Yorkshire Breeders Association is scheduled for Mississippi State University February 13. Offered will be 35 head — 11 boars and 24 bred and open gilts from the state's top herds. For more information and catalogue write to Billy Harris, associate county agent at Marks, Miss., who is association secretary.

ORCHARD NOTES

Spray all fruit trees with oil emulsion to control scale insects, using one gallon of standard strength oil emulsion to 20 gallons

of water. Cover all parts of the tree thoroughly. Do not apply in freezing or near freezing weather. Spray peach trees also with Bordeaux mixture while dormant to control peach leaf-curl disease. The Bordeaux mixture may be applied with the oil emulsion spray.

A Message From Charley E. McCoy

Since leaving Prentiss County and coming to Jackson, I have been ever mindful of the fact that you have entrusted me with the responsibility of guarding the well-being of the people of Prentiss County. The purpose of this message is to render you an account of my stewardship thus far.

Perhaps you have noted that the Legislature has apparently been marking time until the new Governor could be inaugurated. Nevertheless, the membership of both houses have been busy readying themselves to settle down to the serious business with which we are faced. There has been a vast amount of routine matter relating to the organizations as well as preliminary steps necessary to preparing the Legislature for operation. Some of the committees have been appointed, but it is essential that all appointments be made before the House and Senate can settle down to routine work.

In my association with the individual members of the Legislature, I have found that there is a prevailing awareness among them of the seriousness of the problems facing the State of Mississippi. The members feel keenly their responsibility to meet these problems. I, for one, realize my own inadequacy to cope personally and alone with these manifold and serious questions confronting us at this time, and which will continue to plague us in the future. I shall heartily welcome, and I strongly solicit, your advice and counsel in helping me to make my decisions in all matters.

The new Governor, as well as both bodies of the Legislature, seems to stress the need for legislation in five fields of endeavor: namely, research, vocational training to meet our increasing industrial demands, development of the tourist trade, better marketing facilities for our products, and finally such measures as would promote peace and harmony among our own people — the elimination of petty personal and political ambitions.

A number of resolutions have been offered for consideration; a number of bills of little consequence, along with many crying out loud for serious attention. For example, an educational bill is now under consideration which, if passed in its present form, would prohibit the voters in a separate school district from voting for a candidate for the office of County Superintendent of Education, and the bill in its entirety would restrict the powers and duties of that office as it presently exists.

Personally, I do not favor discriminating against any sector of voters or in any way curtailing any group in their free choice of selection of their public servants. The power to manage their local schools should be restored more in the people — not taken farther away from them.

Now, in conclusion, my friends, I consider myself the servant of the people of Prentiss County, of all the people of Prentiss County, not just a part of them. May I repeat that I need your advice and guidance; I hope that you will feel free to offer me any suggestion you may

Prentiss ASCS County News

By CHARLES E. CALVERT, Office Manager

1964 Feed Grain Program Voluntary, Says Chairman

Participation in the 1964 feed grain program will be entirely voluntary, as in earlier years. Only those growers who take part in the program, however, will be eligible for price support on the three feed grains, corn, barley, and grain sorghum.

Producers on farms which grew any of these grains in either 1959 or 1960, or in both years, will have the opportunity to sign up in the program during the period February 10 through March 27. In the meantime, ASCS County Office staffs will answer any questions growers may have.

The grower who diverts as many acres as he signs up to divert—at least 20 per cent of his farm's total feed grain base—and carries out other provisions of the program will earn a payment for acreage diversion and will become eligible for the feed grain price support loan and payment. Since the pay-

ments vary by crops, the diversion payment will be based on the kind of feed grain planted. A higher rate of diversion payment will apply where more than the minimum 20 per cent of the base is diverted.

The acreage diverted from production of the feed grains is to be devoted to an approved conservation use, and this acreage is in addition to the conservation-use base acreage for the farm.

Payments will average higher this year, and the maximum diversion is higher. A new provision in the 1964 program limits the diversion payment to no more than 20 per cent of the fair market value of the land diverted in 1964.

Release Excess Cotton Acreage

Farmers who have cotton that will not be planted in 1964 are urged to release this acreage. Mar. 31, 1964 is the final date to release excess acreage and protect your allotment history. Farmers who release their acreage, and withdraw this release any time prior to Mar. 31, 1964.

MR. AND MRS. R. C. SPARKS

Miss Jean McDougal Becomes Bride Of R. C. Sparks In Double Ring Ceremony

Candler's Chapel Baptist Church was the setting for the recent wedding of Jean McDougal, daughter of Mr. and Mrs. James McDougal, and R. C. Sparks, son of Mr. G. S. Sparks and the late Mrs. Eunice Sparks.

Rev. Billy Hester performed the double ring ceremony. Miss Phyllis Hare presented the nuptial music and Enoch Stacy sang, "Seal Us, Oh Lord."

Given in marriage by her father, the bride was lovely in a floor-length wedding gown of white satin, covered with lace, fashioned with fitted sleeves ending in petal points fastened with tiny pearl buttons. Her veil of tulle fell from a crown of white velvet.

Attendants were her sister, Shelia McDougal, who was maid of honor, and Elizabeth Cole and Nancy Montgomery, bridesmaids. They wore identical dresses of blue satin covered with chiffon, and matching headpieces. Their corsages were of white mums.

Mrs. McDougal chose for her daughter's wedding a beige wool sheath, with black accessories. Her corsage was also made of white mums.

The bride chose a blue three-piece wool knit with black accessories for traveling. Her corsage was made up from her bridal bouquet.

The bride graduated from New Site High School, where she was active in school activities. In her senior year she was chosen "Miss N.S.H.S., queen of the Junior-Senior banquet and senior class favorite."

The groom attended school at New Site and graduated from the University of Kentucky.

After the wedding the couple left on a wedding trip to Florida. They plan to make their home in Booneville, where the bride is employed with Marathon Cheese Corporation and the groom is employed at American Seating Company.

American Seating 1963 Net Sales Are Highest In History

GRAND RAPIDS, Mich., Jan. 28—Net sales of the American Seating Company for 1963 were over \$47 million, highest in the company's history, it was announced today by President James M. VerMeulen at a national sales conference held at the firm's headquarters here.

Contributing to the record-breaking volume were the sales of E. H. Sheldon and Company, producers of laboratory furniture, acquired by American Seating Company in December, 1962. Preliminary estimates indicate that earnings for '63 will be slightly lower than in '62, VerMeulen reported.

"As a result of the substantial increase in orders booked in 1963, we entered 1964 with one of the largest backlogs in our 78 years, and we expect our 1964 volume will reach a new high," VerMeulen said. "I believe 1964 will be a landmark for all of us connected with the American Seating Company."

During 1963 the company introduced 50 new products in the five markets in which it operates: educational, religious, amusement, hospital and transportation. Also, during 1963, marketing plans were initiated for the introduction of at least 30 more new products in 1964, VerMeulen revealed.

Jumpertown H.D.C. Meets

The Jumpertown Home Demonstration Club met Tuesday afternoon, January 21 with Mrs. Dewey Wallis. The devotional was taken from Psalms 105: 1-5 and a New Year's prayer poem was read. "Blest Be The Tie" was sung.

During the business session the new yearbooks were filled in and other business discussed. The members voted to investigate the possibility of a road-side park.

Mrs. James Moore gave the study topic on "Safety on the Highway." Mrs. Claire Ross gave an interesting discussion on "Mealtime Magic" and showed a colored filmstrip in connection with the subject.

The New Year's theme was carried out in the refreshments and during the social hour.

The next meeting will be February 18 at 2:00 p.m. with Mrs. Oliver Eaton. Each member is asked to bring a favorite recipe.

Unauthorized Tags Being Offered To Governor's Staff

A warning that unauthorized automobile tags are being promoted by mail to members of Gov. Johnson's official staff was sounded today by Harvey West, Gov. Johnson's chief of staff.

"The only tags authorized," Col. West stated, "are black with white lettering and border, and centered with the official seal of the State of Mississippi. These tags are available only from Marvin Collum, P. O. Box 291, First National Bank Building, Jackson. We urge that all staff members refuse the unauthorized tag offer, or ignore it completely."

Hazel Walker's Arkansas Travelers To Tangle With Baldwin Civitan Club

How do the amazing Arkansas Travelers basketball team (all girls), who play more than 200 games during their season, stand up to a gruelling, back-breaking pace? That seems to be the question every basketball fan asks after seeing this great team, which makes its first showing of the season February 5 against the Baldwin Civitans (all men's team) at the Baldwin gym at 8:00 o'clock.

Although they perform night after night and often in doubleheaders — Hazel Walker's talented girls never appear to be exhausted or weary. Every night they stage their dazzling whirlwind show with the same enthusiasm and skill from October through May in a different town each night.

How do they do it? During the past season, for instance, they played a total of 220 games and set an amazing record, winning 201 and losing only 19. This record was

accomplished against many of the strongest male teams in the nation. Miss Walker has the answer to the questions and it's one of the reasons for the Travelers' tremendous success as the Nation's No. 1 Girls' Basketball Team.

"Condition" says Miss Walker, who owns the Travelers. The girls are in tip-top condition from the beginning of the season through the end over a six-month period."

Actually the girls are prime athletes who've had many seasons of basketball experience. They've learned the art of pacing themselves, going full steam during a drive and then slacking up while executing a particularly intricate pass pattern. They have also learned the art of relaxing under pressure, a test of true ability. Each girl, in her own right, is an outstanding athlete, not only possessed with a knack for basketball but with the ability to excel in other

Use Preaddressed Income Tax Return

Be sure that your 1963 Federal tax return is recorded properly on Uncle Sam's books. Best way to do this is to use the preaddressed return. If for some reason it cannot be used, type or print your name, address, and social security number on your return so it can be identified easily.

"Naturally," J. G. Martin, Jr., District Director of Internal Revenue for the Jackson Office, said, "if we can't read your name, address, and social security number, we can't mark you paid or mail you a refund check."

The team travels in a special built station wagon and is the best dressed team on the road — best looking team in the world — stay in the best hotels and motels — eat the best food and literally live and breathe basketball for six months each year.

Wheeler W. M. S. Met January 15

The WMS of the Wheeler Baptist Church met at the church on Wednesday night, January 15 with eight members present.

The meeting was called to order by Mrs. Marjorie Franks, WMS President. The program was a Missionary Program about Northwest and Midwest. Mrs. Franks acted as Program Chairman in the absence of Mrs. Callie Bruce.

Those on the program were Mrs. Oline Thompson, Mrs. Carl Greenhaw, Mrs. J. B. Wheeler and Mrs. Charline Johnson.

Mrs. Gerald Hodges led the devotional, taken from the 16th chapter of Acts and briefly discussed the Macedonian Call as applied to a Christian and a church today.

The meeting was closed with a prayer for all associated with the Pioneer Mission Program by Mrs. Charline Johnson.

Public Relations Note

BY Neil Woodruff, Asst. Professor of Journalism, MSU

Hospitality is a characteristic which is inherent in each of us. It is our human nature to feel deep satisfaction when we have the opportunity to be hospitable to other persons. But there are many different degrees of hospitality.

Mr. Woodruff

Hospitality among the masses of people in the United States almost runs parallel to the climatic conditions. In the South, where temperatures are generally warm throughout the year, hospitality is practiced much more than in the cooler climates of the north and east. Generally, starting in the South and moving north, hospitality is evident less and less as you move through the country.

Many people in the South do not lock their cars at night. Many do not feel that it is necessary to lock the doors to their homes. In general, people in hospitable areas have a genuine trust in their fellow beings. Hospitality can be an act, a put-on for some purpose. True, hospitality for a group of people, as in the South, results from the many, many acts of individual hospitality, which in the aggregate, reflects a true image of the people themselves.

Some business firms have a sincere desire to promote hospitality within their businesses. Many of these efforts are sincere; others are brought on by necessity through competition. The ultimate in small store hospitality is the grocery merchant who still takes orders from customers on the phone, fills the order, and delivers the groceries to the customer's home. To this writer, this is one of the most personal services that any store can offer. It's expensive and time-consuming, but it pays off for the small grocer.

Another real hospitable service concerns the larger super markets. The geographical hospitality element works here. In the South almost every store of any size will have personnel, usually school boys, to sack and deliver groceries to the customer's car. Moving north, you

will find that most of the super markets will only sack the groceries; the customer does the carrying. And you will find a smattering of markets which will check the customer's items, take his money, but actually leave the customer to sack his own groceries.

Hospitality is a broad subject. It must always hinge on sincerity of purpose and objectives whether it is practiced in a business sense or a personal sense. Hospitality will always return just rewards to those who are truly sincere.
