Bill Sumners Is Valedictorian And Sue McCoy Salutatorian At BHS

BILL SUMNERS

William Ellis (Bill) Sumners, son of Mr. and Mrs. Herbert E. Sumners of Booneville, has been named Valedictorian of the 1964 graduating class of the Booneville High School, in recognition of his having the highest grade average during his four years of high school.

Bill has not dwelt only on scholastic activities, however, but has excelled in sports and extracurricular activities as well. He served as secretary of his Freshman Class, and parliamentary of his Junior and Senior classes. He has been a member of the Latin Club for three years, a member of the Science Club for four years, serving as reporter one year and treasurer for two years, and a member of the Beta Club four years, in which he was parliamentary and a member of the Beta Board.

Bill was the recipient of the Daughters of the American Revolution History Award for excellence in history. He served all four high school years on the Hi-Boone staff, three of which were as Sports Editor, and all four years on the Spotlight Staff. He is presently co-editor of the Spotlight.

Sportswise, Bill has played three years on the basketball team, and has served as a state officer of the Junior Sportsmen Club. He has also participated actively in scouting.

Bill is popular with his fellow students, and was elected "Most Intellectual Boy" both his junior and senior year in the Who's Who elections.

Co-Op Supper At Jumptown For Farmers Mar. 18

There will be a free co-op supper in the Jumptown cafeteria Wednesday night, March 18 at 7 o'clock. Farmers in the Pisgah, Jumptown and Blackland areas are urged to attend. An interesting program has been planned that should be of benefit to farmers.

Unions Don't Make Jobs

Actually, the above title isn't quite correct. Unions do provide a few jobs . . . high-salaried soft spots for the few union bosses and organizers . . . salaries paid from the hard-earned dues they coerce from those workers they are able to talk into joining.

These organizers are usually well-educated, fast talkers who go around trying to convince the people of whatever community they invade that unions are their salvation; that only if workers sign cards and join up can they expect progress.

Frequently they are very careless with the truth, and will ignore completely the fact that our area has been setting the pace for all America in recent years in the task of providing jobs for its people.

One of the main reasons the organizers are trying to sign up new dues payers around here is that industry in many parts of the country where unions are entrenched is going down so fast that the organizers have come to growing areas like ours to try and grab off dues to replace those being lost in other sections.

During the past six years the 10-county Northeast Mississippi area has gained more industrial workers than all the rest of the United States combined, and not one of these jobs has been added or aided by any union.

In contrast, manufacturing employment in other areas has actually declined by many thousands during this period, so the organizers come to areas like ours trying to make up some of the dues they lost by running industry out of the old unionized areas.

But while their job may be to pick up new dues payers, our first interest and responsibility is still to provide more jobs for young and old and community leaders can't add new jobs at the same time. Hordes of union organizers are running around trying to pick up new dues payers.

These outside organizers usually try to convince workers that the community leaders who through the years have given of time, money and effort to bring new jobs to our area are anti-union. Actually these leaders don't think about unions one way or another until they come in here and start to interfere with our efforts to provide our workers with better employment.

For the benefit of thousands of people, both young and old, still looking for better jobs we hope that the workers of our area will keep doing everything they can to attract new industries, thus doing their part just as the civic leaders are doing.

PR Director Of Freed-Hardeman To Give Lecture

W. A. Bradfield, Director of Public Relations at Freed-Hardeman College, Henderson, Tenn., will give a special lecture at the Foote St. Church of Christ in Corinth on Friday night, March 20, at 7:30 p.m. on the subject, "Problems Facing Youth." He will also show colored slides of the Freed-Hardeman College campus and activities at 7 p.m.

Bradfield, who has been associated with Freed-Hardeman College since 1949 also teaches courses in Personal Evangelism and Marriage and the Family. He attended Freed-Hardeman College, received the B.S. degree from Memphis State and the M. A. degree from George Peabody College.

Prior to coming to Freed-Hardeman, he served for ten years as elementary and high school principal in the public schools of Tennessee. While he was attending college, he was also teaching. He taught for five years in Henderson County and did four years of college work in six calendar years (1931-1937).

The public, especially young people and their parents, are urged to attend this special service designed to help young people.

Marietta Seniors To Present Play Friday Night

The senior class of Marietta High School will present "The Nervous Wreck," a three-act comedy by Robert St. Clair at 7:30 p.m. Friday, March 13 in the high school auditorium. Admission will be 25 and 50 cents.

Between act entertainment will be provided by a local singing group of the high school student body. This is a royalty play published by The Heuer Publishing Company of Cedar Rapids, Iowa. Everyone is invited.

THE JUNIOR DIVISION of the 4-H Public Speaking Contest was held Saturday, March 7 at the regular 4-H Junior Council meeting. Front row, left to right are Kerry Saylor, Kenneth Nicholson and David Goldman; back row, left to right, Frankie Sue Eaton, Martha Pharr and Sue Ellen Tucker. Seventeen 4-H boys and girls participated in the contest. Mrs. Jerry Cochran, home demonstration agent of Corinth, and Mrs. Jeanine Martin, associate home agent of Corinth, served as judges. In the boys' division, David Goldman of Thrasher 4-H Club won first and will receive a \$25.00 Savings Bond; Kenneth Nicholson of Hill's Chapel 4-H Club took second and will receive a 4-H jacket; and Kerry Saylor of Wheeler won third and will also receive a 4-H jacket.

Blue Devils Lose In State A-AA Play; Baldwyn Bearcats Take B-BB Crown

Mackie Smith Picked On All-State Squad

Booneville's Blue Devil basketball squad had a cold afternoon shooting both from the floor and the charity line in the opening game of state A-AA boys play at Jackson Friday, and were eliminated by West Lauderdale, the team that went on to win the A-AA title.

Meanwhile at Philadelphia, Baldwyn's Bearcats posted a 41-39 double overtime win over Ingomar for

Methodist Youth Rally Here Mar. 16

The Rev. Keith Tonkel, pastor of Guinn Memorial Methodist Church, will be the featured speaker for the New Albany District Methodist Youth Rally, March 16 at 6:00 p.m. at the First Methodist Church, Booneville, according to the Rev. Bryan T. Scarbrough, New Albany District Director of Youth Work.

The Reverend Mr. Tonkel, a native of Clermont, Florida, is a graduate of Millsaps College and Emory University. He is well known for his ability to attract youth to Christ and the Church.

The Rally will begin at 6:00 p.m. with Fellowship Singing and supper. The election of the New Albany District representatives to the North Mississippi MYF Council will precede the featured speaker.

The Rev. Mr. Scarbrough, who will preside at the rally, urges all Methodist Youth from the New Albany District to be present at this important rally.

Chief W. W. Stacy Commends Local National Guard

In regard to the management of the Sabin Oral Sunday traffic, Chief W. W. Stacy stated this week, "I would like to thank the National Guard for the splendid work they did Sunday afternoon at Northeast Miss. Junior College during the SOS program."

Also, Chief Stacy expressed appreciation to the people for their cooperation in the traffic congestion and in the entire program.

Pisgah Singing Will Be Held Sunday

The regular monthly singing at Pisgah Methodist Church will be held Sunday afternoon at 1:00 p.m. Everyone is invited, especially all singers.

First Sabin Oral Sunday Here Is Termed As Very Successful

This area's first Sabin Oral Sunday on March 8 was described as being tremendously successful by the Prentiss County Medical Society, which is sponsoring the program, as the percentage taking the vaccine was much more than expected.

At the Booneville clinic located in the Northeast Mississippi Junior College gymnasium, and the clinic at Wick Anderson Attendance Center, 10,300 doses of the first type vaccine were given Sunday, and at Baldwyn 4,000 were given. It is probable that two-thirds or more of those receiving the vaccine at Baldwyn were from Prentiss County, so approximately 75 per cent of the population of the county has taken the first type vaccine.

Dr. D. F. Crowe, campaign chairman for the Sabin Oral Sundays, expressed thanks on behalf of the medical society for the cooperation of the news media, school bus drivers, National Guard, police, Red Cross group, nurses, doctors, civic clubs, and many other volunteer workers.

Senior Day At NEMJC Scheduled For April 3

Senior Day will be held on April 3 at the Northeast Mississippi Jr. College when high school seniors from five counties will visit the campus and inspect the educational facilities.

H. H. Daws, Chairman of the Senior Day Committee, states that unusually good interest and cooperation are being demonstrated by the participating counties.

The day's program is being planned to offer the seniors information about the college, including the various departments, course offerings, purposes, major fields, and available facilities.

The afternoon program is designed primarily for entertainment.

New Site Senior Play Thursday Night

The New Site Senior Class will present their play, a modern comedy entitled, "Timmie's Double Date," Thursday night, March 13, at 7:30.

Admission will be 35 and 50 cents.

John Bell Young, Jr. Director Of NABAC

The Northeast Mississippi Chapter of NABAC met Tuesday night at the Country Club in Corinth.

The program was a panel discussion on "Hazards of Bank Employees." Johnny Young of the Prentiss County Home Bank was elected one of five directors for the ensuing year.

Attending from the Prentiss County Home Bank were Mr. Young, Mrs. Charles W. Deaton, Miss Phicilla Long, Miss Elizabeth Davis and Miss Nellie Sue Gann.

Attending from the Peoples Bank and Trust Company were Marion Smith, Kenneth Pounds, Mrs. Roy Smith, Mrs. Clyde Carter, Mrs. Hoyle Eaton, Mrs. Rex Yarbrough, Mrs. Melvin Putt, Miss Ann Ruth-erford, Miss Betty Gardner, Mrs. Malcolm Carter, Mrs. Junior Johnson, Mrs. Eugenia Mason, Miss Dorene Elder, Mrs. Ann Wigginton, Mrs. William Dallison, Jr., and Mrs. Dabney Heard.

SET UP TO GIVE the Sabin Oral Vaccine Sunday were these four nurses and lab technician. Left to right are: Mrs. Ray Whitehead of the Northeast Mississippi Hospital, Mrs. Donald Kelly, Medical Clinic, Johnny Perry, lab technician of Northeast Mississippi Hospital, Mrs. Thruston Jones, private duty nurse, and Mrs. Louise Doyle, Northeast Mississippi Hospital. The huge crowds at the Northeast Junior College gym were handled so efficiently and quickly that there was little waiting on the part of anyone.

Dr. Crowe said, "The Sunday would have been a success even if a smaller percentage had taken advantage of the opportunity to get the first type vaccine," and added, "But, this is only one out of three, so we can't afford to let down now."

He emphasized that to establish protection from all the strains of paralytic polio it is necessary to take all three types of the vaccine. The next type will be given in this area on Sunday, April 12, and even if you did not take the first type given last Sunday you should still get the next one on April 12.

Dr. Crowe also reminded those who took the first type vaccine Sunday to take care of the polio vaccination record they received at the clinic and bring it with them when they come back for the other types of vaccine.

A GROUP IS SHOWN receiving the polio vaccine at the Wick Anderson Attendance Center on Sunday. When the three types of vaccine have been taken, the person will have lifetime protection against all types of paralytic polio. The next vaccine will be given April 12th.

George Houston At Student Conference

NEW ORLEANS — George Houston of Booneville was among the more than 400 college students from 22 states attending the tenth annual Student Missions Conference at New Orleans Baptist Theological Seminary recently.

Designed to provide information and inspiration to persons interested in mission service, the two-day conference includes speakers, panel discussions and private conferences.

Some of the topics considered were "Steps to Appointment as missionaries," "The Missionary's Task on the Field," and "Student Summer Missions," a program of placing students in mission situations during the summer vacations. Several missionaries on furlough were included in conference personnel as well as secretaries of the missionary personnel departments of both Foreign and Home Mission Boards of the Southern Baptist Convention.

Northeast Glee Club To Attend Junior College Choral Festival March 13-15 In Decatur

The Northeast Mississippi Junior College fifty-three member Glee Club will attend the Junior College Choral Festival to be held March 13-15 at the East Central Junior College in Decatur.

The Northeast Chorus will present "Virga Jesse Flourit" by Bruckner and "The Last Words of David" by Thomson on Saturday at 1:00 p.m. On Saturday at 7:00 p.m. the massed chorus will sing "Dark Water" by James; "Now, Lovely Is Thy Dwelling Place" by Brahms; "Jesu, Priceless Treasure" by Bach; "Now April Has Come" by Shaw, "The Sound of Music" arranged by Warnish; and "He's Gone Away" by Clokey.

Senate Bill Would Allow Small Cotton Farmer Full Price Support

WASHINGTON — The farm bill which has passed the Senate after a prolonged debate is a step toward keeping our present cotton acreage and making cotton able to compete with synthetics.

Mississippi cotton farmers have sought a type of cotton program that would protect our most vital farm cash crop and I am greatly encouraged that we have moved forward in that direction with this new bill.

The bill recognizes the serious problems facing cotton farmers whose markets have been upset in recent years by nylon, rayon, dacron, and other synthetics. The House of Representatives passed the cotton bill several weeks ago, but in a different form. I think the Senate version of the bill meets our cotton problems in a more practical way.

The bill prevents any reduction in present cotton acreage allotments. It sets up essential safeguards to protect farm income, with special provisions to assure our small farmers a fair price.

The bill makes cotton fully competitive with synthetics and in time will balance the supply and demand of cotton. It will substantially reduce the cost of the cotton program, with an annual estimated savings to the government of more than \$42 million dollars on the cotton program.

The bill guarantees a price support of 30 cents a pound for middling inch cotton to every cotton farmer for his entire allotment. It authorizes 34 1/2 cents a pound price support to those who wish to plant only their domestic allotment.

Under the Senate bill, those small farmers with 15 acres or less would be authorized the full price of 34 1/2 cents a pound on their allotment. More than 77 per cent of all Mississippi cotton farmers have acreage allotments of 15 acres or less.

The bill now returns to the House for possible agreement and final enactment soon.

Rites For Jessie Lee Sparks Held Sunday

Jessie Lee Sparks of Booneville passed away Saturday at 3:00 a.m. in the Northeast Mississippi Hospital following an illness of one week. He was a farmer and worked on the highway for several years. He was 73.

Funeral services were held Sunday afternoon in the chapel of McMillan Funeral Home with the Rev. Fred E. Blaine officiating. Burial was in the Booneville Cemetery with McMillan Funeral Directors in charge.

He leaves his wife, Mrs. Maggie Bonds Sparks; a son, John Lyle Sparks of Memphis; two daughters, Mrs. E. B. Fraser and Mrs. A. E. Melton of Booneville; seven grandchildren and two great-grandchildren.

COUNTY AGENT NOTES

By W. TAYLOR SMITH, County Agent

FERTILIZING PERMANENT PASTURES

Lime and fertilizer can both be put out in March in permanent pastures regardless of what mixtures are there. You can use mixed fertilizers or 0-20-20. Pastures with a grass mixture need nitrogen. A minimum application for permanent pastures would be 33 lbs. N, 60 lbs. phosphate and 60 lbs. potash.

Don't forget to enroll in the county pasture contest.

Mr. Smith

COTTON RELEASE

March 31 is the deadline for releasing cotton acres to the County ASCS Committee and for asking for additional acres.

Cotton production is a vital part of our total farm economy—it is the biggest single part of it! Let's get every acre of cotton allotted to Mississippi planted in 1964.

Last year Mississippi farmers failed to plant, for various reasons, 82,607 acres of cotton. This would have been worth roughly 21 million dollars to the farmer alone. By the time this 21 million turned over five to seven times, it would have been multiplied by the same amount! Neither Mississippi nor its farmers can afford such a loss.

This year either plant your acreage, rent it or release it to the ASCS for re-apportionment to other farmers who will plant it.

And if you request additional cotton acres, be sure that you plant your total allotment, including additional acres that may be assigned to your farm. March 31 is the deadline for making your decision.

CORN WEED CONTROL

Recommended pre-emergence chemicals to use in corn weed control include simazine, atrazine and Karmex (diuron).

Atrazine can also be applied to corn after the corn is up to a stand. You can apply it broadcast or in a band after the weeds are an inch and a half tall or the corn is three weeks old. The atrazine will kill the small weeds and grass and with rain will be activated and continue to give weed and grass control.

Leaf weed control in corn is recommended. We have detailed information on use of any of these herbicides.

EGG QUALITY

Protect the quality the hen puts in the egg. Here are a few suggestions for doing so.

Collect eggs from laying house

three, four or more times a day. Wash eggs as soon after gathering as possible at 110 deg. to 120 degrees F., using a good detergent-sanitizer.

Change the wash water after five or six baskets of eggs. Dry eggs as fast as possible for fast cooling. Oil the eggs. Pack eggs in clean, pre-cooled cartoning material.

Store eggs at a temperature of 45 to 55 degrees and a relative humidity of 70 to 80 per cent. Allow for air circulation in the egg room. Deliver eggs to retailer daily.

MISSISSIPPI
IS
MOVING

Mississippi's economic-industrial progress today is making news throughout the nation. Growing numbers of investors, industrialists and business leaders are being attracted by the diverse opportunities offered by Mississippi's wealth of raw materials, agricultural and forestry resources, advantageous locations and sincere, proven workers.

The most outstanding advantage offered by Mississippi today is the expressed attitude of her people toward business, industry and progress. This has been demonstrated time and time again — in the actions of the Legislature, in the community-betterment programs throughout the State, in the willingness of Mississippians to give of themselves, their time, energy and money to make positive contributions to the continued growth and development of their State.

The progress of Mississippi will continue. Mississippi is on the march and Mississippians throughout the State are united in their will to work for a better tomorrow. The railroads serving Mississippi and their 4500 Mississippi employees pledge to do their part to strengthen and to encourage this continued advancement of Mississippi and all Mississippians.

1964 FEED GRAIN PROGRAM SIGN-UP REPORTED

As of March 6, 1964, 289 farms in Prentiss County had been signed up for participation in the 1964 feed grain program. County farms eligible to take part in the program total 1497. "Eligible" farms are those which grew one or more of the three feed grains — corn, grain sorghum, or barley — during the program's base years 1959 and 1960.

Feed Grain acreage signed up for diversion through the program now totals 3896.0 acres of corn. Feed grain base acreages of these participating farms amounts to 5599.0 acres.

Based on farmers' intentions, as recorded at the ASCS county office, these producers will earn an estimated \$87,806.00 in diversion payments for participating in the feed grain program this year.

Throughout Mississippi, 14,512 of the total 88,331 "eligible" farms had been signed up to take part in the program as of February 27, 1964. Acreage signed up for diversion totaled 230,699 acres.

The 1964 feed grain program offers farmers an opportunity to continue the progress of the past two years in balancing supplies with estimated needs. At the same time, the program payments give participants a substantial return for their acreage in which they usually have a heavy investment.

Under the program, a grower who reduces his feed grain acreage (of corn, grain sorghum, and barley) by at least 20 per cent of his farm's total base acreage will earn

a diversion payment for shifting the acreage from production to a conserving use. (Payments for 1964 will average higher than last year and the maximum diversion is higher.) The participating grower will also qualify for a price support payment on the normal production of the 1964 planted acreage of the three crops, and for loans or purchase agreements on all the corn, grain sorghum, and barley produced on the farm's 1964 acreage.

Farmers are reminded that the program sign-up is now under way at the county office and will extend through March 27, 1964. An early sign-up is the best way to avoid the delays and crowded office conditions which could develop as the deadline nears.

'63-Crop Soybeans, Other Crops Under Support Reported

Farmers in Prentiss County have put 7,111 bushels of 1963-crop soybeans under price support loans and purchase agreements through January 1964. This compares with 5,601 bushels of 1962-crop soybeans put under the support program through January of last year.

January 31 was the final date for putting 1963-crop grains under price support loan and purchase agreements, except for corn for which the final date was February 29. For the nation as a whole, the chairman pointed out, 1963-crop soybeans put under price support loans and purchase agreements totaled 67 million bushels as of the end of January. This compares with 59 million bushels of 1962-crop soybeans put under support through

Girl Scouts To Have Sunrise Hike Saturday

Saturday morning, March 14, the Girl Scouts of Booneville will climax Girl Scout Week with a sunrise hike and outing to the City Park.

All Scouts, Brownies, Juniors and Seniors, will leave from the parking area of the Booneville High School at 7 o'clock instead of 6, and will hike to the City Park for breakfast, Scout activities, and lunch.

They will hike back to the parking area at the school and parents may pick up their children at 12 noon.

In case of inclement weather the hike will be postponed.

January 1963.

Release Cotton Acreage And Protect Your Allotment

You can protect and keep your allotment history by releasing it back to the ASC County Committee for distribution to other farms of the county. Any farmer can release the entire allotment for two years but will have to plant a measurable amount the third year and release the rest to hold the allotment. A measurable amount of cotton acreage is considered to be one-tenth of an acre or more.

The final date to release cotton acreage will be March 31, 1964. For the benefit of those farmers who cannot get to the office, we will furnish the necessary forms to release acreage upon receiving your request. As a further service we will keep the office open until 12:00 on SATURDAY, MARCH 21 and MARCH 28 to accept cotton releases and also rent feed grain acreage on MARCH 21.

ATTENTION Cotton Farmer:

FINAL RELEASE DATE

Make your plans now to release your allotted acres you do not intend to plant or to request additional acres and do it on or before Tuesday, March 31. Remember, if you fail to plant or release, you are not the only one who loses, your county and state also lose.

FOR YOUR CONVENIENCE
YOUR COUNTY ASCS OFFICE WILL BE OPEN 'TIL NOON SATURDAY, MARCH 21.

PLANT If you released in 1962 and 1963 and do not intend to plant in 1964, you are urged to release your allotment on or before March 31. Although you lose your allotment for 1965, you will be saving it from loss by your county and the state. If you request additional acres, be sure to plant it.

RELEASE If you did not release or plant in 1962 and 1963 you must plant some cotton in 1964 to be eligible for an allotment in 1965. If you fail to plant or release this year you not only lose your 1965 allotment but your loss will reduce your county's history acreage.

OR LOSE IT Think carefully—plant your cotton allotment or, if you decide not to plant, be sure to release your allotment to your local ASCS Office for reapportionment. Your 5 or 10 acres may not seem much to you but they mean much to your county and to your state.

Federal Program Cannot Eliminate Poverty; Just Adds To Budget

By Thomas G. Abernethy
Member of Congress

Poverty is a dreadful thing. Fortunately there is less of it in the United States than any place on earth. This is not because the good Lord has blessed us any more than He has others. It is because Americans, as a whole, have been a highly ambitious, dedicated, competitive and working people. Dame Fortune has not been as good to some as others. For this, and other

reasons, some poverty unfortunately does exist in our land. President Johnson has made the elimination of poverty a prime objective of his Administration. This is laudable. It does not mean, however, that within a few years, or ever, there will be no more poverty. Regrettably, some of such has always been and will always be. There are different means of attacking poverty, some good, some bad. Of course, the best attack is

to provide a good, sound, solid economy — one free of inflation, wild government spending and deficits. This makes for more jobs and more jobs make for better living. There are some who simply advocate more welfare aid. Welfare is an essential and has a place in our society. But welfare alone only relieves the pain, it is not a cure. Nevertheless, some welfare pushers on the Hill are hastily unearthing new methods of distributing aid, one of these being the so-called Food Stamp plan. It was begun on a pilot basis in 8 counties in 1961 and has now expanded to 45 counties. It has been costly and in some areas it has bordered on a national scandal.

The plan has been sold to some merchants on the theory that it will end local commodity distribution, to some farmers on the theory that it will make for the sale of more food from their farms, and to the public on the theory that it will eliminate costly farm programs. It will do none of these. It will just add more billions to the federal budget. The pilot program in only 45 counties is costing more than \$50-million per year, EXCLUSIVE of fat salaries paid the bureaucrats. Imagine the cost when and if it is expanded to all 3,134 counties in these United States! At a minimum the program, on reaching full force, will cost four thousand million dollars per year, and it could run 50 per cent more than that.

Regrettably, this is the sort of program that was voted out of the House Agriculture Committee last week by the slim margin of 18 to 16 with one member abstaining. A few weeks ago it was voted down by a substantial majority. But the bureaucrats never gave up. They organized their arm-twisting, pressure brigade. Then, like a jack-in-the-box, the bill was propelled from our Committee.

Evidence has been unearthed of scandals under the pilot program such as the swapping of Food Stamps for cash (instead of food), for alcoholic beverages, for tobacco and the like. And Stamps have been issued to people earning as much as \$100 per week — people who can hardly be classified as poor. Being eligible for, or receiving welfare aid, has not necessarily been a prerequisite to obtaining free Food Stamps.

We favor appropriate relief for the poor and all so unfortunate as to be without adequate food and raiment. To leave them uncared for is a sin against God. Our government — federal, state and local — should be liberal with such assistance. If more assistance is needed then it should be made available and promptly channeled directly through the Welfare Departments to these unfortunate people. But this Food Stamp business makes only for more waste, more bureaucrats, and bigger government. Furthermore, it is humiliating to many to walk in a store and have to publicly exchange Stamps for food.

Natchez Trace Chapter Of D.A.R. Has Antique Exhibit At Thursday's Meeting

Natchez Trace Chapter of the Daughters of the American Revolution held a very pleasing as well as an instructional meeting Thursday evening, March 5, in the banquet room of the Town Motel.

Mrs. W. W. Cunningham, chairman, led the group in the D. A. R. ritual after which the members pledged allegiance to the flag. Mrs. L. E. Perry, regent, presided and the usual business of the chapter was considered. She welcomed the members as well as Mrs. Roy Ozier, the charming sister of Mrs. S. S. Sargent as a guest of the chapter.

The group was delighted with Mrs. Perry's report on the state D. A. R. Conference which was held in Biloxi on February 25, 26, 27. Representing the chapter were Mrs. W. C. Milner, Mrs. Joseph Curlee of Rienzi, and Mrs. Perry. The chapter and their year's work has been outstanding and the members were signally honored when they were placed on the State Gold Honor Roll.

Through the work of the membership chairman, Mrs. W. W. Cunningham, they won the conference award for the greatest percentage of increase in membership also. In recognition of the work of Mrs. C. M. Gordon, chairman of publication, and the members' interest in the official organ of the D.A.R., they were tended a \$10 cash award.

Highlighting the close of the observation of National History Month, the chapter had arranged an antique exhibit with the members giving an informal historical sketch of the articles shown.

The items were rare and the stories told of passing interest. The Carter Family Bible which Mrs. T. C. Gardner, Jr., said is a compilation dating from the early seventeenth century was shown. Also of deep interest to the group was a glass jar containing whole grains of coffee which Mrs. J. E. Scott said was perhaps the first coffee brought into the state. Mrs. Jim Ward showed an antique bracelet and pin which was worn by her grandmother. Mrs. Charles Gordon's collection was a reticule used by her great-grandmother, Louise Kirk Battersworth to make clothing for confederate soldiers and a dress which was worn while she was a student at Columbus Female Centenary the forerunner of I. I. and C. College. She also showed a crib quilt made by her great-great-grandmother, Mary Jane Kirk for her grandson, Thomas Battersworth. Mrs. R. C. Cunningham presented a lovely silver sugar spoon handed down from the Randolph family of Virginia. Mrs. Harry Jones presented a very old snuff box and tobacco canister which had been in her family many generations. Mrs. Clarke Brewer presented a mere glass pitcher, an heirloom of the Wade Cunningham family. Mrs. L. E. Perry showed an old yellow and aged record book of her grandfather Jobe, an early teacher of Alcorn County. Mrs. E. L. Robison in presenting a beetle boot jack showed how it was used to pull off the boots of her grandfather, Captain John Moore. She also showed a letter opener presented him by Gov. John M. Stone. Mrs. E. E. Russell displayed an English imported silver basket ornamented with filigree work. Mrs. W. W. Cunningham and Miss Helen McMillan showed mirrored daguerrotype of their maternal great-grandmothers, Mrs. McMillan and Mrs. Kendrick. Mrs. Joseph Curlee showed a vase presented the Harper family by her aunt, Mrs. Amanda Carter Huffman, when she was a young teacher in the county schools. The vase was given Mrs. Curlee by Miss Addie Harper, a beloved teacher.

Mrs. S. S. Sargent told of the loom and the beautiful coverlet handed down from the Terry family. Mrs. Clarence Chase showed an indigo blue hand woven coverlet that was made in 1850 on a hand loom by Mr. Chase's great-grandmother, Elizabeth Bolin. At the conclusion of the showing, Mrs. Perry gave a very thought provoking report on the talk Mrs. Henry S. Jones, National Defense Chairman of NSDAR. This talk was the highlight of the State Convention. Mrs. Jones pointed out that the danger confronting America was apathy. She said the war was not cold but dangerously hot. Mrs. Harry A. Alexander, the State Chairman, spoke on "Regaining Our Independence." She said that the goal of the Communist was to take over America peacefully. She pointed out that there were five stages that they had used in gaining control of other nations. They were, according to Mrs. Alexander, infiltration, division among the people, racially and spiritually, organization and decision. The DAR as an organization feels that the people of America should be alerted. The hostesses were Mrs. John Loric, Mrs. Joseph Curlee and Mrs. Clarence Chase. They served a delicious salad plate which carried out the general theme of St. Patrick's Day. The tables with their shamrocks, reflected the spirit of the Irish with the green color predominating.

Rites For Mrs. Clara McCostlin Held Tues.

Funeral services for Mrs. Clara McCostlin of Marietta, Route 1 were conducted Tuesday afternoon at the Shiloh Baptist Church with Bro. O. L. Elliott and Bro. H. V. Sparks officiating. Burial was in the Kirkville Cemetery with Jones Funeral Directors in charge.

Mrs. McCostlin died in the Magnolia Rest Home in Booneville Sunday at 11:40 p.m. following a week's illness. She was a native of Itawamba County, member of the Methodist Church and a housewife. She was 83.

She leaves her husband, O. L. McCostlin of Marietta; a son, Olin Shields of Crescent City, Calif.; a brother, W. R. Walker of Pascagoula, Miss.; two sisters, Mrs. Cletra McCostlin of Booneville, and Mrs. W. D. Long of Sherman, Miss.

Program To Aid Draftees Who Fail Requirements

JACKSON (Special)—As a result of a nationwide pilot project by the president's Task Force on Manpower Conservation, the Mississippi Employment Service has embarked on a long-range program to aid Selective Service draftees who fail to meet military requirements.

The program is operative in all fifty states, is a cooperative effort between Selective Service and the Employment Service in each state and is aimed at giving maximum assistance for development, and eventual employment, of young men who are rejected by the Armed Forces.

The plan is designed to uncover physical and mental deficiencies early in the lives of the draftees, so that something constructive can be done about them.

As part of the emphasis of President Johnson towards fuller manpower utilization, the program will be a cooperative effort with Selective Service to provide intensive service by the Mississippi State Employment Service for unemployed and under-employed young men who currently fail to meet the education or intelligence standards of the Armed Forces.

Letters are now being sent by Local Selective Service Boards to those young men rejected during February if they are not already employed, encouraging them to contact the appropriate local Mississippi State Employment Service office for assistance. At the State Employment Service office they will be offered all appropriate services, such as testing, counseling, job development, and referral.

Local offices will also determine need for and ability to accomplish training or other services available under current manpower programs, educational extension service, schooling for adults as well as for possible assistance through other community resources.

After July 1, Selective Service will begin ordering 18-year-olds for Armed Forces examination, which will be a new approach. Those found not qualified for acceptance at that time will be advised to report to the nearest local office of

the Mississippi State Employment Service, if they are not already employed.

There will be no change in induction for service in the Armed Forces for those who, as 18-year-olds are found acceptable. Under the new procedure they will be classified at an earlier age only

and induction will continue from among that group which is older, as is the case under present circumstances.

Let it also be said, the merchants should not kid themselves into believing this program will eliminate the distribution of surplus commodities. The record is clear that it will not!

Finally, we are very familiar with the howl that goes up year after year over the large budget for the U. S. Department of Agriculture. Much, but certainly not all, of the complaint is justified. Like other agencies, the bureaucrats in USDA grow, and grow, and grow. But the complainants overlook the fact that the budget of Agriculture includes millions of dollars in consumer items — for instance: school lunch, school milk, meat and poultry inspection, and numerous other items. All of these are improperly charged to farmers and farm programs. Imagine the howl that will come from our cities against farmers' if the budget of the Agriculture Department should jump another \$4-billion. That is just what will happen once the Food Stamp program becomes completely national in scope. City folks will get the free Stamps; farmers will get — well, you know what.

One more point: Under the Civil Rights Bill the federal government can withhold all federal programs and benefits from areas which refuse to integrate. Regrettably, our President says he strongly supports every section of the Civil Rights Bill. If he does, then Food Stamps for us will come pretty high.

Local doctors and those having a part in the SOS campaign Sunday—in an effort to wipe out polio—are to be complimented on the excellent response to the program. Many of them spent long hours making arrangements and sincere thanks are due them.

And while our basketball team didn't bring home the state title again, it is some consolation to know that the team that beat Booneville won the championship—East Lauderdale.

It is not often a team gets to the state finals two years in a row and Coach Ken Lindsey and the boys have our congratulations and I'm sure the praise of all of us.

The following is an advertisement by General Motors which contains good advice:

"When other drivers get your goat... try counting to ten. Or even twenty. Very slowly.

It's a very human temptation, of course, to retaliate at such times with a blast of the horn, a shout out the window, or a bit of fancy driving.

But when traffic is heavy or other drivers are discourteous or you've just plain had a bad day—well, this is precisely when driving with care is really critical. Because this is when accidents are just waiting to happen....

Besides, doesn't it make you feel good to know you're in control...."

Before you can give, you have to get, and often in getting you have to work harder than do those who expect you to give.

Mrs. Mae Smith of 114 Stanley Street received an unusual and beautiful Christmas card from Lillian Hawken which she brought by the office. It was printed in white on blue and the message spelled out her name—the first word of each line.

Lifting up and making whole.
In truth He lived

The following article appeared in the Beacon, NEMJC newspaper and was written by editor, Larry McMillan:

"The Northeast Art Department is laying claim to its own 'Grandma Moses'.

At the beginning of the second semester a bubbling young lady of 79 years tripped gaily into Mr. Joseph Patrick's basic art course. This young lady who was soon to establish herself as a favorite with both instructor and students is Mrs. Verda Michael of Booneville. She is the mother of Mrs. W. M. Murphy, Prentiss County Superintendent of Education, and two sons who live in Jackson, James and Virgil Michael. Both are research geologists.

'Grandma' never had any experience in painting until Christmas of last year. It seems that each of her children got the simultaneous idea of buying mom painting paraphernalia for gifts. Thus, the artist was born.

Mrs. Michael graduated from a school here in Prentiss County named Osborne High School. She was 17 at the date of her graduation. Later she was tutored in advanced work which she says would compare to present day Junior College work.

After the death of her husband, Mrs. Michael went to a school for florist and worked here in Booneville flower shops for 16 years. When asked her opinion of Northeast, Mrs. Michael replied: 'I think that things are wonderful here. There is a good atmosphere, the people are friendly and the instructors are well qualified.'

'Grandma' says that her sole ambition for returning to college is to become a good artist.'

With us for a while at the Aletha Lodge is Mrs. P. B. Hale, this city, whose husband is in the local hospital. They are a beloved couple of this city. Her doting grandchildren, Dr. Louie G. Short and Mrs. Lloyd M. Burton, both of Jackson, Miss., made arrangements Sunday after spending the week end here.

Also joining us is Mrs. Susie Bell Ferguson of New Albany. She was 91 years old Monday and we, as we do for all guests, had a birthday cake and ONE candle. She received many gifts from her 8 children. She and Mrs. Nannie Patrick, who is also 91, are our oldest residents.

And more news from the Lodge is that we have a new registered nurse. She is Mrs. Dell Keller of Starkville who joined the staff Tuesday.

A hobo knocked on the door of a farmhouse, asking for something to eat.

"First, let me show you something," said the farmer's wife, leading him to the woodshed behind which there was a pile of uncut wood.

"Do you see this wood?" she said.

"Yeah, I see it."

"You should say, 'I saw it.'"

The bum looked at her and said, "Lady, you saw me see it, but you ain't going to see me saw it."

Spring is just around the corner. Folks are beginning to talk about plowing, gardening and working in flower beds. Others are planning fishing trips, vacations, etc., but there are still others who are already getting spring fever—that lazy feeling—just not wanting to do anything.

Anyway, I hope all of you readers are well and happy... and stay that way.

Till next week,
Helen

Buster McElroy of Baldwyn served as pianist. Special music was provided by the Northeast Mississippi Junior College Choral Group, H. Richard Hemmings, Director.

Lunch was served buffet style in the manse, which is now used as an education building, and an hour of fellowship was enjoyed by everyone.

The Presbyterian Churches of Byhalia and Red Banks have invited the District Conference to meet with them in Spring, 1965.

Richard Sloat, 102, Dies In Indianapolis

Richard Lyle Sloat, who would have been 103 on March 13, died Monday night, March 2 in a nursing home in Indianapolis, Indiana.

Mr. Sloat was born in Kankakee, Illinois. He could remember the returning soldiers from the Civil War and how hungry and thirsty they were. He also remembered the jubilation of the freed slaves when they were brought to the North.

Mr. Sloat operated a dray business at Kankakee, where he rented horses and wagons. After horses were no longer in demand, he retired.

When younger, he was something of a dancer. He paid his way through business college by teaching dancing.

Graveside services were conducted Thursday afternoon at Booneville Cemetery with Rev. W. L. Wallace, Jr., officiating. McMillan Funeral Directors were in charge.

He leaves a daughter, Mrs. J. E. Blythe of Booneville; four grandchildren, David L. Blythe of Indianapolis, Ind., R. D. Blythe of Piqua, Ohio, Joseph E. Blythe of Chicago, Ill., and Mrs. Mary Jane Sartin of Memphis and 10 great-grandchildren.

Thrasher R. C. D. C. Entertains Sponsoring Club At Regular Meeting Friday Night

The Thrasher RCDC held a regular meeting Friday night, March 6 in the school cafeteria. The Rotary Club was guest for a supper meeting.

The 4-H Club was the theme for the evening. The tables were decorated with the 4-H Club emblem. Larry Furtick gave the devotional and Marion Smith the invocation.

After the dish supper, James Chase, president, called on Fred Houston to introduce members of the Rotary Club and their wives. Mr. Chase introduced the Thrasher RCDC members. Doug Holland gave a talk and David Goldman presented the speech he was to give the next day at the public speaking contest.

The vice-president, Walter Nunley, was in charge of part of the

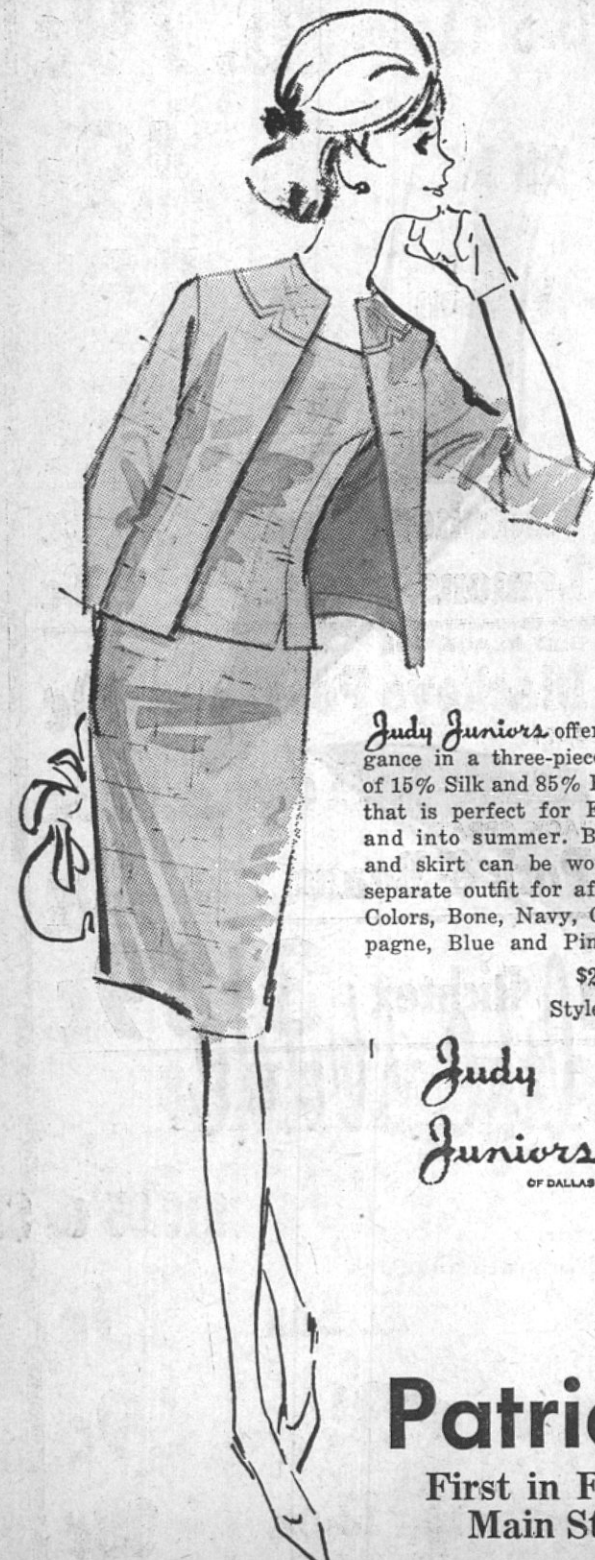

program. He gave a talk on 4-H Club and then called on Taylor Smith to tell about 4-H work. Martha Williams gave a very inspiring talk on "What 4-H Club Work Has Meant To Me."

The RCDC is sponsoring a Yard of the Month contest. The Happy Vanstors' yard was announced as winner for the month of March.

A check was presented to the RCDC by John Mahaffy on behalf of the Rotary Club. Marion Smith gave a short talk on the oral vaccine to be given the following Sunday and urged everyone to take part.

The meeting was dismissed by Troy Inman.

Use of water for agriculture is expected to increase 20 per cent in the next 20 years.

Booneville Woman's Club Receives Many Honors At District Meeting In Holly Springs

The Booneville Woman's Club was represented at the Third District Convention in Holly Springs, March 5, by Mrs. J. S. Bishop, Mrs. B. G. Horton, and Mrs. S. C. Galoway.

Mrs. S. H. Davis, Bruce, Miss., Third District President, presided. Mrs. M. J. Burson, Long Beach, State President, was the featured speaker.

The Booneville Woman's Club won first place in Third District for their scrapbook. Mrs. Marvin Smitherman is Chairman of the Scrapbook Committee. Committee members are Mrs. Hill Hodges, Miss Irene Bane, Mrs. D. F. Crowe, Mrs. W. T. Barnett, Jr., Mrs. B. G. Horton, and Mrs. W. L. Wallace, Jr. The 1963-64 scrapbook was dedicated to Mrs. Leslie McCullar, who had for many years taken great pride and pleasure in working on the club scrapbook. The Woman's Club also received a first place ribbon in the Education Department, Mrs. B. G. Horton, Chairman. The Club received second place ribbons in the Libraries Services Division, Mrs. Emmons Turner, Jr., Chairman, Indian Affairs Division, Mrs. Stewart Vail, Chair-

man, and in the Hebron Memorial Scholarship Fund, Mrs. Webster Cleveland, Chairman. Third place ribbons were received in the Savings Bonds Division, Mrs. Roy Gullett, Chairman, and Citizenship Division, Mrs. Webster Cleveland, Chairman. The Club History, which was written by Mrs. J. W. Hollandsworth, received honorable mention.

A highlight of the day was the installation of the new district officers to serve 1964-1966. The incoming president is Mrs. S. H. Bryant of West Point, formerly of Booneville.

HOMESTEAD BENEFITS

County tax assessors throughout Mississippi are reminding homeowners that April 1 is the final deadline for claiming homestead exemption benefits; and the procedure is simple, requires little time, and benefits can be quite substantial. Applicants must visit their county tax assessor's office to file exemption claims. The April 1 deadline for filing a homestead exemption claim in Mississippi seems comfortably distant now, but time has a way of slipping by in a hurry,

Dr. Anderson To Lead County Drive In Mississippi College Campaign

CLINTON, Miss.—Dr. W. H. Anderson of Booneville will serve as county chairman for the 1964 Mississippi College "Meet the Challenge" campaign now underway. He will direct the activities in the Prentiss County area as the college seeks to raise \$2,250,000 to increase the capital assets of the institution.

D. L. Collums, Standard Oil representative in Tupelo, will serve as area chairman for the drive. His area includes Alcorn, Benton, Chickasaw, Itawamba, Lee, Pontotoc, Prentiss, Tishomingo, and Union Counties. Other county leaders are David M. Palmer, Corinth; Rev. Charles D. Phillips, Houston; Charles Holladay, Tupelo; Dr. Walter L. Morre, Pontotoc; Rev. Norman S. Deaton, Blue Mountain; and James E. Wilson, New Albany.

This group of men will be contacting alumni, friends, and supporters of Mississippi College as they do their part to help the college succeed in the most ambitious fund-raising drive ever attempted by an educational or philanthropic organization in the state. The most

intensified part of the drive will be conducted within the next three months.

The \$2,250,000, when raised, will be used to improve housing for students, construct and equip a modern up-to-date science building, provide additional classrooms, and to increase endowment for support of general operations and scholarships.

These necessary improvements and additions must be realized if Mississippi College is to serve the 3000 students expected by 1970. Enrollment at the college has increased 160 per cent in the past 20 years. The student population for the current nine month session is 2072, the highest in the 138 year history of the institution.

OES To Have Practice Session Friday Night

Prentiss Chapter No. 12, O.E.S., will have a practice session for the officers on Friday night, March 13 at 7 o'clock. All officers are urged to be present.

More Profit, Less Cost

You can have fields free of grass and weeds for a cost of \$10 to \$12 per acre. You can expect to double or triple your yields, for one pigweed or careless weed per foot of soybean row reduces yields by 17.4 bushels per acre, or a loss of \$42.97 per acre. In 1964 you can use preplant Dowpon to control 85 per cent of rhizome Johnson grass; Amiben, Dow Weedheads or Alanap as pre-emergence band treatment, and Butyrac 175 to kill the cockleburrs. D. T. Beall Chapter, Daughters Of The Confederacy Met Wednesday Afternoon

The D. T. Beall Chapter of the Daughters of the Confederacy met Wednesday afternoon at the Town Motel with Mrs. Toy Smith and Mrs. Mabel Hill as hostesses.

Despite a stormy afternoon, there was a good attendance. Mrs. Clarence Chase, president, opened the meeting with a pledge of allegiance to the American flag, and a tribute to the flag of the Confederacy. The ritual, which sets forth the purpose of the organization and holds high the ideals of their Confederate ancestors, was repeated with deep impress.

Because of the inclement weather, the analytical discussion of the siege of Vicksburg, one of the decisive battles of the War Between the States was postponed. William Faulkner has said that the civil strife was a noble example of the sweat and struggle of the human spirit for a cause held sacred. Mrs. Chase felt that the postponement was wise because of the deep import to all the members. Due to

Ann Prather Selected As Cotton Belle

MISS ANN PRATHER

Miss Ann Prather, senior at Booneville High School, has been selected as a Cotton Belle by the Memphis Cotton Carnival Association.

As a Cotton Belle she will participate in the Miss Dixie Belle Contest, Friday night, March 20, at the Memphis Municipal Auditorium at 7:30 p.m. The Cotton Parade will be held Wednesday night, May 13, and the Grand Parade will be on Saturday night, May 16. RESOLUTION

WHEREAS, the Prentiss County Bar Association composed of J. A. Cunningham, E. K. Windham, William H. Cox, Floyd W. Cunningham, Donald Franks, M. Paul Haynes, Clarence Chase, Thomas H. Comer, James N. Godwin, Jack M. Dubard and Eugene B. Gifford being assembled for business;

WHEREAS, it has come to us and has been confirmed that our Chancellor of the First Chancery District has decided to become a candidate for Supreme Court Judge from the Northern District of Mississippi—to succeed the Honorable Taylor McElroy who is declining to run for another term; and

WHEREAS, through long judicial service to the district both as Circuit Judge and as Chancellor the Honorable William H. Inzer has rendered outstanding service, we as members of the Bar have found him to have such legal training and such legal mind as to justify our very high appraisal of him as a candidate for Supreme Court Judge. Also we find that he is vested not only with a most extraordinary sense of fairness and that he is industrious in his untiring efforts to thoroughly acquaint himself with the law and the facts involved in the issues at hand; that he is courageous in setting his unswerving compass in search of the ends of justice with no favoritism and when he has concluded no one will doubt that he has been diligent and unerring in his efforts to reach the results he so ably announces.

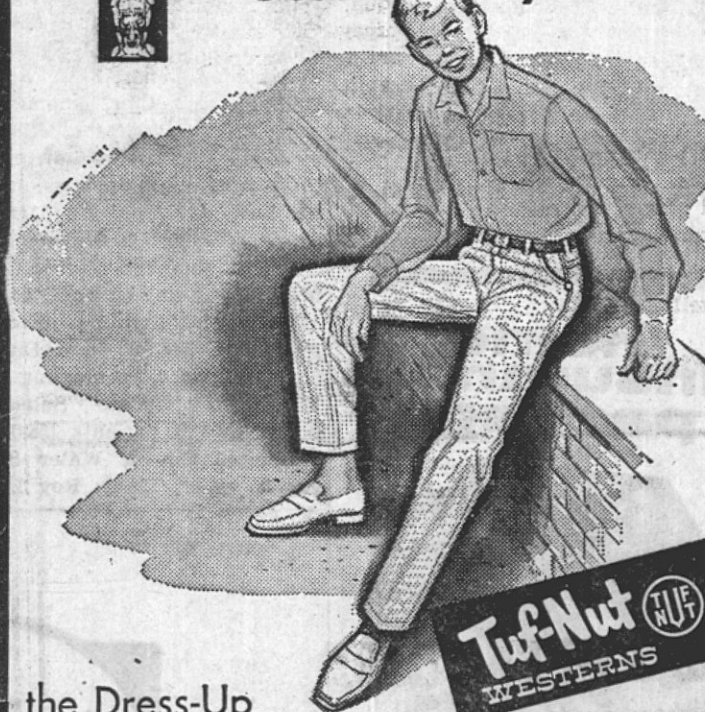

This Bar being fully convinced that he would fill that place in the Supreme Court with credit to the court and honor to himself, therefore, this Bar tenders him our undivided support for the office of Supreme Court Judge.

It is further resolved that the secretary of this Bar mail to the Honorable William H. Inzer a copy of this resolution and also that he cause the same to be published in the Banner-Independent of Booneville, Mississippi.

On motion the above resolution is unanimously adopted by the Prentiss County Bar in session on this February 28, 1964.

NEMJC Art Instructors Receive Grant

Recipients of the coveted Huntington Hartford Foundation "Fellows-in-Residence" are Mr. and Mrs. Joseph Patrick, art instructors at Northeast Mississippi Junior College. This is a three-month grant to be used during June, July, and August for creative projects in painting, sculpture, creative writing, and musical composition.

Both of the artists' Fellowships pertain to projects relating to painting and drawing ideas that were begun during the summer of 1963 at Boothbay Harbor, Maine. These paintings will involve direct

studies of forms in nature with an attempt to capture unique characteristics of the California Coast.

The Foundation is located on 56 acres in a wooded canyon three miles from the Pacific Ocean in Pacific Palisades, California. Fellows-in-Residence are provided with completely furnished living quarters (cottages), studios, meals, professional services, and supplies directly connected to the artist's creative project.

One of the qualifications for the appointment is to submit an application with a proposed creative

project. The appointments are from one to four months. A Jury for a Board of Selection from authorities in each of the four fields determine the qualifications of the applicants. Couples are not invited unless each person or member qualifies separately.

Huntington Hartford is the heir to the A & P Tea Company Food Store Chain and his interest in the fine arts has led to his establishing the Huntington Hartford Foundation Fellowship. As a patron of the arts, his other projects have included the publishing of "Show," a magazine devoted to the fine arts, and building and establishing a museum of contemporary art in New York City, which was recently opened to the public.

During the month of March some examples of Mr. and Mrs. Patrick's work are being exhibited at the Memorial Art Gallery in Memphis, Tennessee. This exhibition consists of the works of artists from the Mid-South states in a juried competition. Mrs. Patrick will have on display a color woodcut while Mr. Patrick's entries consist of an oil painting and a drawing in conte crayon.

In April, Mr. and Mrs. Patrick will have a joint two-man exhibition of their work at the Fine Arts Gallery at Mississippi State College for Women.

The smoothest running families are those that believe in teen work.

MISSISSIPPI LEGISLATURE

REGULAR SESSION 1964

Finances

This week the Fiscal Joint Committee of the House and Senate and the Commission of Budget and Accounting issued its preliminary report on Mississippi's fiscal problems.

The maximum budget for the biennium beginning July 1, 1964, and ending June 30, 1966: The Commission of Budget & Accounting recommended budget, \$329,000,000; plus Gov. Johnson's development program as presented to the Legislature, \$4,800,000; plus additional programs to be presented to the Legislature by the Governor during the next few days, estimated to require \$2,200,000. Total maximum budget, \$336,000,000.

This maximum does not include additional funds which would be required to finance an expanded highway patrol as advocated by Gov. Johnson in his March 3, 1964, address to the legislature.

With regard to revenues the Committee finds that revenue receipts are presently exceeding '63 receipts by 6.67%; whereas in October 1963, when the Commission of Budget & Accounting prepared its report the increase over the preceding year was only 3.74%.

"The strong economic trend existing in Mississippi and throughout the nation plus the stimulation to business which the recently enacted Federal income tax reduction will create, leads to the optimistic conclusion that the October estimate of available funds can be safely increased from \$309,143,826 to \$318,649,887.

"The recommended total general fund budget should not exceed a maximum of \$336,000,000, plus the additional funds required to defray the cost of an expanded highway patrol program. Total available funds provided all 1962 temporary tax measures are re-enacted are estimated to be \$318,649,887. This leaves a deficit of \$17,350,113. To the amount should be added a minimum of \$3,000,000 for two reasons, namely:

"First, it now appears that there will be outstanding on July 1, \$3,000,000 in short term notes issued for the purpose of furnishing a necessary operating fund as explained in an earlier part of this report. Secondly, during these critical and uncertain times the state

Mrs. Ella Ashcraft Dies Suddenly

Funeral services for Mrs. Ella Marie Ashcraft of Booneville, Rt. 6 were conducted Wednesday afternoon at Fairview Church with Rev. Tulan Jackson officiating. Burial was in the adjoining cemetery with McMillan Funeral Directors in charge.

Mrs. Ashcraft died suddenly on Tuesday at the Northeast Mississippi Hospital. She was a native of Prentiss County and a housewife. She was 49.

She leaves a son, Robert Quitman of Booneville, Rt. 6; a daughter, Martha Gwendly Ashcraft of Booneville, Rt. 6; four brothers, Lonnie Morgan, Lee Morgan and Leonard Morgan of Booneville and Millard Morgan of Memphis; two sisters, Mrs. Ollie Holland of Paden and Mrs. Sudie Faye Philpot of Booneville.

needs a cash cushion to take care of emergencies which may arise.

"The Committee, therefore, recommends that the Legislature proceed to enact a revenue program which will produce \$20,000,000 in additional funds during the 1964-66 biennium."

It might be well to point out that this recommendation does not include teachers pay raises as requested by the Mississippi Educational Association. Undoubtedly additional funds would be required for such purpose.

Cooperative Association Bill Recommitted In Senate

House Bill No. 118, one of a series of eight bills involving cooperative associations in Mississippi was recommitted to the Senate Agriculture Committee on Wednesday. Several questions have been raised regarding this particular bill. One in which industry would be interested is the fact that the authority to manufacture and process for sale to its members is included in the provisions of HB 118. It is presumed that further study will be given this measure by the Senate Agriculture Committee.

The remaining seven bills which were generally classed as non-controversial have passed both the House and Senate.

Full Crew Law Passes Legislature

Senate Bill No. 1610 to repeal the so-called "full crew" railroad law in Mississippi passed the House by a vote of 76 to 41 this week and has been signed by the Governor.

MR. AND MRS. CHARLES LEE YANCEY

Miss Carolyn Henson And Charles Lee Yancey Are Wed In Lovely Candlelight Ceremony

In a candlelight ceremony on Friday, March 6 at 7 p.m., Miss Carolyn June Henson, daughter of Mr. and Mrs. J. W. Henson of Booneville, and Charles Lee Yancey, son of Mr. and Mrs. Howard Yancey of Rienzi, were married in the Booneville Church of Christ. Brother J. W. Archer performed the double ring ceremony before an altar banked with fern and flanked by candelabra holding lighted white tapers and large floor baskets of white gladioli.

Nuptial songs presented by the Harding College Chorus were "Because," "Till Walk Beside You," "Faithful and True," and the traditional wedding march.

The bride, given in marriage by her father, wore a wedding gown of silk organza over peau de soie. The fitted front bodice featured a sweetheart neckline outlined with lace applique accented with sequins and pearls. The back bodice was secured with tiny covered buttons. A large bow accented the bell skirt which developed into a train.

The bride's triple tiered waist length veil of imported English il-

lusion was topped with a crown of pearlized orange blossoms. From her bouquet of white feathered carnations centered with a white orchid, fell streamers of ivy entwined with carnations.

She wore a single strand of pearls, a gift of the groom. The matron of honor, Mrs. Forrest Michael of Booneville, wore a kelly green dress of peau de soie designed with a portrait neckline and bell-shaped skirt. She wore a matching headpiece with circle veil and shoes dyed to match.

She carried a nosegay of white pom-poms.

The best man was Mabrey Lynn of Jackson, Mississippi. Ushers were William Harold Spain, Booneville; Bobby Immon, Jackson; Donnie Rhinehart, Rienzi; and David Lovell, Rienzi. Registering the guests upon their arrival at the church was Miss Patsy Phillips of Booneville.

The bride's mother wore a blue linen sheath with overskirt and matching accessories. The groom's mother wore a pink silk sheath with matching accessories. Both mothers wore identical corsages of white cymbidium orchids.

Mrs. Clay Henson, grandmother of the bride, wore a blue silk sheath with matching jacket. Mrs. Sam White, grandmother of the groom, wore a navy blue suit. Both grandmothers wore white carnation corsages.

Following the wedding the couple greeted the guests in the foyer of the church.

Among those attending from out of town were Douglas Martin, Judy Martin, Mr. and Mrs. B. H. Cayson,

Jr., of Tupelo, Mr. Vic Ferguson, of New Albany; Miss Peggy Gallagher of Starkville, Mr. and Mrs. James H. Briggs, Mr. and Mrs. Bobby Briggs, Sr., Mr. and Mrs. Bryan Yancey and Teresa and Miss Carol Williams of Corinth, Mrs. David Lovell, Mrs. W. A. Blackwell, Mrs. Frank Hudson and Cathy, Mr. and Mrs. Walter York, Mr. and Mrs. Austin Lovell, Mr. and Mrs. Milton Walker, Mary Francis Walker, James Ray Marcle, Mr. and Mrs. Henry McCord of Rienzi, Mr. and Mrs. W. C. White of Memphis, Danny Weatherly of Jackson, Miss George Hallstrom and Gary Cheak of State College.

For going away the bride wore a two-piece dress of yellow silk crepe and jacket of mohair with multi-colored flower trim. Her hat was of matching multi-color flowers, and her kid gloves and shoes were of bone. She wore the orchid from her bridal bouquet.

After a short wedding trip the couple will make their home in Corinth, where the groom is employed with Kellogg's as an industrial engineer.

SHOWERS HONOR BRIDE-ELECT

Mrs. James Harper honored Miss Carolyn Henson, bride-elect of Charles Yancey, was honored with a linen shower in the home of Mrs. Austin Lovell of Rienzi.

The honoree wore a black crepe sheath with long sleeve white blouse featuring a sweetheart neckline. Her corsage was red roses.

Receiving with Miss Henson were her mother, Mrs. J. W. Henson, and the groom's mother, Mrs. Howard Yancey.

On Saturday, February 22 from 3 until 5, Miss Carolyn Henson was honored with a miscellaneous bridal shower at the Town Motel. Hostesses were Mrs. Leo Clark, Mrs. Dean Saylor, Mrs. Forrest Michael, Miss Mary Jane Turner, Miss Nickie Rutherford and Miss Patsy Phillips.

Receiving with the honoree, who wore a white brocade faille with a white carnation corsage, were Mrs. J. W. Henson, mother of the bride, Mrs. Howard Yancey, mother of the groom, and Mrs. Clay Henson, grandmother of the bride.

The table was overlaid with a linen cutwork cloth. Crystal candelabra held glowing pink tapers. Cranberry punch was served from a crystal punch bowl surrounded by pink carnations. Individual cakes topped with pink rosebuds, mints, and nuts were served.

On Friday, February 21, Miss Carolyn Henson, bride-elect of Charles Yancey, was honored with a linen shower in the home of Mrs. Austin Lovell of Rienzi.

The honoree wore a black crepe sheath with long sleeve white blouse featuring a sweetheart neckline. Her corsage was red roses.

Receiving with Miss Henson were her mother, Mrs. J. W. Henson, and the groom's mother, Mrs. Howard Yancey.

By CLAIRE T. ROSS

The Geeville Club started off the family market list because it is economical, versatile and popular, and a first class protein.

The young chicken (broiler-fryer) is truly Southern. More than half the nation's young chickens last year were produced in Southern states. Almost 147 million chickens were produced in Mississippi.

I found a recipe for a dish I had long forgotten. This I recommend as easy, nutritious and "lickin'" good.

Chicken In A Jug
Disjoint a frying chicken. Season it with the usual amount of salt. One teaspoon per pound is about right. It's good to rub the chicken with a little olive oil and a little butter. You may use your own judgment.

The next step in fixing the chicken is most important. Sprinkle it with freshly ground pepper. When

Vehicle Inspection Deadline Is Near

The end of the 1964 Motor Vehicle Inspection period is fast drawing near. State motorists have until the end of March to have their vehicles inspected and the approval sticker applied. Vehicles may be inspected at any of the more than 1100 inspection stations throughout the state. Highway Patrol officials recommend early action to avoid the last minute rush.

T. B. Birdsong, Commissioner of Public Safety, added his thoughts on vehicle inspection. "We are fully convinced this program is effective. We had our statistical section research the accidents resulting from faulty equipment causes for the past eight years to determine just how effective the program is. They found that the five years immediately prior to the introduction of the inspection program had an average of almost 500 accidents per year directly attributable to faulty equipment.

Since the inauguration of the program in 1961 the average per year has fallen to approximately 350 accidents per year. We feel this is a definite proof that the inspection has been effective. We are proud of the work done by our Motor Vehicle Inspectors and the fine cooperation given by the driving public."

Americans continue to move westward. It is predicted that by 1970, 17.6 per cent of the national population will be living in the Mountain and Pacific States along with Alaska and Hawaii.

you think you have enough pepper, start over and use about that much again. When you think you have "way too much," it will be about right.

Put one whole chicken into each jug. Put a piece of foil over the top of the jug, and place the lid on top of the foil. Do not add water.

Bake in a 325° oven for three hours. Each jug will serve two people.

The chicken, along with a tossed salad and fried pies, combined with Cheese Grits, makes a tasty and complete menu. (A bean pot can be used for the jug.)

Miss Pamela Kemp Is Shower Honoree

Miss Pamela Kemp, bride-elect of Wade Lindsey, was honored with a miscellaneous bridal shower at the Town Motel on Saturday, February 29, from 3:00 until 5:00 p.m. Hostesses for the occasion were Mrs. Merrill T. Cartwright, Mrs. Omar Jones, Mrs. Richard Tolli-son, Miss Sandy Parr, Miss Martha Jones, Miss Martha Ruth Hill, and Miss Virginia Tays.

The private dining room was beautifully decorated with pink gladioli and carnations. The serving table was centered with a striking arrangement of pink carnations interspersed with greenery, and the punch bowl was surrounded by gladioli blossoms. The room was softly lighted by pink candles.

The guests were served punch, miniature cakes decorated with pink wedding bells, assorted nuts, and mints. Miss Kemp's many gifts were on display throughout the room.

Miss Kemp was attired in a whipped cream shift of pink with a white cowl-collared blouse of whipped cream. She wore a corsage of pink carnations. Mrs. Richard Kemp, mother of the bride-elect, wore a lovely sheath of beige linen and she also wore a pink carnation corsage.

PVT. BOBBY D. LAMBERT,

whose wife, Brenda, lives on Rt. 2, Rienzi, Miss., completed eight weeks of advanced infantry training with light weapons under the Reserve Enlistment Program at Fort Polk, La., Feb. 27. During the training, Lambert received instruction in the use of the automatic rifle, the light machinegun and the 3.5 inch rocket launcher. The 23-year-old soldier, son of Mr. and Mrs. C. L. Lambert, Rt. 6, Booneville, attended Thrasher High School.

THE NEWS FROM—
NEW SITE
By MRS. C. L. McCREARY

(Intended for last week)

Congratulations are extended to Mr. and Mrs. Wayne Beard, who have a new baby boy, born March 1. His name is Michael Wayne.

Friends of Mr. J. E. Lindley are sorry he is ill, and wish for him a speedy recovery. His son and wife, Mr. and Mrs. Travis Lindley of Sheffield, Ala., spent the week end with the Lindleys and Mr. and Mrs. Jack Crow and family.

Mrs. Mollie Stevenson, Mr. and Mrs. Dexter Stevenson, and Mr. and Mrs. Bill Stevenson of Wynne, Arkansas, spent the weekend with Mr. and Mrs. Homer Stevenson. Mr. and Mrs. Dexter Stevenson remained for the rest of the week.

Mr. and Mrs. E. O. England visited Mr. and Mrs. R. G. Files of Booneville, Saturday.

Mr. and Mrs. Malcolm Tullas and daughter of Crossett, Ark., visited her grandmother, Mrs. Eva Beard and family over the weekend, and attended the funeral of her other grandmother, Mrs. Mae Pippin at Little Brown, Saturday. On Sunday the Beards, Tullas and Mr. and Mrs. James Thomas Johnson took dinner with Mr. and Mrs. John Bearden and Linda of Padon, honoring Mr. Bearden on his birthday.

Mr. and Mrs. Leamon Malone and children of Byhalia spent Saturday night with her parents, Mr. and Mrs. Jim Moore.

Mrs. Ollie Hoard and Roy of Zion Rest visited Mr. and Mrs. James Hoard and Mr. and Mrs. Bud Aldridge and Carolyn on Saturday night.

Bro. and Mrs. Lunsford Thornton of Rienzi visited in our community Sunday and attended Sunday School at East Prentiss. He taught the Adult Class. We welcome them back at any time.

Mr. and Mrs. Wayne Rosser and Donna of Belmont visited her sister, Mr. and Mrs. Randall Taylor and boys, Sunday.

Mr. and Mrs. Ray Moore, Mr. and Mrs. Paul Mayo and boys visited Mrs. Carl Moore and family and Mr. and Mrs. Jourd Moore and family of Marietta, Sunday afternoon.

Bro. Watt of Belmont filled in for Bro. Hughes at New Site Sunday afternoon. Several visitors were present.

Several attended the RCDC work day at New Site Saturday. We welcome all new members.

TWO FRIENDS OF
THE FARMER

This is a time when farm and rural people have access to perhaps the best farmer educational opportunities of any previous generation. These opportunities are in the form of newspapers, radio, television, farm magazines, agricultural industry publications and personnel and even nearby agricultural experimental work. Yet, the persona-

contact with the local County Agent and Vocational Agriculture Teacher, both trained and interested in farmer education, occupies a place for which there is no substitute. The importance of these two educational leaders cannot be over-emphasized.

A considerable number of people in this country are killed by

guns which are not loaded, and by drivers who are. Make the last one for the road a glass of milk!

WARNING:
YOU MAY BE THE NEXT VICTIM

Crooks or "Con" artists have been operating in many rural sections of Mississippi recently, fleecing honest, trusting Mississippians out of thousands of dollars.

These people operate under several guises, most often representing themselves as employees of the "Welfare Department", "Social Security", the "Electric Company" or the "Light Company" serving the area. At varying times there is one man, two men or a man and a woman. They have fleeced people out of amounts ranging from \$9.00 to over a hundred dollars. "Services" these people offer, and sometimes force on their victims include "inspecting" light meters, installing "lightning arrestors", painting roofs, spraying houses, "inspecting" electrical transformers and ground wires and other similar "services." They lead their victims to believe they are in grave danger if action is not taken immediately and that is why they are there. They demand payment for their alleged "services" and often tell their victims they have been instructed to remove their light meter or otherwise cut off their electrical service if they don't pay.

Legitimate Electric Power Association employees are not authorized to ask payment for repairs to your line. Any costs for their services will be included in your monthly bill. Electric

BE ON THE ALERT FOR THESE CROOKS. THEIR APPREHENSION WILL DEPEND LARGELY UPON YOUR PROMPT ACTION. Here's what you should do:

1. Demand identification of anyone who allegedly represents your Electric Power Association or other utility if you don't know him.
2. Do not deal with anyone representing your EPA unless he is in a clearly marked truck with your EPA name and identification on it, or unless you know him or he satisfactorily identifies himself.
3. If suspicious people appear at your door, get their license number and a good description of them and their vehicle.
4. CALL YOUR SHERIFF OR ELECTRIC POWER ASSOCIATION or BOTH, IMMEDIATELY! Do not try to hold the people against their will. They may be dangerous.
5. Be alert at all times. Tell your neighbors to watch for these people, and in par-

WHEN IN DOUBT—FIND OUT. IF THEY CAN'T WAIT FOR YOU TO CHECK UP THEY ARE PROBABLY NOT WHO THEY CLAIM TO BE.

Power Association trucks and other public utility vehicles are clearly marked for identification. You know most of the line-men and other employees on the EPA in your area. Beware of strangers.

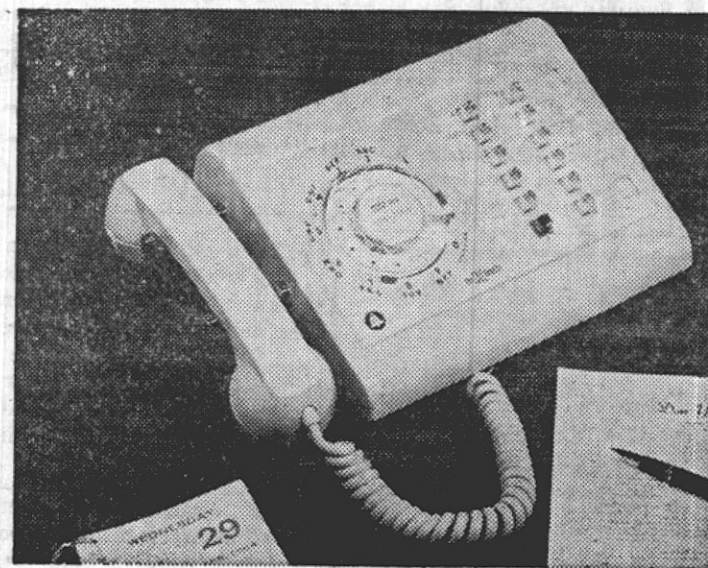

The "lightning rod" specialists ask from \$10 to \$25 per house for their worthless wares. In one case recently a man appeared under the guise of "inspecting" the electric meter. He told the homeowner her refrigerator was using too much electricity and he could spray it with a "special gas" to save her money. The lady paid him \$27.00 for his phony services. She became suspicious at the last moment and ran out to get his license number. The tag, however, had been bent so she couldn't see it. Some of these people have appeared at homes under the guise of selling blankets or mattresses. They apparently are just trying to "size up" the family. A day or two later they or their accomplices will reappear with some other gimmick to fleece them out of their money.

These people are professional crooks. They are very elusive. They often wear clothes or uniforms similar to those worn by linemen or legitimate utility employees.

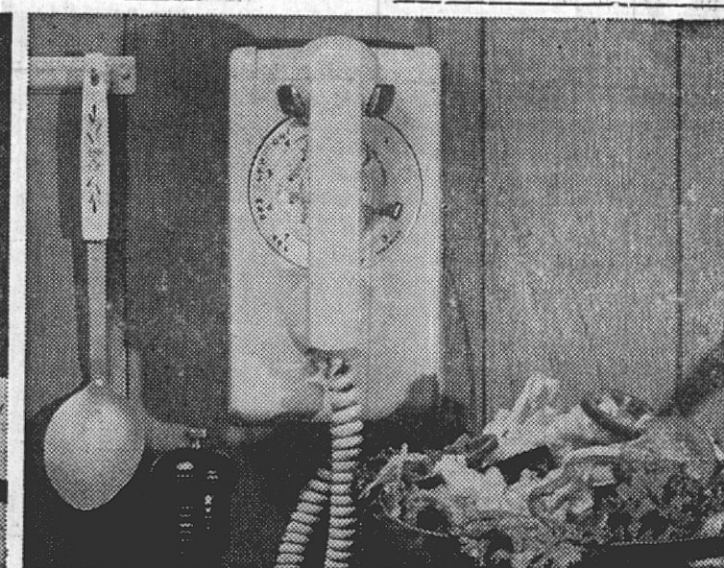

Particular if you know someone who cannot read or who may not see this notice.

No legitimate business operator will mind your obtaining adequate identification.

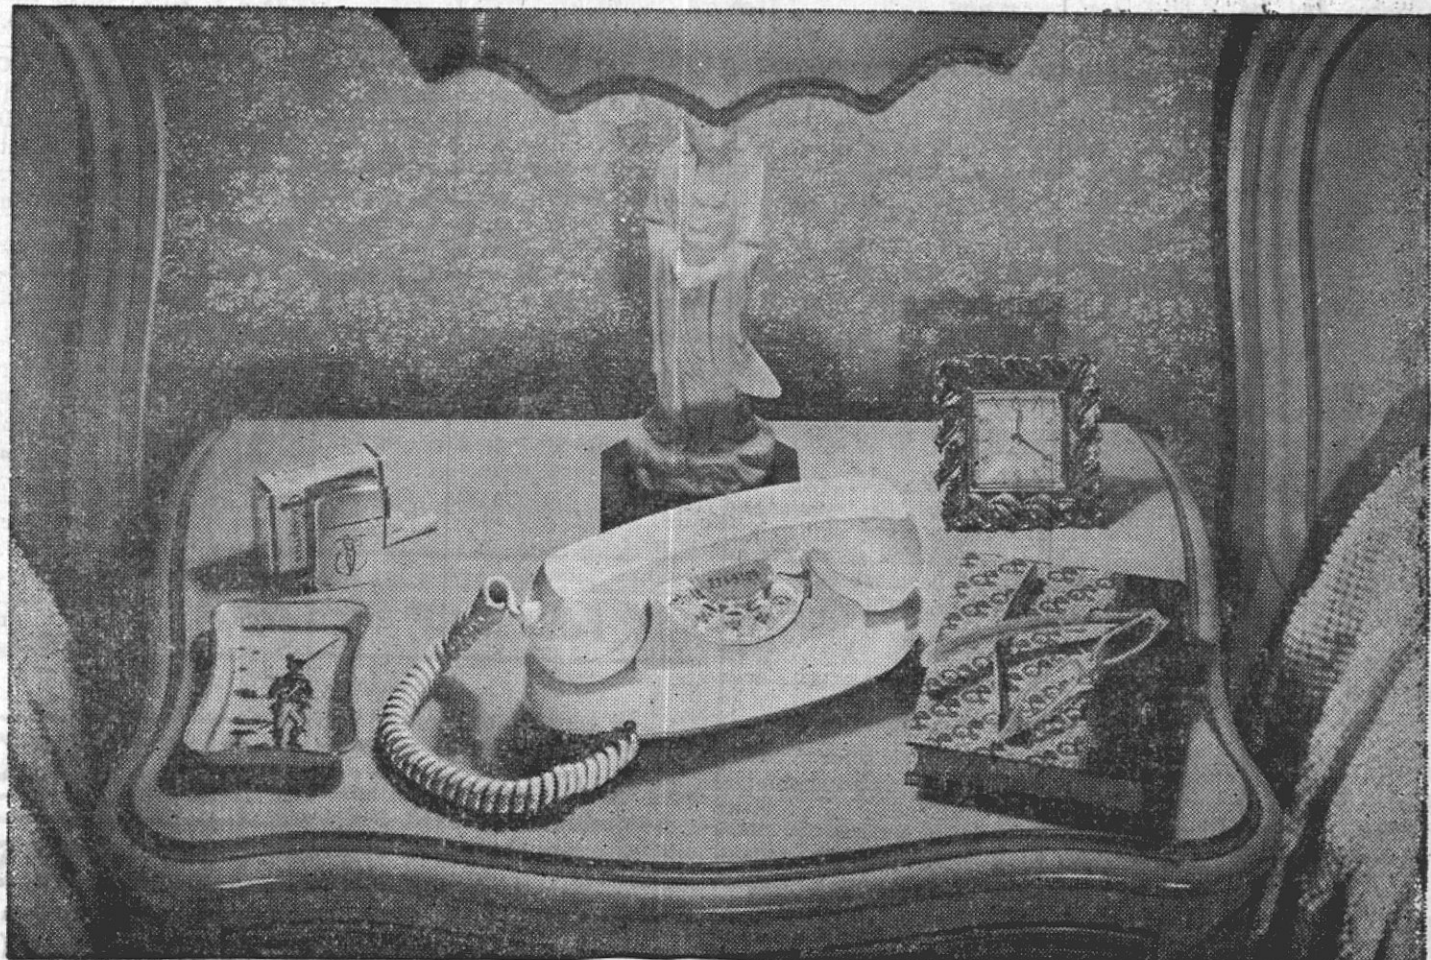

If you have been victimized by these crooks, do not be too embarrassed to notify your Sheriff or Electric Power Association. You will help others if you help apprehend them.

CARD OF THANKS
We are using this medium to convey our feeling of gratitude to our many friends who were so kind to us in our recent loss of our dear little son, Danny.

You were so kind to express your sympathy by sending flowers and cards, by making visits to our home, bringing food and offering your personal comfort, etc.

To Bro. Trent F. Grubbs and Bro. E. P. Baldwin for their words of comfort and to each of you we say thank you, and may God bless each of you.

Gratefully,
Mr. and Mrs. Clifford L. Kendrick 50-1tp

CARD OF THANKS
We wish to express our sincere thanks to our many friends who expressed sympathy in any way during the illness and death of our loved one, M. P. Harber. Thanks for the flowers, cards and food. May God bless each of you.

New Chemicals For Weed Control

Any new chemical weed killer which is to be incorporated into the soil should be closely supervised at the time of use. The incorporated soil and chemical has retarded development of the young cotton seedling primary roots on cotton seed germinating in the mixture. Since deep application of the chemicals greatly increases the chances for cotton plant root injury, tools with sure depth control should be used. When in doubt, use proven chemicals: Karmex DL, Herban, Telvar, or CIPC.

Garden Fertilization

K. H. Buckley, Assistant Extension Horticulturist in charge of Garden Programs, gives the following use of fertilizers in gardens: "Our general fertilizer recommendation is from 5 to 7 pounds of a 9-12-12 or similar analysis fertilizer per 100 feet of row for most garden crops. Apply fertilizer before planting followed by 2 to 3 pounds of a 16 per cent nitrogen or 1 to 2 pounds of a 33 per cent nitrogen as a sidedressing per 100 ft. when plants are 2 to 4 inches tall. For best results, vegetables need plenty of fertilizer for continuous growth rather than slow or stunted-type growth."
