Over Half a Century of Service to Prentiss County

VOLUME SIXTY-EIGHT

BOONEVILLE, MISSISSIPPI, THURSDAY, FEBRUARY 10, 1966

NO. 46

**FORAGE IMPROVEMENT WINNERS**—Awards for pasture and forage improvement in Prentiss County were made Monday night at the Sixth Annual Recognition Program. Pictured are, left to right, Dr. John M. Buckalew of Mississippi State University, speaker for the occasion; Wallace Poole, president of the Prentiss County Home Bank, one of the sponsors of the program; T. H. Gann, fourth place; W. E. Keeton, eighth; Norman Fulper, fifth; Bobby Green, second; T. C. Young, sixth; Dalton Garner, first; Elton Burns, seventh, and behind him, Tommy Strange, third. Not pictured are B. J. Copeland, ninth; and Billy Joe Moss, tenth.

**MASTER DAIRYMEN**—These five Prentiss County dairymen have been declared "Master Dairymen" for 1965. To receive this recognition a dairyman must be on official DHIA testing program for one year and have a herd average of 10,000 pounds of milk per cow or 500 pounds of fat. Left to right are, Norman Fulper, Dalton Garner, Bobby Green, Duane Rinehart and J. P. Davis. Other dairymen are urged to start DHIA testing and strive to qualify for this recognition.

## Speaker Tells Pasture Group To Take Advantage Of Natural Resources

Dalton Garner, Bobby Green and Tommy Strange were the top three pasture and forage improvement winners in Prentiss County in 1965. Others receiving awards in the Sixth Annual Recognition Program Monday night were: Fourth place, T. H. Gann; fifth place, Norman Fulper; sixth, Young Brothers; seventh, Elton Burns; eighth, W. E. Keeton; ninth, B. J. Copeland, and tenth, Billy Joe Moss.

Over two hundred dairymen, livestock producers and agricultural workers attended the program.

The sponsors of this program are: The Prentiss County Home Bank, Donald Franks, Kraft Foods Company, Carnation Milk Company, Barber Milk Company, Caver Seed and Fertilizer Co., Brown Seed and Fertilizer Co., The Prentiss County Cooperative and Chittom Milling Company.

Brunswick Stew, milk and coffee were served. Several door prizes consisting of dairy products were given away.

## Bro. Black Leaves To Attend Funeral

Vanderbilt Black, minister, of Mobile, Ala. who was in Booneville conducting a Church of Christ lecture series, and Mrs. Black left Tuesday for Hollywood, Florida, to attend services for his brother, Shields Black who died of a heart seizure in Columbus, Ga. on Monday.

Mr. Black was the son of the late Mr. E. D. Black and Mrs. Black of Safford, Ala. His was the first death in a family of ten sons. He worked in a supervisory capacity for a construction company. Services will be held today (Thursday) at the Hollywood Church of Christ. Burial will be in Hollywood, Florida.

The lecture series were completed Wednesday night by Bro. Guy N. Wood of Memphis.

## Money Needed For March Of Dimes

Mrs. Bobby Burruss, Jr., Chairman of the Mother's March of Dimes, said, "Very few mothers have turned in their money for the campaign. I urge you to work your streets as soon as possible and turn the money in to Mrs. Toy Smith at The Peoples Bank and Trust Co. Money is urgently needed if we are to meet our goal."

The originally scheduled drive was cancelled due to the snow on Monday, January 31st. Since then, the mothers have been working the streets at various times.

## Airport Bids To Be Advertised

The City of Booneville has received the following letter from the Federal Aviation Agency, which reads, in part, as follows:

"The plans and specifications for the Booneville-Baldwyn Airport were received in this office January 31, 1966. It is necessary that these plans be revised to provide numbers on the lights, specify No. 10 600 TW for the neutral wire and eliminate the ground rods. The plans are hereby approved subject to the above revisions. We will furnish your engineer a set of plans and specifications with the revisions marked in red."

"You are hereby advised that it will be satisfactory to advertise for bids ..."

## 4-H Organizational Meeting February 16

There will be an organizational meeting of Booneville 4-H Club Tuesday, February 16 at 3:30 p. m. in the basement of the Prentiss County Electric Power Association building.

All girls and boys from 9 to 19 years of age in the Booneville area are eligible to enroll in 4-H.

There will be a Junior and Senior Division and after this organizational meeting plans will be developed for meeting the different groups.

4-H has much to offer youth. May we urge you to take advantage of this opportunity.

## Robert Cox Is VP Of Dairy Products Assoc.

Robert Cox, Booneville Plant Manager of the Kraft Foods, was elected vice-president of the Mississippi Dairy Products Association at their meeting last week at the Buena Vista Hotel in Biloxi. Mr. Cox is serving as a member of the board of directors.

Mrs. Cox and Mr. and Mrs. Robert Cox of Jackson accompanied Mr. Cox. Enroute they visited Jimmy Cox, a student at the University of Southern Mississippi.

## Fire Department Makes Report

The Booneville Fire Department reported that Mrs. Myrtle Lambert's home on Jacinto Road was completely destroyed by fire on Monday at 10:45 a.m. It was believed to have been caused by faulty wiring. The house was too far gone when the Fire Department arrived.

Firemen answered a call to the home of Pete Downs, east of Booneville, at 4:30 Sunday. There was not much damage.

A vacant house burned Wednesday about 2:15 p.m. on Sunflower Road. It caught from a grass fire.

## American Seating Transfers Sales Staff Here

MR. CHARLES F. CLOSE

Mr. James M. VerMeulen, President of the American Seating Co., Grand Rapids, Mich., announced Monday, February 7, the appointment of Mr. Charles F. Close to the position of Vice-President—Sales, American Seating Company of Mississippi, Church Furniture Division.

Mr. Close has been with the Seating Co. since Sept. 1965 and has since conducted an intensive study of the Church Furniture market with the objective of developing a program to improve the firm's volume and effectiveness in the religious field. Mr. Close came to American Seating with over 30 years experience in the public seating industry and for many years was Vice President and General Manager of the Arlington Seating Company. During his career there, he worked on all phases of product development, engineering, manufacturing and sales of public seating, including church furniture.

Mr. VerMeulen said, in announcing Mr. Close's decision to proceed with this final step in the development of the Booneville operation, "We are fortunate to have a man with Mr. Close's background and experience join us for this important step. Under the direction of Mr. Close, there will be a building of the sales management responsibility for church products at Booneville in the anticipation that, as time goes on, the Booneville operation will be substantially self-contained much as is the case with our other subsidiaries."

"In December 1964, Hammond A. Berry was transferred to Booneville as Plant Manager. Since that time, excellent progress has been made in the Booneville plant operation in manufacturing efficiency, in continually raising the standards of quality to the point where they are the best in the industry, and in general control of costs. Mr. Berry has a program for continuing this progress and we feel that these two men will be a most effective team in bringing all phases of this important segment of our business to the point of making a real contribution to the future success of our corporation."

Mr. Close and his wife, Wilda, will be moving to Booneville in the very near future. They have three grown children, two daughters who have their own homes and a son, Charles, who attends Hiram Scott College, in Scottsbluff, Nebraska.

Mr. Berry said, "We are very pleased to have Mr. Close on the team. Mr. Close's background and ability will be a great value to our organization."

**CRASHES INTO TREE**—Buddy Alvin Ford, 25, of Belmont was killed instantly Sunday night at 7:45 when this 1965 Mustang he was driving failed to make a curve and crashed into a large oak tree, which was uprooted by the impact. The accident occurred on Highway 4 about three miles east of Booneville, near Cain's Chapel.

## Prentiss County Circuit Court February Term Opens Mon.

Dockets will be about average for the regular February term of Prentiss County Circuit Court, which will convene here Monday, February 14, with Judge N. S. Sweat, Jr., presiding, Circuit Clerk Roy Lowery said.

The Prentiss County Grand Jury will also convene Monday, and will

be picked from the first week jury list, which appears elsewhere in this issue. Mr. Lowery said the Grand Jury would probably be in session about two days, as not too many cases are expected to be presented for consideration.

Traditionally, the civil docket cases are considered during the first week of the two week term of court and this docket now contains 60 cases, some of which are set for trial. One is set for trial Tuesday, one Wednesday, and one Thursday, with two others tentatively set

for Friday. Many of the civil cases are judgement dispositions and other matters which are settled without trial. The civil also lists eight cases to be dismissed.

There are 42 cases now listed on the state docket. Whatever true bills are returned by the Grand Jury will be added, and some cases which are still pending in the various justice of the peace courts throughout the county may also be brought in and added to the docket before the court session opens.

## Blue Devils Win One - Lose One

By TED RUBENSTEIN

The Booneville Blue Devils split the last two games of regular season competition with Kossuth and Baldwin, giving them a 20-8 overall record.

Friday night the Devils lost to Kossuth 61-58, after being down at the beginning of the 4th quarter by 14 points. The loss proved costly, for it moved the Devils down from their number three seeding in the District I Tournament into the fourth position, putting them opposite top-ranked Tupelo.

However, the BHS five regained enough composure to wallop archival Baldwin 68-57 for the fourth time in as many games this season.

All five of the Big Blue starters hit in double figures as the Devils had one of their hottest nights of the year from the floor, making 55% of all their shots. Terry Frasier was high man with 16 followed closely by Benny Stennett with 15 and Benny Burcham with 14. Jerry Green and Bird Lindsey counted for 10 apiece.

District I Tournament action gets underway next Monday night at Tupelo. Brackets have been set, but nights of play have as yet not been established. The Devils open either Monday or Tuesday night with Houston, moving to the second round with the winner of the Starkville-Aberdeen game if they are victorious. Semi-final action will more than likely pit Booneville and Tupelo with winners moving on to the finals Saturday night.

## NABAC Meeting Held In Iuka

The NABAC meeting was held Tuesday night at the Iuka Country Club with Miss Ruth Bryant of the Federal Reserve Bank in Memphis as guest speaker. Her subject was "Women's Role in Banking."

Attending from the Peoples Bank and Trust Co. were Marion Smith, Kenneth Pounds, Mrs. Toy Smith, Mrs. Clyde Carter, Mrs. Melvin Putt, Mrs. Rex Yarbrough, Miss Dorene Elder, Miss Ann Rutherford, Mrs. Mark Johnson, Jr., Miss Mary Alice Riddle and Miss Betty Gardner.

From the Prentiss County Home Bank were Mr. C. W. Yarbber, Mr. J. W. Smith, Jr. and Miss Elizabeth Davis.

Hiram Scott College, in Scottsbluff, Nebraska.

Mr. Berry said, "We are very pleased to have Mr. Close on the team. Mr. Close's background and ability will be a great value to our organization."

**WIN PLAQUE AND \$2,500 AWARD**—Mrs. Emmons Turner, Jr. is shown with Mrs. Elsie Smith, local librarian, after being informed that the Northeast Regional Library, of which Booneville is a part, was one of six winners of the Dorothy Canfield Fisher Award. The Booneville Woman's Club sponsors the local library and Mrs. Turner is the local representative to the Regional Library.

## Regional Library Is Winner Of Dorothy Canfield Fisher Award

The Northeast Regional Library, well known for her articles on education and in 1927 wrote a book entitled "Why Stop Learning," the first book on adult education written for the general reader.

The money will be used to buy books for the Regional Library. In addition to the Northeast Regional Library, other winners included libraries at Waycross, Ga., Holden, Mass., Holdrege, Neb., Moorefield, W. V. and Brookings, Oregon.

The award is given in memory of Mrs. Fisher who was an American novelist, 1879-1958. She was

Harry Scherman of New York, chairman of the board of the Book-of-the-Month Club, announced the winners and said presentations would be made in individual communities April 17th during National Library Week.

The award is given in memory of Mrs. Fisher who was an American novelist, 1879-1958. She was

The annual Spring Hat Party sponsored by the Town and Country Garden Club will be held on Friday, Feb. 11. Hours are 10 a.m. until 6 p.m. in the Scout Hut.

The public is cordially invited. Hats will sell for \$4.00 plus tax. Refreshments will be served.

Council president, L. P. McCarty, of Tupelo, said, "I wish to express our gratitude for the unselfish service given by hundreds of volunteer leaders throughout our 12 counties who are contributing so much to the 5600 boys who are in the Scout program. They give of themselves to this job of character-building and citizenship training day after day and year after year."

Many scout activities have been planned by scouts in this area this week and many later in the month of February. First Methodist Troop 37 will have a parent's night and Court of Honor on Thursday night at the church beginning at 6:30. Other scout troops have similar activities planned within the next two weeks.

Cub Pack 34 will hold their annual Blue and Gold banquet at the First Methodist Church on Thursday, February 24. The Yocona Council Annual banquet will be held in Tupelo on February 17 in the Community Center. Many scouts from Booneville and Prentiss County are expected to attend. Ticket and Promotion chairman from here is B. G. Horton, who is a member of the Council's Executive Board.

Boy Scout Sunday is February 13 and many churches will have special recognition of scouts and leaders. Scouters and scouts will wear their uniform to church and many will take part in the Scout-Sunday programs, rededicating themselves to their duty of God and to the twelfth part of the scout law, A Scout is Reverent.

## Majority Margin In Bond Election Vote Is Not Large Enough For Issue To Carry

### First District JP - Runoff February 16

Even though a small majority of the electors voting in the special election February 2 on the matter of a \$175,000.00 bond issue of the Prentiss County School District voted in favor of the issue, the margin was not sufficient to carry.

The vote was 908 for the issue and 883 against, but the law for bond issues of this type specifies that at least 60 per cent of the qualified electors participating in such election must favor the issue for it to carry.

Circuit Clerk Roy Lowery said this fact had not been publicized and that almost everyone had

thought that a simple majority was all that was required.

In the first supervisor district of the county, voters also voted for a justice of the peace to fill the unexpired term of the late B. L. Anderson. R. E. Bain and Woodrow Stennett led in that election and will be in a runoff on Wednesday, February 16.

# One Man Looks At The World ...

... and it makes him sick!

Another looks at the world and his heart stirs with hope.

The first has seen only the world itself ... full of evil, injustice, ugliness, pain.

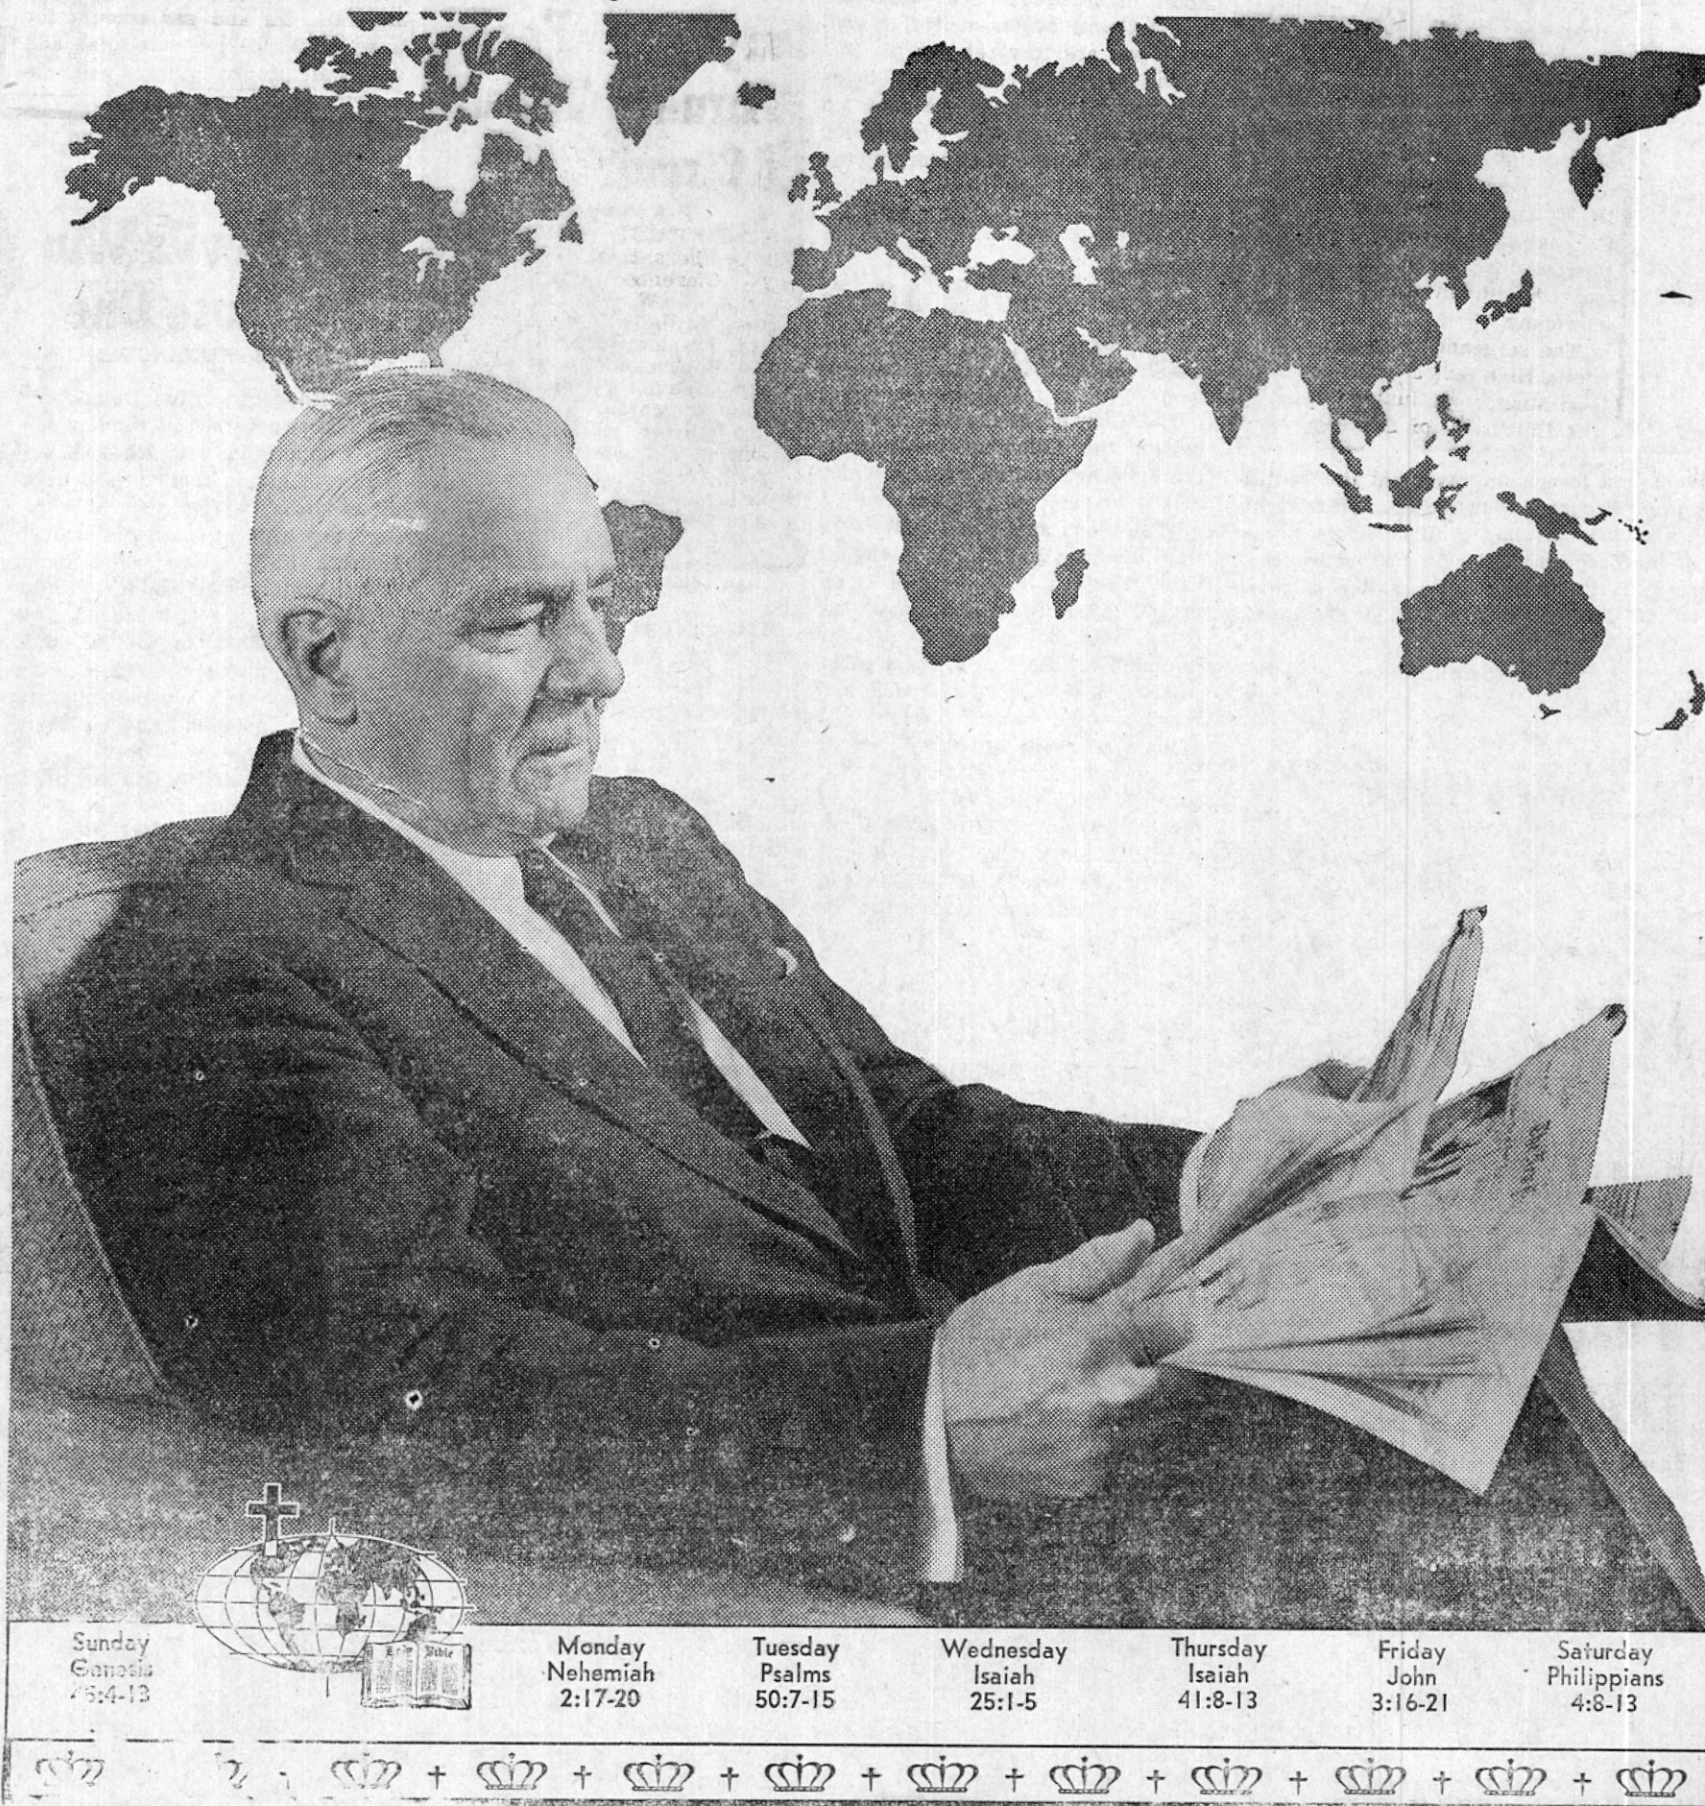

The second has seen more than the world. He has seen God ... Who is not content with the world as it is ... Who offers men the spiritual tools with which to change their earthly environment ... Who promises divine help and lasting reward.

For the man who is tired of scowling at life the Church has a message ... and a mission.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Civitan Club Observes Civitan International Clergy Week

Each year Civitan Clubs throughout the United States and Canada set aside the week containing February 3 to honor clergy of all faiths. On Thursday night, February 3 the local club invited mem-

bers of clergy to meet with them in fellowship and hear a program on what Civitan is and how the members of their club work for a better community.

Clergy accepting the invitation were J. A. Thornton, Minister of Church of Christ; Rev. Billy E. Robb, Pastor of First Baptist Church; and Huey and Ruth Wood, Ministers of East and West Booneville Methodist Churches.

In keeping with Civitan's motto, "Builders of Good Citizenship," a program was presented by club members concerning the various aspects of Civitan as to history, organization, membership, projects and objectives. Those taking part in the program were Past Lt. Gov. R. J. Bonds, Past President Herman Wood, Secretary Keith Shackelford, Director John Walden, Chaplain and Director Hershel Thomas, President Jack Beene and Guest Brother Huey Wood.

Present for the meeting was a new Civitan Tice Bunton sponsored by R. J. Bonds.

## MALU Sales Caravan Announces '66 Plans

The Mississippi Association of Life Underwriters annual sales caravan for 1966 will feature three of the top men in the life insurance industry. The featured speakers for this year's caravan will be Loran E. Powell, CLU, Executive Vice-President and Managing Director of Life Underwriters Training Council; Walter B. Bailey, Jr., Regional Manager for Lone Star Life in Dallas, Texas; and Sid W. Brizendine, Jr., Manager for Home Beneficial Life.

The first of four stops on the Sales Caravan will be in Greenwood, Miss., on February 23, 1966, at the Holiday Inn. The Greenwood meeting is at 9:30 a.m. That afternoon the caravan will journey to the Heidelberg Hotel in Jackson for an afternoon session at 3:30 until 5:30.

The guest speakers will then take a day break before they begin again on February 25, with a morning meeting at the Edgewater Park Hotel in Gulfport. The morning meeting will begin at 9:30 a.m. That evening, they will hold the last of the four caravan stops in Meridian at the Nelva Court and Restaurant. The afternoon stop of the caravan will begin at 3:30 p.m. For ticket information, contact your local association. Make your plans now to attend the 1966 Sales Caravan.

## New 4-H Program For Boys 14 To 19

STATE COLLEGE, Miss.—A new 4-H achievement program with an international flavor will be inaugurated this year, according to C. I. Smith, state 4-H Club leader of the Cooperative Extension Service.

The program, open to senior 4-H Club boys in 10 southern states, will feature all expense paid trips to the South American Republic of Chile for area winners.

The 10 states are divided into three areas. Mississippi is in Area I with Arkansas and Louisiana.

Goals of the program are to provide opportunities for development of better understanding between the people of Chile and the people of the southern U. S.; to provide opportunities for development of better understanding of economic, cultural, social and physical characteristics of Chile. It is also designed to help youth better understand the principles of the free enterprise system, Mr. Smith pointed out.

State winners in the program, open to boys between 14 and 19

THOUGHT FOR THE WEEK

Proverbs 10:26-30: As Vinegar to the teeth, and as smoke to the eyes, so is the slogard to them that sent him.

The fear of the Lord prolongeth days; but the year of the wicked shall be shortened.

The hope of the righteous shall be gladness; but the expectation of the wicked shall perish.

The way of the Lord is strength to the upright; but destruction shall be to the workers of iniquity.

The righteous shall never be removed; but the wicked shall not inhabit the earth.

## MINERAL RESOURCES OF OUR STATE

State and national mineral resources are high on the list of major assets for a more prosperous future and better living standards. Here in Mississippi, the value of mineral substances produced have risen by an incredible 10,000 per cent over the past 30 years. Mississippi has advanced from 47th place to 20th place nationally in minerals. Oil and gas account for some 90 per cent of our total, and this state ranks among the na-

tion's top 10 states in oil production. There are other geological resources of commercial value within our borders, including the production of bentonite and other clays, lightweight aggregate, cera-

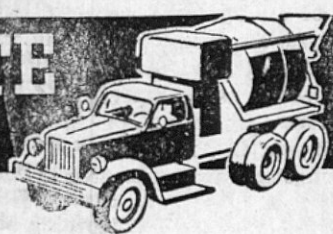

mic products, cement, sand, gravel and agricultural lime.

Eastport, Maine, is the most eastern U. S. city.

## JET-SMOOTHER THE CHEVROLET WAY

Soft contoured new Strato-bucket front seats come standard in Super Sports for relaxing comfort on every trip.

We added new bushings and softened body-to-frame mounts to smooth Chevrolet's ride. We put in soft-acting shock absorbers and soft-working coil springs at every wheel. By soft, though, we don't mean mushy. Chevrolet's Way makes for a smooth, solid ride. Very steady on curves. A bump jumps from the Wide-Stance wheels to the supple springs and shocks—and pffft! It all but disappears.

The powerfully smooth new Turbo-Jet V8 is available in all '66 Caprice, Impala SS, Impala, Bel Air and Biscayne models.

Eight features now standard for your added safety—including seat belts front and back (always buckle up!) and an outside rear-view mirror (always check in back before passing).

## Meeting Of The Northeast Miss. Historical Society

The annual meeting of the Northeast Mississippi Historical Society will be held February 17, at 7:00 p.m. This will be a dinner meeting, and will be at the Northeast Mississippi Junior College Cafeteria.

This Society was organized in February of 1965, and now has a total membership of 140. Any person interested in the history of Northeast Mississippi is eligible for membership.

The purpose of this society is to bring together those people interested in history, and especially in the history of Northeast Mississippi. Understanding the history of our community is basic to our democratic way of life, gives us a better understanding of our state and nation, and promotes a better appreciation of our American heritage.

The society's major function is to discover and collect any material which may help to establish or illustrate the history of the area.

its exploration, settlement, development, and activities in peace and in war; its progress in population, wealth, education, arts, science, agriculture, manufactures, trade, and transportation. It will collect printed material such as histories, genealogies, biographies, descriptions, gazetteers, directories, newspapers, pamphlets, catalogs, circulars, hand bills, programs, and posters; manuscript material such as pictures, photographs, paintings, portraits, scenes, aboriginal relics, and material objects illustrative of life, conditions, events and activities of the past and present; and written and oral collections of the folklore of the area.

If you desire membership in the Society, or would like to make reservations to attend this annual meeting, you may do so by contacting the Secretary-Treasurer, Mrs. Frank Steele, Post Office Box 61, Booneville, Mississippi. Annual membership dues are \$2.00; cost of the dinner is \$1.50.

## Retired Persons To Meet In Tupelo Tuesday, Feb. 15

Tupelo, Miss. — The Tupelo Area Chapter of the American Association of Retired Persons will hold its regular monthly meeting at 2 p.m., Feb. 15th, 1966 in the Conference Room of the Tombigbee Electric Power Association, South Gloster Street (Highway 45 So.), Tupelo, Miss.

Mr. Hugh Tigrett, District Manager, Department of Health, Education and Welfare, will discuss in detail the benefits and services which will be available through Medicare after this program starts July 1, 1966. He will answer any individual questions anyone may have regarding their particular case.

Nearly all people who are 65 or will be within the next few months will have the hospital insurance protection offered by Medicare, even if they cannot receive social security benefits. However, anyone who does not receive social security benefits must apply to

get Medicare protection.

In addition to hospital insurance, Medicare provides medical insurance which will help to pay doctor's bills and certain other medical costs. The medical insurance part of Medicare is voluntary and a person will have this protection only if he signs up for it.

Hospital insurance will cost a person nothing. Medical insurance will cost the people who sign up for it \$3.00 a month, and the Federal government will pay an equal amount.

Both parts of Medicare will go into effect July 1, 1966. Anyone who is 65 before January 1, 1966 will have medical insurance protection only if he signs up before March 31, 1966.

The Social Security Administration is trying to reach all men and women who are now 65 or who will be in the next few months to give them an opportunity to get the full benefits of the recently enacted health insurance program known popularly as Medicare. Everyone is invited.

Christmas is not a religious holiday in Japan.

## Coryza One Of Most Prevalent Diseases

If your nose is stuffy and you have difficulty breathing, chances are you're suffering from one of the most widespread and prevalent of all diseases—coryza.

Chilling and overheating make a person particularly susceptible to coryza, which is why it is so prevalent at this time of the year. There is no known cure.

Although it is relatively minor, coryza causes an annual loss of more than \$5 billion each year in the United States alone in terms of time lost from work, wages lost and the cost of treating the disease and its complications.

Persons of all ages are susceptible to coryza, according to World Book Encyclopedia, but pre-school youngsters seem to be most susceptible. More than 30 million illnesses each year in American pre-school youngsters are caused by coryza.

William Henry Harrison, ninth president of the United States, delivered his inaugural address on

a cold, windy day and caught coryza. This developed into pneumonia and he died a month later.

Coryza is what keeps handkerchief makers and tissue manufacturers in business. It is popularly known as the common head cold.

## Rites Held Tuesday For Accident Victim

## Participate For Profits

Several Prentiss Countians are already making gains in a program which, if taken advantage of to its fullest, could mean a great profit percentage increase with relatively low investment in our agricultural income.

We have reference to the county pasture and forage improvement program in which awards for 1965 were made at the recognition meeting here Monday night.

Those who received the awards are doing a good job and will more than likely do even better in the future, but there are many others who could also profit by the program.

As ideally suited as our area is for dairying and livestock production, more of our farmers need to take advantage of the many natural resources and the know-how available, it was pointed

out to the group Monday night by Dr. John M. Buckalew, professor of dairy production of Mississippi State University, who was the principal speaker for the occasion.

It was also pointed out by the speaker that far too many dairymen, intent on increasing production, will go out and buy 10 more cows and put them on the same grazing that they had, thus further starving all of the cows. The first move should be to improve their grazing and forage crops to get top production from the cows they have, and try to get better cows as they make herd replacements.

We understand that the program is to have much greater backing and additional interest for this year, and everyone engaged in dairying and livestock production is urged to participate for greater profits the cheaper and easier way.

## POISON CONTROL CENTERS

Thanks to the six Poison Control Centers in Mississippi today, your doctor can dial one of their phones and get the antidote for any of some 40,000 different commercial poisons in case a person should suffer accidental poisoning. This instant information is available 24 hours a day to the health profes-

sion in Mississippi as a result of work done primarily by the Dean of the School of Pharmacy at the University of Health. With such vital information readily available to any doctor at any time simply by making a phone call, Mississippians enjoy a modern protective service that can save life and prevent suffering.

## Just Scribbling

MRS. ED JOHNSON

Talk about ladies' fashion, with the short skirts, all you want to; but it seems to me that the men are also causing the cash registers to ring.

Use to, a man could wear a blue serge suit until it was shiny well you know where. Not any more. Coat lapels were formerly wide, then narrow, then notched; pants use to be roomy, but now they say if they are big enough to pull over the shoes, they're too big.

And for shirts—button-down collar in one season and out the next; you have pin stripes, then plaids, and the fabrics are undergoing terrific changes.

And those ties! It seems only yesterday that we discarded all the big wide ties and gradually got some that were narrow as strings; but wait, the wide ones are back in the news.

However, we women are learning to cope with the situation. Now when something is no longer in style, we don't discard it. Instead, we are carefully placing it in mothballs and holding on! It just isn't possible for two in one family to wear, "I don't have anything to wear!"

How lucky can you get. Mr. and Mrs. S. W. Downs are sporting around in a red Volkswagen which they won in Corinth. Last fall a store put on a promotion deal and gave tickets for the car. A number was drawn each week for some 13 or 14 weeks until finally—and they even had a premonition they'd get it—the Downs' came up with the winning number. Another case of the "Power of Positive Thinking."

Perhaps we can understand communism more if we know the AIM of communism. Arthur H. Dean, after returning from the Geneva Conference on nuclear test bans, said, "There is no such thing as easing tensions with these people. They want world communism."

This means the elimination of all other forms of society, our Democratic form of government, British constitutional monarchy or French republicanism. It is never ending, always striving to control the world. Under communism everything would be owned by the state; there would be no private property. The communist would be the only employer... the only educator... the only medium of news and communication. The communist party would run the life of each individual with much the same control as a warden has over the prisoners in an institution.

And let us always be aware that communism does not emerge suddenly... it grows from socialism and is its direct continuation.

Age is something that should be put aside and enjoyed after dessert has been served.

When the founding fathers mentioned the pursuit of happiness they didn't mean at 90 miles an hour.

A salesclerk went to the manager with a problem. "How," he asked, "can I stop women customers from complaining about our prices and talking about the low prices in the good old days?"

"Very easily," replied the manager. "Act surprised and tell them you didn't think they were old enough to remember the good old days."

## Local Business

By S. S. TALBOT  
Chairman, Dept. of Journalism  
University of Mississippi

The most important element in advertising is not the cost, but the results obtained.

Advertisers have acquired the concept of three dimensions in selling. Space is only the first dimension in selling. When a businessman realizes gains through advertising he is very likely to increase its use.

Some advertisers are even smarter. For instance, one may say, "I want to buy people, not just time and space." He then proceeds to base his advertising expenditures on the concept of "people-space." When a recession is felt, he will not cease advertising for fear of losing his "people." He is more likely to pull through hard times than his faint-hearted competitors who don't see this second dimension.

However, space and people are not enough for the thriving advertiser. He sees also a third dimension—the depth to which his message penetrates readers. By advertising in the right medium he can reach a maximum market.

Most retailers have learned that the best medium for retail sales is the local newspaper. Since "all sales are local," the advertiser can reach nearly all of his customers anytime, anywhere in the newspaper which covers the whole local community.

The newspaper provides deeper penetration. Consumers like to know exact conditions of purchase. They are likely to spend more time reading their local newspaper than any other medium available to get complete information.

Newspapers don't operate just to sell the one dimension. Instead, newspapers co-ordinate all three into an advertisement which covers all sales' dimensions for the local market.

## LARGER OIL OUTPUT AND EARNINGS

As one of the nation's major oil producers, Mississippi has special interest in the year's end summary showing that higher crude oil output, earnings and products price made 1965 a good year for the petroleum industry as a whole. Demand for crude oil and petroleum products was at a record high, and the industry was producing and refining more crude than ever before. Product prices in early December averaged \$3.88 a barrel, about 10 cents above the year earlier level. Crude price averages were steady at \$2.96 per barrel. It is indicated that 1966 will be another good year.

## GOOD IMAGE FOR LOCAL INDUSTRY

A great many Mississippi communities have home-grown industries highly important to the local economy that should be noticed and appreciated by the general public for local indifference can affect production and morale of personnel. Every community newspaper encourages industry, both new and old, to the full extent of its means.

## VA Answers Vets Questions

Q.—At the time my husband died, I could not locate his discharge papers and therefore did not receive a burial flag. May I get this burial flag now?

A.—Yes. A flag will be issued if circumstances at the time prevented your receiving the flag prior to interment. The applicant must personally sign and set forth the circumstances on the application.

S.—What is the final deadline for World War II GI loan applications?

A.—Individual World War II veterans face their GI loan deadline ten years from the date of discharge or release from service plus one year for each three months of active wartime service. However, the final deadline for all World War II veterans is July 25, 1967. Veterans discharged from service because of a service-incurred disability will be given until July 25, 1967, despite lack of qualifying length of service.

Q.—I receive a nonservice-connected pension from the VA. Can I also receive Social Security benefits when I reach age 65?

A.—A veteran may receive a nonservice-connected pension, if otherwise eligible, as long as his income without dependents does not exceed \$1,800 or with dependents \$3,000 per year. Ninety percent of Social Security benefits are counted as income.

Q.—Do I have to travel to the Veterans Administration Regional Office to obtain the required certificate of veteran status for a home loan from the FHA under the new Housing Act?

A.—No, that will not be necessary. The mortgage banker, who will handle the home loan, has been supplied the certification paper, VA Form No. 26-8261, which he will forward to the VA. To insure prompt certification by the VA, you should submit with his request all discharge or separation papers from all periods of active service. Also, if you have ever filed a benefit claim of any kind with the VA, supply your claim number (C-Number) on the form.

Q.—If a veteran of World War II needs major surgery and he has not insurance of any kind, can he enter a VA hospital for the surgery?

A.—For a nonservice-connected veteran to be eligible for admittance to a VA hospital it must first be determined that he needs hospitalization; secondly, that there is a bed available and third, he must sign a statement that he could not afford this hospitalization in a private hospital.

## Civitan Members Attend Rally

Civitan International President, Dr. John R. Pate of Arlington, Va., was honored Friday, February 4th with a rally at University of Mississippi in Oxford. Dr. Pate's very interesting subject was "You Count Most," directed to wives of civic club members. He stated that without the support of wives no civic club could exist and carry out their many worthwhile projects.

The Winona Civitan Club was the first place winner of the attendance cup which was computed using miles traveled and percent attending. Approximately 200 Civitans from North Mississippi were present for a very enjoyable evening of fellowship.

The Booneville club was second in attendance with ten members and their wives. Those who attended from Booneville with their wives were Herman Wood, John Walden, Keith Shackelford, John Lester, Paul Mundinger, Toye Hill, R. J. Bonds, Hershel Thomason, Allen Norton and Jack Beene.

## Jumpertown H.E.C. Meets In English Home

The Jumpertown Homemakers Extension Club met in the home of Mrs. Milton English for their regular meeting.

The meeting was called to order by the president, Mrs. Dewey Wallis. The club members gave the Home Demonstration Pledge and the Home Demonstration Club song. The devotional taken from Acts 4:30-35 was read by the hostess. The roll was called by the sec-

retary, and one new member was added. Business of the club was discussed. Mrs. Carrol Windham gave the study topic "Getting Your Money's Worth," by true or false test.

Mrs. Dewey Wallis gave the demonstration "Convenience Cookery With Portable Electric Appliances," by picture slides. Mrs. Honnell English gave the club collect.

Mrs. English, the hostess, served refreshments to the eight members present.

## COUNTY AGENT NOTES

W. TAYLOR SMITH, County Agent

### CARE OF SEEDLINGS

Pine seedlings that are to be planted within two or three weeks may be stored in the bundle if the bundle is wrapped in wet peat moss and waterproof paper.

Store the bundles in a shady spot a few inches off the ground with one end of the bundle slightly elevated so any excess water can drain out. Water and turn the bundles at least once each week. Do not stack bundles on top of another.

Mr. Smith

### FERTILIZING FISH PONDS

Mid-February is the time to start fertilizing farm ponds. A farm pond, properly stocked and fertilized should yield 150 pounds of fish to the acre.

If excessive water is running through the pond, wait until late March to begin fertilizing the pond. Make the first three applications of fertilizer two weeks apart. Then fertilize as needed throughout the season.

Recommended fertilizer rates and kinds are 100 pounds of an 8-8-2 per acre, or 50 pounds of a 16-16-4 or 40 pounds of a 20-20-5.

Do not fertilize ponds that stay muddy, where undesirable fish dominate the pond; ponds heavily infested with weeds or ponds where most of the bluegills caught are small.

### WEED CONTROL

All people interested in weed control are urged to attend a state weed control meeting scheduled for Jackson at 9:30 a.m. February 18. It will be held at the Heidelberg Hotel. Recommendations for controlling all weeds infesting crops and pastures will be announced. Chemical company representatives will discuss new weed control chemicals available.

### CORN VARIETIES

Last year our farmers harvested corn from 14,000 acres with a yield of 41 bushels per acre — 32 bushels below the national average! By only increasing production to the national average we would add tremendously to our agricultural economy.

The first step toward increasing the average yield to 75 to 100 bushels per acre is to plant a high yielding variety adapted to our area. We have and can give you the recommended varieties and detailed information on land selection, fertilization and a complete weed control program.

### Sunflower Named Finalist In Annual Brands Competition

INDIANOLA, Miss. — For the second time in the past two years, Sunflower Food Stores has been named a FINALIST in the annual national BRAND NAMES COMPETITION, according to an announcement today by company president Morris Lewis, Jr.

Sunflower Food Stores is one of seven finalists in its food category and will submit a scrapbook for final judging at the National Awards dinner in New York City in April. Only 26 other food stores throughout the nation have been invited to compete in the final judging.

Top prize winners will be judged for their presentation which best reflects the theme "that customers can buy manufacturers brands with confidence and assurance of quality, value and satisfaction."

## Report Of Miss Hospitality For Year 1965-1966

From the day I was selected Miss Hospitality for Booneville until the present, many wonderful experiences have come my way. To relate all of these would be impossible, but I do want to impart a few of these experiences to give others an insight into the activities of Miss Hospitality.

One of my main duties, or should I say pleasures, was to be at the Hospitality Booth every week-day for three weeks during June. The different clubs helped and provided refreshments for the visiting tourists to our town. Many interesting and unusual people traveled Highway 45 during the summer of 1965. During the first few days at the booth, I met a German girl traveling to New Orleans who could not speak a word of English. I guess all people understand the language of food, for a coke and cookies brought kisses thrown by the girl as she drove away. This was only one visitor from the 37 states and two foreign countries that stopped at the booth. In all there were one thousand one hundred and eighty eight visitors at the booth in 1965. Many letters have been received from people who stopped in Booneville telling how impressed they were with Booneville's friendliness.

Another pleasure of Miss Hospitality is attending the different clubs. At the Pilot Club, I was asked to give a speech on Booneville; and at the B and P W Club, I had the honor of introducing Mayor Smith. I also, attended the Bankers Banquet for employers and employees of banks in this area. In addition to these, I attended the Rotary, Woman's Club, and the Lions Club. When out of town guests came to Booneville, I was introduced to them; and I even gave a tour of Booneville to a few of them. I attended with Mayor Smith the Ground Breaking Ceremony at Marietta Springs for the Tombigbee Watershed Program. At different times, I was called on to be in a picture of something new or outstanding in Booneville.

All of these activities led up to the State Contest in latter July. After studying about Mississippi, I journeyed to the contest, partly on money generously given by the city and some of Booneville's clubs for some of my expenses.

The first day at the Buena Vista in Biloxi began with registration, pictures, lunch, and interviews with the judges in the afternoon. The next four days were similar with distributions of leisure time throughout the schedule. At night, activities were planned for the group with informal judging. The group went on a yacht party, dude ranch party, and a dance. At these parties all of the girls wore costumes to suit the occasion, such as cowboy outfits, sailor and yacht clothes, and party dresses. At one of the luncheons, most of the girls distributed souvenirs of their home towns. Usually these souvenirs had been given by a plant or factory in the home town to represent and advertise the products, such as Wiggins' pickles and Coldwater records. As souvenirs, I took head-

by MRS. J. A. GILMORE

Mrs. Nellie Hood had surgery last Wednesday at the Baptist Hospital in Memphis. Her mother, Mrs. Jourd Moore visited her Sunday and reported her doing as well as could be expected.

Mr. and Mrs. Ross Pharr and Judy, Miss Claudia Schoggen and Mrs. Maxine Newman visited Mrs. Woodrow Schoggen at the William F. Bowles Hospital in Memphis, Sunday. Mrs. Schoggen had surgery two weeks ago and friends will be glad to know she is improving.

Mr. and Mrs. Jim Moore of New Site were Sunday guests of Mrs. Carl Moore and family.

Mr. and Mrs. Bill Landrum of West Memphis were weekend guests of Mrs. Landrum's mother and brother, Mrs. P. J. Houston and Jackie.

## FBLA Convention At Ole Miss March 4-5

UNIVERSITY, Miss. — Some 600 high school, junior and senior college students and their sponsors are expected at the University of Mississippi, March 4-5, for the 12th annual state convention of Mississippi's Future Business Leaders of America.

According to Rufus T. Jones, acting director of the statewide organization and director of personnel at Ole Miss, nearly every school in the state with an FBLA chapter or a chapter of Phi Beta Lambda, the college division of FBLA, will be represented at the convention.

The FBLA organization is the same to Mississippi's future business leaders as Future Farmers is to the State's future leaders in the farming industry.

Highlight of the two-day convention will be an address by State Treasurer William Winter. Mr. Winter will address the participants at the annual banquet on Friday night, March 4, in the University Cafeteria.

According to Mr. Jones, registration for the convention will get underway at 9:30 a.m. on March 4 in the lobby of the Mississippi Center for Continuation Study.

bands with "Booneville" stamped on one side; and I also took miniature cotton bale match boxes provided by the Woman's Club.

The final night was the Coronation Ceremony. Mississippi can be proud of the judges' selection in the 1965 State Miss Hospitality Contest, for Ann Kitchens is an outstanding, friendly girl who deserved the title.

Now as I look back at all of my experiences and look toward the approaching selection of another Miss Hospitality for Booneville, I can not thank Booneville enough for this honor which she bestowed on me. Long lasting friends have been made and many things have been experienced. Another year has passed and I have watched the growth of the prosperous "City of Hospitality." To you of Booneville, I extend my regards and hopes for an even better year in 1966. With a grateful heart and a friendly smile, I say "Thank you, Booneville."

Sincerely,  
Carol Vail

**CERTIFICATE GRANTED** — A certificate of public convenience and necessity is being granted to the Marietta Water Association, Inc., to construct, maintain and operate a water system by D. W. Snyder, seated, chairman of the Mississippi Public Service Commission. Shown with Mr. Snyder are, left, R. A. Kelley of the engineering firm of Cook, Coggin, Kelley and Cook, Tupelo; and Jack M. Dubard, Booneville attorney.

Mrs. Gwendolyn Scott of Coldwater and Miss Linda McNutt of University will be in charge. A meeting of the executive board, composed of all chapter sponsors and state chapter officers, will be held at 11 in the Continuation Center Auditorium.

During the afternoon separate sessions for FBLA and Phi Beta Lambda will be held. Both will begin at 1 p.m. with FBLA participants meeting in the Education Auditorium and Phi Beta Lambda delegates meeting in the Continuation Center Auditorium. Mr. Jones will welcome the groups and a response will be delivered by Miss Floy Smith of Hattiesburg. State officers for 1966-67 will be nominated by both groups at this session.

The remainder of the afternoon will be comprised of various contests in both divisions. FBLA members will select Mr. and Miss Future Business Leader of America and will hold a spelling relay, public speaking contest, and parliamentary contest. Phi Beta Lambda will select Mr. and Miss Future Business Executive and Mr. and Miss Future Business Teacher, and will hold a vocabulary relay contest and an extemporaneous speaking contest.

Both groups will compete for the best scrapbook or exhibit, best annual activities report, most original project, and in a talent contest slated for 2:45 in the Education Auditorium.

At the 7 p.m. banquet Friday night Thrasher High School and W. P. Daniel High School will provide ushers. Mr. Teddy Ledbetter of Booneville and Mrs. Annette Bryson of New Albany will serve as sponsors. Decorations will be under the direction of Xi Chapter, Phi Gamma Nu, at Ole Miss.

The final session of the convention will be held Saturday morning when new officers for 1966-67 will be elected. The convention will close at noon following the announcement of contest winners and the installation of new officers.

## HOME ECONOMIST'S NOTES

By CLAIRE T. ROSS, Extension Home Economist

Almost every type of cookware and bakeware is available with a teflon non-stick coating. Whether you are a newcomer to the use of this type cookware, or have been using it for some time, you probably have some questions about proper care to insure long wear and efficient performance.

Before you use a utensil with a non-stick finish, wash it in warm soapy water and rinse it in hot water. For all utensils, except angel food cake pans, oil by wiping the surface with salad oil.

If you like the flavor fat adds add fat to the pan when using it. Grease cake pans before every use for butter cakes, cup cakes, mixes with fruit or lots of sugar. Cake pans may be floured.

Avoid extremely high temperatures, never leave empty pans on heat and be sure you use spoons and spatulas of wood, nylon, rubber or coated with teflon.

If a scratch appears don't worry about it. A scratch seldom affects performance and the coating won't peel off.

To clean your non-stick utensil, wash it in hot sudsy water. You can wash it in the dishwasher. Occasionally you may need to scrub with a plastic or rubber scrubber or stiff sponge to remove the build-up of grease that causes the finish to lose its non-stick properties.

Most teflon finishes, especially light pastel colors, may stain with continued use. This is normal, and within limits, does not affect the performance of the pan.

There is a commercial stain remover for teflon. It is not possible to remove all stains, but this stain remover has given considerable success.

You may lighten or remove stains with this procedure: Mix 2 tablespoons of baking soda and

one-half cup of liquid household bleach with 1 cup of water. Boil this solution for 5 to 10 minutes in the stained utensil. After this treatment, thoroughly wash, rinse and dry the utensil, then wipe it with salad oil before using it again.

A lot of dark staining usually indicates the utensil has been consistently overheated or inadequately washed.

## NOTICE OF TRUSTEE'S FORECLOSURE SALE

THAT WHEREAS, HAROLD W. BRASEL and wife, BETTY B. BRASEL, did, on January 29, 1964, execute and deliver to Joe M. Hudspeth as Trustee for North Mississippi Savings & Loan Association, a certain Deed of Trust, which Deed of Trust is recorded in Book 71 at page 246 of the Land Mortgage Records of Prentiss County, Mississippi, at Booneville, Mississippi, to secure an indebtedness therein described in favor of the said North Mississippi Savings & Loan Association, and

WHEREAS, default having been made in the payment of the indebtedness secured by said Deed of Trust, and North Mississippi Savings & Loan Association, the beneficiary of said Deed of Trust and the holder of the Note and indebtedness secured thereby, having requested the undersigned Trustee so to do, I WILL, ON THE 4th DAY OF MARCH, 1966, offer for sale at public outcry and sell during legal hours between 11:00 o'clock A. M., and 4:00 o'clock P. M., at the main front door of the County Courthouse of Prentiss County, Mississippi, at Booneville, Mississippi for cash, to the highest and best bidder, the following described real property lying and being situated in Prentiss County, Mississippi, more particularly described as follows, to-wit:

Part of the Northwest Quarter of Section 1, Township 6, Range 7, described as follows: Beginning at the Northwest corner of said Quarter and run South with West boundary thereof 30 3/4 rods, thence 77 degrees East 105 feet for the true point of beginning; run thence North 77 degrees East 180 feet to a point in the West right-of-way of the Old Booneville and Marietta Road; thence North with the West right-of-way of said road 255 feet; thence South 77 degrees West 180 feet; thence South and parallel with the West right-of-way of said road 255 feet to the true point of beginning; containing 1 acre, more or less.

I believe title to said property to be good, but I will convey only such title as is vested in me as Trustee.

WITNESS my signature and posted this the 7th day of February, 1966.

## REAL ESTATE

160 acres of prime woodland only 6 miles from Booneville and borders on good County road. This is not ordinary timberland, but has excellent stand of hardwood and pine with much of it large enough to cut now. There is no better investment than land like this. \$55 per acre and cheap at the price. Don't wait until out of state buyers grab it.

55 acres with house and barn only 4 miles west of Booneville. Just a little over half mile from blacktop. Half mile frontage on good gravel road. Cotton allotment, excellent hay and pasture land. Farms this size are hard to find close to town. Priced to sell at \$7950.

House for sale on Brewer Street. One of the nicest lots on Brewer Street. FHA insured loan for qualified buyers.

Three bedrooms, living room, dining room, kitchen, large den, bath, 209 Fifth Street (Foster Park). Very near High School. Quiet, attractive neighborhood. Appraised value \$10,500, selling price \$9750. Mighty little cash required for down payment and closing.

Two bedrooms, living room, dining room, kitchen-den combination, bath, large outside utility room. Electric, gas, or fire place heat. Brick veneer, lovely shade trees. 201 Smith St. A bargain at \$10,000. FHA appraised and insured loan with very small down payment. If you want a HOME don't pass this up.

Four bedrooms, living room, den, dining room, kitchen, breakfast room, utility room, another outside utility room, two baths. Large lot with beautiful shade trees. This is not a new house, but has had exceptional care and will likely last longer than a lot of new ones. Smith St.

Business Opportunity—A chance to buy an old profitable established business. Floral Shop with green houses, the Booneville Floral Co. If you don't mind work and have a green thumb, this can be a very profitable investment. Unlimited potential for building a real business. Two bedrooms, kitchen, bath, apartment upstairs over floral shop. Walk-out deal includes inventory, equipment, plants, etc. Buildings and land alone worth more than selling price. Terms to responsible person.

By CHARLES E. CALVERT, Office Manager

## February 15 Final Date For New Grower Allotments

Farmers who get 50% or more of their livelihood from a farm are eligible for new grower cotton and peanut allotments provided they do not operate another farm with an allotment already established.

February 15, 1966 is the final date for making an application at the County ASCS Office for a new grower cotton or peanut allotment.

## Advance Payment Available Under Cotton Program

Upland cotton farmers who take part in the 1965 cotton program

may receive in advance half of the estimated diversion payment to be earned, Orville E. Bostick, Chairman of the Mississippi Agricultural Stabilization and Conservation State Committee, has announced. The advance payment will be made at the time of signing up or as soon as possible after that time. This provision of the program should be of substantial benefit to growers who can use some extra ready cash during the spring planting season.

The program sign-up at ASCS county offices started January 31

and will continue through April 1. The chairman emphasized the importance of signing up in the cotton program. This year, filing a sign-up application form is necessary for all cotton farm operators who wish to qualify for any of the program benefits. This applies to operators of "small farms" as well as the larger ones.

Farmers will have a choice of diverting either 12.5 or 25 or 35 per cent of the farm's effective 1-10 acrement from the production of cotton, and devoting such acreage

to a conserving use. The diversion payment — at 10.5 cents a pound on the projected yield of the acreage diverted — will be made only for the number of acres signed up, not more.

Operators of small farms (those with an allotment of not more than 10 acres or on which the projected production is not more than 3,600 pounds) need not reduce acreage below the farm allotment in order to qualify for diversion payments at the maximum level of 35 per cent of the allotment; however,

## Mr. Bain Appeals To Voters

I, R. E. Bain, appeal to the voters of the First District of Prentiss County, Ladies and Gentlemen, it is with profound gratitude that I come thanking you for your nice

vote that you gave me in the first primary, enabling me to go into the second primary for the office of Justice of the Peace. I have no ill feeling for anyone that supported my nice opponents, but I earnestly ask your support in the coming election on the 16th day of February, 1966.

Further appealing to the people

program, farmers may qualify for price support loans and extra price support in the form of payments as well as for the diversion payments.

of the First District I ask for you to consider my qualifications and willingness to serve you. I have had eight years' experience in the duties of the office and law enforcement here in Prentiss County. I will give my entire time to the office always trying to serve the County with dignity and honor. So, on the 16th day of February go to the polls and vote for R. E. (Ruben) Bain. Thanking you in advance for your support.

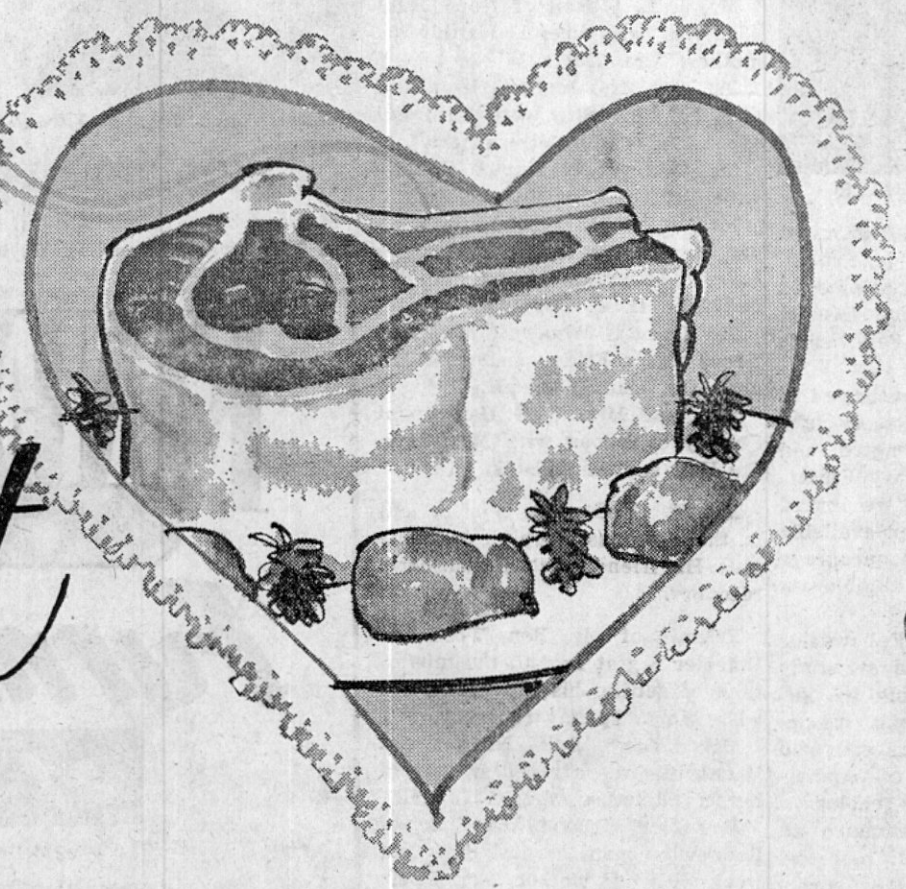

R. E. Bain

### Named Chairman Of Sub-Committee In Rotary District

HOWARD CARPENTER

Howard Carpenter of Northwest Mississippi Junior College, Senatobia, Miss., has been appointed as Chairman of the Rotary District 680 Rotary Foundation Fellowships Sub-Committee.

Rotary District 680 consists of 35 clubs — 33 Mississippi Rotary clubs and the Memphis, Millington, and Collierville, Tenn., Rotary Clubs.

Mr. Carpenter said, "We intend to make this information available to all our clubs and we encourage Rotary Clubs to select eligible applicants."

Rotary Foundation Fellowships are for one year of graduate study abroad and are available to outstanding young men who are interested in world affairs and who can fulfill a dual role of "Ambassador of Goodwill" and scholar.

This will give our students an opportunity to contribute to better understanding between their homes and the countries where they may study, and at the same time advance their academic careers.

Mr. Carpenter said that 50 countries of the world are participating.

### THE NEWS FROM— PROSPECT

31 MRS. DUDLEY LINDSEY

Several in the community have been on the sick list. We are glad they are better at this time.

Mr. and Mrs. Walker Smith visited friends and relatives here last week. Mr. Smith will leave Sunday for an examination for the Army.

Weekend visitors of the J. L. Hall family were Mr. and Mrs. Jimmy Hall and family and Mr. and Mrs. Billy Dean Lindley of Memphis.

Mr. J. L. Wilson of Hope, Ala., was here recently visiting his mother, Mrs. Docia Wilson.

Mr. and Mrs. Junior Wilson and baby of New Site were Saturday night guests of relatives here.

Mr. Dewey Lesley spent Sunday with Mr. and Mrs. Ellis Glover.

Mrs. Hattie L. Wilson of Plantersville spent several days recently with Mrs. Etma Long and Mr. and Mrs. H. C. Coggins.

Mr. Douglas Woodruff of Shady Grove was a Friday visitor of Mr. and Mrs. Dan Woodruff.

Mr. and Mrs. Tice Hall spent Sunday afternoon with Mrs. Maudie Hall and Ann Shook.

Mr. H. C. Coggins is a patient in the Veterans Hospital in Memphis. His friends wish him an early recovery.

Friends of Mr. Ben Wood of Wheeler regret he had the misfortune of getting his hip broke. We wish him a speedy recovery.

Miss Mary Bell Nichols of Booneville was a recent visitor of her grandmother, Mrs. O. L. Hall.

Mrs. T. P. Chittom and Ricky of Booneville spent several days last week with her mother, Mrs. Docia Wilson.

Amarillo is the commercial center of the Texas panhandle.

WHEELER'S 1966 Betty Crockner

Homemaker of Tomorrow is Janice Key, daughter of Mr. and Mrs. Guy C. Key, Route 2, Baldwin. She scored highest in a written knowledge and aptitude examination taken by senior girls December 7, 1965, and is now eligible for state and national scholarship awards. Janice has already earned a special award pin from the program's sponsor, General Mills. Test papers of all school winners in the state are being judged, and a State Homemaker of Tomorrow and runner-up will be selected soon. ## Welfare Payments Increase In Jan.

Mississippi's public assistance caseload and total payments for January continued to reflect restoration of cuts made last November for recipients who recently received increases in their social security checks. Miss Evelyn Gandy, Commissioner of Public Welfare, said all public assistance programs except old age assistance had a net increase in the number of payments. The slight drop in the number of old age assistance recipients was smaller than usual for January.

Total payments for January amounted to \$4,567,118, an increase of \$13,809 from December 1965. An average monthly grant of \$39.01 was made to \$73,103 aged people; 2,531 blind people received average monthly grants of \$45.84; there were 67,223 dependent children who received an average of \$10.39; and 19,699 permanently and totally disabled received \$45.74 as average grants.

Private hospitals provided hospital care for 1,057 old age assistance recipients and 24 aid to the blind recipients. Cost of Hospital Care totaled \$136,575.51 of which \$134,293.71 was for old age assistance recipients and \$2,281.80 for aid to the blind recipients. Each recipient is eligible for a maximum of 20 hospital days each year.

There were 796 children in foster

## Education And Psychology Department Offers Four Courses For Education Degree

(This is the fourth in a series of sixteen articles featuring the academic departments of Northeast Mississippi Junior College.)

By MARY ROBINSON

The Department of Education and Psychology at the Northeast Mississippi Junior College offers a program of study to meet the educational needs of the students of this area.

Of interest to the teachers of the future, the department offers four courses which may be applied toward a degree in education. Included in the curriculum are two basic courses in psychology—General Psychology and Developmental Psychology. Other courses offered are Introduction to Education and Reading.

The courses are planned to meet the following requirements: (1) a curriculum for elementary teachers; (2) a curriculum for high school teachers; (3) a curriculum for majors in psychology; and (4) courses for students who desire to understand themselves and their fellow man.

The reading program added four years ago to the department offers the student an opportunity to gain skills for successful college work.

Mrs. Eva Eskridge states that the main objective of the reading classes is to make the college studying and learning just a little easier. "We try to teach the students study habits, skill, vocabulary building, efficient dictionary skills, better reading habits, and self-confidence in themselves," states Mrs. Eva Eskridge. Emphasis is placed on comprehension rather than speed; however, the equipment for the reading department includes a "controlled-reader" and a "reader accelerator" which enable the student to read at a certain speed.

The reading classroom is also equipped with a tape recorder, movie projector, Science Research Association Laboratory Kits, films, and various materials and books.

The Department of Education and Psychology sponsors the Student Education Association which is a local unit of the National Education Association. The organization has as its purpose the development of the prospective teachers for the public schools of our nation. Members of the SEA pledge themselves to maintain physical vigor, mental vitality, moral discrimination, helpfulness, wholesome personality, knowledge, and leadership.

Each year members of the SEA portray these qualities in different ways. They attend the Student Education Association which meets in March in conjunction with the Miss. Education Association. At regular meetings of the SEA the students participate in panel discussions involving subjects of interest and of value to future teachers.

From time to time, the students have the opportunity to hear speeches by different educators. Mrs.

## Rites For Mrs. Charles Norman

Services for Mrs. Charles Leo Norman of Fulton, who was employed in a supervisory capacity by Itawamba Manufacturing Company for a number of years, were held at 3 p.m. Sunday in Baldwin Methodist Church with the Revs. Roy McAllilly, John Millsaps, and W. V. Stokes officiating. Burial was in Baldwin Masonic Cemetery with Waters Funeral Home in charge.

Mrs. Norman, the former Miss Eura Grisham, died at 8 p.m. Friday in Tupelo Community Hospital where she had been a patient for a week.

She was employed at the Tremont plant of Itawamba Manufacturing Company, of which her husband is superintendent, for a number of years before recently going to the Fulton plant of the company.

Prior to moving to Fulton, she had resided in Baldwin and Booneville area.

Members of the Northeast Department of Education and Psychology are Mrs. Eva Eskridge as chairman, and Mr. E. J. Goddard, Jr.

ville. She was a member of Fulton Methodist Church.

Active in her leadership in Booneville, Mrs. Norman served as president of the B. & P. W. Club and the Wesleyan Service Guild. She was a zealous member of the MSCS and was ardent in her participation in the various civic drives.

Mrs. Norman leaves her husband; a daughter, Mrs. Keith Rowland of Memphis; a son, Dean Norman of Fulton; her father, W. M. Grisham of Baldwin; three sisters, Mrs. Elizabeth Bryan of Baldwin, Mrs. Guy Barnes of Arlington, Va., and Mrs. Bob Cappleman of Baldwin; two brothers, Al Grisham of Baldwin and Dean Grisham of Nashville, Tenn.; and one grandchild.

Those attending the services from Booneville were Mr. and Mrs. Herschel Thomason, Mr. and Mrs. L. L. Bethay, Mrs. W. V. Kemp, Mrs. Mae Smith, Mrs. Myrtle Stephens, Mr. and Mrs. Milton Grisham, Mrs. Claudia Price, Mr. and Mrs. Myrl Walden, Mrs. Thomas Moore, Mrs. R. G. Houston, Mr. and Mrs. W. C. Milner, Mrs. Malone Cartwright, Mr. and Mrs. Dewey Martin, Mrs. Dora Moore, Miss Mary Hobson, Mr. and Mrs. Homer Williams, Raymond Spencer.

## Mr. Stennett Thanks People

Friends, words are inadequate to express my appreciation for the fine vote you gave me in the first primary for the office of Justice of the peace of the first district to fill the unexpired term of the late B. L. Anderson. Your expression of confidence in me makes me feel very humble.

I am glad to say that nothing but the highest standards of conduct surrounded this race. It was a clean race run by nine honorable candidates. The fine lady, who opposed me was indeed an example of unselfish public spirited womanhood. I am fortunate to have had this happy association.

To those who voted for my opponents in the first primary, I have nothing but the highest respect, but as the field has been narrowed to two candidates in the runoff scheduled for February 16, 1966, I would appreciate your earnest consideration. As I have said before, I am no new-comer to the first district of Prentiss County. I was born and reared in the first district. I have remained here with the exception of the time that I was in the service of our country.

The first district of Prentiss County is home to my good wife, my sons, Freddy and Benny, and to me. You, my friends and neighbors, have

been good to us.

If elected, I pledge to repay your confidence in me by giving fair, impartial, and honest decisions. As justice of the peace of this district, I would be ever mindful of this office. The law and the evidence will be carefully weighed and decisions of the court will lend dignity and honor to the office. If elected, I promise you, the people, that it will be my sincere objective to be an honest, worthy justice of the peace for the first district of Prentiss County.

Very truly yours,  
Woodrow Stennett

## Display The Flag On Feb. 12 and 22

Mrs. Arthur B. Schultz, Flag Chairman of Natchez Trace Chapter of the Daughters of the American Revolution, requests all citizens in their home and in the business section to display the flag on the 12 and 22 of this month, which are the birthdays of the first and the sixteenth presidents, of the United States, George Washington and Abraham Lincoln.

Your patriotic spirit will be emblematic of the vitality and freedom we enjoy as citizens of the United States. In this way, we contribute to the growth of our American heritage and develop finer citizens for future generations, through honoring these patriots.

## Social Security News Notes

If you are 65 or soon will be, it's extremely important that you get the facts about Medicare. According to Hugh Tigrett, District Manager, Social Security Administration, there are deadlines coming up which can have considerable effect on the protection you have.

Tigrett stated further that health insurance has two parts: hospital insurance and medical insurance.

In discussing the hospital insurance he had this to say: "Beginning July 1, almost everyone age 65 or over will be eligible for hospital insurance. If you are already receiving social security or railroad retirement benefits, you don't even need to go to the Social Security Office. Sometime before long you will receive an identification card. If you are 65 or over but aren't receiving social security or railroad retirement benefits, the hospital insurance is not automatic. You must make an application and establish that you are at least 65 years of age. You don't have to have any social security credit to be eligible for the hospital insurance part of Medicare."

Mr. Tigrett continued by saying that: "If you qualify for the hospital insurance, you will get help starting July 1 in paying for hospital charges up to 90 days, outpatient hospital diagnostic services, home health care services and, starting in 1967, some skilled nursing home care. The insurance won't pay all your expenses, but it will pay most of these costs. You can get information on exactly what benefits hospital insurance pays by asking your social security office for a free booklet which explains the program."

In explaining the medical insurance part of Medicare, Tigrett stated that: "The Medicare insurance program also starts July 1st, but in order to be protected at that time you must enroll in advance. It is not automatic for anyone; in fact, if you were 65 or older before January 1, 1966, you must sign up for medical insurance by March 31 or you may not be able to get this protection before 1968. It's very important that you learn what medical insurance offers and what you must pay if you enroll. Just as hospital insurance only pays part of the hospital expenses, medical insurance does not pay all doctor bills and other expenses. When you enroll for medical insurance you agree to pay a \$3.00 monthly premium for this insurance. The Government also pays \$3 a month for your protection."

"Let me add one note of caution," Tigrett said. "Even if you sign up for both parts of the Medicare Program, you should not drop your present health insurance plan until July because Medicare does NOT go into effect until then."

MANY GARDEN JOBS  
DONE IN FEBRUARY

are many garden chores that must be gotten out of the way before the warm days get here. Pruning our most severe winter month, is one of the most important garden activities for February. Evergreen

and deciduous shrubs that flower in the summer should be pruned this month. More camellias are planted in February than during any other month, mainly because prospective buyers are able to see the plants in bloom and make selections they like best. In the field of hardy plant life, almost anything can be grafted in February that can be grafted at all. It is an especially good month for grafting camellias.

Plans and Specifications are on file in the office of the Chancery Clerk, Prentiss County, Booneville, Mississippi, and the State Aid Engineer, Jackson, Mississippi. Plans and proposals may be secured from Leland B. Cook, County Engineer, 703 Crossover Road, Tupelo, Mississippi upon payment of \$10.00 which will not be refunded.

Certified check or bid bond for five percent (5%) of total bid, made payable to Prentiss County and the State of Mississippi must accompany each proposal.

Bidders are hereby notified that this project may be bid in combination with State Aid Project No. 59 (17), New Site-Burtons Road. Joint bids on these contracts must be tendered in compliance with requirements included in the proposal for each contract.

Bidders are hereby notified that any proposal accompanied by letters qualifying in any manner, the conditions under which the proposal is tendered will be considered an irregular bid, and such proposals will not be considered in making the award.
