Enrollment At Northeast JC Reaches All-Time High As 1,000 Mark Passed

The Office of the Registrar at Northeast Mississippi Junior College announces that registration at Northeast has reached an unprecedented high in student enrollment for the second semester term of 1965-66. Registration has gone well over the thousand mark which is the largest enrollment in Northeast's 18-year history.

Approximately 500 full-time freshmen students have been enrolled for the second semester term at Northeast. Full time students are classified as those taking 12 hours or more of college accredited work. Sophomore returnees and transfers have totaled approximately 300 students for second semester.

Special students, or those taking

less than 12 hours of work totaled approximately 25 which puts the enrollment total over the 800 mark. Students enrolled in the evening academic work, vocational evening and day classes, and Miss. State Extension classes comprise over 200 students which together with full time students, gives Northeast its record enrollment.

Crippled Children Or Adults Are Urged To Contact Easter Seal Society

"There are far too many crippled people even in this enlightened day and age who need help and aren't getting it," according to Mrs. Clyde Jones, Easter Seal Chairman.

She asked that anyone who knows of a crippled child or adult who is "suffering in silence" suggest to that person's family that the Easter Seal Society has extensive rehabilitation services available—or report the need for help to the Easter Seal Society.

There are three reasons why a handicapped person might not be receiving needed treatment, Mrs. Jones said. They are: (1) He doesn't know that facilities are available; (2) he or his family clings to the old fashioned idea that a crippling condition is shameful; (3) he has little money and doesn't want to accept "charity."

"We urge any person with a handicap to bring a relative or friend and let us help him find the help he requires," she said.

"As for compunctions about accepting charity, the Easter Seal So-

ciety believes that every patient or his family should be given the opportunity to contribute to his rehabilitation even if it is only a token. However, on the other hand, those who cannot pay will receive the same treatment at no cost."

The campaign started on March 1 this year and continues to Easter Sunday, April 10.

Mrs. Jones urges parents, doctors, nurses, clergymen, and other individuals and organizations to refer handicapped persons in need of assistance to the Prentiss County Chapter of Easter Seals, which is one of 1,426 affiliates of the National Society for Crippled Children and Adults fighting crippling on National, State and Community levels.

Pisgah RCDC To Meet

The Pisgah RCDC will hold its regular meeting on Friday, March 25 at 7 p.m. All interested persons are urged to attend. Refreshments will be served.

Band Concert Monday Night

The Booneville Band will have a concert Monday night, March 28th beginning at 7 o'clock at the High School Auditorium. There will be no admission, but any contribution will be appreciated. Everyone is urged to attend and support the band.

Following the concert, a business meeting of the Band Parents will be held.

On April 6th, the Band will participate in the State Band Festival in Jackson, Miss.

George McGreger, band director said, "The band is looking forward to the trip to State Band Festival and I feel that we will gain much needed experience by participating in the festival at this time. We are a young band, composed of 21 8th grades, 11 freshmen, 9 sophomores, 2 juniors and 4 seniors. Most of this group has never participated in a State Band Festival and we are anticipating seeing how well we play under pressure."

Rate Increase For Postal Services

Increases in money orders, insurance, registry, certified mail and COD rates will become effective March 23, 1966 Postmaster J. K. Lindsey said today.

The cost of operating these five special services now exceeds revenues by \$60 million annually. The fee increases will narrow the cost-revenue gap by \$36 million, based on business handled in Fiscal Year 1965.

Fees for money orders, registry and COD were last changed in 1961, insurance and certified mail in 1957.

The fee changes, announced in the January 11th Federal Register and confirmed in the register on February 25th, are put into effect under the existing administrative authority of the Postmaster General.

The increases include: MONEY ORDER FEES: Domestic and international money order fees will be increased by 5 cents.

INSURANCE FEES: The minimum fee bracket will be increased from \$10 to \$15 and the minimum fee will be 20 cents instead of 10 cents. The revised insurance fees will be as follows:

\$0.01-\$15 20 cents
15.01-50 30 cents
50.01-100 40 cents
100.01-150 50 cents
150.01-200 60 cents

REGISTRY FEES: The present 60 cents and 75 cents fees will be combined into a single fee at 75 cents for values up to \$100. Registry fees for articles valued in excess of \$100 will remain unchanged.

COD FEES: The present 40 cents and 50 cents fee brackets will be combined into one fee bracket at 60 cents for amounts up to \$10. There will be no change in the fees covering items valued above \$10.

CERTIFIED MAIL: The fee will be increased 10 cents from the present 20 cents per item to 30 cents.

Losses incurred in the operation of special services are paid from funds drawn from the Federal Treasury. The fee increases will shift a substantial portion of the special service cost borne by the public to the users of these services.

Booneville Golf Tournament Set For May 21-22

Tournament Chairman, Homer Guy, announces the third annual invitation golf tournament at the Booneville Country Club, which is set for May 21-22.

Mr. Guy said that invitations will go out into the mail next week. A field of 128 entries will be accepted for this annual affair.

This is the lead-off tournament for the area. Tupelo and Aberdeen Country Clubs will have competition for adults, and Ripley proposes to have its second annual outing for junior golfers.

Don Eubank On Planning Board

Don Eubank, local civil engineer, has been appointed by the Mayor and Board of Aldermen, to fill the vacancy on the City Planning Commission of the late D. L. Prichard.

The Planning Commission will meet Thursday night at the City Hall along with the members of the City Board and engineer Leiland Cook. In addition to Mr. Eubank, other members of the City Planning Commission are Mrs. W. H. Anderson, chairman, Kenneth Pounds, Joe Walden and Mrs. Ed Johnson.

Mayor Smith reports that Mr. Cook is presently working on zoning ordinances.

City representatives also plan to go to Atlanta, Ga. on March 31st, relative to the Water and Sewer project.

Community Fund Annual Meeting And Election Is Held Tuesday Night

That the first year of the Prentiss County Community Fund has been a tremendous success, was the unanimous opinion of the officers, directors and others attending the annual meeting and election held Tuesday night at the Prentiss County Electric Power Association building.

Reports were given by each of the directors and from some of the various division workers on its very great advantage over individual fund drives. B. G. Horton, administrator of the Northeast Mississippi Hospital, said that the hospital was almost 100 per cent and that they had given more this year than ever before. Identical reports were given by the heads of several industries.

R. J. (Piggy) Bonds, president, said however, "I believe we will need more campaign workers in every field, even though the industries were probably better organized than other divisions."

Success of the campaign was also evidenced by the fact that while the goal for the first year was \$22,500, almost \$24,000 was pledged. It was also pointed out, though, that several persons have not yet paid their pledges for the past year and it is extremely important that they do so before this year's campaign opens.

The report showed that \$23,723.01 was pledged for the 1965-66 campaign, and that \$18,496.83 had been collected for the period ended February 28, 1966. A total of \$16,

256.44 has been paid to the charitable organizations which the fund supports and for all other expenses, leaving a cash balance of \$2,240.39. The fund still owed \$2,843.41 to supported agencies, and had still to be collected \$5,227.18 from pledges and payroll deductions.

The local fund is now affiliated with the United Funds and Councils Organization, the national organization, which should enable the officers and directors to better

organize and conduct future campaigns.

Eight new directors were elected to replace those whose one-year term is expiring. They are Dillard Light, Dr. W. H. Preston, A. J. Pitts, Ralph Goodman, Robert Cox, Dr. D. F. Crowe, Dr. Walter Simpson and Wayne Hunter. The board then went into session to elect the executive committee and named Emmons Turner, president; Mrs. W. M. Murphy, vice president; Ken-

neth Lindsey, secretary; and Wallace Poole, treasurer. The new officers officially assume their duties at the beginning of the new fiscal year May 1.

The committee appointed John Walden as drive chairman for the new year and Ed Johnson was named publicity director.

The executive committee will meet again April 5 to make further plans for the campaign drive beginning May 1.

PLAN UNITED FUND CAMPAIGN — The annual meeting and election of the Prentiss County Community Fund, now affiliated with the national United Fund organization, was held Tuesday night. Pictured are from left, seated: Emmons Turner, new president; R. J. (Piggy) Bonds, outgoing president; Mrs. W. M. Murphy, vice president; and Mrs. Don Williams, executive secretary. Standing are three of the new directors, Dillard Light, Dr. Walter Simpson and Ralph Goodman. Kenneth Lindsey was elected secretary and Wallace Poole, treasurer. Other new directors elected are Dr. W. H. Preston, A. J. Pitts, Robert Cox, Dr. D. F. Crowe and Wayne Hunter.

Beekeepers Club To Meet Tuesday Night

The 4-H Junior Beekeepers Club will meet Tuesday night, Mar. 29 at 7 o'clock in the County Agent's office.

Anyone interested in beekeeping is invited and urged to attend this meeting.

Securing equipment and other timely subjects will be discussed at this meeting.

There is a great potential in beekeeping in this area and anyone interested is urged to attend.

Returning from last year's team are Garner, Walden, Weeks, Martin, Hal White, Nabors, Oakes, Fulghum, Barron, Dickerson, McKinney, Young, Don and Mike Guy and Tollison.

Coach James Drewry said, "Most of spring practice has been learning fundamentals. We've tried to move the boys around to find the position for which they are best suited. Coach Brown and I have been pleased with the progress of the boys, so far, in spring training."

The 1966 schedule is: September 2, Selmer, Tenn.; Here Sept. 9, Baldwin, Here Sept. 16, Okona, There Sept. 23, Kossuth, Here Sept. 30, Shannon, There Oct. 7, Calhoun City, Here Oct. 14, Nettleton, There Oct. 21, Fulton, Here Oct. 27, Lafayette High, There Nov. 4, South Tippah, There.

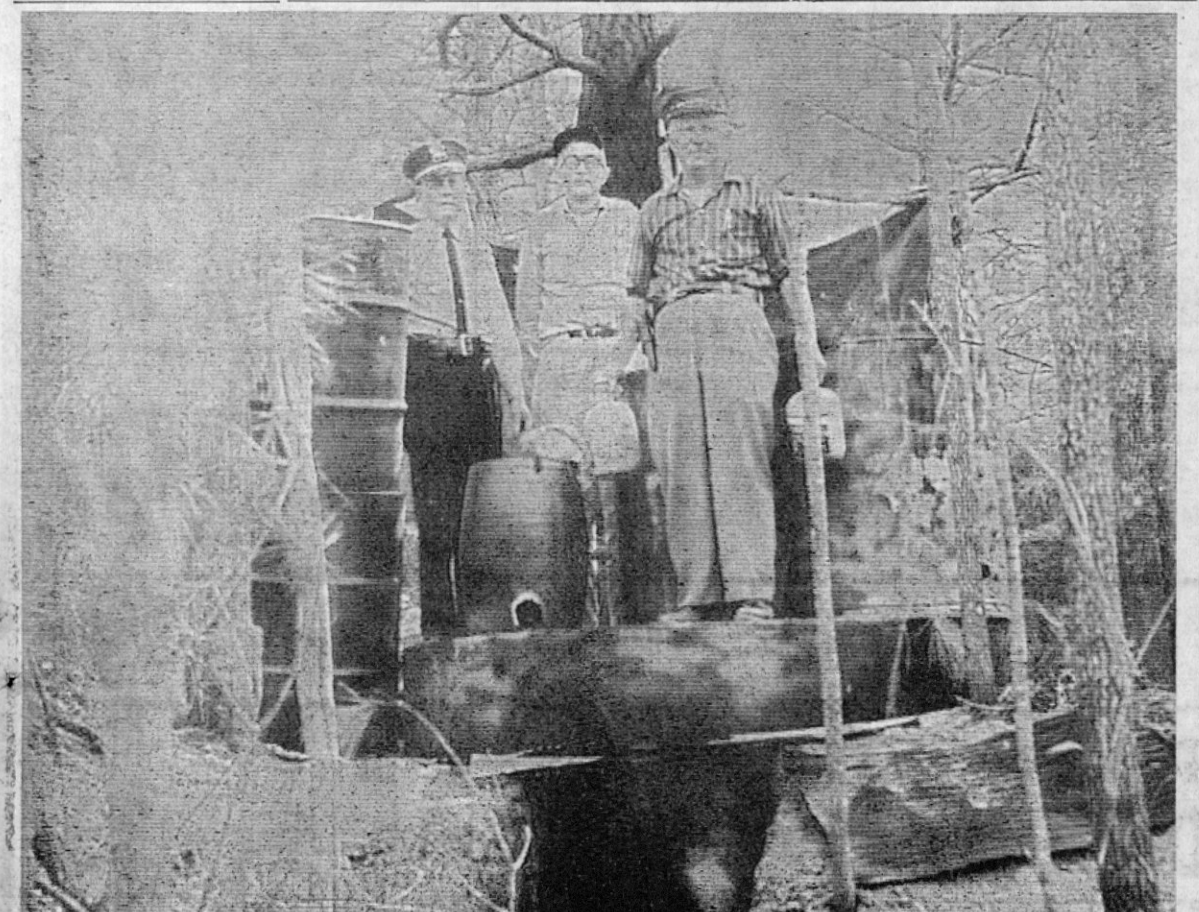

Revival At Calvary Baptist Church To Begin Sun. Night

The pastor and members of Calvary Baptist Church, Booneville, extend to everyone an invitation to attend the series of revival services which begin on Sunday night, March 27th, and continue through Friday night, April 1st.

Services will be conducted each evening at 7:00 o'clock.

Rev. Bobby Burgess, pastor of Iuka Baptist Church, will be the visiting evangelist. The music program will feature local talent, under the direction of Charles Crabb, music director for Calvary, and Martha Presley, pianist.

The Nursery will be open during each service.

STILL IS DESTROYED — G. S. Sparks and Chester Ward, constable and justice of the peace of the Fourth District, located and destroyed this large still Tuesday. It was in the edge of Prentiss County, approximately 18 miles southeast of Booneville, and only about three miles from the Tishomingo County line. Four men were picked up near the still but later released. Pictured at the still are, from left, Booneville Policeman J. B. Whitehead, Judge Ward and Constable Sparks.

Large Still Is Destroyed In County's Fourth District Tue.

Officers of the fourth district of Prentiss County located and destroyed a 600-gallon capacity whiskey still Tuesday in the eastern edge of the county approximately 18 miles from Booneville. Four men were picked up near the still and held for questioning, but were later released.

Constable G. S. Sparks and Justice of the Peace Chester Ward found the still Tuesday morning. The officers said that Still Hardin

of Route 2, Vina, Ala., and Carmon Underwood of Route 1, Spruce Pine, Ala., were picked up near the still and that Loyd Ralph of Route 6, Booneville and Bob Carnal of Booneville were coming in to the still with a car loaded with kerosene, gasoline, and gallon glass jugs. All four were later released after the officers had conferred with A.T.U. agents.

The still was in a valley about a mile and a half from a gravel

road. It was reached by a rough field road most of the distance, then a path for about 500 yards to the location on a small spring ditch.

The 600-gallon cooker was full of ripe mash and the still was set up and ready to run, the officers said. They brought the "worm" and other vital parts with them to Booneville Tuesday morning and went back Tuesday afternoon to destroy the rest of the still.

Corority Members Study Spring Hair Styles In Memphis

Alpha Tau chapter of Epsilon Sigma Alpha met recently at the home of Mrs. Richard Lawrence, 422 Wisteria Drive in Memphis. The home was decorated in a patriotic theme in honor of George Washington's birthday.

The dining table centerpiece was a cherry tree. The hostess served velvet cake and cherry coconut bars with coffee.

Miss Margaret Ann Davis, formerly of Booneville, and Miss Carolyn Reddick of Lamar Plaza Beauty Salon presented an interesting program featuring new spring hair styles. They also demonstrated how to comb hair styles for daytime and evening wear. Two wigs were on display and a short talk was given on how to care for a wig.

During a business session, members voted that "Card Day" with luncheon would be held at the A. Lightman Bridge Club March 23. Proceeds are to be used for Applied Children's Hospital.

Miss Davis is the daughter of Mr. and Mrs. Ward Davis of Booneville.

BRIDAL SHOWER—Miss Mary Ethel Scruggs, bride-elect of Roger E. Russell of Amory, was honored at a miscellaneous bridal shower Saturday afternoon at the Town Motel. Shown left to right are Carolyn Huddleston, Mrs. Jerry Davis, Mrs. Jessie Russell, Miss Scruggs, honoree, Mrs. Richard Scruggs, Mrs. J. Paul Richie, Gloria Dixon, Barbara Olive and Carolyn Walden.

Miss Mary Ethel Scruggs Is Honored At Bridal Shower

A miscellaneous bridal shower honoring Miss Mary Ethel Scruggs, bride-elect of Roger E. Russell of Amory, was given at the Town Motel, Saturday afternoon, between the hours of 3 and 5.

Mrs. Jessie Russell of Amory and Mrs. Richard Scruggs of Booneville, mothers of the couple, received with the honoree, who was wearing a two piece pink linen suit, with a white carnation gift corsage.

The refreshment table, overlaid with a lace cloth, featured an arrangement of daffodils, forsythia, and bridal wreath. Two candelabras were placed at each end of the table.

The guests enjoyed individual bridal cakes, punch, mints and nuts, decorated in the color theme, which prevailed throughout the hospitality.

Hostesses for the event were Carolyn Huddleston, Mrs. Kimble Bolen, Mary Clyde Prichard, Diane Martin, Mrs. Jerry Davis, Mrs. Jimmy Miller, Mrs. Jerry Barber,

Carolyn Walden, Gloria Dixon and Barbara Olive.

A beautiful collection of gifts were displayed for the guests to view on the background tables in the private dining room.

Out-of-town guests were Mrs. Jessie Russell of Amory, Mrs. Danny Harris of Starkville, Mrs. Ebb Loden of Tupelo, Mrs. Clarence Riley and Mrs. Herman Easterling of Sallito. A special guest was Mrs. J. Paul Michae, grandmother of the bride-elect.

The wedding will be solemnized on Friday, April 8th at 7 p.m. in the Presbyterian Church. No invitations are being sent, but friends and relatives of the couple are invited.

Many western movies were made near Kanab, in southern Utah, because of the picturesque scenery there.

The Federal Housing Authority was created in 1934.

Mississippi Made Brand Directory

Revision of a directory listing the brand names of products manufactured in Mississippi has been launched by the Colonel MIM Association, announced Alvin P. Flannes of Jackson, Col. MIM President.

Questionnaires are being sent to over 2,000 Mississippi manufacturers requesting trade names of the products each manufacturer and the address of the nearest sales office where a Mississippi retailer or wholesaler can purchase these products.

"The directory will be used by Mississippi business firms who participate in the Buy Mississippi Products program of the Missis-

issippi Marketing Council," said Flannes.

Last year the first directory was published by the Money In Mississippi organization with some 1500 products listed. The new directory is expected to be published in the late spring.

"This directory is the first complete publication devoted to acquainting Mississippians with the trade names of products produced in our State," said Flannes.

THE GUILD CORNER

The Wesleyan Service Guild Annual Meeting at Wood Junior College was attended by five members of our local unit: Miss Vessie Ferrell, Miss Mary Hobson, Mrs. Studie Loveless, Mrs. Dora Moore and Mrs. Mae Smith.

On Monday night the Guild enjoyed meeting in the home of Mrs. Lillie Breazeale with Mrs. Thelma Rogers as co-hostess. After a short business meeting Mrs. Maxine Yates led the group in a devotional period and Miss Mary Hobson presented the program concerning problems with ecumenicity around the world and at home. The meeting was closed with prayer by the president, Mrs. W. V. Kemp.

A high point of the evening came as Mrs. Claudia Price was honored with a surprise shower of birthday gifts. Mrs. Price, long a member of the Guild and a former president, is now a member of the Woman's Society of Christian Service and Guild Coordinator.

Science Department Is Represented At Ole Miss Lecture

Mr. H. H. Daws, Chairman of the Science Department at Northeast Mississippi Junior College, attended the March 17 lecture at the University of Mississippi. The lecture, part of the Victor Adline Coulter Lectureship, is an annual affair in honor of Dr. Coulter, who was Professor of Chemistry and Dean of the College of Liberal Arts at Ole Miss for many years. This year's lectures were given by Dr. Charles W. Shoppee, Professor of Chemistry at the University of Sydney in

Sydney, Australia.

Professor Shoppee has won international acclaim for his work over many years especially on the chemistry of the steroids and triphenyl, and the mechanism of homeolytic reactions. He won the Ph.D. and D. Sc. degrees at the University of Leeds from 1929 to 1939. As a Rockefeller Research Fellow, he went to the University of Basle, Switzerland, to work in collaboration with Professor T. Reichstein (later the Nobel Laureate of 1950).

Professor Shoppee is no stranger to the United States. He was a Visiting Professor at Duke University in 1963, and this year he is Visiting Professor at the University of Georgia which made it possible for him to come to Ole Miss for the Coulter Lectures.

Mr. and Mrs. Jerry Harvey Given Cordial Welcome By First Baptist Church

The Music Committee of First Baptist Church, Messrs. Kimble Bolen, L. H. Oakley, Toye Hill, W. C. Eaker, Mrs. Charles Maddox, and Mrs. Elzie Deaton sponsored a pantry shower for Mr. and Mrs. Jerry Harvey on Sunday evening. Mr. Harvey is the new Minister of Music, Education and Youth.

The shower and reception for the couple who are talented additions to the church life of Booneville was held after the evening worship, in the Fellowship Hall of the church, with Mrs. Nelson Baldwin in charge of arrangements.

The lace covered table was centered with springtime freshness, a large bowl filled with daffodils and thunbergia spiraea. Placed at the sides were two silver three branched candelabras to enhance the lovely design.

Mrs. Baldwin served yellow fruit punch from a silver bowl at the end of the table with a delicious variety of cookies. Mrs. Allan Norton and Mrs. H. G. Ewell assisted Mrs. Baldwin.

Welcome remarks expressive of warm cordiality and good will were made by Mayor Marion Smith, who presented the keys to the City to the couple. Mrs. E. O. Roden, vice-president of the WMU, Lex Houston, president of the Baptist Brotherhood, Nelson Baldwin, chairman of the Personnel Committee, E. E. McCoy, Sunday School Supt.

H. H. Daws, Chairman of the Board of Deacons, George Ed Houston, Training Union Director, and W. C. Eaker, Associate Chairman of the Music Committee. Each of the leaders pledged their cooperation with Mr. Harvey.

Everyone is cordially invited to come and hear this young man sing and worship in the services of First Baptist Church at any time.

A full choir program will be under way by April 6. On this day a choir for primary children, ages 6-8, will begin at 3:00 to 3:30 p.m. and a junior choir will also be held on that day (ages 9-12) from 3:30 to 4:15 p.m. Parents will be expected to make arrangements to pick up their children or see that they get home.

Mr. and Mrs. Harvey are making their residence at 102 Felker Street.

They stated that the truck did not turn over on him, but that his brother-in-law, Homer Hare, who was driving, lost control.

Regulation Made On Wig Styling

The Mississippi State Board of Cosmetology has adopted a regulation declaring the dressing of wigs to be the practice of hairdressing, and that the performance of this service to the public is the practice of Cosmetology.

Evelyn Wilburn, President of the State Board, said "The growing acceptance of wigs and similar hairpieces has made it necessary for us to bring this practice under the control of the State Board of Cosmetology for the protection of the public."

The new regulation declares that a person must be a licensed cosmetologist to dress, set, arrange, or style a wig, wiglet or hairpiece made of human hair or synthetics. The regulation further states that the dressing of a wig, wiglet or hairpiece made of human hair or synthetics.

Mr. Wilburn explained that the mere sale of a wig is exempted from the provisions of the regulation, provided it is not fitted, dressed or arranged by the seller. The rule will require the fitting, styling and arranging of wigs to

be accomplished only in a licensed beauty salon. Under the provisions of the regulation, any shop or department store which now sells or would propose to sell wigs in the future may make application for and receive a beauty salon license which would then permit them to style and arrange wigs.

State beauty salons are strictly regulated and sanitary conditions are enforced in order to protect the general public. This was the reason the State Board was forced to take action in bringing the styling of wigs under its control. The State Board can now insist on sanitary conditions with reference to the styling and dressing of wigs in order that the public might be fully protected.

the new PATIO GAS GRILL

MAKES COOKOUTS ALL FUN

... NO WORK!

Bring your patio up-to-date with the newest idea for fun-loving, hospitable families — the Patio Gas Grill. Now you're ready for a cookout at the drop of a hint — or the drop-in of a guest!

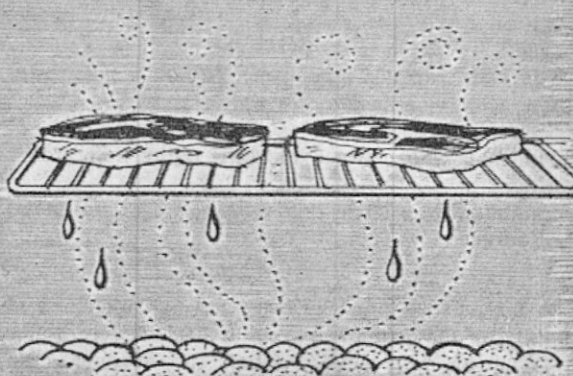

No old ashes to clean up, no charcoal to haul, no fire-starters needed, no waiting for coals to burn down to the right cooking temperature. The Patio Gas Grill lights instantly, adjusts instantly to the heat you want, uses clean ceramic briquets that eliminate all the "dirty work" of charcoal cooking.

And with this new grill you get all the true "charcoal flavor" that makes outdoor cooking so delicious. Surprised? Charcoal flavor without charcoal? Read on.

HOW DO YOU GET "CHARCOAL FLAVOR" WITHOUT CHARCOAL?

PROFESSIONAL CHEFS KNOW THE SECRET

They know that charcoal itself has neither odor nor flavor. (If you don't mind a little dirt, make the "sniff-test" and see for yourself.)

What we call "charcoal flavor" is really the result of meat fat and juices dripping on hot coals or briquets. As they are converted into smoke, the smoke rises with the heat and penetrates the meat or whatever else is cooking on the grill. This is the way the char-broiled steaks of famous restaurants are cooked. Now you can cook the same way with the same luscious results right on your own patio.

Poison Prevention

While everyone should always exercise the proper precaution to prevent poisoning, the fact that many too often get careless and for this reason the week of March 20-26 has been designated as National Poison Prevention Week to emphasize the dangers of accidental poisoning and the measures that can be taken to prevent needless death and disability, needless suffering and anguish.

Poisoning accidents are on the increase in Mississippi. The latest figures show a 33 per cent increase in poisoning deaths over the previous year. At the same time approximately 11,000 injuries and illnesses resulted from poisoning accidents — many leaving permanent disabilities.

Dr. N. C. Knight, Sr., Director of Accident Prevention for the State Board of Health, said at the yearly death toll from accidental poisoning is more than twice that from diphtheria, whooping cough, polio, typhoid fever and tetanus combined.

The most vulnerable age group is the helpless little folks, with 27 per cent of the victims under five. Another 15 per cent of the fatalities were in the senior citizen group from 65 and over.

But a surprising and dismaying fact is the

large number of accidental poisoning deaths in the young and not-too-old adult groups in Mississippi. The number of fatalities for young adults from 25 to 34 was almost equal to that for the senior group, and the same holds true for the 35 to 54 and the 55 to 64 age groups.

One of the reasons given is that industrial and scientific advances have multiplied the accidental poisoning problem by the introduction of an increasing number of potentially dangerous cleaning, gardening and medical products that facilitate housework and gardening and generally promote well-being.

However, the lack of awareness about the potential hazards of many of these seemingly harmless products results in carelessness in their use and storage.

Medicines cause more than half the accidental poisonings in children every year, and these, along with the "kitchen killers" — such as detergents, ammonia, silver polish, disinfectants, room deodorants and insect poisons — should be kept out of reach, preferably under lock and key.

And everyone should carefully read the labels on all household, gardening and farming products and observe the precautions that are written there to protect the user. Even one accidental poisoning is too many.

Associational WMU To Have Meeting On March 25

Mrs. W. Ralph Davis

The Associational Woman's Missionary Union Spring Meeting will be held with the First Baptist Church in Booneville, March 25th, at 7:00 p.m. All ladies are urged to attend this meeting.

Before the WMU meeting begins the YWA will be meeting for an hour (6:00 p.m. until 7:00 p.m.) with Missionary, Mrs. W. Ralph Davis, who is also to be the featured speaker for the WMU meeting.

Mrs. Davis, a Southern Baptist missionary to Nigeria, may frequently be found "cruising down the river." But it's all in the line of duty. Adviser for women's organizations for 56 Baptist churches and preaching stations in Nigeria's Eastern Region, where rivers and creeks abound, she often travels by canoe as she goes about her work. "Our most distant river church is 12 hours by canoe," she says.

She and her husband, who is missionary adviser for the Buguma-Port Harcourt and Ikwere Baptist Associations, are stationed in Port Harcourt, in addition to working with the women's organizations of the churches, she teaches weekly classes in reading and writing for women. She also teaches in an annual training institute for pastors.

Prior to July, 1964, she was a nurse at the Baptist Boys' High School, Port Harcourt, where Mr. Davis was principal. They served in the school for 14 years. A fellow missionary says Mrs. Davis won a reputation for being "approachable" and thus became the confidant of many of the students. A missionary homemaker, she has two children, Nan and David.

The former Joyce Merritt, of Forrest County, Miss., Mrs. Davis is a graduate of the school of nursing at Methodist Hospital, Hattiesburg, Miss., and of Mississippi Woman's College (now William Carey College), also in Hattiesburg, where she received the bachelor of arts degree. Before going to Nigeria she was a private duty nurse and floor supervisor at Methodist Hospital and campus nurse at her college.

Mrs. Davis' youngest brother, Rev. John W. Merritt, was appointed a Southern Baptist missionary to Italy in 1964. She also has a missionary cousin, Rev. Dewey E. Merritt, who serves in Nigeria.

Fire Department Makes Report

The Booneville Fire Department answered a call on Friday night at 10:15 to a house trailer belonging to Lighting Neely on Smith Street. Neighbors reported they heard an explosion and saw the trailer on fire. It was damaged considerably.

Saturday, at approximately one o'clock, the Fire Department answered a call to a grass fire at Archie Burcham's farm, north of Jumptown and saved a barn and house from burning. Returning from that fire, they went straight to a grass fire at Doyle Hamblins, east of the Big V; the fire destroyed two sheds there.

Sunday at 2 p.m. firemen went to Ira Johnson's house to extinguish a fire. Not much damage was reported. At 4 p.m. they answered a call for a grass fire at the Grace Methodist Church.

Monday, the firemen received a call stating that B Wing of the Northeast Mississippi Hospital was on fire and smoke was everywhere. After the firemen got their hose, fire extinguishers, etc. inside the building, they found that it was a false alarm.

Monday afternoon, the Fire Department answered a call to the farm of Mrs. Charles Moore near Jumptown. A tractor shed had caught fire from a grass fire. She donated \$50.00 to the Volunteer Fire Department for the quick services she received because they saved the tractor shed and barn which housed much farm equipment.

They also answered a call to a grass fire at the home of Mrs. Jewel Rhodes on Monday afternoon. Everyone is urged to be extra careful during the windy season about setting grass or anything on fire.

Just Scribbling

MRS. ED JOHNSON

Twice this week I've heard this woe! First, in a grocery store, the owner said, "Prices keep going up a few cents a case. We're trying to hold our prices down, but if it doesn't stop, naturally we'll have to raise our prices."

Then a merchant, discussing dry goods, said the very same thing. Inflation is being felt now! Hesitantly, I'll go along with the Vietnam situation, but our Great Society bit should wait a while.

I am indebted to Virgie Dean, formerly of Booneville and now of the Creek, Michigan for the following poem entitled, "Seman-ces".

Call a woman a kitten, but never a cat;
You can call her a mouse, cannot call her a rat;
Call a woman a chicken, but never a hen;
Or you surely will not be her caller again.

You can call her a duck, cannot call her a goose;
You can call her a deer, but never a moose;
You can call her a lamb, but never a sheep;
Economics she likes, but you can't call her cheap!

You can say she's a vision, can't say she's a sight;
And no woman is skinny, she's slender and slight;
If she should burn you up, say she sets you afire,
And you'll always be welcome, you tricky old liar!

From Guideposts, I read about the TEN MOST WANTED MEN. The man who tries to be the right example to every child rather than talk about it.

The man who has a passion to help rather than a passion to be helped.

The man who is willing to say, "I was wrong. I'm sorry."

The man who will look at temptation squarely and say, "No."

The man who puts God's business above any other.

The man who throws himself totally into a project, then gives the credit for its success to his helpers.

The man who has a ready smile and a pat on the back for others.

The man who brings his children to church rather than sending them.

The man who can see his own faults before he sees the faults of others.

The man who gives his money, time and talent without thought of return.

A boy rushed into the drug store. "Quick," he shouted. "My pop's hanging by his pants leg from a barbed wire fence."

"What do you need?" asked the druggist. "Do you want some soap - or first aid supplies?"

"Oh, no," said the lad. "Just give me another roll of film for my camera."

Two psychiatrists, one 30, one 70, were riding down in an elevator on a hot sticky day. The young psychiatrist looked really beat and one in. He said to his older colleague, who was looking calm, cool and quite refreshed: "I don't see how you can listen to those terrible, growing, heart-rending personal histories that your patients recount all day and still be so relaxed."

The elder analyst shrugged. "Who listens?"

Our two sons went fishing at Guntown Saturday afternoon. We were at a friend's house that night, and they came bouncing in with two large bass. Each one had caught one and each weighed five pounds, according to the scales at Prentiss Hardware. But I nearly lost my breath when they brought them in... not to the back door, but right smack in the front where the carpeting was. Fortunately, they had "dried out" some and weren't dripping.

When will Communism be satisfied? The books and statements give the answer: "Never, until the last free nation is no longer free." They are like the land-greedy farmer of the old story, who explained that he wasn't really greedy. He just always hankered to own all the land that adjoined him. It is important for us to remember that communist guarantees on treaties are worthless. All communist are trained to believe that they have a right to upset any agreement which stands in the way of international communism.

"When I look at this congregation," said the preacher, "I ask myself, 'Where are the poor?' And when I look at the collection plate, I ask myself, 'Where are the rich?'"

A miser is tough to live with, but he makes an awfully good ancestor.

A dotting mother was answering a complaint from the camp director that her son needed discipline. "Dear Director," she wrote, "Please don't slap my son Irving. He is very sensitive. Hit the boy next to him. That will scare Irving."

YOU DIE...

"Every Time You Take A Drink You Die A Little. Up to now you may have thought of yourself as moderate drinker, and, therefore, safe. But, for one thing, the idea that you are safe is a flat lie. ... Taking even the kindest definition of 'moderation', you are doing yourself progressive physical harm. ... Although the body has great regenerative powers, the cell of the brain and nervous system, once destroyed, are lost forever—and we know these are the cells affected, first and most potentially, by ethyl alcohol. Habitual drinking will cause lasting impairment to brain, nervous system and liver. ... More and more, physicians are revising their easy-going ATTITUDE toward 'moderate' imbibing. ... Every time we overimbibe, science believes, a certain amount of brain damage results. Even one drink affects the uppermost level of the brain, which is the center of restraint, inhibitions and judgment. ..."

5. The amount of authorized capital stock and particulars as to class or classes thereof:

Fifty Thousand Dollars (\$50,000.00) divided into Five Thousand (5,000) shares with Ten Dollars (\$10.00) par value. Further, the original shareholders specifically claim shareholder's preemptive rights on the original authorized capital stock issue. That it be specifically understood the original subscribers, whoever, shall claim preemptive rights in and to this original authorized stock issue. That should a party, not one of the original subscribers, be offered any number of shares, that each of the original subscribers shall receive a like offer in writing so that each original shareholder may have the option to subscribe to a like number of shares as being offered to the party not an original shareholder and this offer be valid for thirty (30) days for acceptance or rejection by the original subscriber after posted in the mail, special delivery, to the original subscriber, return receipt requested.

6. The sale price of capital stock is Ten Dollars (\$10.00) per share and authority is granted to the Board of Directors to fix or change such sale price. In no event shall the shares of this corporation be sold, or issued by it, for less than Ten Dollars (\$10.00). It is further provided that the par value of the aforesaid stock shall be Ten Dollars (\$10.00) on each share.

8. The purposes for which the corporation has been created are:

A) To erect, construct, to have erected, to have constructed, to acquire, own, purchase, exchange, rent, lease, mortgage, sell and otherwise dispose of, real estate of every kind and character, improved and unimproved, and any right of interest therein.

B) To take notes, deeds in trust, mortgages, evidences of debt, and any and all kinds of security, real and personal for money and/or debts due to the corporation, and to mortgage, pledge, sell, transfer, assign, and otherwise dispose of its personal property, the personal

property of said corporation, as deemed necessary.

C) To engage in the business of general manufacturing, to buy necessary equipment, to obtain necessary real property, to obtain necessary personal property, to do any and perform all acts necessary to engage in a manufacturing operation. In addition to other types and modes of general manufacturing, the corporation would more specifically have the right to engage in general manufacturing of plastic products and components thereof.

D) To conduct its business, carry on its operations, and have offices and exercise the powers granted by this act in any state, territory, district, or possession of the United States, or in any foreign country.

E) To implement and exercise any and all of the general powers given a corporation under Mississippi Code Section 5309-04 of the 1942 Mississippi Code Annotated and specifically enumerated in the 1954 Cumulative Supplement thereto.

To do and perform any and all acts or things necessary, desirable, convenient or incidental to the exercise and attainment of the objects and purposes therein above set out, or any part thereof, not contrary to law.

11. We, the undersigned, for the purpose of forming this corporation under the laws of the State of Mississippi, do make, file and record these Articles of Incorporation, and do hereby certify that the facts herein stated are true, and we accordingly herein have set our respective hand and seals.

Dated at Buffalo, New York, this 28th day of February, 1966:

WALTER RUFF

BLACKLAND RCDC—Members of the Blackland RCDC met Monday night at the Community Center and viewed slides of Mrs. E. O. Roden's trip to the Holy Land. Shown left to right are Mrs. Archie Saylor, treasurer; Sue Ellen Tucker, secretary; Dalton Garner, president and Mrs. J. M. Geno, vice-president. Mrs. Roden is shown seated with some of her curios from the Holy Land.

Mrs. E. O. Roden Shows Slides At Blackland RCDC And 4-H Meeting

The Blackland RCDC and 4-H Club met Monday night, March 21 at the Community Center for the regular meeting with 19 Blackland families and four special guests from Booneville, present.

Mr. Archer and Miss Edwards met with the 4-H group and Mrs. Jettie Nunley made pictures of the officers of the club.

Mrs. E. O. Roden gave the devotional using the poem, "I Walked Today Where Jesus Walked" and closed with prayer, which set the mood for the "Imaginative Tour" of the Holy Land, London, France, Egypt, Jerusalem and many more places too numerous to mention.

Her clear descriptions made the slides really "come alive" and the club would like to express their sincere appreciation to her for taking time to show them to the members. They would also like to thank Mr. Archer, Miss Edwards and Mrs. Nunley for meeting with them.

A business discussion was held and a work day set. The date for the square dance was set for Thursday night, March 31 at the Community Center. Admission will be 50 cents. Jimmy Hill and his band will be in charge of the music. Everyone is invited. Refreshments were served at the close of the meeting.

Mrs. Tony Blythe.

Mr. and Mrs. W. P. Mays and Mr. John E. Hussey, Mrs. Mays' brother, are receiving a cordial welcome as new citizens of Booneville. They have bought a home at 102 Suburban Drive. Mr. Mays is distributor for the Lion Oil Co.

from a visit with Mr. and Mrs. Joseph Curke in Rienzi.

Attorney and Mrs. Joe Langston and children were in Laurel last week visiting Mrs. Langston's mother, Mrs. S. F. Wansley. The daughters, Cindy and Reeta went down on Wednesday returning with their parents on Sunday.

FUNDAMENTALS OF ACTING—A new addition to the Northeast Mississippi Junior College Speech Department is the course, Fundamentals of Acting. This course with Mrs. Jane Preston as instructor, is designed to teach the basic techniques of acting with emphasis on motivation for movement and emotion. Students enrolled in this class participate in various scenes from outstanding dramas. Shown above are Northeast students presenting scenes from "Our Town", by George Shaw. They are Gary Ballard, left, Booneville, choir director, and Charles Johnston, right, New Albany, stage manager. Members of the choir are from left to right seated, Judy Willard, New Albany; Dianne Freeman, Booneville; and Brenda Jaudon, Corinth. Standing left to right are Ronnie Hamilton, Corinth; and Ken Smith, Booneville.

SHE'S TRYING THEM ALL—Pretty Cindy Morrison, a 19-year-old coed at the University of Mississippi, may soon become one of the nation's leading authorities on the Armed Services. She's an "Air Force brat" who is serving as a sponsor of the Ole Miss Navy ROTC Unit and is taking a basic course in Army ROTC. Her father, Lt. Col. William D. Morrison, now stationed at Wright-Patterson Air Force Base, thinks all this is just fine—develops a well-rounded personality. Each service claims Cindy as their own.

DON'T FORGET THE MARCH 31 DEADLINE For MEDICARE Enrollment

The Tupelo Social Security District Office will be open from 8:30 to 4:30 Saturday, March 26, and until 9:00 P.M. each evening Monday, March 28, through Thursday, March 31, in order to offer every possible convenience to the public to enroll in the Medicare Program by the March 31 deadline.

These special office hours were announced today by Hugh Tigrett, District Manager for Social Security, who added, "Time is running out for those who were 65 or older on January 1 this year to enroll in the medical insurance program, and we are offering this service for those who find it difficult to contact us during regular working hours."

The Medicare Program includes a hospital insurance plan and a medical insurance plan. The hospital plan pays regular hospital costs (semi-private room), extended care and home health services. The medical plan pays on doctor bills, some ambulance services, rental of durable medical equipment, artificial limbs, diagnostic services outside a hospital and home health services without having been hospitalized.

The hospital insurance is free to almost all Americans 65 years of age or older and the medical insurance costs \$3.00 per month (plus \$3.00 contributed by the govern-

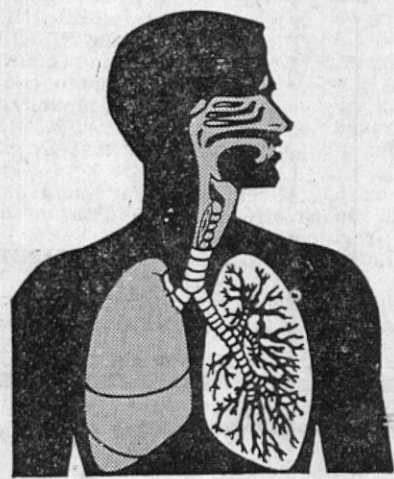

Seven Facts About Liquor Revenue

1. In Massachusetts a study showed that in one year almost five times as much money was paid out in state funds to meet the cost due directly to alcoholism as was collected that year in liquor taxes.
2. In 1963 the people spent 12 billion 500 million dollars for legal alcohol — four times as much as was spent for liquor the first year of legalization.
3. Liquor cost to public is 69¢ per person—Tax return and all forms on liquor is only \$18 per person.
4. Industry estimates alcoholism cost 28 million 600 thousand work days per year or more than one billion dollars lost.
5. The city of Atlanta, Georgia, is paying \$6.43 for each \$1.00 they get out of liquor.
6. Our nation spends three million a day for education and 34,200,000 dollars for liquor.
7. A little more than 1/5 of every dollar earned by the employed civilian in 1961 was required to care for the individual who drank liquor.

OXFORD PILGRIMAGE HEADQUARTERS—One of the historical antebellum homes on the 1966 Oxford Pilgrimage, to be held April 29 through May 1, is CEDAR OAKS, built by William Turner in 1850. The house was saved from flames during the burning of Oxford by Federal forces in 1864 by heroic efforts of builder's sister, Molly Turner. Many interesting antiques are now in this house, which is used as a cultural civic center and as headquarters for the Oxford Pilgrimage. Bill Is Approved To Provide Supplies For Men In Vietnam War

By SENATOR JOHN STENNIS

After almost three weeks' debate the Congress has now approved the bill authorizing emergency or supplemental purchases of military hardware for the war in Vietnam. I urged quick and speedy passage of that bill because I feel we should give our men who are fighting and risking their lives all the weapons, medical supplies, and everything else they need.

Our brave men who fight and sometimes die in this war are due a special tribute. They deserve the special gratitude of all of us, for they have done and are continuing to do a tremendous job under very difficult circumstances. They fight for the cause of freedom with the same high morale, courage, valor, and skill which have distinguished the American soldier, sailor, airman and marine and Coast Guard members in all past battles and wars. They prove once again that a properly motivated American is the finest fighting man the world has ever known.

After all the guns and planes and ships are counted and are in place; after all the supplies and materials in abundance are distributed, it is the will, the courage and the dedication of the men and women that maintains our security and brings the needed victory.

Without them and their sterling qualities, all the weapons and supplies are just piles of worthless things. These are the men and women who give us security, defend our country and keep our flag flying. We must match their spirit. The Communists are constantly probing and looking for a weakness. They will not hesitate to strike when they feel it advantageous to do so.

It is probable that we shall go through many decades of testing, outbreaks, infiltration, and subversive attacks by the Communist

forces in every continent except our own. The facts of life are that we live in a time of peril, I think great peril, and shall continue to do so in varying degrees for decades to come. The spirit of our men is such that we can meet this peril if we give them proper support.

Vehicle Inspection Deadline March 31

The 1966 Motor Vehicle Inspection period is fast drawing to a close with March 31st being the deadline. The Mississippi Highway Patrol is advising all owners that there is no "period of grace." Under the current laws all vehicles registered in Mississippi must be inspected once a year and the inspection period has been designated as January, February and March. With over a thousand inspection stations all over the state, it is felt that every motorist should have ample opportunity to have his car inspected during these 3 months.

At the present time there are still some 250 vehicles to be inspected. Motorists are urged to take care of this important matter before the deadline and avoid the rush and penalty after March 31.

Commissioner of Public Safety T. B. Birdsong, commenting on Motor Vehicle Inspection, said, "It seems to be that, aside from the fact that an inspection is required by law, just plain common sense will tell you, with Spring and an increase of highway traffic both just around the corner, one of the safest things to do right now is to have your automobile put in first-class running condition. A few minor corrections now of any mechanical defects that may have developed during the winter months will make your automobile much safer for the road."

Beloved Citizen Dies

Funeral services for Mr. Thomas B. Moreland of Rt. 1, Booneville, one of our county's best and most highly regarded citizens, were conducted Thursday, March 17th, in the chapel of McMillan Funeral Home, with Rev. Dewey Wallis, officiating. He was buried in the Booneville Cemetery with McMillan Funeral Directors in charge.

Mr. Moreland died Wednesday at 12:30 p.m. in the Northeast Miss. Hospital following an illness of two weeks. He was a member of the Thrasher Baptist Church and a retired farmer. He was 74.

There were many characteristics about Mr. Moreland that were the marks of a noble person. Mr. Moreland's good deeds were natural expressions of his fine attitude, which enriched his family life and were greatly beneficial to his community. Loyal to life's tasks assigned to him, he showed courage and perseverance. His contributions to the helpful institutions of his community, and all things for the betterment of humanity were well known. He extended his interests far beyond himself and he was able to get along with people because he loved them.

He was faithful in his service to his church and he was ardently devoted to his family.

He leaves his wife, Mrs. Thomas B. Moreland; three daughters, Mrs. Walter Nunley and Mrs. Joseph Hill of Booneville and Mrs. Don Williams of Gulfport; a step-daughter, Mrs. Mildred Yarbrough of Iuka; a brother, Earl Moreland of Memphis; two sisters, Mrs. B. E. Hopkins of Booneville and Mrs. Linnie Mae Holley of Oregon; three grandchildren and one great-grandchild.

Pisgah Extension Home Makers Club Meets

The Pisgah Extension Home Makers Club met Thursday, March 17 at two o'clock in the home of Mrs. E. J. Wimberley.

Mrs. Malcolm Sweeney, president called the meeting to order. The members repeated the pledge to the Bible, followed by the devotional given by Mrs. George W. Taylor from Psalms and Mrs. Dorothy Ozburn led in prayer. The song for the meeting was "Auld Lang Syne".

Mrs. Nona Wimberley gave the study topic "Selection and Care for Washing Clothes." Mrs. Ora Jennings gave an interesting demonstration on "Grow Your Own Plants." Mrs. Dorothy Ozburn gave many good points on "Arrangement and Care of Flowers."

The club is planning a dress revue in May. The Jumptown Club has been invited to meet with the Pisgah Club at the School Building.

A report on "Poison Prevention" was given by Mrs. E. J. Wimberley. Mrs. George W. Taylor directed the group in an interesting quiz session.

Refreshments were served by the hostess, which consisted of potato chips, cheese-pimento sandwiches, cake, strawberries and spiced tea. The next meeting will be with Mrs. Dorothy Garner. All members are urged to be present.

MR. AND MRS. SAMUEL WADE ADAMS

Candlelight Setting Chosen For The Wedding Of Miss Loula Milton And Mr. Samuel Wade Adams Wednesday Evening

In a candlelight setting of classic tradition and elegance, Miss Loula Milton became the bride of Samuel Wade Adams of Calhoun City and New Albany at 6 o'clock Wednesday evening, March 16th in the home of the bride's parents, Mr. and Mrs. John Foy Milton.

The Rev. J. C. Christian, pastor of the First Methodist Church of West Point, officiated, in one of the area's most fashionable weddings of the spring season.

The colonial Milton home on Second Street with its timeless proportions radiating charm and dignity, recaptured the graciousness of the past.

Mrs. W. L. Stroup, Sr. of Corinth presented an impressive program of music, which included Salute d'Amour (Love's Greeting) by Edward Elgar, and Fur Elise by Beethoven. Lange's Flower Song was softly rendered during the ceremony and Mendelssohn's Wedding March was played as the procession.

The piano, arranged for a group seating environment in the living room, was lighted by two handsome silver candelabras placed at the ends.

An altar was improvised in the library, opening directly into the living room, with tall spire-like white tapers contoured over a massive wrought iron pedestal candelabra, forming an archway of ornamental greenery and smilax. Candelabras in deep green on each side were placed before a surrounding background of fern trees.

The bride, radiantly beautiful, came down the stairway with her father, who gave her in marriage. She wore a gown of bridal enchantment fashioned of ivory slipper satin. Simplicity was eloquently expressed in a regal silhouette, a bouffant sheath, with a circular panel chapel train which flowed in graceful folds from the waistline, completed with a flat tailored bow in the front of the fitted bodice. Harrell Barnett directed guests to the gift rooms. Mrs. Paul Schumacher kept the bride's book.

In the stately dining room, the bride's table portrayed the traditional hospitality with a full skirted floor length cloth of green satin in pastel tone, overlaid with a white hand applied cloth of or-gandy and linen.

Orchids, the chosen nuptial flowers for the floral interplay throughout the home, created an exotic center piece, a curved design in delicate pink with a sweep of variegated ivy, in a footed silver vase, centered on a mirrored plateau.

A shower of cut crystal pendants from a sparkling gem-like chandelier overhead cast a soft gleam to the table.

An antique table in the background from an original collection, with an imposing mirror at the back, graced at the sides with silver candelabras, was reflective, giving unity to the silver appointments.

The mints and lime frappe blended with the delicate colors of the cloth. The three tiered cake frosted in white was embellished with bouquets of shell pink roses with a shower of lilies of the valley drifting down the sides.

Mrs. W. W. Cunningham and Mrs. Arthur Schultz cut the cake and trappes were ladeled by Mrs. Julian Patrick.

Mrs. Hugh Patrick and Mrs. Mary Bynum Hambrick received in this

area. Leaving for their wedding trip after the reception, the bride wore a three piece travel costume of white wool with navy piping. Her shoulder corsage of orchids, a charming accessory, was daintily ruffled with silk net.

OUT-OF-TOWN GUESTS

Out of town guests attending the wedding and reception were: Mr. and Mrs. Julian Patrick of Meridian, Mr. and Mrs. W. J. Edwards and Miss Julia Edwards of Cullman, Ala., Dr. and Mrs. W. L. Stroup, Sr. of Corinth, Dr. and Mrs. W. L. Stroup, Jr. of Tupelo, Mr. and Mrs. Hugh Patrick of Fulton, Mrs. Paul Schumacher and Benjamin Schumacher of Nokomis, Ill., Rev. J. C. Christian of West Point, Mrs. A. B. Chandler, of Memphis, Mr. and Mrs. R. C. Greene of Holly Springs; Miss Houston Speck of New Albany, Johnny Boyles, Mr. and Mrs. Joshua Adams, Mr. and Mrs. George Boyles of Calhoun City, Miss Lorraine Henry of New Albany, Mr. and Mrs. Billy Tays of Hazelhurst and Mrs. Joe Rogers of Oxford.

Eastern Stars To Meet

On Friday night, March 25th, Prentiss Chapter No. 12, O. E. S., will meet in regular session. Officers and members are urged to be present and visitors from other Chapters are welcome. The meeting will start at 7:30 p.m.

Mrs. Mable Mabry,

KAPPA KAPPA IOTA—The Honorable James Dean, Corinth, Senator of the State of Mississippi, was guest speaker at the regular monthly meeting of Kappa Kappa Iota, national teacher fraternity, held at the Town Motel Restaurant. From left to right, standing, are Mrs. Harold Smith, Kossuth, president; Senator Dean, Mrs. H. H. Daws, Booneville, hostess; Seated, Mrs. Frank Hudson and Mrs. James Walker, hostesses, both of Kossuth. Senator Dean discussed the various school problems which confront teachers.

HOME ECONOMIST'S NOTES

By CLAUDE T. ROSS, Extension Home Economist

Snacks—Tasty and Nutritious, Too
Breakfast is an important meal for all of us, and especially for teen-agers. It should furnish from one-third to one-fourth of their daily food needs, but you know many of us, including teen-agers, do not eat all our food in three conventional meals each day. In fact, most of us eat between meals, but teen-agers probably eat more snacks than most people.

And did you know that if teen-agers skip breakfast, they will eat more snacks? Their snacks are even more poorly chosen than breakfasts. So, I'd like for us to think about snacks for teen-agers! Studies show us that teen-agers, especially girls, not only eat MORE snacks, but, also, that they choose poor snacks—snacks often high in calories but low in nutrients.

We have read that the teen-agers are the poorest fed members of the family—the older the child, the poorer the diet.

From childhood to teen-age the percentage of young people with poor diets sharply increases. The nutrients most commonly low in the diet are calcium and vitamin C. Iron is often low in the diet of teen-age girls. One reason the teen-age girl is less well fed than the teen-age boy is because she needs about one-third less calories. According to the National Research Council, teen-age girls need 2400-2600 calories daily, while teen-age boys need 3100-3600 calories.

Since girls need less calories than boys, they should choose ALL their foods wisely—those with important vitamins, minerals and proteins—even their snacks.

The fewer calories you eat, the more important it is to make them all count. Boys should choose their foods well, too. Many times teen-agers allow foods high in sugar and fat to replace those with more needed protein, vitamins and minerals. Commonly eaten snacks tend to be high in calories but low in other nutrients—in other words, "empty calories." Snacks should be nutritious and chosen in relation to the foods eaten at regular meals.

For instance, if a day's meals were low in calcium, the snacks should be high in calcium. Teen-agers are always packing and snacking to satisfy their appetites, but there are some other reasons, too, like asserting their independence or getting the approval of the gang.

A yen for soft drinks or candy may represent an emotional need for independence, or he may want to be like his friends—dress, talk and eat as they do.

Teen-agers are growing so fast and are running about so much—never still. Accordingly, they are always hungry and want snacks. They need snacks to give them pep and energy enough to keep them going.

There are reasons they may choose nutritious snacks. Girls and boys want to be attractive. Boys may eat to build good strong body.

so they can look good, feel good and excel in sports—and maybe girls accept good food habits in order to have bright eyes, glossy hair and prettier skin.

Girls are more "finicky" about food than boys. Sometimes, too, girls worry about overweight and are inclined to go on a diet to get that slim, willowy look. Of course, in this way they could fall to get the food they need for good looks and good health.

Snacks play an important part in the teen-agers' life. They are here to stay and should be attractive, tasty and nutritious. Wise mothers plan for good snacks when planning regular meals and shopping. They keep nutritious snack foods on hand—such food as canned meats and fish, and other meats, cheese and cheese spreads, peanut butter, fruit and tomato juices, milk, dips, sandwich fillings, fresh fruits, raw vegetables and ice-creams.

That kind of food will certainly encourage better food habits. There will be BETTER snacking and fewer "empty calories" if teen-agers—in fact, all of us—put these suggestions into practice.

NOTICE TO BIDDERS
IN RE: PURCHASE OF TRUCKS FOR FIFTH DISTRICT AND SELL PERSONAL PROPERTY OF SAID DISTRICT.

It appearing that the Fifth District is in need of the following trucks:

One ½ ton pick-up equipped with Western and Standard equipment.

One 2½ to 3 ton tractor truck equipped with air brakes, 330 or larger, cubic inch piston displacement.

It is therefore ordered that this board will at the April 1966 meeting, on the 4th day of April 1966 at 11 o'clock A.M. receive bids for the purpose of purchasing said trucks.

And it appearing that the Fifth District owns the following property which is no longer so viable to said district and ought to be sold or traded in on the purchase price of the two trucks to be purchased, to-wit:

1—1958 two ton Dodge truck
1—1956 two ton Dodge truck
1—1960 two ton Chevrolet truck
1—1960 two ton Ford Truck.

It is therefore ordered that the board will on the 4th day of April at 11 o'clock A.M., receive bids either for the sale of the trucks or bids as trade-in on new trucks.

It is further ordered that the Clerk of this Board publish this order as notice to bidders as required by law.
Ordered this 9th day of March, 1966.
C. M. GORDON, President

WHEREAS, this board finds and adjudicates that it is necessary and in the best interest of the county, to construct, equip, repair and remodel proper office buildings for the county to be used by the County Public Welfare Department; and,

WHEREAS, the board finds that in order to purchase sufficient land and buildings; to construct, reconstruct, equip and remodel same it is necessary to issue and sell TWENTY-FIVE THOUSAND (\$25,000.00) DOLLARS, worth of notes of the county; and,

WHEREAS, the board finds and adjudicates that the issuance and sale of TWENTY-FIVE THOUSAND (\$25,000.00) DOLLARS worth of notes of the county will not exceed any limitation fixed by any statute or constitutional provision of the State of Mississippi.

It is therefore ordered that it is

the intention of this board, to, at the regular April 1966 term, on the 4th day of April, 1966, at 11 o'clock A.M. issue and sell Twenty-five Thousand (\$25,000.00) dollars worth of notes of the county for the purpose of constructing, equipping, repairing, reconstructing and remodeling office buildings for the county to be used by the County Public Welfare Department, and to purchase the necessary lands therefor.

It is further ordered that, if, on or before April 4, 1966, twenty (20%) per cent of the qualified electors of the county shall file a written protest against the issuance and sale of such notes, then an election on the question of the issuance and sale of such notes shall be called as provided by law. It is further ordered that all proceedings in the issuance and sale of said notes shall be in strict compliance with the provisions of Chapter 1, Title 13 of the Mississippi 1942 Code and related laws.

Clerk of this Board be and he is hereby directed to cause this resolution to be published once a week for at least three consecutive weeks in at least one newspaper published in Prentiss County in strict compliance with the provisions of

Section 2926-05 of the Code of Mississippi 1942.

"HANDMADE" STYLE SHOW AT MSCW—When home economics majors at Mississippi State College for Women staged a style show, the feature was capes and gowns that were handmade. Typical of the styles exhibited by the MSCW students were, from left, Gigi Shepherd of Clinton, Dale Weaver of Smithville, Nell McCrory of Goodman and Martha a Ruth Hill of Booneville, president of the Home Economics Club at the 'W'.

Prentiss ASCS County News

By CHARLES E. CALVERT, Office Manager

REPORT ISSUED ON '66 FEED GRAIN SIGNUP

Prentiss County farmers have signed up a total of 575 farms to take part in the 1966 feed grain program. The report covers the period from the beginning of the signup on January 31 through Mar. 11, 1966. The signup will continue through April 1.

About 6,693 acres of corn and grain sorghum are signed up for diversion for payment during the current crop year, but the total acreage for diversion will be larger since this figure does not reflect the basic diversion for the larger farms. The 1966 program does not provide for payment for the first 20 per cent diversion except on

farms with small bases. The total base acreage on the county's sign-up farms thus far for 1966 is 9,160 acres.

Throughout the country, 405,252 farms had been signed to participate in the 1966 feed grain program through Feb. 11. Producers agreed to divert for payment approximately 7 million acres of corn, grain sorghum, and barley, on farms with a total feed grain base acreage of 18,266,200.

Benefits of the program include diversion payments as well as price support payments and price support loans on the crops produced. Price support payments may be earned on the projected production from an acreage up to 50 per cent of

the total feed grain base for the farm by planting one or more of the feed grains corn, grain sorghum, or barley, or by planting soybeans in lieu of a feed grain. Growers are reminded that feed grain stocks remain more than sufficient and the need for full participation in the 1966 feed grain program continues to be stressed. Growers are urged to file their application to take part in the program as soon as possible.

COTTON GROWERS SHOW INTEREST IN 1966 PROGRAM

As of March 11, cotton growers in Prentiss County have signed up a total of 945 farms to divert 3,146 acres out of 12,500 cotton production under the 1966 cotton program. The signed-up farms have effective cotton allotments of 10,252 acres. Cotton farmers who plan to take part in the 1966 program must file applications by the April 1st deadline, agreeing to reduce plantings at least 12.5 per cent below the farm's effective allotment and to meet other program provisions. Producers may divert as much as 35 per cent of the allotment.

Program benefits include a diversion payment of 10.5 cents per pound on the farm's projected yield of the acreage diverted, and a price support payment of 9.42 cents a pound on the projected yield of the acreage planted for harvest within the farm's domestic allotment (65 per cent of the effective allotment). In addition, participants become eligible for price support loans on all cotton produced, based on a national average rate of 21c per pound for Middling 1-1/2 cotton, gross weight at average location.

Small farms (those with allotments not over 10 acres) will receive payment without having to reduce plantings. If the operator chooses to reduce the acreage on such a farm, an additional diversion payment will be made on the acres actually diverted at the level signed up.

Upland cotton farmers who take part in the 1966 program will receive half of the estimated diversion payment at the time of the sign-up, if requested, or as soon thereafter as possible. The rest of the diversion payment and the price support payment will be made later after program compliance has been determined.

The Miss. ASC State Committee at its meeting March 9-10 emphasized the importance of every cot-

ton farm operator in the State signing up before the April 1 deadline. All program benefits, including the cotton loan, will be available only to farmers who file applications to take part and then carry out their intentions as indicated in the application.

The county committee also would like to add emphasis to the statement by the state committee by asking the cooperation of each person interested in the cotton program if this county in seeing that no farmer in the county fails to make application by April 1st, 1966.

It's a Fashion Quake of "Not So Flat" Flats!

Fun little "Not So Flat" flats create a fashion quake for that sweet look of youth in the smartest Spring shades ever! Wisp cuts out, then buckles boldly and ends in a sling. Hit makes news with a tassel - tied hillie. Canoe becomes bowed over an open vamp and cuts out it's sides. As seen in Seventeen.

"In 1752 when I organized the first insurance company in America—THE PHILADELPHIA CONTRIBUTIONSHIP FOR THE INSURANCE OF HOUSES FROM LOSS BY FIRE—it was because mutual insurance was a crackin' good idea, and so it is today.

In fact it does my old heart good to see how mutual insurance has prospered. Now, as then, funds not needed for the payments of losses are returned to the policyholders.

They've even improved on my model. Today most mutual companies are non-assessable — that means that while policyholders share in the profits, they are not financially liable for any losses.

And how the mutual insurance business has grown since I was out flying kites! Today there are thousands of mutual insurance companies; more than 100 have been in business over 100 years. Total assets amount to approximately six billion dollars. There are over 25 million policyholders. Looks as if mutual insurance on homes and industry has grown right along with this country of mine!"

First Methodist Revival Begins Sun.

Revival services at First Methodist Church, Booneville, begin Sunday, March 27. The Reverend Clay Lee, pastor of First Methodist Church, Philadelphia, Mississippi, will be the preacher for these revival services, and the Reverend J. W. Carroll, Tupelo, will lead the congregational singing. Services will be at 7:00 a.m. and 7:00 p.m.

The Reverend Mr. Lee was formerly Associate pastor of Galloway Memorial Methodist Church, Jackson, and pastor at Raymond, Miss. In recent weeks he was the plat-

form speaker in the School of Moral Concerns at Lake Stephens Methodist Camp, Oxford, Miss.

The Reverend Mr. Carroll has served Methodist Churches in the North Mississippi Annual Conference for several years. At the present he is Director of Traceway Manor, a home for the aging being built by the Methodist Church in Tupelo.

Under the leadership of Emmons Turner, Jr., Chairman of the Commission on Membership and Evangelism, First Methodist Church has made intensive plans for enlisting the entire membership in this Revival. Various Commissions and

Miss Sandra Ruth Peeler And Girault Weiler Jones Plan June 18th Wedding

Mr. and Mrs. Dudley Flavius Peeler of Birmingham, Ala., announce the engagement of their daughter, Sandra Ruth, to Girault Weiler Jones, son of Mr. and Mrs. Shafer Jones of Woodville, Miss.

Grandparents of the bride-elect are the late Mr. and Mrs. James Fletcher Womack of Marietta, Miss., and the late Mr. and Mrs. Louis Kendrick Peeler, of Booneville, Miss.

Miss Peeler received her BS degree from Auburn University where she was president of Kappa Alpha Theta social sorority and a member of Angel Flight. She now teaches mathematics at Columbus High School, Columbus, Ga.

The future bridegroom's grandparents are the late Mr. and Mrs. Lucien Ernest Bondurant of Birmingham, and the late Mr. and Mrs. Ackland H. Jones of Woodville, Miss.

Mr. Jones will graduate in June from the School of Architecture at Auburn University. He is a member of Sigma Nu social fraternity, Squires, Scarab and American Institute of Architecture.

Plans for a June 18th wedding

On The Local Scene

Mr. and Mrs. Robert Tidwell, Robert and Nancy enjoyed a trip last week through the Caverns of Ruby Falls and Lookout Mountain, in Chattanooga, Tenn., also the Great Smoky Mountains. They visited their daughter, Mrs. R. C. Wildsmith, who is a secretary for the Aetna Insurance Co. in Knoxville, Tenn. Mr. Wildsmith is a student at the University of Tennessee and works with the Utility Board, there.

Mrs. J. T. Tidwell spent last week with Mr. and Mrs. Wayne Griffin and baby in Baldwin, during the appendectomy of their daughter, Denise, at the Community Hospital in Tupelo.

CASH RECEIPTS FROM FARMING, 1965

Cash receipts from farming in Mississippi made a two per cent increase in 1965 over 1964.

Of this, livestock and livestock products increased by 11 per cent, while cash receipts from crops decreased by four per cent.

In dollars, livestock receipts went from \$291,964,000 to \$325,342,000 and crops from \$492,154,000 to \$471,660,000.

Total cash farm receipts from livestock, livestock products and crops were \$797,002,000 compared with \$784,118,000 in 1964.

SOIL TESTING

Right now is a good time to make definite plans for fertilization of the 1966 crops.

There is still time to take soil samples for late spring planted crops, like soybeans and temporary grazing crops.

We will be glad to give you details on taking good samples, sampling supplies, sample boxes, mailing cartons and information sheets.

OPPORTUNITIES UNLIMITED

The demand for qualified young people in one of the nation's largest food industries—the poultry industry—far exceeds the supply.

Each year nearly 1,000 professional level jobs go unfilled as all the colleges and universities in the

country turn out less than 100 graduates in poultry science.

TIMBER MANAGEMENT

Good timber management means growing the largest possible volume of high quality timber per acre.

This means producing the timber from trees that are straight, free from defects caused by diseases, fires, mechanical injuries and relatively free from knots. Thinning and harvesting at the

proper time are important. Trees that grow at the proper rate will produce the most defect-free wood. Trees that have too much space will grow fast, but the wood will be of low quality because of too many knots.

Special protection from fire is needed. A properly stocked stand of health trees is the best protection against disease and insects.

COTTON PROGRAM

Do some detailed planning now to determine what planting pattern you will use in your cotton planting this year. Choosing the best pattern will mean extra dollars in your pocket. We will be glad to discuss your operation with you.

Carolyn Huddleston Is Social Chairman

CLEVELAND, Miss.—Miss Carolyn Huddleston, a Junior Home Economics Major at Delta State College, has been elected as Social Chairman of the Baptist Student Union at Delta State. Miss Huddleston, daughter of Mr. and Mrs. Grafton Huddleston of Booneville, is a transfer from Northeast Miss. Junior College in Booneville. The Baptist Student Union Executive Council plans the program of activities of the Baptist Student Union.

Several accepted one, some ask for more than one. Corresponding numbers have already been received by the Mission.

We are taking the envelopes, all of each locality, or post office and placing them in a huge album, which should be interesting now and in the years to come.

NEW SUPER GOLDEN RIVER

This Premium Fertilizer fills the gap between Golden River and Super Q—brings higher yields, much more profit on each acre!

Now there's a Riverside fertilizer for every farmer—every soil analysis. Super Golden River is one more way Riverside can help you step up to bigger yields, higher income.

Formulated in two grades—9-12-12 and 12-12-12. Fortified with ten "trace elements" necessary for top yields.

Contains Boron in amounts recommended by Extension Service for best cotton production. Nine other trace elements, including Calcium, Sulphur, Zinc, and six more help prevent soil deficiencies from eating into your pocketbook.

OTHER FINE FERTILIZERS FROM RIVERSIDE:

RIVERSIDE REGULAR

Basic NPK formula. Choose 9-12-12 grade or 12-12-12.

An inexpensive way to furnish crops with nitrate, phosphate, and potash. HIGH QUALITY LIQUA-MIX LIQUID FERTILIZER ALSO AVAILABLE

RIVERSIDE GOLDEN RIVER

Adds 7 "minor" elements that make a big difference in yields. Includes Boron, necessary for top yields in cotton.

RIVERSIDE SUPER Q

The finest fertilizer on the market. Made for the farmer who's shooting for sky-high yields. Super Q is a balanced fertilizer formulated for scientific farming—helps you get the most out of your soil.

We might imagine this is a squirrel assuming a prayerful pose while satisfying his appetite . . . like a man pretending to be religious in order to gain the respect of others.

We are not often fooled by falsity, nor do we let it blind us to truth. We know our religion is our richest treasure. But we rate it worthless unless sincere.

Today millions are talking about the world's spiritual needs. Is talking enough?

Isn't faith more than a word . . . prayer more than a pose?

Attend church every week with your entire family. Support the Church with willing sacrifice. Offer your time and talents to God in your congregation's busy life. And live each day the truths you cherish.
