Over Half a Century of Service to Prentiss County

VOLUME SIXTY-SEVEN

BOONEVILLE, MISSISSIPPI, THURSDAY, APRIL 16, 1964

NUMBER 3

Registration For N. E. Miss. Junior College Summer Session June 8

The Northeast Mississippi Junior College summer school schedule has been revised in order that the day and evening programs will be coordinated. The new schedule will allow the evening college summer session to begin and end on the same date as the summer day session. This plan, initiated to allow more free time between school sessions, will allow the day and evening programs to be closed on Friday, July 3, for a holiday.

Registration for the first term day classes will begin at 8:00 a.m. Monday, June 8, in the Administration Building. Classes are scheduled to begin on Tuesday, June 9, and end Wednesday, July 15.

Registration for the second term of day classes will begin Wednesday, July 15, with classes to begin Thursday, July 16, at 8:00 a.m. with final examinations on Friday, August 21.

The summer day school is scheduled to offer 2 class periods daily, the first beginning at 8:00 a.m. and ending at 9:35 a.m. The second period will begin at 9:45 a.m. and end at 11:20 a.m., with classes meeting 5 days a week for each six-week term. A student will normally enroll for six semester hours each term of the day session.

Registration for evening classes for the summer session will be held at 6:30 p.m. Thursday, May 28. Classes will begin Monday, June 8, with June 15-19 being the last day to register. Final examinations will be held on August 17-21. Classes are to be offered on Monday, Tuesday, and Wednesday nights for the summer term.

Each class will meet one night each week for three hours. To complete course work by August 21, each class will be scheduled for additional meetings during the session.

Evening college students may enroll for a maximum of twelve semester hours, subject to approval of the Dean.

The following programs are offered subject to demand: business, education, English, mathematics, music, psychology, science and social science.

Alcohol Seminar Is Held At Northeast

School administrators from throughout Northeast Mississippi attended a workshop on alcohol education at the Northeast Mississippi Junior College at Booneville, on Thursday, April 2.

Principal speaker for the seminar was Dr. Gerald O. Windham, associate professor of sociology and rural life at Mississippi State University.

Dr. Windham said the uses of alcohol were known of even in primitive societies and there is evidence of early knowledge that it could be misused.

He said in the past 20 years, advancement has been made in the field of alcohol education, but prior to that time most information available on the subject was based on emotion with little scientific foundation.

Now, Dr. Windham said, it is known there are from 4.6 million to 6 million alcoholics in the nation, including about 31,000 in Mississippi.

Informal sources now regard alcoholism as a disease, a public health problem and the alcoholic as a person worth being helped.

Dr. Windham also revealed some results of a survey on drinking habits of school children and adults conducted last year in Northeast Mississippi and Delta counties. During his remarks, Dr. Windham said, "Mississippi's dry law is totally inadequate to prevent drinking."

Several school administrators took part on the program.

SPELLING BEE WINNERS—The Prentiss County Spelling Bee was held Saturday in the Prentiss County Electric Power Association building. Winners are pictured, left to right: Billy Bardin, son of Mr. and Mrs. Clay Bardin, was second place winner. He is a student at the Hill's Chapel School. Billy received \$15.00 from the Prentiss County Home Bank. Miss Sandra Foster, daughter of Mr. and Mrs. Leroy Foster, was the third place winner. She received \$10.00 from the Prentiss County Home Bank, and she is a student at the Hill's Chapel School. Johnny Young of the Prentiss County Home Bank presented the gifts to the winners, Miss Judith Smith, daughter of Mr. and Mrs. Bynum Smith, was first place winner. She is shown being presented a \$25.00 savings bond by Kenneth Pounds of the Peoples Bank and Trust Company. Judith is 14 years old and in the eighth grade at Thrasher High School.

Wm. H. Ferrell To Speak To Woman's Missionary Union

REV. WILLIAM H. FERRELL

Rev. William H. Ferrell will be the featured speaker at the annual spring meeting of the Prentiss County Association of Women's Missionary Union, which will meet with the East Booneville Baptist Church on April 24, at 7:00 p.m.

The Association's W.M.U. President, Mrs. Trent F. Grubbs, urges all members of W.M.U. to be present for this meeting. Also, all persons interested in missions will find this meeting very helpful, and will be most welcome.

Rev. Ferrell, Southern Baptist missionary, has served in Cordoba Province, in the geographical center of Argentina, since 1953. At present he is pastor of the Baptist Church in Alta Gracia, a town of 30,000.

"After two years in this particular task, we can see definitely that the Lord is blessing our ministry," he says. "Sometimes the going seems slow and difficult, but the long look gives us a picture of gradual and healthy progress."

"We have seen church membership increase from 20 to 37. We have left the one-room, rented hall to move into a beautiful new building that has already proved a tremendous blessing to the life of our church and helped change the attitude of the city toward our Baptist witness. Other highlights were our first vacation Bible school, held in February, 1963, an evangelistic campaign of the Woman's Missionary Society in May, and a youth revival in June."

In addition to pastoral work, Mr. Ferrell is director and homiletics professor at a training institute for Baptist laymen, opened in the city of Cordoba (provincial capital and

Recent Power Interruptions In Area Caused By Tornado Damage

The Booneville Substation which supplies the greater portion of the Prentiss County Electric Power Association's service area is normally supplied from TVA's large primary substation at Burnsville, over a 20-mile 46,000-volt transmission line.

The Burnsville Substation is connected to the high capacity 161,000-volt transmission line which runs from Pickwick Dam to Tupelo. Before the tornado of March 4 destroyed the Pickwick Dam switchyard, the Burnsville Substation could be supplied over this line from Pickwick or from Tupelo.

The tornado destroyed towers in the Tennessee River crossing of the Pickwick-Tupelo 161,000-volt

line and the Burnsville Primary Substation can now be supplied only from Tupelo. Recent interruptions to service from the Booneville Substation have been occasioned largely by severe lightning and windstorms which caused trouble on the 161,000-volt line from Tupelo to Burnsville.

Some measure of back-up service to the Booneville Substation is provided by a 46,000-volt line from TVA's primary substation at Tupelo. This line normally supplies TVA's Baldwin Substation but does not have sufficient capacity during peak load periods to supply the Association's total load served from the Booneville and Baldwin Substations.

TVA is working actively to restore service to the Burnsville Primary Substation over the 161,000-volt line from Pickwick Dam and expects to have this line back in operation by the end of April. At that time service to the Booneville Substation should be normal again.

Home Bank Makes Big Gain In Rank

Wallace Poole, president of the Prentiss County Home Bank of Booneville, recently received notification that the bank had gained 401 places in rank since the year before.

A telegram from American Banker magazine said in part: "American Banker's year-end roll call of the 8,000 largest banks in the United States shows your bank made the spectacular gain of 401 places in rank since a year ago and now occupies 7551st position."

third largest city in the country) in June, 1963, with 30 enrolled. "Our hope is to see this school produce the inspiration as well as the workers for the extension of the Lord's work in this province," he says.

A native of Greenville, Miss., Mr. Ferrell attended several colleges under a U. S. Navy chaplain-training program during World War II. After release from the Navy he completed work toward the bachelor of arts degree at Mississippi College, Clinton, and then earned the bachelor of divinity degree at Southern Baptist Theological Seminary, Louisville, Ky. Prior to missionary appointment he served in Alabama three years, directing the Royal Ambassadors (a Baptist missionary organization for boys).

He is married to the former Opal Young, of Clinton. They and their three children, Curtis, Lynn, and Betty, are now in the states on medical furlough.

Scout Camporee At Tishomingo Park Friday And Saturday

The Annual Spring Camporee for some 500 Boy Scouts of the 3-county Jacinto District, Boy Scouts of America, will be held April 17-18 at Tishomingo State Park, it was announced today by W. G. Hardin, chairman of the Camping and Activities Committee.

Scout troops expected to attend are from Corinth, Booneville, Iuka, Belmont, Golden, Tishomingo, Burnsville, Holcut, Farmington, Kossuth, Biggersville, Rienzi, Pisgah, Thrasher, Marietta, Wheeler, and Central.

These scouts will be under their own leadership, and will demonstrate the best in scout camping and outdoor skills as well as other scoutcraft skills. Troops will check in on Friday afternoon from 4 to 6 p.m. and will officially close with the awarding of ribbons on Saturday at 5 p.m.

A campfire will be held on Friday night, and Saturday's program will include contests in the outdoor skills. Troops will set up their own camps, bring their food, and cook meals by patrols under boy leadership. Adult volunteer scout leaders will serve as judges and advisors during the weekend.

Union Defeated At American Seating Tuesday By Overwhelming Majority

An attempt to organize the Booneville plant of American Seating Company was defeated by an overwhelming margin in the election held at the plant Tuesday. The vote was 41 for the union and 141 against.

Frank J. Lawyer, general manager of the plant, said that there are 187 employees at present, not including management and office personnel, and 185 votes were cast. One was blank and thrown out as a spoiled ballot and two were challenged. Challenged ballots are not considered unless their consideration could change the results.

The election was called by the National Labor Relations Board after the required percentage of the personnel signed cards asking for

the election, and was conducted by a representative of the National Labor Relations Board.

Organizers of the International Brotherhood of Carpenters and Joiners of America had been at work here for weeks to get the necessary 30 per cent of the workers to sign for the election. However, less than 23 per cent voted

for the union. American Seating Company opened the Booneville plant in June of 1961 and moved its entire church furniture operations here last summer. This was the first open attempt to organize the plant and under the labor laws another election cannot be called for at least a year.

FOOTBALL BANQUET—Shown are the six Booneville High School gridders who received trophies at the annual BHS football banquet held in the high school cafeteria on Friday night, April 10. From left, Terry Cartwright, Sportsmanship Award; Gus Whisenant, James Harper Scholastic Award; David Young, Angel of the Year Award; Junior George, Best Blocker; Eddie Barnett, Most Valuable Player and Best Defensive Player; and Mike Kemp, Most Improved Player. Coach Doug Herbert presented letters to six senior squad members and Coach Doc Gullett presented letters to 14 undergraduates. Spring training for 1964-65 season is now underway with 32 boys participating, according to Coach Gullett.

Prentiss County Teachers Meet

On Friday, April 10, the Prentiss County Teachers Association met in the Booneville High School Cafeteria. Mrs. Eudora Kemp, program chairman, presented the program.

H. N. Tutor, Principal of Booneville High School, gave the welcome. Mrs. Kemp introduced the guest speaker, Roy H. Black, who spoke on "Teaching, A Rewarding Profession." Mr. Black, a member of the state legislature, conducted a question and answer period.

A report on the MEA Board of Directors meeting was given by W. C. Leech, Supt. of Pontotoc Public Schools.

Mrs. W. M. Murphy presented Howard Long, principal of Booneville Junior High School, a prize for having the highest number of teachers in attendance.

Joyce Smith, president of the association, presided over a short business session. The slate of officers elected for 1964-65 was President, Charles Bolton; Vice-President, Lynn Taylor; Secretary and Treasurer, Linda Goodwin; and Reporter, Carolyn Green.

Notice

Due to the graduation exercises at New Site on Sunday, April 26, Bro. E. P. Baldwin will preach on Sunday, April 19 at the East Prentiss Baptist Church.

Miss Ann Prather To Represent Booneville At Cotton Carnival

Miss Ann Prather, senior at Booneville High School and Cotton Belle to the Memphis Cotton Carnival, has been invited to a party honoring the Cotton Belles. At this party Ann will receive information about the carnival parade, which will be held in May, and her parade costume.

Miss Prather said, "I am very happy to represent Booneville as a Cotton Belle in the south's greatest show, The Memphis Cotton Carnival, this year."

Singing Convention To Convene Here This Weekend

The Prentiss County Singing Convention will convene in the Courthouse in Booneville Saturday night at 7:00 p.m. and all day on Sunday, April 18 and 19.

Singers from Alabama and Tennessee, along with local singers, will be present. Everyone has a special invitation to attend this great singing.

Charlie Barron, president; Vick Riddle, vice-president; Alvin Champion, secretary

Mrs. Toy Smith Elected To State NABW Office

Mrs. Toy Smith, Assistant Cashier of the Peoples Bank and Trust Co., was elected Secretary-Treasurer of the Mississippi Group of the National Association of Bank Women at the Southern-Southeastern Regional Conference held in Jackson, Miss., April 10-12 at the King Edward Hotel.

Mrs. Agnes T. Carter, Assistant Cashier of the Peoples Bank and Trust Co., also attended.

About 200 bank women officials attended and the theme of the conference was "Look Out—Reach Out—Step Out Into Your Future."

Among the national officers attending were Mrs. Emily H. Womack, President, National Association of Bank Women, Assistant Vice-President and Secretary of The Sussex Trust Co., Laurel, Delaware; Mrs. Evelyn Worley, Assistant Vice-President of Citizens & Southern National Bank, Atlanta, Ga.; Mrs. Marie S. Doland, Regional Vice-President and Asst. Personnel Officer of the First National Bank of Miami, Fla., and Mrs. Mildred Muller, Asst. Vice-President of the First National Bank, Memphis, National Convention Chairman.

There are two offices in the state — chairman, Mrs. Irma Valentine of Laurel, and secretary-treasurer, Mrs. Smith.

Mrs. Smith has served as chairman of the Exchange Committee for the Southern Division of NABW; district membership chairman of the State of Mississippi and State Membership Chairman for Mississippi.

She is a charter member of the Booneville Business and Professional Women's Club and was the "Business Woman of the Year" in 1955. She is a member of the United Daughters of the Confederacy and of the Methodist Church. She is the Prentiss County treasurer of the National Foundation of Infantile Paralysis and treasurer of the Easter Seal Fund.

GRAMMAR SCHOOL DIVISION honors went to the Hills Chapel 4-H Club during the rally held last Friday. Second place went to New Site and third to Wheeler.

FIRST PLACE WINNER in the High School Division was Wheeler 4-H Club, with Thrasher in second place and Jumpertown in third.

Second Sabin Oral Sunday Here Is Even More Successful Than First

The Second Sabin Oral Sunday, April 12, was deemed a big success as approximately 12,500 doses of the vaccine were given at two stations in Booneville, the Northeast Mississippi Junior College gym and the Wick Anderson Colored Center. This was an increase of 2,000 over the first doses which were given March 5.

Dr. D. F. Crowe, campaign chair-

man, said the people arrived slowly at first, probably due to the heavy rains.

While Prentiss County had 2,000 more, neighboring Lee County had approximately 2,000 less than they did on the first Sabin Sunday and even this was considered very good.

The Medical Society of Prentiss

County, sponsors of the campaign, is well pleased with the results. Approximately 200 volunteer workers have had a part in the fight to rid the area of polio.

The third Sabin Oral Sunday will be May 17 and the Medical Society urges everyone to get the third dose — and be protected against all three types of the disease.

Flag Pole At Junior High School Erected In Memory Thomas Barnett

The Booneville Junior High School has erected a flag pole in memory of the late Thomas Barnett. Thomas was the son of Mr. and Mrs. J. B. Barnett and had completed the seventh grade on Friday before his untimely death on Saturday, May 18, 1963. He was one of the outstanding students in his class last year, always striving to set the right example for his classmates. His teachers last year and all previous teachers praised this student highly.

The students and teachers of the Booneville Junior High School wanted to leave a memorial as a lasting tribute to the memory of Thomas Barnett. Since the school did not have a flag pole or flag it was decided to follow through with this project.

His classmates in the eighth grade this year, along with the students and teachers of the junior high school are donating the en-

tire cost of this project. A stone marker at the foot of the flag pole was given by the Booneville Monument Company. The first flag was presented to the school in memory of Dr. Roy D. Gullett by his son, Charles Gullett.

Last Thursday a short flag raising ceremony was held with all the students present. Others attending the ceremony were the parents, Mr. and Mrs. J. B. Barnett and his brother, Eddie, Mrs. W. M. Murphy, County Superintendent of Education, and other guests.

Carl Loden, a student at the Booneville Junior High School, played "Taps" as the flag was being raised for the first time. The students then gave the pledge to the flag, led by Mrs. H. N. Tutor. The program was concluded by Howard Long, principal, who made statements about what the student had meant to the school and also what he had meant to him personally.

The Newspaper And The Retailer

From the Booneville, Indiana, Standard: "It is a pity retailers so often have to learn the same lesson over and over again through cost and hardship."

"This observation was made by Edward R. Engle, official of the National Retail Merchants Association. Mr. Engle was referring to the importance of newspaper advertising to retail trade."

His findings were based on a study made of the results of the New York newspaper strike. It was found that there is no substitute for newspaper advertising, and that without advertising, retailing would be in a chaotic state, as stock needs and turnover would be impossible to pre-

dict. It is also stressed that when the advertising of big stores is absent the entire shopping complex—including the little stores—feel the ill effects.

The Standard sums up in these words: "The ultimate loser from inadequate advertising, then, is the consumer who pays for losses due to slow turnover, waste and high per item selling costs."

The basic principle here is simple enough. If people don't know what you have to offer, they can't and won't come seeking it. Successful retailing and intelligent and extensive advertising go hand in hand.

★ ★ ★ ★ ★

Strategy Versus Tactics

The Administration's announced "war on poverty" drive poses an exceedingly delicate question. There is no doubt of its political appeal—everyone wants poverty to be eliminated, everyone wants to be prosperous. But the means to the end are not so simple a proposition.

President Neilan of the Chamber of Commerce of the United States recently made a noteworthy contribution to this matter. The way to relieve poverty, he pointed out, lies in the adoption of government policies and attitudes that will permit the free enterprise system to operate at peak efficiency — and so produce more jobs and better jobs. And he added this: "No outpouring of gov-

ernment money, no matter how great, on housing, education, medical care, public works and the like can cure the infinitely complex problems of poverty in the United States."

It can also be said that this kind of outpouring of federal money—coming on top of an already huge deficit—could create more poverty than it would cure. For an almost certain result would be additional inflation, a further degrading of the dollar's value, and a decline in the purchasing power of the millions of people who live on fixed incomes. A "war on poverty" slogan may be sound political strategy—but we are still a long way from adopting the proper tactics.

Public Relations Notebook

BY Neil Woodruff, Asst. Professor of Journalism, MSCW

Of all the services available to people today, one stands out as an extraordinary service which has always been a very important and integral part of our society. This is the service provided by the United States Postal Service.

The postal system has been with us from Colonial America. It has grown from a small private enterprise operation to a vast government-operated network. The postal system is used for many purposes. It is used ex-

tensively in business operations of all types. It is used by service and charitable organizations to great benefit. And it is used for widespread personal correspondence.

Its use is almost exclusively in the realm of promoting personal and public relations with other people and organizations.

You realize the value of the mails when you sit down and write a personal note to a friend or relative hundreds or thousands of miles away. We all use the mails every day with firm confidence that the small parcel will be delivered to the designated party for the cost of only a few pennies. This is a tremendous service and one that

we have come to depend on. Postmen, particularly the ones of the past, became a big part of the lives of persons on their routes. All people anticipate receiving mail. For persons on a rural postman's route, mail delivery was and is often a high point of the day, particularly among elderly persons.

People come to depend on postmen. When a postman is five min-

Years Ago— Forrest Wins Battle; Carolina Town Falls

By LON K. SAVAGE

The hard-pressed Confederacy welcomed two victories 100 years ago this week.

Neither was crucial, but both were decisive and added to the morale of Confederate troops and citizens. The first was won by Bedford Forrest, the fighting cavalry leader in Tennessee. The other occurred in North Carolina where a makeshift Confederate ironclad and a division of troops recaptured Plymouth, N. C. from the Federals. Forrest's victory came first, on April 12, following a series of spectacular exploits. In March, Forrest had raided up through western Tennessee, captured a garrison at Union City, then attacked Paducah, Ky., on the banks of the Ohio, occupying that city. Then, as Federal troops tried to catch him, he circled back and on April 12, fell on Fort Pillow on the Mississippi River about 40 miles north of Memphis.

Bloody Battle

Seldom has such a short battle been so bloody. Although controversy still exists about what happened, these basic facts are agreed upon:

Forrest appeared before the fort with about 1,500 men, drove the Union troops from their rifle pits into the fort and demanded surrender. Maj. Lionel Booth, commanding the fort and about 557 troops—about half of the Negroes, refused. Whereupon, a bugle sounded, and Forrest's men charged, yelling loudly.

It was a near massacre. The Federals were cut down by the score. Booth, himself, was killed. Some began retreating toward the river, hoping for help from a Federal boat nearby. Forrest's men caught them in an enfilade, killing still more. Other Union troops fell into

utes late, people often become impatient. However, a rural postman may end his day with a dozen fresh eggs, a basket of tomatoes, or a cut of smoked ham. A city residential postman may be offered a cooling drink along his route, or he may be asked to sample a piece of Mrs. Smith's newly-baked cake.

Many traditions have grown through the years between postmen and the people they serve. In many cities in the East and Midwest, it is common practice to give postmen a "nice" gift around the end of the year as a token of appreciation for bringing them "good mail."

Meanwhile, forces are at work to take one of the real old traditional elements out of the postman's life. Scientists are presently developing a small gun which a postman may carry to protect him against his perennial nemesis — dogs. The gun will be loaded with a harmless chemical pellet which will daze any dog enough to make it forget the whole idea.

News is the basic ingredient of a newspaper.

This is true of all newspapers. News is the commodity for which the public buys a newspaper.

News is the most important part of the largest daily newspaper; it is the most important part of the smallest weekly.

But news is not limited to reports on the front page. The most interesting and important news in the local newspaper is retail advertising.

More women read grocery advertisements than read society items if readership research can be accepted. And more women read dress shop advertisements than some front page stories.

In a community newspaper, more women read Want Ads than read sports news. A man is more likely to read an automotive advertisement than an editorial dealing with national policies.

The intensive readership of local retail advertising is no reflection on the taste of the public. The news content of complete and well-presented local retail advertising touches directly upon the personal welfare of the reader.

For the news in retail advertising tells, or should tell, how money and time can be saved. It is news about products which will immediately enrich the life of the individual.

Favorite Recipes Of The Deep South

Some of the most interesting cookbooks that come our way are published by women's groups as a means of raising funds for some worthy cause. Many a treasured recipe in our files has come from just such a source. Not the least of these is a new spiral bound book with full color cover compiled by Club Women of Alabama, Georgia and Mississippi — "Favorite Recipes of The Deep South."

This treasure trove of 800 Dixie-land recipes was assembled under the direction of Mary Anne Rogers, staff economist of the publishing firm, with the assistance of Mrs. Dorothy Funderburke, head of the

was used for all farm and farm family needs. The PCA's in the three states, which are all farmer owned, made loans of \$196 million last year.

J. R. Smith, manager of the Jackson, Miss., PCA, is conference chairman. Mr. Dougherty, manager of the Tupelo Association, will appear on the program. Others who will take part in the meeting include officials of the Federal Intermediate Credit Banks of New Orleans.

Dougherty-Conner To Attend PCA Managers Conference In Mobile

M. C. Dougherty, Secretary-Treasurer and L. C. Conner, Assistant Secretary-Treasurer will represent the Tupelo Production Credit Association at the annual PCA managers conference in Mobile, April 16-17. The group will meet at the Admiral Semmes Hotel, according to P. D. Carter, Association President.

At the two-day meeting managers of the 26 PCA's in Alabama, Mississippi and Louisiana will discuss methods of improving short and intermediate-term credit service to farmers in the three states. "This annual exchange of ideas," said Mr. Dougherty, "helps us to keep up with the changing agriculture and how this affects the increasing financial needs of our farmer-members."

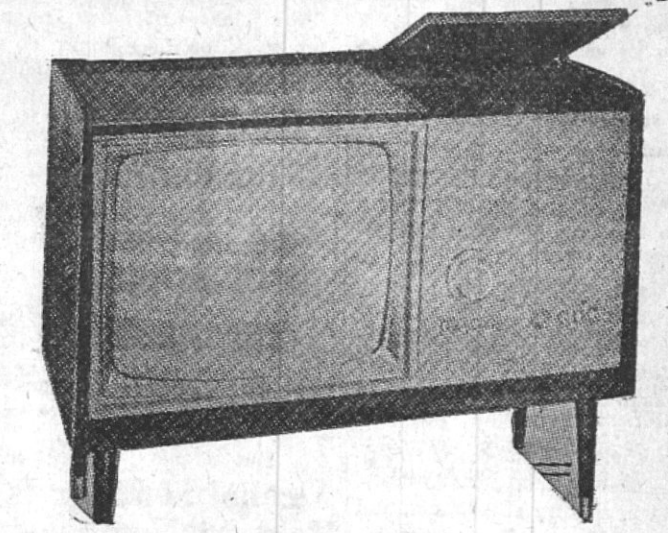

Last year the Tupelo Association made loans to farmers in this area for \$7.9 million. This money, which comes from private investors

Department of Home Economics, Howard College, Dr. Eleanor Sense, Professor of Home Economics, Mississippi State College for Women; and Mrs. Margaret Phillips, Chairman, School of Home Economics, Wesleyan College, Macon, Georgia.

FARMER'S UNFALTERING FAITH

At the beginning of the new crop year, the farmer is saluted for his faith and courage and toil, and wished a year of favorable weather and prosperous markets. The products of the fields and pastures and gardens and orchards, not only supply our tables, but feed our factories and industries, support our transportation systems, and give employment to many of our people. A prosperous agriculture contributes to a healthy state and economy.

Enthusiasm is the steam which makes the engine go.

Executive Vice-President
Southern States Industrial Council

"AS THE SHADOW OF A GREAT ROCK"

This is an humble attempt to pay tribute to the life and soul of a great soldier, a great patriot, a great man — General of the Army Douglas MacArthur.

General MacArthur was brave — the greatest frontline general in the history of our nation. General MacArthur was loyal — to his nation and to the soldiers who fought under him and to the principles for which he stood. General MacArthur was devoted — to his younger Tennessee wife, whom he always called "my beloved wife and my best soldier." The devotion of General MacArthur and Mrs. MacArthur to each other in these days of declining morals has stood out over their years together like a shining star in a murky sky.

And much tribute should be paid to Mrs. MacArthur, too. She had to be his "best soldier" to stand up under the ordeals of the last 25 years—from the terrible days of Corregidor, through waiting upon the soil of Australia while the General carried on his brilliant island-hopping campaign up through the Pacific, to the acceptance of the Japanese surrender on the battleship Missouri. And the waiting was not over. Her husband was called back to wage the desperate struggle in Korea, where here again he never lost faith that he would succeed, as dark as it looked at the time. Once more he conceived a brilliant strategic maneuver — an amphibious assault on Inchon, which the generals thought was foolhardy but which was a complete success. General MacArthur was well on the way to achievement of complete victory over the enemy at that point, but was not allowed to do so. Mrs. MacArthur also had to wait and had to endure what happened thereafter — one of the darkest blots upon American history — but she did not complain.

But General MacArthur was above the pettiness of cheap politics and even cheaper politicians. When he was recalled from Korea and this nation thereby lost the first war it ever lost, he expressed no bitterness, no recriminations. He handled himself like a soldier, like a patriot, like a Christian gentleman. He was above the smallness of those who brought it about. He was still loyal to his country.

And the American people were not fooled. They knew who was the hero of the War in the Pacific during the Second World War. They knew who was the real hero of the Korean War, and they agreed with him that when forced into war "THERE IS NO SUBSTITUTE FOR VICTORY." They knew that he was one of the greatest patriots this nation ever produced. And they received him like the hero that he was — with wild acclaim from San Francisco to New York and on to his speech before the Congress in Washington, a speech that will go down in history as one of the masterpieces of all time.

Let us remember him and his farewell by the moving words he uttered to the corps of cadets at West Point the last time he appeared there:

"The shadows are lengthening for me. The twilight is here. My days of old have vanished—tone and tint. They have gone glimmering through the dreams of things that were. Their memory is one of wondrous beauty, watered by tears and coaxed and caressed by the smiles of yesterday. I listen vainly, but with thirsty ear, for the witching melody of faint bugles blowing

A lesser man would not have stood up under the recall from Korea, a decision of folly for which the Free World has paid, is paying and will always pay. But General MacArthur was held up by his adherence to the principles embodied in his favorite slogan, HONOR, DUTY, COUNTRY — words which he considered hallowed words. He knew he had acted in honor, he knew he had done his duty, and he never lost his faith in his country.

Through the smallness, the pettiness, the bickering, the immorality and the loss of faith in these days and times, General Douglas MacArthur indeed stands out "AS THE SHADOW OF A GREAT ROCK IN A WEARY LAND." General MacArthur is dead, but he left a comforting and inspiring example to this nation's future patriots who must also undergo "times that try men's souls."

Let us remember him and his farewell by the moving words he uttered to the corps of cadets at West Point the last time he appeared there:

"The shadows are lengthening for me. The twilight is here. My days of old have vanished—tone and tint. They have gone glimmering through the dreams of things that were. Their memory is one of wondrous beauty, watered by tears and coaxed and caressed by the smiles of yesterday. I listen vainly, but with thirsty ear, for the witching melody of faint bugles blowing

Committee Makes Recommendation On Salaries - Expenses

Rep. Wilburn Hooker, Chairman of the Joint Committee on Salaries and Expenses in State Government stated that the committee has held a number of hearings and has divided itself into subcommittees, each of which has been assigned a specific area of inquiry; but because of the enormity of the functions assigned to the committee by the Legislature, the committee will in all probability be unable fully to complete its work before the end of the present session of the Legislature, and may of necessity have to ask for an extension until the next legislative session.

The committee is recommending that the present Legislature appropriate a sufficient amount of money to microfilm and laminate the field notes, plat books, and other essential records of the Land Commissioner's Office. Upon the completion of this work in all probability the committee will make specific recommendations to the Legislature for reorganizing and assigning the duties of the Land Commissioner to another department of State Government.

Charley E. McCoy is a member of this committee.

Low Germination Of Soybean Seed Serious Problem

STATE COLLEGE, Miss. — Low germination of soybean seed is a serious problem this year, according to J. W. McKie, assistant agronomist of the Cooperative Extension Service.

He advises farmers who have not done so to purchase their seed now.

Those who have saved planting seed should send a sample to the Mississippi Seed Testing Laboratory at State College for a germination test. The results of this free test will help determine the amount of seed to plant.

"Last fall our soybeans were harvested with an extremely low moisture content, due to the dry weather," he explained. "This caused some seed to be cracked and otherwise damaged in harvesting. Because of this low moisture content the handling and processing of seed beans have caused some drop in germination."

Avoid handling seed beans roughly before taking them to the field. Rough handling can substantially reduce germination by cracking the seed coat allowing the germ plasma to die.

Plant enough seed to have 7 to 10 viable, or live, seed per foot of row. If seed of low germination must be planted, increase the planting rate to give this 7 to 10 good seed per row foot.

The small size of many beans is another current problem. If these

DEXTER C. CADLE

Dexter Cadle Leads All Other Agents In His Company

Dexter C. Cadle, local representative for Inter-Ocean Insurance Company, Cincinnati, Ohio, has been named the company's leading agent for 1963. His personal production ranked him number one in the country among the company's 1527 representatives.

The company's director of general agencies and branches, K. J. Owens, states that this is an exceptional first year record.

Mr. Cadle, who has been in the insurance business since 1949, joined the Inter-Ocean Mississippi branch in 1962, under the leadership of state manager W. Raymond Parker, Jackson, Miss.

A resident of Booneville since 1951, Mr. Cadle services Tishomingo, Prentiss, Alcorn, Tippah, Benton, Union, Itawamba, and Lee counties.

He married the former Marion Nixon in 1944. The Cadles have three children: Tommy 18 Wanda 12, and Bonnie 6.

Ticket Orders For Memorial Stadium Being Accepted

Mail orders for tickets to the four football games to be played in Mississippi Memorial Stadium this fall are now being accepted at P. O. Box 4574, Fondren Station, Jackson, Miss. A ticket priority schedule is as follows:

First—Season ticket reorders from 1963.

Second—New season ticket orders (no limit on quantity).

Third—Multi-game orders for not over four tickets per game to two or more games.

Fourth—Single game orders for not more than four tickets to one game.

Fifth—Unlimited game orders for unlimited quantities to one or more games.

Requests for special seat locations such as high, midway, low, south or north side, or near ramp, may move your seat location 20 yards, or more, nearer the end zone than your seat would be should you make no special request. However, requests for any ONE of the above will be honored as such seats are available.

Season tickets sell for \$20 per set and individual game tickets sell for \$5.00 each. A 50c payment for handling must be added to each order.

Opening the four-game card at the Stadium will be an afternoon conflict on September 26 between Ole Miss and Kentucky.

Second game of the card comes that night, at 8 o'clock, when the Mississippi State Bulldogs clash with the Florida Gators in another battle that could play a major role in the 1964 SEC title chase.

Next on the card is an October 31st clash between State and Alabama. Bear Bryant, one of the most famous names in college football, will be making his first appearance in Memorial Stadium and is preparing another typical Bryant

small seed are sound, they will germinate all right. But this effects the planting rate.

Do not plant too many seed. Too thick a stand will cause excess lodging.

"It will pay you this year to treat your planting seed with arasan, captan or spargon to aid in improving your stand," Mr. McKie said. "If it is necessary to inoculate seed, do not use a seed treatment."

Other suggestions are:

1. Prepare a good seedbed.
2. Plant seed to moisture.
3. Plant during May if possible.
4. Control weeds. Ask the county agent for the latest weed control information.

ant-coached club for the engagement. The Tide has lots of talent but the Alabama trademark will continue to be hard hitting from start to finish. Incidentally, this is Alabama's first Mississippi competition following the victory over Ole Miss in the Sugar Bowl.

Final on the Stadium program is the second of a two-game series in 1964 between the University of Southern Mississippi and Memphis State with this game carded under the lights on November 21.

April 30 Deadline For Excise Taxes

District Director of Internal Revenue Service, J. G. Martin, Jr., reminded taxpayers required to file quarterly Federal Excise tax returns that April 30, 1964, is the deadline for filing returns and paying the tax for the calendar quarter ended March 31, 1964.

Returns should be filed, using the pre-addressed Form 720, which taxpayers received in the mail. The completed returns should then be mailed to the District Director of Internal Revenue Service at 301 North Lamar St., Jackson, Miss.

Taxpayers making full and timely deposits of taxes for the first quarter of the year have until May 11, 1964, to file their Forms 720. However, validated Federal Depository Receipts, Forms 537, must accompany Forms 720, Mr. Martin said.

LOWER WEEVIL COUNT SEEN IN MISSISSIPPI

Fewer boll weevils went into hibernation this winter than last year in most areas surveyed by entomologists who made boll weevil counts. The number surviving the winter, combined with weather conditions during the early part of the cotton fruiting season, will determine potential boll weevil damage to the next year's cotton crop. Boll weevil damage in 1963 was relatively light, and low weevil numbers and timely control efforts helped keep crop losses down. The ultimate goal is complete eradication of the pesky insect.

More children—some 4,900—will die of cancer this year than from any other disease. Some of these children could have been saved through earlier diagnosis and prompt treatment. Others could not. Support the American Cancer Society's research program in the hope that eventually all children will be saved from death from cancer.

More detailed information on this subject is available by telephoning the Internal Revenue Service office nearest you.

1 Of 9 County Residents Getting Monthly SS Checks

About one out of every nine residents of Prentiss County is now receiving a monthly social security check, according to Hugh Tigrett, Social Security District Manager.

Mr. Tigrett's report listed the number of Prentiss County beneficiaries as 1,669 at the end of 1963. The 1,669 beneficiaries in this county are receiving \$76,321.00 monthly. This means that the residents of Prentiss County are receiving almost 1 million dollars annually from Social Security.

In releasing the figures, Mr. Tigrett pointed out that the social security benefits are important to the community as well as to the people who receive them. "It is a fact," he said, "that almost every dollar of social security benefits coming into the County is spent each month in local businesses for food, clothing, shelter, and other essentials. In this way, the benefits have a stabilizing effect on the local economy."

Mr. Tigrett forecast that the number of social security beneficiaries will continue to increase in the future, but at a much slower rate than in the past 10 years. He said that, nationally, the social security benefit rolls increased from about 5 million people in 1954 to more than 19 million at the end of 1963. This rapid growth in the beneficiary population resulted from major amendments to the Social Security Act from 1950 through 1961. He cited several amendments which extended social security coverage to self-employed business and professional men, farmers and agricultural workers, and other groups. As a result, several million people whose work was brought under social security are now receiving benefits. Others qualified through amendments which reduced the amount of work needed to get benefits. One change—lowering the age at which older people can get benefits from 65 to 62—accounts for 1.8 million out of the 19 million people now entitled to benefits. The amendments also introduced a new protection under social security—disability benefits—and 1.5 million disabled workers and their dependents now receive benefits under the disability provision of the law.

MR. AND MRS. WYATT WEATHERFORD

Miss Martha Jones And Wyatt Weatherford Wed At Gaston Baptist Church, April 5

Miss Martha Lurline Jones, daughter of Mr. and Mrs. Vance Jones of Booneville, and Wyatt Hill Weatherford, son of Mr. and Mrs. W. T. Weatherford of Baldwin, were wed at the Gaston Baptist Church on Sunday, April 5, at 4:00 p.m. Rev. Bob Holland of Jackson, Tenn., officiated at the lovely double-ring ceremony before a large assemblage of friends and relatives of the couple.

Mr. Jimmy Murphy of Booneville presided at the bride's register.

A soft glow was cast over the sanctuary by four stands of pink tapers which were lighted by Charles Weatherford and Ted Roberts. The vows were exchanged before an arch entwined with ivy. Two baskets of pink gladioli intermingled with white chrysanthemums added beauty to the altar.

Mrs. Tazwell C. Wingo, Jr., of Memphis, organist, presented a program of nuptial music and accompanied Rev. Holland as he sang "Because" and "O Perfect Love." The traditional wedding marches were used.

The bride, given in marriage by her father, was radiant in a floor-length wedding creation of white peau de sole featuring lace applique on the pleated bell skirt, bodice, and Watteau train fastened from a bow. The applique of the bodice was accented with tiny pearls. The dress featured elbow-length sleeves and a rounded neckline. Her triple-tiered veil of English illusion fell from a crown of fingered orange blossoms. It was of pearl-tip length. Her bridal bouquet consisted of a golden-

throated orchid surrounded by feathery carnations and a cascade of carnations, ivy, and streamers tied in love-knots.

Attending the bride as maid of honor was Miss Virginia Tays. She wore a pink satin dress featuring rounded neckline, elbow-length sleeves, and controlled bell skirt. Her pink satin headpiece was highlighted by a pearl-centered rose and secured her brief veil of pink tulle. Her shoes were of matching pink satin. She carried a bouquet of white pom-poms and cascading ivy and streamers tied in love-knots.

Bridesmaids were Miss Linda Weatherford of Baldwin, sister of the groom, Mrs. Wade Lindsey, and Miss Brenda McCombs. Miss Cindy Jones, daughter of Mr. and Mrs. Kermit Jones and niece of the bride, was junior bridesmaid. Each of the bridesmaids and the junior bridesmaid were dressed identically to the maid of honor.

Mary Green, daughter of Mr. and Mrs. Mike Green, and niece of the bride, was flower girl. She wore a frock of white polished cotton featuring a bouffant overskirt embroidered with pink flowers. Her rounded headpiece of white polished cotton was covered with tiny flowers and secured her brief white tulle veil. She carried a dainty basket of pom-poms and carnations.

Attending the groom as best man was Joe Cunningham of Russellville, Alabama. Groomsmen were Charles Weatherford, brother of the groom, Doug White, and Ted Roberts, all of Baldwin, and Jimmy Murphy of Booneville.

At the conclusion of the ceremony, as the couple knelt at the satin kneeling bench, Rev. Holland sang "Wedding Prayer."

Mrs. Vance Jones, mother of the bride, wore a sheath of pink silk shantung with matching jacket and hat. She wore complementing bone accessories and a corsage of white carnations.

Mrs. W. T. Weatherford, mother of the groom, was attired in a blue sheath of Irish linen with a matching blue flowered hat. Her accessories were of white and she also wore a white carnation corsage.

The bride and groom, their parents, and members of the wedding party formed a receiving line in the foyer of the church and greeted the guests as they left the sanctuary.

Miss Vickie Downs, daughter of Mr. and Mrs. Arthur Downs of Booneville, and Miss Pam Weatherford, daughter of Mr. and Mrs. Bill Weatherford of Tupelo, presented pink net rice packages at the door of the church.

For going away, the bride chose a light blue double-breasted two-piece suit with matching blue flowered cream blouse. Her pill box hat matched her suit, and she wore black patent accessories. For her corsage she wore the golden-throated orchid from her bridal bouquet.

The couple are now at home at 3074 Nathan in Memphis, where the bride is employed at Memphis Light, Gas and Water Division, and the groom is employed at Gulf Atlantic Warehouse.

OUT-OF-TOWN GUESTS

Among those attending the wedding were the following out-of-town guests: Miss Nan Rowan, Miss Clarence Evans, Miss Ester Lee Bryson, Mr. and Mrs. O. O. Cunningham, Mrs. Gladys Hamblin, Mr. and Mrs. Jimmy Cunningham, Mr. and Mrs. Howard Floyd and family, Mr. Walter Gentry, Mr. Aaron Weatherford, and Mrs. Gwen Norman and daughter, all of Baldwin; Mr. and Mrs. Tazwell C. Wingo, Jr., of Memphis; Mrs. George S. Oakley of Batesville, Miss.; and Mrs. Billy Weatherford and Pam of Tupelo.

BRIDESMAIDS' LUNCHEON

Mrs. Richard Kemp and Mrs. Omar Jones honored Miss Martha Jones and her wedding attendants with a bridesmaids' luncheon in the private dining room of the Town Motel on Saturday, April 4 at 12:00 noon.

Those attending were Miss Jones, Mrs. Richard Kemp, Mrs. Omar Jones, Miss Linda Weatherford of Baldwin, Miss Brenda McCombs, Miss Virginia Tays, and Mrs. Wade Lindsey.

A delicious luncheon was enjoyed by each one. The menu listed lime fruit salad, ham, baked potatoes, English peas, hot rolls, iced tea, and angel food cake served with orange sherbet.

The bride-elect wore a lovely spring sheath of navy blue suiting featuring four tiny white buttons on the bodice.

She presented her maid of honor with a cultured pearl and hand-engraved sterling silver pendant and her bridesmaids with dainty floating opal necklaces set in sterling silver.

REHEARSAL SUPPER

Mr. and Mrs. Vance Jones, parents of the bride-elect, entertained members of the Jones-Weatherford wedding party with a rehearsal supper in the home of Mr. and Mrs. Kermit Jones on Saturday evening, April 4. They were assisted by Mr. and Mrs. Kermit Jones and Mrs. Omar Jones and Mrs. Edgar Davis, aunts of the bride-elect. The long table was overlaid with a beautiful white linen cloth. At the head table was placed a colorful arrangement of white flowers.

ON THE LOCAL SCENE

Mrs. G. R. Mitchell had as her guest the past weekend Mrs. Richard Mitchell and Mrs. Pearl Williams from Birmingham, Ala.

Mr. and Mrs. Travis McCharen from Jackson, Miss., and Mrs. Elmo Marble (Miss Elizabeth Jacob) and

flanked on either side by two yellow candles. Ivy extended the length of the table. Miniature replicas of a bride and groom graced the table and the mantle.

The menu consisted of ham, baked beans, potato salad, spiced crabapples, stuffed celery and olive tidbits, hot rolls, tea, coffee, and a cherry pie a la mode.

Those attending were Miss Martha Jones, Wyatt Weatherford of Baldwin, Miss Brenda McCombs, Miss Virginia Tays, Mr. and Mrs. Wade Lindsey, Mr. and Mrs. Kermit Jones, David and Cindy, Mr. and Mrs. Vance Jones, Michael and Mary Green, Mrs. Edgar Davis, and Mr. and Mrs. Jimmy Murphy, all of Booneville; Mrs. W. T. Weatherford, Doug White, and Ted Roberts, all of Baldwin; Joe Cunningham of Russellville, Ala.; Mr. and Mrs. Tazwell C. Wingo, Jr., of Memphis, and Rev. and Mrs. Bob Holland and Mark of Jackson, Tenn.

Following the supper the groom-elect presented his groomsmen with gifts.

baby daughter, Debbie, from Richard, California, spent a few days this week with the H. G. Ewells.

Little DeAnna Ray from Huntsville, Ala., is the house guest of her grandparents, Mr. and Mrs. John Mahaffy this week.

Mr. and Mrs. J. M. Tigrett and

Martha Jean spent the past week end in Greenfield, Tenn., with Mrs. Tigrett's parents, Mr. and Mrs. Brooks Wright.

Mr. and Mrs. J. T. Bonds and children of Memphis, spent the weekend with relatives here.

Mr. and Mrs. Robert Beasley an-

nounce the arrival of a new son, Michael Anthony, who arrived Saturday at the Northeast Miss. Hospital, weighing 8½ lbs. The Beasleys have two other children, Ronny and Diane. Grandparents are Mr. and Mrs. Hester Dunn of Marietta and Mrs. Bob Beasley.

COUNTY AGENT NOTES

By W. TAYLOR SMITH, County Agent

DAIRY NOTES

Want to dairy profitably? Most everyone does. These suggestions may help you: Follow a good breeding program. For most dairymen the artificial breeding program offers the best opportunity. Last year of the 22 dairymen in Mississippi receiving the "Master Dairyman" award, 19 were breeding artificially.

Plan for adequate pasture and stored feed supplies for the entire year. Balance your cow numbers with the available feed supply. For efficient feeding many dairymen must either reduce cow numbers or produce more feed.

Make dairying a business by enrolling the herd on an acceptable herd testing program—either DHIA or Weigh-A-Day-A-Month. One of these programs will fit any size herd. The cost is reasonable.

Practice good herdsmanship, or good herd management. Many dairymen have from \$10,000 to \$50,000 invested in cattle alone. Such investments should be well taken care of. Be interested in marketing as the price of milk plus the volume produced, less expenses still determines net profit.

COTTON NOTES

It costs good money to replant cotton. Shoot for a stand the first time. Not planting too early can mean a lot of difference in whether or not you get a good fast growing stand on the first planting.

A U. S. Weather Bureau publication shows that farmers in the southern part of the state have a 4 out of 4 chance of getting a good stand by planting on April 21. In central Mississippi and the south delta, time is April 24, and in the north delta and northern parts of the state, April 27.

Other factors contributing toward good stands are using good seed. Quality of planting seed generally this year is excellent. But KNOW the quality of the seed you plant.

Correct fertilizer placement. Put the fertilizer to the side below the seed. We have in the past killed stands by placing fertilizer too close to the seed zone.

A well settled seedbed that has enough moisture to bring up seed, even in the absence of rain is important. It will pay to have the seedbed prepared well in advance of planting time.

Place the seed correctly. Where pre-emergence chemicals are used, seed should be at least one-half inch deep. One and a half inches is the maximum planting depth for Mississippi.

Make sure that you use the right rate of pre-emergence chemicals for your soil type. If incorrectly used, herbicides can injure cotton.

CORN PRODUCTION

Remember, if you are growing corn for silage, use one-fourth more fertilizer and 20 per cent more seed to the acre than if you were planting corn for grain. Corn is the best silage crop for livestock and it is not uncommon to grow 100 to 120 bushels value of corn to the acre in silage.

DISEASES OF ROSES

Black Spot, Powdery Mildew, Rust, Crown Gall and the Cankers are major diseases of roses. Control measures effective against Black Spot are also effective against rust and mildew. To control these diseases begin spraying or dusting when leaves are half grown. Spray or dust at weekly intervals during early spring or other rainy periods. A good grade of dusting sulphur, a mixture of sulphur-lead arsenate (Massy Dust), a sulfur-copper dust 90:10 or a sulfur-ferbam dust are all very effective against rust. Control of the canker disease lies mainly in prevention. Keep plants in healthy condition. Provide winter protection—use care when pruning.

Crown gall is a bacterial disease that affects many plants, including roses. Control of the disease large-

4-H Junior Council Has Regular Meeting

Patsy Smith called the regular meeting of the 4-H Junior Council to order April 4 at 10 a.m. Jimmy Olive gave the devotional. Sara Farrar called the roll and read the minutes. The minutes were approved as read.

The president read the council letter from Rock Eagle. The council decided to go to Ocean Springs on their trip, since Rock Eagle would be too far and too expensive.

It was announced the annual talent show would be held on Tuesday night. Sara Farrar and Marie Gann volunteered to collect money at the door. Tommy Counce, Janice Hunt, Larry Furtick and David Hill are to be ushers.

David and Steve Goldman volunteered to help with the pig sale after school hours.

The senior speaking contest was held. The winners were as follows: Girls—1st, Patsy Smith; 2nd, Mary Ann Geno; 3rd, Edith Wimberley. Boys—1st, Doug Holland; 2nd, Steve Goldman; 3rd, Jerry McCombs.

The meeting was adjourned with the repeating of the 4-H Pledge led by Peggy Moore.

Pfc. George W. Estell Training In Hawaii

Army Pfc. George W. Estelle, son of Mr. and Mrs. William E. Estelle, Route 2, Baldwyn, Miss., and other members of the 25th Infantry Division are participating in Exercise High Top IV, an Army-Navy-Air Force field training maneuver on the Island of Hawaii.

The exercise, scheduled to end May 4, began when the soldiers were transported by air and sea from the Island of Oahu to the Island of Hawaii where they are engaging in live fire simulated combat maneuvers.

Estell, a message center clerk in Headquarters, 25th Infantry Division Artillery at Schofield Barracks, Hawaii, entered the Army in November 1962 and completed basic combat training at Fort Gordon, Ga.

The 24-year-old soldier is a 1957 graduate of Wheeler High School and a 1959 graduate of Northeast Mississippi Junior College in Booneville.

It is a matter of prevention. Buy plants free of crown gall and plant them in soil that has been free of crown gall infested plants for at least two years.

HOUSE BILL NO. 822

An act requiring publication of the name and address of all applicants for registration to vote: and for related purposes.

Mississippi band director makes music by phone

Can you imagine the cost of a musical event if this conductor had made all plans in person instead of by telephone?...and what about rehearsals or last minute changes? No wonder he feels his phone helped make beautiful music!

Your telephone helps you get more done in a day. Think of the actual saving in time—plus cost of trips—and you'll agree...phones do so much...yet cost so little.

MISS MARY LINDA KITCHENS

Miss Mary Linda Kitchens To Become Bride Of Jerry Neil Pratt In June

Mr. and Mrs. Clovis John Kitchens of Corinth, formerly of Tupelo and Booneville, announce the engagement of their daughter, Mary Linda, to Jerry Neil Pratt, son of Mr. and Mrs. Edward Melchior Pratt of Corinth.

The wedding is planned for June 22 at 4 p.m. in West Corinth Baptist Church. All relatives and friends of the couple are invited.

The prospective bride is the

New Site RCDC Sponsors Clinic

The New Site R.C.D.C. sponsored a pre-school clinic in Mrs. Lay's classroom Friday, April 3, with the health officer and nurses, Mrs. Mable Nelson and Mrs. Wyatt Breedlove, doing the examinations.

R.C.D.C. members assisting were Mr. Ralph Smith, Mrs. Bud Aldridge, Mrs. Eddie Mayo, Mrs. Joe Johnson and Mrs. C. L. McCreary.

Mrs. Travis Wright, mother of one of the children, also helped. The children played several games and were served chocolate milk before the doctor and nurses arrived. After the examinations the children played outside for a while and then Mrs. Lay read some stories to them, after which lunch was served in the lunchroom.

All the pre-school children were present except two who had mumps. In the afternoon films were shown to the children and games played. Several pictures were taken throughout the day.

Mrs. C. L. McCreary, Reporter

Ten March of Dimes Medical Advances Are Listed for Year

Ten March of Dimes-financed projects in birth defects and arthritis have been cited by The National Foundation for outstanding progress in 1963.

"In 1963 the arthritis riddle continued to baffle the experts and despite many informative studies by scientists, no significant breakthroughs concerning cause or prevention were reported," according to Dr. Theodore E. Boyd, the organization's director of scientific research.

"In birth defects research, progress was more promising," he stated. "New light was shed on the genetic code of life, on how a baby develops normally and abnormally in the womb and on the causes of some of the hundreds of defects which affect more than a quarter of a million newborns in the U. S. each year."

Dr. Boyd reported that in 1963 The National Foundation-March of Dimes awarded more than \$3,512,000 for research grants. Dr. William S. Clark, medical director, also called attention to the continued rapid growth of the Foundation's treatment and research center program.

There are now 48 March of Dimes centers for birth defects and 29 for arthritis across the country, he said. Approximately 1,000 National Foundation chapters granted more than \$1,500,000 to finance such centers in 1963.

The list of top ten March of Dimes-financed projects and achievements follows:

1. Test for Galactosemia. Development of an accurate blood test to detect both victims and symptom-free carriers of an inherited chemical defect called galactosemia, which causes mental retardation in babies when they drink milk. Test perfected by Dr. Arthur Robinson and associates at the University of Colorado.

2. Test for Maple Syrup Urine Disease. Development of a simple blood test to identify infants with an inherited condition named maple syrup urine disease, because of a telltale odor to the urine of its victims. The condition involves abnormalities in body chemistry and generally results in death by the age of two. Test devised by Dr. Joseph Dancis and colleagues at New York University.

granddaughter of the late Mr. and Mrs. David Settle Walker of Kosuth and the late Mr. and Mrs. Joe Kitchens, also of Kosuth. She is a graduate of Booneville High School and is presently employed at ITT Kellogg.

Mr. Pratt is the grandson of the late Mr. and Mrs. James Mitchell Forsythe of Corinth and of Mr. and Mrs. Oscar Pratt of Oxford. He is a graduate of Corinth High School and is employed at Wurlitzer of Corinth.

Blackland RCDC Has Regular Meeting

The Blackland RCDC held its regular meeting Monday night, April 13 with 18 families present. The meeting was called to order by the president, Dalton Garner.

The Wheeler 4-H Boys and Girls were in charge of the program. Manfred Saylor gave the devotional and the group sang the 4-H Song. A piano solo was given by Leonard Mauney; a reading by Sue Tucker; a song by Linda Outlaw, accompanied by Sue Tucker at the piano; a reading by Martha Rutherford; a piano solo by George Rowland; a song, "Reuben and Rachel," by Deborah and David Donovan; a piano solo by Kerry Saylor and a reading by Bobby Donovan. Mr. Jim Archer was guest speaker and he urged all boys and girls to participate in 4-H Club work.

A discussion was held on putting a light up between the church and community center. This was ap-

proved and the light has already been installed. Two work days were planned, one to be held at Oak Hill Baptist Church and the other one to paint the floors at the community center.

The RCDC will sponsor a Hootenanny, which will be held April 28 at the community center. Refreshments were served at the close of the meeting.

I thank Mr. S. T. Dandridge for the following items—he gave me

Just Scribbling

by

MRS. ED JOHNSON

We now have 21 guests at Aletha Lodge with four coming in recently . . . Miss Gertrude Pippin and Mr. Boone Carpenter, both of Booneville, Mr. Roy Thomas of Corinth and Mrs. Ruth Neal of Ripley. We welcome them to our family and hope they enjoy being with us. You are invited to visit them often.

We were recently saddened at the Lodge by the sudden death of Mrs. Pearl Spain. She was so very gracious and appreciative and on occasions her wit and subtle humor gave all of us quite a few laughs. On Monday before her death on Wednesday, she went outside in a walker and supervised the planting of a pansy bed—she loved flowers—and even Wednesday afternoon was up and around and visiting with guests. She is greatly missed.

We also miss the visits of her niece, Mrs. Donald Franks, who came every day—sometimes twice or three times—and filled every want and need of Aunt Pearl. She was kind and thoughtful of her aunt as well as others at the Lodge.

Jim Archer tells me that every car in the county should have a fire extinguisher—being sold by the 4-H Junior Council.

Last week a car in front of the Post Office burst into flames. An extinguisher was brought out from the County Agent's office and the fire was put out in a hurry with little damage to the car.

They'd be handy at home, too.

Once again the Oral Vaccine Sunday was a success and compliments are due the Medical Society as well as the many volunteer workers.

I'm happy the employees at American Seating Company voted "no" to a union. We need more industry in our county and our chances of getting additional factories will be slim indeed if unions are here.

Tate Oakley sends word for me to make mention of the Official Opening of the Country Club House during the First Invitational Tournament which is expected to bring more than 100 of the best golfers in the area to our city, and which will be held May 9 and 10. On Saturday night there will be a free barbecue for club members and families.

Bob Taylor in Washington-Exclusive tells of a clipping from the Salem Monitor which read:

"Many people believe that a newspaper falls together without work or concerted action or plan. Rev. McLeod, a Presbyterian minister at Pasadena was of that opinion and asked to be allowed to edit one edition of the Pasadena Star. The editor gladly accepted the opportunity to go fishing and the minister took up his duties in the newspaper office. This is how he felt when he found himself at the end of the task . . . 'My time is almost up as I pen this last line; my hand is almost paralyzed; my brain is befuddled and I am right glad to vacate the holy spot. Such rush and riot and dismay. Such a jumble of pot-pourri; it strikes me as the effort to bring order out of chaos and to do it lightning-quick."

"I am reminded of the memorable words: 'The earth was without form and void and darkness was upon the face of the waters.' Never shall I criticize newspaper men any more. I shall pray for them. They shall have my heart's forbearance henceforth and forever. They are the hardest-working, shortest-lived, poorest-paid brain workers in this weary old world of ours."

I'm sure employees of this newspaper agree with the gentleman's discoveries and convictions. But, in all fairness, it should be noted that the editor who gave over his chair did not swap desks with the minister for the educational benefit of both. He did not buckle down to writing next Sunday's sermon. He did not undertake a day preaching, praying, consoling the bereaved, advising the distraught, visiting the sick, consulting with the ladies on the covered-dish supper, counseling wayward youth or conferring on finances.

No. The editor went fishing—or was it golfing?

I thank Mr. S. T. Dandridge for the following items—he gave me

a typewritten page full, so I'll save some till later:

Before you decide to argue with the boss, it is a good idea to look carefully at: two sides—his side, and the outside. (Mr. Dandridge, that might should have read, "her" side, in some cases, don't you think?)

There is not one thing wrong with teen-agers that reasoning with them will not aggravate.

If a man fails to put away childish things, someone will likely drive over them coming into the garage.

Till next week,
Helen

Mackey Don Smith Signs Grant-In-Aid With Memphis State

Mackey Don Smith, who was a standout on the Booneville High School basketball team for 4 years, signed a grant-in-aid with Memphis State University last Saturday to end a recruiting campaign that had involved numerous schools throughout the area. The 17-year-old Booneville High School senior is the son of Mr. and Mrs. Earl Smith. Mackey Don's height (6'8"), his effective outside jump shot, and his ability to handle the ball have made him one of the most sought-after high school players in the South. Tiger Coach Dean Ehlers stated, "We want him to play corner-man for us. He can help our ball club and we are pleased he has decided to enroll at Memphis State in the fall."

Mississippi State University, which was probably the next choice for Smith, was bidding heavily for him as late as Friday night. Coach Babe McCarthy had talked with him on several occasions, and spent more than an hour with him last Friday.

Other schools which had talked to Mackey Don were Alabama, Auburn, Tennessee, the University of Mississippi, and Mississippi State University of the Southeastern Conference, independent Delta State, and Texas Tech of the Southwest Conference.

Mackey Don, who occupied the position of center in high school basketball, is due to be a forward on the Tiger squad. He averaged about 20 points per game during the last three years. He was named to the All-Star team his sophomore and senior years, and to the All-Tombigbee Conference team his sophomore, junior, and senior years. This year Coach and Athlete Magazine named him to their All-American team.

Mr. and Mrs. Jimmy Brown recently visited Mr. and Mrs. Bill McCalmon in Sullivan, Mo.

Mrs. Mallie Davis Dies Sunday

Mrs. Mallie Salter Davis of Booneville, widow of the late Calvin R. Davis, who died in 1952, died at 9:15 a.m. Sunday in the North-east Mississippi Hospital of a stroke she suffered a week ago. She was 85.

Services were held at 2:00 p.m. Monday in Saltillo Presbyterian Church with Dr. J. A. Warren of Germantown, Tenn., officiating. Burial was in Saltillo Cemetery with Browning Funeral Home of Ecru in charge.

Mrs. Davis was born at Saltillo, but had resided in Booneville for many years and was a member of Booneville Presbyterian Church.

Her son, William Lawrence Davis, died two years ago.

Mr. and Mrs. Marion Smith and Mr. and Mrs. Kenneth Pounds attended the opening of the new building of the First National Bank of Memphis Wednesday afternoon. Tours were conducted until

HOME AGENT NOTES

By CLAIRE T. ROSS

An attractive main dish salad for luncheon, a pretty fruit salad for your dinner, or a luscious frozen dessert salad when you're party planning. How easy it is to find just the right salad for every occasion!

The almost limitless ways to combine the mineral and vitamin-rich foods which go into a salad make their preparation easy and fun. From a nutritional standpoint, and because salads are such delicious foods by themselves, they are becoming more and more important in the daily menu picture.

There are certain basic principles of salad making that are well worth keeping in mind. With these simple salad preparation techniques you will become an expert.

Remember These Salad Pointers
*Use only chilled and crisp salad greens.

*Greens should never extend beyond the edge of the plate. Excess greenery can dwarf a salad.

*Try for color, flavor, form, and

texture contrasts when combining salad ingredients.

*Always chill canned fruits and vegetables.

*Drain canned fruits thoroughly on paper towels; vegetables in a sieve.

*Arrange any salad on a chilled plate (or bowl) in a simple manner. Avoid a cluttered effect.

*Combine or arrange salads just before serving for a fresh, appetizing appearance.

Mrs. Louise Keeton gave the members of Young Moderns Home Demonstration Club the following recipe. She reports it is delicious as a party salad or dessert:

COLA SALAD

1 No. 2 can black cherries
1 No. 2 can crushed pineapple
1 pkg. cherry flavored gelatin
1 pkg. strawberry flavored gelatin

1 cup pecans
1 pkg. cream cheese (large size)
2 6-oz. colas

Drain juice from cherries and pineapple. Bring to boil on small surface of range. Pour over gelatin and dissolve. Let cool. Add colas. Combine with other ingredients and put in refrigerator to congeal.

Home Demonstration Itinerary:

Pisgah — Thursday, April 16 — 2 p.m. — Mrs. G. W. Taylor.

Jumpertown — Tuesday, April 21 — 2 p.m. — Mrs. G. A. English.

Marietta — Wednesday, April 22 — 3 p.m. — School lunchroom.

Booneville — Thursday, April 23 — 2 p.m. — Mrs. Clarence Chase.

Mrs. J. E. Scott will be co-hostess.

Attention, Horse Enthusiasts

Why not ask your local feed dealer for Horse & Mule Feed? It is a coarse granular mixture of a rich blend of crimped oats, cracked corn, and molasses adequately fortified with necessary nutrients. Feed your horse well and keep him slick and pretty.

Hill's Chapel And Wheeler Winners In 4-H Club Rally

The annual 4-H Club Rally was held Friday, April 10, in the gymnasium of Northeast Mississippi Junior College with approximately 1000 4-H Club boys, girls, a adult leaders, teacher sponsors and superintendents present.

The 4-H members, led by the Baldwin High School Band, marched through Booneville. The group then boarded buses to the junior college for the morning program. Patsy Smith, president of the 4-H Junior Council, served as mistress of ceremonies. Pledge to the American flag was led by Peggy Moore, pledge leader of the 4-H Junior Council. Group singing was led by the Council song leaders, Edith Wimberley, Mary Ann Gen, and Steve Greenhaw. Rev. W. L. Wallace, Pastor of First Methodist Church, Booneville, gave the devotional. Welcome was extended by President E. A. Knight. The response was given by Eddie Alexander, vice-president of the Junior Council. The secretaries' roll call was made by Sarah Farrar, Junior Council Secretary. Patsy Smith recognized the guests and awarded banners to the winning clubs.

The first place winners in the county talent contest presented some very outstanding talent.

The meeting was adjourned by Peggy Jo Moore leading the 4-H Club Pledge.

First place winner in the Grammar School Division went to Hills Chapel; 2nd, to New Site; and 3rd to Wheeler. First place in the high school clubs went to Wheeler; 2nd to Thrasher, and 3rd to Jumper-town.

Fertilizing Permanent Pastures Pays Off

Research shows that fertilizers on permanent pastures pays. Are you convinced? Take a permanent pasture and fertilize one-half of it with either 400 pounds 0-20-20 mixed fertilizer or 400 pounds of 4-12-10 liquid mixed fertilizer. In late April or early May apply 300 pounds of 12-12-12 mixed fertilizer per acre. Place a wire enclosure in both pastures, clip and weigh the difference in amount of green forage. Use the rates of fertilizers best suited to your soils. See your county agent.

NOTICE TO BIDDERS

The Board of Supervisors of Prentiss County will, on May 4th, 1964 at 10 o'clock A.M. purchase for and on behalf of the Fifth Supervisors District one 35 to 45 horsepower tractor with wide front end and live power take-off. And will sell for cash, or trade in on the above described tractor, one 1950 model Ford Tractor with mounted mowing machine.

This April 7, 1964.

Bluford Allen, Clerk of the Board.

2-4tc

NOTICE TO BIDDERS

The Board of Supervisors will, on May 4th, 1964, purchase for and on behalf of the Fifth Supervisor's District, one side mount rotary mower equipped with swing blades, guard chains, front and rear. Bids must be filed with the clerk of this board by 10 o'clock A. M. on that date.

This the 7 day of April, 1964.

Bluford Allen, Clerk of the Board.

2-4tc

NOTICE TO BIDDERS

The Board of Supervisors of Prentiss County will, on May 4th, 1964, receive bids for one mobile combination radio for the Sheriff's car, said radio to be 100 watts, 12 volts, and more particularly described in an order passed on April 7, 1964 and recorded in the minutes of the board.

Bids must be submitted by ten o'clock A.M., on May 4, 1964.

This April 7, 1964.

Bluford Allen, Clerk of the Board.

Spray Pecan Orchards

Cyprex is a new fungicide for control of pecan scab. Cyprex keeps scab off young nuts and preserves leaves for manufacture of food to fill out nuts. Use one-half to one

pound of Cyprex 65-W per 100 gallons of spray. Start when first leaves are showing and repeat at 10 to 14 day intervals as needed. Use 2 pounds Cyprex 65-W in a minimum of 20 gallons of water per acre when applying spray with aerial equipment. See your county agent.

MAKE WAY FOR THE GRASS

Now is the time for everyone to help in keeping the country's roadsides clean and pretty and at a substantial savings to taxpayers.

MILTON MOTOR CO.

NEW — USED

Cars — Trucks

Sales & Service

Road crews are already out working on the state's highway shoulders and country roadsides clearing the washed areas of dirt and gravel which have piled up during the winter months. The grass is at its greenest now, and is probably looking as fresh and pretty as it will all year, and everyone can help preserve the beauty of the state by remembering to dump trash in the garbage can for pickup by regular sanitation carriers and not on the roadways.

Miss Gloria Joyce Wilbanks And Charley Enis Wed In Friday Ceremony At Tupelo Church

Miss Gloria Joyce Wilbanks, daughter of Mr. and Mrs. Noverta Wilbanks of Tupelo, and Charley P. Enis, son of Mr. and Mrs. Noel C. Enis of Booneville, were united in marriage Friday, April 3 at 6:30 p.m. in a lovely ceremony at the East Heights Baptist Church in Tupelo.

The Reverend Harold Wilder performed the double ring ceremony before an assembly of friends and relatives. Nuptial music was provided by Miss Shirley Upchurch of Blue Mountain, soloist, and Mrs. Don Bethay of Tupelo as organist.

Floor baskets of white gladioli and stock were placed on either side of the altar. Candelabras held white lighted tapers.

The bride, given in marriage by her father, was lovely in a dress of white brocade satin. The dress featured a high neck jacket with long sleeves. She wore a white pillbox hat.

The bridal bouquet of stock blossoms centered with white phalaenopsis orchids, rested on a white Bible which was presented to the bride in a white Bible ceremony given for her by her Y. W. A. class.

Mrs. Kenneth Unfress, sister of the bride, matron of honor, wore a pink crepe sheath dress with white accessories. Her pink pillbox hat featured a short veil. She carried a bouquet of pink perfection roses in crescent line.

Mr. Jimmy Counce of Tupelo was best man. Groomsmen were Robert Holley of Ripley and Johnny Simmons of Tupelo.

Mrs. Wilbanks chose for her daughter's wedding a pink lace dress with beige accessories. Her corsage was of white carnations. Mrs. Enis, mother of the groom, wore a lime green two-piece dress with matching accessories and a corsage of white carnations.

OUT-OF-TOWN GUESTS

Out-of-town guests were Mrs. Verda Michael, Mr. and Mrs. Wesley Wilbanks and Shirley, Miss Bar-

bara Enis and Miss Norma Enis, all of Booneville; Miss Shirley Upchurch of Blue Mountain, and Robert C. Holley of Ripley.

RECEPTION

A reception was held immediately following the ceremony at the home of the bride's parents. Miss Barbara Enis, sister of the groom, served the wedding cake, assisted by Miss Norma Enis, sister of the groom. Miss Brenda Wilbanks, sister of the bride, served the punch.

The bride's table, overlaid with a white lace cloth, held the traditional tiered wedding cake. The centerpiece was of pink roses. The guests were served mints, salted nuts, punch, and cake.

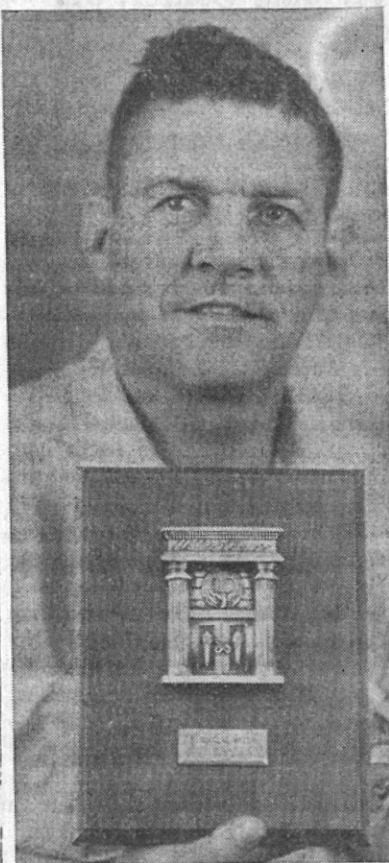

REHEARSAL DINNER

Mr. and Mrs. Noverta Wilbanks entertained the wedding party with a rehearsal dinner at the El Jenkins Cafe in Tupelo. The guests were served a delicious meal of fried chicken. The table was decorated with an arrangement of flowers featuring a miniature bride and groom. As the wedding party entered the dining room the organist played the wedding march.

Pounds Family Entertained At Carrier Lodge

Mr. and Mrs. Billy D. Pounds, Angela and Mary Dean entertained their families at Carrier Lodge in Columbus, Sunday, April 12. A delicious lunch was served at noon.

Those enjoying the lovely affair were: Mr. and Mrs. W. R. Crawford, Pat and Buddy, of Memphis; Eddie White of Ole Miss, and his guest, Ann Martin, of New Albany; Mr. and Mrs. Ben Smith, Mr. and Mrs. Ben Taylor Smith and Sharon, Mr. and Mrs. Percy T. White, Mrs. C. H. Long, Dr. and Mrs. James Stanley Long, Mrs. Sarah Pounds and Annice, Mr. and Mrs. Kenneth Pounds, Phyllis and Marsha, Mr. and Mrs. W. L. Gullett, Jr., Becky and Bill.

C. DOUGLAS MILLER
Doug Miller Receives Salesmanship Award

C. Douglas Miller, salesman for Billingsley Chevrolet Company in Booneville, was awarded the Hall of Honor Award for salesmanship at the Hundred Car Club Convention at the Peabody Hotel in Memphis on March 17. This is the highest salesmanship award presented by the Hundred Car Club. To earn it, a salesman must earn 450 selling points during the year, or 37½ points per month. Mr. Miller almost doubled the required number of points by earning 799 points for the year 1963. An eight millimeter movie camera and projector, a diamond for his lapel pin of service, and a plaque with his name engraved on it were presented to him.

The Hall of Fame Award, the next highest selling award, has been presented to Mr. Miller four times in his nine years as a member of the Hundred Car Club. The requisite for earning the Hall of Fame Award is at least 160 selling points.

A contest among the Chevrolet salesmen of the Memphis Zone is being conducted during the months of April and May. The winner will receive a trip to the World's Fair and Nassau.

Mr. Miller has been associated with Billingsley Chevrolet Co., for 12 years. He and his wife, Martha, and daughter Carolyn, reside on Davis Street in Booneville.

Schedule For Bookmobile

Thrasher School, Jumpertown School, Wheeler School, New Site School, Marietta School, Hills Chapel School, Windham Store (Jumpertown); Livingston's Store (Hwy. No. 4); Moore's Store (Marietta); Mrs. Wilmon Home (Burton); Mrs. Jack Hill (Old Cairo); Mrs. Sims (Old Cairo); Moore's Store (New Site).

Notice

The New Site FHA Style Show will be held next Friday night, April 17, at 7:00 p.m. in the auditorium. Admission will be 25 and 35 cents. Everyone is invited.

Representative McCoy Says "Let's Not Split Quilt Until Finances Are Available To Mend"

Charlie E. McCoy said members of the legislature and the state's monies are in a position very much like the proverbial Irishman and his quilt. The state funds, like the quilt, being what they are, cannot be stretched to meet all the demands much less the basic needs of our people. It is a foregone conclusion that the quilt will have to be supplemented or in plain words, the now existing state funds will have to be upped from some of the various possible available sources.

The members of the legislature, depending upon the status of their constituents, are by no means agreed upon which tree to top for these needed funds. That property taxes have been drained to the limit is universally agreed, but added sales tax, tobacco tax, soft drink and even hard drink additional revenues have been critically considered.

Mr. McCoy said that he, along with the other members, have pet needs which to their way of thinking should come first. He considers agriculture and industry, old age assistance and better educational advantages all important, while other members are pushing for projects which they place foremost.

The quilt it seems will have to be split and spliced but the members can not agree where to cut and with what to splice. The added half-cent sales tax increase in the face of a current legislative need to raise at least 20 million dollars budget for the two years starting in July was not acceptable to the school bloc because they knew it would not be sufficient to take care of the salary increase for teachers. The Senate has already voted 12 million dollars salary raise for teachers but they have not enacted a bill to provide the revenue. The Senate approved salary raise was also approved by the House Education Committee but still faces consideration by the Ways and Means Committee.

Again Mr. McCoy says that the

friends of the teachers are not in favor of any general revenue bill that would not cover the teacher raise. They say let's not cut the "monies quilt" until we get a financial splice to make the blanket big enough to cover a teacher raise as well as the other states needs.

This may be a controversial position but its about the only way open to the various blocs in the legislature. From Mr. McCoy's point of view it is a better position than the arbitrary way of meeting demands of all groups regardless of the urgency of the merit of the need. He says this legislative body is made up of a conservative group of level headed men who are trying to tighten the loop holes in the state's expenditures rather than a free spending body trying to appease everybody at the taxpayers' expense.

ON THE LOCAL SCENE

Mr. and Mrs. James Edgar Thomas, Mr. and Mrs. Calvin Calloway and Mr. Randel Nash, all of Memphis, visited Mrs. J. R. Thomas and Mr. and Mrs. James Thomas, Sunday.

Mrs. J. Paul Richie is visiting Lt. Col. John Lee Richie and family in Greenville, South Carolina this week.

We are sorry to report that Miss George Anne Michael, of Jumpertown, is in the local hospital. We wish for her a speedy recovery.

Mrs. Lucille Smith and Mrs. Larry Doran and Tajuana of Corinth are visiting Roger Smith and family in Newport News, Va.

Mr. and Mrs. James Barnett and Jimmy of Memphis spent the week end with Mr. and Mrs. Hastings

Barnett and Mr. and Mrs. D. W. with Dr. and Mrs. Ray Stewart and Presley.

Mr. and Mrs. Euclid Sullivan, Larry and Leslie of Aberdeen, spent Sunday with Mr. and Mrs. Ben Weeks.

Airman A2C Max Floyd, son of Mr. and Mrs. Rowdy Floyd of Rt. 2 has been home on a 30-day leave. He left Wednesday for Anchorage, Alaska. He has previously been stationed at Turner AFB in Albany, Ga.

Mrs. Omar Jones, Betty and Shirley Oakley spent Sunday afternoon with Mr. and Mrs. Ben Weeks.

Mr. and Mrs. Roscoe Bane spent the first part of the week in Memphis with their son, Bobby Bane and family.

Helen Martin of Booneville and Mrs. Martha Ann Murphy of Ripley attended the Dietetic Association meeting at the Buena Vista Hotel in Biloxi, Friday and Saturday. While in Biloxi they visited

Dr. and Mrs. W. Cleveland, Sr., and H. O. Hollingsworth of Belmont were Thursday guests in the home of Dr. and Mrs. W. Cleveland Jr. and family.

Helen Martin attended the wedding of Miss Linda Cox and William Edward Farr at the First Baptist Church in Forrest City, Ark., last week. She was a guest in the home of Mr. and Mrs. W. L. Farr in West Memphis.

Jimmy Cox, son of Mr. and Mrs. Robert H. Cox of Booneville appeared with the Chicago Opera Co. for three nights last week at the University of Southern Mississippi. He played the parts of a notary musician and a soldier. Jimmy is a voice major.

Mrs. Joe D. Proffitt and two sons of Chattanooga, Tenn., will come down over the weekend to spend several weeks with her mother, Mrs. Clovis Rogers.

THE NEWS FROM—WHEELER

By MRS. BEN WOOD

Pfc. Vester L. Robinson of Kellene, Texas was a guest last week end of Mr. and Mrs. B. E. Niblett and family.

Mr. and Mrs. Henry Reynolds and Mr. and Mrs. James Reynolds and Wanda Ann of East Pleasant Ridge were Tuesday night guests of Mr. and Mrs. Ben Wood.

Mr. and Mrs. Bobby Henson and family of Biloxi spent the weekend here with her parents, Mr. and Mrs. Jay Morgan and son and Mr. and Mrs. Harvey Henson and family of Marietta.

Mrs. Guy Morgan of Booneville was the Thursday night guest of Mr. and Mrs. Coy Malone and Cheryl and other relatives.

Miss Nora Fay Lindsey of Tupelo is spending a few days with her mother, Mrs. Jim Lindsey.

Mr. and Mrs. George F. Woodruff spent Thursday in Corinth with Mr. and Mrs. Thomas Butler and Lloyd.

Miss Marie Woodruff of Memphis was a weekend guest of her parents, Mr. and Mrs. George Woodruff and family.

Mr. and Mrs. Harold Woodruff and family were Sunday guests of Mr. and Mrs. Thomas Butler and Lloyd of Corinth.

Mr. and Mrs. J. V. Moore and Vicki and Mr. and Mrs. Carl Moore spent the weekend in Memphis with Mr. and Mrs. Walton Moore and family.

Friends regret to learn that Mr. Howard Huddleston of Booneville is a patient in the Baptist Hospital in Memphis. He has a host of friends here who wish him a speedy recovery. Also Mr. Claude Gentry of Baldwin is a patient at the Baptist Hospital in Memphis. He also has a host of friends here who wish him a speedy recovery. Moore's Cream Cattle is now open to the public in Wheeler.

Mrs. Verda Michael Is Active Student At Northeast JC

A very active student at the Northeast Mississippi Junior College is Mrs. Verda Michael who will be 79 years of age soon. Mrs. Michael, a retired florist, enrolled for the second semester at Northeast to further her interest in art.

Mrs. Michael, who stated that she has always liked to create, first became interested in painting while vacationing last summer with her sister, Mrs. Ethel Cox, in Oklahoma. Mrs. Cox stated, "Verda, why don't you start painting? You've always had talent and love to do things like this." Thus, through the suggestion of her sister and with the encouragement of her three children and seven grandchildren, Mrs. Michael started her new career as an artist.

When questioned as to her returning to college, Mrs. Michael replied, "All of us should improve ourselves, never look backward but forward, and keep improving. Everyone should have some purpose in life and he should study to help achieve that purpose."

Being active has always been Mrs. Michael's way of life. After the death of her husband, she continued to manage a large farm and financed the education of her children. Later, Mrs. Michael attended a floral school and served Booneville 13 years as a florist.

Still as active as ever, Mrs. Michael does her own housework, grows her flowers and vegetables in her back yard, cans the vegetables in the summer, and participates in church activities at the First Methodist Church in Booneville.

Grandmother Michael, as she is fondly called, has a daughter and two sons — Mrs. W. M. Murphy, Prentiss County Superintendent of Education; Franklin Michael, of Jackson, Miss., a consulting petroleum geologist; and Virgil Michael, also of Jackson, a petroleum engineer.

All Day Singing At New Bethel Church

There will be an all day singing with dinner on the ground at New Bethel Church, located near Hodges Chapel Cemetery, on Sunday, April 26. Mr. Alvie Champion and Mr. Boyce King will be in charge. All singers and listeners are invited.

MR. AND MRS. HAYDEN NEWMAN

Miss Ann Kuhar And Hayden Newman Are Married In Waukegan, Illinois

Immaculate Conception Church in Waukegan, Ill., was the setting for the lovely wedding ceremony of Miss Ann Kuhar, daughter of Mr. and Mrs. Frank Kuhar of Waukegan, and Mr. Hayden Newman, son of Mr. and Mrs. Elton Newman of Marietta, Miss., on Saturday, April 4 at 3:00 p.m. Rev. Paul J. Cull officiated at the double-ring ceremony.

The bride, given in marriage by her father, wore a silk organza wedding gown appliqued with Alencon lace and pearls along the Sabrina neckline. The appliques cascaded down the bodice to the hemline of the controlled skirt.

Her chapel train was caught at the waistline by a large bow. Her veil of illusion fell from a pearl headpiece. She carried a bridal bouquet of white orchids and cascading stephanotis.

Serving as maid of honor was a cousin of the bride, Miss Evelyn Kuhar, who wore a street-length sleeveless sheath of powder blue shantung with a short jacket. She carried a cascade of white daisies and ivy.

Bridesmaid was Mrs. James Newman, sister-in-law of the bridegroom. She wore a dress identical to that of the maid of honor and also carried a cascade of daisies

and ivy. Attending the groom as best man was Harlan Staudt, cousin of the bride, of Dougherty, Iowa. Ushers were Ronald Lingle and Ted Lavris.

A reception was held at 6:00 p.m. at the Elks Club. Many friends and relatives of the couple attended from Iowa, Michigan, Wisconsin, and Illinois.

Immediately following the ceremony the couple left for a wedding trip to Mississippi.

A Tribute To The Memory Of Jessie L. Sparks

A familiar figure and loving smile is gone from our midst. How we miss him, and how we yearn for the old time step and the glad return. But we know that God's ways are higher than our ways, and His thoughts higher than our thoughts.

A devoted husband and father, he loved his family very dearly. He loved his friends and neighbors and was ever ready to help in every time of need. Dear to his heart were the elderly people, and the young have lost a loving friend. His faith in God was deep. He believed in all the promises to mankind set forth throughout the Bible; the study of the Holy Bible; and the true meaning of Christ's Ransom Sacrifice was uppermost in his heart and mind at all times. Many years ago Jessie, along with his wife, gave his heart in full consecration to the Lord. For many years he served as Deacon of a local Bible class. Those who have known "Uncle Jess", from years back, can easily testify of his fruitful strivings to be a Christian since coming to the Lord. Perfection he never claimed. We cherish each remembrance of him. May God bless his memory!

"BELIEVE GOOD THINGS OF GOD"

When in the storm it seems to thee, That he who rules the raging sea, Is sleeping, still on bended knee, Believe good things of God.

When thou has sought in vain to find, The silver thread of love entwined, In life's soft, tangled web, resigned, Believe good things of God.

And should He smite thee till thy heart Is crushed beneath the bruising smart, Still while the bitter teardrops start, Believe good things of God.

'Tis true thou mayest not understand The dealings of the Father's hand. But trusting what His love hath planned, Believe good things of God.

He loves thee; in that love confide; Unchanging, faithful, true and tried, And through whatever may betide, Believe good things of God.

Federal Land Bank Stockholders Meet

Max E. Benoist, manager of the Federal Land Bank Association of Corinth, advises that the annual meeting of stockholders will be at the American Legion Hall, Corinth, Mississippi, on Friday morning, April 17, at 9:30.

Mr. Glenn See, who is connected with the State Vocational Agriculture Department, will be the principal speaker. Mr. See is from Clinton, Miss., has had much experience in the field of agriculture, and is deeply interested in the program of farmers in the state of Mississippi. His talk on beef cattle production will be very valuable to the people of this section.

Girl Scout Finance Conference Held

Mrs. J. E. Thomas, of Iuka, the Tennessee Valley Girl Scout Council's professional staff member for the Mississippi counties, joined the Council's Executive Director, Mrs. Hadley Howard in Tuscaloosa, on Thursday, April 9 for a training conference on "Financing the Work of the Girl Scout Council."

This 5-day conference for volunteers and staff members from the five states of the Dixie Region was led by Mr. W. Waldo Shaver, Director, Finance Services Division of the Girl Scouts of the U.S.A., New York, assisted by Mr. Bill Procelan, Finance Services Consultant, also from the New York headquarters office.

The Girl Scout program for girls 7-17 requires the work of people skilled in the techniques of fund-raising. The Girl Scout council assumes, along with its charter, the responsibility for financing its total program. The Tennessee Valley Council expects to benefit greatly from this finance training and in turn, the communities where more girls are waiting to be served by the Scouting program.

About 180,000 Americans will be saved from cancer this year. Why? Research has developed new and better methods of diagnosis and treatment. The public is increasingly aware of the importance of an annual health checkup as a protection against death from cancer. The American Cancer Society needs your support to continue and enlarge its life-saving programs of research, education and service to patients.

Weeks-Hamlin Engagement Announced

LOIS DIANE WEEKS

Mr. and Mrs. Arnold L. Weeks of Booneville announce the engagement of their daughter, Lois Diane, to Lawrence Elbert Hamlin, son of Mr. and Mrs. Jesse Hamlin of Biggersville.

The bride-elect is the granddaughter of the late Mr. and Mrs. S. E. Weeks of Corinth. The maternal grandparents are Mrs. Alice Bush and the late Mr. J. W. Bush of Corinth. Miss Weeks is a senior at Booneville High School.

The bridegroom-elect is the grandson of Mrs. E. D. Perry of Memphis and the late Mr. Elbert Hamlin of Biggersville. His maternal grandparents are Mr. and Mrs. J. O. Johnson, Sr., of Booneville. He is a senior at Biggersville High School.

An early summer wedding is planned.

VA Answers Vets Questions

Q.—Is it true that the VA is discontinuing distribution of free cigarettes in its hospitals and domiciliarys?

A.—Yes.

Q.—Who gets top priority for VA hospital treatment?

A.—Veterans needing hospitalization for injuries or diseases incurred or aggravated in line of duty in active service.

Q.—I borrowed on my GI insurance and want to start paying off the loan with monthly payments. How do I do this?

A.—Make your check or money order payable to the Veterans Administration and mail it to the VA office where you pay your premiums. Give your insurance number and specify that the payment is to be applied to your loan.

Thomas Comer, Jr. Gets Promotion

Thomas Comer, Jr., of Booneville has been promoted to 2nd Lieutenant during the second rotation period of the 430th Air Force ROTC Cadet Wing at the University of Mississippi.

Cadet Comer, son of Mr. and Mrs. Thomas Comer of Booneville was also recently named Assistant Flight Commander for the Ole Miss Air Force ROTC Cadet Wing.

A 1962 graduate of Booneville High School, Mr. Comer is responsible for assisting his flight commander, and drilling and instructing Delta Flight.

He is a sophomore in General Business. The rotation period is designed to allow cadets in the air science program to assume the leadership duties of graduating seniors. During the six-week period, the cadets get first-hand experience in directing all phases of the cadet wing. At the same time, senior cadets who will soon be commissioned second lieutenants in the U. S. Air Force are elevated to supervisory positions to assist the juniors.

Cadet Comer is also a member

Thrasher FFA Judging Teams Attend Contests

Future Farmers of America judging teams from Thrasher High School attended the state championship judging contests held at Mississippi State University on Saturday, April 11. The teams participated in judging of livestock, dairy, and poultry. Livestock contestants were Ralph Lauderdale, Hugh Perrigo, and Stanley Downs; poultry contestants were Terry Trimble, Dennis Welch, and Joel Rinehart; and dairy contestants were Jimmy Keele, Junior Michael and Donald Davis. The teacher and advisor is Kenneth Genoa.

Recently elected officers for 1964-65 are: president, Danny Lowrey; vice-president, Pat Lambert; secretary, Jimmy Keele; treasurer, Ray Vuncannon; reporter, Ralph Lauderdale; sentinel, Hugh Perrigo; parliamentarian, Denny Richardson; and chaplain, Karry Taylor. Sweetheart of the FFA is Peggy Pardue.

of Sigma Nu Fraternity. He expects to graduate in June, 1966.

Eaton-Moore Vows Exchanged April 10

Mr. and Mrs. Earnest Eaton of Booneville announce the marriage of their daughter, Earnestine, to Jimmy Moore son of Mr. and Mrs. James T. Moore, also of Booneville.

The wedding of beauty and simplicity was solemnized April 10 in the home of Rev. H. C. Smart, uncle of the groom, before an assembly of close friends and relatives.

Vows were exchanged in the spacious living room where spring flower arrangements were centered throughout.

The bride was lovely in a blue cotton two-piece suit with white accessories. Her wedding bouquet was of white carnations.

The couple chose as their attendants, Miss Ouida Hughes and Mr. Lawrence Sparks. Miss Hughes was attired in a powder blue spring cotton with white accessories.

After a short wedding trip, the couple will be at home in Jumbertown, where the bride is a senior and the groom attends Northeast Mississippi Junior College.

THE NEWS FROM-- HESTER

By GRETCHEN TWITTY

Recent guests of Mr. and Mrs. Junior Nunley were Mr. and Mrs. Roy Nunley of East Booneville and Mr. and Mrs. Archie Patrick of Guntown.

Mrs. Maudie Hall spent last week with relatives in Memphis and New Albany.

Mr. and Mrs. Marion W. Smith of Booneville spent Sunday with the Herschel Smith family and Mr. and Mrs. Dan Woodruff.

Mrs. Nonan Chaffin of Booneville visited with friends here Friday afternoon.

Miss Ann Shook spent last week in New Albany with her sister.

Mrs. Dudley Lindsey made a brief visit with the Shirley Yarbber family of Marietta Friday afternoon.

Mrs. Maudie Hall, Mrs. J. L. Hall and Miss Ann Shook were in Tupelo recently on business.

Mr. and Mrs. Gene Boren of Baldwin were dinner guests of Mr. and Mrs. Junior Nunley recently.

Mrs. Earl Chittom and Ricky of Booneville made a brief visit with Mrs. Doshia Wilson Saturday.

Mr. and Mrs. Herman Powell and Mitch and Mr. and Mrs. Dudley Lindsey were Sunday guests of Mr. and Mrs. Randal Barron of Booneville.

Sunday visitors of Mrs. Maudie Hale were Mr. and Mrs. Tice Hall, Mr. and Mrs. Jackie Hall of Wheeler and Mr. and Mrs. Quitman Hall of Booneville.

Mrs. Dovie Powell of Pleasant Ridge made a brief visit with friends here Thursday afternoon.

The American Cancer Society reports that there are now 1,200,000 Americans alive today cured of cancer—that is alive today 5 years after treatment without symptoms of the disease. An additional 700,000 cancer patients treated within the last five years will live to en-

ter the ranks of those cured. Thus there are actually 1,900,000 Americans cured of cancer. The American Cancer Society needs the support of all to keep up and enlarge the gains made against the disease.

PUBLIC LIBRARY

LET'S LOOK AT READING AND LIBRARIES IN MISSISSIPPI

Please answer the questions in this library survey. Clip and return to your nearest library.

Do you use your public library?

If no:
Does any member of your family use the public library?

Do you know where it is located?

Do you know you can check out books free? A library card doesn't cost anything.

Why don't you go in and meet the librarian? She'll be glad to help you select books.

If yes:
Do all the members of your family use the public library?

What type of books do you like best?

How often do you go to the library?

Do you know your librarian's name?

Approximately how many books did you read last year?

New Site Junior 4-H Club Met April 8

The New Site Junior 4-H Club met Wednesday, April 8 at 8:15. Steve Johnson called the meeting to order. Donny Cunningham read the devotional and Mr. Archer led in prayer.

Stan Riddle read the minutes of the last meeting. Mr. Archer then gave a talk on the tractor driving contest and crop judging contest. He gave out some project literature. The meeting was adjourned at 9:05.

Kenneth Martin, Reporter

Plant Your Cotton Allotment In 1964

When you fail to plant your entire cotton acreage allotment, cotton acreage history is lost in the future. Wake up—get busy—over-plant and plow up if necessary. See your ASCS officer, Mr. Charles E. Calvert, for more information.

ter the ranks of those cured. Thus there are actually 1,900,000 Americans cured of cancer. The American Cancer Society needs the support of all to keep up and enlarge the gains made against the disease.

Answers That May Help Save Your Life

"Answers to Questions That May Help Save Your Life."

This is the title of a leaflet that will be left at all homes in Prentiss County as the American Cancer Society conducts its educational and fund-raising Crusade during this month of April.

"We hope to make this the greatest educational effort ever undertaken by the Society in its fight to help protect our people from death from cancer," Mr. Wayne Hunter, Chairman of the Prentiss County Unit said.

"Our volunteers will not be content until every home has a copy of the American Cancer Society leaflet because the home is the place where protection against death from cancer begins."

"Last year some 5,000 copies of a similar life-saving educational leaflet were distributed in Prentiss County."

"Mr. Hunter added that 'if every family reads and follows the message in the leaflets brought into the home, we could say that one out of two of those who develop cancer should be saved. Much of the responsibility for loss of life from cancer depends on the individual—what action the individual takes. It is tragic that only one of three who develop cancer is saved, when we know that one out of two could be saved simply by the exercise of proper precautions."

The leaflet poses and then answers five questions:

● Are we getting anywhere against cancer? Yes. More than a million Americans have been cured of cancer. Improvements in surgery, radiation, the use of drugs, new techniques of diagnosis, better facilities for treatment are saving the lives of tens of thousands annually.

● What signs or symptoms may mean cancer? Cancer usually begins quietly and spreads without pain. In the beginning, a danger signal may seem very unimportant; only a doctor can tell whether it means cancer.

The danger signals are:

1. Unusual bleeding or discharge.
2. A lump or thickening in the breast or elsewhere.
3. A sore that does not heal.
4. Change in bowel or bladder habits.
5. Hoarseness or cough.
6. Indigestion or difficulty in swallowing.
7. Change in a wart or mole.

● What kind of cancer is mounting most rapidly? Lung cancer. It can often be prevented by not smoking cigarettes or giving up cigarettes if you already smoke.

● What kinds of cancer kill most Americans? Lung cancer and cancer of the colon and rectum; each causes the death of more than 40,000 persons annually.

● What can you do to help protect yourself against cancer? Have an annual health checkup. Know and act upon the danger signals. If a signal persists for more than two weeks, see your doctor.

● What can you do to help protect yourself against cancer? Have an annual health checkup. Know and act upon the danger signals. If a signal persists for more than two weeks, see your doctor.

● What can you do to help protect yourself against cancer? Have an annual health checkup. Know and act upon the danger signals. If a signal persists for more than two weeks, see your doctor.

Local Jeweler Leaves For New York Meeting

Wayne Hunter of Way-Fil Jewellers here in Booneville, is now on his way to New York City to attend the 30th Annual Conclave of the American Gem Society. The four day gemological seminar will be held at the Biltmore Hotel, April 18-21. While there, Mr. Hunter will participate in special laboratory sessions under the direction of instructors trained in advanced gem identification techniques.

The American Gem Society is a trade organization composed of jewelers in the United States and Canada. It was founded in 1934 to professionalize jewelers and to protect the buying public through a program of education and ethics on the part of member firms. Mr. Hunter holds the title of Registered Jeweler signifying the completion of special courses of study in the field of gemology.

A highlight of the Conclave will be a report on the proposed American Gem Society Clarity Standard.

000 persons annually. It is estimated that 75 per cent of the lung cancer deaths could be prevented and that a similar percentage of those with cancer of the colon and rectum could be cured by early detection and treatment.

ards, an integral part of a system for uniform diamond grading and valuation for the entire jewelry industry.

While in New York, he will also visit many of the important jewelry trade centers, as well as the international jewelry exhibits at the New York World's Fair which opens April 22.

Mr. Hunter will return to Booneville next week.

Barbara Wilson Junior Member Of Guernsey Club

PETERBOROUGH, N. H. — Barbara Nell Wilson, New Site, Miss., has been accepted for Junior Membership in The American Guernsey Cattle Club.

By qualifying as a Junior Member of the AGCC, Barbara will receive a membership certificate and have the privilege of registering Guernseys at the low member rate.

This junior membership will be in effect until the new member reaches 21 years of age.

Thousands of young people from all over the United States have been accepted for junior membership in The American Guernsey Cattle Club since the program started.

Requirements for junior membership in the AGCC are simple. Young people must be individual owners of one or more purebred Guernseys, and at least one of the animals must be registered or become registered at the time the

youngster's application for membership is processed. Applications for membership must be endorsed by a State 4-H Club Leader, County 4-H Club Agent, County Agricultural Agent, Vocational Agricultural Supervisor, or an adult member of the AGCC.

Full details on the new Junior Membership Program may be obtained from The American Guernsey Cattle Club, Peterborough, New Hampshire.

About 48,000,000 Americans now alive will eventually develop cancer if present rates continue. The American Cancer Society says that

half of them could be saved through early diagnosis and treatment. Saving the other half depends on future research. Support the Society's nationwide research program by giving to the April Crusade.

ASK YOUR FERTILIZER DEALER

HE WILL TELL YOU THAT—

...“L/AN contains 20½% non-acid forming nitrogen and sells for the same price per bag as 16% nitrate of soda. This means that 4 bags of L/AN contain as much nitrogen plant food as 5 bags of ‘soda.’

...a ‘soda’ user who is presently using all the nitrogen he needs can cut back 1/5 by changing to L/AN and get the same amount of nitrogen at a saving of 20c on each ‘soda’ dollar.

...a farmer who has been skimping on ‘soda’ and not using what he ought to use, can spend the same amount of money for L/AN and get 1/4 again as much nitrogen plant food. In other words, here is an opportunity to upgrade nitrogen fertilization practices at no increase in cost.”

Christian Home And Bible School Chorus To Be At The Church Of Christ Sunday

Sunday afternoon at 3:00, the Christian Home and Bible School Chorus of Mt. Dora, Florida, will present a program at the Booneville church of Christ building.

This choral group is made up of 34 voices. They will be directed by Mr. Vernon Means who has spent much time in training this group.

They will be accompanied in their visit by Mr. and Mrs. Orvel Boyd. Mr. Boyd is Superintendent of the Home and School. This school is a part of an orphan home that is supported by churches of Christ.

The Chorus is participating in a Chorus Festival at Freed-Hardeman College in Henderson, Tenn. On their return trip they will sing in

our area at the Ripley church of Christ at 10:00 a.m. Sunday, then in Booneville at 3:00 and at the Gloster Street church of Christ in Tupelo Sunday night.

The public is cordially invited to attend this program at the Booneville church of Christ.

Hill's Chapel 4-H Girls Meet

The 4-H Club girls of Hill's Chapel met Monday, April 13 for their monthly meeting. The president called the meeting to order. The meeting was then turned over to Miss Edwards for the Community Attainment Day contest.

N. E. Lit Classes To Have Bake Sale Fri.

The English Literature Classes at the Northeast Mississippi Junior College will sponsor a Bake Sale on Friday, April 17 from 9:00 a.m. until 2:00 p.m.

Proceeds from the Bake Sale, to be held in front of the Student Center, will be used for the Shakespeare Memorial Fund.

BHS Junior Girls In Powder Puff Game

The girls of the Junior Class of Booneville High School will face a squad of challengers from the entire high school in a Powder Puff football game on Saturday night, May 2. The game will be played in the Northeast Miss. Jr. College football stadium.

Coaches for the event will be boys from the Junior Class. A special attraction will be the presentation of an all-male Homecoming Court and cheerleaders.

Eudora Apartments Yard Of Month

The Eudora Apartment building on College Street, owned by Mrs. Jettie Nunley, was awarded the "Yard of the Month" honor by the Booneville Woman's Club.

Of special note is the lovely thrift on each side of the two sidewalks. The thrift is interspersed with tulips of various colors.

Religious Emphasis Week To Be Held At NEMJC April 20-24

"The Reason Faith Makes Sense" has been chosen as the theme for Religious Emphasis Week to be held April 20-24 at the Northeast Mississippi Junior College. Reverend Jan E. Braun, the Southeastern States Director for Campus Crusade for Christ is an interdenominational collegiate work that involves speaking to many students both individually and in groups.

Reverend Braun received a BA Degree from San Jose State College, San Jose, California, and a BD Degree from North Park Theological Seminary, Chicago. He has been a teacher, Chaplain, and coach in a church related school. The past 13 years have been spent in youth work with the greater part of his work being with fraternities, sororities, and athletic teams.

Religious Emphasis Week is sponsored by the Student Christian Association which is made up of representatives from all the religious organizations on the Northeast campus.

James S. Berryman Rites Held Wednesday

Funeral services for Mrs. James S. Berryman of Booneville, Rt. 2, were held Wednesday afternoon at Carolina Church with Bro. Huey Wood officiating. Burial was in the church cemetery with McMillan Funeral Directors in charge.

Mrs. Berryman died Tuesday at 1:30 p.m. in the Northeast Miss. Hospital following an extended illness. She was a native of Prentiss County and a member of the Methodist Church. She was 75.

She leaves five sons, John Berryman, Thomas Berryman, both of Rienti, Gene Berryman of Booneville, Earnest Berryman of Pascagoula, and Howard Berryman of Walnut; two daughters, Mrs. Mary Lee Key of Batesville, and Miss Beatrice Berryman of Booneville; a sister, Mrs. Lizzie Dobbs of Cherokee, Ala., several grandchildren and great grandchildren.

R. B. Loveless To Hold Services At Prospect

Layman R. B. Loveless will hold services at the Prospect Baptist Church Sunday, April 19 at 11:00 a.m. Bro. Sidney Dobbs is pastor. Everyone is invited.

A CANDLELIGHT CEREMONY preceded the family dinner which the Girl Scouts of Troop 185 gave at the elementary school last Thursday evening, April 9. Mr. James W. Smith, Jr., principal of the school, gave the invocation. Mrs. Joe Richey and Mrs. Don Bigsby, Troop Leaders, reported a 100 per cent attendance and a fine cleaning up job by the Scouts. Present were: Judy Bethay, Patti Bigsby, Greta Buchberger, Susan Clauch, Nancy Franks, Sandra Goodman, Debra Green, Rebecca Houston, Cheryl Hunter, Eileen Lawyer, Lynn McCombs, Mary Nunley, Sandra Presley, Danielle Prichard, Lynn Reid, Diane Richey, Peggy Robertson, Mary Bess Steele, Trena Vassar, Debra Waters and their families.

Tommy Comer To Attend State-Wide Meeting In Jackson

Governor Paul B. Johnson will highlight the first state-wide meeting of the Lieutenant Colonels and Colonettes with a banquet address, according to Jack H. Pittman, Hattiesburg, Chief of Staff of the Lieutenant Colonels and Colonettes.

Thomas H. Comer, Jr., who is attending school at Ole Miss, is one of the Lieutenant Colonels.

The state-wide meeting is planned for Saturday, April 25, at the Heidelberg Hotel in Jackson.

The age group of the Lieutenant Colonels and Colonettes staff range from approximately 15 to 26 years and is the first such organization in the history of Mississippi.

Schedule of events are: Registration from 11 a.m. to 4 p.m., Victory Room Foyer; open house at the Governor's Mansion with Governor and Mrs. Johnson receiving from 1:30 to 3:30 p.m.; general assembly and business session from 4 to 5 p.m., followed by a banquet in the Olympic Room starting at 7 p.m.

Pilot Members To Attend Convention

Mrs. Nancy Kizer, Mrs. Louise Peeler, Mrs. Mary Gault Nabors and Mrs. Sara Pounds will attend the District 3 Convention of the Pilot International April 17, 18 and 19 at Monroe, La.

Mrs. Kizer, Mrs. Peeler and Mrs. Nabors will attend the convention as delegates from the Booneville Pilot Club. Mrs. Kizer will also serve on the Club of the Year committee to select the most outstanding Pilot Club in the states of Mississippi and Louisiana.

Mrs. Pounds as Membership and Pilot International Chairman of District 3 will present her plan of work at the business session of the convention on Friday morning, April 18.

The delegates are carrying gifts from local manufacturers as door prizes to be given at the convention. Brown Shoe Company has presented a gift certificate for a pair of ladies shoes and Marietta Manufacturing Company has donated a ladies blouse.

Pearl Caldwell Circle Meets In Home Of Mrs. Nelson Baldwin

Pearl Caldwell Circle met Monday afternoon in the lovely home of Mrs. Nelson Baldwin with ten members present. Mrs. J. S. Mason was welcomed back after an absence of several months. Mrs. Cecil Spain was welcomed as a new member.

Mrs. O. L. Clark opened the meeting with prayer. The chairman directed the business and reports. A card of thanks from Ken Carter of the Children's Village at Jackson was read. The circle had dressed a boy for Easter.

Mrs. Tony Blythe had charge of the call to prayer, reading scriptures from Luke the 10th chapter and praying for the missionaries on Calendar of Prayer.

Mrs. John Mahaffy, program chairman, directed the program on "Baptists Emerge Into Modern History." Mrs. Mahaffy told the important role in the drama of Baptist growth. The Bible is the book which is the inspiration and guide for the Christians called Baptists. Mrs. O. L. Maxwell reviewed the book, "The Mystery of Iniquity"; Mrs. Baldwin reviewed the book, "Religious Peace"; Mrs. Dave Floyd told of the pamphlet, "An Humble Supplication to the King's Majesty"; Mrs. Troy Spain told of some of the hardships of John Bunyan in the book, "Pilgrim's Progress."

The meeting was closed with prayer for renewed strength to stand for right, by the chairman.

The hostess, assisted by Mrs. Mahaffy and little Deanna Ray of Huntsville, Ala., served lemon chiffon pie, coffee and tidbits to the members.

Former Booneville Pastor To Preach In Australia

The Rev. C. A. Alexander, former pastor of the First Baptist Church, Booneville, now pastor of Lakeview Baptist Church, Tallahassee, Fla., will join some 300 other persons, who, at the invitation of the Missouri Baptist Convention, will direct a nation-wide revival for the Australian Baptist Convention.

Rev. Alexander left Tallahassee April 3 and flew to Sydney with a stop-over in Honolulu. Upon his arrival in Sydney he will participate in an orientation program, after which he will conduct revival services in an Australian Baptist church for four weeks.

On his return trip he will visit Fiji, Indonesia, Malaysia, Thailand, Burma, Pakistan, India, Iran, Iraq, Turkey, Austria, Germany, Italy, France, Yugoslavia, Spain and Portugal.

The Brotherhood of the church is sponsoring the trip.

Rev. Alexander has held revivals in Panama and Jamaica and has filled speaking engagements in Brazil, Colombia and Luxembourg. He has visited the Holy Land twice.

IN APPRECIATION TO THE EMPLOYEES OF AMERICAN SEATING COMPANY

We have always known that we had good, sound, solid, substantial thinking people who would do what was right and what was best for themselves and their community when the showdown came.

This was definitely proven in the election Tuesday and this fact will be recognized by industry everywhere as they look toward Prentiss County for the favorable industrial climate for location of industry to provide more jobs for this type employees.

This message prepared and paid for by neighbors and friends in Prentiss County who have worked long and hard to develop industries in our county and who expect to continue to work for more and better jobs for the people of our community.

We Are Growing... Gain 401 Places

"American Banker" magazine's Year-End roll call of 8,000 largest banks in the United States shows the Prentiss County Home Bank made the spectacular gain of 401 places in rank since a year ago and now occupies 7551st position.

We express our deep appreciation to our many customers in Prentiss County and the Booneville Trade Area for their confidence which made this growth possible.

If you are not already among the growing family of customers who take advantage of our many banking services, we cordially invite you to bank with us.

You'll Like The Way We Do Business.
