Pilot Pancake Festival To Be Held Nov. 7th

The Pilot Club of Booneville will sponsor the 12th annual Pancake Festival, Saturday, November 7, in the building formerly occupied by Lindsey's Cleaners on Church St. instead of the American Legion Building as previously announced.

Pancakes with sausage and all the trimmings will be served from 6 a.m. until 2 p.m. Contributors for the ever popular menu will be the Carnation Co., Alcorn Wholesale Co., C. P. Walker and Son, Big Star and the Chase & Sanborn Co. Representatives from these firms will also be present to add to the festivities.

These plans are announced by Mrs. Bob Buchberger, chairman of the Finance Committee. Other members include Mrs. Hoyt Nelson, Mrs. L. Sutherland, Mrs. Cliff Michael, Mrs. U. H. Davis, Mrs. Dewey Holley, Miss Earline Woods, Mrs. Bill Golden, Mrs. Mary Gault Nabors and Mrs. L. W. Peeler.

Pilots are enthusiastically selling tickets for the gala affair for 75 cents. The proceeds will be used to carry the main projects for the Pilot Club, which are dental care for the underprivileged children and the sponsoring of a scholarship to a deserving young lady at the Northeast Mississippi Junior College.

It has been the pleasure of the Pilots to give dental care to underprivileged children since the local club was chartered in 1950. Seventy-five children have received dental care since last year's Pancake Festival. Even though Pilot Dental funds have been depleted since May, local dentists have continued to take care of emergencies and have deferred payment.

The Pilot Club has sponsored scholarships to young ladies at the Northeast Miss. Junior College for the past 12 years. All except two of the recipients have graduated from that institution and are at present successful in their chosen careers.

In announcing the 1964 Pancake Festival the members of the Pilot Club would like to express their sincere gratitude for the cooperation that the public has shown in the past and cordially invites everyone to eat with them. Tickets can be obtained from any Pilot or at the door.

The child was placed in the custody of his mother, who resides in

Dr. W. L. Jaquith, administrator of the Mississippi State Hospital at Whitfield, second from right, was guest speaker at Tuesday's Rotary meeting. Shown with him left to right is Fred Houston, president, Dr. W. H. Anderson, program chairman and who introduced the speaker and Mayor Marion Smith.

Dr. W. L. Jaquith Discusses The State's Services To Mentally Ill

Dr. W. L. Jaquith, administrator of the Mississippi State Hospital at Whitfield, reviewed Mississippi's more than a century of service to the mentally ill, at the weekly meeting of the Booneville Rotary Club Tuesday.

Dr. Jaquith, who has been administrator for 15 years, stated that the hospital at Whitfield admits more than 4800 patients annually, but 85% of them, following treatment, are returned to their homes. He said fifteen years ago the average stay of a patient was from six months or longer; today it is six weeks or longer.

Statistics reveal: Blue Cross now pays 30 days in a general hospital for the mentally ill patient. Seventy per cent of criminals committed to the hospital are returned to the courts with only 30 per cent requiring treatment. The hospital admits over 800 alcoholics and 200 drug addicts yearly with more women than men admitted as drug addicts. Fifteen years ago the pre-

ceding ratio was 20 men to one woman — today it is 20 for 20. The hospital has 5600 beds with a 60-bed general hospital for whites and a 60-bed general hospital for Negroes. Due to essential repairs now in progress, some of the beds are not available but will be at an early date. Jackson specialists give one day each week and are available for emergencies in their specialty, in addition to the full-time staff of competent physicians, surgeons and psychiatrists. Whitfield claims the lowest death rate of any mental hospital in the U.S. A chapel with a full-time chaplain ministers to the spiritual needs of patients and services are held daily.

Emphasizing the home and the community, Dr. Jaquith concluded: "Mental health and illness are fundamentally a community concern. The support of mental health effort is public responsibility. When we have beds available to the mentally ill within the community, with psychiatric help and a program of prevention at home, we will have attained the most effective program. I would gladly like to see the day arrive when crepe would be hung on the door at Whitfield and Mississippians take more pride in their advance in mental health than in a greater institution for the mentally ill."

Dr. W. H. Anderson was program chairman. This was Dr. Jaquith's first visit to Booneville due to his busy schedule and Rotary members were honored that he could attend and speak to them.

6500 In Prentiss County Are Eligible To Vote In General Election Tuesday

Roy Lowrey, circuit clerk and county registrar, said this week that in Prentiss County approximately 6500 voters are registered who will be eligible to vote in the national general election Tuesday, November 3, for which no poll tax is required.

Two ballots will be used in the election. The national ballot contains the names of seven presidential electors pledged to vote for Lyndon B. Johnson for President and Hubert H. Humphrey for Vice President. They are Malcolm Garvin, Alonzo Westbrook, Wade Hampton LaGrone, Douglas Wynn, Fred Berger, Mrs. Milton McMullan and Dan Russell.

Electors on the national ballot pledged to vote for Barry M. Goldwater for President and William E. Miller for Vice President are Julius W. King, Joe A. Moore, Robert H. (Bob) Buchanan, J. Wesley Whitten, Kelsey B. McKay, G. D. Causey and Victor Mavay.

Also on the national ballot unopposed are John C. Stennis for the U. S. Senate and Thomas G. Abernethy for Representative in Congress.

Mr. Lowrey said that between 5900 and 6000 would be eligible to vote the state ballot for which they must be qualified under state laws and the books must show that poll

taxes have been paid for 1962 and 1963. Although poll tax receipts are not required, it will be wise to carry them to the polling places in the event of any mistakes, Mr. Lowrey said.

In Prentiss County's first, second and fifth districts the state ballot will carry only the name of William H. Inzer for supreme court judge. The third and fourth districts will each elect a member to the county board of education. Candidates in the third district are John H. Gardner and F. L. King. In the fourth district candidates are Grafton Farrar, R. H. Googe and Ray Johnson. The man receiving the most votes will be elected even if he does not receive a clear ma-

jority.

In cooperation with the news services of the United States a trend of election returns will be reported by civic clubs all over the nation. For the Prentiss County area the Booneville Civitan Club and Prentiss County Citizens Band Radio Club will supply the total count at completion from each precinct. Baldwin Civitans will handle returns from Third District precincts.

Plans have been formulated for a Civitan member to accompany a Citizens Band mobile unit to each precinct and call in the count by radio to the court house, from where they will be telephoned to Jackson by direct line.

QUILTING—The Booneville Home Demonstration Club members met in the home of Mrs. Carmon Walden Thursday for an all-day quilting. Shown left to right, seated: Mrs. Homer Parker, Mrs. Blanche Howell, Mrs. L. H. Stutts, Mrs. Claudia Price, and Miss Ethel Sims. Standing: Mrs. Carmon Walden, Mrs. Myrtle Padgett, Mrs. Clarence Chase, Mrs. Claire Ross, Mrs. J. E. Scott, Mrs. Gertrude Stutts and Mrs. Lloyd Downs.

Booneville Home Demonstration Club Has Quilting Party In Carmon Walden Home

The Booneville Home Demonstration Club met Thursday in the lovely home of Mrs. Carmon Walden with Miss Ethel Sims, associate hostess. The members came together in a practical way for the enjoyment of an all day quilting.

Symbolic of the welcome spirit of the hostesses, fresh garden flowers were arranged in the living room. The coffee table design observed an autumn theme with bronze and gold chrysanthemums. The piano composition was a composition of ornamental grasses, russet and gold dahlias, and celosia. The novel fireside arrangement pictured the rich seasonal colors

with dried flowers in a white iron stone pitcher on the raised-brick hearth.

The large pine-paneled combination den and kitchen which offered an appropriate Early American setting, was the center of hospitality.

In the olden days quilting was one of the few means of artistic expression. Quilts unique in their design and coloring satisfy homelovers because they give the atmosphere of true craftsmanship which adds to the quaint beauty of our pioneer artistry.

With needles skillfully plied, along with moments of conversation around the frames the quilt with

its excellent showing of workmanship was soon completed. It will be presented to the Goodfellows for their gift giving program.

At noon, the bounty of the harvest table was featured. The members are all good cooks and much of the delicious and appetizing food, a regular smorgasbord was prepared from the fine collection of recipes that may be found in their recently compiled cook book, which is now offered for sale.

In the afternoon the efficient president, Mrs. Lloyd Downs called the meeting to order. After the Pledge of Allegiance to the Flag and the Home Demonstration Pledge, Mrs. J. E. Scott conducted the devotional.

Mrs. Clarence Chase gave the club collect. Mrs. R. H. Burress' report, well-organized, on yard beautification was impressive with some helpful suggestions for bulb planting and the care of shrubs through the winter months.

Able and dedicated in her guidance of the women of Prentiss County in the art of home making, Mrs. Claire T. Ross, who is well recognized for the merit of her instruction, talked on "Floor Care," substituting for the leaders. While tracing the progress of floor-care equipment from the outmoded and discarded shuck mop and sedge broom, Mrs. Ross emphasized the distinct advantages of the modern vacuum cleaner. After explaining and drawing attention to the display of the proper cleaners to be used on the various types of floors, an important phase, the speaker told the inside story of carpet care, while distributing the ten commandments, a leaflet containing the basic rules for smooth-surface floor cleaning, adding "floors

should have tender, loving care." There was a good attendance at this highly informative and delightful meeting.

Town And Country Garden Club Met On October 20

The Town and Country Garden Club met Monday, October 20 in the attractive home of Mrs. Bill White, with Mrs. Frank May serving as co-hostess. Hot spiced tea with tiny spiced cookies were served to those attending.

Mrs. W. V. Kemp led the club in the collect. An invitation to attend the annual landscaping school at Mississippi State College November 10 was issued to the members. Plans were made to attend the North District meeting of Federated Garden Clubs of Mississippi, which was scheduled for October 22. Marks, Miss., served as hostess to this meeting. Several members planned to attend.

A lot of enthusiasm arose when the plans of beautification on the MSCW were read to the members. It was the clubs wish to help in their endeavors in some small way, so a check for \$10.59 was to go for this purpose. Certainly a beautiful campus can have far reaching effects.

Plans were made to hold the annual auction bazaar at the next regular meeting. Most all members agree that this is the greatest fun of the year. Ann Prichard will again auctioneer.

Members then joined in a game of fun guessing the identity of plants and then of birds. We find we have intelligence far exceeding our expectations.

Mrs. Troy Moore was given recognition for having won the yard of the month. Mrs. Moore's yard was found to be neat and in good order at a time of the year when it is hard to find pretty yards.

The arrangements brought to the club were very attractive. Accessories were effectively used in these arrangements to add interest and beauty. Mrs. R. H. Burress didn't just stop at one, she brought two lovely arrangements.

Club Motto "To plant good deeds as well as good seeds each day we live."

Jumpertown H. D. Club Meets In English Home

Mrs. G. A. English was hostess for the Jumpertown Home Demonstration Club in her home on Tuesday, October 20. The meeting was called to order by the president, Mrs. Bess Wallis.

The home demonstration club pledge was given by the group. The devotional was given by the hostess, reading Galatians 6:1-10. The roll was called and minutes of the last meeting were read by the secretary.

Several important business matters were discussed and approved by the club. Due to the absence of the home agent, Mrs. Gerald Michael gave the demonstration on "Floor Care."

After playing a very interesting Bible game for recreation, delicious coffee and cake was served by the hostess.

No Choice If You Don't Vote

Many have been saying locally that the upcoming general election for President of the United States is for the lesser of two evils. Even if this is the case and if that is the only choice, vote for the lesser evil.

One confusing thing about this year's election campaign is that many of the speeches seem to concentrate, not on why you should vote for some particular candidate, but on why you should vote against some candidate. But you must vote. Because, by your vote and by the candidate you help elect you determine the future of the country, which means the future of yourself and the future of your children.

So be sure to vote. And before you cast your vote, make sure you have the courage of your own convictions. Make sure you are intelligently informed. Make sure you understand the issues involved and understand all sides of the issues. Understand that it is not merely personalities that are clashing in this campaign, but basic principles,

and take the long-range view of things.

What happens when you stand there alone in the voting booth and cast your vote will affect the future of America for a long time to come.

While we have not personally gone overboard for either of the presidential candidates, we have leaned toward Senator Goldwater as the man whose principles are most likely to halt this country's suicidal trend toward complete socialism.

And, if we hadn't been decided, some of President Lyndon B. Johnson's recent television advertisements in which he obviously is trying to capitalize on the assassination of President John F. Kennedy would have decided for us. We did not agree with President Kennedy in many instances, but do feel that he was honest and sincere in what he was trying to do, and that is more than we can say for LBJ.

But one thing is certain, even if you feel that there is not so much from which to choose, if you don't vote, for you there is no choice at all.

Letter Praises City's Progress

(Editor's Note: The following letter was received by Mayor M. W. Smith from Melvin and Ernestine Oakley, formerly of this area, and subscribers of the Banner-Independent. Their business is the DeLuna Bath Salon at Cleveland, Ohio.)

"Marion, Just want you to know in our behalf how proud we are of our home — Booneville. Have just finished reading the paper from there and at this writing I'm so happy. We're so homesick for there, but our hands are tied here for awhile longer. Just pray for your life and good health, as well as others there that are good supporters to keep our young city growing. Such will help to encour-

Pisgah H. D. Club Met Thursday

"Sittin' and wishin' won't improve our fate; the Lord provides the finishes but we gotta dig the bait," was the caption that provided the lead off for the Pisgah Home Demonstration Club last Thursday in the home of Mrs. L. C. McCutcheon.

The vice-president, Mrs. G. W. Taylor, presided throughout an interesting program on home care. The group gave the Pledge to the Flag and to the Club in unison.

age and keep our young girls and boys home. Now, I'm passing the paper on to the Cleveland Plain Dealer chief editor here, and hope he will give it to the paper for me. Again, congratulations to all of you there and be good to yourselves."

followed by 4-Hers, Lynn McCutcheon and Sharon Sweeney singing, "In The Garden." Old and new business provided interest as each member participated in the discussions.

Mrs. Ruby Cooper gave an interesting book report, in a delightful manner. Mrs. Ross, Home Demonstration Agent, gave a demonstration on floor care with each member receiving the best and latest methods of easy floor care.

At the conclusion of the afternoon, Mrs. McCutcheon, assisted by her daughter, Lynn, served a delightful refreshment plate.

Upsilon Chapter Meets In Jourdan Home

Upsilon Chapter of Delta Kappa Society met Saturday, October 24, at Luka, in the lovely newly-decorated home of Mrs. Dorrell Jourdan with Mrs. Plume Williams and Miss Eva Sparks as co-hostesses. Guests were served from beautifully appointed linen-covered tables. Place cards were designed with the Society's insignia.

Beautiful flower arrangements throughout the house were indicative of the fall season.

Following the luncheon, Mrs. Thelma Rogers, president, presided over the business meeting.

The retiring president, Mrs. Grace Hardin, was presented a silver bon-bon dish by Miss Mabel Cunningham on behalf of the Executive Committee. Mrs. Hardin also received the Past President's Pin. Mrs. Rita Robbins made this presentation.

Miss Mabel Cunningham read the Delta Kappa Gamma ABC's, and Miss Mary Thomas led "Delta Kappa Gamma Key."

Mrs. Rita Robbins gave a very interesting talk on "Changes within the Family Structure and Their Influence on Our Society." Mrs. Robbins stated that "every individual is colored by family atmosphere," pointing out that the basic pattern of family life has changed more in the past fifty years than in 2,000 to 3,000 years preceding. She concluded her talk by "Can You Remember?" questions, read by the members. The questions included the following: Your first train ride, the first books you read, the town library, kitchen appliances, your college physical education outfit, or the poems you recited to entertain guests?

Mrs. Coleete Randle discussed "Woman's Place in Labor and Its Influence on Our Society." The information from the United States Department of Labor indicated that woman's ever-increasing role in labor will continue to be a significant factor of the employment picture. The report was concluded with a quotation from Proverbs 31.

The next meeting will be held at the Holiday Terrace in Ripley, Miss., on Nov. 14, 1964.

Ted Rees Makes Golfing News

(Editor's Note: Ted Rees, formerly of Booneville and who has a host of friends here, has a new home in Dunedin, Florida, near the Country Club Golf Course. The following article appeared in their paper.)

"Ted Rees is a fast worker. Two months after joining the jolly ranks of Denedin Country Club he tallied the first ace of his golfing career."

While touring the fine-looking par-72 layout, newcomer Rees drew out his three-iron and knocked one from tee to cup 151 yards on the fly. Dr. Bill Wellbrook and George Tabas were Rees' playing partners."

One of our sons was being reprimanded for putting so much sugar in his tea, and his answer was, "That's all right, I don't stir it up."

In other words, be sure to vote on Tuesday.

Two books have been sent to Ed about presidential candidates. One is entitled, "A Choice Not An Echo," favoring Barry Goldwater and the other is "My Hope For America," for Lyndon B. Johnson. They were sent free of charge, and I can't help but think of the tremendous amount of money which is evidently being spent by both candidates. I've read much that has been said by both Goldwater and Johnson; I've listened to them on television and I'm still for Goldwater. As one writer said, "He may not be a knight in shining armor"; nevertheless I believe our country is standing on the threshold where a change is needed.

Mayor M. W. Smith was called on for one of his rare duties on Tuesday when he married a couple, Mr. and Mrs. Jim Barnes.

He explained that his services were needed when no justice of the peace could be readily found, and added, "I was more scared than the bride."

Graveside Services For William Guy Majors Held On Monday

William Guy Majors, a native of this county, died in a nursing home in Little Rock, Ark., Friday afternoon.

Mr. Majors was the son of the late Gaston Majors and Mrs. Mattie Simmons Majors. They were descended from an old family who were prominent in the early history of our county. They were settlers of Old Tishomingo County from whence came many of our best families.

Mr. Majors, a graduate of the Booneville High School, was highly regarded by his fellow students and contemporaries as a student of exceptional ability and attitude.

He left Booneville in early manhood, about 50 years ago to join his uncle, Dr. Albert Majors, an outstanding physician, who occupied offices in the Medical Arts Center in Dallas, for many years.

With marked success, Mr. Majors was engaged in the contracting business and he built many fine structures in the Dallas area, where he had valuable real-estate holdings. He was a member of the Methodist Church.

Graveside services were held in Booneville Monday afternoon at 2 o'clock in the Old Booneville Cemetery, impressively conducted by the Rev. W. L. Wallace, Jr., of the Methodist Church, who sang in closing, "In The Garden." McMillan Funeral Directors were in charge.

He leaves a sister, Mrs. Sidney Stephens of Booneville; a niece, Mrs. Sybil Taylor Fischel of Helena, Ark., and a nephew, Bill Taylor of Dallas and Helena, Ark.

The Booneville Golf And Country Club Coffee Wednesday Morning

The warmth and hospitality of the occasion was increased with the artistic arrangement of fall foliage and flowers. The serving table, covered with a lovely white cutwork cloth, held trays of delicious sandwiches, dainty cookies, and cheese cakes with which the members enjoyed hot coffee.

Mrs. Poole welcomed the ladies and discussed plans for various activities which might be scheduled.

An appointed nominating committee, Mrs. Billy Barnett, Jr., chairman of the group with Mrs. Whit Abernethy as co-chairman. They will be assisted by a temporary committee to organize events.

COUNTY AGENT NOTES

By W. TAYLOR SMITH, County Agent

CENSUS OF AGRICULTURE

It's that time again and the taking of the Census of Agriculture will begin shortly. It is taken every fifth year, usually in the latter part of the year after a major portion of the crops have been harvested.

The census, even though it is taken before the year's farm operations are complete, will cover the entire calendar year 1964. This may necessitate some estimating of yields in case harvesting is not completed.

Mr. Smith

Usually the farm census forms are sent through the mail to all rural box holders. The forms are accompanied by a letter asking you to fill them out prior to the visit to the farm of the enumerator. Ordinarily, the enumerator is some local person who has had prior training as far as interpretation of the questions on the census forms.

It is highly important that you

report your farm operations for 1964 as accurately as possible. Census data is used in many ways and it may have a great deal of influence on the agricultural programs that are passed in the coming years. You and all other Mississippi farmers may be affected by the data that is obtained within the next two months.

If you need assistance in estimating your yields, or with any other problems that you might encounter on the census forms, we will be happy to assist you.

FOREST FIRES

Make your plans now for adequate fire protection on your woodlands. Many parts of the state have had a lot of rain and grass and litter is heavy in fields. This makes for a major fire hazard.

Here are some things you can do to help prevent costly fires: Provide fire lanes, if needed. Make sure that you have fire fighting equipment on hand. Make sure that you have sufficient help on hand and make arrangements with your neighbors for assistance if needed. If you must do any burning, do it at the right time of day—late afternoon after the wind has died down. Notify your area forester that you are planning to do some burning.

District W.S.C.S. Meeting Nov. 5 At Jumpertown Church

The call to come apart for a day of prayer and meditation is given to everyone by the Woman's Society of Christian Service for the New Albany District on Thursday, November 5th, at the Jumpertown Methodist Church. "Altars for Daily Living" is the theme for the day.

Opportunities to strengthen the spiritual life will be offered at the altars of music and poetry, Scripture, faith, prayer, and giving under the leadership of local societies. While the seeker for a closer relationship with the Heavenly Father eats her own lunch, spiritual food will be offered through the great hymns being played for the quiet meal, and a period of commitment in the sanctuary will follow the meal.

The day of prayer and meditation begins in the sanctuary at 10:00 a.m. under the directions of Mrs. A. C. Childers, secretary of Spiritual Life Cultivation for the district, and the lovely rural church at Jumpertown will be an ideal setting for the Day Apart. SOD SEEDING

One of the best ways to seed wild winter peas is with the sod seeder. By using this method of seeding, small grains or ryegrass can be mixed with the wild winter peas.

On heavy sods, the sod seeder does a good job of renovating while planting.

Sod seeding on silage areas will furnish early winter grazing. Sod seeding old sods where clover is to come back is a good way to renovate the sod enough to let clovers grow.

Local Agents Attend Nutrition Meeting

The Mississippi Nutrition Council held Nutrition Emphasis Day October 21 in Jackson. "Nutrition Information and Misinformation" was the theme of the session. "Information and Misinformation" was presented to a group of some 250 Extension Home Economists, dietitians, Home Economics teachers and students. Prentiss County was represented by Mrs. Claire T. Ross and Miss Mary Evelyn Edwards of the Cooperative Extension Service.

Of particular interest to the group was a summary by Mr. Howard Hays of actions by the Federal Food and Drug Administration.

A great deal is being written today about nutrition which may not be dependable because its purpose is sales promotion instead of education.

Many popular books on diet contain a little nutrition sense well mixed with a lot of nutrition nonsense. Mr. Hayes brought out startling food facts and fallacies. He warned of "the food quack or charlatan who is not a food faddist, but thrives on those who are... Often he is a clever promoter, professing knowledge he does not possess in foods, nutrition, and even medicine... He is sure to be convincing in his approach, and his smattering of scientific knowledge gives a false plausibility. He mixes the true and false or misleading to fit his whims, to sell his ideas, or to scare people into buying his wares and products."

Dr. Evelyn B. Spindler, nutritionist of the Federal Extension Service, told the group of guiding signs which should put people on guard and make us wonder whether we are being urged to spend money on a useless food fad.

He said, "We should STOP: when cure-all qualities are implied, when immediate or dramatic results are promised, or when claims or miraculous qualities are made." She further urged CAUTION: when relief is promised for a variety of minor ailments — when any form of a scientific halo is used to support claims, when the promoter has something to sell, and when claims are supported by testimonials either in print or spoken."

Dr. Spindler concluded, "You are SAFE: when claims have been checked with reliable sources of information, such as your Health Department or your Extension Service, and when your physician so advises."

Director of the training was Mrs. Roberts who is a member of the Prairie Girl Scout Council Board of Directors and Chairman of the Training Committee.

"All the evaluations from the 100 students asked for more training and longer sessions," said Mrs. Roberts. "Our future plans include

Thrasher RCDC Has Friday Night Meeting

The Thrasher RCDC met Friday night, Oct. 2, at 7:00 in the high school auditorium.

The meeting was called to order by Pres. James Chase. Doug Hol-

through the Teen-Age March in Prentiss County to Ann Hill, a leader in advancing the cause, a dedicated worker who has been confined to a wheel chair all of her life.

Ann has often appeared on Danny Thomas' fund-raising programs. It is remembered with interest that Ann is the daughter of Mr. and Mrs. Elton Hill, who formerly taught in the schools of Prentiss County.

land, a Boy Scout, who is working on his God and Country Award gave the devotional. The piano was pretty with a large cross in the center flanked by lighted white candles. The auditorium lights were turned out. Ann Vanstory was at the piano. She and Doug read responsively from Prov. Ann then led in prayer. Doug did a musical reading to "My Faith Looks Up to Thee," then sang a solo and led in the closing prayer.

The program was on safety. At the last minute the speaker could not come so Doug again was called upon. He gave the speech on "Safety on the Highways," that he had given at 4-H club Congress two years before.

Mr. Chase gave a report from Dr. Kay saying he had vaccinated

70 dogs and cats in the Rabies Control Program at Thrasher.

Walter Nunley reported to the club that we had won 3rd place with our booth, "Thrasher RCDC Fishes for Progress" at the fair in Corinth.

Mr. Chase appointed a committee to make a community survey and buy rat poison for the community. The club would pay for the poison if the individual would put it out. Leon Lowery and Melvin Worley were to serve on this committee.

Yard of the month went to the Stanley Goldmans.

FLAME RESISTANT COSTUMES

When the youngsters go Trick or Treating on Hallowe'en, you will caution them to be careful in every way. You will warn them about cars in the streets, about pets, and you will caution the older children to take care of the young goblins and ghosts.

You may want to go a step further to protect the witches robes and other costumes from fire. A flowing witch's robe, hag's hair hanging low across the shoulders, and a lighted pumpkin grinning its toothless smile into the night could be just the right combination for a serious fire.

You will caution the children to be careful with the lighted pumpkin, but you can easily make the costumes flame resistant, too. It won't be fireproof, but it will resist flames, making it less dangerous. Treated materials will char and possibly glow, but they will not burst into flame.

One of the most flame-resistant solutions contain 7 ounces of borax, 3 ounces boric acid, and 2 quarts this recipe: To make the Hard of hot water. You can buy these Sauce, cream ½ cup butter until

chemicals at most drug stores or grocery stores. Commercial grades give as good results as more expensive pharmaceutical grades.

Dissolve boric acid by making a paste with a small quantity of water. Add this and the borax to the water. Stir until the solution is clear.

Put this solution into a laundry sprayer and thoroughly dampen your youngsters' costumes. DON'T USE THE SOLUTION ON RAYON OR RESIN-TREATED FABRICS. Let the garment become nearly dry before ironing. Do not redampen with water. Press with a moderately hot iron.

You will have to treat again after laundering. If you use the same costume again next Hallowe'en, you'll have to re-treat because the flame-resistant treatments seldom last that long.

Hard Sauce Spooks After the Trick or Treating, serve the youngsters Hard Sauce Spooks.

From the Extension Service at Mississippi State University comes 3 ounces boric acid, and 2 quarts this recipe: To make the Hard of hot water. You can buy these Sauce, cream ½ cup butter until

soft. Blend in gradually 1½ cups sifted confectioners sugar and 2 teaspoons vanilla. Chill. Shape chilled hard sauce into balls about size of walnut. Use gumdrops, hard candies, raisins and candied fruits to make eyes, noses, mouths and hats for the "spooks." Serve on hot squares of gingerbread.

Along with the cake, serve a cup of punch decorated with a stick-cinnamon stirrer.

HOME DEMONSTRATION MEETINGS:

Wheeler: Wednesday, November 4 at 2 p.m.—Mrs. Carl Greenhaw. Geeville: Thursday, November 5—1 p.m.—Mrs. C. A. Morris.

WHY SHOULD WE PRAY?

Because Jesus set the example. If we live like Jesus, we will live a life of prayer. Picture His prayer life from the wilderness experience to the cross. If He needed to pray, how much more do we. His prayers were always for others — they were unselfish prayers.

then threw intended to Murphy incomplete. Mike Kemp got eight at center, and Terry Cartwright four at left guard. Tollison made two and Kemp almost eight, six inches shy of first, then Tollison got three and a first at the 32. Kemp and Tollison gained two each and Kenneth Shackelford passed to Murphy for a first at the 21. Tollison gained eight, three, and three then skirted left end to score from seven yards out. Shackelford sneaked for the point.

Fulton tied it up early in the second quarter on a 20-yard pass play Kilpatrick to Steele, and Gray added the point on a run at left end. After an exchange of fumbles Booneville had the ball at their own 25 but could not go and a holding penalty set them back 15 yards. Pounds punted out to the 45 and Steele returned to the 16. D. T. Whitfield intercepted a pass in the end zone and ran it out to the 11, but Booneville drew a personal foul penalty on the play giving Fulton a first at the eight. Gray went off tackle to the one, then over right guard to score and at left end for the point.

A 30-yard Kilpatrick to Steele was good for another Fulton touchdown a few plays later and Davis added the point from placement to give the Indians a 21-7 halftime advantage.

Late in the third period Kilpatrick passed to Steele on a 10-yard scoring play and again Davis kicked the point after.
