NEW ELEVATOR — A new grain elevator able to handle 6,000 bushels of soybeans an hour and with storage bins to hold 150,000 bushels is nearing completion across the railroad east of Brown Shoe Company. The upper photo shows the elevator and main storage bins which are being completed to handle the expected bumper crop of beans in Prentiss County this year. In the lower photo, Grady Guntharp, president and co-owner of the facility, is shown with the unloading device which will permit a truck to unload and be on the way back to the farm within less than 10 minutes if it is necessary.

Miss Pounds Is Chi Omega Pledge

Miss Phyllis Pounds, daughter of Mr. and Mrs. Kenneth Pounds of Foster Park, has been pledged by Chi Omega Sorority at Mississippi State University, where she is a freshman this year.

Miss Pounds' name was not included in a list published recently.

Two More Community Water Systems Are Under Construction In County

Loans have been closed and construction work started Monday on two more rural community water systems in Prentiss County, it was announced by C. E. Young, county Farmers Home Administration supervisor. The FHA insured loans were made by the Bank of Mississippi to the Big V Water Association and to the Jumpertown Water Association.

The loan for the Big V system is in the amount of \$207,000, and for the Jumpertown system, \$160,000. Each community will install a deep well, storage tank, treatment plant, distribution lines and meters, which will enable the residents of the communities and surrounding areas to solve serious water problems.

T. B. Fatherree, State Director of Farmers Home Administration,

NOTICE!

The amount of fines taken in for this week as reported by Chief of Police Stacy was \$319.00. Offences were public drunkenness, driving under the influence of alcohol, reckless driving, speeding, and having no driving license.

NEMJC Debate Team To Participate In Debate Tournament

The Northeast Mississippi Junior College Debate Team will participate in the Junior College division of The Debate Tournament to be held at Mississippi State University on November 4 and 5.

Instructed by Mrs. Hilda Hill, instructor in speech, this year's team includes Ronnie Dix, New Albany; Ronnie Hamilton, Corinth; Rick Sanders, Lake Worth, Fla.; Judy Willard, New Albany; Linda Gholston, Baldwin; Richard Walden, Booneville; Ronald Koon, Memphis; and Amanda Michael, Baldwin.

The National subject for these debates is "RESOLVED THAT THE UNITED STATES SHOULD SUBSTANTIALLY REDUCE ITS FOREIGN POLICY COMMITMENTS."

said, "Systems such as these will improve the communities by making them more attractive for homes and industry, incomes will increase and living conditions will improve. Building sites are accessible in these areas, and with safe and sanitary water available new homes and industry will be encouraged."

In the Big V system area along Highways 30 and 4 East, some 650 people will be served by the system, several small businesses, six churches and one school. The Jumpertown system will serve some 400 people, several small business establishments, four churches, a high school and a grammar school.

Construction of the projects will provide labor for engineers, well drillers, metal welders, operators of ditch digging equipment, plumbers and their helpers, and painters. Between 75 and 100 persons will be employed in the construction of the Big V system, which will provide 2,300 man-days of labor and be capable of delivering 250,000 gallons of water a day when completed.

The Jumpertown system will provide 2,500 man-days of labor for 60 to 75 people and will be capable of delivering 180,000 gallons a day. This system is located on Highway 4 West.

Officers of the Big V Water Association are Roy Lowery, president; Orin C. Hare, vice president; and Mrs. Eileen Hare, secretary-treasurer.

The Jumpertown association officers are H. C. Smart, president; C. D. Windham, vice president; and W. C. Bridges, secretary-treasurer.

The FHA insured loans are to be repaid over a period of 40 years. Rural water system loans are available to organizations operating on a nonprofit basis, such as nonprofit corporations and water supply districts. Small rural towns and other rural political subdivisions are also eligible.

In Prentiss County, Marietta has already completed and is using a system which will be dedicated in ceremonies Tuesday, October 11, and the Thrasher community has also begun construction. Another loan in the amount of \$210,000 for the Wheeler - Franktown system has been approved and is expected to be closed in the near future.

WATER FOR BIG V AREA — C. E. Young, left, FHA county supervisor, presents check for \$207,000 to Roy Lowery, right, president of the Big V Water Association; while Ellis Finch, seated center, attorney for the association; and standing, Orin C. Hare, vice president; and Mrs. Eileen Hare, secretary-treasurer, look on.

JUMPERTOWN WATER LOAN — Present when the loan for the Jumpertown Water Association system was closed and the check in the amount of \$160,000 was delivered are seated, from left, E. K. Windham, attorney for the association; and H. C. Smart, president. Standing from left are: C. E. Young, Federal Home Administration county supervisor; Wilburn Bridges, association secretary-treasurer; J. M. Green, association director; Doug Michael, upon whose property the well will be located; and John Rial, vice president of the Bank of Mississippi, which made the FHA insured loan.

New Grain Elevator Is Prepared To Take Care Of Bumper Crop Of Beans

"The biggest and best crop of soybeans ever produced" is the prediction for Prentiss County this year and the new, modern Booneville Grain Elevator will be completed next week in time to handle the bumper crop.

Over 30,000 acres are planted to soybeans in the county and should result in a million bushels.

"We've been working day and night in order to get the elevator ready", said Mr. Grady Guntharp, president, and co-owner with Mr. Richard Flowers of Tunica, Miss., who is secretary and treasurer.

The elevator can handle 6,000 bushels of soybeans an hour and storage bins can hold 150,000 bushels. Another storage tank will be built immediately following the finish of present construction.

Construction of the imposing facility, located in the Industrial Park behind Brown Shoe Company, began in May, but more has been done in the last four weeks than all the previous time as efforts have increased to have the elevator ready for the fall crop. Ward Lumber Company of Cleveland is general contractor and B and B of Tupelo, sub-contractors. Over 400 yards of concrete have gone into the building in addition to steel, etc. A new railroad spur has been constructed and everything needed to quickly and efficiently handle soybeans was incor-

most accurate testing equipment available on the market today.

Board Meets Tuesday Night

J. W. Timbes was appointed as a new member of the Housing Authority Board to fill the unexpired term of Bill Chittom, recently elected Alderman, at the Tuesday night meeting of the Mayor and Board of Aldermen.

A letter from the State Civil Defense was read to the group giving approval of the Booneville - Prentiss County Council and indicating eligibility for Federal Assistance Funds.

Salary schedules of all city employees were discussed and the Board awarded small increases. Traffic signals, insurance and lighting composed other discussions of the meeting.

The meeting opened with the invocation after which minutes of the previous meeting were read. A resolution relating to the proposed water and sewer project concerning land acquisition was passed.

Reports of the gas and water system were given. Receipts and disbursements of 1966 were compared with those of 1965. Bids were opened for sup-

The Grain Elevator and Guntharp Fertilizer Company (owned by Mr. Guntharp and adjacent to the elevator) represent an investment of over a quarter of a million dollars. This is private enterprise with no bond issue involved. The facility will be open around the clock from 5 o'clock Monday morning to 11 o'clock Saturday night, but will not be open Sundays.

Mr. Guntharp said, "We've built the best possible and look forward to serving Prentiss and surrounding counties. We'll be paying one price to all... and that is top."

Assisting him will be Mr. Tom Maxwell, bookkeeper, Mr. Otha Maxwell, Mr. Bill Cox and Mr. J. L. Keeton. Other employees will be added as needed.

Homemakers Club At Jumptown Meets

The Jumptown Homemakers Club held its September meeting in the home of Misses Mary and Annie English with eight members present.

The president of the club presiding, the members recited the Extension Homemaker's Pledge and sang the Extension Homemaker's Song.

Mrs. Gerald Michael gave an interesting reading, "Be a Friend." The Club Collect was given by the members.

Mrs. Dillard Goolsby won the prize in the game for recreation.

4-H Judging

Judging recognizes and establishes standards that are commonly accepted as the ideal. 4-H members compare this ideal type with the classes judged. The first step is to place the class or classes, and the second is to give reasons for the placings. Judging involves the study of a score for the particular subjects to be judged.

All members of the 4-H club should be encouraged to judge in local contests, some of which may be held at regular meetings. Others may be on judging tours or visits to places where good classes of animals, crops, birds, vegetables, or fruits are available. From this group a county team is selected to compete on district, state and national levels.

Through judging you learn to: Observe carefully; Recognize good products, animals, articles, workmanship; Improve your own work; Appreciate the things you have; er, blue; Edie Mae Wallis, red; Cathy McAlpin, white.

Church Buys Coleman Land

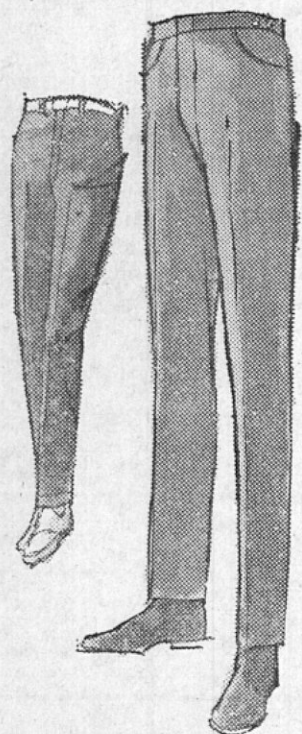

The Prince of Peace Lutheran Church has purchased the Edward Lee Coleman property on Shiloh Road for a future building site of a church.

The property which contains some four and one-half acres and is covered with beautiful oak trees, was purchased from George and Sarah Coleman, owners of Coleman Funeral Home.

Mr. and Mrs. Coleman had owned the property for a number of years. The transaction was made around August 1 for \$35,000.

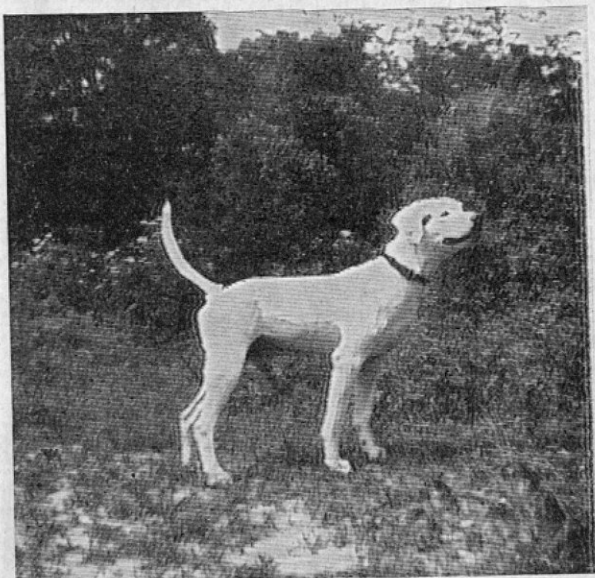

The church, organized three years ago, began holding services in the old Robertson Clinic building on the corner of Bunch and Graham Streets. It now boasts a membership of some 42. It is a member of the Lutheran Church Synod of Missouri, which has a membership of 160 churches in the South. Headquarters for the group

SAXON ON POINT

Wildlife For Income Or For Recreation

Ed G. Sullivan, Soil Conservation Service Biologist from Jackson, Miss., spent three days in Prentiss County working with groups who are interested in Wildlife Production on the farm.

On Wednesday, September 28th, Mr. Sullivan conducted a study of the Nelson Farm, on which the MidSouth Quail Shooting Preserve is located. He pointed out areas and treatments which would increase Quail Production in a beef, cotton and soybean operation.

A color slide illustrated program on all phases of game and fish

is in New Orleans.

The 1,800 square foot home located on the property will be used for services until the new church can be built. Services have been held in the building for the last two Sundays. Officers of the new church said no plans for the new structure have been made thus far and speculated that the building would not take place in the near future.

Reverend Morris Kirchhof, of Tupelo, is pastor of the congregation Sunday morning at 7:45. Charles Z. Dalton is President, Herman Wagner is Treasurer and J. D. Griffin is chairman of the building committee.

Other immediate plans for the group include the turning of a huge carport of the building into a youth center. The center would not be restricted to the youth of the membership but to the public as a whole.

Prentiss ASCS County News

By CHARLES E. CALVERT, Office Manager

ASC COMMITTEE NOMINATIONS INVITED

A call for the "best men available" to serve on the ASC community committees was issued today by Willie Hatfield, Chairman of the Prentiss Agricultural Stabilization and Conservation County Committee. Slates of nominees for membership on ASC community committees now are being established at the ASCS county office. "The committee system is the backbone of farm programs," the chairman declared. "Its responsibilities include the conservation of natural resources, the stabilization of agricultural commodities, and price support activities which protect and improve farm income. We need the best possible cross-section of farmers to insure effective administration of the various measures."

In Prentiss County, Mr. Hatfield explained, 1750 farmers took part last year in one or more programs administered by the ASC committee.

man of the Prentiss County Soil Conservation District Commissioners.

Any cooperater who needs the assistance of a graduate Biologist may obtain this service by making application through his District Commissioners.

Funds disbursed under the committees' supervision amounted to approximately \$3,000,000. Of this amount, \$1,484,224 was for price support loans aimed at increasing market returns above what farmers would receive on an unsupported market. Included in the price support program in this county are such major commodity programs as cotton, corn, and soybeans.

Last year, also, 4,455 acres of farmland were improved under the Agricultural Conservation Program cost-sharing arrangement. The total investment in conservation was about \$160,000, with about half coming from the participating farmer and the balance from ACP.

The chairman pointed out that any local resident who is eligible to take part in an ASCS farm program may vote, and he may hold office as a committeeman regardless of race, color, creed, or national origin. Further information regarding qualifications of committeemen is available at the ASCS county office.

Farmers who are eligible to vote in the community committee elections also have the right to nominate as candidates for committee membership any farmer who is eligible and willing to serve. Such petitions, each one nom-

News About The Saddle Club

Sunday turned out to be a fine day for horseback riding, and the Prentiss County Saddle Club took advantage of it. It has occurred to us, that no matter what kind of weather we are having, some club members are at the arena, "keeping the home fires burning." This is the kind of club spirit we like to see.

initiating one farmer and signed by six or more eligible voters, may be filed at the county office any time on or before October 20, 1966. Eligible voters may sign as many petitions as they wish. ASC community and county committees will nominate at least six but not more than ten persons. The committees, in their selection of nominees will nominate minority group farmers in the same proportion as they are to the total farm population in the county.

The election of ASC community committees throughout Prentiss County will be held November 14, 1966. Each community election will choose three community committeemen and two alternates. The regular members elected will serve as delegates to the county convention, where farmers will be elected to fill vacancies on the ASC county committee.

We hope the girls enjoyed their horseback riding.

Elaine Keele exhibited blue ribbon two-year old Holstein which was also declared Senior Champion.

Peter Fulper exhibited Blue Ribbon Ayrshire that was declared Junior Champion; Laura Fulper and Marilyn Fulper each exhibited red ribbon Ayrshires.

Examinations For Summer Employment Dates Announced

WASHINGTON, D. C. — Senator James O. Eastland (D-Miss.) has announced the dates of open competitive examinations for summer employment in the Federal Government during the summer of 1967.

He said the tests will be administered by the Civil Service Commission in 17 Mississippi cities on three separate dates, November 26, 1966, January 7, 1967, and February 4, 1967. Applications for the tests must be filed on or before three filing dates, October 21, 1966, December 9, 1966, and Jan. 9, 1967.

Senator Eastland cautioned applicants that January 9, 1967 is the final date for applying to take the test and the closing date of the examination. He said the Civil Service Commission has informed him that applications filed after that date cannot be accepted.

The examination, he said, leads to eligibility for appointment to most temporary summer jobs at Grades GS1 through 4, with salaries ranging from \$69 to \$92 a week. It does not cover postal jobs. Examination details for temporary postal jobs will be announced later by the Commission.

Senator Eastland said those interested should obtain a copy of Civil Service Commission Announcement No. 401 entitled "Office and Science Assistant Examination for 1967", containing the application form, which will be available at college placement offices; boards of civil service examiners; offices of the Civil Service Commission, 1900 E. Street, N. W., Washington, D. C. 20415; and civil service information points in many post offices. He said his office will be glad to provide any assistance to Mississippi applicants.

Candidates may select any one of the three test dates, and may choose a city where the test is being given. The Commission will notify applicant of the exact time and place. The test measures clerical skills, vocabulary, reading comprehension, abstract reasoning, and table and chart interpretation. The time required to take the written test is two hours. Names of qualified candidates will be placed on rosters according to scores earned on the test.

Mississippi cities where the tests will be conducted are Biloxi, Brookhaven, Clarksdale, Columbus, Corinth, Greenville, Greenwood, Gulfport, Hattiesburg, Jackson, Kosciusko, Laurel, Meridian, Natchez, Oxford, Tupelo, and Vicksburg.

Revival To Begin At Mt. Olive Church

Revival services at the Mt. Olive Church of God begin Sunday night, October 9, at 7:30 p.m. and will continue for two weeks.

The preaching will be done by the pastor, Rev. A. L. Marshall. The public is invited to attend these services.

Mt. Olive is located 3 1/2 miles north of Altitude.

Editorial Comments

By DR. W. H. ANDERSON

ABLE LEADER

The Academy of General Practice is a strong organization in Mississippi. Dr. Max L. Pharr, formerly of Booneville but now of Jackson, is currently president of the association. He is the son of Dr. and Mrs. S. L. Pharr of Booneville. Max enjoys a fine practice in Jackson and is an able leader in organized medicine not only in his home city but across the state. Dr. S. L. Pharr led the state more than once in the number of babies he delivered during the year and he has been very able in general practice through the years. Max L., the son, has made a fine mark as he has advanced in general practice and general surgery. Booneville and Prentiss County can feel very proud of him.

You can sell almost anything if you put enough advertising behind it — even spinach — "town poke salad."

RATHER WEAR THAN RUST

Pretty often you hear this conversation: "You're working too hard. You should let up." "Maybe I should, but it's hard to do and anyway, I had rather wear out than rust out!" The person who answered has been on the farm perhaps for many years and watched farm implements take the weather. As the tools and machinery set out in the rain they rust out. We have come to the machine age. Farm machinery is very expensive, but the farmer must produce a greater yield than he used to and must work more acres. He must employ the help of machinery. Along the way he has been erroneously convinced that his farm implements can stay out in the weather — however severe — the year round. However, on investigation by experts it is being found that weather depreciates farm machinery more than the farmer is able to afford, if he knows it. We have a few farmers who are beginning to see the destructive effect of the weather and are doing something about it. Iron is hard but rust can devour it. Wood, if kept dry will last on and on, but in the rain it will decay also. We noted a farmer recently who was doing a wise thing. C. D. Barron lived on the Roger Stanley farm for twenty-six years. This farm recently sold and he bought a modest little farm in the Tuscumbia community. Since that time he has repaired the dwelling house, improved the farm in every way and increased his little dairy herd. Right now he is building a nice shelter for his farm tools which appears to be about twenty-five by fifty feet. Pretty soon his machinery will be rolled under the shelter. We are sure also that it will be painted and oiled for the next year's use. The Barrons sell milk from ten cows to Kraft and the production is good. You can keep your eye on this family and we will guarantee that they are as happy and prosperous as they are diligent.

SORGHUM ON THE WORLD MARKET

Mayor Smith and Eldon Roark have gone and thrown our Dixie-land's Best open to the world market! Mayor Smith carried a gallon over to Mr. Roark and between them they knew how to get into "cash-crooks" to get things moving. This sorghum is the first and the best of its kind in the nation, and we suppose that Taylor Smith in the main evolved this sorghum idea from the profundity of his intellect. Anyway, it was a fine idea, and ideas are more powerful in human affairs than inhabiting the moon or enforcing the guide lines in the schools and hospitals across the nation. It won't be long until Prentiss County has an income of a million dollars a year from the income of Dixie-land's Best. Of course the Secretary of Agriculture will be rushing in with some rules and regulations on the production of this fine product and our farmers know how to do it. We are so glad we have a mayor who has vision and practical application, and we are deeply grateful to Mr. Roark for paying tribute to our new industry. We are always glad to hear what he has to say and we plan to extend to him a cordial invitation to come over and speak to our Rotary Club. When he comes we'll take him to see the first and only sorghum mill of its kind in the nation.

GOOD REPRESENTATION

We offer our congratulations to Mr. Dave Wilson, administrator of the hospital at our medical center in Jackson, Mississippi. He has been selected president of the American Hospital Association. This is a great honor to him but in turn he will do honor to this great national organization. From the beginning he has served as administrator for the University Hospital, making a fine record. His selection to this high office is a tribute to our state, to the University Hospital and to our four-year medical school. We wish him continued success!

And it won't hurt to mention again Booneville's honor in having Mr. B. G. Horton, our hospital administrator, as president of the Mississippi Hospital Association. This honor is wonderful for our hospital, our town and our county, and we appreciate his good work.

TOP CITIZENS

The Lloyd Hollands, who celebrated their fiftieth anniversary just recently, live up at Thrasher. The people of their community turned out in a big way to congratulate them and to wish them well in the future. Many over the county paid respects and a large number came from Iuka. The Hollands moved over from Tishomingo County quite a number of years ago to cast their lot with the Prentiss Countians. Their coming was quite a gain to us. The Holland family is in the upper class of the very best citizens we have. They live good citizenship.

THE JERICHO ROAD

One of the most interesting accounts in the Bible is the story of what happened at Jericho. This incident shows a contrast between the service of a man with mental ability, education and high office in the church and a man who had a heart of love and sympathy and was glad to do something for a wounded and suffering traveler. Every person should read this story over and over until he makes it a part of his real being. We don't know the name of the Good Samaritan at Jericho, but his noble deed makes him live around the world. If we know each other as we think beyond the grave, many people will inquire and search until they find this unnamed man so that they may sing praises to his face. It is said that the Jericho Road is thirty miles long. It should extend around the earth and have a service station every thirty miles.

PLACE OF PEACE

The order of the day now calls for hospitals to have a chapel where the family of the deceased may go when the sad hour comes or where the worried relative may find a quiet place to talk to his doctor or his minister. Here the family may talk or think or pray unmolested. A facility like this is evidence of kind and thoughtful consideration. It will be deeply appreciated by the people. The government does not participate in furnishing this room, but we are sure that every one who had a part in the construction of the hospital will be glad for this chapel to reside in the building. We feel sure that our factories will want to have a part in contributing. Private individuals will also want to give. The opportunity will soon be yours.

THE GUIDELINES

Many think that the guidelines laid down by the HEW contradict and violate the legislative intent of Congress in the enactment of the Civil Rights Act of 1964. This over-stepping as described by many is being called to the attention of Congress by Senator John Stennis. Some of the very ablest and finest men in Congress are coming to his aid. Senators Richard Russell, Robert Byrd, and Lister Hill seem to be in accord, along with others. Senator Russell remarked in a letter to Stennis: "You were magnificent on the floor. I have never seen a finer legislative job than your presentation of the hospital guidelines amendment." It survived two crucial votes — 40 to 25 and 55 to 11. Senator Stennis is able, broadminded and fair. Let us keep up with the affairs of state, study them carefully and give support to that which is right and good for all.

Special 4-H Livestock Show In The Planning

Plans are being worked out for conducting a 4-H meat animal show during the latter part of January. This event will be held at Northeast Miss. Livestock Center located one mile north of Booneville on Highway 45. The show will include market hogs, market steers and market lambs.

The top animals from this show

will go on to District Show at West Point, then on to State 4-H Round-Up in Jackson.

This show is a new endeavor, however, it has great potential. Anyone interested in exhibiting in this show may contact the 4-H club office, telephone 728-5631 or 4-H Club Agent, at 728-5859.

If you need pigs to feed out for this exhibit, let us know at once. A supply is available.

Edwin Reed Has Top Football Team In State

COACH EDWIN REED

Undeclared Jackson Province is an overwhelming choice to replace Columbus as the top-rated team in Mississippi high school football.

Coach of Jackson Province is Edwin (Wimpy) Reed, son of Mr. and Mrs. T. G. Reed, Sr. of Booneville and a former football letterman of Booneville High School.

The undeclared Rams became the first team this season to draw all the first place votes in one week from United Press International's board of coaches. The team rolled over McComb 21-0 for its fourth win. Last week they defeated Lee High Generals of Columbus and received all but one first place vote from the United Press International's board.

"Wimpy", as he is known locally, played on the outstanding team of 1947 coached by Pascal Box and went on to Delta State where he lettered all four years and was also on the baseball team. After graduation from college, he was assistant coach at West Point for two years, then going to Rolling Fork as head coach for three years. His next position was as head coach at Lumberton where he coached for 6 years and went undefeated for two seasons. Dan Sartin, now playing for Ole Miss, was one of his boys there.

In 1963 he went to Province as assistant coach and was made head coach the following year.

Wimpy's parents said that all of his playing in high school was under Coach Box and that he has followed his methods in his own coaching career.

Married to the former Miss Gloria McNeil, Mr. and Mrs. Reed have three sons. Wimpy also has two older brothers, T. G. Reed, Jr. of Memphis and Billy Reed of Cleveland. He is the grandson of Mrs. J. W. Isbell of Booneville.

Letter To The Mayor

The following letter was received by Mayor M. W. Smith from Percy P. Pounds, Jr., District Director of the NAPUS:

"On Friday, September 23, 1966 I was on the chartered bus which passed through your wonderful city, escorted by Mr. Elton Barron, Policeman, on our way to the National Convention, National Association of Postmasters, Louisville, Ky.

You are to be commended for this kind gesture in support of your Postmaster, my good friend and a friend to all Postmasters, the Honorable J. Kyle Lindsey.

We were over-whelmed with excitement by being so honored and may I say thank you from the bottom of my heart.

By the time this reaches your desk, the cities and towns represented on that bus will be informed of Mayor Smith and Policeman Barron, Booneville, Miss. 38829. Thanks to you and yours always and with best regards."

AN OPEN LETTER

Mr. W. W. Stacy
Mr. Gerald Green
Booneville, Mississippi

Dear Sir:

On August 30 the voters of Prentiss County expressed themselves on the sale of alcoholic liquors. This means a majority of our citizens want a dry county. We are calling upon you to use your power to make it dry and we are offering you our cooperation. We are counting on our officers enforcing our prohibition laws.

Respectfully yours,

UNITED DRYS OF PRENTISS COUNTY

Phi Beta Lambda Important Part Of College Life For Business Student

For the business student at The Northeast, Mississippi Junior College, Phi Beta Lambda is a very important part of college life. Phi Beta Lambda, honorary business fraternity, was organized for the purpose of promoting an interest in and a desire for business knowledge. The club also serves as a means of establishing friendship among its members.

The drive for members is open at the beginning of each fall semester for students majoring in secretarial science, business administration, and business education.

Each semester a field trip is planned, to establish contact between the student and the business world. Throughout the year influential businessmen from the five-county area are invited to speak to the club members. This gives the student some glimpse of happenings in the world of business.

Each year a panel of judges from the five-county area select Mr. and Miss Future Business Execu-

tive, and Mr. and Miss Future Business Teacher from the Phi Beta Lambda members. These representatives of Phi Beta Lambda at Northeast then compete in the contest held during the state convention at The University of Mississippi each spring.

Although Phi Beta Lambda membership is not required for the business student at Northeast, it is certainly a necessity for the student who wishes to have a well-rounded curriculum.

Blackland R.C.D.C. To Meet Mon. Night

The Blackland R.C.D.C. will meet Monday night, October 10, at 7 o'clock at the Community Center for their regular meeting.

This will also be a supper meeting and the Booneville Civitan Club members and their families are invited. All members of the RCDC are urged to be present.

NORTHEAST HONORARY BUSINESS FRATERNITY ELECTS OFFICERS — Sue Harris, second from left, of Glen, will serve as president of The Phi Beta Lambda Chapter of The Northeast Mississippi Junior College for the coming year. Officers are, from left to right: Betty Potts, West Union, secretary-treasurer; Kay Windham, Ripley, vice-president; Miss Marris; and Bobbie Walden, Booneville, reporter.

THE HOME ECONOMICS CLUB at The Northeast Mississippi Junior College recently elected officers for the coming year. They are, seated: De Rita Mitchell, Belmont, president; Standing, left to right: Donna Mauney, Pine Grove, vice-president; Linda Whitfield, Iuka, secretary-treasurer; Emily Jane Cross, Faulkner, reporter; Johnnie Barber, Marietta, social chairman. Mrs. Guy Dicus is sponsor.

Home Economics Club Offers Aid In Preparing For Homemaking Role

Any student who pursues home economics courses at Northeast may participate in group study in

this field by joining the Home Economics Club. This club is designed to aid the young girl in preparing for her role as homemaker.

Edward Lee Lytal Dies Suddenly Mon.

Funeral services for Edward Lee Lytal of Route 4, Booneville were conducted Tuesday afternoon at McMillan Funeral Home. Burial was in the Booneville Cemetery with McMillan Funeral Directors in charge.

Mr. Lytal died suddenly Monday at 4:15 p.m. at his home. He was a member of the Baptist Church and a retired farmer. He was 61. He leaves three sons, Walter Lytal, Edward Lytal, Jr., and Billy Lytal, all of Memphis; two daughters, Mrs. Inez Norwood of Memphis, and Mrs. Sarah Kelly of Chicago, Ill.; a brother, Aaron Lytal of Booneville; five sisters, Mrs. Pauline Robinson of Booneville, Mrs. Christine Clark of Marietta, Mrs. Corrine Goff, Mrs. Gladys Wroten and Mrs. Irene Champion, all of Booneville; and 11 grandchildren.

The state convention of the Home Economics Club will be held in Jackson on November 4 and 5, and the Northeast club plans to be well represented. During the spring semester members will enjoy a week end trip to Chickasaw State Park. Some of the year's activities include fund-raising projects, such as bake sales, and selling corsages for homecoming. One of the most exciting and interesting projects is the annual spring style show, where all members participate by showing an outfit of their own creation. All members of the Home Economics Club can look forward to a year of learning and enjoyment.

ny vehicle owners are not properly displaying their license tags. Many automobiles have the tag partially covered by trailer hitchers. Pickup truck owners sometime have a heavy duty bumper on the rear of the truck and put their tag behind the bumper.

General Birdsong says the statute requires that license tags be "fastened immovably twelve inches or more above the ground at the rear of the vehicle." The tag must be in an upright position with the numerals plainly visible and legible at all times. The tag must further be near enough to the rear light to be visible at night for a distance of not less than sixty feet. The same basic requirements for tag display also apply to all trailers, semi-trailers, and motorcycles.

The Commissioner warns that the Highway Patrol has been instructed to enforce these provisions in the law strictly. He further quotes the law as stating that, "unless fastened as provided, the vehicle shall be regarded as operating without a license tag and the owner or operator shall be liable for penalties herein provided."

Now that tag buying time is upon us again, make a "resolution" for the new tag year and be sure that your license plate is displayed properly.

Don't let a too-small education put the squeeze on you.

A too-small education can really cramp your style. Box you in. Squeeze you into a too-small job... and keep you there permanently.

Don't let it happen. Make sure you get an education that's big enough to fit you for life.

It's really the smart thing to do. Because, to get any kind of a good job today, you need a good education. It's the first thing most employers ask for. It's your passport to a good job, with good pay and a comfortably large future.

So if you're in school now... stay there! Learn all you can for as long as you can. If you're out of school, you can still get plenty of valuable training outside the classroom. For details, see the Youth Counselor at your State Employment Service. Or visit a Youth Opportunity Center.

Calvary Baptist WMU Council Meets

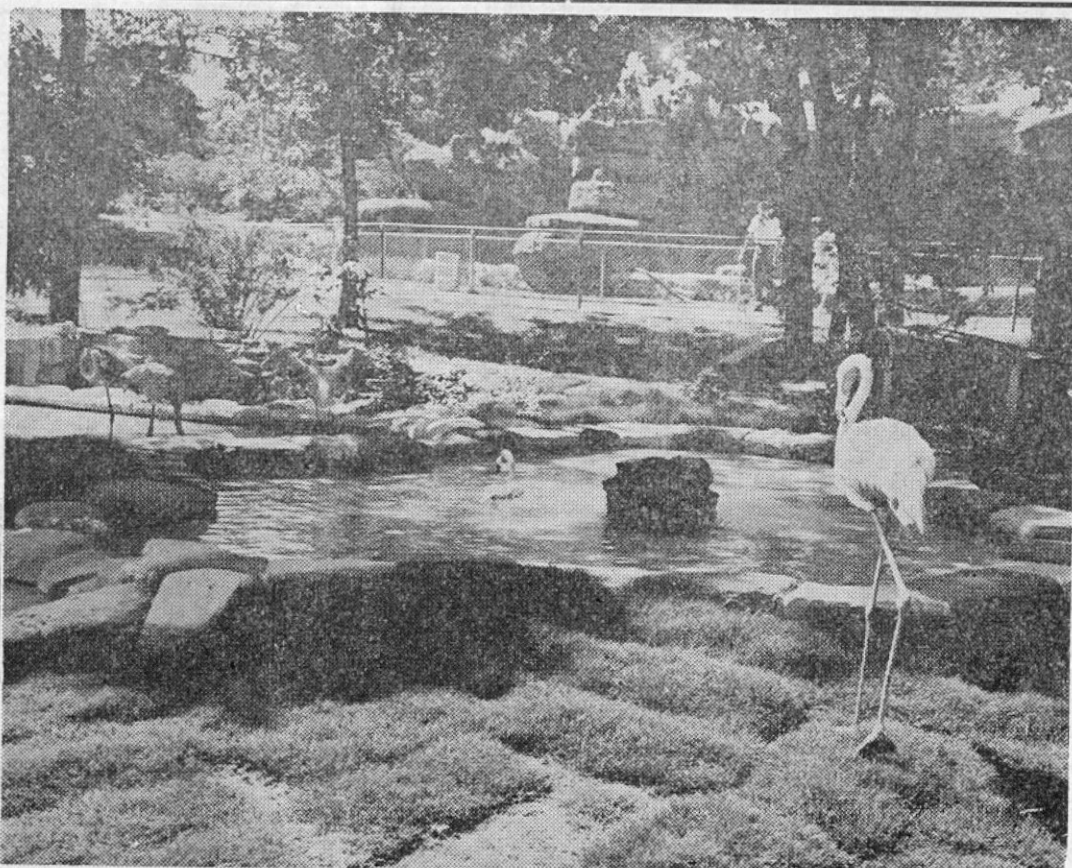

The WMU Council of Calvary Baptist Church met October 3 in the home of Mrs. Charles Rowan for the annual planning meeting.

A meditation period based on the watch word and the hymn of the year was given by Mrs. Charles Crabb and Miss Jessie Pressley.

Mrs. Trent Grubbs read the call to prayer for missionaries who had birthdays. The prayer for missionaries was led by Mrs. R. C. Crabb. Rev. Trent F. Grubbs, pastor, spoke on what WMU can mean to the total church program.

The following officers and chairman were present and gave plans for the year: WMU president, Mrs. Charles Rowan; vice president, prayer chairman, Mrs. Trent F. Grubbs; YWA director, Miss Jessie Pressley; GA director, Mrs. Richard Harber; GA counselors, Mrs. Charles Cole and Mrs. C. A. Winsett; Sunbeam Band director, Mrs. Joe Cochran; Sunbeam leaders, Mrs. Bill Clark and Mrs. Shelby Barnes; Enlistment chairman, Mrs. Charles Cole; Circle chairman, Mrs. Joe Cochran and Mrs. Charles Crabb; Program chairman, Miss Jessie Pressley; Mission Study chairman, Mrs. Buster Jackson; Mission Action, Mrs. Richard Harber; Stewardship chairman, Mrs. R. C. Crabb; Publication chairman, Mrs. W. K. Wallace; Publicity chairman, Mrs. Lee Kendrick; Social chairman, Mrs. Billy Whisenant.

Mrs. Charles Crabb dismissed the meeting with prayer. Prior to the meeting a dish supper was enjoyed by all.

DISCOVER LIVINGSTON PARK — Jackson boasts one of the South's finest zoos, featuring nearly 700 specimens representing 150 different species from all over the world. Here are some recent additions — flamingoes from Chile and Cuba — featured in a new exhibit. Most of Livingston Park's displays are in natural setting, making it an unusually interesting and educational place to visit. Admission is free, and it's open every day. Gov. Paul Johnson urged Mississippians to "Discover Mississippi" this year. When in Jackson, visit the Zoo.

son, James Mason in Memphis. Mr. and Mrs. Eddie Demara are visiting here from Waukegan, Ill. Mrs. Demara is the former Miss Janie Cartwright.

Friends of Mr. W. A. Gray are sorry to know he is a patient in the local hospital and wish for him a speedy recovery.

Mrs. Annie England of Rienzi is spending a few days with Mrs. J. S. Mason.

Fontana Village Conservation Course

by Kathy Scott and Mary Ann Geno

If ever there was a place to learn about conservation, Fontana Village, N. C. is certainly one. First of all, Fontana is located in the mountains, and all of the natural resources are certainly evident. During one stay at Fontana, we studied seven natural resources — soil, water, minerals, wildlife, forests, atmosphere, and, most important, the human resource. We were given the opportunity to hear people who knew these resources and ways to conserve them. Each state was responsible for conducting a workshop on one of these resources. We had the chance to

"Well goodnight John—we certainly enjoyed your wife's hospitality."

ask questions and learn about the world around us. But Fontana was not all study. At general assemblies, we heard different 4-Hers speak as each state presented its program. We enjoyed recreation, such as folk dances, and saw and heard talent numbers each night. But most of all, we met the young people, wonderful young people, and came to realize how much 4-H means to youth in the TVA area.

Prentiss County Electric Power Association and Prentiss County Co-op sponsor this trip for the county youth chosen as delegates.

We were so lucky to be chosen to represent Prentiss County along with Ronnie Rowland.

A Parent And Leader Looks At 4-H Work

By Mrs. Stanley Goldman

The 4-H Club is a program for young people who take part in homemaking, farming, community service and other activities. Members learn to do by doing. Their Motto is "To Make the Best Better". In making the best better, they apply the latest scientific skills and ideas in their constant search for better ways of doing things.

4-H is a strong force for youth development and economic advancement in our state. As a parent and leader I know it develops leadership, character, sportsmanship, scholarship, citizenship, patriotism and responsibility. Speaking as the Mother of four boys, these characteristics are important for it gives them a sense of security by doing things for themselves, with the support and cooperation of their parents.

The field of 4-H is so broad that it provides young people the kind

of activities they want to participate in and helps them do it better. It gives each member an equal chance for recognition. What young person doesn't like that? 4-H provides new and wider social contacts and enlarges the circle of friends made over the county and state.

I love young people and as their leader it gives me much personal satisfaction and pleasure. To help them with their projects and recreation brings us all closer together like a great big family. As I work with them I get to meet their parents. It's a thrill to hear them say, "Mother, I want you to meet my 4-H leader." 4-H is a challenge that helps bring out the best in a person. It is a responsibility that should be shared by more parents and people interested in the youth of our land. Today our country needs leaders as never before, by this I mean, leaders who aren't afraid of responsibility and work.

I think a leader of young people should, first of all, be a Christian

and of good character, then such things as being trustworthy and dependable will just naturally follow.

Have you ever felt you were a leader and opportunity just passed you by? 4-H boys and girls challenge you to grow with them and "To Make the Best Better".

As a friend of 4-H I believe in the great trinity of club work, the home, the school and achievement. I believe in my County, in the State of Mississippi and in my responsibility for their development. In all these things that I believe, I am willing to dedicate my service for their fulfillment.

Rites Tuesday For Mrs. Kizzie A. Smith

Funeral services for Mrs. Kizzie A. Smith of Route 5, Booneville, were conducted Tuesday afternoon at Bethlehem Church with Bro. Erwin Dees and Bro. Earle Green officiating. Burial was in the adjoining cemetery with McMillan Funeral Directors in charge.

Mrs. Smith passed away Sunday at 9:50 p.m. in the Northeast Mississippi Hospital. She was a member of the Baptist Church and a housewife. She was 78.

She leaves four sons, Alfred Smith of Baldwin, L. C. Smith of Memphis, Ben Smith of Chicago, and James Smith of Fort Smith, Ark.; four daughters, Mrs. R. C. McCalmont of Booneville, Mrs. Maynard Sweeney of Tupelo, Mrs. Clovis Gann of Trumann, Ark., and Mrs. Dimple Lowery of Memphis; a sister, Mrs. Festas Vinson of Cherokee, Ala.; 20 grandchildren and eight great grandchildren.

Report Of Recent Fires

The following is a report of fires for the month of September and first of October as reported by William Hisaw, reporter.

On September 1st at 2 a.m. the Fire Department answered a call, reported by Policeman Elton Barrow, to Lynn Jumper's house on Miller Street. The house was damaged considerably. Seven volunteer firemen and five regular firemen answered the call.

September 5th Junior Newcomb's house on Jacinto Road caught fire about 2 a.m. and was burned to the ground when the Fire Department arrived. Three volunteers and two regulars answered the call.

September 7th a car caught fire at the Campus Drive-In, but not much damage occurred; a car was completely destroyed by fire at 10 p.m. on September 8th on Highway 4 East. Two regulars and five volunteers answered the call.

Mr. and Mrs. Albert Edge reported a fire at 3 p.m. on September 11th at Michael's Grocery on Jacinto Road. The fire was believed to have started from wiring, but there was little damage. Six volunteers and three regulars answered the call.

Cleveland Michael's house near Wheeler was completely destroyed by fire about 10:30 a.m. on September 16th. One regular and four volunteers answered the call.

September 17th at 2:10 p.m. a fire resulting in little damage occurred at Harold Lloyd Brinkley's home on Osborne Creek Road. One regular and one volunteer answered the call.

A house trailer, belonging to Charles Farrar, caught fire at 6:03 a.m. September 19th but little damage resulted. Three regulars and four volunteers answered the call. A call to a house on September 24th was answered but not much damage reported.

The Dairy Bar, owned by Mrs. Joy Dean Downs on Highway 45 North, caught fire about midnight on September 26th with little damage resulting. Two volunteers and three regular firemen were present.

The Fire Department answered a call to the Town Motel at 4:30 a.m. on October 2nd. The fire originated in an upstairs storage room resulting in the loss of supplies. Six volunteers and three regulars answered the call.

On October 4th at 10 a.m. the firemen answered a call to a house owned by Jerry Ward, located two miles west of Hester School. Junior Strickland was living in the house which was completely destroyed. Two regulars and two

There will be a short business meeting of the ladies' club following the supper. This is to discuss arrangements for the Halloween party Saturday night, Oct. 14.

Mrs. Ouida Cartwright
Secretary

volunteers answered the call.

The Fire Department expresses their appreciation to the Booneville Police Department for blocking off streets when there is a fire. They also express thanks to Bro. T. F. Grubbs for answering the phone and radio for them at the Fire Department both day and night at the time of a fire.

BUSINESS MANAGEMENT COURSE—Shown at the initial meeting of the Business Management Course which is being taught at The Northeast Mississippi Junior College are from left to right: Mr. Lee Harlan, Personnel Manager for Day-Brite Lighting, Inc., Tupelo; Mr. Harold T. White, President of Northeast; and Mr. Donald Locke, Supervisor of Distributive Education at Northeast.

Personnel Management Course Being Taught At Northeast JC

Lee Harlan, Personnel Manager for Day-Brite Lighting, Inc., in Tupelo, is instructor for the course in Personnel Management which is being taught at The Northeast Mississippi Junior College.

The course is one of several included in the Business Management Course co-sponsored by The Northeast Mississippi Junior College and Small Business Administration of Jackson.

Mr. Harlan, a native of Jefferson City, Missouri, has lived in Tupelo for three years and has had twelve years experience as Personnel Manager.

Mr. Harlan received a Bachelor of Science Degree from Washing-

ton University in St. Louis with a major in Personnel Administration and has done Post-Graduate work in Scientific Management at the University of Minnesota.

Mr. Harlan is a member of the American Society of Training Directors, Personnel Managers Club, Industrial Club, and Kiwanis Club.

Singing Oct. 9 At Clausel Hill

Sunday, October 9, the public is cordially invited to attend an "Old Class Choir" singing at Clausel Hill Church. This is an all day event which includes lunch at the noon hour.

Cordell Crouch Promoted To Government Post

Booneville friends of Cordell Crouch, son of Mr. Elton Crouch of Booneville and Mrs. Lula Harless of Memphis, are interested in his recent promotion to a government post in public relations, with headquarters in Washington, D. C.

Cordell is a class of 1964 cum laude graduate of Memphis State University, where he was a journalism major.

Bank-Women To Attend Annual Convention In New York City October 9 Through 13

Mrs. Eugenia Smith and Mrs. Agnes Carter, Assistant Cashiers, The Peoples Bank and Trust Company, will be delegates to the 44th annual convention of the National Association of Bank-Women, Inc., Oct. 9-13, in New York, N. Y.

More than 800 women officers of banks throughout the country are expected to attend the meeting at the New York Hilton Hotel. "The Art of Management" will be the theme of the program.

Mr. George Cabot Lodge, director of the Division of International Activities, Harvard Business School; Miss Eva Adams, director of the United States Mint; and Mr. Archie K. Davis, president of the American Bankers Association, will

be among the featured speakers. A number of other prominent bankers and specialists in the field of management are also on the program. Tours of the New York Stock Exchange and the Wall Street area are planned.

The National Association of Bank-Women was founded in New York City in 1921 and maintains its national headquarters there. It has more than 5200 members, located in all 50 states, Canada, and several foreign countries.

Women were a rarity in banks in 1921, but today two-thirds of all bank employees are women and they are represented in every facet of banking.

Membership in NABW is open to women who are officers of their banks and include a number of bank presidents, board chairmen, and women in other senior management positions.

Nat'l Administrator Coming To Marietta

Mr. Howard Bertsch, National Administrator of Farmers Home Administration, will visit Prentiss County Tuesday, October 11, to participate in the dedication of a new water system for the Marietta community. This dedication ceremony is scheduled at ten o'clock.

Joining him in the dedication as featured speaker will be Congressman Jamie Whitten.

Other prominent officials attending the ceremony will include Mr. T. B. Fatherree, State Director of the Farmers Home Administration, and Mr. W. H. Merrell, State Chief of FHA Community Service.

Before the dedication ceremony for the Marietta water system, Mr. Bertsch will be given a key to the City of Booneville by Mayor Marion Smith.

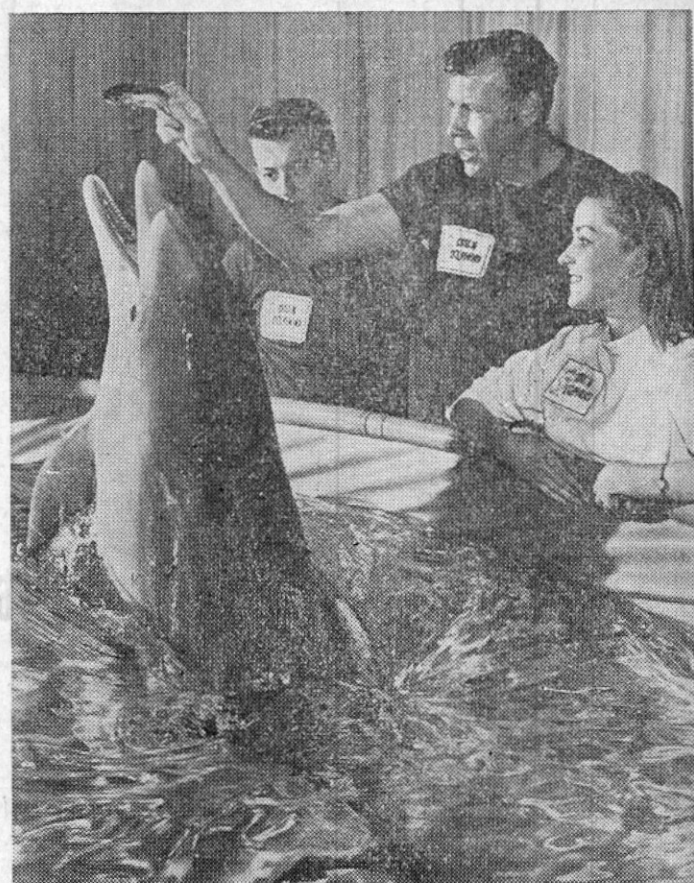

The group of officials will be guests of the Booneville Rotary Club for lunch. Congressman Whitten has been invited to speak at that time.

At 1:30 Tuesday afternoon the officials will attend the open house being held at the modern sorghum mill operated by Prentiss County Truck Crop Producers Association.

This sorghum mill costing \$74,200 was financed by a Farmers Home Administration loan.

The new Marietta water system is one of several being constructed in Prentiss County under the Farmers Home Administration loan program. This system cost \$150,000.

Three other water systems under construction at this time in Prentiss County are Thrasher, Jumper, and Big V. These loans total \$541,000. Another \$210,000 loan for a water system in the Wheeler-Franktown community has been approved and is expected to be closed soon.

A porpoise with a purpose, DANNY THE DOLPHIN, a priceless mammal with almost human intelligence, will be coming to the Mid-South Fair in Memphis, Sept. 23-Oct. 1. The first of his species to visit the Mid-South, he is the star of the free "Sea-Rama" show which will include performing sea lions and alligator wrestling and will be presented several times each of the 9 Fair days. The delightful Danny is with Dell's Dolphins, who have performed for millions of people in the eastern U.S. and Canada.

In early 1965, Mississippi achieved her long-sought dream of "balancing agriculture with industry" insofar as employment figures are concerned. For the first time in history, manufacturing employment reached 145,200, which was slightly over the number engaged in agricultural employment, 144,900. Total non-agricultural employment in the state, covered by the unemployment compensation (employers of four or more), was 467,100 in March of 1965. — Released by Mississippi Economic Council.

story time with God

Religion is a vital need at every age. And these boys and girls are busy gaining religious knowledge that will be important to them all through life.

We grownups are accustomed to the Church's presence in community life. It is always there, gracing the horizon with its spire . . . offering its message of faith to a confused world.

But peek into the corner of a beginner's room on Sunday morning and behold the *majesty* of the Church's mission. It brings the consecrated talents of artists, writers and teachers together, and focuses them upon the eager minds of a generation preparing to face life. It gathers the spiritual truth unfolding for centuries, and in beloved story brings it to the ready ears of tots and toddlers.

Support and attend the church of your choice. Make sure your children are sharing in this life — enriching STORY TIME WITH GOD.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Federal Land Bank Scholarship Increases

Since 1960 the Federal Land Bank of New Orleans has awarded scholarships to outstanding 4-H or FFA youths who plan to study agriculture in the state universities of Louisiana, Mississippi, and Alabama. The student selections are made by Scholarship Committees of the three universities.

In a news release sent out recently, Mr. John L. Ryan, Land Bank President, said that the scholarship will be increased this coming year to \$400.00 annually, or \$1600.00 for a four-year period, and will apply not only to new recipients but to students presently under the four-year program as well.

In commenting on the Federal Land Bank Scholarship program and the 50th Anniversary of the bank, Mr. Ryan said "we are proud of these 50 years of service, and our Golden Anniversary is dedicated to 'America's Farmers — Providers of Plenty'. An important part of the service rendered by the Federal Land Bank is sponsorship of youth programs, and we are pleased to have a continuing part in making formal education available to deserving and outstanding rural youth through our scholarship program in Louisiana, Mississippi, and Alabama, the three states which we serve".

Frederick J. Heindl, Canton, Mississippi, will attend Mississippi State University on the bank's scholarship in 1966-67. Destined to be a leader, Fred completed 80 projects in his nine years of 4-H activities and had three years of active FFA work. He had many other (too many to list them all here) extracurricular activities. Fred will work toward a degree in General Agriculture at State.

TEACHERS, STUDENTS AND LEADERS REFLECT A JOB WELL DONE

From the beginning of their education, through bachelor, masters and doctorate degrees, Mississippi's youth should be persistent in its quest for knowledge. Why? Nothing separates the uncommon from common like education. Mississippi's educators know this and instill in their students a love of learning which includes: reasons why, causes and effects, capacity and creation. All are designed to help students grow in a positive manner and direction to ultimate goals. In the not-too-distant future, Mississippi will be in the hands of those now in its teachers' hands. And, Mississippi will require strong, stable hands to maintain its proud traditions, prosperous present and even fuller future. Mississippi will need leaders capable of approaching problems with but one purpose — to translate them into opportunities beneficial and available to all Mississippians. That our teachers have taught well is evidenced by Mississippi's growth and progress under strong, capable leadership. Yes, to learn is to grow; and Mississippi's teachers, students and leaders reflect a job well done.

PRESENTS CHECK—Mrs. S. W. Downs, right, secretary of Extension Homemakers Council is shown presenting a check to Kathy Scott for Extension Homemakers Council Scholarship.

EH Scholarship Awarded To 4-H Club Girl

Kathy Scott, daughter of Mr. and Mrs. Troy L. Scott of Route 5, Booneville, received the 3rd annual EH scholarship. Kathy a 1956 graduate of Booneville High School was active in Beta Club 4-H, FFA, Science Club and Library.

In 1964 the Extension Homemakers Council set up an annual scholarship to Northeast Miss. Junior College for a young lady interested in pursuing a career in Home Economics.

To qualify recipients must rank high scholastically and morally. The scholarship is not limited to 4-H members, but all other qualifications being equal, they would receive preference.

This scholarship in 1964 and 1965 was awarded to Mrs. Larry Finger, the former Martha Dee Rowland, 4-H Club from Blackland.

Loblolly Pine May Be Valuable Source Of Drugs

UNIVERSITY, Miss. — The loblolly pine, used mainly to halt erosion, may prove a valuable source of therapeutic drugs with a market value of dollars per gram, a University of Mississippi research-

er has revealed.

The discovery was made by Dr. Robert L. Setline, assistant professor of Chemistry and Pharmaceutical Chemistry, during studies to learn why loblolly sap won't flow continually. Dr. Setline found the sap contains 90 per cent resin acids.

If the resin acids can be converted commercially into steroid drugs such as testosterone, as Dr. Setline believes possible, the result could revolutionize the pulp-wood industry, supply a new drug source, and boost the economy of North Mississippi.

The project is being conducted in the Research Institute of Pharmaceutical Sciences, a program inaugurated in the School of Pharmacy in 1960 to develop uses for natural products. The study was originally designed to develop a technique for making loblolly sap flow like sap from longleaf pines.

"The loblolly sap is the most concentrated source of resin acids that I know of now," Dr. Setline said. "Our aim is to convert these acids into steroids which could contain C-Aryl 18 Nor steroids. If feasible, the loblolly pine would be a poten-

tial source of a number of therapeutics."

He will be joined in the conversion project by Dr. Norman J. Doorenbos, professor of Pharmaceutical Chemistry at Ole Miss, who is a nationally recognized authority in the field of steroids.

The research team will later expand the study to short leaf pines which are also native to north Mississippi.

EXPORTING IS BIG BUSINESS

Exporting is already big business in the State of Mississippi with over \$260 millions worth of agricultural commodities and manufactured products going overseas each year. Moves are underway to increase this tremendous sum by adding new markets and expanding the present outflow that makes Mississippi rank 28th among all states for exports.

GETTING UP NIGHTS MAKES MANY FEEL OLD

After 30, common Kidney or Bladder Irritations often occur and may make you tense and nervous from too frequent passages both day and night. Secondly, you may lose sleep and suffer from headaches, backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by cutting irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at drugists. Feel better fast.

A BETTER TOURIST INDUSTRY

Leadership at every level in Mississippi can help boost our tourist industry income by capitalizing on opportunities to attract more fall and winter vacationists who are rapidly increasing in numbers across America. Traditionally, late spring and summer is the busiest vacation season here in the Deep South; but changing times, higher income and other factors are causing more and more Americans to take fall and winter vacations. With our favorable climate and numerous attractions and assets, there is no logical reason why Mississippi can't become a year-round vacation center.

PESTICIDE SAFETY NOTES

Don't be guilty of the great old American custom of "adding one

for good measure" when mixing pesticides. It can be both dangerous and costly.

Here is why: You work profitably as well as safely when you follow pesticide dosage recommendations closely. Here is why: You get maximum control per gallon of spray when you follow the dosage on the pesticide label. You add nothing to control by using extra material — you just waste money. When you overdose, you risk residue problems and other complications.

To keep leftover pesticides from creating problems, store them in original, or labeled containers and under lock and key.

FIRE PREVENTION WEEK

October 9-15 is National Fire Prevention Week — a good time for you to make a thorough check of your home, barns and farm for fire hazards. Remove the hazards you find.

Each year more than \$190 million worth of farm homes, buildings, and other property go up in smoke. Don't let your farm join the list.

In farm homes, faulty or misused heating and cooking equipment cause most fires. Careless use of gasoline or kerosene, electrical fault in wiring and appliances are high on the list. Check your barns for adequate ventilation and safe wiring. Remove high weeds and grass from around the barns.

Plow fire lanes between high-ways and pastures or woods and between woods and pastures. It is also a good idea to put fire lanes around barns, equipment sheds or

KEEP HOGS HEALTHY

Prevention of disease among your hogs will pay off big. Some steps toward prevention include: Proper nutrition, giving them the proper environment winter and summer; keeping them clean; resting farrowing houses and a sound vaccination program.

Junior Members Of Angus Association

David W., 13, and Cindy C., 11, Jones, of Booneville, have been granted a junior membership in the American Angus Association at St. Joseph, Missouri, announces Glen Bratcher, secretary.

This new junior membership entitles the member to register purebred Angus at regular membership rates and to the privileges of the Association until the age of 21. At that time junior members are eligible to convert to lifetime memberships in the Association.

There were 209 young people in the United States to receive junior memberships last month.

Randel Robinson Expert Rifleman

FT. BRAGG, N. C. (AHTNC) — Army Private Randel G. Robinson, 19, son of Mr. and Mrs. James S. Robinson, Route 1, Rienzi, Miss., fired expert with the M-14 rifle Sept. 2 near completion of his basic combat training at Ft. Bragg, N.C.

The expert rating is the highest a soldier can achieve on his rifle qualification test.

Robinson entered the Army in July 1966.

He is a 1964 graduate of Rienzi High School.

HOME ECONOMIST'S NOTES

By CLAUDE T. ROSS Extension Home Economist

Sometime in the next few days—before the end of the National Fire Prevention Week which begins Sunday—organize a fire hazard search around your house and grounds. Get every member of the family in the search to find and correct every hazard—matches in reach of children, accumulated papers and rubbish, overloaded circuits. We've had some days of cool weather, but if you still have to

TWINS AND MORE TWINS — With nine sets of twins enrolled at the Northeast Mississippi Junior College, the faculty members are finding life to be rather confusing. Front row, left to right: James Benson, Jack Benson of Memphis; Martha Daniel, Margaret Daniel, New Albany. Second row: Nancy Tacker of Corinth, whose twin is Jane, but was not available for the picture; Charlotte Oakley, Shirley Oakley, Booneville; Gerald Parvin, Jane Parvin, Biggersville; Glenda Ryder, Linda Ryder, Kossuth. Third row: Jane Callicut, Wayne Callicut, Myrtle; Ronnie Sweeney, Donnie Sweeney, Jumbertown; Milton Kuykendall, Calcoln Kuykendall, East Union.

turn on your heat for the winter be sure the equipment is all okay before you put that match to the pilot light. You don't want any fires or explosions here.

How many times have you had to leave in the midst of cooking a meal to answer the phone or doorbell? These interruptions occur, but don't let a call or caller turn your cooking into a fire. One way to prevent this is to remove that skillet of grease that was just about ready for the French fries from the stove before you leave the kitchen. It can overheat and burst into flames in a hurry.

If you do have to deal with a grease fire, first turn off the gas or electric heat under the pan. Do not remove the pan from the stove. If the pan has a lid that is handy, slide the lid over the top of the pan in a motion away from your body and smother the flames. Do not lower a lid down over the flames since this will cause the flames to spread sideways and perhaps burn your arm. Set fire to your clothing or other nearby articles.

If a lid is not available, use salt or baking soda to smother the flame. Simply pour or throw either directly on the flame, but be careful not to push the grease or flames outside of the pan.

Do not use flour, sugar or water. Flour will explode, sugar will burn, and water will only push the fire out of the pan onto some other surface. If the fire is in the oven, closing the oven door will shut off the air and stop the fire.

Angel Biscuits
Now that the price of a loaf of bread has gone up again—more and more homemakers are calling the office for recipes for various and asunder kinds of bread recipes. The following is a quickie and I bet was so named "Angel Biscuits"

because of their heavenly flavor!

- 1 cake or pkg. yeast
- 2 T lukewarm water
- 1 c. shortening
- 5 c. plain sifted flour
- 4 t. baking powder
- ¾ c. sugar
- 1 t. salt
- 1 t. soda
- 2 c. buttermilk

Dissolve yeast in lukewarm water. Sift together dry ingredients; cut in shortening. Add yeast mixture and buttermilk to dry ingredients; knead enough to hold together. Refrigerate until needed. Roll out to ¼-½ inch thickness. Cut with biscuit cutter and fold in half as for pocketbook rolls if desired. Bake at 400 degrees for 20 minutes. NOTE: Biscuits may be frozen and used as needed. Let rise 1 hour if frozen. Yield: 5-6 dozen biscuits.

NOW! THE QUICK-SIZE '67 CHEVELLES

Chevelle SS 396 Sport Coupe

NOW, as many kinds as there are kinds of drivers to enjoy them—from the SS 396 (the Chevelle for the DRIVING MAN) to the brand new Concours Custom Wagon!

Long live Chevelle! And its trim dimensions, sharp performance and great maneuverability.

For '67, there's a new grille, new wraparound taillights and distinctive sheet-metal changes. The effect is a newer, more contemporary look.

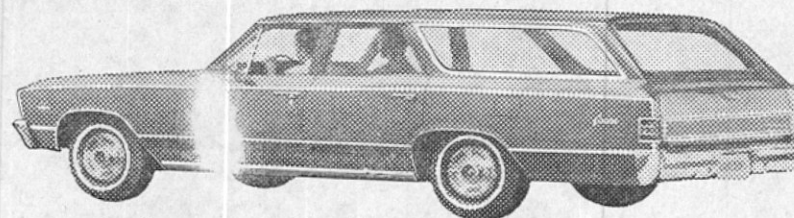

As for specific models, one is completely new: the sumptuous Concours Custom Wagon shown below, featuring the rich look of wood outside. Then there's the SS 396 with a 396-cubic-inch Turbo-Jet V8, special suspension and an even

more remarkable capacity for delighting the stout of heart. Other models, too: Malibu, 300 Deluxe and 300, all with Body by Fisher.

In addition, every '67 Chevelle carries a multitude of new safety features such as a GM-developed energy-absorbing steering column, four-way hazard warning flasher, dual master cylinder brake system with warning light.

Try a Quick-Size Chevelle at your Chevrolet dealer's.

For '67, everything new that could happen... happened! Now, at your Chevrolet dealer's

Quigley To Discuss Pollution Control Abatement At River & Harbor Meet

Hon. James Quigley, Director of the Federal Pollution Control Administration, Washington, D. C. will be featured on the morning program of the Ninth Annual Meeting of Rivers and Harbors Association. The meeting will be held November 1-2 at the Heidelberg Hotel, Jackson.

Mr. Quigley is a native of Pennsylvania; graduate of Villanova University and Dickinson School of Law; U. S. Navy veteran of WW II; practicing attorney; Deputy Attorney General of Pennsylvania; administrative assistant of U. S. Senator Joseph S. Clark; member of the U. S. House of Representatives where he served on three Committees: House Judiciary; Veterans Affairs and Science Astro-

navics. In 1961, Mr. Quigley was appointed Assistant Secretary in the Department of Health, Education and Welfare and then designated by the Secretary to administer the water pollution control program and serve as Chairman of the Board. He has received many citations from municipalities, conservation, fish and game, public health associations and industrial organizations.

Rivers and Harbors is a statewide organization representing the people of the State in its membership on legislation and information in the field of water resource development. Mr. Quigley represents a most important facet of water resources and will be of particular interest to municipal and industrial leaders.

Registration information can be obtained by writing Rivers and Harbors Assn., Box 1309, Jackson. Hotel reservations should be made early and directly with the Heidelberg Hotel. Program Chairman

H. V. Shackelford Touring Europe

(Mr. H. V. Shackelford of Booneville is in Europe on an 18-day deluxe tour won by himself and sponsored by Union Bankers Insurance Company of Dallas, Texas. The following is the first of three reports of their trip to be received by this paper.)

PARIS, FRANCE
SEPTEMBER 27, 1966

"In the last 24 hours, we have been in two of the world's three largest cities: New York and London. (Tokyo will have to wait for our next trip!) We started right off sightseeing as soon as we arrived at the London airport, and thoroughly enjoyed the magnificent English countryside, especially the

11th-century ramparts of Windsor Castle. We were treated to ring-side seats for a spectacular Revue at the world-famous Palladium the next night.

"Sunday we spent 55 minutes in an airplane and voila! we were in Paris. They really do have delightful sidewalk cafes and colorful awnings which protect diners from chance showers. Paris is, of course, an extremely ancient city, and we are beginning to understand the European's view that America is a 'young' nation!

"One has to be very careful of the automobiles in Paris, as French drivers do not seem to have the same habits as American drivers. An alert look-out is necessary at all times, or much shouting and screeching of brakes is the result!

"There were so many famous sights to see in Paris, but the high point of our visit here was our excursion to Versailles, the summer palace of the French kings before the Revolution. It is incredibly large, and of course we were anxious to see the famous Hall of

Mirrors, which was truly lovely.

"Our second week will take us to Switzerland, Monaco and Italy. We shall send you a report."

SUBSTITUTED TRUSTEE'S NOTICE OF SALE

WHEREAS, Ulliss Lee Hopkins and wife, Evelyn Hope Hopkins, executed a Deed of Trust to O. B. Taylor, Jr., Trustee, for Kimbrough Investment Company under dated of February 9, 1965, recorded in Book 74 at page 387 of the records in the office of the Chancery Clerk of Prentiss County, Mississippi, reference to which is hereby made, and,

WHEREAS, Kimbrough Investment Company assigned said deed of trust by instrument dated March 5, 1965, to East River Savings Bank, New York, New York, of record in the said office of said Chancery Clerk in Book 74 at page 438, and,

WHEREAS, thereafter Ulliss Lee Hopkins and wife, Evelyn Hope Hopkins, conveyed property described in said deed of trust to Ralph Hare by instrument of record in said office in Book 83 at page 229, and,

WHEREAS, East River Savings Bank assigned said deed of trust to New Hampshire Insurance Company, Manchester, New Hampshire, under date of August 18, 1966, by instrument of record in said office in Book 79 at page 136, and,

WHEREAS, New Hampshire Insurance Company of Manchester, New Hampshire, the legal holder of the said deed of trust and the note secured thereby, substituted Floyd W. Cunningham as Trustee, therein by instrument dated September 15th, 1966, and recorded in said office in P.O.A. Book 5 at page 68-9, and,

WHEREAS, default having been made in the performance of the conditions and stipulations as set forth in said deed of trust and the undersigned having been requested to do so by New Hampshire Insurance Company, the legal holder of the indebtedness secured and described by said deed of trust, notice is hereby given that I, Floyd W. Cunningham, Substituted Trustee, by virtue of the authority conferred upon me in said deed of trust, will offer for sale and will sell at public sale and outcry to the highest and best bidder for cash, between the hours of 11:00 a.m. and 4:00 p.m., at the west front entrance of the County Courthouse at Booneville, Prentiss County, Mississippi, on the 15th day of October, 1966, the following described land and property, being the same land and property described in the said deed of trust, situated in Prentiss County, Mississippi, to-wit:

Lot 72 of Shinnault Heights Subdivision of the Town of Booneville, Mississippi, as shown by Plat recorded in Deed Book 68, page 533, Chancery Clerk's Office, Prentiss County, Mississippi, less and except a strip 100 feet in width across the North side of said lot;

Also, a part of Northeast Quarter of Section 16, Township 5 South, Range 7 East, described as follows: Beginning at Southeast corner of Lot 72 of Shinnault Heights Subdivision to the Town of Booneville, Mississippi, as shown by Plat recorded in Deed Book 68, page 533, Chancery Clerk's Office, Prentiss County, Mississippi, and run South 4 degrees East 50 feet; thence South 86 degrees West 150 feet, more or less, to the East line of Magnolia Drive; thence North 4 degrees West 50 feet along the East line of Magnolia Drive to the South-west corner of said Lot 72; thence East along the South line of said Lot, 137 feet, more or less, to the point of beginning.

This said property is believed to be good, but I will convey only such title as is vested in me as Substituted Trustee.

Witness my signature this 22 day of September, 1966.
