## First Baptist Church To Have Revival October 23-30

DR. DAVID R. GRANT

Dr. David R. Grant will be the evangelist for the revival at First Baptist Church, October 23-30. Services will be held at 7 a.m. Tuesday through Friday and 7 p.m. Monday through Saturday.

Dr. Grant is pastor of the Broadmoor Baptist Church in Jackson, Miss. He was born in Plantersville, Miss., and received his BA degree from Mississippi College in 1945; his BD degree from Southern Baptist Theological Seminary, Louisville, Ky., in 1948; and his THD degree from Southern Seminary in 1951.

He is married to the former Lucille Gardner from McComb, Miss., and they have three children. Dr. Grant has been pastor of churches in Mississippi, Indiana and Kentucky. He has been pastor of the Broadmoor Baptist Church since 1958.

Dr. Grant is a member of the Board of Trustees at Miss. College, served on many boards in his city and state; delivered the Mississippi Baptist Convention sermon in 1961; served on the Gulfshore Assembly; speaker in the California Evangelistic Crusade in 1964; and was chairman of the State and Hinds County United Drays.

He is wide in demand as a revival preacher. His own church has seen remarkable growth under his dedicated and wise leadership. Broadmoor Church has over 1,500 in Sunday School each Sunday.

Mr. Jerry Harvey, Minister of Music of First Baptist Church will be directing the music during the revival. The choir will be singing the old gospel hymns.

The revival team will have charge of the morning devotional over WBIP each morning from 8:30 to 8:45. Everyone is invited to listen each morning.

Dr. Grant will arrive for the Monday night service and remain through the following Sunday. The Nursery will be open each night for children under four years of age.

The morning service will be over at 7:40. Coffee, milk and doughnuts will be served free for those who attend the morning worship service and would like to take time to fellowship for a few minutes after the service.

The pastor, Billy E. Roby, extends to each one a very cordial and warm invitation to attend these revival services.

## Pilots To Sponsor Annual Pancake Festival Oct. 29

The 14th Annual Pancake Festival will get underway Saturday morning, October 29 at the American Legion building beginning at 6 o'clock and continuing until 2 o'clock that afternoon.

A breakfast or lunch of hot pancakes with butter and syrup, sausage, and coffee will be served by members of the Booneville Pilot Club, sponsors of the festival.

For advanced tickets, 75 cents a piece, any member of the Pilot Club can be contacted. Tickets may also be purchased at the door.

## Notice

Mrs. Clovis Rogers, Prentiss County Chairman of the Department of Classroom Teachers, has received reports of membership from the following schools: Thresher, 11 members; Booneville Grammar, 12 members; Booneville Junior High, 11 members (100%).

As soon as all building chairmen have completed their reports a list of all members will be published. Teachers are urged to join this organization.

## Portugal Doctor Visits Here

Dr. Edmundo Costa Santos of Lisbon, Portugal, visited in Booneville over the week end while on a month's tour of this country as a participant in the International Visitor Program, Bureau of Educational and Cultural Affairs, U. S. Department of State.

He arrived in Washington, D. C. on Tuesday, August 30th and has visited in Cincinnati, Ohio, Las Vegas, Nevada; Grand Canyon, Arizona; Santa Fe, New Mexico; Houston, Texas; as well as a number of other cities.

Dr. Santos is a physician at Santa Maria Hospital in Lisbon and works at the Lisbon Poison Center.

From 1963-1965 he was Army doctor in Mozambique, Portuguese, East Africa.

He has traveled in Spain, France and South Africa.

Dr. Santos was met in Memphis Friday by Dr. and Mrs. Bill Preston.

## Junior College Press Association To Hold Fall Conference At Northeast

The Mississippi Junior College Press Association will meet on the Northeast campus October 28-29, for the 18th annual fall press conference.

James L. Rhodes, faculty advisor of the Northeast Beacon, said that an estimated 65 delegates are expected to attend the conference. These delegates will represent the 13 junior colleges in the state of Mississippi that hold membership in the Junior College Press Association.

The fall conference will consist of workshops in different phases of newspaper work, such as editorials, features, news writing and sports writing. A well-known newspaperman or woman will be the featured speaker at each of the workshops.

The MJCPA was organized in 1947-48, and accepted by the Junior College Association as an official function in the fall and spring of each year in order to hear outstanding men and women in the field discuss mutual problems in producing a campus newspaper.

## 116 Prentiss County Families Benefit From FHA Farm Loans

One hundred and sixteen Prentiss County families made use of the Farmers Home Administration farm ownership loan program during fiscal year 1966 (July 1, 1965 to June 30, 1966), Charles E. Young, the Agency's County Supervisor, reported this week.

Loans totalling \$332,110 were made to 24 Prentiss County families to buy, develop and enlarge farms or to refinance debts. An additional 92 families continued to use farm ownership credit obtained in previous years. Farm and financial planning and technical assistance accompanied each loan.

Private sources provide the funds for nearly all loans on an insured basis. Credit was extended only to those farmers who were unable to obtain needed financing from conventional sources.

"Without this aid through the Farm Ownership program to strengthen farmers economic positions," County Supervisor Young said, "many families would have been forced to leave the county and seek employment in the cities."

More than 6,053 Mississippi families and more than 89,000 farm families across the nation made use of the FHA Farm Ownership loan program during fiscal 1966. Losses on these loans to farm borrowers who are unable to get credit elsewhere are less than 1/2 of 1% of the amount loaned and repayment currently is running 102 percent of the amount due.

## 36 Contestants Will Vie For Forest Queen Title Tue. Night

The annual Queen of the Forest Contest will be presented at the Northeast Mississippi Junior College Auditorium on Tuesday night, October 25th, beginning at 7:30.

The contest is sponsored each year by the local Business and Professional Women's Club and the proceeds are used in the many worthwhile projects of the club. Club members have planned a very good program, including entertainment by the Waldrop and Goodwin Kindergartens.

The Little Moppet Contest will have children, ages three through six, participating. The Junior Division includes ages 13 through 15 and the Senior age group is 16 through 21. Anyone can enter as late as Saturday, October 22nd. Those desiring to enter are asked to contact Mrs. Jerry Floyd at the Peoples Bank and Trust Company or any Business and Professional Women's Club member.

On hand to crown the Senior Queen will be Miss Janice Hunt, first alternate to the Senior Queen last year. Kathy Armstrong, last year's Junior Queen, will crown the new Junior Queen and Sandra Chase and Timmie Dale Spencer will crown the two Little Moppet winners.

All club members have advance tickets for sale and anyone desiring to purchase an advance ticket, please contact one of the club members.

Following is a list of contestants which were turned in by Wednesday, October 19th.

### Front St. Theatre's Revue Spotlights Today's Major Issues

The major issues of today are in the spotlight at The Balcony, Front St. Theatre's cocktail lounge and bar for season ticket holders. A rollicking topical revue, WHAT'S UP, UP FRONT? lampoons the most contemporary moral, social and political affairs of the moment.

Front St. resident company members Duane Campbell, Pamela Fife, Woody Harriman and Robin McKenzie take off on such subjects as international affairs, the Oscar Awards, children's literature, the Great Society, and Miss America.

The irreverent but relevant show is directed by Neal Kenyon with musical direction by Ned Mann. Mr. Kenyon has directed Mickey Rooney at the Houston Music Theatre, Anna Maria Alberghetti and Orson Bean at the Charlotte Summer Theatre and Jean Pierre Aumont and Marissa Pavan at the Playhouse on the Mall. In addition he has appeared in off-Broadway productions and has just completed a record of Dietz and Schwartz show tunes.

The satirical material for WHAT'S UP, UP FRONT? was composed by the writers for the intimate New York revues at the Upstairs at the Downstairs, Plaza 9, The Mad Show, and That Was the Week That Was. The sharp wit and talents of Rod Warren, John Meyer, William F. Brown, Fanny Flagg of Candid Camera and Neal Kenyon have put the spotlight of spoof on the social scene. Included are two numbers aimed directly at audiences of the Mid-South, one about a newspaper reporter in Grenada, the other about a waitress in Tupelo, Miss.

The revues begin thirty minutes after the end of the play at Front St. Theatre every Thursday, Friday, Saturday and Sunday evening. Tickets are \$1.50 at the door. Since seating is limited, all those attending the revue are urged to make reservations through the Front St. Theatre Box Office, 1819 Madison Ave., Memphis, or call 274-1122.

The Balcony has been newly redecorated and refurbished and is open nightly except Monday to Front St. season ticket-holders from 7:00 p.m. to 1:00 a.m. Mixed drinks will be served before and after performances and during intermission.

**MISCELLANEOUS BRIDAL SHOWER**—Miss Rebecca Coffman, bride-elect of Douglas Randle Mansell, was honored with a miscellaneous bridal shower Saturday afternoon at the Town Motel. Shown left to right are Gale Janeway, Norma Mueller, hostesses; Mrs. James Robinson, aunt of the bride-elect; Miss Coffman, honoree; Mrs. Douglas Mansell, mother of the prospective bridegroom; and Adron Robinson, hostess. The guests enjoyed individual wedding cakes, punch, mints and nuts, after viewing the beautiful array of gifts on display. The honoree wore a navy blue sleeveless shift with navy and white accessories and a gift corsage of white carnations.

### Phi Theta Kappa Gives Recognition For Good Scholastic Accomplishment

Good scholastic works need recognition, and this along with developing of character and the cultivation of fellowship among students in our colleges is the main purpose of the Phi Theta Kappa.

The Phi Theta Kappa is an honorary society of junior colleges throughout the United States. The requirements for membership are very rigid. A student must be of good moral character and must possess recognized qualities of citizenship as judged by the faculty. He must be within the upper scholastic ten per cent of the regularly enrolled student body of the college. To maintain active membership, a student must carry at

least fifteen hours a semester and must have an overall "B" average.

Iota Zeta Chapter of Phi Theta Kappa was organized at Northeast in 1957, but became inactive in 1962. Because of the interest of Northeast President Harold White, the chapter was re-activated in 1965, with Mrs. Jack Dubard as sponsor. Its members feel that the extra time, energy, and self-discipline involved is well worth the reward of participating in the honorary society.

Officers for 1966-67 are Bunnie McNeeley, Iuka, president; John Hurych, New Albany, vice-president; Sue Harris, Corinth, secretary; and Delores Barnes, Iuka,

## A Season To Enjoy

Throughout the United States, fall is one of the most pleasant times of the year. It is the time of Indian Summer—a period of calm before the coming of winter. Fall is also the time of red hats and hunters. Thanks to state game laws, and the conservation efforts of many agencies, from the federal level down to the individual wood lot owner, there is plenty of game, and millions of acres of forests, plains, and mountains for hunters to roam.

The game and the beauty of the countryside will be with us in perpetuity, if hunters and recreationists will be content to enjoy, but not abuse the natural assets placed at their disposal. Courtesy, common sense, care and willingness to abide by the rules—don't be a game hog or a careless camper—will insure good hunting and a pleasant time for all.

## Storekeeper Gets The Kicks

Amendments to the minimum wage law will make themselves felt in higher wages, not only for millions directly covered by the law, but in the resulting escalation effects on all wages and salaries. People should remember there are two sides to the coin when wages are increased—costs and prices. Increased wages mean higher production costs, and higher costs mean higher prices. Nowhere does this process carry more immediate impact than in the retail distribution industry which operates on very narrow profit margins and consequently is unable to absorb any substantial cost increases.

The mass-distribution system of today is an outgrowth of the merchandising technique developed by chain stores that established the policy of moving the greatest possible volume of goods

at minimum prices. Were it not for this high-volume, low-price philosophy which now governs the distribution industry, inflation would be exacting an even higher toll from consumers than it presently is. Every retail merchant in the land, however, whether he represents a major chain store system or a one-store enterprise, is in the unfortunate position of being on the end of the line in the inflationary process. As costs rise, the end result must be passed on to the consumer at the retail counter. This is as true of Congressionally enacted increases in the minimum wage as anything else.

So the next time you enter a store and find an item priced higher, do not blame the man behind the counter. Inflation is his enemy too. He gets the kicks from his customers.

## Editorial Comments

By DR. W. H. ANDERSON

### GREAT LOSS IN SERVICE AND TRUTH

The death of Kenneth Toler of Jackson brings sadness and deep regret to the entire state of Mississippi. For more than a quarter of a century he has rendered great service to our state. He loved the truth, he sought the truth, but he weighed the truth carefully in his broad-minded way. Someone has said, "You can do so much good if you do not care who gets the credit." He would help any one in any good cause and asked not for any credit. A great public relations man, he could not only understand but he could help others to understand. We have always heard it said that if the Lord takes one good man he will raise up another to take his place. But who will it be who takes Kenneth Toler's place in Mississippi?

### ALL REPORTERS

You will note that the Banner-Independent covers the news mightily well in Booneville and Prentiss County. It is well written and mighty little is left out. You can help to make it still better by reporting important news items that you know. This paper carries lots of pictures, also. The people should appreciate this fine news service—news both in words and in pictures.

### EYES FRONT!

Thrasher is right on its way with water works now. It won't be long. Better keep your eyes on Thrasher. This little town is progressive and it will be looking for a factory the first thing you know.

### THINK AHEAD

We should have a gas line from Booneville right up Forty Five to Rienzi. The sooner the better. The factory movement needs to be kept on the go.

### START NOW

What are your plans for the future in the dairy business? This is the question worth your consideration right now. The outlook for dairying looks brighter than it has for a long time. Surplus dairy products have been exhausted and now a real shortage seems evident. The number of dairy cows has continued to decrease and all grades of milk have shown substantial price increases in recent months.

If there has been a time when you ought to shape up your dairy program by adding a few cows, preparing pastures and improving your milking facilities it seems to be now. For those who do a good job the returns should be substantial. Probably the first step to a profitable dairy herd is to start producing good replacements now by the artificial breeding program—it is available to you at a very reasonable cost—and then to follow this with a good feeding and management program.

Yes, the future for dairying looks GOOD.

### APPRECIATED

We don't see much of the Ruffs, but we know they are busy in business. The Ruffs with their important factory are deeply appreciated in Booneville. Their factory is a big asset and it is becoming more and more valuable. They are valuable citizens, and Booneville is fortunate to have them.

### KIND FOLKS

We are very grateful to the many who take time to write and call to say nice things about our editorial column in the Banner-Independent. The very nicest letter of all is from Mrs. Sidney B. Robinson of Memphis. Her letter gave us a big uplift.

### EVERY BIT HELPS

Sorghum has been pushed up to the economic front in Prentiss County. We hope its merit will hold it there. If it does, our economy will be made stronger and we will be more secure financially. We could have many more sources of income if we could only discover them and utilize them to our benefit.

### ELECTRICAL HONOR

An outstanding honor was brought to Booneville when our administrator, B. G. Horton, was elected president of the Mississippi Hospital Association. Now Whit Abernethy has brought another marked distinction in being selected as president of the Northeast Mississippi Electrical Association. Whit is able and has served this association well. Electric energy has made so many burdens so much lighter, and it finds new ways to serve almost every day. Think of the great service rendered by x-ray in the field of diagnosis and treatment. Now electricity even helps to untangle the mental cross-wires. We would like to bring a little problem to Whit and Taylor Smith and W. L. Caver. If they push on their noggin buttons and mental current, there is really no telling just what they can do. The challenge is to install a little push button in each hen's nest so that when she lays the egg she can by pushing the button alert the next hen that the nest is hers. Thus she will have more energy to produce a bigger and better egg! Anyway, we congratulate Whit on the honor he has received and the benefits this will bring to our community. We are so glad to have him and his family as citizens of Wickwood.

### ONLY TWO KINDS

The first Psalm divides all the people into just two classes. David describes each and tells what will be their fate. Read the following:

1. Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful.
2. But his delight is the law of the LORD; and in his law doth he meditate day and night.
3. And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.
4. The ungodly are not so; but are like the chaff which the wind driveth away.
5. Therefore the ungodly shall not stand in the judgement, nor sinners in the congregation of the righteous.
6. For the LORD knoweth the way of the righteous: but the way of the ungodly shall perish.

### The following are "Soft Bits" from Magazett:

The best things are nearest; light in your eyes, flowers at your feet, duties at your hand. Do not grasp at the stars, but do life's common duties as they come.

The clever fellow does not always win. The plugger, aiming for a definite goal, often passes him in the race, says G. G. Barnard.

A person can rather accurately be measured by the size of the thing that makes him angry.

Once wrote Francis Quarles: "If any speak ill of thee, flee home to thine own conscience. If thou be guilty, it is fair instruction."

Walter Scott: "The pith of conversation does not consist in exhibiting your own superior knowledge on matters of small importance, but enlarging, improving, and correcting information you possess, by the authority of others."

Owen Feltham: "The world is but a magnificent building. All of the stones are cemented together. No one subsists by himself alone."

Rochefaucauld: "Fine eloquence consists in saying all that should be, not all that could be said."

## Blackland RCDC Met Monday Night

The Blackland RCDC met Monday night at the Community Center for a Harvest Supper meeting. This is an annual event which has been in practice since the club began. Approximately 65 members and guests attended.

Guests attending from the Civitan Club were: Mr. and Mrs. John Walden, Mr. and Mrs. R. J. Bonds and Mr. and Mrs. Paul Munding. Other guests were Mr. Charles Young, Farmers Home Administration, and Mr. Tom Mabry, Engineer for the Wheeler-Franktown Water System.

Dalton Garner, president of the RCDC, called the meeting to order and Mr. John Walden gave the in-

vocation.

The bounteous meal, prepared by the ladies of the RCDC, consisted of a variety of meats, vegetables, salads and desserts. The tables were centered with fall flower arrangements.

In the business meeting following the meal, Mr. Mabry discussed the possibility of getting a water system for the Blackland community. In his discussion Mr. Mabry talked about the cost per person and other requirements for getting the water system.

The meeting was then adjourned.

About 60 per cent of the county registered in the U. S. is now more than 91-million.

## Local Business

By S. S. TALBERT  
Chairman, Dept. of Journalism  
University of Mississippi

Recovery of the stock market has abated fears of a 1966 depression.

It now appears that such fears were never justified. At the grassroots of the American economy the probability of a serious recession was never accepted.

While stock prices were declining, production and distribution of consumer goods continued at an accelerated pace. The consumer had more relative buying power than at any time in history.

Confidence of retailers was reflected in the largest increase in newspaper advertising in recent years. There has been a corresponding rise in the volume of retail sales.

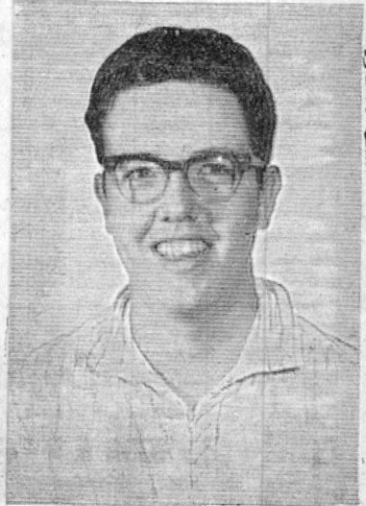

Indeed, retail sales for August, 1966, were 10 percent higher than for August, 1965. Of course, such an increase in the demand for goods and services has resulted in higher prices for some products.

However, the buying power of the American consumer has far out-paced price increases. Production in key industries has mounted and gained in efficiency.

Neither serious inflation nor recession seems probable so long as ample goods are available to a public which has the wealth to buy on an unprecedented scale.

Perhaps what has confused market speculators and some economists has been the change in consumer buying habits which affected a few industries adversely. The goods that are selling on the burgeoning retail market today are not the same goods which sold in 1960. And by 1970 an entirely new complex of goods and services will be in demand.

Retailers who have been increasing advertising to meet changing demands have been prospering while the timid talk of recession and tight money.

GERALD SMITH, a Senior at Triad High School in Highland, Ill., has been notified that he is one of the highest scorers in the National Merit Scholarship Qualifying Test administered last Spring, and is eligible to take the examination for Finalist from which all Merit Scholars for 1967 are chosen. Gerald, the son of Mr. and Mrs. Calo L. Smith of Route 1, Highland, was born in Booneville, where his mother taught previously in the Prentiss County Schools for 17 years before moving to St. Louis and Illinois. Both Mr. and Mrs. Smith have many relatives and friends living in Prentiss County.

### TREE FARM PROGRAM

Mississippi has special cause for pride, being America's Number 1 Tree Farm State in total number of tree farms. Mississippi first entered this beneficial program back in 1944 and now has over 3,500 tree farms with a total of more than 3,300,000 acres. Each farm is actively dedicated to the production of quality wood products on a continuing basis. The tree farm program is a profitable and progressive asset to the general economy. Here in our state, tree farms are paying off. Value of our manufactured forest products averages better than half a billion dollars annually.

MISS DIANE NICHOLS

### Miss Diane Nichols' Engagement To Billy Brasel Is Announced

Mr. and Mrs. V. L. Nichols of Booneville announce the engagement and approaching marriage of their daughter, Diane, to Billy Brasel of Booneville.

The bride-elect attended Booneville High School and is presently employed at Garan in Corinth.

Mr. Brasel attended Booneville High School, The Northeast Mississippi Junior College and is presently employed at Wurlitzer in Corinth.

### Front St. Theatre's Revue Spotlights Today's Major Issues

The major issues of today are in the spotlight at The Balcony, Front St. Theatre's cocktail lounge and bar for season ticket holders. A rollicking topical revue, WHAT'S UP, UP FRONT? lampoons the most contemporary moral, social and political affairs of the moment.

Front St. resident company members Duane Campbell, Pamela Fife, Woody Harriman and Robin McKenzie take off on such subjects as international affairs, the Oscar Awards, children's literature, the Great Society, and Miss America.

The irreverent but relevant show is directed by Neal Kenyon with musical direction by Ned Mann. Mr. Kenyon has directed Mickey Rooney at the Houston Music Theatre, Anna Maria Alberghetti and Orson Bean at the Charlotte Summer Theatre and Jean Pierre Aumont and Marissa Pavan at the Playhouse on the Mall. In addition he has appeared in off-Broadway productions and has just completed a record of Dietz and Schwartz show tunes.

The satirical material for WHAT'S UP, UP FRONT? was composed by the writers for the intimate New York revues at the Upstairs at the Downstairs, Plaza 9, The Mad Show, and That Was the Week That Was. The sharp wit and talents of Rod Warren, John Meyer, William F. Brown, Fanny Flagg of Candid Camera and Neal Kenyon have put the spotlight of spoof on the social scene. Included are two numbers aimed directly at audiences of the Mid-South, one about a newspaper reporter in Grenada, the other about a waitress in Tupelo, Miss.

The revues begin thirty minutes after the end of the play at Front St. Theatre every Thursday, Friday, Saturday and Sunday evening. Tickets are \$1.50 at the door. Since seating is limited, all those attending the revue are urged to make reservations through the Front St. Theatre Box Office, 1819 Madison Ave., Memphis, or call 274-1122.

The Balcony has been newly redecorated and refurnished and is open nightly except Monday to Front St. season ticket-holders from 7:00 p.m. to 1:00 a.m. Mixed drinks will be served before and after performances and during intermission.

### Blackland Singing Tomorrow Night

There will be a singing at the Blackland Methodist Church tomorrow night, October 21, at 7:00. All singers are urged to attend.

### Pilot Club Fall Council Held In Tupelo

District III Pilot International Fall Council was held at the Nat-chez Trace Inn in Tupelo, October 15-16 with an attendance of over 2000 members of Pilot Clubs from Louisiana and Mississippi.

Visiting Pilots were welcomed to Tupelo by Mayor James L. Ballard and Miss Betty Duval, president of the hostess club.

Lee County Senator Perrin Purvis was guest speaker for the Sunday morning meeting.

Awards were presented to Pilot clubs of Jackson, Alexandria, La., and Grenada.

Two Blue Mountain College students, Miss Linda Shu May Wong of Hong Kong and Miss Pearl Muira of Yokohama, gave messages of appreciation to local Pilot clubs and Pilot International. Miss Wong and Miss Muira are attending school on Ruby Newhall Memorial Scholarships. Miss Wong is sponsored by the Booneville Pilot Club. This is her third year as a scholarship recipient.

Local Pilots attending were: Mrs. Cliff Michael, Mrs. L. W. Peeler, Mrs. Carroll Yarber, Mrs. Oswald Pounds, Mrs. James Tigrett, Mrs. Clyde Carter, Miss Vessie Ferrell and Mrs. Clifford Long.

### Phi Theta Kappa Gives Recognition For Good Scholastic Accomplishment

Good scholastic works need recognition, and this along with developing of character and the cultivation of fellowship among students in our colleges is the main purpose of the Phi Theta Kappa.

The Phi Theta Kappa is an honorary society of junior colleges throughout the United States. The requirements for membership are very rigid. A student must be of good moral character and must possess recognized qualities of citizenship as judged by the faculty. He must be within the upper scholastic ten per cent of the regularly enrolled student body of the college. To maintain active membership, a student must carry at

least fifteen hours a semester and must have an overall "B" average.

Iota Zeta Chapter of Phi Theta Kappa was organized at Northeast in 1957, but became inactive in 1962. Because of the interest of Northeast President Harold White, the chapter was re-activated in 1965, with Mrs. Jack Dubard as sponsor. Its members feel that the extra time, energy, and self-discipline involved is well worth the reward of participating in the honorary society.

Officers for 1966-67 are Bunnie McNeely, Iuka, president; John Hurch, New Albany, vice-president; Sue Harris, Corinth, secretary; and Delores Barnes, Iuka,

## A Season To Enjoy

Throughout the United States, fall is one of the most pleasant times of the year. It is the time of Indian Summer—a period of calm before the coming of winter. Fall is also the time of red hats and hunters. Thanks to state game laws, and the conservation efforts of many agencies, from the federal level down to the individual wood lot owner, there is plenty of game, and millions of acres of forests, plains, and mountains for hunters to roam.

The game and the beauty of the countryside will be with us in perpetuity, if hunters and recreationists will be content to enjoy, but not abuse the natural assets placed at their disposal. Courtesy, common sense, care and willingness to abide by the rules—don't be a game hog or a careless camper—will insure good hunting and a pleasant time for all.

## Storekeeper Gets The Kicks

Amendments to the minimum wage law will make themselves felt in higher wages, not only for millions directly covered by the law, but in the resulting escalation effects on all wages and salaries. People should remember there are two sides to the coin when wages are increased—costs and prices. Increased wages mean higher production costs, and higher costs mean higher prices. Nowhere does this process carry more immediate impact than in the retail distribution industry which operates on very narrow profit margins and consequently is unable to absorb any substantial cost increases.

The mass-distribution system of today is an outgrowth of the merchandising technique developed by chain stores that established the policy of moving the greatest possible volume of goods

at minimum prices. Were it not for this high-volume, low-price philosophy which now governs the distribution industry, inflation would be exacting an even higher toll from consumers than it presently is. Every retail merchant in the land, however, whether he represents a major chain store system or a one-store enterprise, is in the unfortunate position of being on the end of the line in the inflationary process. As costs rise, the end result must be passed on to the consumer at the retail counter. This is as true of Congressionally enacted increases in the minimum wage as anything else.

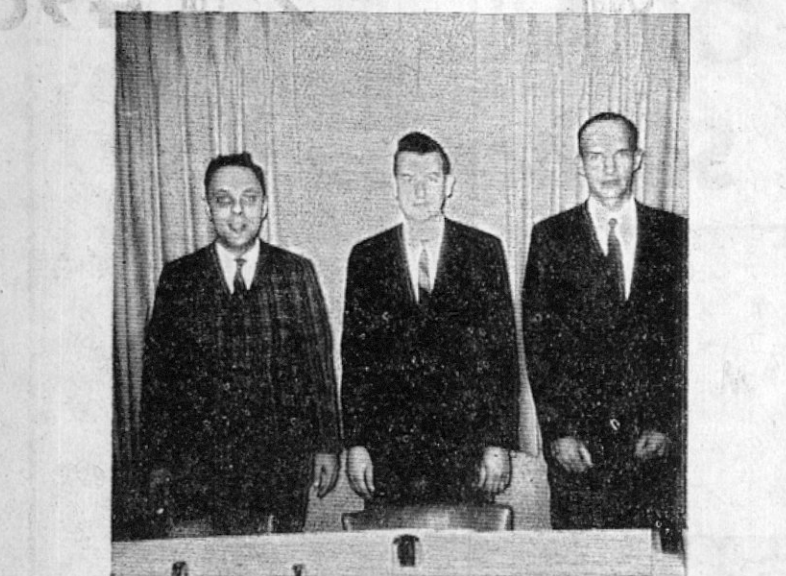

So the next time you enter a store and find an item priced higher, do not blame the man behind the counter. Inflation is his enemy too. He gets the kicks from his customers.

REPRESENTATIVES of the Church of Christ group on the Northeast Mississippi Junior College campus are, from left to right: Philip Goode, Booneville; Betty Billingsley, Booneville; and Jerry Baird, Macedonia. Minister-advisor for the group is Mr. J. A. Thornton, of the Booneville Church of Christ, and faculty advisor is Mrs. Murray Gentry.

Rep. Jamie L. Whitten, left, of Charleston, Chairman of the House Appropriations Subcommittee on Agriculture, has presented The Northeast Mississippi Junior College a copy of his new book, "That We May Live." Northeast President Harold T. White accepted the book which will be placed in the Eula Dees Memorial Library on the Northeast campus. The book, a report of government investigation of agricultural pesticides, is an answer to Rachel Carson's "Silent Spring."

Recently elected officers of the Booneville Chamber of Commerce for 1966-67 are left to right: Irwin Feldman, treasurer; Thomas Keenum, president; and Ben T. Smith, secretary. Joe Langston, vice-president, is not pictured.

## Editorial Comments

By DR. W. H. ANDERSON

### GREAT LOSS IN SERVICE AND TRUTH

The death of Kenneth Toler of Jackson brings sadness and deep regret to the entire state of Mississippi. For more than a quarter of a century he has rendered great service to our state. He loved the truth, he sought the truth, but he weighed the truth carefully in his broad-minded way. Someone has said, "You can do so much good if you do not care who gets the credit." He would help any one in any good cause and asked not for any credit. A great public relations man, he could not only understand but he could help others to understand. We have always heard it said that if the Lord takes one good man he will raise up another to take his place. But who will it be who takes Kenneth Toler's place in Mississippi?

### ALL REPORTERS

You will note that the Banner-Independent covers the news mightily well in Booneville and Prentiss County. It is well written and mightily little is left out. You can help to make it still better by reporting important news items that you know. This paper carries lots of pictures, also. The people should appreciate this fine news service—news both in words and in pictures.

### EYES FRONT!

Thrasher is right on its way with water works now. It won't be long. Better keep your eyes on Thrasher. This little town is progressive and it will be looking for a factory the first thing you know.

### THINK AHEAD

We should have a gas line from Booneville right up Forty Five to Rienzi. The sooner the better. The factory movement needs to be kept on the go.

### START NOW

What are your plans for the future in the dairy business? This is the question worth your consideration right now. The outlook for dairying looks brighter than it has for a long time. Surplus dairy products have been exhausted and now a real shortage seems evident. The number of dairy cows has continued to decrease and all grades of milk have shown substantial price increases in recent months.

If there has been a time when you ought to shape up your dairy program by adding a few cows, preparing pastures and improving your milking facilities it seems to be now. For those who do a good job the returns should be substantial. Probably the first step to a profitable dairy herd is to start producing good replacements now by the artificial breeding program—it is available to you at a very reasonable cost—and then to follow this with a good feeding and management program.

Yes, the future for dairying looks GOOD.

### APPRECIATED

We don't see much of the Ruffs, but we know they are busy in business. The Ruffs with their important factory are deeply appreciated in Booneville. Their factory is a big asset and it is becoming more and more valuable. They are valuable citizens, and Booneville is fortunate to have them.

### KIND FOLKS

We are very grateful to the many who take time to write and call to say nice things about our editorial column in the Banner-Independent. The very nicest letter of all is from Mrs. Sidney B. Robinson of Memphis. Her letter gave us a big uplift.

### EVERY BIT HELPS

Sorghum has been pushed up to the economic front in Prentiss County. We hope its merit will hold it there. If it does, our economy will be made stronger and we will be more secure financially. We could have many more sources of income if we could only discover them and utilize them to our benefit.

### ELECTRICAL HONOR

An outstanding honor was brought to Booneville when our administrator, B. G. Horton, was elected president of the Mississippi Hospital Association. Now Whit Abernethy has brought another marked distinction in being selected as president of the Northeast Mississippi Electrical Association. Whit is able and has served this association well. Electric energy has made so many burdens so much lighter, and it finds new ways to serve almost every day. Think of the great service rendered by x-ray in the field of diagnosis and treatment. Now electricity even helps to untangle the mental cross-wires. We would like to bring a little problem to Whit and Taylor Smith and W. L. Caver. If they push on their noggin buttons and mental current, there is really no telling just what they can do. The challenge is to install a little push button in each hen's nest so that when she lays the egg she can by pushing the button alert the next hen that the nest is hers. Thus she will have more energy to produce a bigger and better egg! Anyway, we congratulate Whit on the honor he has received and the benefits this will bring to our community. We are so glad to have him and his family as citizens of Wickwood.

### ONLY TWO KINDS

The first Psalm divides all the people into just two classes. David describes each and tells what will be their fate. Read the following:

1. Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful.
2. But his delight is the law of the LORD; and in his law doth he meditate day and night.
3. And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.
4. The ungodly are not so; but are like the chaff which the wind driveth away.
5. Therefore the ungodly shall not stand in the judgement, nor sinners in the congregation of the righteous.
6. For the LORD knoweth the way of the righteous: but the way of the ungodly shall perish.

### The following are "Soft Bits" from Magazett:

The best things are nearest; light in your eyes, flowers at your feet, duties at your hand. Do not grasp at the stars, but do life's common duties as they come.

The clever fellow does not always win. The plugger, aiming for a definite goal, often passes him in the race, says G. G. Barnard.

A person can rather accurately be measured by the size of the thing that makes him angry.

Once wrote Francis Quarles: "If any speak ill of thee, flee home to thine own conscience. If thou be guilty, it is fair instruction."

Walter Scott: "The pith of conversation does not consist in exhibiting your own superior knowledge on matters of small importance, but enlarging, improving, and correcting information you possess, by the authority of others."

Owen Feltham: "The world is but a magnificent building. All of the stones are cemented together. No one subsists by himself alone."

Rochefaucauld: "Fine eloquence consists in saying all that should be, not all that could be said."

## Blackland RCDC Met Monday Night

The Blackland RCDC met Monday night at the Community Center for a Harvest Supper meeting. This is an annual event which has been in practice since the club began. Approximately 65 members and guests attended.

Guests attending from the Civitan Club were: Mr. and Mrs. John Walden, Mr. and Mrs. R. J. Bonds and Mr. and Mrs. Paul Munding. Other guests were Mr. Charles Young, Farmers Home Administration, and Mr. Tom Mabry, Engineer for the Wheeler-Frankston Water System.

Dalton Garner, president of the RCDC, called the meeting to order and Mr. John Walden gave the in-

vocation.

The bounteous meal, prepared by the ladies of the RCDC, consisted of a variety of meats, vegetables, salads and desserts. The tables were centered with fall flower arrangements.

In the business meeting following the meal, Mr. Mabry discussed the possibility of getting a water system for the Blackland community. In his discussion Mr. Mabry talked about the cost per person and other requirements for getting the water system.

The meeting was then adjourned.

About 60 per cent of the county registered in the U. S. is now more than 91-million.

## Local Business

By R. S. TALBERT  
Chairman, Dept. of Journalism  
University of Mississippi

Recovery of the stock market has abated fears of a 1966 depression.

It now appears that such fears were never justified. At the grass-roots of the American economy the probability of a serious recession was never accepted.

While stock prices were declining, production and distribution of consumer goods continued at an accelerated pace. The consumer had more relative buying power than at any time in history.

Confidence of retailers was reflected in the largest increase in newspaper advertising in recent years. There has been a corresponding rise in the volume of retail sales.

Indeed, retail sales for August, 1966, were 10 percent higher than for August, 1965. Of course, such an increase in the demand for goods and services has resulted in higher prices for some products.

However, the buying power of the American consumer has far out-paced price increases. Production in key industries has mounted and gained in efficiency.

Neither serious inflation nor recession seems probable so long as ample goods are available to a public which has the wealth to buy on an unprecedented scale.

Perhaps what has confused market speculators and some economists has been the change in consumer buying habits which affected a few industries adversely. The goods that are selling on the burgeoning retail market today are not the same goods which sold in 1960. And by 1970 an entirely new complex of goods and services will be in demand.

Retailers who have been increasing advertising to meet changing demands have been prospering while the timid talk of recession and tight money.

GERALD SMITH, a Senior at Triad High School in Highland, Ill., has been notified that he is one of the highest scorers in the National Merit Scholarship Qualifying Test administered last Spring, and is eligible to take the examination for Finalist from which all Merit Scholars for 1967 are chosen. Gerald, the son of Mr. and Mrs. Cato L. Smith of Route 1, Highland, was born in Booneville, where his mother taught previously in the Prentiss County Schools for 17 years before moving to St. Louis and Illinois. Both Mr. and Mrs. Smith have many relatives and friends living in Prentiss County.

### TREE FARM PROGRAM

Mississippi has special cause for pride, being America's Number 1 Tree Farm State in total number of "tree farms. Mississippi first entered this beneficial program back in 1944 and now has over 3,500 tree farms with a total of more than 3,300,000 acres. Each farm is actively dedicated to the production of quality wood products on a continuing basis. The tree farm program is a profitable and progressive asset to the general economy. Here in our state, tree farms are paying off. Value of our manufactured forest products averages better than half a billion dollars annually.

## Saddle Club Plans Trail Ride Nov. 6

On Sunday, November 6, at 10:00 a.m. the Prentiss County Saddle Club will leave a designated point in Booneville to arrive at the Club arena around 2:00 p.m. where a cook out feast will be spread for the "weary cowpokes."

The cook out is for club members only.

A list will be at the concession stand Thursday night and Sunday afternoon. If you plan to attend the cookout, please sign up. This request is made so the camp cook will know how many supplies will be needed.

The club will provide the meat, bread, and potatoes. How about all the ladies bringing a dessert?

## Wesley Foundation Fills Red Cross Christmas Ditty Bags For 1st Infantry Vietnam Soldiers

The Wesley Foundation at Northeast Mississippi Junior College, sponsored by Miss Vessie Ferrell, gathered together books, bath cloths, soap, plastic bags, and many other worthwhile gifts in order to fill Red Cross Christmas Ditty Bags, which will be sent to the 1st. Infantry Division in Vietnam.

Others who participated in helping fill the ditty bags were Smith

Drug Co., Duckworth Drugs, Floyd Drug Co., Cox-Blythe Drugs, Sunflower Food Store, Kuhn's Variety Store, and Mrs. Harold Coley.

Ladies of the Home Demonstration Clubs of Booneville made the ditty bags and Gray's Department Store packaged and prepared the boxes for shipment.

The Board of Directors for the American Red Cross wishes to thank all persons who helped in this worthwhile cause.

## Calvary Baptist WMS Meets

The WMS of Calvary Baptist Church met Tuesday night for the Royal Service program. Nineteen members were present.

Mrs. Trent Grubbs read the call to prayer for missionaries who had birthdays; prayer for the missionaries was led by Mrs. Herschel Presley.

Before the program a business meeting was held with Mrs. Charles Rowan, president of the WMU, in charge.

Miss Jessie Pressley led a most interesting program on "The Search for God Among the Language Groups in Detroit, Pittsburgh, and Atlanta."

Case histories from the scriptures were given by Mrs. Billy Whisenant, Mrs. Lee Kendrick and Mrs. Charles Cole.

Findings on the search for God in Detroit were discussed by Mrs. Trent Grubbs, in Pittsburgh by Mrs. Charles Crabb, and in Atlanta by Mrs. Charles Rowan. The meeting was closed with prayer by Miss Jessie Pressley.

After the program a surprise

stork shower was given for Mrs. Billy Whisenant. Fellowship and refreshments were enjoyed by all.

## Necessary Facts If Car Is Stolen

Would you know what to tell the police immediately if your car were stolen? According to Jack Hutchison, Director of the Highway Patrol's Auto Theft Bureau, much valuable time is lost because people don't know the necessary facts about their automobiles.

The city police department should be the first agency notified if the theft occurred within the city limits. If not in the city, the county sheriff's office should be informed first. The owner is required to sign an affidavit stating that his car has been stolen and relating all pertinent facts.

Basic facts a person should know about his car are listed by Mr. Hutchison as description, tag number, and serial number. The description should include items such as color, make, model, body style, and any distinguishing factors (broken glass, scratches, stickers, etc.) The tag number is usually short enough to be easily remembered, but most people don't memorize it. Your bill of sale or tag receipt can furnish the serial number.

Your help in giving these facts quickly is vital since the first few minutes after theft are the most crucial for recovery. "The Highway Patrol strongly recommends that every motorist have this information readily accessible," says Commissioner of Public Safety T. B. Birdsong.

## THE CHAMBER OF COMMERCE

Community advancement and economic progress are only two of many objectives successfully pursued by Chamber of Commerce organizations. We have been most fortunate in having energetic, dedicated leadership in this key phase. The philosophy of the volunteer service organization calls for a banding together of many men to build a better community and state and nation, accomplishing goals that could not be attained by each alone. A chamber of commerce is usually the cohesion of businessmen having the mind of business and the goal is better business; however, better business carries with it the responsibility of creating more productive, peaceful and moral environment for those even yet unborn.

## Program On Physical Fitness Is Presented To B. and P. W. Club

The Booneville Business & Professional Women's Club met on Thursday night, October 13th at the Town Motel Restaurant with 28 members present. Mrs. Jerry Floyd, president, presided.

Mrs. Floyd announced that Deborah Brown had been selected as Student of the Month. Mrs. John Skinner, a member of the club and also a member of the Booneville High School faculty, introduced Deborah and told of her outstanding personality and many achievements.

Mrs. Walter Ruff was introduced by Mrs. Floyd as a visitor. Cindy Langston was also visiting the club meeting with her mother, Mrs. Joe Ray Langston, a club member. The invocation was given by Mrs. Billy Chase.

After a delicious meal, Mrs. Joe Ray Langston introduced Mrs. Mamie Franks, a Science teacher at Booneville Junior High School, who presented a very interesting program on physical fitness. Mrs. Franks works with a group of seventh grade girls in a physical education program at the Junior High School. She had with her Debbie Green and Tenna Vassar, who illustrated different kinds of exercises as Mrs. Franks told of the many advantages of the proper exercises for both mental and physical well being.

Mrs. Billy Chase, chairman for the Queen of the Forest Contest, which will be held on October 25, at the Junior College Auditorium at 7:30 p.m., assigned committees and discussed the approaching Queen of the Forest Contest. All the preliminary plans were made for the contest during the meeting.

Mrs. Clyde Jones assigned several members to sell advertisement for the Queen of the Forest Contest programs.

A tea is being planned and will be held at Mrs. Clyde Jones' home on Saturday, October 22 from 4 o'clock until 5 o'clock for all Business and Professional Women Club members and prospective club members. This tea will climax National Business and Professional

Women's Club Week.

The meeting was adjourned by the reading of the Club Collect.

## Christmas Parade At Tupelo Nov. 29

The Merchants Committee of the Community Development Foundation in Tupelo, Miss., announced that the 1966 Christmas Parade will be on Tuesday, November 29, 1966, at 7:30 p.m. An alternate date has been set for Wednesday, November 30 in case of inclement weather.

Area bands have been invited to participate in the parade. Tommy Brooks, Chairman for the Parade, announced that local clubs and organizations will be providing floats for the event.

The Committee announced that after November 24, 1966, there will be a Santa float available for use in Christmas Parades in surrounding towns.

This is a float which was custom-built for the Tupelo Parade, complete with Santa's sleigh and reindeer. Realizing the difficulty in obtaining such a float, the Tupelo merchants want to make it available to other organizations sponsoring a parade.

For further details, call Harry Martin in the Community Development Foundation office in Tupelo, Miss. (842-4521).

## Ford Dealers To Sponsor Miss Liberty Bowl Beauty Pageant

Following last year's affiliation with the successful launching of the Liberty Bowl Football Game in Memphis, Tennessee, the 212 Ford Dealers comprising the Memphis Ford District located in the States of Arkansas, Alabama, Kentucky, Missouri, Mississippi, and Tennessee will again in '66 sponsor regional radio network play-by-play coverage of the December 10 game throughout the six-state area.

In addition to media sponsorship and other promotional events around the game, the Memphis

MRS. DONALD PERRIN ROTEN

## Miss Ouida Phillips Weds Donald Roten

Miss Ouida Oleta Phillips of Memphis, daughter of Mr. and Mrs. Albert Melville Phillips, Sr., of Jackson, Tennessee, formerly of Booneville, is the bride of Donald Perrin Roten of Memphis, son of Mr. and Mrs. Pearl Norman Roten of Ripley, Mississippi. Vows were exchanged at 4 o'clock on the afternoon of September 24 at Poplar Heights Baptist Church, in Jackson with Rev. Bob Holland, director of student procurement at Union University, officiating.

The altar was impressively decorated with massive jade palms and myriads of gleaming white tapers in arched seven-branched candelabra. In the center was a kneeling bench backed by an elegant sunburst arrangement of white gladioli. On each side of the bench was a stately cathedral candle mounted in an antique holder with a fountain-palm at its base. The family pews were marked with bows of white satin ribbon and bridal lace.

Organist was Mrs. Gipsey Maxwell, and soloist was Miss Kathy Daws.

The bride was given in marriage by her father and wore a lovely gown of candlelight peau de soie featuring a scooped neckline with elbow-length sleeves. The skirt, chapel-length train, and sleeves were appliqued in imported Alencon lace embroidered with pearls.

The bride's imported silk English illusion veil fell from a tiara of crystal drops and seed pearls, and she carried a cascade bouquet of white Elegance carnations and tuberose centered with a Royal bouquet orchid.

Mrs. Russell Johnson of Oxford, Miss., cousin of the bride, was matron of honor. She wore a floor-length dress of delphinium blue velvet and evening blue satin. The Empire bodice featured a scooped neckline and elbow-length sleeves. A double fold of satin attached at the back gave a bustle effect. Her circular nose veil was attached to a tiny blue pillbox. She carried a cascading hand bouquet of white chrysanthemums and tuberose interspersed with English ivy and tied with white velvet ribbon.

Bridesmaids dressed identically to the matron of honor were Mrs. Albert Phillips of Jackson, Mrs. Connie Zimmerman of Memphis, and Miss Betty Gayle Roten of Ripley.

Best man was Al Quigley of Memphis. Serving as groomsmen were Dave Roten, John Hopkins, and Ronald Milton Phillips.

Mrs. Phillips chose for her daughter's wedding a two-piece dress of pastel turquoise crepe made with a slim skirt and an over-blouse. Mrs. Roten chose a model of mauve lace over crepe. Matching accessories and orchid corsages were worn by both mothers.

The reception followed in the dining hall of the church. The bride's table was covered with a lace cloth over blue. The three-tiered cake was decorated in shades of blue, and at its base were pompoms and ferns.

The punch table held a cutglass punch bowl and was centered with a five branched silver candelabrum holding white tapers. Also upon the table was a striking arrangement of white stock, tea roses, and tuberose.

Miss Sharon Dunn of Memphis kept the guest register. Assisting with serving nuts, blue mints, and

punch were Mrs. James Farrar, Mrs. W. J. Hearn, Mrs. William Rowell, and Miss Jimmie Farrar of Jackson, Mrs. W. B. Godwin of Bay Minnette, Ala., Mrs. Henry Robertson of Booneville, Miss., Mrs. Jim Williams and Miss Jeanette Williams of Talladega, Ala. Rice girls were Misses Nancy Barry and Dawn Horne of Trenton.

For a wedding trip to New Orleans, the bride wore a suit of cinnamon knit. Three-quarter length sleeves trimmed in fur complemented the jacket. The orchid from her bridal bouquet was pinned at her shoulder.

The couple will reside at 1269 Willett, Apt. 6, Memphis, Tenn.

On Friday evening the bridal couple was honored by the groom's parents with a rehearsal dinner at the Downtowner in Jackson.

The head table was decorated with an arrangement of majestic daisies. English ivy and lighted tapers were placed at intermittent points upon the dining tables arranged in a U shape.

The menu consisted of shrimp cocktail, baked ham, candied yams, green beans and dinner rolls. Apple tarts and coffee were served for dessert.

Enjoying the occasion were relatives of the bride and groom and members of the wedding party. On this occasion Mr. Roten presented gifts to his attendants.

On the morning of the wedding Mrs. Henry Robertson and Mrs. Russell Johnson honored the bride elect, bridesmaids and other guests with a luncheon in the home of the bride's parents.

Mrs. Lillian McCorkey of Memphis assisted in serving colorful cold plates consisting of baked ham, sliced cheese, sliced eggs, spiced peaches, olives and potato salad arranged on crisp lettuce. Fruit filled rolls were served with coffee for dessert.

A four branched candelabrum holding four white tapers decorated with blue and white flowers entwined with ivy graced the table.

Miss Phillips presented gifts to her wedding attendants on this occasion.

## Harvest Theme Featured At Open House Honoring Mr. and Mrs. Taylor Byrd Smith

The hospitality of Mr. and Mrs. Taylor Byrd Smith was impressively graced the entrance where guests were greeted by Mrs. Smith, charming in their home Sunday at the Open House from 3 to 5, when they honored Mr. and Mrs. Taylor Byrd Smith of Columbus, whose recent marriage in Tupelo was an outstanding social event.

A classic cascade of flowers and fruit which was symbolic of the harvest theme. The welcome was continued at the tea table with the stately elegance of three candles

casting a lovely gleam from the center of an epergne filled with varying shades of yellow and gold flowers, which added dramatic emphasis to a harvest cloth of brown net. The border of the cloth was centered with a sequined cornucopia of fruits and flowers to depict the autumn season. Mrs. Le Baume Peeler and Mrs. Arthur Schultz served hot cider and a variety of delicately tinted cream and fruit tarts. They were assisted by Mrs. Clifford Long, Mrs. Joe Duckworth and Mrs. John Henry Price.

On the serving table in the breakfast area an ecru linen cloth was centered with a handsome pyramid of fruit with clusters of pale green grapes trailing from the sides.

Mrs. Stewart Vail, Mrs. Emmons Turner, Jr., Mrs. Charles Vail and Mrs. John David Price were grouped as circulating hostesses.

After a brief period of mingling with guests in the family living room, they continued to the patio, which was surrounded by rich and distinctive foliage and coloring—a blaze of welcome. Guests were received by Mr. Smith and Mr. Crawford Grissom.

Mrs. Whit Abernethy served coffee from a table which was individualistic in a range of colors to blend with the out-of-doors atmosphere. Leaving from the side entrance to the patio, guests admired a mammoth sheath of ornamental grasses and field flowers, accented at the base with a single pink

## Garden Club Meets With Mrs. Burress

On Tuesday morning, October 18, the Town and Country Garden Club met at the home of Mrs. Bobby Burress, Jr., with Mrs. Irwin Feldman as co-hostess.

A variety of homemade cookies with coffee was served by the hostesses before plans were made to sponsor a Brownie Scout Troop. Members then were urged to attend the district meeting in Tupelo on November 1 and the landscape design school at Mississippi State College on Nov. 16.

The special projects committee reported that improvements on the courthouse lawn are continuing. Tishomingo stone will be used to pave an area placing benches and to build retaining walls and flower beds. Shrubbery will be planted very soon.

The program was ably presented by Mrs. Theron Pounds with the theme being, "The Good Earth." Mrs. Pounds is an experienced hor-

## IS HE YOURS

You take him for a walk around the block and people stop you to say, "What a beautiful baby!"

You try to be modest about it, but your heart is bursting with pride. He is the most beautiful baby—and—he's yours!

Or is he?

It can be pretty disturbing the first time you realize that your baby really isn't yours at all—that you do not possess him. Yet the sooner you do realize it, the better. We can't possess another person no matter how dearly we love them. And in the case of our children, we are custodians, not owners.

He is a beautiful baby—and you, naturally, want nothing more than for him to grow up into a fine young man. It is your responsibility, in the years ahead, to help him do so—and you will find the strength and guidance to aid you in your task in your church.

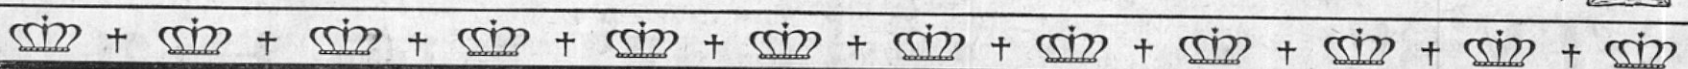

Start going to church this Sunday. Chances are that they've even got a nursery for beautiful babies!

### THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## H. V. Shackelford Reports On Tour

Mr. H. V. Shackelford of Booneville is in Europe on an 18-day deluxe tour won by Mr. Shackelford and sponsored by Union Bankers Insurance Company of Dallas, Texas. The following is the third and final report of the trip.

Rotterdam, Holland  
October 9, 1966

"Rome turned out to be fully as exciting as we had anticipated. St. Peter's is magnificent, in both size and detail. We all have neck cricks from our intense study of the Sistine Chapel ceiling, painted by Michelangelo so many years ago. It is amazing that the colors are still clear. The Colosseum somehow has a mystical power over its visitor, enabling him to visualize 2,000-year old gladiators and lions, anticipating the arrival of Christians in the arena. The floor is completely gone leaving the "basement" maze of animal pens visible.

"Every one of us would like to return to Rome for a more lengthy visit, but we headed north into Switzerland for the last leg of our fabulous trip. The climate and scenery are quite different here. The air is cool and crisp, and the mountains are reminiscent of those shown in "The Sound of Music." Germany's Black Forest is exactly that, due to the density of tree growth, and we found it very cool and refreshing after the heat from which we have just come.

"Our steamer trip up the Rhine to Koblenz showed us even more magnificent scenery, and many rolls of film were used this day! "Having toured Brussels, we made our next and final lap into Netherlands, or Holland. The land was reclaimed from the sea many years ago by the use of dykes, which are wide enough to support houses and streets. The small towns are COVERED with bicycles and our motorcoach had to take care in order to avoid hitting a few! The people here are pink-cheeked and pleasant, and this has been a wonderful place to finish our tour.

"We have all resolved to come back as soon as we can, and are grateful to Union Bankers Insurance Company and its President, Margaret Brand Smith, for having made this trip possible for us."

P.S. I have sent a copy of this to Jo Cutler, 606 Mercantile Securities Building, Dallas, Texas, 75201, 214-RI 2-8091.

## Proposed Amendment To Mississippi Constitution of 1890 HOUSE CONCURRENT RESOLUTION NO. 36

A CONCURRENT RESOLUTION TO AMEND SECTION 271 OF THE MISSISSIPPI CONSTITUTION OF 1890 SO AS TO PROVIDE THAT THE LEGISLATURE MAY PROVIDE FOR THE CONSOLIDATION OF EXISTING COUNTIES OF THE STATE.

WHEREAS, the industrial development of the State of Mississippi has progressed at a phenomenal rate and modern highways and improved industrial facilities have been made possible; and whereas the enlargement of governmental subdivisions and, in the light of such developments, economical conditions of the State would be facilitated by the consolidation of certain counties within the State: NOW, THEREFORE,

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI, TWO-THIRDS (2/3) OF THE HOUSE OF REPRESENTATIVES AND SENATE CONCURRING THEREIN, That the following amendment to the Constitution of the State of Mississippi be submitted to the qualified electors of the State for ratification or rejection at an election to be held on the first Tuesday after the first Monday in November, 1966, viz:

Amend Section 271 of the Constitution of Mississippi so as to read as follows: "Section 271. The Legislature may provide by a two-thirds (2/3) vote of the elected members of the House of Representatives and of the Senate for the consolidation of existing counties of the State, provided, however, that such counties combined must be adjoining."

BE IT FURTHER RESOLVED, That the Secretary of State is hereby directed to give public notice of said election for at least thirty (30) days preceding same. APPROVED BY THE HOUSE OF REPRESENTATIVES June 10, 1966. WALTER SILLERS Speaker of the House of Representatives. APPROVED BY THE SENATE June 9, 1966. CARROLL CARTIN President of the Senate.

## Woman's Society Call To Prayer Set For October 25-31

The week of October 25-31 has been set aside for the observance of a Call to Prayer and Self-Denial in the local units of the New Albany District Woman's Society of Christian Service and throughout Methodism.

"These My Brethren," taken from Matthew 25:40 and emphasizing brotherhood in mission work, is the theme for the local and world-wide observance.

During the last week of October Methodist women will respond to this most significant call. In their Quiet Day services and Missions Program Meetings, they will seek spiritual renewal will learn of mission needs, offer intercessory prayers and make sacrificial gifts for the support of retired deaconesses through the Deaconess Pension Fund and for Community Centers Around the World.

The prayer and self-denial observances are being held for the 80th time this year. As A Week of Prayer and Self-Denial was inaugurated by Methodist women in 1887, and since that time the observance has had the same basic spiritual motivation, the same missionary purpose and the same concrete objectives.

"The observance should lead to a deepened awareness of each person's call to become part of Christ's mission to the world. The value of the personal and intercessory prayers offered during a Call to Prayer and Self-Denial should not be underestimated," says a writer in "The Methodist Woman," and every local society and guild in the district is being urged to participate in this call to prayer and self-denial observance.

## PRODUCTS MADE IN MISSISSIPPI

In Mississippi, some 6,000 different products roll off assembly lines every day. Of these, about one third carry recognizable brand names sold all over the world. This list is long and varied. As proof that Mississippi's industrial star is rising, figures recently showed 22 per cent of all Mississippi workers as being employed in industry. This year promises to be the greatest industrially in the State's history.

Hungary is about the size of Indiana.

## THE HEADLINES TELL THE REAL STORY

Certain so-called Republican leaders and candidates in Mississippi are calling themselves conservatives in a desperate effort to confuse the people of this state. Here are a few news stories that tell you what Republicanism is really ALL about. Read these carefully:

## Reed Says No Racial Barriers At GOP Meet

By THE ASSOCIATED PRESS

Republican State Chairman Clarke Reed said Monday former vice president Richard Nixon will speak to a May 6 GOP dinner here with no racial barriers to Negroes.

"Anybody who can buy a \$100 ticket can come," Reed

would get the votes of both the far right groups and Negroes, Reed said.

"If he (Walker) can do that, he can be elected president."

The state party will keep hands off the Republican primary race for congress in the

## GOP Runners Seek Dixie Negro Votes

WASHINGTON (AP) — Two freshmen congressmen, seeking as Republicans to wrest the governorships of Alabama and Georgia from longtime Democratic control, said Sunday they hope for substantial Negro support.

The two, James B. Martin of Alabama and Howard H. Callaway of Georgia, said they did not think their votes against civil rights measures would hurt them with Negro voters.

"The Republican party is going to get the Negro vote," declared Callaway in response to a question on the Negro

"I am running against a very gracious lady," he said. "However, she is a standin for her husband."

Martin predicted that Wallace would run for President in 1968, but said he feared the governor would attract votes that "would guarantee the re-election of Johnson and Humphrey."

WANTS LBJ OUT

"I want to see the administration of Johnson and Humphrey defeated," he added.

Callaway, Georgia's first Republican congressman since Reconstruction expressed the same sentiment when asked if a

## Farmers Reminded To Keep Record Of Employees' Pay

It is now harvest time and farmers in Prentiss County should pay particular attention to keeping accurate records of their employees' pay for Social Security, Hugh Tigrett, District Manager, announced today. Now is the time to record Social Security information accurately so this information will be handy when it is needed for filing tax returns early next year.

Mr. Tigrett went on to explain that when a farmer hires a worker

he should ask to see the worker's social security card and record the number and name as it appears on the card. He should then keep a record of how many days the worker is employed and how much he earns.

Wages of farm workers are covered under Social Security and must be reported if the worker earns as much as \$150 during the year or works as much as 20 days during the year and is paid on a time basis. Time basis means the worker is paid by the day, week or month.

The employee's share of the tax which is 4.2 per cent should be de-

ducted from his pay. The employer then adds an equal share and sends the money with the report to Internal Revenue. The report for the year 1966 is due by January 31st, 1967.

For further information about withholding and reporting farm wages, contact the Tupelo Social Security District Office, located in Room 211, Federal Building. The telephone number is 842-6211.

**NURSING STUDENTS** at The Northeast Mississippi Junior College are fascinated with the quilt top made by Mrs. Lelia Ellis at the Aletha Lodge Nursing Home. They are, from left to right: Billie Weeks, Corinth; Mrs. Ellis; Sue Nabors, Ripley; Ruth Carroll, Wal-thall; and Mary Arnold, Starkville.

**A MODERN HYDRAULIC LIFT** is being examined by Northeast Mississippi Junior College nursing students at the Aletha Lodge Nursing Home. They are, from left to right: Mrs. Sue Nabors, Ripley; Mrs. Cloyce Richman, Shiloh, Tenn.; Barbara Ann King, Booneville; Elizabeth Gross, Iuka; and Mary Arnold, Starkville.

**SPECIAL ATTENTION**—Mrs. Grover Hardy of Tishomingo, who is a patient at the Aletha Lodge Nursing Home, is receiving special attention from Northeast Mississippi Junior College nursing students. From left to right are: Josie Pearson, Ripley; Pat Bailey, Booneville; Mary Taylor, Myrtle; Gracie Groner, Booneville; Joan Blanchard, St. Martinsville, La.

### Northeast Nursing Students Get Training At Various Nursing Homes And Hospitals

The Northeast Mississippi Junior College students of nursing have the opportunity of receiving training in caring for the ill at various nursing homes and hospitals. As part of their training they are introduced to many new conveniences in the field of nursing. An example of this is a specially equipped chair, as Mrs. Grover Hardy is seated in, used extensively in caring for older people. This chair is made entirely of steel and is very sturdy. It is designed for comfort, as is shown by the high cushioned back. Provision is made for the use of a removable tray which is very useful to patients who work with their hands.

This chair is only one of the many aids which make for comfort to the patients in our modern nursing homes and hospitals.

An example of this is the hydraulic lift at Aletha Lodge Nursing Home. This lift makes it possible for patients who cannot walk to be transported from their bed to a

bathtub in comfort.

The students have found that many patients busy themselves by working with their hands, as in the case of Mrs. Lelia Ellis, at the Aletha Lodge Nursing Home.

Since she became a patient at the nursing home, she has completed forty-one quilt tops, all of which had been sold at the time of the students' visit.

The demand for her handiwork is due to the many colorful and original designs of her own creation. This craft is only one of the many types of work that help make a patient's life busy and useful.

### WOMEN PAST 21 WITH BLADDER IRRITATION

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from Headaches, Backaches and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by eradicating irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at drugists. Feel better fast.

### Employment Tax Return Deadline

Employers in Mississippi have an important tax deadline on Monday, October 31, 1966.

This is the due date for reporting and paying withheld income tax and social security taxes for the calendar quarter ended Sept. 30th,

1966, according to Mr. J. G. Martin, District Director of Internal Revenue.

Employers should use Form 941 to report their tax liability for this period.

Mr. Martin pointed out that employers who made full and timely deposits in Federal Reserve banks or authorized commercial banks

have until November 10, 1966, to file their returns.

"Employers Tax Guide," which furnishes more detailed information on this subject, may be obtained by writing to your District Director, Internal Revenue Service.

## J. Claude Wells, Pioneer Publisher Dies In Texas

J. Claude Wells, 89, of Memphis, Texas, known throughout the Tri-State area as The Dean of Panhandle Newspaper Publishers, was laid to rest beside his wife, Pearl Wells, on a beautiful fall afternoon Saturday, October 1 in Fairview Cemetery in Memphis, Texas.

He died at 12:30 p.m. Thursday, Sept. 29, in Northwest Texas Hospital in Amarillo of heart failure following a lengthy illness.

He had been in ill health since July 11, and was transferred from Hall County Hospital to Amarillo three weeks ago.

Funeral services were held at 3 p.m. Saturday at the First Methodist Church with the Rev. David Hamblin, pastor, officiating. The Rev. Gene Jorgenson, pastor of the First Baptist Church, assisted.

The veteran newspaper publisher was born March 25, 1879 in Booneville, Miss. His wife, the former Pearl Vineyard, preceded him in death last December. The couple was married on October 30, 1904 at Claude, Texas.

Claude Wells was honored in his home town on March 22, when it was declared to be "J. Claude Wells Day in Memphis." A joint meeting of the Memphis Lions and Rotary Clubs was held at which time it was announced that he had contributed \$50,000 to the Hall County Hospital for an addition which is in the planning stage calls for additional 20 rooms and a new wing. The contribution was made in memory of his wife.

A publisher on the Plains for over 64 years, Mr. Wells left streamers of newsprint and printers ink laced throughout nearly the whole civilized history of this area. He was also the subject of numerous magazine articles.

He was a philanthropist, a businessman, a civic leader, and a man with vision concerning civic improvements.

Mr. Wells attended school at the Southwestern University in Georgetown, after finishing high school. He was a school teacher for a few years before becoming a newspaperman.

He published newspapers in Hollis, Okla., Hedley, Wellington and Memphis. He sold his interest in the Memphis Democrat which he purchased with his partner, H. Deskin Wells of Wellington in 1925, to his partner, Herschel Combs on Jan. 1, 1966. Since that time he has continued as a columnist with the paper.

He served as president of the Panhandle Press Assn., was a former mayor of the City of Memphis, serving several terms, served as president of the Memphis Chamber of Commerce, Rotary Club, and member of the Memphis School Board. He was a Boy Scout leader, having organized the second scout troop in the Panhandle at Hedley over one-half century ago. He served as deputy scout commissioner for the Panhandle in 1925.

He was a Democrat, serving many years as chairman of the Hall County Democratic Executive Committee and was named as an alternate to the National Democratic Convention in Chicago in 1952.

Mr. Wells was an active Methodist and was at one time president of the Methodist Board of Stew-

ards. Claude Wells became interested in newspapers when he went to work for a country weekly in Alvord, Texas. After moving around and working at numerous jobs, he began his publishing career in 1903 by starting the Hollis Herald, Herald.

He sold the Hollis Herald in 1906 and worked for the Amarillo Herald and the Amarillo Daily Panhandle before moving on to Texico, N. M., and an experience which almost cost him his life.

It is in Texico while working for the Daily Trumpet in 1908 when Mr. Wells had his most hair-raising experience as a journalist. An irate citizen who had been under attack by the editor of the paper came looking for the editor who was out of town. Since Mr. Wells was alone in the building, the angry man knocked him to the ground and pulled out a gun. In the fight, several bullets were fired, which attracted help, and luckily none of them found their mark.

Despite such harsh experiences as a pioneer newspaperman, he later said, "Experience taught me that more can be done by using coated molasses instead of pepper, and to look upon others as people just like me — subject to same transgressions — when in their hearts they desired a peaceful existence."

In 1910, Mr. Wells established the short-lived Claude Courier, and later that year founded the Hedley Informer which he published until 1917.

He started the Wellington Leader in 1917 and ran it with his cousin, Deskin Wells, until 1925 when they bought the Memphis Democrat. Three years later he purchased the Hall County Herald and consolidated the two under the Democrat banner.

Of all of his accomplishments, he possibly was proudest of an award given in 1928 when his Memphis Democrat was awarded the Dallas News trophy for being "The best all-around Weekly in

Texas." Business firms in Memphis were closed from 3 to 4:30 p.m. Saturday in memory of Mr. Wells and at the request of a proclamation issued by Mayor H. J. Howell.

He is survived by a sister, Mrs. R. L. Madden of Memphis; a brother, Percy Wells of Wellington; and a brother-in-law, George Sex-aucer of Memphis, and a large number of nieces and nephews.

Pall bearers included T. H. Deaver, Sr., Lloyd Martin, V. C. Durrett, Ben Parks, Byron Baldwin, Bill Combs, O. E. Beavers and Tommie Potts.

Mr. Wells was the son of the late Mr. J. Watson Wells and Mary Maudlin Wells and was the grandson of the late Colonel Joseph M. Wells, a Methodist minister of the Blackland Community.

Mrs. Mary Oakley and Miss Bess Bartlett, cousins, were notified of the death of Mr. Wells.

Other cousins in this section are Dr. S. T. Wells of Nashville, Tennessee, Mrs. Flemma Tucker, Dr. J. M. Carpenter, Boone Carpenter, Mrs. Bertie Gifford, Miss Mary Tackett and Mrs. Milton Waters of Booneville and Mrs. Garnet Lanning of Corinth.

The airport at Curaco is the longest in the Caribbean area.

## Rites Held Tuesday For Mrs. Mae Calvary

Mrs. Mae Calvary of Rt. 1, Booneville, passed away Sunday at 12:40 p.m. in Caldwell Memorial Hospital after being in failing health about two years. She was a member of the Thrasher Baptist Church and a housewife. She was 61 years old.

Funeral services were conducted Tuesday afternoon at Thrasher Baptist Church with Bro. Dewey Wallis officiating. Burial was in the adjoining cemetery with McMillan Funeral Directors in charge of arrangements.

She leaves her husband, D. M. Calvary; seven brothers, Elmer

Jackson of Picayune, Alvis Jackson of Memphis; two sisters, Mrs. Jesse Tucker of Ripley and Mrs. Willis Jackson and Harvey Jackson of Hickory Flat, Miss.

## Prentiss ASCS County News

By CHARLES E. CALVERT, Office Manager

## 251 ACRES TREES PLANTED UNDER A.C.P. IN 1966

Farmers in Prentiss County planted more than 251,000 trees under the Agricultural Conservation Program during the 1965-66 tree-planting season.

Thus, about 251 acres of farmland more suited for trees than field crops have been put to good

use which will bring rich rewards in the future and provide many additional benefits over the years.

Tree planting is a long-time investment that ultimately will mean improved income. And, in the meantime, the growing trees provide substantial conservation benefits by helping reduce erosion and flooding, stabilizing and improving

water supplies, assuring clear, clean streams, and providing better hunting, fishing, and other outdoor recreation opportunities.

Under ACP, the public shares with farmers a part of the cost of planting trees and of other soil, water, woodland, and wildlife conservation measures beyond the extent which farmers could afford to carry out alone. By sharing the cost of such practices, both the farmer and other taxpayers contribute to the improvement and conservation of the nation's vital natural resources.

During the 30 years since the program was first authorized, farmers in the county have planted more than 8,000 acres of trees under ACP; throughout the nation, farmers have planted almost 4.3 million acres of trees with ACP cost-sharing assistance.

Further information about forestry practices approved for ACP assistance may be obtained at the ASCS County Office. In Prentiss County, ACP cost-sharing will be available in 1967 for such forestry practices as Timber Stand Improvement. Under this practice

farmers may earn payments for improving forestry plots by removing undesirable species of hardwood.

## ACP FARM PONDS DOT LANDSCAPE

Farm ponds have literally changed the rural landscape over the last 30 years. U. S. farmers and ranchers — with cost-share assistance under the Agricultural Conservation program — have built almost 2 million water-storage reservoirs of various types during that period. These ponds could contain as much water as American house

holds use in a year.

Farmers continue to construct about 60,000 ponds a year (most with ACP help), of which from 9,000 to 10,000 are in authorized flood-prevention watersheds and Public Law 566 watershed program areas. The ponds are located in every agricultural county of every State, as well as in Puerto Rico and the Virgin Islands.

In Mississippi, farmers and ranchers have constructed about 90,000 farm ponds with ACP assistance over the last 20 years. The practice is among the most impor-

tant ones encouraged by the program.

Farm ponds are of many styles and have many purposes, and they have numerous practical and esthetic benefits. ACP ponds are principally of five kinds:

(1) Livestock water ponds to protect vegetative cover (primarily by distributing grazing) or to make the land more usable for vegetative cover;

(2) Storage-type erosion-control dams to stop gully and reduce runoff of water;

(3) Irrigation water-conservation

reservoirs to conserve scarce water;

(4) Wildlife conservation ponds to conserve fish and wildlife on farmlands; and

(5) Ponds for forest fire control. Most of these ponds serve more than one of these purposes.

Increasingly farm ponds are contributing to landscape beautification, and they are furnishing additional recreation opportunities for such water-based sports as fishing and swimming, boating, and ice skating, as well as just a site for picnicking or nature study.

## FEEDER PIG SALE

The Twenty-Sixth Area Feeder Pig Sale held here Thursday sold 1327 head of pigs averaging 48.7 lbs. per pig for an average of \$34.97 per cwt. or \$17.02 per pig.

This sale brought the total for all sales to \$347,004.46.

Many farmers could be adding a supplemental income to their present farm operation by producing feeder pigs.

We will be glad to discuss this with you.

## PASTURE NOTES

A slogan for the coming year could be, "Fertilize Pastures and Make More Money."

If you have not been fertilizing pastures, or have not been using high enough rates, study the situation.

Start right now getting fertilizer on areas with clovers and other legumes. Then use a complete fertilizer on the permanent pastures for next spring and summer grazing.

Many of the grass pastures have a lot of hop clover, white clover, lespedeza, vetch and other legumes growing in them. Often you don't see these plants until you fertilize the area.

Following liming and fertilizing, weeds must be controlled to get full benefit from the plant nutrients.

## COTTON ALLOTMENTS

If you have not already received your 1967 cotton allotment and projected yield, you will real soon. When you get the notice, check it carefully. If you are not satisfied with it, you have 15 days to appeal for an adjustment.

If you are interested in buying or leasing cotton allotments, be sure to consider your projected yields, as well as the projected yield of the allotment you buy. Actually, you buy or lease projected yield and not acres of allotment.

Another thing to think about is

the price of soybeans. Study this carefully before you buy or lease any cotton allotment to go on fair or poor cotton land.

## ROW CROP FERTILIZER

Most experiment station tests indicate that fall application of phosphate and potash is just as satisfactory for next year's crops as

spring application.

This is especially true on medium to heavy textured soils. Nitrogen should not be applied in the fall as a severe loss will occur from leaching during the winter. Potash will also leach to some extent on light sandy soils.

## INSECT CONFERENCE
