FOR COMING YEAR

\$1½ Million City Budget

The City fathers here are ready to operate a \$1½ Million business.

At least, that's the way the new budget stacks up. The new schedule for the city fathers was drawn up the past week, and is recorded at \$546,914, an increase of some \$73,000 over last year.

And the largest single item in the budget is designated for street maintenance.

Officials said some \$190,000 is designated for this segment of the city. Property maintenance will cost the city's taxpayers \$37,500 and the city's share of the Prentiss County Civil Defense budget will amount to \$20,164.

One hundred thousand dollars (\$100,000) was design-

ated for salaries and wages in the Maintenance of Streets and structures with \$80,000 for supplies and expenses. Some \$10,000 was allocated for equipment.

In The Care and Maintenance of Public Property, \$22,000 was designated for salaries and wages while \$13,000 was put down for supplies and expenses. The cost of equipment was allowed at \$2,500.

Embedded in this budget

is an almost 10 percent raise across the board for all city employees under the direction of the aldermen.

The new figures were agreed upon in a special meeting the past Friday, according to City Clerk O. J. Robertson.

Non-tax revenues are expected to account for \$423,500 of the city's 1974 income.

Miscellaneous income, which includes sales tax reimbursement from the state, will account for \$375,000 of the city's 1974 revenue.

Privilege license fees, permits, police fines, meter collections and the city's cash balance will provide \$48,500 in the new budget.

Tax levies will be required to raise \$123,414.

Fire and police budgets are allocated \$133,750 in 1974, with supervisory expenses budgeted for \$30,000.

For the Protection of Life and Property, in the Police Department, \$69,000 was designated for salaries and wages with \$17,750 for supplies and expenses, and \$7,000 for equipment.

The Fire Department was allocated \$31,000 for salaries and wages with \$6,000 for supplies and expenses. Some \$3,000 was noted for equipment.

Miscellaneous expenses, which includes retirement fund and social security payments, are budgeted for \$131,000 in the new fiscal year, which begins October 1.

ETV Gets Approval From FCC

Final approval was granted Tuesday to the Mississippi Authority for Educational Television to construct ETV Channel 12 here, it has been learned.

MAET Director William Smith said the Federal Communications Commission had notified the authority of its final granting of the license to operate Channel 12 to MAET by telegram Tuesday.

It was noted that construction of the antenna and station will begin immediately, and has been predicted that Channel 12 will be on the air by March 1, 1974.

Construction of the structure can begin immediately, it was learned.

Bond and interest revenues which are budgeted separately, will amount to \$60,168. Expenditures in the same category are set at \$56,277.

The new budget will go into effect October 1, 1973.

County Gets \$50,000

Prentiss County Civil Defense Director Bill Prather has been notified that the county has received \$50,361 for restoration and repairs as a result of the 1973 Spring Floods.

Prather said the money was approved by the Federal Disaster Assistance Administration for restoration and repairs to public facilities damaged or destroyed during the floods.

Kenneth N. Causey, Director, and Prentiss H. Baughman, Deputy Director, were appointed by Governor Waller as State Coordinating Officers to assist local governments in making application for assistance under Public Law 91-606, The National Disaster Act, 1970.

Causey and Baughman pointed out this amount is not a grant to Prentiss County but will be a reimbursement for actual monies expended in the restoration of public facilities to pre-disaster conditions.

Following completion of all work and a final inspection by State and Federal inspectors, final payment will be made as determined by State and/or Federal Audit.

This money is in addition to some \$145,927 that the county has been approved by the state disaster fund. Officials said that some \$106,000 of this money will be used to replace two bridges in the fourth district of the county. The balance of this total will be used for road repairs.

The recently approved monies will be used for road repairs in the county.

Prather said that work is currently underway to obtain funds for flood relief for the city.

A Big Boost

These young co-eds, all cheerleaders for the Northeast Tigers, are definitely a big boost to the team spirit. The cheerleaders are, left, Diana Albright, Corinth; Rosemary Hiale, Corinth; Frankie Robbins, New Albany; Judy Rutherford, Booneville; and Debbie Donovan, Booneville. They are pointing particularly to the date of September 1.

Rev. DeVore Lead Camp Meeting

The Booneville Church of God District Camp Meeting will be held September 5-7.

Officials said the meeting will be held at the Frankstown Mission six miles south of Booneville on Highway 45. The meetings will begin at

6 p.m. with Rev. J. E. DeVore as the evangelist.

The Bible teacher for the meetings will be Rev. H. D. Sustar, overseer of Miss.

Rev. Austin Shook is the pastor of the Booneville Church of God.

5,000 Enrolled In County's Schools

Early reports list approximately 5,000 students attending the Prentiss County Schools.

Officials of the school system reported that some 4,141 students are now enrolled in the schools under the Prentiss County School system, and an additional 1,055 are enrolled in the Baldwin schools.

Prentiss County Superintendent of Education Lex Cain

listed the individual schools as: Booneville Middle, 463; Wheeler, 548; Booneville High, 577; Marietta, 184; Thrasher, 580; Hill's Chapel, 288; New Site, 262; Jumper-town, 408; Booneville Elementary, 533; and Anderson, 298.

Baldwin Superintendent Steve Clark listed his number as: grades 1-4, 388, 5-8, 392, and the high school as 275.

Northeast Tigers' Fate On Line Here Saturday Night

BY WILLIE IZARD
EDITOR

The Northeast Tigers open a brand-new football season here Saturday night . . . and the odds are that it'll be the beginning of a good one.

For Northeast Coach Bill Ward says that "the team has more desire and enthusiasm than I've ever seen. I've never seen a football team with the desire, attitude and spirit that this one has."

Those qualities do indeed go a long way in determin-

ing a team's fate, and this coming Saturday night at 8 p.m. the home-town Tigers will be here to prove their point.

They'll be hosting the Gulf Coast Bulldogs in their opener.

"We're not the best in the world yet," Ward said, "but we have noticed improvement in each of our drills since we opened practice."

"We're going to a young football team - we've only got 10 sophomores, so we'll make a few mistakes. But I think we will be a real com-

petitive football team, one that the people of our area will enjoy watching."

Ward says Gulf Coast definitely presents an opening-night challenge.

"We are going on the assumption that they'll basically be the same type of football team they've always been."

"They'll screen pass you to death if you let'em get away with it. They throw the screens to the tight end, to the wide-outs and to people coming out of the backfield. And they have

always used the draw play quite well."

"It's not a matter of not knowing what they'll do, it's just a matter of getting ourselves prepared for it. We've already worked on every phase of the game and I think we'll be ready to stop them."

The Tiger boss says he's "more than pleased with the progress of our football team. The defense has really blossomed out in the last few days and our offense is gaining momentum each practice."

Ward is working three players at quarterback and he said "I don't have any idea which of them will start right now."

He mentioned running backs Mike Boggan, Jan Pritchard and Danny Smith as bright spots, along with pass catchers Steve Carter, Bobby Smith, Jim Pounds, James Walker and Gary Nessler.

Blocking in the offensive line "has improved each day," said Ward, pointing to freshmen guards Jim Stanley, Jim Wilbanks and Eddie Pa-

terson, along with center Greg Tull.

On defense the standouts have been linebackers Randy Box and Robert Henry, a couple of veterans who are tagged as the finest head-hunters here in a long time.

Ward announced the signing of a seventh out-of-state player to a scholarship, Eddie Johnson, a 6-00, 185-pounder from Leighton, Ala. "We think our team will benefit a great deal from the new rule about out-of-staters," Ward said. "They've shown they're capable of playing in this league."

The 'Soft On Criminals' Court

We often hear that some judges are "soft on criminals" but we don't often learn the specifics. In the national news in late July of this year, there was a report about a group of New York City teenagers who pounced upon a man who attempted to sell them marijuana and dragged him to a local police station where he was placed under arrest. But few people, including us, heard any news of what transpired thereafter. Fortunately, crack newspaper reporter Don Flynn of the New York Daily News went around to find out. He learned that the accused, one Robert Martin, 27, was brought before Judge Milton Samorodin in Manhattan Criminal Court. There the judge "sentenced" Martin to a conditional discharge,

"which meant," wrote Flynn, "that he walked out of the door." Checking the record for the same day, Flynn noted that in Judge Samorodin's court, a charge of grand larceny was reduced to that of petty larceny, and the sentence was 30 days in jail; possession of narcotics became "attempted petty larceny," and the sentence was twenty days; grand larceny became "harassment," and the sentence was fifteen days or a \$100 fine; and in two other cases, possession of narcotics became "disorderly conduct." One resulted in five days or \$25, and the other a conditional discharge. Little wonder that New York has one of the worst crime rates in the country.

Dear Mr. Editor:
Please print this letter in your paper for the benefit of all concerned parents about this matter. I am always pleased when a Walt Disney movie comes to the local theatres because the quality of these films are worthwhile for our youth. Last night, I carried our two children to one of the local theatres to see two very good Walt Disney movies. When the first movie had finished, a series of "R" rated and "PG" rated movies were previewed on the screen. (There's not much difference between the two ratings apparently.) Both types of films were filled with obscene words, horror, mad killers, gang wars and scantily dressed women. I was very upset and so were many mothers sitting around me. We did not want our children to be exposed to this sort

Almost \$1 Million Thirst

Residents of Prentiss County seem to have been on a drinking spree in the past year--for soda pop, that is. They have been downing cola drinks, ginger ale, fruit-flavored beverages and mixers at a record rate, according to the latest industry figures for the regional area. By the same token, their outlay for these thirst quenchers has reached significant proportions. As a result, the fizz biz has become big biz locally. Local consumption of soft drinks in 1972 was at the rate of 478 eight-ounce bottles a year for every man, woman and child in the area, it is estimated. This was more than ever before. Two years ago, by way of comparison, local people were consuming about 465 bottles annually. The increase since then amounts to 13 bottles per person. Elsewhere in the United States the average was close to 400 bottles per capita, which was 12 more than in 1970. One explanation for the increase is that teen-agers, who are the biggest users, are more numerous than ever. They have been going for soda pop at the astounding rate of 550 bottles per year. Another factor cited is the attractiveness to many people of the many low-calorie drinks that have become available. They have made a strong impact on the weight-conscious public. Standard and Poor's, the financial advisory service, notes: "With more time for leisure and greater affluence, people are indulging their tastes for foods and beverages. These products are almost universally recognized as a symbol of the American modern-day culture." The net result, in Prentiss County, has been that soda pop consumption reached a total of 10,038,000 bottles in the past year, according to a breakdown of regional figures compiled by Carbonated Beverages, an industry publication. Nationally, the outlay for the 80 billion bottles and cans of soft drinks sold in the year came to more than \$7.6 billion, about double the 1965 figure. Prentiss County's share of this total was approximately \$954,000, it is estimated.

of thing when our purpose in taking them to the movie was to see something worth viewing. Perhaps, the theatre personnel was not aware of the affect these previews had upon the children and the parents. I would like to suggest that they try to avoid future incidents if there is a theatre full of young people. Sincerely, Mrs. Jo Ann Caldwell

SUCCESS IN MARRIAGE
By Professor J. Kenneth Williams

"come on" What does a man do in a situation like this? -- B.W., Miami, Fla

PROFESSOR WILLIAMS: Turn it off. It's not abnormal for a married man to be attracted to some females other than his wife, but, where it becomes a problem is when the attraction is pursued. Life is full of temptations, but the mature person handles them in such a way as not to interfere with his well-being. Don't encourage her in any way. Be considerate and kind, but draw the line. If you show no special interest, in all probability she will move on elsewhere. However, if she continues to give you the come on, make it plain, in a tactful manner, that you're not interested.

IS MARRIAGE ON WAY OUT?

DEAR PROFESSOR WILLIAMS: Do you feel that marriage and family life, as we know it, is on the skids? Consider the high divorce rate, not to speak of marriages which are over for all practical purposes but the couple is remaining together for the sake of children, profession, religion, or whatever. -- Mrs. B.W., Minneapolis

PROFESSOR WILLIAMS: We do have a high divorce rate. For example, in 1971, for every 100 marriages, 34 ended in divorce. Of course, this doesn't mean that the 34 couples who divorced were married in 1971, but it does give us an idea of marital instability. However, studies indicate more than two-thirds of all women and three-fourths of all men who are divorced remarry. This means that, although the divorce rate is high, most people prefer marriage to single life and if divorced will quite likely remarry. One interesting point, second and third marriages are less stable than the first, meaning the more marriages one has, the less stable each succeeding marriage. Marriage is one of the few relationships in which man and woman can fulfill basic emotional and physical needs to their utmost. I see no indication that this type of relationship is weakening. The fact that the marriage, divorce, and remarriage rates are so high defends the popularity and secure existence of marriage and the family. This doesn't mean that something isn't basically wrong with the attitude of many who look at marriage as a convenient escape from his own insecurities and problems, but marriage as an institution seems to be here to stay.

PAUSE FOR POWER

The Ultima Dilemma

"The chariot has come," said Margaret Prior as she faced death, "and I am ready to step in." But, what is death? Within the Biblical framework the essential idea involved in death is separation. Death is not cessation of existence, nor annihilation of the person. Death is separation. The Bible says, "Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it" (Ecclesiastes 12:7). Notice how death is here described: the body goes into the grave; the soul goes to God who gave it. The physical life of the body ceases to function, but the soul of the believee, perfectly conscious and alive goes immediately into the presence of God. On what grounds, however, do we believe in life after death? And, more precisely, what evidence is there for the resurrection of the body? There are many reasons why we believe in life after death and the resurrection of the body, but let me mention three. First, there is what we might call the moral argument. This life is filled with injustice and evil. Evil men prosper while good men suffer. The Hitlers and the Stalins apparently triumph and enjoy this life, while good and decent men are tortured and often die in tragic circumstances. Now, there must be some place where the scales are balanced. If this is a moral universe, if right is right and wrong is wrong, there must be another life in which the scales of justice are rectified, and evil is punished and good is rewarded. But, there is a stronger reason why we believe in life after death and the resurrection of the body. We have a Book, the Bible, which has been tested and proven true for thousands of years. This Book, which has never been refuted, promises to us the resurrection of the body. Now, if this Book is true in every place that we can test it, why should it not be true here when it predicts the resurrection of the body? Listen, for example, to these promises of the Bible. For example, the Bible says, "Behold, I show you a 'mystery'; We shall not all sleep, but we shall all be changed, in a moment, in the twinkling of an eye, at the last trump; for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed" (I Corinthians 15:51-55). Once again, the Bible says, "And not only they, but we ourselves also, who have the firstfruits of the Spirit, even we ourselves groan within ourselves, waiting for the adoption, namely, the redemption of our body" (Romans 8:23). Probably the most persuasive of all the arguments for the resurrection of the body, however, is the bodily resurrection

of Jesus Christ Himself. This is the historic evidence. As Jesus Christ rose from the grave, we too some day shall rise. The resurrection of Jesus Christ is the guarantee of the believers' resurrection. And it is not simply reason or argument, but an historic fact, the resurrection of Jesus, that meets and masters this great dilemma of death. Upon the empty grave of Jesus Christ, who died for our sins and rose again for our justification, we build the structure of our faith and hope. So the Bible says: "But now is Christ risen from the dead, and become the firstfruits of them that slept. For since by man came death, by man came also the resurrection of the dead. For as in Adam all die, even so in Christ shall all be made alive" (I Corinthians 15:20-23). Any Jew of Paul's day would have understood Paul's figure of speech--firstfruits, and it served a double purpose. It was both a pledge and a pattern of the coming harvest. So the resurrection of Christ is both the pledge and pattern of our resurrection. "If a man die, shall he live again?" (Job 14:14). Here is one of the ultimate questions of life, and to this ultimate question of life, the Bible gives us a resounding affirmative answer. Jesus Christ Himself said, "I am the Resurrection and the Life. He that believeth in me, though he were dead, yet shall he live."

DAIRY FOODS LIVE! A MEAL, SAY 4-H'ERS. Looking for refreshing ideas to liven up a tired summer menu? Try dairy foods, say young people involved in the national 4-H dairy foods program.

Nothing is more delicious or nutritious say these 4-H'ers, than a tall, cool ice cream float, lemon custard pie, or a tasty dip for snacking. Or try a main dish meal, like macaroni and cheese to enjoy dairy foods and to help conserve the family budget.

These and scores of other dishes use dairy products, and 4-H'ers in the 4-H dairy foods program, are well experienced in preparing these and other mouth watering delights.

Sponsored by Carnation Company, young people in the program also learn how dairy foods contribute to nutrition. Informing young people and others in the community about nutritious dairy foods and how to prepare different dairy treats are among the activities 4-H'ers perform in the program.

Rich in calcium, protein, riboflavin and relatively low in calories milk and dairy foods can brighten a meal and do it economically, too.

Fam Stewart, of Florence, Miss., one of the 1972 national winners in the program, discovered that preparing hundreds of dairy foods dishes for her family. Not only are dairy foods economical, says Miss Stewart, but there are so many meal ideas to create. Carnation Company provides incentive and recognition to young people in the 4-H dairy foods program. Up to four medals of honor are

offered to county winners, and an expense-paid trip to National 4-H Congress in Chicago, Nov. 25-29, goes to a winner in each state.

At the national 4-H event, six national winners receive \$700 scholarships from the company.

VA Questions And Answers

A -- No. However, like veterans who draw VA compensation for service connected disabilities, they must apply for this benefit.

Q -- The Veterans Administration stopped approving GI home loans in July. Why, and when will these loans be available again?

A -- VA temporarily withheld final approval of loans because Congress recessed June 30 without extending the agency's authority to set interest rates, causing the rate to revert to six percent. Approval of loans was resumed July 26, 1973, when PL 93-75 extended this authority (current rate 7.75 percent).

Q -- Under what circumstances does a veteran qualify for an additional \$150 in burial allowances?

A -- Under a law signed June 18, 1973, the Veterans Administration on August 1 began paying a plot or interment allowance of \$150 (in addition to established maximum \$250 allowance) for eligible veterans not buried in national cemeteries or cemeteries under jurisdiction of the United States.

Have you ever been stopped by a policeman and given a ticket for a traffic violation such as speeding? If so you know that hollow feeling that occurs somewhere inside, followed by a wave of anger directed at yourself for permitting this embarrassment to happen.

Another instance in which this selfsame feeling erupts, may occur at the bridge table when you suddenly discover you have inadvertently blocked yourself from one hand or the other and the cashing of several established tricks is now impossible.

NEWS FROM THE COUNTY AGENT

W. T. Smith

SOYBEAN HARVESTING
Spending some time now to get your harvesting equipment in first class condition can boost profits when combining time gets here.

A well maintained combine that is adjusted to changing crop, weather and field conditions will help reduce harvesting losses.

OVERSEEDING AND SOD-SEEDING
Make permanent pastures go further by either overseeding or sodseeding ryegrass or cereals or combinations of the two.

Never overseed or sodseed more than two-thirds of your pasture. Seed only the amount of pasture your cattle can graze heavily in the spring. Summer pastures not overseeded or sodseeded will grow in April and May and produce early summer grazing or a hay cutting while the ryegrass is being grazed off.

If overseeded ryegrass is to be cut for hay, it should be cut by early May or the summer grasses will be severely penalized.

When renovating for overseeding or when sodseeding, always run on the contour to reduce erosion and increase soil moisture storage.

When sodseeding or overseeding, consider adding a clover to your pasture mixture. White, arrowleaf and crimson clovers will add quality to your permanent pastures and will reduce the am-

ount of nitrogen you will need to apply.

Inoculate clover only with the inoculant that is specified for the particular clover you are using.

SEED PRODUCTION
Spending the time to rogue fields of off-type plants and weeds missed by herbicides and cultivators will pay dividends. It is much simpler to remove most weeds from fields than to try to remove the weed seeds by processing after harvest.

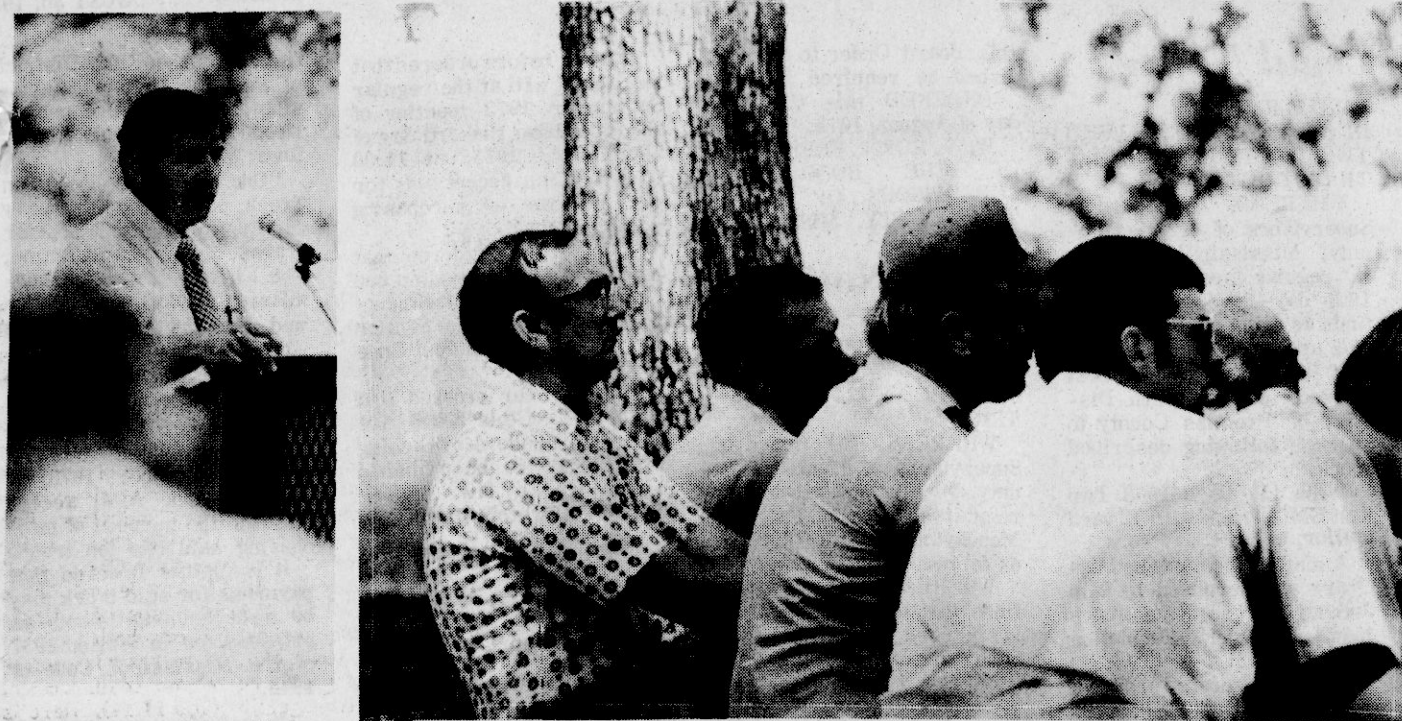

A few cockleburrs in your cotton fields or a few purple moonflower plants in your soybeans can cause losses if they cannot be removed by processing.

Get your seed storage facilities ready now. There will not be time for this after harvest begins. Cleaning seed house and storage tanks thoroughly gets rid of insects and remove old seed. This will prevent contamination or mixing of varieties. Check fans, aeration systems and conveyors to be sure they are working properly before seed are put in storage.

HOME GARDENING

Fall gardening time is here. Begin planting lettuce, radishes, mustard, turnips, spinach, Chinese cabbage, onions and other cool season crops now.

Keep your long season crops bearing by thorough harvesting and protecting them from insects. Don't let them suffer from lack of moisture. Water as needed.

Federal Guidelines Change; To Aid Welfare Dept.

The Mississippi State Department of Public Welfare welcomes the re-establishment of Federal rules to make sure welfare funds get to those in need and to help restore the public's faith in our welfare system, Commissioner Max M. Cole said today.

"We applauded the decision by HEW Secretary Casper W. Weinberger of Federal rule changes designed to reduce errors costing taxpayers hun-

dreds of millions of dollars annually," Cole said.

"We were opposed to their abolishment in the 1960's and are enthusiastic about the sweeping changes affecting eligibility determination, fair hearings, and simplified procedures for recovery of overpayments."

Mississippi will not need the sixty days allowed the State's for implementation where new legislation is needed, Cole said. "Our leg-

islature, in its wisdom, has provided us with the laws we need. We are standing on ready as soon as we receive official word of the rule changes."

Weinberger's statement, released Tuesday in Washington, announced re-establishment of secret State investigations of welfare applicants and recipients which came under bitter fire by welfare rights organizations in the 1960's and were abolished. He said the reinstated rules have an added section which

"restates that constitutional rights are to be observed and protected."

The announcement quoted Robert B. Carleson, former California Welfare Director and now special assistant to Weinberger as saying, "I have an awful lot of confidence that States and counties are going to do right by their poor."

Cole agrees, he said. "We certainly are going to do right by all of our needy adults and children in Mississippi. This is a Service Agency, funded by the legislature gen-

erously considering our State's tax base. We will continue to make every effort to make every tax dol-

lar count where it is needed most. We welcome these new tools to help us do an even better job."

Drewry In Search For Starters

By Ricky Gillentine
"Time is getting short and we still have a lot of work to do."
These words came from Blue Devil Coach Jim Drewry as the Devils' September 6 opening date rolls around.
With 23 practice sessions completed, Drewry said he still does not have a starting line-up. "We have 43 football players preparing in pre-

season practice. All positions are wide open to the player who feels he wants to play the most," the coach said.
The Booneville coach commented that the team has the toughest and keenest position competition as yet. "As of this time, I have no idea who will start, but I am looking for a lot of leadership from our Seniors," Drewry said. It was indicated that in-

juries are hampering the team's progress.
Coach Drewry replied, "I have been asked several times if we expect to be number 1 in the Tombigbee Conference this year. All I can say is that it was really a great honor to be ranked number 1 in the pre-season poll, but the ranking that really counts is the one at the end of the season. We have 10 tough opponents this year and we're going to take them one at a time."

Coach Drewry added that he was very pleased with the team's attitude and spirit, but that he was not happy with their kicking game thus far. In the roster this year there are 17 Seniors, 15 Juniors, and 11 Sophomores.

Quarterbacks: Larry Nesler, 160 lb., Junior; Mike Steen, 145 lb., Senior; Randy Gann, 145 lb., Junior; Jim Flynn, 156 lb., Sophomore.

Guards: Billy Tynes 162 lb., Senior; David Prichard, 170 lb., Senior; Anthony Morrill, 200 lb., Junior; Jeff Wright, 150 lb., Junior; Mike Stacey, 140 lb., Junior; Mack Hare, 140 lb., Sophomore; and Mike Smith, 140 lb., Sophomore.

Tackles: Johnny Davis, 180 lb., Senior; Tommy Holder, 190 lb., Senior; Mike Rhinehart, 190 lb., Senior; Charles Carter, 227 lb., Senior; Ken Goodwin, 195 lb., Senior and Robert Miller, 221 lb., Sophomore.

Ends: Randy Hanes, 145

lb., Senior; Bill Ward, 185 lb., Senior; Willie Tynes, 160 lb., Senior; Ricky Henson, 170 lb., Senior; Matthew Vassar, 190 lb., Junior; Chris Fulper, 141 lb., Junior; and Mark Reinbold, 130 lb., Junior; Leon Collins, 138 lb., Junior; Marty Bishop, 170 lb., Sophomore; and Gary Welch, 135 lb., Sophomore.

Running backs: Charles Grizzard, 147 lb., Senior; Jimmy Christian, 170 lb., Junior; Dwight Hastings, 150 lb., Junior; Steve Herndon, 125 lb., Sophomore; Bill Deaton, 130 lb., Sophomore; Art Jumper, 142 lb., Junior; Allen Johnson, 126 lb., Sophomore; and Russel Williams, 116 lb., Sophomore.

Full Backs: Bill Spain, 190 lb., Senior; John Earl Williams, 150 lb., Senior; Jessie Pannell, 152 lb., Junior; and Bob Dawson, 140 lb., Senior.

Centers: Bill White, 200 lb., Junior; Dennis Smith, 164 lb., Senior; Ricky Stennett, 150 lb., Junior; and Edwin Calvert, 140 lb., Sophomore.

Inflation hasn't changed the price of ashes.
But it has changed the price of your home. For example, if you bought a \$20,000 home in 1968—today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all it's worth... and keep it that way with automatic Inflation Coverage.

Miss Taylor Becomes Bride Of Howard Dodds

On Saturday afternoon June 30, 1973, at 5:00 the Martin Hill Freewill Baptist Church was the setting for the can-

MR. AND MRS. DODDS

delight wedding of Miss Charlotte Regina Taylor, daughter of Mr. and Mrs. Curtis Taylor of Booneville to Mr. Howard Lee Dodds son of Mr. and Mrs. Floyd Dodds of Booneville.

Bro. J. L. Gore, pastor of the church, performed the impressive double ring ceremony.

The couple exchanged vows before an arched candelabra holding lighted purple candles. On either side of the altar were two white baskets of purple gladiolus, mums and greenery. There were two candle trees holding purple lighted candles which accented the wedding scene.

Wedding music was provided by Miss Tami Wilson who played a melody of songs.

The radiant Bride entered the church on the arm of her father, who gave her in marriage. The Bride was lovely in a full length gown created by her mother. It was an old fashioned design of white Bridal satin featuring a stand-up collar. The yoke was made of white satin covered with white lace. The dress had a wide waist band, the skirt was gathered at the waist line which ended with a wide ruffle at the bottom. The sleeves were made of see-through lace with wide cuffs made of white satin. The bride's head piece was a mantilla made of white net and lace.

Her bridal bouquet was a white orchid surrounded with white lily of the valley. Long white streamers tied in love knots fell from the bouquet.

Bobby Owens' Celebrate 25th Wedding Anniversary

The home of Mr. and Mrs. Floyd Cartwright was the setting on August 11, 1973 for a surprise party honoring Mr. and Mrs. Bobby Owens on their 25th Wedding Anniversary.

The table was decorated with white and silver, with the wedding cake, nuts, mints, and punch. They were joined by family and friends that helped them celebrate this happy occasion.

USM Gets Over \$1 Million, Repairs

HATTIESBURG, Miss.-- More than one million dollars has been allocated by the State Building Commission for major repairs and renovations at the University of Southern Mississippi.

Under the funding, Southern Hall--constructed in 1922--will be completely remodeled. An official estimates that bids will be taken in October, but that classes will be held in the building through the Fall quarter.

Work on Southern Hall, originally Science Hall, will cost about \$600,000. Of this, \$250,000 is "new money" having been just allocated, while the remainder is a holdover from the prior year and is not included in the new authorization.

The next largest amount, \$271,500, will go for an addition and internal renovations at the Student Services building planned construction.

The Bernard Green Coliseum, finished in 1965, will

be re-roofed at a cost of \$130,000 and roofing; repairs to other buildings will take over \$50,000.

Construction of additional parking lots and street repairs will be accomplished at a cost of just over \$110,000. Other work scheduled includes the waterproofing of certain structures at ground level and repairs to the physical plant. A total of \$1,112,588 is in the August allocation of the building commission.

In 1964, only 9 years ago, the interest on the federal debt was \$10 1/2 billion. In the next fiscal year it will require more than double that amount--\$27 1/2 billion--to pay the interest on the debt.

The first zoo on record was founded in 1100 B.C. by the Chinese emperor Wu Wang. It was called "Intelligence Park."

She's One

Mary Jo Storey, daughter of Mr. and Mrs. Dickie Storey, celebrated her birthday with a party given in the home of her grandparents, Mr. and Mrs. Harold Storey. Those attending were: Casey and Iris Presley, Connie Green and Lori, Mark Berryhill, Susan Melton, Mrs. Lois Blassingame, Mary McVay, and Lela Green.

Bloodmobile Must Reach Quota, Or Lose Position In Booneville

The Bloodmobile made its quarterly visit to the city here Wednesday.

Officials of the mobile said that some 60 pints of blood were donated here, which is far below the city's quota.

The Bloodmobile's new location in Hargett Hall on the Junior College campus makes it accessible to every potential donor and to all local volunteer workers.

Mrs. Tracy Armstrong, Executive Secretary of the local Red Cross Chapter, and Mrs. Theron Pounds, chairman of the volunteer assistance, are both pleased with the new location and expressed appreciation to the administration and the Nursing Department at the junior college for housing the unit during its four yearly visits.

The Prentiss County Chapter of the American Red Cross has been fighting to remain on the list of Blood-

mobile stations and local members hope that the new location will encourage a larger number of ne-

ple to donate blood and thus assure Booneville's place on the list of Bloodmobile sites.

An annual quota of 500 pints of blood is assigned to Prentiss County. If this quota is to be met, an average of 125 pints must be donated each time the Bloodmobile comes here. If the quota is not met, the Bloodmobile will abandon its visits to Booneville each February, May, August, and November. Only sixty local potential donors offered to contribute a pint of their blood on August 8. Last May, however, 140 local donors contributed to the unit.

When a hospitalized patient receives blood from the Red Cross supply, he must pay it back. But if a Bloodmobile unit is not available to him or his family or friends, he will have almost no way of repaying what he once needed so desperately. The Bloodmobile is a vital service which cannot function without two elements--actual donors and local volunteer assistants.

Mrs. Stegall Named Elementary Principal

Mrs. Reba G. Stegall has been named elementary principal of Council School 3 Manhattan according to an announcement by O. B. Pendergrass, Superintendent of the Council School Foundation.

She is the daughter of Mr. and Mrs. H. A. Gann of Booneville.

Mrs. Stegall is a native of Booneville where she graduated from high school. She holds both the Bachelor of Science and the Master of

Arts in education from Mississippi State University. She has done further study in education toward her Ph.D. at both Mississippi State and the University of Mississippi.

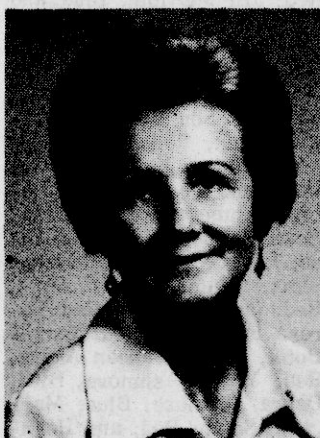

Mrs. Stegall began her teaching career as an elementary teacher in Prentiss County. She later joined the staff of Lester School in the Jackson Public School System where she remained for sixteen years.

She is the founder of Hillcrest Baptist Church School, which was founded in 1969 with 67 students and five faculty members, and today has 600 students and a staff of 24 faculty members.

Mrs. Stegall is a member of the Jackson Citizens Council. Her late husband, Clarence Stegall, served as a member of the Board of Directors of the Jackson Citizens Council.

Additionally, she is past president of United Commercial Travelers, past president of the Ladies Auxiliary of Wababi Shrine Temple, a Sunday school teacher at the Daniel Memorial Baptist Church, a member of the Gideon's Ladies Auxiliary, and a member of the Mississippi Private School Association.

Mrs. Stegall assumes her duties as elementary principal at Council School 3 Manhattan immediately.

B&PW Club Hears BMC Dean

The Booneville B&PW Club held its regular monthly meeting at the Town Motel on August 9, 1973. The speaker for this program was Mrs. Hilda Hill, Dean of Women for Blue Mountain College. She chose for her topic "Guess Who's Wearing Lipstick". The program was most interesting for Mrs. Hill

pointed out that women are now branching out into many unusual fields. She gave such examples as diesel truck drivers, forestry workers, and engineers. Norma Lambert was director for the meeting.

LaJuan Aust read the Club pledge to open the business meeting. Virginia Skinner introduced new member Nancy

Timmons and presented her with a rose. President Ann Floyd stated that the club had chosen Eupile Dozer to represent our club at the meeting of the Jackson Chapter of Business Women. She will be competing for the honor of being chosen the woman who has done the most for civil liberties.

After some discussion on the upcoming Queen of the Forest Contest, the meeting was adjourned.

The meeting room was beautifully decorated in green and gold by Lillian Gaines and Dena Gaines.

Two-Thirds Women Not Receiving Benefits

More than two-thirds of the women veterans believed to be eligible for education and training under the current GI Bill have not yet used these benefits, and time is running out for those discharged before June 1, 1966.

This warning came from the Veterans Administration, which also noted most of these VA education benefits for veterans discharged before June 1, 1966, will expire on May 31, 1974, although this expiration date does not apply to on-the-job or apprenticeship training.

The remainder of the veterans eligible have eight years from the date of their discharge to complete their training.

About 100,000 of the 144,000 women who left military service since January 31, 1955, have not yet taken training under the GI Bill, according to Marilyn J. Cook,

Assistant Director for Regional Office at Jackson VA Center.

This date (end of the Korean Conflict) marks the beginning of the period of military service making veterans eligible for benefits under the

current GI Bill, which became law May 31, 1966.

Sgt. Starling Cited In Ky.

FT. CAMPBELL, Ky.--U. S. Air Force Sergeant Jerry Q. Starling, son of George B. Starling of Rt. 3, Booneville, was cited recently for support of the Army's 101st Airborne Division at Ft. Campbell, Ky.
Sergeant Starling, an air traffic controller with Detachment 1 of the 1878th Communications Squadron at Ft. Campbell, and fellow controllers were commended by 101st commander Major General John W. Cushman for their performance during the division's operation.
The general praised the airmen for providing efficient and safe air traffic control for the large number of aircraft used in demonstrations and paratrooper drops during the exercise.
Sergeant Starling is a 1967 graduate of Lakeshore High School in Atlanta. His wife is the former Debra F. Eaton.

Highway Taxes Due Now

JACKSON, Miss.--Owners of large trucks, truck-trailers, or buses should file a Federal Highway Use Tax Return, Form 2290, by August 31, a spokesman for Internal Revenue Service said today.
Revenue from the highway use tax assists states in financing the Interstate Highway System.
The amount of tax depends on a combination of the number of axles and weights of the vehicles. Generally, the tax applies to single unit trucks weighing 13,000 pounds or more, to truck-trailers weighing 5,500 pounds or more, to trucks 9,000 pounds and over equipped for use in combinations, and to buses with a gross weight in excess of 26,000 pounds.
The tax year begins July 1 and runs through the following June 30. Subsequent returns may be necessary for vehicles in operation for the first time on public highways after July.
IRS Publication 349, "Federal Use Tax on Trucks, Truck-Trailers, and Buses," is available free of charge at district IRS offices and provides further information on this subject.

Miss Janice Faye Duncan Weds Virgil Myers Box In Church

The Friendship Baptist Church of Baldwin was the setting for the afternoon wedding when Miss Janice Faye Duncan became the bride of Virgil Myers Box. Bro. Grady Davidson of Mantache officiated for the double ring ceremony Saturday, July 28, at three o'clock in the presence of many friends and relatives of the couple.

The bride is the daughter of Mr. and Mrs. John P. Duncan of Baldwin. The groom is the son of Mrs. Margaret Caver of Booneville and the late Mr. J. D. Box.

Guests were registered in the foyer of the church by Miss Sandra Duncan, sister of the bride. The register rested on a white lace-covered table beside a pink candle surrounded with greenery.

The nuptial prelude and traditional processional and recessional wedding marches were presented by Mrs. Terry Underwood, pianist, and Mrs. Dwayne Taylor, organist. Bro. Kenny Digby, the bride's pastor, sang "Because" and "The Wedding Prayer"; and Miss Linda Gholston read chapter thirteen of I Corinthians, which tells of what Paul had to say concerning love, and a wedding prayer at appropriate intervals in the wedding ceremony.

The wedding vows were exchanged before an altar of candlelight. Centering the altar was a large candelabra entwined with fern and holding pink candles. The candelabra was accented by a large pink ribbon with wedding bells attached. Complimenting the setting were candelabras identical to the larger one. The candelabra left of the Pri Dieu held the trinity candles which were used during the union ceremony whereby the bride and groom each retrieved a candle and together lit a single candle symbolic of the uniting of two separate lives into one in Christ. Each then extinguished his and her own candle leaving the one as a light of testimony of their unity.

The bride, escorted to the altar and given in marriage by her father, chose a formal gown of white tulle and lace. Wide panels of Florentine lace, outlined with organza ruffling, formed a deep V yoke at the front and back of the fitted bodice and was used on the buttoned cuffs of the Victorian sleeves. The lace was used in vertical panels on the controlled skirt, which was completed with the lace and ruffles to form a train effect at the back. A wide pleated satin sash encircled the raised waist. Her panelled tulip veil of imported silk illusion fell to chapel length and was edged with a wide band of scalloped lace to match the dress.

She carried a colonial bouquet of pink sweetheart roses, stephanotis, and baby's breath softened with a background of white lace and tulle net.

Young Friar, Birth Announced

Mr. and Mrs. George Friar would like to announce the birth of their second grandchild. The parents are Mr. and Mrs. Bobby George Friar of Booneville. The Baby weighed 6 lb. - 6 oz. and was named Acacia Dorinda.

white and pink streamers fell from the bouquet.

The bride's only attendant, Miss Mary McCary, wore a pink floral formal gown of Victorian styling and wore a matching wide-brimmed garden hat accented by a hot pink lace sash which was secured in the back by pink daisies. She carried a casual garden basket filled with a variety of wild flowers.

Randy Box served as his brother's best man. Ushers were Van Duncan, brother of the bride, and David Box, brother of the groom.

Mrs. Duncan chose for her daughter's wedding a pastel pink floor-length dress of knit and lace. The groom's mother was attired in a blue and white formal gown. Both mothers wore white orchid corsages.

RECEPTION
The parents of the bride entertained with a reception in the home of Mr. and Mrs. William McCary.

The three-tiered wedding cake on arched columns decorated with pink sweet peas and created with white love birds rested on a white lace-covered table. Serving the wedding cake was Mrs. David Box, sister-in-law of the groom. Lading the punch was Miss Pam Duncan, sister of the bride. Rosebuds made from pink satin and filled with rice were distributed among the guests by Miss Sandra Duncan.

REHEARSAL DINNER
The private dining room of the Wagon Wheel Restaurant in Booneville was the setting for the buffet dinner following rehearsal. The hostess was Mrs. Margaret Caver,

mother of the groom-elect. The couple chose this time

to present their attendants with gifts.

News From The

tuscumbia community

By Betty Winfield

Mr. and Mrs. David Earl Jones and children visited Sunday night with Mr. and Mrs. Roy Grey and Roxanne. Mr. and Mrs. Houston Nabors spent Sunday moving their daughter, Carolyn Duncan and Bonnie Smith, daughter of Bynum Smith, to MSCW at Columbus. Bonnie and Carolyn are long time friends and are sharing a room in the dorm.

We wish the girls the very best of success and happiness. We know these parents are certainly going to miss Carolyn and Bonnie, but they are all grown up now and have a wonderful future ahead of them.

Harold Hopkins, Service Manager at Whitaker Motors in Booneville, flew to Athens, Georgia recently to pick up a truck for the company.

Mrs. Gertrude Melton spent a long week-end with friends, Mr. and Mrs. Aubrey Harper of the Burton Community.

Mr. William Pirkle of Tupelo visited with his sister, Mrs. Ruby Church on Sunday.

Mr. and Mrs. Howard Beasley of Antioch Community visited Sunday with Mr. and Mrs. J. W. Church.

Mr. and Mrs. Troy Johnson and Penny and Mr. and Mrs. Joe Johnson and Pam visited Sunday with Mr. and Mrs. Hollis Waddell.

Mrs. Marie Crow, her daughter Mrs. Patsy Cosby and grandchildren Mitzie and Suzanne attended the singing at Piney Grove Church on Sunday.

Mrs. Alma Crabb and son James visited with Mr. and Mrs. Luther Church.

Mr. and Mrs. Jerry Weber of Ponotoc visited Saturday with Mr. and Mrs. Bill Lauderdale.

Mr. and Mrs. C. J. Hood and Mr. and Mrs. Bill Lauderdale went shopping in Tupelo Friday.

Mr. Richard Lauderdale was a very happy little boy this week. The cast was taken off his leg! Richard broke his leg in a bicycle accident several weeks ago.

Richard's brother, Merv, suffering from a bone disease, still has one leg in

a cast.

Mr. and Mrs. Willie Flippen of Bowmont, California are visiting with Mr. and Mrs. Albert Casstevens. Dennis Morgan of Tupelo, nephew of Mrs. Casstevens, visited on Sunday. Mr. and Mrs. Casstevens visited Sunday night with Mr. and Mrs. Dayton Mink.

Mrs. Oscar Waddell is home from the hospital and doing fair. We hope she continues to improve.

Mrs. Ernestine Kingspent the weekend with her sister, Mrs. Jewel Sheffield.

Mr. and Mrs. Arlin Grimes of Nebo visited Sunday with Mr. and Mrs. Dwelt Pippins.

Mrs. Peggy Wheeler, Christie and Tracy also visited Sunday with Mr. and Mrs. Pippins.

Miss Lana Mathis spent the week-end in Corinth with Miss Pam Brown.

Mrs. Elizabeth Mathis helped serve for open House at the Booneville Band Hall Sunday.

Mrs. Elizabeth Mathis attended the funeral of her great-uncle Mr. Olen Pike. The community extends sympathy to the Pike family.

Mrs. Velma McCoy, sister of Mrs. Rachel Mathis visited with her on Sunday.

Mr. and Mrs. Floyd Cunningham was dinner guest of Mrs. Mathis on Sunday. Somewhere in California, in a veterans Hospital, is a man named Keith Pike. We understand Mr. Pike always gets this paper and always reads this little article first. Mr. Pike grew up around Booneville and knows most everyone in our community. We certainly hope it makes you feel just a little bit better to know our community hasn't forgotten you and wish you a speedy recovery. Mr. Pike, Come South to visit with us sometime.

Mrs. R. W. Martin visited Monday afternoon with Mrs. June McGill.

Mr. and Mrs. Junior Wood, son of Mr. and Mrs. Guy Wood is visiting this week with his parents.

Mr. Junior Boren, son of Mr. and Mrs. Roy Boren returned to Memphis to finish his senior year of High School.

Mr. and Mrs. Larry Boren returned to Zion, Illinois after spending a week with Mr. and Mrs. Roy Boren.

Mr. and Mrs. Robert U.

Morgan, Danny and Robert Howard of Tupelo, Mr. and Mrs. Albert Casstevens and Anita and Mr. and Mrs. Roy Boren and Junior enjoyed a birthday dinner Sunday honoring Mrs. Casstevens at the home of her sister, Mr. and Mrs. Challis Barron.

Mrs. Elizabeth Hastings, Mark and Jeff of Thrasher visited with Mr. and Mrs. Challis Barron on Sunday.

Mr. Roy Boren visited Mr. Herman Boren and other relatives Sunday to honor Mr. Herman Boren on his birthday.

Ken Norwood of Memphis visited with Mr. and Mrs. Roy Boren.

Mr. and Mrs. Lenard White visited with Mr. and Mrs. Challis Barron and Mr. and Mrs. Earl White.

Mr. and Mrs. Leland George, daughter Connie and Larry Lauderdale visited Sunday with their daughter, Mr. and Mrs. Bill Haas in La Grange, Tenn. (You may remember Mrs. Haas as Ann.)

Mr. and Mrs. Jimmy Hill, Regina and Danny and Bobby Winfield attended a ball game in Baldwin on Monday night.

Mr. and Mrs. Jimmy Hill, Regina and Danny enjoyed a fish supper with Mr. and Mrs. J. C. Hopkins Saturday night.

We were glad to hear Mrs. Delphia Stites is better; and we hope she continues to improve.

Mr. and Mrs. Olen Ray Huddleston and family spent Sunday with his parents, Mr. and Mrs. Lenard Huddleston.

We are glad Mrs. Lois Kelton has improved and able to start back to work.

Mr. and Mrs. Wayne Johnston of Blue Mountain are the parents of twins Melanie Jane and William Dewayne. Grandparents are Mr. and Mrs. Leon Lauderdale.

Most of the children around our place started to school this past week. They had a good summer. Vacation was fun but it was over and they seemed to realize it and in fact be rather glad to get back to the routine of class and school.

It was with mixed emotions that I watched mine go. Perhaps you felt the same--glad but somehow sad. Having to face up to the fact that these are no longer children, little,

cuddling and sweet, demanding attention and so much of our time, but young ladies and young men.

We wonder where has the time gone? How could they possibly be so big when only yesterday we held little hands and listened to the patter of little feet--and cleaned up messes little hands made and mud little feet brought in.

But they are all grown up now, and all too soon they will wonder where the time has gone--and the cycle of life will start all over again.

Certified Gemologist
FLOWERS TO THE "AGS"

Today is the day to send a bouquet of flowers to the American Gem Society. Why? Well for one reason, it happens to be the day that I got my annual examination grade back and I passed it.

Our nature is that we do the things first which have to be done and the rest we do if we can get to it. The American Gem Society requires its members to pass certain established gemological courses and to take an annual "refresher" examination to keep him up to date on technical developments in the industry.

Members of the American Gem Society are also carefully selected for their business integrity, and adherence to ethical standards. Membership is earned, not handed out, in the AGS. This could be one of the reasons why there is a relatively few members in the society.

I am very proud to be a member of the American Gem Society and to wear the title of Certified Gemologist, but the greatest satisfaction comes from being able to help you make that really important investment: Buying diamonds, fine jewelry, watches, etc.

Cards Of Thanks

We wish to express our sincere thanks and appreciation to those for their kindness shown in the death of our loved one, Howard McCombs.

We are indeed grateful for the many beautiful flowers, cards of sympathy, and for the food that was sent to us, both during our loss, and also the illness of the family members.

Especially do we thank Brother Wiginton, Brother Herndon, and Brother Bishop for the consoling words during our hours of sorrow, to the Quartet and Mrs. W. M. Murphy for their beautiful music, and to McMillan Funeral Home for their kindness to us.

May God bless each of you is our prayer. The Family of Howard McCombs.

I would like to see every one personally and thank you for every consideration and care shown me during my illness, but since I can't this is to you, to my family and relatives who stood by me and friends, to everyone at the hospital. Let me say now, we have the best staffed hospital in any place, regarding their care and help. The nurses will always have my love and gratitude. To all the Drs. at the Medical Clinic I say thank you for your kindness and your medical knowledge. I thank each for every card, phone call, visit and your flowers and the thing that should have come first, your prayers. I know there were so many said in my behalf here and even over sea and I know God heard and answered them and I am grateful for your remembrance of me. I want to thank my neighbors and relatives that have been so good for taking care of my garden vegetables and fruit, for the good food you brought to us and also for those who came and cleaned my house. I can never repay you but I ask God to bless each one of you. Thanks again and love Mrs. Orrien C. Hare (Eileen). 24-1tp

10, 1973: BUS MAINTENANCE EQUIPMENT

Proposals shall be based upon requirements set forth in the bidding documents on file in the Office of the President.

All bids must be in accordance with specifications, and the Board of Trustees reserves the right to reject any and all bids, to accept the best and/or lowest bid, and to waive any informalities in bids.

No bid may be withdrawn for a period of thirty (30) days after time designated for receipt of bids.

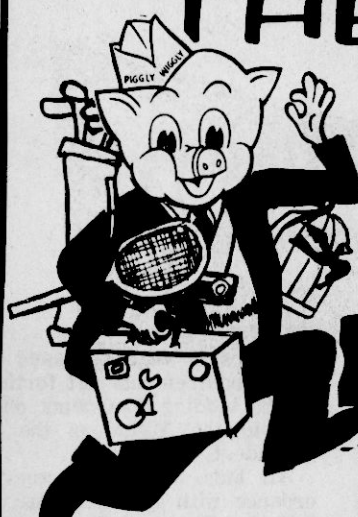

Board of Trustees, The Northeast Mississippi Junior College, Booneville, MS 38829.

Food Prices Higher In Other Countries

A spot check of international retail food prices in May 1973 as reported by the United States Department of Agriculture revealed the following: In Tokyo, Japan, a pound of sirloin steak is going for the equivalent of \$12.86 a pound. Chuck roast in that city brings \$6.26 a pound. In Paris, France, if you want a pound of bacon it will cost you \$3.09. And in Stockholm, Sweden? If you're planning a breakfast of ham and eggs, you'll find the ham will cost you \$2.59 a pound, the eggs will run about \$1.13 a dozen.

Interstate Meeting

Governor George Wallace of Alabama meets with a delegation of officials from Mississippi to discuss plans for a new interstate highway that would connect Memphis and Birmingham via Tupelo. Members of the Mississippi delegation who attended the Highway Meeting in Birmingham

and conferred with Governor Wallace were from left to right, Steve Guyton, highway Public Information Officer of Tupelo; State Representative Gladys Slayden of Holly Springs; and Phil Abernethy, Personnel Officer from Tupelo with the Mississippi Highway Department.

"A budget is a device to tell you where your money should have gone." (Anonymous)

Blackland RCDC Meets

The Blackland RCDC met Tuesday night for their monthly meeting. Greg Geno, President, called the meeting to order. He extended a special welcome to the Pilot Club who were honored guest. Mrs. O. E. Tucker

returned thanks. A large group of Pilots and R. C. D. C. members enjoyed

homemade icecream, cake, and cookies. Mrs. Jettie Nunley was present to make pictures.

King Size Figs

Tonya Tays, daughter of Mr. and Mrs. Jim Tays of Irvin Texas and Tommye Burch, granddaughter of Mr. and Mrs. Tom Peeler of Booneville are shown with some king size figs. The figs were grown by Mrs. Tom Peeler.

Nurse Registration

Registration for Practical Nursing Education at The Northeast Mississippi Junior College will continue through today, Thursday, August 30. Applicants must be 18 years of age and high school graduates or the equivalent and must complete an application form to the college at the time of registration.

Other requirements including a physical examination, and the writing of the GATB test battery with the Mississippi Employment Service may be completed after enrollment. Clinical training will be done at the Northeast Mississippi Hospital, Booneville, or the Magnolia Hospital, Corinth, or in both hospitals if there is an adequate number

of students to constitute two sections.

Interested individuals should contact the Division of Vocational-Technical Education at the junior college or call 728-6208, extension 47.

Band Open House

These ladies and gentlemen were among more than 100 who toured the recently remodeled band hall at Booneville High School the past Sunday. They are, left, Band Di-

rector Tony Lockhart, Mrs. Dewey Martin, Mrs. Eddie Caveness, Jr., Charles Walden, Mrs. Webster Cleveland, and Alvin Copeland. (Banner-Independent Photo)

Unified Science Course

Registration for a tuition-free course in Unified Science will be held at 6:30 p. m. on Wednesday, September 5 in Hargett Hall on The Northeast Mississippi Junior College campus.

Through a cooperative program developed by the University of Mississippi and

Northeast, the science course will be available to junior high school science teachers (grades 7-8-9). Classes will meet one night each week for 15 weeks on the Junior College Campus.

The science instructional program, under the auspices of the National Science Foundation, offers undergraduate

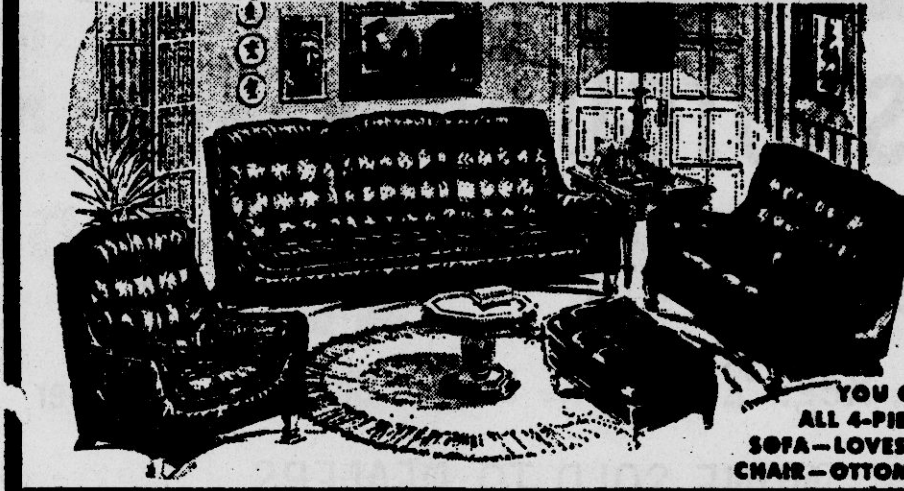

or graduate credit from the University of Mississippi. For further information, junior high school science teachers in the Junior College

district, may contact H. H. Daws or the Division of Continuing Education at Northeast.

ASCS NEWS

CROP ACREAGE INCREASE POSSIBLE FOR COUNTY

The County's potential for crop production will be increased by several hundred acres next year over the available farm land this year.

This increase was calculated following official notice to local ASCS offices that there will be no set-aside of land in 1974 for feed grains, wheat or cotton, that maintenance of an established conserving base will not be required, and long-term land reserve agreements may be ended at the option of producers.

It's not likely that all this potential added acreage will go into crops. But it is very likely that most of it will be used for production of either crops or livestock.

Having more land available for production should be good news for farmers, grocery shoppers, and the nation as a whole. Both domestic and export market demand is expected to continue strong.

Secretary of Agriculture Earl L. Butz recently said, "If we have a feed grain harvest this fall of the size anticipated, and if we have an adequate crop in 1974, we will avoid export controls on grains. We expect to lift all export controls when the 1973 crops become available. Agricultural exports are a prime source of foreign exchange with which to buy our national energy supplies and other critical needs. Controls on exports of U.S. farm products, which are vital to the world, disrupt foreign economies and our relationship with foreign nations. By increasing our agricultural production we can continue to maintain our much-wanted food as a positive peace initiative."

For the nation as a whole one effect of the recent announcements about 1974 U.S. Department of Agriculture programs will be to make approximately 19 million more acres from set-aside land available for production than were available this year.

FARM PROGRAM CHANGES FOR 1974 OPEN MORE LAND FOR CROP PRODUCTION

Set-aside requirements will not be included in the feed grain, wheat, and cotton programs for 1974.

In addition, the requirement of maintaining the farm's conserving base as a condition of eligibility for loans and other benefits will be suspended under 1974 programs.

Other restrictions have been modified or lifted by the U.S. Department of Agriculture recently as the nation gears up for intensified crop and livestock production. Producers with existing long-term land reserve agreements with the Agriculture Department have the opportunity to terminate such agreements for 1974.

Set-aside and conserving base requirements remain in effect through the rest of this year. Conserving base acreage may be used for livestock grazing and haying without restrictions, and many producers, after first notifying the county ASCS office and agreeing to accept

reduced program payments, are also using set-aside acreage for livestock production.

All of the various changes were made to free farmers to go all-out to produce for domestic and export markets. Early announcements made to enable farmers to make plans not only for 1974 cropping patterns, but also to look ahead to arrangements for marketing their 1974 crops.

Producers having questions or wanting more details on the announcements made concerning 1974 programs should check with the county ASCS office.
