Tax Rate Up 6.25 Mills

County Budget Approved For 1980-81

By KEN CHRISTIAN
Editor

The Prentiss County Board of Supervisors have approved a budget for the 1980-81 fiscal year which shows a total of \$1,144,311 in disbursements from the county's general fund, an increase of \$146,663 over last year's budget.

The new budget also shows \$1,031,975 set aside as road work funds for the five districts, as compared to \$952,420 last year.

The supervisors have set the millage rate for the coming year at 93.25, a jump of 6.25 mills over last year's rate of 87 mills.

J.P. Davis, president of the Board of Supervisors, and Phillip Cole, Chancery Clerk, said last week that this budget would leave the

county approximately \$1,800 in the black if all expected revenues are taken in by the county.

Cole and Davis pointed out that if the county cannot work within their set budget, the county officials are personally responsible for any overdraft.

"If I write a check for the county and there aren't enough funds to cover it, I have to pay that out of my pocket," Cole said.

Due to the demise of the Title VI program last Thursday, the county stands to lose some \$56,000 in programs which were included in the budget, Davis said.

He pointed out that this money is not money taken in from local taxes, but is federal money used to fund

the CETA programs in the county. Unless the Title VI program is re-instated, these programs will not be available during the 1980-81 fiscal year.

The Prentiss County Sheriff's Office has been budgeted at \$152,232 for the coming year, an increase of \$45,607 over last year's budget. Sheriff John McCauley had asked for \$268,000, Davis said.

The Chancery Clerk's office will receive \$75,929 in the coming year, according to the budget. This is an

increase of \$5,345 over last year's budget.

However, Davis explained that approximately \$8,000 of the money budgeted for the Chancery Clerk's office will go toward paying for a two-year audit—an expense not incurred by the Chancery Clerk, but one that has to be budgeted through his office. This means that the funds actually provided for use by the Chancery Clerk's office will be down from last year by almost \$3,000.

Cole attributes this decrease in his operating

budget to the amount of money the office has been able to save by changing the method of copying documents.

Other major expenses listed on the 1980-81 budget for the general fund include \$131,250 for Northeast Junior College, \$95,249 for sanitation and waste disposal (landfill), \$87,000 for hospitals, \$80,304 for the Tax Assessor-Collector's office, \$36,750 for the regional library, \$35,250 for the justice courts, \$33,650 for health centers, \$32,100 for the paupers fund, \$31,500 for mental health, \$29,493 for the circuit Clerk's office, \$24,157 for the circuit court expenses, \$22,170 for the maintenance of buildings and grounds,

New Scout Executive Named For Area

Jimmy Russnogle of Clarksdale has been appointed Scout Executive for the Tombigbee District, Yocona Council of the Boy Scouts of America.

Russnogle, who recently moved to Booneville from Clarksdale, has been involved in the scouting

program since he became a cub scout at age 8. While a boy scout he attained the rank of Eagle and received the God and Country church award.

His professional scouting experience includes six years in Tuscaloosa, Ala., and three years in Clarksdale working with boys in the summer camp program. In these programs, he served in every capacity from camp clerk to assistant program director.

Russnogle graduated from Tuscaloosa, Ala., High School in 1976, attended Delta State University in Cleveland for two years, and graduated from the University of Mississippi in 1980.

His father, Dwight Russnogle, has been a professional scout for 22 years, and is currently Assistant Scout Executive for the Delta Council in Cleveland.

Enrollment Figures Complete For City, County Schools

Final enrollment figures for the beginning of the 1980-81 school term show that the total enrollment for the Prentiss County Schools is up by about 580 students while enrollment for the Booneville City Schools is down by about 560 students.

Enrollment at each of the county schools is up and enrollment at each of the city schools is down, basically due to the establishment this year of the Booneville Municipal Separate School District.

According to figures supplied by Lex Cain, county superintendent of education, the Prentiss County School System had a total of 2,895 students enrolled as of last Thursday. This compares to a total of approximately 2,316 enrolled at these schools last year.

Figures from Troy Henderson, city superintendent of education, show the Booneville Municipal Separate School District had a total of 1,197 students enrolled as of Tuesday.

There were 1,756 students enrolled in city schools at the end of the 1979-80 school term, Supt. Cain said.

Of the county schools, enrollment at Thrasher School increased the most this year with a total of about 198 new students. Thrasher has 713 students enrolled this term, as compared to approximately 515 last year.

Hill's Chapel School was second to Thrasher in increased enrollment, with

Eight Additional Candidates File For November Election

Eight additional persons filed their intentions last week with Circuit Clerk Travis Cox to seek office in the Nov. 4 election.

The post for election commissioner in each of the five county districts and the post for county school board member from districts One and Two will be decided at that time.

James F. Gargus is the only candidate to file for the position of election commissioner in the first district.

Quay Michael and George Martin Via filed last week for election commissioner in the second district, as did Frederick I. Reinbold who will run as a Republican. Woodrow English had filed earlier.

Johnnie (J.R.) Arnold also filed last week to run for the election commissioner's post in the third district. Mrs. Sale Martin had filed previously in the third district.

In the fourth district, Robert L. Lindsey and

Cayce DePoyster filed last week for the post election commissioner.

Charles George filed for the commissioner's post in the fifth district last week. Larry W. Lambert had already submitted his petition to run for that office.

William W. (Bill) Wimberly will run unopposed for the second district seat on the county school board. He was the only person to file for that office before last Friday's deadline.

\$100,100 Bonds To Be Sold For County School System

The Prentiss County Board of Supervisors plan to issue bonds totaling \$100,100 to fund repairs, alternations and additions to certain buildings in the Prentiss County School System.

The loan for the work on the county schools comes at the request of the county school board. The supervisors have included 2 mills in their county tax levy for the 1980-81 fiscal year to repay the loan.

Only those residents of the county school system will be assessed this additional school millage; residents of the Booneville Municipal Separate School District will not.

Lex Cain, superintendent of county schools, said last week that the 2 mills added to the taxes for the work on the county schools is not new. He said it has been included for the past several years.

The money from the notes is earmarked mainly for use at three of the county schools—Hill's Chapel, Thrasher and Wheeler attendance centers.

At Hill's Chapel, \$2,000 is

to be used for repairs to the roof of the main building. Another \$52,000 is to be used to air condition, equip, repair, install a sewage system and install electricity and plumbing for eight portable classrooms.

Repairs totaling \$20,000 are also planned for the main school building at Thrasher and \$4,000 is to be used to repair portable

classrooms and install air-conditioning.

Wheeler School is to get \$12,000 to purchase and air-condition used mobile classrooms.

Desks and chalkboards are to be purchased for all attendance centers in the district at a cost of \$10,100.

The bonds to finance these repairs and additions will be issued by the Board of

Stealing Racks

Not Worth Trouble

In less than two weeks four of the Banner-Independent's newspaper racks have been destroyed or hauled away by vandals. During that same time the Tupelo Journal has lost at least three racks in Booneville.

The money the thieves got from these seven racks is only a small part of the cost to the newspapers. At an average replacement cost of \$175 each they destroyed more than a thousand dollars worth of property to get a few dollars in change.

The back room of the Banner-Independent is filled with racks that have been vandalized in the past two years, mute evidence of the tremendous expense of our efforts to make it as convenient as possible for everyone to get his copy of the paper.

We have considered only putting racks in locations where they can be placed inside the store. But that means when the store is closed you can't get your paper. It also means that since many of the stores close before we get our papers on Wednesday night, we would have to wait until Thursday to stock most of the racks. And it would be noon Thursday before the last of the racks is filled.

For the first district school board seat, Larry Joe Cosby, who filed last week, will run against incumbent Leonard Huddleston who had filed previously.

Residents of the Booneville Municipal Separate School District will not be able to vote in the election of county school board members this year, resulting in some additional problems in holding the election.

Circuit Clerk Cox said names will have to be checked on both the county and the city voter rolls to determine who is eligible to vote in those elections. The county rolls do not show which registered voters live in the separate school district and which do not, he said.

about 179 new students. Last year Hill's Chapel had approximately 330 students; this year there are 509.

New Site High School increased 127 students from approximately 162 last year to 289 this year. There were about 138 students at New Site last year in grades 1-8 are not located at New Site School this year, most of those students now attend Hill's Chapel School.

Wheeler School's enrollment increased 124 from last year's approximately 500 students to this year's 624.

Jumptown, with only six additional students, and Marietta, with only three additional students, showed the lease increases in enrollment of all the county schools. Jumptown had about 390 students last year

and has 396 this year; Marietta had 281 last year and has 284 this year.

There are also about 80 students enrolled in the Prentiss County Child Development Program this year. Supt. Cain said these students are counted in the schools' Average Daily Attendance figures.

For the city schools, Booneville Elementary School showed the largest decrease in enrollment while Anderson Junior High School showed the least decrease.

The Booneville Elementary School had 443 students at the end of school last year, compared to 272 this far this year, a decrease of 171 students.

Booneville Middle School decreased 140 students from 442 last May to 302 this

term. Anderson Junior High decreased 96, from 317 to 221.

Booneville High School, with 554 at the end of school last year, decreased in enrollment 152 students to a present total of 402.

During the first month of school during the 1979-80 term, Booneville Elementary had 452 students; Booneville Middle School, 447; Anderson Junior High, 326; and Booneville High School, 604, according to Supt. Cain.

This gave a total of 1,829 students in the city schools at the beginning of last year, falling to a total of 1,756 by the ninth month of school. Supt. Cain said 73 students moved or dropped out of school during the school year.

BIBLE QUESTION BOX

QUESTION: Mr. Hogland I hear that we have about 350 denominations in America, is this correct?

WARD HOGLAND

ANSWER: No, this is not correct you missed it by almost one thousand! In the Encyclopedia of American Religions by J. Gordon Melton, as quoted in Good Housekeeping, March, 1980, we now have 1200 different religions in America. You will note that among those listed are the following: THE MINISTRY OF UNIVERSAL WISDOM is a church based on the belief in flying saucers. There are 13 other groups listed along with this group. There is a formal church of KENNEDY WORSHIPERS. These people worship the late John F. Kennedy, who they believe can cure them of congenital and even terminal diseases. There are four Drug-oriented groups called church of the Awakening, Church of the Tree of Life, Native American Church, and the Neo-American Church. There are five listings for Gay Religions: Gay synagogues, Metropolitan Community Church etc. There are 8 churches which promote Satanism. There are 20 churches listed which practice Witchcraft. Four churches which still practice polygamy. One church was called "The Holy Ghost Repair Service, Inc." Another was called the "Church of What's Happening Now?" Gentle friend, do you still believe one church is as good as another?

AMBLYOPIA MONTH PROCLAIMED—Booneville Mayor Charles Crabb (seated) signed a proclamation this week declaring September Amblyopia Month for the city of Booneville. On hand for the signing were Junior Auxiliary members (from left) Mrs. Margaret Floyd, Mrs. Louise Coggins and Mrs. Libby Lindsey.

Mayor Proclaims

Sept. Is Amblyopia Month

Mayor Crabb has proclaimed September Amblyopia Month for the city of Booneville. The Booneville Junior Auxiliary will begin screening young children for amblyopia Sept. 9.

This year, members of the Junior Auxiliary will screen the kindergartens in Booneville and children in the Head Start Program, as well as all first graders in the Booneville Elementary

School. This will total approximately 450 children.

Each group will be visited twice—once for the initial screening, and again to retest the youngsters who did not pass the first screening, and also those who were absent the first time. Those that are found with some deficiency will be referred to a doctor.

After each group is screened a program entitled "Patch the Pony" will be

presented. This is a film strip and record that tells about a pony named Patch and his very important safety rule: "Nay, Nay, From Strangers Stay Away."

The purpose of this program is to combat child molestation through education. Children learn vital safety rules, and therefore will be on guard should any danger arise.

For Emergency Response Plan

A.P.T. Agency Funding Is Renewed By FmHA

The A.P.T. Rural Development Agency, formerly known as the Yellow Creek Watershed Authority, was recently notified that the Farmer's Home Administration Rural Development Assistance Grant it received last year will be continued until the spring of 1981, according to Ed Hunley, executive director of A.P.T.

This grant will allow the agency to continue the planning and preimlementive development of its Emergency Response Program, Hunley said.

The program is designed to upgrad all aspects of emergency response in Alcorn, Prentiss and Tishomingo counties, including communications, equipment, training, coordination, and volunteer recruitment.

Key elements of the program include more strategically placed equipment, effective countywide and areawide communications, a single phone number in each county for reporting all emergencies, the 24 hour per day availability of trained dispatchers, a full scale emergency response

training center, citizen and responder training, and adequate and stable funding for emergency response.

The program's primary objective is to decrease response time so that 95 percent of all persons and property in each of the counties are within five minutes of an appropriate response agency.

"This is the critical factor," Hunley said. "After about five minutes, a fire becomes significantly harder to bring under control, and usually does

much more extensive damage. Also, a person who has had a heart attack, for example, begins to suffer brain damage after about five minutes of being deprived of oxygen."

According to Hunley, the system works this way: A call comes in on the countywide emergency phone number. The operator, who is available 24 hours per day and trained to take the information properly, then contacts by radio the appropriate response agency or agencies.

The operator is responsible for monitoring the situation continuously to ensure that proper response has been accomplished or in case further coordination or assistance is needed. Since the county is divided into response zones, help should be no more than five minutes away.

These response personnel will all have been trained to the "first responder" level, including CPR, first aid, and basic fire fighting. And each vehicle will carry at least one trauma kit, air masks, and probably extraicaion equipment.

The Tennessee Valley Authority, through its mitigation budget and other funds has committed over

\$400,000 to the project. Also, the supervisors, mayors, and boards of aldermen in the three counties have endorsed the concept of a coordinated, comprehensive emergency response system, Hunley said. The supervisors, in order to participate in this mitigation funding, have signed contracts with TVA to this effect.

Several agencies in the three county area have already benefitted from this project.

Anyone wishing further information concerning this project should call 423-6456.

Scouting School Night To Be Held Tonight

School Night for Scouting will be held at 7 p.m. tonight, Sept. 11, at the Booneville Elementary School, according to Jimmy Russnogle, Scout Executive for the Tombigbee District.

School night is designed to introduce boys and their parents to the Scouting program.

Boys 8 years old or in the third or fourth grades can be Cub Scouts; those 10 years

old or in the fifth grade can be a Webelos Scout; and those 11 years or older or in the sixth grade can be a Boy Scout.

"You can help your son join by attending School Night for Scouting with your son at his school," the scout executive said. "That's all. We'll take it from there."

Those interested in joining Scouting are asked to bring \$6.20 registration fee to School Night.

For additional information on Scouting, contact the Yocona Area Council, 411 South Spring Street, P.O. Box 701, Tupelo, MS 38801, or phone 842-2871.

Northeast Homecoming Set

A warm autumn night, a delicious seafood jamboree, beautiful girls, exciting football action, and a fantastic half-time show by the Northeast Tiger Marching Band—what does that spell: **HOME**COMING, Saturday, Sept. 27.

Hours of diligent work by the Alumni Office, alumni-chaired committees, and the faculty, staff, and students at Northeast are certain to make this homecoming one of the most enjoyable and best remembered events in many years, a Northeast spokesman said.

Planned activities include reunions of the 1950, 1960,

and 1970 classes, as well as a special reunion of the former agriculture students of W.D. Clifton.

Beginning at 3 p.m. with registration and coffee in the Frank Haney Union, returning alumni will have an opportunity to visit prior to the Business meeting at 5 p.m.

Following the business meeting, they will travel to the "Gulf Coast" for a seafood jamboree via the Mississippi Room in Haney Union. Recognition will be given to special guests and groups during this time with entertainment being provided by Northeast

students.

Presentation of the 1980 Homecoming Queen and her court will precede the pregame ceremonies and the 8 p.m. kickoff when the Northeast Tigers meet Holmes Junior College.

Immediately after the game, alumni and their families will have an opportunity to reflect on their memories when they return to the Union for refreshments. For the young, or those who "think young," there's the annual Homecoming Dance sponsored by the Student Government Association.

Junior Miss Pageant Set At Pounds Auditorium

A once-in-a-lifetime adventure for Prentiss County's outstanding high school senior girls of 1981 is now underway, according to Booneville Jaycee Leighton Miller.

Miller made the statement when he announced the plans for the annual Prentiss County Junior Miss Pageant last week.

The pageant, which will be held Nov. 8 at the Seth Pounds Auditorium at Northeast Junior College, is a project of the Booneville Jaycees.

"Adventure is the word for Junior Miss, which offers substantial scholarship

awards, and new friends, as well as the thrill of competition and accomplishment for the participants," Miller said.

The local competition is part of a nationwide program to honor and reward the country's leading high school girls for achievement in scholastics, creative talents, self development and community betterment, he added.

The local winner will represent Prentiss County in the state Junior Miss

program at Meridian on Jan. 29-31, 1981, competing with 50 others for the

scholarship awards and a chance to participate in the America's Junior Miss National Finals at Mobile, Ala.

"The nature of the Junior Miss program—the high ideals established and maintained throughout its 23 years—has earned the program approval of educators and civic leaders throughout the country," Miller said.

Applications can be obtained from the Bank of Mississippi, the Peoples Bank, the Banner-Independent, or by contacting Leighton Miller at 728-8212 or 728-5734.

Hinson Still Man To Beat In Fourth

By BILL MINOR
Columnist

JACKSON, Miss.—National political writers are keenly interested in the outcome of Rep. Jon Hinson's bid for re-election in light of his disclosures of two episodes in his life which link him to homosexual conduct.

Such a turn of events in the career of a Congressman, especially a freshman Congressman, is usually politically fatal in almost any constituency throughout the country. As one national political writer remarked to this writer, "Any hint of homosexuality would spell big trouble anywhere for a Congressman, except perhaps in San Francisco."

What national observers are watching to see is how a conservative, religiously fundamental, rural state such as Mississippi will react to the Hinson revelations, admitting an arrest at the Iwo Jima monument, a well-known gay meeting place in the Washington area, and

having barely escaped in a movie house frequented by homosexuals.

Hinson, however, has said subsequently that he is not a homosexual, and never has been.

So far, the details of Hinson's arrest at the Iwo Jima monument connected with Arlington National Cemetery have not been disclosed by the National Park Service. He has pleaded guilty to a lesser offense, although Hinson has admitted his arrest was on a morals violation.

When the nice-looking red-haired Congressman made his admissions concerning the two incidents on August 8, the initial verdict of longtime observers in Mississippi was that Hinson had committed political suicide.

That estimate was based on how Mississippians' cultural conditioning as to traditional male and female roles might be expected to be reflected in their political response to an elected public official having any known inclination toward deviant

sexual habits.

Once again, Mississippians seem to have shown that they are one thing above all: consistently inconsistent. From several polls that have been conducted, the latest done by the Republican Party to find out how badly their candidate had been damaged, there has been a totally unexpected reaction to Hinson's problems coming back from the hinterlands.

By a decided majority, the folks responding to the polls have indicated they are not particularly upset by L'Affair Hinson, at least from what they know about it. In both the newest Republican poll and also in a previous one done by former Gov. Bill Waller, an amazing discovery has been made that more than a majority of the people in the hinterlands don't know anything about the supposed shocking news on Hinson.

Some believe that the reaction to Hinson could still change should the full circumstances of his morals charge arrest ever become known, or if his opposition makes skillful use of what is already known.

Another somewhat surprising development in the wake of the Hinson disclosures is how the staunchly conservative Republican leadership in Jackson which initially bankrolled Hinson has reacted. The initial shock had sent such key GOP conservatives as Billy Mounger, the oilman, and insurance executive Wirt Yerger looking around for the possibility of dumping Hinson and finding an acceptable replacement to run as a disguised independent.

That speculation soon dissipated, and while Mounger and Yerger have decided to stay with the young Congressman, they won't be very visible around the campaign. As one state GOP leader put it: "Some of these Presbyterians in Jackson had to swallow real hard about this thing, but they are going to stick with

Hinson because they have no other place to go."

What may have changed the dump Hinson plans is the fact he is still running far out front ahead of his Democratic foe, Britt Singletary, the 30-year-old Jackson attorney who has name identification problems, as well as black independent Leslie McLemore, who showed up very poorly in both polls done thus far.

There is some indication since Hinson's "confessions" that campaign contributions, which were flowing easily for the young Republican conservative before that development, have now become much

harder to get.

Meanwhile Singletary, who had not gotten to first base with fund raising earlier, now reportedly has experienced a marked increase in contributions, which are key to his buying more television visibility. Two campaign fund raisers are on tap for Singletary, one being staged this week for him by Gov. William Winter, and another in Washington next week, put on by a group of Democratic Senators.

But the shock value of the Hinson admissions taken into account, the young Republican maverick is still the man to beat in the Fourth District.

Speaking Out

Thanks, Stores

"We would like to thank the stores in this area that are bringing in the no-frills food. It's cheaper, and we can afford to eat a better balanced diet. There's no way that we can eat the shiny wrappers on the cans and the million dollar TV programs that advertise the other things. Thank you."

Non-Profit?

"I'd like to say here that TVA is supposed to be a non-profit organization. Even fuels are going down by the barrel—the gas. And our rates are going up to please the pockets of bureaucrats and to pay for programs that are not concerned with what we are using. We'd like to see someone try to help us a little and get to the right people to stop this. This is a disgrace."

Where To Work

"I would like to know why the sheriff's department works inside the city all the time instead of the county? There are policemen to take care of the city, so why can't they get out and work a wreck with injuries so that they won't have to wait two hours on them on a county road? They need to let the city handle the city and get out and work in the county. That is why we pay our county taxes."

Keep It Clean

"Something should be done about keeping our city clean, such as making people clean up their yards. Some have grown up so much the city has killed snakes in them and the rats are running across the streets. Can't the Health Department do something about this?"

Ripley's 'First Monday' Is Big Event

By ED BLAKE
Mississippi Farm Bureau
Federation

Mostly from Tennessee, Alabama and north

Mississippi they came in endless procession to Tippah county, Mississippi's "first Monday" trading event—a super flea market that

oldtimers say was started nearly a century ago, in 1893, in this county seat town of Ripley for farm men to swap horses, mules, dogs or whatever.

Today, nearly a century later, with women welcome, perhaps some rather large changes have been wrought in the manner of swapping, but some of the more intriguing features of this unique monthly bartering event remain essentially the same.

Most rural folk of northeast Mississippi obviously remain high on this tradition for they support these trade days in droves—clogging the traffic in and out of this community not far south of the Tennessee line. The event is kept unpretentious, and as a matter of frequent fact, uncomfortable—perhaps as a matter of tradition, or neglect, or in keeping with senses of value.

Beneath the burning sun of labor Day last week a constantly changing sea of cars were parked in a mowed area alongside Highway 15 opposite the fairgrounds. Adjacent property owners or operators hawked parking privileges for \$1. Inside the market grounds were extensive parking areas, and a network of lanes led bargain seekers or the curious past countless offerings of merchandise defying description.

An area was set aside for farm animals and fowl, which included everything from pens of guinea fowl of varying ages to ostriches reportedly from Yalobusha county. Goats of various colors and even greater varying moods were tethered along the walkways. Chickens, ducks and

geese rested or fed in their cages when they were not drowsing. In the shade of trees blue tick hounds were shown off and periodically punctuated the medley of carnival-like sounds with soulful baying that under other circumstances could have turned the sunshine into a moon glow.

Helicopter rides were a popular attraction from the south end of the gathering. The dragon-fly like vehicle emptied passengers frequently so others no less eager could experience a spin up and around the city and its bustling southside.

The shoppers paraded—the fat and the lean, the long and short, the eager and impelled—each marching stoically from their parked cars to a midway of vendors. They counter marched back to their cars, one burdened with a mule-powered geewhiz cultivator and a saddle.

Sellers low-keyed involvement with buyers. There was no chanting, no high pressured button-holing. Take it or leave it as it was, new or used, art form or practical gadgetry. Some-outmoded, unusable junk.

This timeless old flea market was a good place to get shoes dusty without caring, to replace half a dozen bantam hens or a Cornish rooster, get a new handle for a firewood splitter, or socialize with out of daily touch friends.

Relief from the scorching heat wasn't easily come by, but most nevertheless tried. Fowl and animals generally had varying degrees of shade and water. The people had cold drinks, water, watermelons or popular food and drink items served at every turn of the concession area. One not-to-be-denied

gentleman lay across the seat of his car during mid-day with the motor and air conditioner running. Breezes rippled the dangling leaves of the cottonwoods as waiting helicopter passengers got a good fanning with each landing and take-off of the craft.

This country trade day was believed to be an attendance record-breaker this year as an estimated 50,000 persons filed through Labor Day weekend.

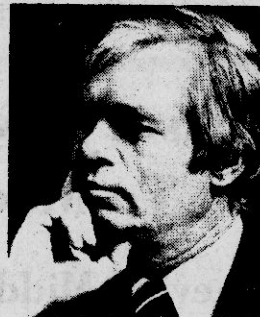

The tradition has persisted and grown unbelievably since those 19th century pioneers first gathered in the town square each first Monday to swap horses and dogs. Over the years there has been some protesting outcry from a few

Senator Thad Cochran

SPECIAL REPORT:

Home Health Care

The problem of access to affordable health care continues to plague many Americans, particularly our older citizens.

Senate hearings are underway on legislation that may provide some needed relief for senior citizens and disabled persons who can be served more effectively by home health care services rather than be kept for long periods in nursing homes or similar facilities.

Earlier this year, I joined Senate colleagues Bob Packwood and Bill Bradley in introducing S. 2809, a bill to provide for a new system for delivery of non-institutional, long-term care services.

The Health Subcommittee of the Senate Finance Committee is now conducting hearings on this legislation to determine the cost impact on the budget, the availability of different funding sources and the expected utilization of services to be offered.

We are proposing a reorientation of programs now available under Medicare and Medicaid and the addition of some new services.

Current law subsidizes placing family members and loved ones in institutions while it strictly limits help for those who want to provide that care at home.

In practice it is becoming

an economic necessity for most people to use nursing home type facilities. Reimbursements from the government are very limited for services and equipment which help maintain older or disabled persons in their homes.

A recent report prepared by the Library of Congress on the subject of long-term care for the elderly identifies two of the unfortunate results of this built-in bias in the federal law.

The numbers of nursing home beds is not keeping pace with the demand. There are estimated 41,000 elderly and disabled patients in acute care hospitals waiting for nursing home beds.

The huge demand, together with the evils of inflation, has caused nursing home costs to almost double from 1974 to 1978.

Second, the data indicates that from 15-18 percent of the persons in nursing facilities could be cared for better at their homes.

What we are getting in many cases is the wrong kind of care and unnecessary expense just because of the way the federal laws are drafted.

We have had enough of this bad experience, in my opinion. It is time to change the bias in the law.

The incentive should be to keep older and disabled

citizens in their homes and communities when that is possible.

Specifically, the bill we have come up with will provide for experimental demonstrations for three years in ten states.

In these states a wide range of services will be provided for elderly and disabled persons, including home health services, adult day services, homemakers aide services, therapy and nursing care.

These services will be combined in a comprehensive system of non-institutional care under a new title of the Social Security Act to assist the elderly and disabled in avoiding unnecessary placement in nursing homes.

The hearings that are taking place may show that we are not able to provide full funding of this entire program at once, but a major and important step toward a worthy goal at least will be achieved.

Disabled and older persons who can be more independent ought to be encouraged and supported by the laws of the federal government. Premature and needless incarceration in a nursing facility is certainly not the right answer to our health care dilemma.

Booneville School Enrollment Given

"The high school enrollment, which began Friday, Sept. 5, was complete Tuesday. There are at present 194 junior and senior high school pupils enrolled. The smaller children, and especially those in the primary department, are almost too numerous to count.

"The primary room in the D.A. Hill school opened up with 77 pupils Monday and had run to over 80 by noon Tuesday. Miss Falls, the first assistant in the primary department, had to be called in.

"The schools generally are fuller than they have ever been at this time of the year. The enrollment to date in the D.A. Hill School and West Side School is approximately 600, which is about 100 in excess of the opening weeks in these two schools last year.

\$2.5 Million Budget OK'd

"The Prentiss County Board of Supervisors Tuesday Morning OK'd a 1979-80 fiscal year balanced budget projecting total expenses of about \$2,454,000.

"It's a tight budget, but it's balanced," state auditor Howard McDonald said while explaining the mechanics of the document.

"If any expected sources of income fall off or unexpected expenses develop, it could throw the budget out of balance," he added.

"The supervisors' relief at having work on the budget completed was reflected in the comment one made following the vote: 'We're always glad to have this behind us. We can always breath a little freer.'"

Updated editions of two books of particular appeal to women are "Hints from Heloise" and "Beyond Beauty" by Arlene Dahl.

Heloise Cruse heads a test house in San Antonio, Texas, staffed by homemakers who help her research the best hints and right answers for her column, syndicated around the world to over 600 newspapers. Her handbook contains over 2,000 "hints" covering cooking, cleaning, clothing, first aid, car and garden care and camping. It

really is not just by and for women.

Arlene Dahl is an actress of stage, television, and motion pictures, a designer, syndicated beauty columnist, and author. This book offers her approach to inner and outer loveliness.

"Crafts for the Disabled: A New Kind of Crafts Book for People with Special Needs" by Elizabeth Gault, and "Coping with Physical Disability" by Jan Cox-Gedmark, apply tested procedures and helpful ideas to a variety of situations.

A new biography is "This Life" by Sidney Poitier, an actor born on tiny Cat Island

in the Bahamas. He has several fine, motion picture roles to his credit, and is an Oscar winner.

"Strange Mysteries from Around the World" by Simon Seymour is to be found in the young adult section of the library, but holds interest for many other readers besides budding young scientists.

Spain To Conduct Research In Texas

Robert Sydney (Bob) Spain, son of Mr. and Mrs. Harold Spain, of Booneville entered the Doctor of Environment Design program at Texas A&M University Sept. 1.

He will conduct research in low cost cooling, using forced and natural ventilation for residences and small commercial buildings in warm, humid climates, such as in Booneville. He will also work in a private architectural practice in the College Station, Texas,

area, as well as teach and conduct research at the University.

Spain has masters degrees in both architecture and city planning from the Georgia Institute of Technology. He was a Rotary International Fellow in 1979 and traveled to India and Western Europe.

He plans to return to Mississippi after completing his doctor's degree in architecture and practice architecture research city planning.

Shriners To Hold Meeting In Tupelo

Booneville Shriners will be participating in the Hamasa Temple's Tupelo Shrine Ceremonial in Tupelo this weekend.

Among the leading shriners who will be in attendance will be Potentate Ronnie K. Young and his Divan.

Festivities will begin Friday, with hundreds of Shriners and their wives expected for a kick-off get-together party at the Natchez Trace Inn starting at 7 p.m. There will be entertainment by the Hamasa Brass Band from 8 to 9:15., followed by a street dance featuring Bill Mitchell.

There will also be a special square dance exhibition. Dress will be in the Western mode with cowboy hats and jeans. There will be free popcorn and hot dogs.

Registration of candidates for membership will begin at 8:30 a.m. Saturday at the Natchez Trace Convention Hall. A coffee for the ladies will begin at 9 a.m.

There will be a special exhibition of Chinese cooking for the ladies and free cook books will be given away.

The Shrine parade will begin at 1 p.m. in downtown Tupelo and will be followed by the initiation of candidates.

From 5 to 6 p.m. Potentate Young will host a hospitality

hour in the Natchez Trace Motel lobby. At 8:30 p.m. the Divan, guests and potentate will be introduced.

The evening will conclude with a dance honoring the newly created Nobels and Wives at the Trace Convention Center. Music will be provided by John Mihelic and The Nightlites.

Mrs. McCreary Celebrates 98th Birthday August 18

Mrs. Lou Venia McCreary of the Hill's Chapel Community celebrated her 98th birthday on Aug. 18. She was honored by her children, grandchildren, great-grandchildren and two great-grandchildren, with a birthday party at the Booneville Community Center.

Mrs. McCreary wore a blue polyester dress with white dots, and an orchid

corsage, given by Mr. and Mrs. Henry Christian.

Mrs. McCreary's birthday cake, a three-tier cake of white and pink, topped with real pink rose buds, was baked by her great-niece Brenda M. Smith.

It has been Mrs. McCreary's custom to take an airplane ride on each of

her birthdays, but after 16 times, she says, "No more, but I love it!"

For this birthday, she wanted to visit her shut-in friends.

Mrs. McCreary expressed her thanks to everyone for the many gifts, cards, letters and telephone calls she received on her birthday and to those who came before and after the party.

Guests who attended the birthday party were Mr. and Mrs. Myrom McCreary, Mr. and Mrs. Billy R. McCreary and Mr. and Mrs. George Martin, all of Corinth; Roland McCreary, Tamara McCreary, Bobby Kinman, Mr. and Mrs. Gerald Baugh and Daniel, and Mr. and Mrs. Terry Twinbou and Angelo, all of Grove Hill, Ala.;

Mr. and Mrs. Richard Brown, Randy, Lisa and Carlton, all of Atlanta, Ga.; Mrs. Pat Hare, Paula and Pam of Horn Lake, Miss.; Mr. and Mrs. David

Springer and Corey, Terri Huddleston and Darrell Gains, all of Tusculum, Ala.; Mr. and Mrs. Hershel Holly of Memphis;

Mrs. Carolyn Lee and Lorinda of Tupelo; Mr. and Mrs. Lester McCreary, Mr. and Mrs. Wayne McCreary and Michael, Mr. and Mrs. Grafton Huddleston, Mrs.

Brenda M. Smith, Greg, Brian and Mathew, Mauveline West, Mr. and Mrs. Troy Scott, and Esta Scott, all of Booneville; and Mr. and Mrs. James Chase, of Corinth.

Vicki Lynn Cole

Miss Cole, Mr. Scott Are Engaged

Mr. and Mrs. Chester Cole of Booneville announce the engagement and forthcoming marriage of their daughter, Vicki Lynn, to Kenneth Wayne Scott, son of Mr. and Mrs. Junior Scott of Booneville.

The bride-elect is a 1978 graduate of Booneville High School and is now employed at the American Packing

Company in Booneville. The prospective groom is a 1974 graduate of Wheeler

High School and is now employed at Deviney Construction Company in Tupelo.

The wedding is planned for 7 p.m. Sept. 19 at the Oak Hill Baptist Church. All friends and relatives are invited to attend.

Natchez Trace DAR Holds First Meeting Of Year

The Natchez Trace Chapter, of the Daughters of the American Revolution had its first meeting for the new year Sept. 4, in the Hospitality Room at Northeast Mississippi Junior College.

Hostesses for the meeting were Mrs. J.W. Hollandsworth, Mrs. Cooper Q. Hoover, Dr. Mary Floyd Rickard, and Mrs. Walker Smith. Tables were

decorated with roses and other flowers from the gardens of Mrs. Esta Scott, Miss Brenda Smith, and Mrs. Nelson Baldwin.

Regent Mrs. O.C. Robinson presided at the

business session. Miss Nancy Clarke Brewer led the chapter in the pledge of

allegiance to the flag of the United States of America and Dr. Neola H. Cleveland

substituted for the chaplain in the DAR ritual.

Miss Brewer was the speaker for the patriotic program entitled "Constitution Week." She cited some interesting facts about

the Constitution including remarks regarding the anti-Federalists' opposition in that they feared giving so much power to the federal government, the lessening of states' rights and authority, and the possibility that a Jew, Turk, or Roman Catholic might become president.

Miss Brewer also stated that of the 39 signers of the Constitution, 30 were college graduates, and that the oldest signer, Benjamin Franklin, was 81 years of age and that the youngest

signer was only 28 years of age. In spite of the jealousy between the large and small states, she said, the workable document made up of compromises was adopted and still serves us today.

Mrs. Robinson reported on the district meeting she had attended in Grenada in August, distributed materials to committee chairman, and made general remarks and announcements. The meeting was adjourned with the repeating of The American's Creed.

Mr. And Mrs. Charlie Geno
Celebrate 50th Anniversary

On Sunday, Aug. 3, the children of Mr. and Mrs. Charlie Geno honored their parents in their home with a reception to celebrate their 50th wedding anniversary.

Before the cutting of the anniversary cake, a short program was conducted by Kermit Keenum, son-in-law of the Genos. The couple's oldest daughter, Mrs. Charline Hamilton, gave a short reading and prayer.

The children presented gifts to their parents, including a handmade picture, a book relating memorable experiences about the couple, and a canvas painting of the family tree.

Mrs. Bill Cox and her daughter Pam sang "Fifty Years Today," a song written by the youngest

daughter, Mrs. Mary Ann Perri.

The couple's niece, Mrs. Bettie Michael, presided at the registry, presenting each guest a printed scroll as a memento of the occasion.

Granddaughters assisting with the reception were Mrs. Darlene Hurt and Mrs. Annette Bishop, who served the three-tiered anniversary cake, Miss Charla Huddleston and Miss Alicia Keenum, who served the punch, and Mrs. Kathy Hurley, who displayed the many gifts received by the couple.

Over 100 friends and relatives called throughout the afternoon to congratulate Mr. and Mrs. Geno and to share in the happy occasion.

Hosting the reception

were Mrs. Charline Hamilton, Max Geno, Mrs. Elizabeth Morgan, Mrs. Billie Keenum, Mrs. Linda Huddleston, and Mrs. Mary Ann Perri.

County Executive Director

Wheat Target Price
May Exceed \$3.81
Per Bushel

The target price for 1981 crop wheat will be increased to at least \$3.81 per bushel, 18 cents over the 1980 level. The final amount will depend upon the size of increase in short-run production costs. The loan price will be at least \$3 a bushel.

All farmers are eligible to participate in the 1981 Wheat Program. There are no set-aside requirements. Producers need only to be sure they plant within the normal crop acreage (NCA) to be eligible for the farmer-owned grain reserve, commodity loans, and target price protection. However, only those who plant or harvest no more wheat than was planted and considered planted in 1980 will have the full target price protection.

The 1980 planted and considered-planted acres includes actual acreage planted for harvest and approved prevented plantings. Farmers should continue to use good farming practices and not enter fragile or marginal lands into wheat production. Acreage not traditionally used for crop production will not be added into a farmer's NCA for subsequent years.

The grain reserve release and call prices for 1981 will be increased from the current \$4.20 and \$5.25 to keep them consistent with the cost of producing wheat. The exact amount will be determined when more cost information becomes available.

To encourage wheat producers to make more effective use of the program, a special reserve loan is being considered by Congress. The measure under consideration would set the special reserve loan at not less than \$3.30 per bushel.

Farmers are expected to place a sufficient quantity of their 1980 crop wheat into the reserve to boost farm prices over the current release price to satisfy 1980-81 market requirements.

A paid diversion program and/or a haying and grazing program will be offered to farmers if it becomes evident that wheat supplies are excessive in 1981. Thirty-three Prentiss County farmers participated in the 1980 Wheat Program.

Soybean Crop Projections For 1980

The U.S. Department of Agriculture's August crop production report shows that Mississippi soybean production could total 82,950,000 bushels this year. The 1980 production is down from the 118,900,000 bushels produced in 1979.

Farmers in the state are expected to harvest 3,950,000 acres of soybeans and realize an average crop yield of 21.0 bushels per acre.

Although soybean prices have averaged an increase of \$1 a bushel recently, they may not maintain all of this strength for the remainder of the 1979-80 crop year and are expected to run below last summer's average of about \$7 a bushel, USDA officials said.

A reduction in the acreage planted to soybeans this spring could keep 1980 soybean production slightly below last year's record 2.3 billion bushels. Strong exports and a smaller 1980 crop in prospect will keep soybean prices from declining further despite current projections for a record carryover of 380 million bushels.

Soybean exports for 1979-80 are expected to reach 850 million bushels, 12 percent more than last year.

As of Aug. 1, U.S. soybean production for 1980 was forecast at 1.88 billion bushels. This is 17 percent less than last year's record production, but .1 percent above the 1978 crop.

Their guests over the weekend were Ellis Hill and Van Saylor of Oklahoma City; Mr. and Mrs. James Bryley of Adamville, Tenn.; Mr. and Mrs. Billie Franks, Savannah, Tenn.; The Rev. and Mrs. Chuck Hampton, Fort Worth, Texas; Arthur Smith of Germantown, Tenn.; the Rev. and Mrs. Spurgeon Mulligan of Ripley; Mrs. Ben Holly, and Walter Nunley, all of Booneville; Mrs. Wade Downs, Blackland; Mr. and Mrs. Homer Green and Grady of the Dry Creek and the Rev. and Mrs. Edd Lowery of Thrasher.

Mr. and Mrs. Charles Cole had a cookout for their visiting relatives Friday night. The meal consisted of hamburgers and homemade ice cream. The food was

delicious, and the fellowship great. Those attending with the Cole family were Mr. and Mrs. Neil Presley of Wauchula, Fla.; Mrs. Quinn Johnson of Jackson, Tenn.; Mr. and Mrs. Jerry Hodges and Beth; Mr. and Mrs. Gerald Hodges, Jessie Presley, and Mr. and Mrs. Butch Caldwell.

Mr. and Mrs. John Simmons of Memphis spent Labor Day with Mayor and Mrs. Charles Crabb and other relatives.

Don Lee Keith of New Orleans spent Monday night with his aunt Jessie Presley.

Melvin Oakley is a patient at North Mississippi Medical Center, Tupelo. He is there for tests and maybe surgery. We extend our best wishes to him for a speedy recovery and assurance of our prayers.

Miss Candace Powell of Memphis spent Labor Day with her mother, Mrs. Russell Petty.

Bun Grisham of Wheeler has been ill and in the Baldwin hospital. We send him get well wishes and will be praying for his health to be restored.

We regret the illness of Mrs. Reba Searcy. She is a patient at North Mississippi Medical Center, Tupelo.

The Prentiss County

W. M. U. Promotional Meeting at East Prentiss Baptist Church will meet at 7 p.m. Thursday. All ladies of WMU are urged to be present.

Mr. and Mrs. Bobby Roten of Memphis proudly announce the arrival of a baby boy, born Sept. 3 in Clarksdale. He weighs 7 lbs. and 7 oz. and has been named Joshua Keith. The Rotens have another child. The grandparents are Mr. and Mrs. Malone Cartwright and Mr. and Mrs. Keener Roten. Congratulation to them all.

Luncheon guests of Mr. and Mrs. Marvin Tollison last Thursday were Nadara (Tollison) Goodwin of Dallas, Texas, Mr. and Mrs. Jimmy Tollison, Mrs. Sybil Tollison and Mrs. Jackie Rone.

We extend our christian sympathy to the family of W.A. (Bill) Bullard of 105 S. Lake. Bill passed away early Monday morning. He will be greatly missed by loved ones and many friends.

Mrs. Mary Bet Gullett, Mr. and Mrs. Melvin Putt and Mrs. Helon Windham spent the weekend in Blytheville, Ark. Mrs. Windham remained for a two weeks' visit with the McHaffeyes.

Visiting with Mr. and Mrs. Herchel Stennett of Ripley last Saturday night were Mr. and Mrs. Marvin (Spud) Tollison.

Miss Memory Rone of Ole Miss spent the weekend with her parents, Mr. and Mrs. Jackie Rone.

Mrs. John Dobbs of Belmont was in Booneville Sunday to attend the funeral of her brother, Archie Holly. Mrs. Arlis Anderson has returned to Starkville after spending several days in Booneville with Mrs. Hill Hodges and Mr. and Mrs. Harold Spain.

Thought for the Week:

Once upon a time there was a family of Wayward Church members who had once been active, but had lost all interest and fallen away. There was the father and three sons, Jim, John and Sam. The deacons had talked to them, about their condition, the preacher had visited them, and many of the brethren had tried to get them to come back to church, but all this did not seem to do the least bit of good.

One day when the boys were out in the pasture, a large rattlesnake bit John and he became very ill. The physician was called, and after an examination, he

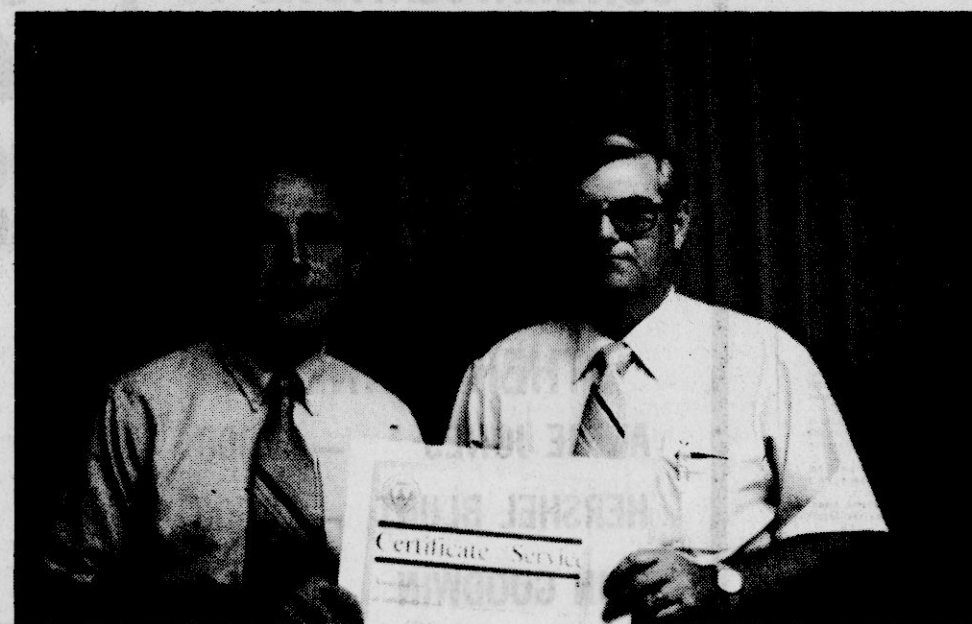

pronounced John to be in very critical condition.

Said he, "About all you can do now is pray." The father called the pracher and told him of John's condition. He asked, the preacher to pray for John's recovery and this was his prayer:

O wise and righteous Father we thank thee for Thou hast in Thy wisdom sent this rattlesnake to bite John, in order to bring him to his senses. He has not been inside the church for years and it is doubtful that he has in all that time felt the need of prayer. Now we trust that this will prove a valuable lesson to him, and that it will lead to genuine repentance.

And now, O Father, wilt Thou send another snake to bite Sam, and another to bite Jim, and another Big one to bite the old man. We have all been doing everything we know for years to restore them, but to no avail.

It seems, therefore that all our combined efforts could not do what this one snake has done. We thus conclude that the only thing left that will do this family any good is rattlesnakes; so Lord, send us bigger and better rattlesnakes. In the name of Jesus we pray, Amen."—Copied.

We were very happy to be among those at Beckley Chaple C.M.E. Church Sunday morning to extend to the Rev. Willie Powell a warm and sincere welcome as he begins another year of service as pastor there. His message for the morning, entitled "A Church Set On Fire," centered on the possibilities and the positive results to be obtained within the church and the community when God's people are set on fire or consumed by the Holy Spirit.

New choir members, Mrs. Robert Jones, Mary Betts, Tangie Thompson, and Rogina Williams, added greatly to the strength and effectiveness of the choir in both song and spirit.

Skip Robinson was a visitor to the morning services and delivered a message of his own immediately following the doxology.

Members of the B.T.U. were highly entertained Sunday evening at Spring Hill M.B. Church as they

enjoyed a very informative and interesting film on the Ark of the Covenant shown by the Rev. Earnest McCoy, pastor of the Fairview Baptist Church. The BTU president, Mrs. Sallie Gardner, stated that the film and the explanation of it given by the Rev. McCoy was the highlight of the meeting. She expressed her appreciation for his consideration in bringing the film to us. We are all looking forward to his next visit in the very near future.

Mr. and Mrs. Jimmy (Pete) Gardner of Anchorage, Alaska, are visiting here in the community with his mother, Mrs. Eugene Gardner, and other family members. We extend to them a sincere welcome home and prayers for a safe return as they begin their journey back to Alaska on Friday.

Congratulations are extended to Mr. and Mrs. George Alexander who are the proud parents of a 7 lb. 1 oz. baby girl, born Aug. 31 at the local hospital. Mrs. Alexander is at present in the home of her mother, Mrs. Hattie Mae Anderson.

Both mother and daughter are doing fine.

Congratulations are also extended to all the newly licensed RN's who are employees of the local hospital. Especially to Jo Morgan and Karan Wilburn. The long agonizing wait is finally over. Friends and co-workers share your joy in this great achievement and wish you every success in the future.

Happy birthday wishes are extended to Tom Burruss who celebrated on Sunday, Sept. 7, with a day home from work on Monday as an added bonus. We hope you have many, many more, Tom.

Annual Choir Day will be observed at the Ruben Chaple C.M.E. Church on Sunday afternoon, Sept. 14, at 2 p.m. The public is invited to attend.

We are thankful and happy to report that the Rev. Bill Ragins has recovered from a recent illness and is up and about again.

Mrs. Addie Mae Jones is still a patient of the Tupelo hospital, but is steadily improving in her condition.

Mrs. Georgia Nunn also

continues to improve and grow stronger. Our prayers continue for them and for all the sick and shut in of the community and the hospital.

The Challenge

Life is a challenge. One that we face each day of our lives, prepared or unprepared. From birth to death the struggle to live and survive is a constant battle.

Man's in-humanity to man and the war between right and wrong never ceases, but right is just as right today as it was 2,000 years ago and wrong is just as wrong. There is no in-between.

When we allow greed, selfishness, and the desire for power, position and material gains to over-rule our lives and begin to compromise principles and standards of morality, we place in jeopardy the very things for which we struggle. Every individual born to this life accepts the fact that we live, we work, we die, and then there is nothing.

The mark you may wish to leave on this earth can only be accomplished through services rendered to others

as you live. As we pass through this world only once, it behooves all of us to do all the good that we can and show all of the love and kindness that we can for we shall not pass this way again.

We spend far too much time and worry over the things in which we have no control and cannot change and not enough time preparing ourselves to perform the duties of the Christian we profess to be. As children of God, we have a standard to maintain and a principle to uphold, this should be our first concern realizing that only through the leadership of the Holy Spirit can we meet the challenge and be successful and victorious.

We would do well to constantly pray as did Admiral Thomas C. Hart: "Dear God give us the strength to accept with serenity the things that cannot be changed. Give us the courage to change the things that should and can be changed. And give us wisdom to distinguish one from the other."

Till Next Week..

Home Economist's Notes

Don't Waste Dollars

Do you want to make your dollars count for you? Then you stay sane with inflation and control your moods. The way you feel about money matters more than the actual amount of money you have.

It's not how much money you have but what you do with the money that counts. Avoid adding stress to the crunch that you must face. Concentrate on your good fortune. Set your realistic goals based on your values and resources. Create a plan that places quality over quantity.

Living within one's means is the basic foundation of living contently. Keep your eyes and your mind on what you want to spend your dollars on. Have a clear and current budget. Avoid habit buying. Think in terms of simplicity and free your mind and take the strain off your pocketbook. Reduce the "I oughts" and "I wants."

Get some help! Keep current on prices. Be informed. Learn some new shopping skills. Be smart about "specials and sales." For example, as you look for fall and winter clothing, take advantage of comparative shopping and clothing sales

and stretch your clothing dollars from one third to one half.

Where you live, what you buy and the proportions of what you buy have much to do with the power of your dollars. Many Mississippi families identify crisis situation as a result of the high cost of living, too much credit and a lack of knowledge and understanding about money management. Poor communication and lack of skill in human relations contribute to a break down in family security and economic stability, too.

In making your spending plan, consider these percentages:

--Housing, household operations and furnishing-- 25-35 percent (the house payment should not exceed one week's take-home pay)

--Food-- 16-25 percent (Grow and preserve as much as you can)

--Clothing-- 5-7 percent (If you sew and mend, you can cut this cost)

--Transportation-- 12-15 percent

--Medical Care-- 5-7 percent (Preventative education shaves this figure)

--Recreation and education-- 5 percent

Personal insurance-- 5 percent

--Personal allowances-- 5 percent

--Savings and investments

--Savings and investments-- 10 percent

--Personal taxes-- 9 percent

You will have to make adjustments with your flexible spending plan and carefully check your record keeping to stop leaks. You will need to control your money so your dollars buy the things you want and need. Your money management depends primarily on your knowledge, management skills, commitment and practices in spending, borrowing, saving, and using insurance and investments.

If you are in money trouble, you can solve your problems, but remember, you didn't get into trouble over night. So, allow some breathing time to work out your situation. Decrease your living expenses. Adjust your debt payments. Owe no more than 10 to 20 percent of your income in installment credit or charge accounts (not including mortgage payment).

Learn to use resources other than money. Consider your time, skills, energy and talent. Use these resources in the place of money. For

example, paint or paper a room or mend clothes and household items to save money.

Carefully plan all of your buying and spending. Take better care of the things you already have. For example, appliances and furniture

need tender love and care. Read and follow the manufacturers' instructions on the use and care.

You can double your dollars through better maintenance and care. Use your dollars and sense. Don't waste dollars.

News From Altitude

By BLINDA DUNAWAY
Correspondent

September is the month of the harvest moon and the start of the season of mellow fruitfulness. Apples ripen, crops are harvested, leaves begin to turn brilliant colors and birds migrate. A few summer flowers still bloom in gardens, but the autumnal goldenrods and asters take over the fields and meadows.

Large and small birds gather on telephone wires to start their journey southward. Soon the rustling leaves will begin to make a red, yellow and brown carpet, once again displaying the many beautiful colors of Autumn.

Congratulations to Mr. and Mrs. Bobby Wilson on the arrival of a daughter, Margaret Michelle. Grandparents are Mr. and Mrs. Ed Wilson, Alton Floyd and Mrs. Reba Brewer, Mr. and Mrs. Melton Mathis of Altitude are the great-grandparents.

On Saturday, Sept. 13, beginning at 8 a.m. there will be an "Ole Country Store Sale" on the school yard at Hill's Chapel Attendance Center. All proceeds will be used to help

on the new classrooms, or in carpeting the mobile classrooms. If you have articles to donate or can help in anyway, call 728-6897 or 728-9625.

Items such as household articles, glassware, good toys, books, baby care items, baby and children's clothes, macrame, crochet work, sewing, etc., are some of the things needed. Also baked goods and lemonade will be for sale. So everyone come out and enjoy the "Ole Country Store Sale" on Saturday. Your help will be greatly appreciated, and our children will reap all the benefits.

Mr. and Mrs. Dale Newborn and Michael, Shirley Few, Rickey and Sherry all of Jasper, Ala., were guests of Mr. and Mrs. Ides Rutherford over the Labor Day weekend.

Friends are glad to hear that Jim Castleberry is home from the hospital in Tupelo. He was hospitalized there a couple of weeks ago. His trouble was found to be clots in the lungs. We hope that he is feeling well again.

Brownie Troop No. 308 of Hills Chapel enjoyed a skating party recently at Dixieland Skating Rink. Family members and future

membes were also invited in on the fun. Receiving pins and recognition of work on First year Brownie activities were Pam Mooney, Jennifer Dunaway, Kristi Jacobs, Leah McDougal, Tracy Riddle, Deborah Smith and Shonda Woodruff. Other guests were Ginger Pace, Rita Davis, Dwana Smith, Tonya Latham, and Lori Nicholson. Everyone had a good time.

Mr. and Mrs. Ralph Tenneson of Marietta spent a few days with Mrs. Tenneson's sister Elvia Moorman.

Mr. and Mrs. Foy Lee and Chester Lee of Conroe, Texas, visited relatives here over the weekend.

Martha and Jamie Hutchens were overnight guests of their grandparents Mr. and Mrs. Lebern Hutchens on Saturday.

Visiting with Delar Cole and family recently were Mr. and Mrs. Cecil Taylor and children of Eupora.

Recent visitors of Myrtle Cole were Mr. and Mrs. Al McDuffie and children of Georgia and Lenora Slack.

Mrs. Bernice Chase had her son and family Dr. and Mrs. Vernon Chase, Timmy and Scotty of Baldwin, visit

with her on Monday.

The city park was the setting for the gathering of the Murphy family on Saturday. Present were Mr. and Mrs. Eugene Michael and boys, Miss Benita Holder, John Leon, Mr. and Mrs. Jerry Holder, Mr. and Mrs. Ricky Murphy and daughter, all of Booneville.

Those who came from Alabama included Gertrude Murphy, Louise Murphy, Zena Dean Murphy, Robbie Murphy, Rena and Barry Murphy, and Betty, Ronnie and Jill Mopurwel.

Mr. and Mrs. Arther Dunahoo and Mr. and Mrs. David Dunahoo and children from Wheeler, Mr. and Mrs. Earl Wayne Murphy and children of Alabama, Mrs. Mary Lou Cohen of

Marietta, and Mrs. and Mrs. Thomas Holder and boys of Baldwin joined in the group, as did Miss Bessie Murphy, Inez Duncan, Mrs. Noel Holder, Mr. and Mrs. Clyde Murphy and Mr. and Mrs. Hamon Michael of Booneville.

Birthday wishes for the week of Sept. 7-13 go out to Leona Carpenter, L.B. McKinney, Deborah Smith, Kathy Holley, Jorene Newman, Camille Carroll, and Ruth Harling.

Several have been reported in the various hospitals at this time. Hopefully they will be back home among their friends and loved ones by the time this is printed. Among these are Pam Penna, Eural Hare, Melton Taylor and

Kelloys Trimble.

Erwane McSorley is home from the Corinth hospital after having back surgery. Also Mrs. Wilodene Horn is glad to be home again after her stay in the local hospital.

Mrs. Melvy Moorman, bride of Jerry Moorman, was honored with a bridal shower Sunday in the home of her parents Mr. and Mrs. Dwain Johnson. The Moormans were married July 26. Best wishes are extended to them. Mrs. Moorman is the granddaughter of Bernice Chase of our area.

Danny Bryant, infant son of Nancy Bryant, is in the hospital with pneumonia at the time of this writing. We hope that he is improved soon.

INTERNATIONAL TALENT QUEEN—Jennifer Jo Rowland won her talent division Saturday in the International Talent Contest held at Shannon High School. Jennifer is the 6 year old daughter of Ronny and Diane Rowland. She is a voice student of Mrs. J.R. Wheeler and a dance student of Mrs. Sue Howell.

News From Oak Ridge

By BERYL COATS

It was so good to hear from Aunt Bama Henry. Her daughter Louise said she is able to be up and around. Aunt Ida Henry isn't in a good condition; she has had a stroke and cannot speak.

Clyde Gardner hasn't improved—this fact was given by his daughter Mickey on Sept. 6.

I learned from Edith Green that her mother, Mrs. Eunice Johnson, showed a slight improvement last week. Also learned the address of her aunt, Mrs. Nettie Ryan. This is her address—Room 202, 2800 W. Main, Cedar Health Center, Tupelo, Ms. 38801.

Betty Coats was able to attend services on Sunday morning, Aug. 31, and Wednesday night, Sept. 3.

Also Sherry Kennedy and little Stephanie were present on Sunday morning and Wednesday night. A number from Oak Ridge attended the usual Fifth Sunday afternoon singing at Chapman Church of Christ.

Jim Barber was present on Sunday, Aug. 31, and lead prayer. His prayer was well-worded and sincere. Other visitors were Bro. J.A. Thornton from New Albany and Bobby Jones who worships at Jumbertown. Bro. Thornton was speaker in the gospel meeting there.

Donna Coats was happy to have two small visitors from Booneville on Thursday of last week. They were her sister Melissa Nichols and little nephew Michael Smith.

Three in our family had birthdays the first week in September. These were: Mary Alice on the 4th, Lynn on the 5th, and Senita on the 6th. Belated greetings to all three!

Mrs. Gladys Ryan who had surgery a few weeks ago is doing fine at the last report. Let's hope she continues to improve. Aunt Myrtle Harris gets along remarkably well for one her age. So does Mam-Ma Coats.

Eldred and Bondal Hill visited her mother and the Bryan Harris' a couple of days last week.

The work day at the building on Sept. 6 was successful. About 24 people showed up and everyone had a mind to work. The women worked in the building while the men worked outside, mowing and repairing. Myron took a crew to clean around the signs and paint them. Bro. Barber carried some teenagers who distributed brochures in the community.

We believe there's going to be a wonderful meeting with Bro. W.W. Heflin preaching the truth in his calm forceful manner.

On Sunday, August 31, Mr. and Mrs. Arthur Barnes and Jack went out to Arletto (Geno's) for lunch. They were joined by Lonnie Davis and family. All enjoyed the meal and the reminiscing. Lonnie lives in Memphis.

Mr. and Mrs. Vester Coats and grandson, Nathan Sean, were in Decatur, Ala., last week to visit the Ken 'Wilsons'. They were fine. Ken and Karen were preparing for a weekend holiday at Ft. Walton, Florida.

Mrs. Pauline Jones was absent Wednesday night due to illness. She was reported to be better Saturday, Sept. 6. She, with the help of Ruthie, will have her huge pan of chicken-n-dressing for the dinner on Sunday the 7th.

Mike Coats, a 10-year-old member of the 4-H club, has done well in his projects. His watermelons did quite well—his largest melon was 28 in. long, 29 in. around and weighed 35 lbs. He showed a hog on Tuesday, Sept. 2, in the livestock show winning three awards. He won second place in showmanship, second place in the medium weight and his hog was classed reserve champion.

Mike will be showing in Tupelo on Sept. 9. May he do even better there.

Congratulations to Phil and Mary Coats who celebrated their 12th Wedding Anniversary Sept. 6.

Beatrice Lawrence and Mae Holiday from Booneville visited with Betty Coats Sunday afternoon.

Have You Kissed A Veteran Today?

Have you kissed a veteran today, and got down on your knees and thanked God for the privilege of living in a free nation made possible by the efforts of all veterans.

The Veterans of Foreign Wars are being persecuted all over the United States; and our rights are being taken away every day; and in Prentiss County, it is worse than anywhere in this whole state. There are eighty two counties in Mississippi, and Prentiss County is the only one in which the VFW is not allowed to operate in normal fashion. Who is right? Eighty-one or one?

How many television sets, beds, wheel chairs, crutches, and how much time have the people responsible for running Prentiss County provided for and spent with the shut-in veterans and with those in the Veteran's Hospital. Prentiss County VFW members have provided these facilities and have spent much time with our shut-in and hospitalized veterans.

How many military funerals have these same leaders attended? Prentiss County VFW members are always at these military funerals.

How many people have lost their homes because of fires and found the county leader there to help. Prentiss County VFW members have always been there to help.

I ran into a friend a week or so ago, and in our conversation I asked him if he would like to join our VFW post. His reply was, "My wife and I quit drinking about a year ago."

I said, "What's that got to do with it?"

He said, "Well, don't you guys go to the post to drink, shoot pool, and tell old stories? We would feel out of place."

I wonder how many other Veterans of Foreign Wars think this way. My friend agreed to come with me to the post. I showed him our awards and plaques and told him about our membership and the Ladies' Auxiliary. I also told him about our Americanism Loyalty Day, our safety and drug abuse programs, our civil defense program, and our community service youth activities program. Our youth activities program includes a scholarship fund, blood bank, and sponsorship of the "voice of democracy" contest. The VFW also plans to sponsor a little league baseball team next season.

The committee chairman and his committee are all volunteer workers. They hold various functions throughout the year to raise money for their programs.

At Christmas time, the VFW members voluntarily collect food and toys and distribute these to needy families in the community. This is the time for the annual Christmas party. Children receive toys at the party.

How many people have been given membership dues by the county so these people could keep some insurance? VFW members have paid membership dues for their fellow veterans so that these fellow veterans would not lose their insurance coverage.

How many annual Christmas parties have been given by the county leadership for needy children? The VFW sponsors an annual Christmas party for needy children.

How many free meals have been given by the county leaders on Veteran's Day every year? The VFW sponsors an annual beef stew dinner for anyone on Veteran's Day each year.

These are only a few of the questions that need to be answered by the Prentiss County leadership.

The VFW provides a military funeral for its deceased. It is the goal of the VFW to give its deceased a burial with dignity and respect regardless of the veteran's station in life.

The VFW also provides other services to the community. Whenever a veteran is in need, he can always call on his fellow veterans.

Yes, after many hours of hard work serving our community, we do have a few drinks and relax together. The post also sponsors a Saturday night dance where fellow veterans can meet together for fellowship and a good time. We feel that we should be able to fellowship together without a hassle.

The people of the VFW have fought all over the world; they have spent many nights in foxholes, trenches, and ditches filled with water, mudsnakes, rats, and leeches. Many of these people have had to break ice from around themselves in the winter time to get out of a fox hole. Some of these people have had to sit by without moving while some of their buddies were blown to bits or lost limbs. The people who were lucky enough not to serve their country during war time do not know what it is like to hear cries for help and not be able to help one of their friends.

We ask for all the help, at this time, the whole County can give to support our local VFW and our community. Look around, and you can find a veteran in your family. They fought for this great country. Now they are fighting again, only this time they are fighting some of the same people they fought for. Contact your supervisor or any other official in this county who can help our veterans. Call "Speak Out" in our local paper. If you do know a veteran, you do not have to kiss him, just support his fight to have a post we all can be proud of with out hassle.

Tigers Rip Co-Lin 16-6 In Opener

"We played outstanding defensive football, sound defensive football and alert defensive football." Remarks from Northeast Mississippi Junior College head football coach Bill Ward after Northeast's

Tigers, picked first by area pre season pollsters, put a good first half to use last Thursday night and dropped Copiah Lincoln 16-6 before a home crowd at Tiger Stadium.

Coach Ward said he was extremely pleased with the

defensive effort of the Tigers and added that, at this stage, he just couldn't complain about the Northeast offense either because he just didn't know how good the Co-Lin defense really was.

"They were expected to have a top notch defense," Ward said. "If they were as good as expected then I'm not disappointed in our offense at all but if not then we played badly." It's just too early to tell at this stage.

The Tigers jumped on Co-Lin early in the opening quarter. With less than five minutes gone in the opening frame, Northeast speedster Anthony Norman, a 165 pound back, sprinted around left guard from 21 yards out to give the number one ranked Tigers their first score. Kossuth's Kenny Mathis booted the extra point to give the Tigers a 7-0 lead early in the opening

quarter.

In the second quarter, the Northeast squad reached paydirt again. Co-Lin running into trouble in the toe department, booted a short punt and the Tigers were given good field possession inside their own territory.

Northeast however failed to charge a major offensive threat as the drive stalled. Mathis bailed the Tigers out booting a 24 yard field goal to boost the Northeast lead.

Coach Ward said he was very concerned in the opening half that the Tigers didn't improve on their offense. "I thought we began to move the ball against them," he said. "We knew they had a powerful offense by scouting reports but we thought our offense would pick up in the second half."

The final Northeast score came in the third period. Again Northeast had trouble moving the ball but the Tiger defense kept Co-Lin stunned throughout the game.

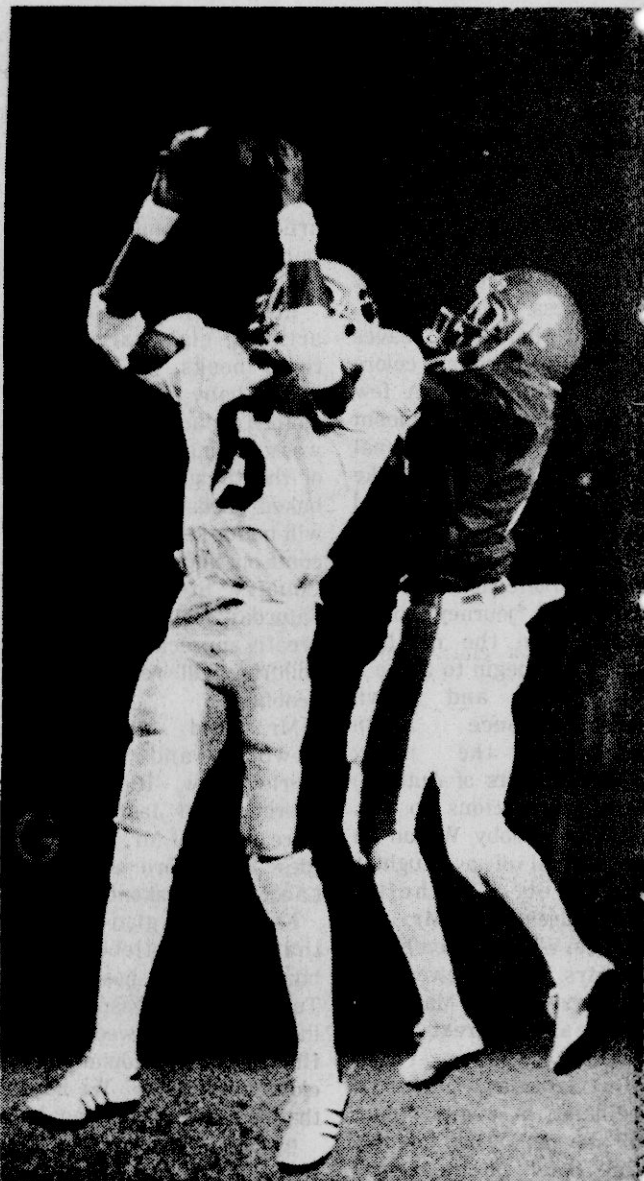

Curtis Boggard, a 170 pound sophomore, got the next and final points for the Tigers when he capped a 20 yard drive with a run off left tackle from six yards out.

Co-Lin had a number of chances to put points on the board. Booneville's Mike Triplett, who should be one of the top performers in the JUCO ranks this season, along with Robert Huff, another All-State prospect, turned in key interceptions to stop two Co-Lin drives.

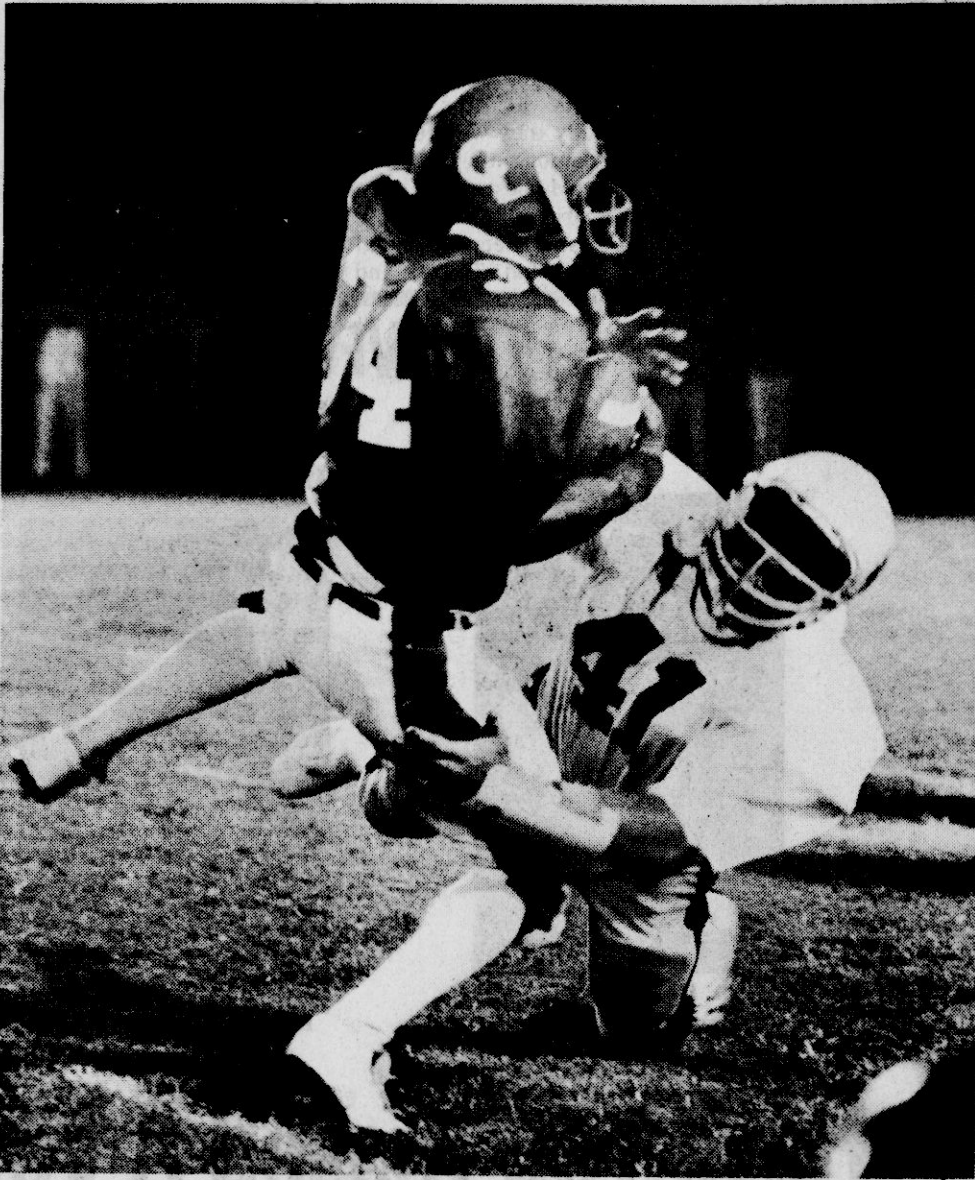

Co-Lin utilized three quarterbacks before third string Dwayne Knowles cranked up the Wolves offense. Knowles passed to wide receiver Jeff Handley with 26 seconds to go in the ball game for the only Co-Lin score. The TD pass capped off 134 yards receiving on the night for Handley. Knowles failed on the try for 2 points. A series of penalties helped advance the ball for the Co-Lin score.

Both teams were plagued by penalties, fumbles, and pass interceptions throughout the game. Northeast completed one of seven passes and had 133 yards rushing on 45 carries. David Cooper, a unanimous pick for defensive player of the game, led all Northeast defenders with 8 solo tackles and 5 assists. Cooper also recovered a Co-Lin fumble. Cooper was followed by Allen Wooten with 5 solos and 4 assists, Jordan Boyd with 5 solos and 3 assists, Robert Walker and Robert Huff with 5 solos each.

The Tigers will be in Clarksdale Saturday for an inner-division contest with the Bulldogs of Coahoma. Coach Ward plans an extensive workout with the offensive unit before the Bulldog game. Game time is 7:30, Saturday in Clarksdale.

NICE CATCH—Northeast's Robert Huff (6) grabs the ball here against Co-Lin in last Thursday JUCO action at Tiger Stadium. Huff aided the Tigers in a 16-6 win on their opening game of the season.

WATCHES THE ACTION—Northeast Mississippi Junior College head football coach Bill Ward, left, watches the action here in the right photo where Tiger defenseman David Cooper grabs this Co-Lin Player and brings him to the ground. The Tigers dropped the Co-Lin squad 16-6 last Thursday night at Tiger Stadium.

Georgia Takes Slim Lead In SEC Race

BIRMINGHAM, AL (Sp)—Georgia tipped Tennessee 16-15 at Knoxville Saturday night to take a lead in the 1980 Southeastern Conference football race. National champion Alabama bopped Ga. Tech 26-3, cautious Kentucky contained Utah State 17-10 and restructured Mississippi State nipped up Memphis State, 34-7, as the SEC opened its season. Ole Miss lost to Texas A&M, 23-20, and LSU was beaten 16-0 by Fla. State to make this first week's record against teams outside the league, 3-2.

Three SEC teams open this week Auburn, rated chief challenger to Alabama's current string of three straight championships by the "Sky Writers," plays TCU of the Southwest Conference at Fort Worth Saturday night.

Florida, in the second year of a rebuilding program, meets California of the Pacific Ten at Tampa, and Vanderbilt, attempting to regain past prestige, faces Maryland at College Park, both games in the afternoon.

Six of the seven who played last week go again Saturday, all except Alabama, mostly against top-rated teams around the country. They include current Rose Bowl and Orange Bowl champions.

Tennessee hosts Rose Bowl Southern Cal of the Pac-Ten and Kentucky challenges Orange Bowl Oklahoma of the Big Eight at Norman. Georgia hosts Texas A&M of the SWC and LSU hosts another Big-8 team, Kansas State. Ole Miss has intensive rival Memphis State down to Oxford and Miss. State has Louisiana Tech of the Southland Conference up to Starkville.

No SEC games are being telecast by ABC-TV this week, but two are being filmed by ESPN for delayed cable viewing, Tennessee vs. Southern Cal and Florida vs. California. Tenn-USC, with Jim Simpson and Bud Wilkinson describing the action, will be on the cable Sunday at 8:00 p.m.

McGlaun's Feet Aids 38-0 Saltillo Romp

Harold McGlaun, a fiery speedster ran ragged here Thursday night and led Saltillo's Tigers to a 38-0 romp over Booneville's Blue Devils in a fierce Tombigbee Conference matchup held at Saltillo.

The Devils played last year's Tombigbee Conference champions tooth and nail for the first two frames at Saltillo, led by McGlaun heroics, took charge midway and scored everytime they had the ball through the first three frames. McGlaun, just one of the Tigers who had a good night,

was almost unstoppable. The way he came off the line was almost astonishing, some observers said.

The Tiger speedster carried the ball some 10 times and picked up 162 yards for the night's work. He scored his first of three touchdowns on the night on the first possession drive of the Tigers. Capping off a 92 yard drive, McGlaun sprinted the last two yards to give the Tigers their first lead of the night. Gary Moore booted the point after and Saltillo took the lead to stay at 7-0. Saltillo took over where they left off in the second quarter when, at a late stage

in the second frame, the Tigers reached paydirt again. This time McGlaun showed out. Just before the scoring burst, he scooted 22 yards to give the Tigers a first down and just a minute later, the sparkler sprinted 37 yards to paydirt for the second score of the night. The Tigers then scored a two point conversion to up the margin to 15-0 which stood through the first half.

Then came the longest (at least it seemed that way) third quarter in the history of high school football. Saltillo completely dominated this frame and coasted from here to victory.

On the first possession in the second half Saltillo marched 56 yards in just four plays with McGlaun adding his third tally of the night on a 46 yard sprint.

In the same period the Tigers scored a field goal (a 32 yarder from Gary Moore) and then after recovering a fumble on the 20 yard line Saltillo scored again with Arlandors McKinney scoring on a 13 yard sprint. If this story sounds one sided it's because Saltillo completely dominated the third period of play.

Saltillo scored again, this time with a different offense when fullback Greg Rogers

capped off a 32 yard march with a one yard plunge for the score.

There was a bright spot in all of this for the Devils. The troop did indeed move the football against the Tigers but the powerful Tiger defense proved to be the deciding factor in the outcome of the game.

Blue Devil quarterback Greg Oakley look somewhat impressive in his first start as a Devil leader. Oakley went most of the way with reserve Jeff Harrington relieving him some.

Back Brad Miller was the workhorse for the Devils as expected and needless to say had a busy night.

Curlee stated before last Thursday's outing that his defensive secondary was one of the weakest parts of the Devil brigade. Put that to a very powerful offense possessed by Saltillo and you tend to have the outcome similar to this ballgame. The Devils have yet another test tomorrow night

(Friday) when they host Baldwin's Bearcats at Northeast's Tiger Stadium. Baldwin, after beating

luka last week, will be gunning for the men in Blue in going along with the rivalry between these two

ballclubs. A 7:30 kickoff will start the action. Make your plans to attend this game...

'Devils, Bearcats Meet For 46th Time Friday

At 7:30 tomorrow night, Booneville's Blue Devils will meet Baldwin's Bearcats for the 46th time in the rivalry series that dates all the way back to 1919.

Since that time (the best that our records show) the Bearcats hold an edge winning 26 to Booneville's 16 while there have been three ties.

At home, The Devils are tied with the Bearcats winning 10 and losing 10 along with two ties.

The Bearcats are also working on a three game winning streak. In 1978 the Bearcats knocked off the Devils 7-6 in a thriller while last year Baldwin's troop rolled over the men with the horns 27-0.

The Booneville-Baldwin game is one of the oldest football rivalries in Northeast Ms. The first recorded meeting was in

1919 here in Booneville, when the local team lost to the Bearcats or whatever their name was back then, 30-0.

For some reason both the 1936 and the 1937 games were played at Baldwin. Booneville lost both games by large scores.

Speaking of large scores, the most points scored in the series since 1934 was in 1958 when the Baldwin game was homecoming at BHS! The devils routed the bearcats by the large score of 59-6. Bill Ward was the BHS coach, and the report was that he did not substitute a man until late in the fourth quarter... that was the first Booneville win since 1949. The most points scored by the Bearcats at Booneville was their 36-6 win in 1950. It was also homecoming for Booneville. The most unusual thing to

happen in a Booneville-Baldwin game played at Booneville was in 1970 at Tiger stadium. One of the Blue Devil backs was in the clear for a touchdown and as he passed the Bearcat bench, one of the players got so excited that he went on the field and made the tackle. It was plays later before the officials realized what had happened. There was nothing they could do. The game ended in a 12-12 tie.

The largest crowd and one of the most exciting games was played on Wednesday night, November 20, 1940. It was the first night meeting between the Prentiss County rivals. 2500 showed up. After playing a scoreless game for 3 quarters and with less than five minutes left in the game, Spain scored for the Bearcats. It ended Baldwin 7, Booneville 0.

As far as the coaching

records vs. Baldwin, Coach Hale won in 1934 and it was a scoreless tie in 1934. Coach Pyle who was here from 1935 until 1941 won 2 and lost 5. Coach J.P. Box (1942-1951) came out with 5 wins and 5 over Baldwin (5) 1946-1949. Coach J.M. Curlee was not able to beat Baldwin his two years as BHS coach but he did tie the 'cats in 1952. Bill Ward (1954-1960) came out with 3 losses. He holds the Booneville Hi record for consecutive wins against 3 on the lost side. Doug Herbert (1961-1964) did not beat Baldwin during his tenure. Jim Drewry was Coach at Booneville longer than anyone else and won more games. With the Bearcats he won 6, lost 6 and tied one

The current BHS Coach Mac Curlee is 0-2 against the Bearcats while at the BHS helm

TROPHIES PRESENTED—(Carl Barker (right), hospital administrator, presents trophies to some members of the NEMH girls' softball team (from left) Coach Iyanda Horton, Debbie Ricks, Velma Spencer, and Judy Ramey.

“Perfect” Season.. NEMH Team Honored

Because of their “perfect” season, the members and coaches of the Northeast Mississippi Hospital's girls' softball team were recently presented trophies for their participation with the team.

Carl Baker, NEM Hospital Administrator, told the group that prior to coming to Booneville, he had been associated with several civic athletic groups, but that he had never witnessed a group that displayed a more positive attitude than the members of the NEMH team.

Although the team went through the 1980 season without winning a game, Barker reported that the team stuck together and, following the last game, they had a meeting during which they

displayed a positive attitude toward their record and anxiety toward future seasons. Often, Barber said, a team with such a losing record will disband before the season is complete.

Members of the team were: Pat Childers, L.P.N.; Margie Hurt, R.N.; Helon Winfield, N.A.; Barbara James, L.P.N.; Judy Ramey, R.N.; Debbie Ricks, R.N.; Barbara Hester, R.N.; Brenda Guin, R.N.; Cathy Barnes; Sherry McCauley, N.A.; Janice Mitchell, A.R.T.; Pam Johnson, P.T. Asst.; Shirley Cole, Lab.; Cindy Bishop, Dietary; Beth Pharr, L.P.N.; Velma Spencer, X-ray Tech.; and Rannah Carr, Lab.

Coaches were Tony Burcham and Iyanda Horton, Radiology.

Strick ‘Lee’ Speaking

By LEE GENTRY
Sports Editor

Opening games are for the pits...A cute suggestion would be to do away with the first game of all the schedules and this would eliminate opening night gitters.

Of course when you find a way to do that then let me know.

Several teams around the area I'm sure would like to forget about their opening night contest. Booneville's Blue Devils I'm sure want to do just that.

When you get beat by a point, you talk about how easily you could have won it. When you get beat by 10 points you talk about how the offense or defense blew the

game but when you get beat 38-0 than you forget about it and start preparing for next week's game.

This is what coach Mac Curlee's squad is doing this week. Believe me good things are going to happen for the Devils this season.

The Devils showed some class by refusing to die and trying their best to come back against a team that would have to be considered one of the best in North Mississippi.

You ask how can a team look good when they get beat that badly? Well for one thing it could have been 60-0, and for another thing with just a break or two here and there the game could have been much closer. “I said closer...”

By viewing the field situations, one can plainly see that the 1980 Devils have some talent. They are young and inexperienced and it's just going to take a while before they really get things cranked into gear.

OOPS WE GOOFED

In last week football section we made an error on the BHS Cheerleader group shot. Kathy Williams and Rebecca Perry's names were switched. So if you see them walking down the street, remember Kathy is Kathy and Rebecca is Rebecca. The girls didn't ask for this correction to be made but I felt like this was only the fair thing to do...

THIS WEEKS PICKS

As you can see this week's paper is loaded with prognosticators and surely some of us will have an impressive week. But don't bet on it.

Baldwyn at Booneville—Rivalry game. The Devils will improve from a week ago and hopefully bounce back. The Devils offense is just as good as Baldwyn's and Baldwyn's defense might be a shade better. But given the home field advantage I've gotta go with Booneville. Devils by 3.

SALTILLO AT RIPLEY—What a game. One of the best games in the state this week. A tossup by all means. I've seen Saltillo and I haven't Ripley. Saltillo by 4.

NORTHEAST AT COAHOMA—Tigers can't be stopped now. NE by 12.

IJC at EAST MS.—Mike Eaton's bunch is too tough for the Scooba boys. IJC by 14.

MEMPHIS STATE AT OLE MISS—Rebels will show the hometown folks what their offense is made of. Ole Miss by 18.

LA. TECH AT STATE—Louisiana who? State by 20.

TEXAS A& M AT GEORGIA—Aggies have a good punch but you can't beat Georgia between the hedges. Georgia by 7.

USC at TENNESSEE—Vols should have won last week. They'll find the going rough against the powerhouse. USC by 10.

TULANE AT STANFORD—Green Wave are mad at USM. They'll beat Stanford. Tulane by 6.

COLORADO AT UCLA—Buffs are too much for Bruins. Colorado by 10.

TILL NEXT WEEK

POWER DRIVE—Northeast runningback Anthony Norman (34) drives through the Co-Lin defense here as teammates Walt Walton (68) Anthony Spurgeon (60) and Marty Barnes (86) lead the way.

SEC Briefs

Ole Miss, against Texas A&M, threw more passes than any other SEC team, 33, completed the most, 16, for the most yards, 219, and most touchdowns, 2. Tennessee connected best, 75 percent on 15 of 20 on Georgia, for 186 yards. Miss. State threw 22 without interception, Tennessee 20 and Georgia 11.

Miss. State Leads
SEC In Total
Offense and Defense

Miss. State gained 393 yards rushing and passing while holding Memphis State to 136 to lead the SEC in total offense and total defense. Nationally the Bulldogs are No. 3 in total defense (yardage) and No. 9 in scoring defense.

THANKS—Judy Ramey (left), a representative of the NEMH girls' softball team, recently presented a plaque of appreciation to representatives of the hospital medical staff (from left) Dr. Paul Ellzey, Dr. Webster Cleveland, Dr. Joseph Hurst, Dr. William Preston and Dr. Sam Galloway. The team expressed their appreciation for the staff's support, part of which was providing the team with uniforms.

Fearless Fred's Football Forecats

I'm embarrassed!

Not since Halloween night of 1959 when LSU's Billy Cannon upset the Ole Miss Rebels with a shocking punt return in Heartbreak Holler have I missed three games in one week! And the only consolation then was the decisive walloping Ole Miss gave the Tigers in the Sugar Bowl rematch.

Bigbee Recap

Ripley 20
New Albany 0

Ace Tombigbee Conference runningback Phillip McDonald raced for 148 yards and two touchdowns to lead Ripley's Tigers to a 20-0 romp over last year's Little Ten Champions New Albany's Bulldogs.

The Tigers added two scores in the opening and a single tally in the final two frames to post their opening win of the season on their way to the Bigbee Title.

Kossuth 54
Alcorn Central 0

In the week of the half-backs, Kossuth's Rufus Patton scored four touchdowns and rushed for 137 yards to lead the powerful James Drewry driven Kossuth Aggies to a 54-0 romp over Alcorn Central's Golden Bears.

The Aggies scored 28 points in the first half and followed with 16 more in the final two frames to post the win.

One of the touchdown tallies came on a 31 yard scoring combination with Aggie signal caller Teddy Hinton connecting with Barry Drewry coach

Drewry's son) in the second quarter.

Shannon 45
Okolona 6

Starting with a 42 yard sprint on the third possession of the game, Shannon's Red Raiders easily defeated Okolona's Chieftans 45-6 in yet another romp on this week's opening.

Oddly enough the Red Raiders scored twice more in succession on the next two plays of the first quarter and went on from there to take an easy win over the Chieftans.

Baldwyn 26
Iuka 0

In yet another shutout on the first week of the schedule, the Bearcats Carl Hall who scored two touchdowns and rushed for 140 plus yards, led Baldwyn's Bearcats to an easy 26-0 shutout over Iuka's Chieftans in Tombigbee Conference action at Baldwyn's Latimer Park.

Mark McCreary added a four yard run and Pat Young scored on a 19 yard sprint to account for the Bearcat scoring.

Well, I can't have a rematch with those three games last week, so I went right at the source of the problem to get things straightened out.

TVA Chairman David Freeman was out of town when I flew to Knoxville Monday, but director Bob Clement told me on the phone that he would see the problem was taken care of.

But I still have reservations. Clement is the son of an ex-Tennessee governor and could very easily stack the kilowatts in favor of the Vols, Memphis State, and Vanderbilt. But that's a chance I'll have to take.

Booneville 13, Baldwyn 6. This is the week the Blue Devils start to surprise some of their skeptics. All they need to do is play an entire game like they played the first quarter last week.

Ripley 19, Saltillo 12. Ripley put too much into last week's victory to start losing now.

Okolona 26, Iuka 14. 'Nuf said.

Northeast 28, Cohoma 7. Com'on Tigers! You've got it going your way. Don't ease up and lose it in the second half.

IJC 14, East Mississippi 13. I can't really get a line on these teams, but my scouts tell me the IJC cheerleaders are pretty enough to cause East Mississippi to miss a PAT.

Mississippi State 39, Louisiana Tech 12. The offense gets another workout in preparation for its SEC slate.

Georgia 24, Texas A&M 14. A&M can't play defense the way the Vols play it.

Tennessee 13, USC 10. The PAC 10 learned their lesson years ago and barred Southeastern teams from the Rose Bowl by signing an agreement with the Big 2 and Little 8. But it's been a long time and they have forgotten that Southeastern teams do it better.

Tulane 14, Stanford 10. Ex-SEC teams know how to put it on the PAC 10, too.

UCLA 20, Colorado 14. The Bruins pick on a team closer to home.

Florida 14, California 0. This is not the Year of the Gator, but they're good enough to take the Golden Bears.

And now for the big shocker of the week. Don't forget that nobody else had the courage to predict publicly that Kentucky will go to the home field of the Oklahoma Sooners and out-field goal them by a score of 9 to 3. Sorry Barry. You just can't fumble that many times against even a second division SEC team and come out on top.

Legal Notice

IN RE: THE MATTER OF
LEVYING COUNTY AD-
VALOREM TAXES FOR THE
CURRENT FISCAL YEAR, 1980-
1981, INCLUDING ROAD
DISTRICTS, SCHOOL DISTRICTS
AND ANY OTHER TAXING
DISTRICTS

There came on for hearing and determination by the Board of Supervisors of Prentiss County, Mississippi, on this 2nd day of September, 1980, the matter of levying the Ad-Valorem Taxes for the fiscal year 1980-1981, beginning October 1, 1980, for the County, for the Road Districts, for the School Districts and for all other taxing Districts, and fixing the tax levy or rate, for the County and the Districts as stated, in accordance with the provisions of Section 27-39-317 of the Mississippi Code of 1972, and other laws relative to said matters; and the Board having fully and carefully considered the needs and requirements of the various funds of the County, and of the said Districts and the rate, or levies, which are required to produce the revenue necessary to meet said needs, the budget was made, fixed and is hereby approved by this Board, as required by law; and it having been ascertained that the maintenance levies for the various school districts, and the county-wide school maintenance levy, are supported by proper and necessary petitions as required by law and by proper certificates from the State Department of Education; and

It appearing that the tax rates, or levies, for the County and the several County purposes, the Road Districts, the School Districts and other taxing Districts are necessary in order to raise the funds required to meet the expenses of the County of said taxing districts for said fiscal year.

IT IS, THEREFORE, ORDERED AND ADJUDGED by the Board of Supervisors of Prentiss County, Mississippi, that the following imposed and tax rates, or levies, be and the same hereby are imposed and levied for the fiscal year 1980-1981 upon the assessed value of all taxable property in Prentiss County, State of Mississippi, and in respective Road Districts, School Districts, and all other taxing districts in Prentiss County, Mississippi, as of the property is now assessed and listed, or as may hereinafter be assessed and levied upon assessment rolls of the said County as of January 1, 1980, (except property subject to State Taxes only, and except the exempted assessed value of homes to the extent exemption by the "HOMESTEAD EXEMPTION ACT OF 1946") the said rates, expressed in mills or a decimal fraction of a mill, being levied and imposed upon each dollar of assessment valuation appearing upon the assessment rolls of said County as aforesaid, for the following funds and purposes, and when the money is collected, it shall be credited to the respective funds as provided by law.

SECTION 1. There is hereby levied upon each dollar of assessed valuation of the County (except values subject to State Taxes only) for county-wide purposes as follows:

MUW To Host State Miss Teen Ager Pageant

COLUMBUS—Young women between the ages of 13-18 are eligible to participate in the 10th annual Miss Mississippi National Teen-Ager Pageant coming up this spring at Mississippi University for Women.

Teens interested in participating in the pageant should contact Mrs. Billie McLarty, 121 Boxwood Drive, Franklin, Tenn. 37064, or telephone (615) 373-8456.

The pageant will be held at MUW March 21.

Contestants are judged on scholastic achievement, leadership, posie, personality and appearance. There is no talent or swimsuit competition.

The pageant hosted by The W is the official state preliminary to the Miss National Teen-Ager Pageant, which will be held in Ft. Myers, Fla., in August

1981. The Mississippi winner will compete against representatives of the 49 other states, the District of Columbia and Puerto Rico. The Mississippi delegate to the national pageant will receive a \$1,000 U.S. Savings Bond, an all-expense-paid trip to the national finals, a modeling course scholarship from Barbizon and other prizes.

The state pageant will also award scholarships in essay competition for outstanding citizenship and to Miss Congeniality. Sharon McLarty of Amory, 1973 Miss National Teen-Ager and a graduate of MUW, was television hostess for the nationally syndicated National Teen-Ager Pageant.

Cards Of Thanks

We want to thank each of you who visited, sent flowers, food and for all the nice things you did during the sickness and death of our loved one. We especially want to thank everyone at the Aletha Lodge for being so nice. We would also take this opportunity to thank Dr. Galloway.

The flower cards were misplaced therefore; we will not be able to send thank you cards to you individually but we want you to know how much we love and appreciate each of you.

The Family of John T. Hughes

Lex Cain Named VoTech Employer Of The Week

The Business and Office Department at the Prentiss County Vo-Tech School this week spotlights Lex Cain, County Superintendent of Education, and his student-employee, Vickie Leigh Dodds from Booneville High School, and a part of Booneville and Prentiss County's Cooperative Vocational Office Training Program.

Cain has served as Prentiss County Superintendent of Education since January 1971, and has been in the education field for 28 years--as teacher, coach, assistant school principal, and as county superintendent of education.

He coached basketball, football, and baseball for many years. While he was

basketball coach at Thrasher High School, his team won the state championship one year, and went to the state tournament five others.

Cain received his education at Northeast Mississippi Junior College in Booneville and at Bethel College in McKenzie, Tenn., both of which awarded him a basketball scholarship. He received his masters degree in guidance and school administration from Mississippi State University.

He is a strong supporter of public education, and belongs to numerous professional organizations, including the Mississippi Association of School Administrators and the

Advertising Course Offered By Northeast

The Division of Vocational-Technical Education at Northeast Mississippi Junior College will conduct registration for "Advertising for the Small Business" Monday, Sept. 15, at 6 p.m. in Room 306 of Waller Technical Center. Tuition is \$35 per person.

Designed to meet one night per week for 14 weeks, the class includes both lecture and laboratory teaching methods. Course topics include Reaching and Influencing People, words that Sell, Designing the Printed Ad, Direct Mail and the Broadcast Media, Sales Promotion Methods, and Planning and Evaluation.

Participants who com-

plete the course successfully will receive a certificate designating Continuing Education Units from Northeast Junior College.

At the conclusion of the 56-hour course, the student should be able to understand the terms advertising, promotion, publicity, and marketing; to know the basic parts of a printed advertisement; to be able to lay out an advertisement; to identify the differences in media formats; and to plan, organize, and implement an advertising campaign.

For additional information or to pre-register contact Fred Blalack on the Northeast campus by calling 728-7751, or toll free 1-728-7759.

Perseverance

Members of 4-H compete in elections, contests, shows and other activities. One life skill that is learned through this process is perseverance. This is more often a result of losing than of winning.

We hope this thought will help defeat the discouragement that often results from placing somewhere other than first.

It's a rare person who doesn't get discouraged. Whether it happens to us or to an associate we're trying to cheer up, the answer centers around one word: perseverance.

The value of courage, persistence and perseverance has rarely been illustrated more convincingly than in the life story of this man (his age appears in the column on the right):

When it rains it pours as the "Ole saying." I had too many places and things to do to get around. I just did the things coming first.

Some of us visited White Girl in Tupelo hospital this week. She came home Monday. Hauler, you can Cottonkeep the cooking and washing done where she can recover real soon.

The Viking C.B. Club had a nice coffee break Saturday, we brought back a trophy for the largest club in state attending.

The Junior C.B. Club will have a car-wash at Larry's Upholstery Shop Saturday and the price will be \$3.

We heard Charley was getting her beams up Saturday, so be listening.. She will be talking up our way.

Everybody must have

forgotten our social Saturday night. The ones that were there had a lot of food and a good time.

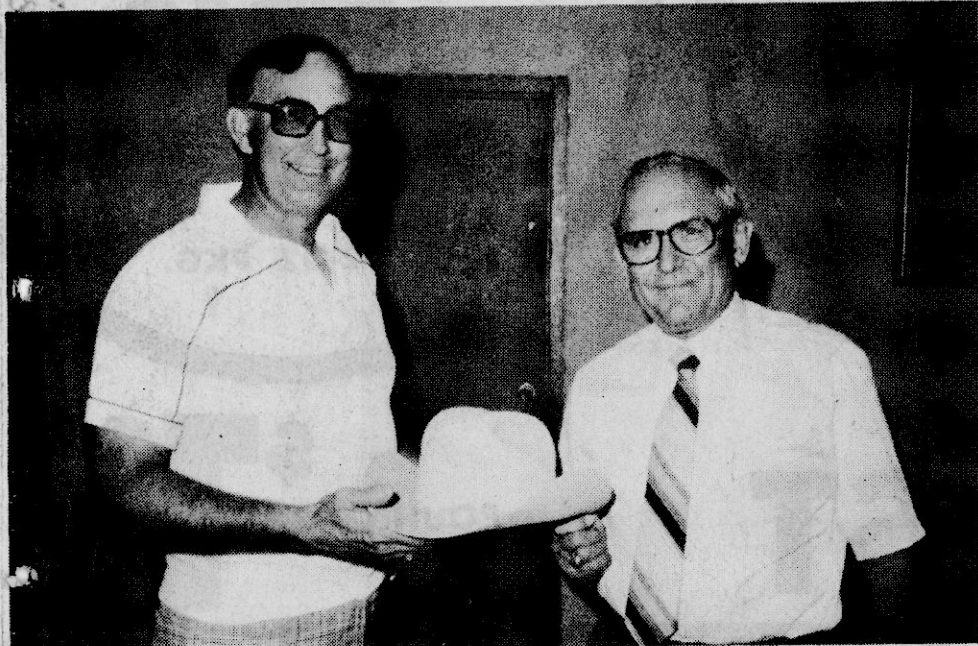

White girl, I hear you got one-gif you won't model for us-- and wouldn't even show it!

My brother "the Long tall Texas" in El Paso, Richmond Brackeen, had surgery last Friday but is doing real good. Get well soon, Bud. They get our paper, even if it is on Monday.

Side Kick is still on the sick list. Ole Blue has had pneumonia. Lady Q's report. won't be back for a week or two. Some of the other's I have not got a report on.

Maybe if and when our weather gets cooler, everybody will feel better.

Officers, don't forget our meeting Thursday night at 7:30. I do not know as of now where the meeting will be.

IN APPRECIATION—Jim Archer (right), retired 4-H Youth Agent, accepts a new hat from Dalton Garner, Prentiss County Soil and Water District Commissioner, at the District Board's September meeting. Archer was honored with the award for providing over 27 years of dedicated service to the Youth of Prentiss County and for this unselfish service to the community as a whole. The commissioners also announced establishment of the "Jim Archer Conservation Award" to be presented annually to the 4-H club member doing outstanding work in Soil and Water Conservation Projects.

Leadership Course Offered On Cable TV By Northeast

The Appalachian Community Service Network, in cooperation with The Northeast Mississippi Junior College, will conduct registration Monday, Sept. 15, at 6 p.m. in Room 58 of Hines Hall for a telecourse

in "Orangizational Transactions."

Developed by Professional Development Inc., the six-weeks course explores why people act the way they do in organizational life. It demonstrates practical and sound approaches to developing leadership potential, and enhances managerial skills and appropriate management style. It offers an easily understood theory of human and corporate behavior, and provides a practical blueprint for leadership training in the area of change, stress and conflict management.

Each participant will receive a Certificate of

Completion from Professional Development Inc., and a CEU (Continuing Education Units) Certificate from The Northeast Mississippi Junior College for 20 contact hours.

Each class session will feature a 30-minute videotaped program supplemented by classroom discussions, small group activities, role-playing, etc. The cost of the course is \$40 per person, which includes all materials.

For additional information or to pre-register, contact Opal Melvin ACSN Site Coordinator on the Northeast Campus, by calling 728-7751 or toll free 1-728-7759, ext. 231.

All Motorists Must Stop For School Buses

Booneville Arrest Report

With the new school year getting underway throughout Mississippi, nearly 365,000 children are being transported daily in chrome-yellow buses on streets and highways across the State.

Because of a law governing the transporting of school children, the buses will be traveling on city streets in addition to county roads and highways.

Donald Butler, chief of the

the buses are loading and unloading at residences.

Chief Butler said, "Stopping for a school bus may cause drivers to lose a little time since they are usually traveling during the peak hours each morning, but the loss of time cannot even be measured when it relates to driving a 4,000 pound automobile into a group of innocent children."

The chief said that school

buses are required to stop at railroad crossings and motorists should use caution when following a bus approaching crossings.

The 5,600 bus drivers and substitute drivers who travel approximately 211,000 miles per day are required to be professionally trained and are certified by the State Department of Education.

The Booneville Police Department has reported a total of 33 arrests for the one-week period of Sept. 1-7.

Charges filed during that period include: family disturbance, 3; public drunkenness, 4; no driver's license, 2; no tag, 4; improper lights and equipment, 1; warrant, 2; shoplifting, 1; improper passing, 3; speeding, 2; destroying private property, 1;

September Is
Pasture Month

"Whereas, an abundant supply of forage from Mississippi's 4½ million acres of forage crops is vital to the production of quality meat, milk and milk products for our State, Nation and the world," ...is the way a proclamation signed by Gov. Winter recently proclaiming September as "Pasture Improvement Month" begins.

Bowmar Virden Jr., Hinds

County farmer and chairman of the Mississippi Association of Conservation Districts' (MACD) pastureland committee, says interest is being placed on pasture management and development during this month.

"There is always room for improvement in our pasture program," Virden said. The high cost of fertilizer coupled with the mid-summer dry spell has caused many producers to put off needed pasture maintenance jobs. Also, several thousand acres have been plowed up and put into soybeans.

Many Hidden Costs In Federal Regulations

By ED BLAKE
Mississippi Farm Bureau
Federation

agencies.

Much of the shadow boxing taking place in millions of American households these days as typical families seek to balance family budgets is a result of a phantom but very real enemy in the form of taxation by regulation.

It is hard to strike a real blow at this rival for earnings because he is here, yon and everywhere.

In a speech to farm leaders in Chicago recently however, Alan Reynolds, vice president of the First National Bank of Chicago, held this grim specter in perspective long enough to issue a warning that Americans today are paying a huge unlegislated tax imposed by regulatory

Reynolds pointed out that today there are some 87 federal regulatory agencies with about two dozen of them created since 1970. These agencies employ over 100,000 people, and their runaway expansion can be gauged by the fact that the Federal Register, the book of federal regulations, has tripled in size since 1970—from 20,000 to 65,600 pages.

The percentage of the nation's productive population segment subject to comprehensive federal regulation has grown from seven to 30 percent. And in recent years the agencies dealing with safety, health, and environmental matters have grown to encompass virtually every economic and many social activities.

The cost of regulation is

widespread, sapping costs from many angles.

First, there is the obvious direct cost burden on taxpayers for the administrative expenses incurred by the growing agencies themselves. The 27 largest regulatory agencies already have escalated their budgets from \$1.6 billion in 1970 to \$7 billion in 1977.

The regulatory activities of USDA alone will cost taxpayers \$830 million next year for an increase of 164 percent in five years.

A second cost of regulation is the paperwork burden on business. The cost of filling out about 4,400 forms is no small item in terms of employee wages and printing expenses. The Commission on Federal Paperwork estimated the cost of filling out federal forms as up to \$32 billion for

private industry and \$350 more for agriculture.

But the biggest cost is that of compliance to regulations.

The Commerce Department figures show that pollution control expenditures alone cost business and consumers \$22 billion in 1976. One effort to cover the entire field of regulatory compliance cost by Robert DeFina of Washington University resulted in a probable \$62 billion cost estimate for 1976. Calculations by the Ford Administration were twice that large. Since then, inflation and growth of regulations have made the cost today probably in the

\$100 billion range annually.

A more subtle burden is created by risks involved in regulations. By this it is meant the danger to a long-term investment project that is legal and profitable when undertaken but which may be rendered illegal or uneconomic by a change in regulations.

Whimsical, erratic changes in the basic rules of the game thus have a paralyzing effect on long-term investments—a problem compounded by regulators' apparent personal stance to be overly cautious.

Red tape has a way of snarling productivity. The

Commerce Department has published a study showing recent changes in just two types of regulation—environmental and occupational safety—have reduced the growth of productivity by a third of a percentage point. Since productivity has been rising

only by about 1½ percent a year over the past decade, a third of a point loss created by only these two agencies is significant.

One answer to the problem is to make government agencies accountable for the costs they impose on consumers.

Mississippi Senator Thad Cochran has suggested that the agencies might be cut off at the pass and harnessed if Congress itself requires cost

impact studies to accompany future legislation. That suggestion appears to have considerable merit.

My local ad salesman tells me: I cram too many items in my ads. I think she is just trying to make her work easier, but I guess you'll take her side. I just want my money's worth.

Dear WMMW: You mixed your genders, I think, and after a recent spanking for sexism, I found your query distracting.

To be specific, I know what you were saying, but something about it kept me from getting the full and true message.

And to reiterate the point your salesperson was trying to make with you—a simple point can be missed if the message is presented in a confusing manner.

This confession can come from too much in an ad, or from a number of other pitfalls.

Your ad rep is obviously trying to do a good job for you and feels your restrictions on space is jeopardizing her efforts, so to get the full benefit of her ability you need to loosen up—give her more space or reduce the number of items and see if her advice is valid.

One observation should be made—a crowded ad indicates a crowded store—if this

is the image you want to create for your store, stick to your guns.

But, if you have made a conscious effort to widen aisles and make your merchandise more visible, do the same with your ads.

White space in ads is like floor space in your store—you need it to sell.

As I don't know the exact facts and data of your situation I must deal in generalities. Therefore I recommend that you give your ad salesperson the go ahead to do it her way for a few weeks.

See what she can do, and then decide on the answer.

Your decision to advertise represents a major investment in the future of your business.

Don't jeopardize your future by allowing a few inches of white space to stand between success and failure.

School bells are ringing again. When you're driving, remember to watch for school zones and obey traffic laws. Drive especially carefully when children are walking along streets or roads and when school buses are stopped.

South Central Bell works with Mississippi schools by providing free films, simulation games, and other communications learning tools. Our programs are designed to encourage student participation and self-discovery.

For grade school students, exciting new teletraining activities stimulate career awareness while complementing math, social studies, economics, language arts, and science classes.

For older students—including those in college—practical programs focus students' attention on the world of work and getting ready for it. Students explore a variety of jobs, including jobs in communications.

For more information about our free Aids to Education, contact the Educational Representative in your area by calling your local South Central Bell Residence Service Center.

South Central Bell has great long distance rates. You can get great savings by choosing your times to call and by dialing the One-Plus* way.

One-Plus rates between 5 and 11 p.m. Sunday through Friday are 35 percent** cheaper than regular weekday rates. When you dial One-Plus calls from 11 p.m. at night until 8 a.m. the next morning, all day Saturday, or Sunday until 5 p.m., you save 60 percent** over weekday rates.

So go ahead and reach out. Enjoy more visits by long distance... and save when rates are great.

* One-Plus rates do not apply to Zero-Plus dialed calls, operator-handled calls, coin telephone calls, calls from a hotel or motel, or calls to Alaska or Hawaii.

** On One-Plus calls, discounts apply to total charges. On operator-assisted calls, discounts apply only to additional minute charges.

Make good things happen fast
... by long distance.

THOUGHT FOR THE WEEK

Training A Child

By C. D. Edge

Train Up A Child In The Way He Should Go: And When he Is Old, He Will Not Depart From It... Prov. 22:6

A church member smiled, when a young mother took her three-week-old son to church, so that he would always be in the habit of going to church. Forty years later, when that member saw him assisting in the Communion, his mothers words were remembered. When a thoughtful child was asked why a certain tree in the garden was crooked, he answered, I suppose somebody must have stepped on it when it was a little fellow. We need to be careful about stepping on little fellows. It is claimed that training is a greater factor than heredity in character development. However that may be, it is a primary duty of parents to train children. Someday God will ask us-WHERE IS THE FLOCK THAT WAS GIVEN THEE, THY BEAUTIFUL FLOCK? JEER. 13:20 The governor of one of our states declared a few years ago that the average age of the

inmates of the State Prison was less than twenty-one. These, he said, are not good men fallen after good training, but mostly young men who never were trained. The Bible command is, BRING THEM (your children) UP IN THE NUTURE AND ADMONITION OF THE LORD. EPH. 6:4. Things of God are to be taught diligently to our children. We are to talk of them in the house and out of doors and everywhere, read Deut. 6:7-9. In order to train a child the right way, we must ask God-HOW SHALL WE ORDER THE CHILD, AND HOW SHALL WE DO UNTO HIM? JUDGES 13:20. Our Lord will answer and help. Because of what you do will your child be able to say one day-O GOD, THOU HAST TAUGHT ME FROM MY YOUTH: AND HITHER TO HAVE I DECLARED THY WONDROUS WORKS -PSALMS 71:17.

Everyday Prices!

Now at WAREHOUSE... direct buying saves you more! We buy in quantity direct from the factory, eliminating the middleman and the cost of extra handling. We buy for less so we can sell for less. That's how we give you storewide EVERYDAY LOW PRICES. We pass the savings along to you! Why pay more?

NO-FRILLS MARK-IT

Our No-FRILLS MARK-IT section... the answer to high food costs! First, we cut out the frills and eliminate the high expense of national advertising to bring you our NO-FRILLS line of non-branded products. Then we cut our overhead: when you take out an item out of the case and mark the price yourself, handling costs go down. And we pass the savings along to you.

SAVE by the CAN...SAVE MORE by the CASE! WAREHOUSE PRICES TO EVERYONE!

TOP FRESH PRODUCE

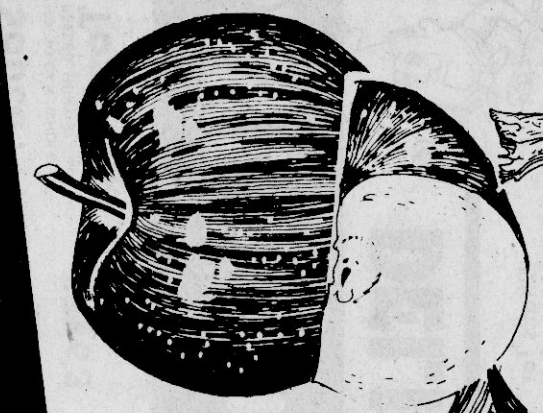

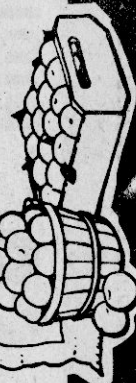

We proudly feature TOP FRESH PRODUCE. When it comes to produce, it's the closest thing to perfect. Only the finest, tastiest, premium quality fruits and vegetables, carefully selected to meet the most exacting standards for freshness, flavor, color, texture, and shape. With TOP FRESH, we give you our best.

NO-FRILLS PRODUCE

Now...especially for thrifty shoppers...NO-FRILLS non-branded produce! Wholesome, good-tasting "everyday" quality packaged in plain black-and-white, for significant savings. When you're feeding your family, who cares if the potatoes are different sizes or some carrots are broken? If you're looking for a way to balance your grocery budget, discover NO-FRILLS PRODUCE.

WAREHOUSE PAK PRODUCE

Need enough slaw and potato salad to feed a hungry cookout crowd? Enough apples and oranges to treat a kindergarten class? Buy 'em by the case! Churches, clubs, big families...anybody who needs a lot of fresh produce can buy it cheaper by the bushel, crate, or case!
