WINNING SPIRIT—Northeast Junior College Tiger quarterback Mike Steenson (above) reflects the feelings of most Northeast fans at last Thursday night's football game against Jones Junior College. Northeast made a dramatic last minute come-from-behind effort to beat Jones, ranked number one in South Mississippi. The victory was even sweeter for Northeast since Jones beat the Tigers twice last year. In a poll earlier this week, the Tigers, pre-season favorites in North Mississippi, were ranked in a tie with a Maryland junior college for 12th place in the nation. For further details, see the sports section in today's paper. (Photo by Ken Christian)

Glass Doors Shot

New Site School Hit By Vandals

A recent rash of vandalism at New Site High School has prompted school officials to begin work on a small house on campus so that someone can live there and look after the school when classes are not in session.

Principal Larry Morgan said the worst of the vandalism occurred Wednesday night of last week when someone put six bullet holes through the glass doors in the front of the school.

The bullets did not shatter the glass in the doors, Morgan said, they just put holes through it.

"We found the damage Thursday morning," he

said. "The glass held until we had it replaced Friday."

Morgan said he called the sheriff's office and a deputy came out to investigate, but the principal says he is doubtful if it is ever determined who did the shooting. "We haven't got any leads," he said. "They picked up their empty shells and everything."

One of the bullets that passed through the door and lodged in the back of a chair has been recovered, but it was in such condition that even the caliber of the gun could not be determined.

There had been other, more minor incidents of

Local Housing For The Handicapped

O.H.M. Receives H.U.D. Grant

In the near future, Booneville and Prentiss County will be almost \$300,000 richer, thanks to the efforts of a non-profit organization and a group of volunteer workers.

The Organization for Handicapped Mississippians (O.H.M.) recently received notification from Congressman Jamie Whitten's office that the organization has been approved by the Department of Housing and Urban Development for a fund reservation to build 10 rental living units for the handicapped in Booneville.

Mrs. Sarah Smith Cummings, president of O.H.M., said the fund reservation is for \$289,000, with an annual Section Eight rental supplement of more than \$32,000 for the units.

O.H.M. applied for the units last March after about one year of community and background work for the application.

"A HUD Section 202 application is one of the most difficult applications to

prepare, and to get it approved the first time is almost a miracle," Mrs. Cummings said. "We had a tremendously favorable response from Mayor Charles Crabb, attorney Gene Gifford, city per-

sonnel, various civic clubs and Chancery Clerk Phillip Cole when we asked them for advice and assistance."

O.H.M. hopes to begin construction of the units next spring if an approvable site can be found and the

technicalities can be worked out with HUD by that time. Sherry Bowen, secretary-treasurer of the organization and chairman of the site selection committee, said a lot of technical work has to

Hearing Set For Tuesday

City Sets Budget at \$1.32 Million

A hearing for public comment on the city's proposed \$1.32 million budget and the city's use of an expected \$120,000 in revenue sharing funds will be held Tuesday, Sept. 30, at 2 p.m. in the City Hall.

The proposed 1980-81 general fund budget for the city is up \$331,300 from the 1979-80 budget which was \$988,200. The increases in expenditures are blamed generally on inflation.

However, the city's sales tax revenues and police fines have also increased, adding to the city's revenue.

The city's millage rate is being reduced this year from 31 mills to 25 mills this year because of the retirement of some bond obligations, City Clerk June Hutcheson said this week.

However, the total millage rate for the city will be 50 mills, due to an additional 25 mills which will go to the city school system. But, city residents will not pay the 30 mills assessed by the county for the county school system.

This means that, for city residents, city taxes will

increase, but their county taxes will decrease. Since property is assessed differently by the city and the county, the increase in city taxes and the decrease in county taxes may not balance out.

Mayor Charles Crabb said each mill represents between \$10,000 and \$11,000 revenue for the city.

The city's proposed budget includes \$300,000 for the police department, \$230,000 for the fire department, \$305,000 for streets, \$75,000 for public

property, \$11,500 for Civil Defense, \$25,000 for city parks and \$93,500 for general administration.

The city expects to receive \$250,000 in property taxes, \$550,000 in sales taxes, \$22,000 from licenses and permits, \$50,000 from fines and penalties, \$20,000 from other governments and \$307,500 in miscellaneous income, as well as \$120,000 in federal revenue sharing funds.

The city school system is expected to receive about \$250,000 from their 25 mills of city funds.

Not Homesick Yet!

Japanese Student Likes BHS

By KEN CHRISTIAN
Editor

Anna, a senior at Booneville, is not your typical Mississippi high school student.

For one thing, she has a little trouble with the language, and for another, she is having to cope with a society that differs somewhat from that to which she is accustomed.

Anna Yamada is an exchange student from Japan-Yokohama, Japan, to be exact. (She says it is near Tokyo.)

Sixteen-year-old Anna arrived in Booneville on Sept. 5, enrolling in Booneville High School shortly thereafter.

She said this is not her first trip to the United States. She attended school for about one month in Pennsylvania two years ago in preparation for her year as an exchange student.

What does Anna consider the biggest difference between Booneville High School students and her schoolmates in Japan?

For one thing, she jokingly says Americans

are too big, indicating both height and width with her hands. Another thing she points out is that American girls like to talk about their boyfriends more than Japanese girls.

She said she does not have a boyfriend in Japan, and does not have one here either—yet. But she is hoping to find one.

Most of the schools in Japan are segregated into all girls and all-boys schools, she said. However, there are some coeducational schools, too, she added.

Anna was a cheerleader at a private all-girls school in Japan. But since coming to Booneville, she has become an avid supporter of Booneville High School.

She said the sports programs in Japan are different from what they are here. For one thing, the games usually consist of grade playing grade rather than school playing school. The highlight of the sports season is the sports festival which includes sporting events of all types.

REVIEWING THE RECORDS—Monta Arnold (left), RN, review coordinator, and Linda Chaffin (right), ART, director of the medical Record Department, review records as part of the PSRO procedure at the Northeast Mississippi Hospital.

Northeast Mississippi Hospital:

PSRO -- What Is It?

By MONTA ARNOLD, RN
Review Coordinator
Northeast Mississippi
Hospital

In order to treat federally financed patients such as Medicare or Medicaid patients, the Northeast Mississippi Hospital must meet many federal regulations, one of which is PSRO.

PSRO is an unfamiliar term to many people, including many hospital employees who are not directly involved in the program. PSRO is the abbreviation for Professional Standards Review Organization.

It was established in Mississippi in 1971 as a result of Public Law No. 92-603, with its main purpose being to improve medical care rendered to Mississippians. This federally funded organization is directed by a group of physicians and other medical personnel known as the Mississippi Foundation for Medical Care Inc., (MFMC) headquartered in Jackson, Miss.

In order to meet this regulation, each federally financed patient's record is reviewed the first working day following admission. A team composed of physicians and a review coordinator (usually a nurse) certifies each federal admission according to pre-established criteria. At periodic intervals during the hospital stay, the patient's medical record is again reviewed and length of stay extended according to this criteria. This review provides assurance that the care being rendered is necessary, appropriate and timely.

To be successful, the review process requires the cooperation of physicians, hospital administrator, review coordinator, director of medical records and the social service department.

Not only are charts reviewed concurrently, retrospective study is also required to assure optimum patient care. This retrospective review is a study of patient's records who have been discharged from the hospital and is known as the medical care

evaluation. These studies are conducted by an audit committee consisting of physicians and other health care professionals. The findings are used to maintain good patient care.

When a hospital demonstrates good patient care and a good review program, the MFMC grants binding review status which means that the in-hospital review is accepted as final and payment by Medicare or Medicaid will not be disallowed. Northeast Mississippi Hospital has been on binding review status since the implementation of the PSRO by maintaining an effective review program.

The effectiveness of our review program is closely monitored by daily reports to the Mississippi Foundation for Medical Care Inc. and also by periodic on-site visits by a team of reviewers from the Mississippi Foundation for Medical Care Inc. As a result of these reports and on-site visits NEMH has consistently received good reports from the MFMC.

be done before construction can begin.

A definite design has not yet been worked out, but, according to Miss Bowen, the units probably will be of row-type construction with congregate dining facilities.

Each apartment will also have private cooking and dining areas, she said.

All units will be especially equipped for handicapped persons and will be of very high quality construction, she added.

"HUD does not build cheap 202 handicapped facilities," Miss Bowen said. "There is some indication that additional funding can be obtained later either through HUD or other federal agencies."

An area for arts and crafts and recreation will be built into the facility. After the facility is established, supportive services and recreation can be obtained

for the residents through various federal agencies.

Miss Bowen said. Gerald Bennett, vice-president of O.H.M., said the organization worked hard for the facility, but it was the volunteer workers and the support of Mayor Crabb, Chancery Clerk Cole, the Booneville Pilot Club and others that made the application a success.

"We had the help of three very good secretaries, legal and technical assistance from very qualified persons and community support from a lot of good people," Bennett said. "This is what it takes to make a project this complex successful and we appreciate all those who supported us in this endeavor."

Mrs. Cummings pointed out that an application of this type requires a large amount of typing and secretarial work. "Kay Old, Sherry Wren and Sharon Gifford helped us with this work and they did a tremendous job," she said. "We could not have gotten this project approved without the help of these people, and the fact that they donated their time and talents is even more commendable."

"We called Chancery Clerk Phillip Cole for help about noon one Saturday and he cancelled a luncheon appointment with legislative members and worked with us on his own time for several hours," Mrs. Cummings said. "This is the kind of community spirit and support that made this project successful. We appreciate very much the help everyone gave us."

The O.H.M. project is 100 percent federally funded. Mrs. Cummings said. No city or county tax money is involved.

vandalism prior to the shooting, Morgan said, including the breaking of some windows in the agriculture department.

"They broke out some of the small window panes in the door that goes to the agriculture department," he said. "The door was locked with a padlock and they didn't accomplish anything by breaking the windows."

Morgan indicated that the various incidents may not be related.

Due to the relatively isolated location of the school, apparently no one saw anything when the incidents occurred. In order to help eliminate future incidents, the school has found a retired couple who will move into a small house on campus and look after the property.

"I think it will really help us," the principal said, "and we have located somebody who will do it."

He said work would probably be done on the house Saturday.

"We want them in there as soon as possible," he said, to eliminate all this."

BIBLE QUESTION BOX

QUESTION: Mr. Hogland, we hear a great deal about whether homosexuality is right or wrong, what does the Bible say?

WARD HOGLAND

ANSWER: There is not a shortage of teaching on this subject. Lev. 18:22, "Thou shalt not lie with mankind as with womankind; It is abomination." Lev. 20:13, "And if a man lie with mankind, as with womankind, both of them have committed abomination; they shall surely be put to death." The first time we read about the practice of homosexuality is in Gen. 19:4-8, and was practiced by the men of Sodom. Thus the term "Sodomite" (Deut. 23:17, 1 Kgs. 14:24, etc.). It is clear from Gen. 19: 1-13 that the practice of homosexuality, or sodomy, was the very thing that brought about the destruction of the cities of the plains with fire and brimstone from the Lord. In Jude 7, another warning is given, "Even as Sodom and Gomorrah, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire." Rom. 1:24-27 also tells us homosexuality is wrong and will be punished.

VO-TECH BOARD MEETS—The new board of directors for the Prentiss County Vocational Technical School met for the first time last week. Board members are (from left)

Mrs. W.M. Murphy, chairman; Billy Morgan; Mrs. William Anderson; R.B. Prichard; Leonard Huddleston, vice-chairman; and Edwin Brown.

Murphy Named Chairman

New Vo-Tech Board Meets

The newly formed board of directors of the Prentiss County Vocational Technical School held its first meeting Tuesday night, Sept. 16.

The vocational technical facility for secondary schools in this area will be operated jointly by the Booneville Municipal Separate School District and the Prentiss County School District.

Board members from the Booneville Municipal Separate School District are Mrs. Betty Anderson, Bill Morgan and R.B. Prichard.

Board members from the Prentiss County School District are Edwin Brown, Leonard Huddleston and Mrs. Nelwyn Murphy.

At the first meeting, Mrs. Murphy was elected chairman and Huddleston was elected vice-chairman.

"It was a most cooperative meeting," Mrs. Murphy said. "We were all very impressed with the program at the Vo-Tech."

"There was certainly a feeling of unity and common interest and concern in the program by every person there," she added. "We all

want to see the program continue with the good that it's doing for both the city and the county students."

Mrs. Murphy also said the board members were impressed with the condition of the 10-year-old building, saying, "It has been so well maintained."

The new chairman also spoke highly of the various programs offered by the Vo-Tech, not only for students but also for adults.

"Any time 10 people want something taught, all they have to do is get together and get the class organized

and the Vo-Tech will find a teacher and it'll be taught," she said, adding that many people may not be aware of that.

A permanent meeting date, 7 p.m. on the second Tuesday of each month, was decided upon by the board. The monthly meetings will be held at the Prentiss County Vocational Technical School administration building.

Teachers and staff members who were presently at the school were re-hired for the 1980-81 school year.

United League Meets At Community Center

Alfred "Skip" Robinson, of the Holly Springs-based United League of Mississippi, met with approximately 100 blacks in the East Side Community Center in Booneville Wednesday night, Sept. 17, to seek support for the League and demand more jobs for blacks in Booneville.

Specifically, Robinson is asking that a black principal be hired next year at Anderson Junior High School, the only city school located in the black community, and that other black assistant principals be hired by the city school system.

He also wants the city school system to hire more

black teachers next year, totaling 18 percent of the number of city teachers. Robinson says 18 percent of the students in the city schools are black.

The United League leader also said he wants more black employment in local businesses in the area. He said last Wednesday that he plans to start a survey of local businesses this week.

He also said he wants a meeting set up between him and local business leaders. Robinson met with Booneville Mayor Charles Crabb last Thursday afternoon to discuss these demands.

State Road Conditions

Cost Drivers Dollars

The average Mississippi driver wastes some \$170 worth of gas each year due to driving on bumpy and broken pavement, according to a recent study.

Based on current gas prices, motorists statewide waste an estimated \$279 million worth of fuel each year due to the poor condition of more than one-third of Mississippi's main paved roads. That's according to a report by The Road Information Program (TRIP) of Washington, D.C.

Bad roads increase fuel consumption because vibration and loss of traction cause uneven power flow through a car's drive train, the report said.

"The cost to correct the problem would be less than the cost to ignore it," said Steve Grantham of the Mississippi Road Builders Association, which requested the TRIP study. TRIP is a non-profit research and information agency supported by the highway industry.

TRIP recommended a 10-year, \$202 million-per-year road renewal program a total of \$1.62 billion to rebuild 2,030 miles, and \$398 million to resurface another 4,685 miles. Cost estimates do not account for the uncertain rate of future inflation, TRIP pointed out.

The study reported that the percentage of sub-standard road mileage probably would have been even higher were it not for the continuing efforts of state and local highway authorities to achieve maximum improvements within extremely limited budgets.

TRIP's study included all of Mississippi's 18,861 miles of paved main roads (arterial and collector) under both state and local jurisdictions.

Although these roads account for only 28 percent of the state's 68,486-mile total public road system, they handle 82 percent of all traffic.

The study found that 36 percent (6,714 miles) of the state's main paved roads

are substandard, according to inspection criteria developed by the American Association of State Highway and Transportation Officials (AASHTO). Mississippi motorists drive some 21.6 million miles a day on these deficient roads, TRIP reported.

For Sheriff's Department

McCauley Displeased With Budget

Like many sheriff's throughout the state, Prentiss County Sheriff John McCauley is not happy with the budget allocated by the county board of supervisors for the operation of his department.

McCauley requested a budget of \$268,929, but was only given \$152,232 for the 1980-81 fiscal year.

However, McCauley does not place the blame for his lack of funds on the supervisors—he says they were just doing their job. But, he added, the budget problems could be reduced by legislative action.

The sheriff said he wants Prentiss County residents to ask legislators to change the millage laws to allow sheriff's departments to

receive more money.

The way the situation now stands, McCauley said, he is concerned about the future of law enforcement in the state.

"People are in law enforcement for one of two reasons—personal gain or dedication," he said. "Everyone I have working for me now is dedicated. They are doing the best they can, but there's no way possible to do a good job under these conditions."

"If something isn't done," he said, "the only ones who will run for sheriff will be thugs or someone after personal gain."

McCauley said serving papers, transporting prisoners, taking patients to mental hospitals, and caring

for the county jail and its prisoners takes up so much of their time that his four deputies cannot provide quality law enforcement without working "unreasonable, manbreaking hours."

Working on theft and drug cases also demands long hours, the sheriff said. It takes time to build a case to take to the grand jury.

"And if you don't do it right, all the time you spent on it is wasted," he said.

McCauley said the equipment at the sheriff's office is in bad condition—especially the patrol cars.

One car, bought when McCauley took office in January, now has about 35,000 miles on it. The other three patrol cars, which

were already at the department, have 93,000 miles, 107,000 miles and more than 163,000 miles on them.

With the number of breakdowns of the older cars, the sheriff says, "If we can keep one running all day, we're happy about it."

Ag Affairs

Complex Farm Problems Cause Diversification

By ED BLAKE
Mississippi Farm Bureau Federation

In these modern times it would appear that no other major profession has the diversity of interests, skills and interdependencies as agriculture—the leading

industry of Mississippi and the nation. This column, which on a regular weekly basis has followed the diverse theme of ag affairs in general for nearly five years, occasionally gets feedback from the media and public

concerning this or that subject as responsive chords are struck. So we do get letters, phone calls, notes, and head-on comments rather frequently concerning our diverse subject matter. Some communicators express favorable surprise that this farm organization is interested in this or that. Others occasionally object to our latitudes and let same be known.

Back in 1946 the late Frederick Sullens, prolific and outspoken editor of the Jackson Daily News, was one of the first to publicly comment on Mississippi farmers' widening business interest. He opined in his daily column concerning the construction of a farmer-owned fertilizer manufacturing plant at Canton as well as a proposal for a life insurance company. He verbally smacked the farmers' hands for going beyond their traditional agrarian station in life to create new competitive businesses.

Since that remonstrance several decades ago state farmers went on to build an extensive farmer cooperative system over the state with an impressive modern headquarters near Canton today. Too, they founded a life insurance company which this year dedicated Mississippi's largest one-company occupied office complex in Jackson as headquarters for a nine billion dollar corporation founded by Southern farmers to serve their needs.

Mississippi Chemical Corporation, a farmer-

invested nitrogen fertilizer manufacturing plant next was built at Yazoo City and through ensuing years many other agricultural related manufacturing or processing facilities have been created to substantially contribute to this state's agriculturally based economy.

The same trend nationwide has brought to the American citizens an abundance of the world's least expensive food while lowering production costs to farmers and purchasing prices to consumers. The efficiency that has brought this about however has reduced the number of farmers needed in the nation.

As declining numbers of farmers have reduced their clout in the political arena, these farmers have realized that consumers, and the general public, need to know more about the public issues that affect their efficiency in producing food and fiber—diverse as they may be.

This Ag Affairs column is to help communicate the intricate, often complex issues of agriculture to the readers of both weekly and daily newspapers of this state for the enlightenment and hoped for betterment of all. So, just in case you wondered, that's why this column covers a wide range of subjects—sometimes meddling, occasionally poking a bit of fun at a situation, or passing on developments, troublesome or not.

And that is the bolt of fabric from which a lot of this state's agricultural affairs, and this namesake column, is cut.

Eyes On Mississippi

Close Race Could Cause Problems

By BILL MINOR
Columnist

JACKSON, Miss.—It's Jan. 6, 1981. The House of Representatives has just sat down in Washington to count the electoral votes for president of the United States.

The almost incredible discovery is made that a liberal Republican congressman from Illinois named John Anderson has jammed the electoral machinery by preventing either Jimmy Carter or Ronald Reagan from having a majority of the electoral votes.

Then, for only the second time in the history of the nation, the obscure machinery of the House electing the president is set in motion. Each state delegation, no matter how large, has one vote, which is cast for the candidate supported by a majority of the members of the delegation. (The state's one vote is nullified if the delegation is equally divided.)

Far-fetched? Bizarre? This couldn't happen in our politically sophisticated country where there are only two political parties?

Some serious observers nationally are saying it COULD happen if Anderson, running as an Independent, picks up one or more large states, and the vote between Democrat Carter and Republican Reagan comes

down to a photo-finish as did the race four years ago.

What makes it all quite amusing to those who have followed political history in Mississippi for many years is that we've heard it all before in another time, with vastly different characters playing the heavies.

This is the same scheme concocted 32 years ago by the Dixiecrats in Mississippi and resurrected by Ross Barnett 12 years later, the latter instance almost causing national heart failure in the wee hours after the 1960 election.

The big difference between the assault on the electoral college machinery by the Dixiecrats and the Barnettites of several decades ago, and Anderson of 1980 is that the thrust of the former came from the right, while the thrust of the latter comes from the left. But the result could be the same in either case, a constitutional crisis over electing the President of the United States.

Anderson hopes to unite the liberals and the large number of Americans who have indicated they do not believe Jimmy Carter nor Ronald Reagan offer them a valid choice. In any case, in the Anderson contention, his candidacy will make the two major parties put up better candidates.

The Dixiecrat idea, conversely, was to unite the conservatives of the country

around the not-so-subtle issue of race. They, too, thought they could reform the Democratic Party, or eventually pull conservatives out of both major parties into a new conservative party.

But the Mississippi-bred scheme for preventing either the Democratic or Republican presidential candidate from getting a majority of the electoral vote was essentially aimed at forcing concessions from the presidential candidates and giving the electoral votes in the hands of a few Southerners to the highest bidder.

Dixiecrat spokesmen openly boasted of the possibility that to get their electoral votes, a presidential candidate would be forced to "give us an attorney general," or so many appointees on the United States Supreme Court. All of this, of course, was aimed at negating the rising thrust for civil rights.

Once during the early 1960's when he was holding secret meetings around the South to drum up support for his unpledged elector plan, Ross Barnett told this writer, "there's lots of bargaining that can be done" with presidential elector votes.

In hindsight, it would be difficult to image what would have happened to a president who made a deal with Barnett or any other

Dixiecrats on civil rights in order to break a deadlock in the electoral college. There likely would have been such a national outcry and a threat of impeachment that what happened in 1974 when Richard Nixon was forced to resign the presidency could have become a reality a long time before.

There was always a question here that if the election of the president in 1960 between John F. Kennedy and Nixon would have been thrown into the House because of the eight unpledged elector votes held by Barnett in Mississippi, and a few scattered unpledged votes from other states, how Mississippi's delegation would have cast the single vote for president.

Although they were nominally Democrats, the Mississippi congressmen, with only one exception, had not supported Kennedy. There was strong speculation then that they would have likely wound up voting for Nixon.

Should Anderson jam the presidential election machinery this time, the same situation would arrive next Jan. 6 for Mississippi's delegation in the U.S. House. Now, two of them are Republicans and three Democrats. One of the Democrats—Rep. G.V. Montgomery—however, has not endorsed Jimmy Carter.

How would Mississippi's one vote be cast?

Meeting To Be Held On Tax Levy

"Realizing the crisis which confronts the taxpayers of the county, the Booneville and Baldwin Chambers of Commerce have called a mass meeting to be held at the courthouse next Monday morning at 9 o'clock, at which time ways and means of having a reduction in the various levies will be discussed, and such relief as may be possible to secure. It will be an open meeting for everyone to come and counsel together.

"You will recall that the proposed county budget was published last week. This provides for the raising of funds to meet the operating expenses of the county for next year. The total of the budget is only a little less than half a million dollars, and this does not include privilege and drainage taxes.

"The condition that confronts us is one that touches everybody in the county and should be carefully considered without undue criticism of any one. We must remember that we as a whole are largely responsible for the condition that we are in, for we have kept on voting bonds and these bonds must be taken care of. You will remember that of the entire levy we have voted for the greater part of it."

Blue Devils Unbeaten In Four Games

"Booneville High School's unbeaten and untied football team travels outside the Tombigbee Conference this weekend, meeting Calhoun City there Friday night.

"Coach Bill Ward's eager gridders have won four straight and have not been scored on in conference competition.

"In league play, Booneville has topped Ripley 13-0, Kossuth 25-0, and Fulton 46-0. In their only non-league game to date, the Blue Devils edged Decaturville, Tenn., 7-6.

"The Blue Devil squad will be half-way through its 1955 schedule with the completion of the Calhoun City contest."

David Turner Writes Magazine Article

"David Turner, 14-year-old son of Mr. and Mrs. Emmons Turner of Booneville, has scored a literary triumph—and earned \$25 at the same time.

"It all started about 18 months ago when David read of a contest for short illustrated articles in the magazine 'Hobbies for Young Men.'

"David submitted an article concerning his hobby of performing tricks of magic. With it he sent a photo showing him busy at one of the tricks.

"For several months after that, David purchased the magazine each month in hopes of seeing his article. But as time went on, he forgot about the whole thing.

"Then, one day last week, David got a brief note saying his article and picture would soon appear in the magazine. Enclosed was a check for \$25.

"The magazine went on sale last weekend, and David proudly possesses a copy (probably more than one) of it."

Speaking Out

Vandalism

"I would just like to say that I think the people who have been at New Site High School — breaking in our gym, tearing up things, stealing balls and shooting through our glass doors — are sorry and low down. I think they should have a little more respect for people who are trying to do

SPECIAL REPORT:

Veterans Legislation

Legislation affecting veterans and programs benefiting veterans have been the focus of recent activity in Congress.

The Senate has passed the Disabled Veterans Rehabilitation Act of 1980, which should be approved soon in the House and signed into law by the President.

This Senate bill contains provisions involving rehabilitation and education benefits for disabled veterans as well as eligibility and priority of VA programs for these veterans and their survivors or dependents.

The overall purpose of our Senate bill is to improve and modernize the vocational rehabilitation program for disabled veterans who served our nation during times of war and national emergency.

Also, this legislation will provide a 10 percent cost of living adjustment for those who are training under the GI bill, vocational rehabilitation, and survivors' and dependents' educational assistance programs. It modifies the GI bill's on-the-job training program and creates an outreach

for the training and employment of disabled veterans.

Other veterans-related legislation being considered by Congress includes bills improving the GI bill and increasing the compensation for service-connected disabled veterans.

The Senate Veterans Affairs Committee is nearing final action on a bill to increase by 13 to 14 percent compensation benefits for those who are disabled as a result of their services in the armed forces.

I have joined with Senator Strom Thurmond and others in sponsoring a new GI bill for educational assistance for our veterans and military personnel.

Recent Senate hearings, by both the Armed Services and Veterans Affairs Committees, indicate that improved educational programs would be very helpful in the recruiting and retention efforts of all branches of our armed forces. With evidence continuing to increase our concern over the competence of armed services personnel, the need for such incentives for

recruiting purposes are obvious.

The new GI bill would provide an educational allowance of \$400 per month for up to 36 months for full-time students. To be eligible one would have to serve two years active duty or four years in the Selected Reserve.

In addition, the bill provides for transfer of entitlements to dependents after eight years' active duty service, and allows a ten-year period after discharge within which to complete an educational program. Our bill also extends for four years the 1989 deadline for certain persons who are eligible under the "old" GI bill for educational benefits.

This legislation will help those deserving veterans who want to improve their skills and opportunities for more challenging jobs, and it will assist in strengthening our national defense capability and preparedness through more attractive incentives for both active duty and reserve personnel.

PILOT SPEAKER—Dr. Neola Cleveland (center), past president of the Booneville Pilot Club, was the guest speaker at the club's meeting last week. Also shown are Vicki Walendzik (left), leadership area leader, and Mrs. Nelwyn Murphy, Pilot president.

Dr. Cleveland Addresses Pilot Club Meeting

Dr. Neola Cleveland, past president of the Pilot Club of Booneville, was the featured speaker at the program meeting of the Pilot Club, Thursday evening, Sept. 18, at 7 Mrs. Nelwyn Murphy, president, presided.

Mrs. Vicki Walendzik, leadership area leader, introduced Dr. Cleveland, who chose as her subject "Women in Leadership Roles." She discussed the versatile accomplishments of several women who have been leaders throughout world history.

Among the women successful in politics she mentioned were Evelyn Gandy, former Lieutenant Governor of the State of Mississippi; Rosalynn Carter, who has campaigned more than any other First Lady; and Vigdia Finnbogottotie, president of Iceland, who is the first woman to be elected president of any country.

Dr. Cleveland stated there appeared to be no one characteristic or combination making leadership inevitable. However, she said successful leaders have exhibited some of the

following characteristics or qualities: energy, enthusiasm, confidence, sense of purpose and direction, technical skill, imagination and ability to face reality, faith, judgment, intelligence, curiosity, ingenuity, and originality; traits of personality such as modesty, tact, sense of humor, friendliness; and traits of character such as adaptability, integrity, sincerity, honesty and courage.

Her closing remarks were, "A leader is a leader anywhere."

Miss Rebecca Perry, the daughter of the Rev. and Mrs. James R. Perry, was introduced as the "Citizenship Girl of the Month" by Mrs. Louise W. Peeler.

Mrs. Anne Prichard was recognized as the Pilot of the Month. There are three

APRIL FLEMING

April Fleming, daughter of Mr. and Mrs. Terry Fleming of Baldwin, celebrated her third birthday Sept. 2.

Her grandparents are Mr. and Mrs. James Fleming of Baldwin and Mr. and Mrs. Dennis Criswell of Dry Creek.

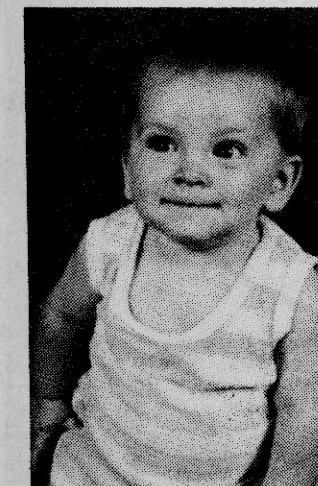

April has one brother, Terry Mathew, who is nine months old.

BO GREEN

Bo Green, son of Mr. and Mrs. Gerry Green, celebrated his first birthday Sept. 19. Grandparents, aunts, uncles and cousins helped him celebrate with a backyard cookout.

Bo's grandparents are Mr. and Mrs. Billy Potts and Mr. and Mrs. Cleon Green, all of Booneville. His great-grandmother is Mrs. Alma Green of Booneville.

MATTHEW MAYO

Mathew Mayo, son of Gary and Ann Mayo of Marietta, celebrated his first birthday Sunday, Sept. 14, at Marietta Springs.

His grandparents are Mr. and Mrs. Thomas Austin of Booneville and Mr. and Mrs. E.W. Wildmon of Marietta. His great-grandmothers are Mrs. Edna Mayo of Blackland and Mrs. Evelyn Franks of Booneville.

Miss Whitehurst Marries Mr. Coggin

CORINTH—Miss Betty Ann Whitehurst, daughter of Mr. and Mrs. William Norris Whitehurst of Corinth, and Richard Grady Coggin Jr., son of Mr. and Mrs. Richard G. Coggin of Booneville, were married Saturday afternoon, Aug. 2, in the Tate Street Baptist Church of Corinth before a large number of friends and relatives.

The Rev. Grant Clark conducted the double ring ceremony in a candlelight setting.

Nuptial music was presented by M.s. Ricky Stockton, organist, and Miss Meta Nichols, pianist, both of Corinth. Brad White of Booneville and Miss Judy Key of Corinth sang several selections.

Guests were greeted and registered by Miss Jenny Alexander of Corinth.

Vows were exchanged before an altar decorated with ferns and white tapers glowing in spiral and tree candleabra. The focal point was a large arrangement of blue, yellow and white daisies and fresh greenery, which reflected the colors used throughout the wedding and reception.

Given in marriage by her father, the bride wore a traditional white formal gown of summer sheer organza with Victorian styling. The lifted bodice was defined with a band of Cluny lace with a Victorian neckline.

The sheer yoke was outlined in lace appliques embroidered in seed pearls. The full sleeves had matching lace appliques and lace cuffs designed with an organza ruffle. The skirt extended into a chapel-length train and was hemmed with Cluny lace.

The bride carried a cascade bouquet of silk yellow roses, white daisies and white stephanotis, interspersed with greenery and strands of white satin ribbon.

On the way to the altar, the bride presented her mother with a long stemmed yellow rose. At the recessional, she presented one to the groom's mother.

Mrs. Jeff Dean of Oxford served as matron of honor. Bridesmaids were Cherry Jane Marlar, Anita Louise Hohenschutz, Karen Gay Ford, Lori Ann Fields and Susan Patricia Long, all of Corinth.

The attendants wore identical yellow floor-length gowns of silesta knit, designed with shirred bodices, scoop necklines and cap sleeves. They carried cascade bouquets of silk yellow and blue daisies with greenery. Each wore a wide brimmed yellow hat trimmed with yellow satin ribbon and silk flowers.

Lydia Smith, daughter of Mr. and Mrs. Ben Taylor Smith of Booneville, was the flower girl. She carried a white wicker basket of silk flowers.

Mr. Coggin served his son as best man. Groomsmen were Robert Woody Whitehurst, Corinth, brother of the bride; Roderick Brady Coggin, Booneville, brother of the groom; and Bradford Carlisle White, Kenneth Lee Bethay, Carroll Bryon Skinner, and Gregory Gerald Williams, all of Booneville.

Ushers were Mark Hatfield, James Michael Vernon, and David Horn, all of Booneville, and Daniel Finch of Iuka.

William Andrew Long of Corinth served as ring bearer. He carried a white antique lace pillow with a blue underlayered handkerchief trimmed with blue satin bows, made by Mrs. Audie Marlar of Corinth.

For her daughter's wedding, Mrs. Whitehurst wore a floor-length gown of blue silesta knit, featuring an accordion pleated skirt. She wore a white orchid corsage.

Mrs. Coggin, the groom's mother, wore a formal gown of mint green, embroidered in seed pearls at bodice and neckline. She wore silk flowers in her hair.

Mrs. J.P. Yeager, maternal grandmother of the bride, wore a taupe floor-length gown. Mrs. J.N. Whitehurst, paternal grandmother of the bride, wore a gown of green.

Mrs. George Reed of Amory, maternal grandmother of the groom, wore an ice blue floor-length gown. Mrs. Grady Coggin of Nettleton, paternal grandmother of the groom, wore a gown of soft green.

All of the grandmothers wore corsages of yellow daisies.

The Reception

Following the ceremony, the bride's parents entertained with a reception in the fellowship hall. Mrs. Al Graves of Birmingham, Ala., attended the registry table. Miss Meta Nichols provided music.

The bride's table held a white three-tiered, columned wedding cake, decorated with yellow and blue rose buds and was topped with an arrangement of fresh blue and yellow daisies.

Serving the wedding cake with mints and nuts were Mrs. Jimmy Ford, Mrs. William H. Long and Mrs. Wayne Bass, aunt of the bride, all of Corinth.

The groom's table held a tiered chocolate cake decorated with a miniature football and a small football player figurine. Serving were Mrs. Kenneth Goodwin of Jackson, sister of the groom, and Mrs. Robert E. White of Aberdeen, aunt of the groom.

Assisting in serving the punch were Miss Sheryl Smith and Miss Laura Tuckier, both of Corinth.

A special table held a 25th wedding anniversary cake with which the bride surprised her parents. Mrs. Sam Alexander of Corinth served.

Rehearsal Dinner

On the eve of the wedding, the groom's parents honored the couple, wedding party and out-of-town guests with a rehearsal dinner at the Holiday Inn in Corinth.

The couple chose this occasion to honor their attendants with mementoes of the event.

Showers and Parties

A bridal tea shower was held at the First United Methodist Church in Booneville. Hostesses were Mrs. Harold T. White, Mrs. James Bethay, Mrs. Robert Floyd, Mrs. Joe Ray

Mr. And Mrs. Richard Coggin

Langston, Mrs. Tracy Armstrong, Mrs. Don Williams, Mrs. James Vernon, Mrs. William Harold Hatfield, Mrs. William D. White, Mrs. Garry Lindsey and Mrs. Randy Moffitt.

The Radiance Sunday School Class and Mrs. Richard Hall were hostesses for a miscellaneous shower given in the fellowship hall of the Tate Street Baptist Church.

Mrs. Leon Fields, assisted by her daughter Lori, entertained with a rice bag party. The bridesmaids presented the honoree with a white gold cross necklace.

A kitchen shower was given at Mrs. Jimmy Ford's home. Hostesses were Mrs. William H. Long and Mrs. Sam Alexander.

A bridesmaid luncheon was given on Aug. 1 at the Hilldale Country Club. Hostesses were Mrs. Doyle Watts and daughter, Mrs. Jeff Dean.

The groomsmen entertained with a bachelor party at Pickwick.

Friends of Mrs. Bobby Connor are delighted to hear she is recovering rapidly from surgery which she underwent Wednesday in Baptist Hospital East in Memphis.

Dinner guests of Mr. and Mrs. Milton Bishop Sunday night were Mr. and Mrs. Donnie Mills of Memphis and Mr. and Mrs. Jimmy Willis of Corinth.

Mrs. Irb Benjamin was hostess on Monday evening when 11 members of the Rienzi Baptist WMU met in the church fellowship hall. A short business session was in charge of Mrs. William Perry, director. The September time of prayer for State Missions was directed in a challenging manner and a period of close dedication to the projects involved was in evidence as those present discussed different phases of the state work, under the leadership of Mrs. Melvin Johnsey, Jr. Those present were Mrs. Benjamin, Mrs. Perry, Mrs. Johnsey, Jr., Mrs. Noble Williams, Mrs. Roy Morgan, Viola Presley, Mrs. Milton Bishop, Mrs. Truman Smith, Mrs. E.M. Furtick, Mrs. Edward Switcher, and Mrs. Walter Perry.

On behalf of all the members Mrs. Milton Bishop presented Mrs. William Perry a gift as a token of appreciation for her work as the out-going director.

The hostess served an attractive and delicious salad and dessert plate with iced drinks. Two members were unable to attend due to illness--Mrs. Wiley Gann and Mrs. James Reed.

Mrs. Larry Isbell and Mitch spent the weekend in Booneville with her parents.

A very special time of birthday wishes and happiness was shared by a number of relatives and friends Sunday night when David Palmer, Burton Benjamin, Trevon Williams, Dana Moore, Ken Nash,

Diane Furtick and Jeff Palmer were honored by their parents. Cake and ice cream and a refreshing drink put everyone into a delightful mood to sing "Happy Birthday" which was led by Miss Deborah Rutledge.

Mrs. Billy Crow came home Thursday from the Medical Clinic in Tupelo.

Get well wishes go to Mr. Henry Palmer and Mr. Taylor in the Booneville Hospital.

Mr. And Mrs. Terry Caver

Miss Grubb, Mr. Caver Are Wed

OAK RIDGE, Tenn.—Toybe Jean Grubb and Terry Ralph Caver were married Saturday, July 26, at the New York Avenue Church of Christ in Oak Ridge.

The bride is the daughter of Mr. and Mrs. James P. Grubb of Oak Ridge, and the groom is the son of Ms. Billie Caver of Baldwin and Ralph Caver of Booneville.

Musical selections by pianist Scharla Baxter and vocalist Sherilyn Harless included "Love is A Many Splendored Thing," "You Light Up My Life," "We've Only Just Begun," "The Lord's Prayer," "The Wedding Song," and the traditional "Wedding March."

The church sanctuary was decorated with candleabras done in greenery and white candles. Yellow daisies and blue carnations adorned the unity candle and pew markers. Flowerstands held arrangements of yellow gladiolas, blue carnations, yellow daisies, greenery and baby's breath.

Given in marriage by her parents, the bride wore a gown of white organza and Chantilly lace. The full-skirted gown was accented with scallops above two ruffle overlays that extended into a chapel train edged with Chantilly lace flowers. The fitted bodice, featuring a Queen Ann neckline, was also accented with Chantilly lace and hand-sewn pearls.

The sheer, long sleeves of solid lace were gathered into wide cuffs. The chapel-length veil was edged with Chantilly lace and attached to a pearl lace bridal cap.

The bride carried a cascade bouquet of all-white silk roses, stephanotis and tiny lilies of the valley, a gift from Barbara Tripp of Oak Ridge.

Lisa Phipps of Houston, Texas, was maid of honor. Bridesmaids were Rorrye Barge of Oak Ridge and Teresa Johnson of Clinton, sisters of the bride, and Nancy Dill and Margie Woods, both of Oak Ridge.

The attendants wore yellow floor-length gowns, with classic draped bodices forming short sleeves, and soft cape drapes in back. The floor-length skirts extended from natural waistlines. Each carried a nosegay of blue carnations, yellow daisies and baby's breath.

Each attendant wore a gold chain with a single pearl, a gift from the bride. Each also wore yellow daisies and baby's breath in their hair.

Christy Storey of Booneville was the flower girl. She wore a gown of sheer yellow organza with a ruffle cloth, made by her mother. She carried a white basket filled with yellow daisies.

The groom's father served as best man. Groomsmen were Scott Grubb of Oak Ridge, brother of the bride,

Roland Humphrey, Steve

Breedlove of Booneville, and Ronnie Scott of Baldwin. Bob Storey of Booneville served as ring bearer.

For her daughter's wedding, Mrs. Grubb wore a floor-length gown of platinum Silesta knit, enhanced by floor-length panels extending from small buttons on the shoulders. The mother of the groom wore a floor-length gown of sachet pink chiffon with a sheer cape overlaying the bodice. Both wore corsages of white cymbidium orchids.

Grandparents of the bride who attended the wedding were Mr. and Mrs. Roy S. Fallin of Oak Ridge, Mr. and Mrs. James L. Grubb of Decatur, Tenn., and the great-grandmother of the bride, Josie Kilgore of Kingsport, Tenn.

Attending the wedding from Booneville were Pam Breedlove, Zana Hill, Maurice Hill, Mr. and Mrs. Hall Storey, Mr. and Mrs. Bill Breedlove, Margaret Caver and Mr. and Mrs. Wayne Breedlove. David Hill, Connie Hill and Logan Hill of Baldwin also attended.

Following a honeymoon trip to Florida, the couple will reside in Booneville.

The Reception

After the ceremony, a reception was given by the bride's parents at the church. Assisting were Liz Woodward of Nashville, Barbara Tripp, Brenda Tripp, Mariann Dunn, Leslie Dedrick and Mitzi McNabb, all of Oak Ridge.

Tina Grubb, sister-in-law of the bride, kept the bride's book. Melissa Palmer of New Albany distributed blue and yellow silk roses filled with bird seed.

Hostesses of pre-nuptial parties were Lisa Phipps, Pam Breedlove, Marilyn Breedlove, Mary Woodward, Essie Dill, Juanita Dunn, Midge Brown, Carolyn Keith, Roberta Farrar, Evelyn Breedlove, Tia Breedlove, Becky Storey, Bonnie Kemp, Barbara Tripp, Brenda Tripp and Ruby Tripp.

A Son For The Martins

Mr. and Mrs. Terry Kyle Martin announce the birth of a son, Terry Grant Martin, at Magnolia Hospital in Corinth. He weighed 7 lbs. 7 oz. and was born Sept. 9.

Grandparents are Jack Blessingame and Kathryn

Blessingame, both of Booneville, and Mr. and Mrs. Douglas Martin, also of Booneville. Great-grandparents are Mr. and Mrs. Alex Blessingame of Booneville.

The new arrival has one sister, Nancy Adams.

FHA Officers Elected

By VICKY OWENS
and CINDY ROBINSON

The Jumpertown High School FHA held its first meeting for the 1980-81 school year on Sept. 16.

Officers elected for the year were Tammy Hargett, president; Vicky Owens, secretary-treasurer; Teresa Phillips, program chairman; and Cindy Robinson, reporter.

Also elected was FHA our

Guy, Frankie Yates.

The club's trip to the Mid-South Fair on Sept. 22 was discussed and plans were made for the newly elected officers and club sponsor, Ms. Judith Wigginton, to attend the district meeting at the Jacinto Courthouse Saturday, Sept. 27.

Various fund raising and community service projects were outlined for the 1980-81 school year.

CITIZENSHIP GIRL—Rebecca Perry (right), daughter of the Rev. and Mrs. James R. Perry, was selected as this month's Citizenship Girl by the Booneville Pilot Club. She was presented a certificate at the recent Pilot Club meeting by Mrs. Annis Charliwood (left), patriotism area leader.

Brown Addresses Retired Teachers

Saying many people do not realize the opportunities offered by the Prentiss County Vo-Tech School, Johnny Brown, assistant director of the facility, talked to the Prentiss County Retired Teachers' association last week about the school.

Brown told the former teachers about the overall program of the school, for both the day students and the classes for adults.

This is the tenth year of operation of the Vo-Tech and 313 high school students are now enrolled, he said.

"We teach skills, but we teach more than skills," Brown said. He spoke highly

of the students and their good attitudes.

Prior to Brown's talk to the group, Miss Ethel Mae Johnson, the new president, called the meeting to order. She then introduced the Rev. Eugene Tennison, who led the group in a song and brought a devotional message.

A business session followed the meeting and a friendship meal ended the evening.

Friends of Mrs. Mary Lacy will be glad to know her daughter, Vikki Lyn Lacy of Phoenix, Ariz., was able to return to work last week. Nikki was in a serious car accident in July.

Herchel Potts of Bridgeview, Ill., was here recently to be with his mother, Mrs. Vance Potts, while she had eye surgery in Corinth. He also visited other relatives.

Tony Presley of Jackson spent Saturday night and Sunday with parents.

We send get well wishes to Thomas Garner, a patient at the North Mississippi Medical Center, Tupelo. Thomas was stricken with a heart attack Thursday.

Madison Carpenter is a patient in our local hospital. We wish him a speedy recovery.

T.C. Shook of Orland Park, Ill., passed away Wednesday morning, Sept. 17, after a long illness. T.C. was the son of Bessie (Stennett) Shook and the late Thomas Shook, formerly of Booneville.

Funeral services were Saturday afternoon in Orland Park, Ill. We wish to extend our deepest sympathy to the family.

Mr. and Mrs. Larry Cole and Katy of Ripley spent Sunday with relatives.

James Franks has been a

patient in North Mississippi Medical Center, Tupelo, but is now home and improving.

Mr. and Mrs. Watt Fugitt of Kennett, Mo., attended the funeral of Clarence Nichols last week.

Among the sick this week are George Woodruff, Baldwin Hospital; Billy Hill Morris, North Mississippi Medical Center, Tupelo, and Milton English, Tupelo.

Scott Cole and Billy Martin were home from Ole Miss for the weekend.

Among those attending the ballgame in Jackson Saturday were Mr. and Mrs. Joe Kingsley, Mr. and Mrs. John Ferrell and Alacia, Mr. and Mrs. Harold White, Mr. and Mrs. Don Carpenter and Donnie, Mr. and Mrs. Emmons Turner, Jim Tigrett, Mr. and Mrs. Doug Jumper, Mr. and Mrs. Billy Kelton, Mr. and Mrs. Charles Steen, and Erlene Woods.

Mr. and Mrs. Glen Bizwill of Martin, Tenn., spent the weekend with Mrs. Mamie South.

Mr. and Mrs. Homer Williams were delighted to have Mrs. Maxine Green of Tupelo for a visit recently. Also visiting with the Williams were Mrs. Virgie Fugitt of Fulton and Mrs. Ouida Gentry of Florence, Miss., Nathan Williams of Tupelo and Mr. and Mrs. Neil Thompson of the Gaston

Community.

The E.E. Salts family, who lost their home by fire, are temporarily with Mrs. James West. Work is progressing nicely toward rebuilding on the same site.

Out of town visitors with James West the last few days were Mr. and Mrs. Jack West and Susi of Huntsville, Ala., Mrs. J.E. Cauthern of Marion, Ala., and Mrs. Ora Ray of Baldwin.

Melvin Oakley is now home from the North Mississippi Medical Center, Tupelo, and still improving. Let's continue to pray for a complete recovery.

Mr. and Mrs. Bobby Chaffin went to Memphis Saturday on business.

Mrs. Mattie McCreary is a patient in our local hospital. We need to remember her and family in our prayer.

Dick Brown is at home after spending a week in North Mississippi Medical Center, Tupelo. We send our love and best wishes to Dick.

Mr. and Mrs. Nonan Chaffin spent last Sunday with their son's family, Mr. and Mrs. Bobby Chaffin, Michael and Camile of Iuka. They enjoyed homemade icecream and the fellowship was great.

Dudley Spain, son of Mr. and Mrs. Murry Spait of Wheeler, is in the Baptist Hospital, Memphis. Dudley suffered a heart attack, but

is doing well at the time of this writing.

Mr. and Mrs. Floyd Tidwell of Florence, Ala., is spending a few days with Mr. and Mrs. Bill Scott and Mrs. Lou Venia McCreary.

Friends of Joe Presley might like to know he is now at the Hillcrest Manor in Aberdeen, Miss. His family would appreciate your prayers.

Mary Phelps spent a few days recently with her daughter and family in Dallas, Texas, to attend the wedding of her granddaughter, Mary Kathleen Newman. She reports a very nice visit and a lovely wedding.

The thought for the week is written by the late Calvin Coolidge, a former president of the United States. I find much wisdom in his words. What do you think?

"Thoroughbred Code"
I believe in work. For discontent and labor are not

often companions.

I believe in thrift. For to store up a little regularly is to store up character as well.

I believe in simple living. For simplicity means health and health means happiness.

I believe in loyalty. For if I am not true to others, I can not be true to myself.

I believe in a cheerful countenance. For a sour face is the sign of a grouch.

I believe in holding up my chin. For selfrespect commands respect from others.

I believe in keeping up courage. For troubles flee before a brave front.

I believe in bracing up my brother. For an encouraging word may save the day for him.

I believe in living up to the best that is in me. For to lower the standard is to give up the fight.

LINDSEY REUNION—Some of those attending the Lindsey family reunion at Marietta Springs Park were (seated, from left) Mrs. Lucy Amerine, 85; Mrs. Tennie Spencer, 88; Boliver Lindsey, 98; Amanda Huddleston, 82; and Milton Lindsey, 72. In conversation in the background are Mr. and Mrs. Tom Heartwell of Fort Worth, Texas, and Dorsey Ivey of Belmont.

Lindsey Reunion Held

The descendants of the late Jim Walter and Martin Lindsey met Sunday, Aug. 31, at the Marietta Springs Park. One hundred twenty one relatives and friends gathered for the occasion.

Dinner was spread at the noon hour, with John B. Estes of Oxford giving the invocation.

In the afternoon, J.D. Lindsey of Red Bay, Ala., entertained with guitar and song. The Rev. Allen Hapner and Bro. Bob Liles of Iuka,

also picked and sang some "good old" songs.

Relatives came from as far away as Fort Worth, Texas; Zion, Ill.; Cherokee, Ala.; and Red Bay, Ala. Others came from Memphis, Oxford, Hickory Flat, Smithville, Mooreville, Ripley, Rienzi, Belmont,

Baldwyn, Burnsville, Iuka and Walnut. But, approximately half of those attending were from Prentiss County.

Plans are for the reunion to become an annual event. Family members hope more of the Lindsey family members will attend each reunion.

Mr. and Mrs. Andrew Betts, his pastor and his wife, all of Joliet, Ill., were the special guests and preformers in a program of sermon and song at the Wolf Creek M.B. Church Sunday afternoon, Sept. 14. The program, sponsored by Mrs. Marcelle McGee, was enjoyed by a vast audience comprised of both church members and members of this community who were eagerly looking forward to this event.

Senior citizens and other interested persons were given helpful information, and advice concerning state aid programs and benefits by Mrs. Lana Tapp in a meeting on last Tuesday night. The meeting was held at Spring Hill M.B. Church.

Skip Robinson was the principal speaker in a meeting Wednesday night at the East Side Community Center. All interested persons are invited to attend a meeting Thursday night (tonight), at 7 p.m. when once again Mr. Robinson will address the assembly. Visitors from Chattanooga, Tenn., were present for the tent revival services held at the Sunflower Church of Christ this past week. The meeting is reported to have been a great success.

In his determination to produce a more spiritual atmosphere and action within the membership of Beckley Chapel, the Rev. Willie Powell continued on the subject of "When a church catches on fire" as he delivered his message Sunday morning, Sept. 21. He stated that there is already visible growth within the Sunday School and the choir and he plans to continue on this theme with the hope that positive results will soon be seen in all areas of church activity. We pray that his efforts will be successful.

Members of the Senior choir of Spring Hill M.B. Church were participants of the annual choir day services held at the Piney Grove M.B. Church of Dorsey, Miss., on Sunday afternoon. Many great choirs performed in this program.

Among those present was "Mama" Collins of the famous Collins Family Singers. They no longer perform as a family group, but Mrs. Collins still possesses that dominant, dynamic force and spirit within the adult group of which she is a part and proves that age is definitely not a handicap.

Mrs. Marsha Ragins will sponsor a program in honor of the senior citizens of the

community Sunday afternoon at Spring Hill M.B. Church. The program will begin at 3 p.m. The public is invited.

We offer our congratulations to you, Tiny, together with our prayers for a great strength, courage and determination in whatever you undertake to do for a successful future wherever you may be. God bless you always.

Congratulations and best wishes are extended to Jerry Christian and John L. Hooper as they begin a new venture into the business world. We sincerely hope that all of your expectations are realized and that prosperity is yours to hold in the future.

The public is invited to attend an informal tea to be held in the cafeteria of Beckley Chapel C.M.E. Church Sunday afternoon, Oct. 5, at 3 p.m. This event will be sponsored by members of the Missionary Society. Mrs. Ruby Jumper is the president.

Friendship and family day is planned for Sunday morning, Oct. 5, during the Sunday School hour at Beckley Chapel. Members are urged to bring a friend and other family members for a successful event. Mr. Perry is the sponsor of this program.

The Rev. McDuffy Agnew will hold the 11 a.m. worship service this Sunday at the Ruben Chapel C.M.E. Church. The senior choir of the Mt. Olive Baptist Church will accompany him in singing. The Rev. Powell is pastor of the church.

Guilty

To pay no attention to, to disregard, to be remiss in the care for or treatment of, to omit doing something through indifference or carelessness, to fail to perform duties—this defines Neglect.

Many times during the course of a busy day and in many things, I am guilty.

In this instance, I refer to the sick, especially the elderly—in the homes and in the hospital.

These past two weeks I have come to understand and see how disappointment and anxiety can aggravate the condition of an illness and hinder the progress of healing. We can do much to alleviate the sudden and unexplained pain and sickness that sometimes occur with the person who is seemingly on the road to recovery, or for the patient who seems to remain in the same physical condition indefinitely, by a simple personal visit.

Psychomatic illness is very real and visible. We, family members and friends

are greatly responsible for this condition when we fail to visit and assure the patient personally of our love and concern and give them that feeling of security that they so desperately need at this time.

We all know that when illness strikes when one is of age, they consider it a duty (and rightly so) for family members to be there whether they are needed or not. They also expect visits and prayer from the pastor, officers and religious leaders as one of their duties. When these visits do not materialize, they become depressed and consider this to be a reflection on them. This also becomes to them an unpardonable sin of neglect of duty on the part of the professed Christian.

Perhaps we are not aware of how great a part we play in the physical well being of an individual and feel that a phone call, cards and flowers sent will suffice. Nothing takes the place of a personal visit. In many instances, because of the patient's condition, visiting is not encouraged, but this is not often the case.

Nurses and nurse-aides can competently care for a patient's physical needs, but only we, the family and friends, can help or hinder their progress emotionally. There is a vast difference in the patient's mental condition, as well as physical, whose room is filled with cards and flowers as compared to the patient whose room contains only the bare necessities for his physical needs.

It is time we all took an introspective view to determine which is more important, human lives or other interests.

I am guilty. Are you? Thought for today: Verily I say unto you, in as much as you did it not to one of the least of these, ye did it not to me. Matt. 25:45.

The sick this week, for whom we continue to pray, are: Mrs. Myrtle Crockett, Mrs. Allie Gillespie, Mrs. Addie Jones, Mrs. Alberta Pannel, William Welch and Mrs. Georgia Nunn, whose condition is now reported to be in reverse.

Till Next Week...

4-H'ers Follow Water Safety Rules

Nearly half of all drowning deaths in a recent year involved young people between the ages of 5 and 24.

Of a total of 8,700 drownings, 1,600 occurred among 5- to 14-year-olds and 2,600 among 15- to 24-year-olds. These National Safety Council figures include all drownings in boating accidents and those resulting from swimming, playing in the water or falling in.

Accident statistics like these point up the need for increased water safety training for young people. This need is being met in the national 4-H safety

program, which enrolls nearly 374,000 boys and girls in safety project and activities supervised by the Cooperative Extension Service.

Members of 4-H learn the importance of becoming good swimmers; swimming in approved and supervised areas, learning first aid, taking courses in small craft handling, observing boating regulations and wearing personal flotation devices.

Although safety during recreation gets more emphasis during summer months, 4-H activities revolve around safety for all seasons and in all locations. On the farm, in the home, on the highway, 4-H'ers learn-by-doing that accidents and injuries can be reduced, hazards identified and corrected, and safety skills

practiced throughout the year. Young people can also help educate their families, classmates and communities to the need for year-round accident prevention.

Members of 4-H who excel in safety projects and activities are eligible for awards donated by General Motors and arranged by the

National 4-H Council.

General Motors offers \$1,000 college scholarships to eight national safety winners, an expense-paid trip to National 4-H Congress to one winner in each state and medals of honor to four 4-H'ers in each county.

The old saying "If it thunders before seven it will rain before eleven" seems to be true on Wednesday morning, Sept. 17, it thundered and rained. More rain came Saturday and that was good for the pastures, gardens, etc.

About the sick: Mrs. Marie Lindley was a patient in the Baldwin hospital a few days last week, but was transferred to Tupelo and will have had the surgery when this news is out.

Mrs. Irene Darling remains in the Baldwin Unit receiving therapy which is very painful but necessary.

The following shut-ins seem to be in unchanging conditions: Mrs. Myrtle Harris who lives on Franks St. in Booneville; Clyde Gardner at home; Mrs. Matt McCreary, in the Booneville Hospital; and Mam-ma Coats at the Bryan Harries.

Let's hope they get better and do what we can to help. Sincere sympathy goes to Jack Reece and relatives who mourn the passing of Anna, wife of Jack. Her funeral was conducted by Beal Coats on Friday, Sept.

19.

Congratulations to Karen Koon who was selected most beautiful in the Junior Division of the Wheeler Beauty Review last Friday night. Several other girls from Oak Ridge participated.

A busload from here attended the gospel meeting at the Sunflower Church of Christ in Booneville last Tuesday night, Sept. 16. They said the preaching was good.

Myron, and Mike Coats, along with Bobby Jones, attended the Ole Miss-Ala. game Saturday in Jackson. They were not very enthusiastic about the game and how it turned out.

It was so good to see Cathy Corbin at services last Sunday. She has been living in Tupelo working at the North Mississippi Medical Center. She will be living with her parents now, but continuing her work at Tupelo.

Also good to see Regina again. She was home for the weekend with her parents, but returned Sunday to MSU in Starkville.

Larry Kennedy was away Sunday, Sept. 21, preaching for the Centerville congregation. Their regular

minister was away and Larry was asked to fill in for him. We're lucky to have young men who will speak and take part in the Worship services.

Last Sunday was a day for fellowship and eating together. The Philip Coats family enjoyed a good home-cooked meal with Mrs. Mattie Jones, Gerald and Nelda Green.

The Barbers were guests of Lynn and Edith Coats, Myron, Betty and Mike Coats accompanied by "Granny" Pauline and Bobby ate with Ruthie Inman.

Here's a little tid bit I want to pass on. At breakfast here on Sunday morning, as the Ken Wilson's and we were eating, young Doug wanted to show us how well he could read. He was going over my news which I hadn't completed and came to the part where I had had a flare-up of hypertension. When Doug came to the word hypertension he said "hospitality" That really tickled his mom and us.

Betty Coats resumed her job at Russell's Jewelers on Sept. 22.

Wheeler School was closed Monday, Sept. 22, so FHA boys and others could attend the fair in Memphis. Several buses went and everybody enjoyed the day immensely.

The Sandy Reunion was held in St. Joseph, Tenn., on Sept. 21, but I was unable to attend.

Pauline and Bobby Jones, Mr. and Mrs. Myron Coats and Mike, Ruthie Inman, Wanda Devaughn and

children and the Danny Chisolm family enjoyed a fish fry at Mr. and Mrs. Clyde Gardner and Mickey's house on Friday night, Sept. 19. Clyde is still very ill.

Sorry to report Mrs. Lela Wheatley, a sister of Pauline Jones, is not doing well. They plan to carry her to the hospital this week for more test.

Pauline Jones and Betty Coats enjoyed visiting with several friends around Belmont Saturday afternoon: Mr. and Mrs. Sullivan Harrison, Haskell and Shelia Sparks, and Monroe Pounds.

Last Saturday was the day the M.B.C. associates of Prentiss County had a Rummage sale at the Wal-Mart Shopping Center. Something over \$177 was raised. Some articles not sold can be held over for the Bazaar to be held in November.

Do you have a hobby? Most everyone does and one of mine is saving recipes and trying new dishes along. I'm planning to enter the Independent's Holiday Cookbook contest—so why don't you select your favorite recipe for each holiday and sent it in?

Here's Lil' Padna' again: "No two people in the world look exactly alike and they are both glad of it."

Late Sunday I called the local hospital to see if Mae Eldridge were still a patient. She was and told me the physical therapy is helping her, and she expects to be home shortly. Be careful, Mae, so as not to hurt your shoulder again.

GOLDEN ANNIVERSARY—Mr. and Mrs. Chester R. Smith of the Hill's Chapel Community will celebrate their 50th wedding anniversary Oct. 5 with an open house at their home from 2 to 4 p.m. The occasion will be hosted by the couple's children, Mr. and Mrs. Randall Smith and Mr. and Mrs. Morris Smith. No invitations are being sent locally, but all friends and relatives are welcome.

Japanese

(Continued from Page 1)
here, Anna is staying with 15-year-old Kristy White and her parents, Mr. and Mrs. William D. White, and brother Rusty.

Although Anna has a good background in English, she admits the southern accent caused some problems. When she first met Kristy, she said

she could not understand what she was saying and she almost panicked. However, she says she has become more accustomed to the local accent and it gives her very little trouble now.

Back home in Japan, Anna has four brothers--her older brother, age 19, attends the university, and her younger brothers, ages 14, 9 and 7, are in junior high, the fourth grade and the second grade, respectively.

When Anna applied to become an exchange student, she had no choice in where she would go to school. However, she says she is happy with Booneville. "I don't like a cold place," she said, indicating the possibility of getting a school in the colder northern climate.

She also said she is interested in the South, having seen the movie "Gone With The Wind" three times. She said she has also read several Mark Twain stories about the South.

Anna decided to become an exchange student so that she could study the language and learn more about the American way of life. She said that she might like to become an interpreter someday.

As for her hobbies, Anna could easily be a typical Prentiss County girl. She says she enjoys playing outdoors, swimming, sewing, listening to music (rock and roll), and having her picture taken.

Which is more difficult, Japanese or American schools? Anna, says the courses in Japan are more difficult, but American teachers give more homework.

That presents twice as much a problem for Anna as it does for the other students--she has to first translate the homework assignment into Japanese so that she can understand it!

McCauley

(Continued from Page 3)

The 1980-81 budget only provides about \$2,000 for buying new cars and about \$28,000 to keep the old cars running, the sheriff said.

"To do a good job I need two full-time investigators, four radio operators, one secretary and six deputies," the sheriff said.

He now has no full-time investigators, three radio operators and four deputies.

The sheriff said the deputies are often so involved in serving court papers, transporting prisoners and other pressing jobs that some investigative work they would like to do does not get done, McCauley said.

The second annual State Officers Leadership Conference of the Future Business Leaders of America (FBLA) was held Sept. 11-12 in Jackson, Miss.

Representing the Prentiss County FBLA Chapter at the Prentiss County Vo-Tech School were President Tim Horton, Vice-President Tim Smith, Vice-President Sherry Deaton and Reporter Lesia Jones.

The students, working to become better business leaders, attended lectures, workshops, and other exciting functions.

Speakers participating in the conference were past state FFA presidents Joey Jennings and Glen Caves, Public Relations Coordinator Christy Hester, and State Parliamentarian from Phi Beta Lambda Lance Chancellor. Dr. Gene Bennett, Clinical Psychologist, made a presentation to the FBLA advisors.

Mrs. Betty Watson, State Supervisor of Business Education at the Department of Vocational Education, and her assistant, Miss Melinda Brumfield, were co-chairwomen in charge of organizing the state conference.

Library Notes

By LEE DAVIS
Librarian

Mrs. Anne Caver's kindergarten was in the library Tuesday morning to check out materials for home reading and to see a film strip of "Little Red Riding Hood."

The library has been receiving as gifts materials for young patrons and these additions delight us all.

There are 15 sets of books accompanied by recordings for the pre-school age. These are not new but parents are sometimes not aware that they can be checked out and that their young children

may get a library card. The display cases hold some fine examples of needlework on canvas, needlepoint pillows and petit point art. Instructional materials for making this type of handwork are included in the library collection.

A few pamphlets and sheets on fall garden care are available for your taking. Lawns, too, benefit from care in the fall and there are materials to help you with this need.

The DAR traveling library will be available to those working in genealogy research for a brief time.

Farm Export Picture Brightens

Farm exports are now expected to total a record high \$40 billion for fiscal year 1980, 25 percent more than the previous record of \$32 billion set last year.

Major reasons for the increase are higher exports of grains, cotton, oilseeds, fruits, nuts and vegetables, according to a recent report from the U.S. Department of Agriculture.

Grain and feed exports are forecast at \$18.3 billion, a third more than last year. Cotton exports are expected to reach \$3.2 billion, a 68 percent increase from 1979, while exports of fruits, nuts and vegetables are forecast at \$2.6 billion, a 23 percent increase from a year ago. Oilseed exports are seen at \$9.9 billion, up 14 percent.

According to the report, the volume of exports also should hit a record 162 million metric tons, 18 percent more than the previous high of 137.5 million tons set last year.

Wheat exports are expected to hit 36.7 million tons, up 17 percent from a year earlier, while the volume of feed grain exports is expected to total 71 million tons, 18 percent over year-earlier levels.

The report notes that the agricultural export trade surplus could total \$22 billion, a 40 percent increase

Farm Storage Loans Available

Having sufficient storage space for their fall crops is good business on the part of farmers and the only way to be sure they have a place for the harvest.

As of June 1, available U.S. storage capacity was down 194.6 million bushels from a year earlier. Slightly more than three-fifths of this decline occurred in off-farm storage capacity. Total storage capacity increased 256.7 million bushels during 1979, but this gain was more than offset by a 451.3-million-bushel increase in grain stored, according to a USDA report.

Farmers who may be facing a tight storage situation this fall can obtain funds through the farm facility loan program to build additional facilities or to expand their present structures.

With suitable storage, farmers have greater crop handling and marketing flexibility at harvest time. In years of excess production they can store their crops in good condition until prices rise.

Under the program, farmers can borrow up to \$100,000 on facilities adequate to store two years' crops, with 15 percent down and 13 percent interest. The loan may be repaid in seven equal annual installments over a period of eight years.

To be eligible for farm facility loans, farmers must grow one or more crops of barley, corn, dry edible beans, flaxseed, grain

General Hints For Sewing:

TRIP blamed the state's road conditions on lack of adequate funding in recent years. The study noted that the problem would be worse were it not for the efforts of the Mississippi State Highway Department and local road agencies to achieve maximum improvement within minimum budgets. "With gasoline consumption now declining because of wider use of fuel-efficient cars, revenue from the state's motor-fuel tax is declining," said Grantham. "Meanwhile, road repair costs continue to increase due to inflation. So the gap between money available and money needed continues to widen."

TRIP's findings were based on scientific road tests that measured fuel consumption relative to the physical condition of the pavement in use. Road tests were conducted by Paul J. Claffey and Associates of Potsdam, N.Y. Other sources included the Federal Highway Administration, the National Highway Traffic Safety Administration, the Mississippi State Highway Department, the American Association of State Highway and Transportation Officials and other government and private agencies.

Tigers Score Late To Drop Jones' Gridders

By LEE GENTRY
Sports Editor

When you think of two minute drills you think of excitement. Well you can certainly mark Thursday night Sept. 18th on the calendar of events as one of the most exciting of all of them.

Northeast's Tigers, pre season pick for the North's top team, put together one of the best two minute drills anyone could possibly ask for and promptly marched some 70 yards in the closing moments to take a 26-23 win over twice defending State Champion Jones in one of the most exciting games in junior college history.

One of the most thrilling comebacks of all time occurred here last Thursday when the Tigers were down (but not forgotten) 16-0 but fought back time and time again and won the game by the skin of their teeth before a crowd of some 2500 fans.

A playmaker couldnot design a quarter with more excitement in it than in last Thursday's battle.

Late in the fourth quarter Jones appeared to have the game intact with just over three minutes remaining but a fourth frame gamble proved to be their downfall.

The Bobcat offense stalled at the Northeast 34 yard line and then they called a fourth down pass play that backfired and gave the fearless Tigers good field position and setup the winning drive.

Northeast runningback Randy Cochran, who had one of the best night's of his college career carried twice for five yards and quarterback Mike Steenson then threw an incomplete pass

which setup fourth down. The Northeast coaching staff then brought in Booneville's Buddy Hall. The former Devil signal caller fired an 18 yard pass to receiver Kenny Bolden that saved their neck and gave the first place Tigers a first down on the Jones 42 yard line.

The Tigers then went to work. Cochran, along with back Anthony Norman, who also had a busy night, shared running assignments and moved the ball all the way down to the Jones six yard line.

The crowd then began to chant "stop the clock" throw it out of bounds," but the Tiger coaching knew exactly what they were doing and promptly and calmly ran the plays the way they were intended to be run.

With the entire crowd at their feet, Steenson facing a third and five situation from the six yard line, promptly tucked the ball under his belt and plunged over the goal line for the winning score with some 45 seconds left in the game.

Jones tried one desperate drive that stalled at the midfield stripe when Tiger defender Rezell Foster knocked down a Jones pass with time expired.

Now don't think this was the only excitement in the game. No indeed. The Tigers play: the last two quarters of expired football and coach Ward said after Thursday's game that he indeed was proud of his first place squad for their comeback.

Jones took the early lead in the ballgame with three quick scores, one of a 6 yard run by back David Martin, another on a two yard sprint by Randy Short and another

with a 38 yard field goal by Sherman Wells

The Tigers found out then they had to put their offensive attack to work. Well put it to work they did. Trailing 16-0 in the opening quarter, the Northeast crew came right back and marched 64 yards in eight plays for their first score.

Cochran, who just had a remarkable night along with Steenson the Tiger man of the hour again shared duties on this opening drive. Cochran had one burst of 32 yards while Steenson had an 18 yard jaunt himself. Steenson then fired the winner, a 22 yard TD pass to tightend Marty Barnes. Kossuth's Kenny Mathis added the point after and the Tigers trimmed the margin to 16-7.

Trailing 16-7 at the intermission, the Northeast crew almost had doom staring them in the face when Jones came right back on the opening kickoff and went 89 yards for yet another score. Quarterback P.A. Coaker got the final yard on a sneak from the one to give the Bobcats a 23-7 lead after the conversion.

The Tiger offensive unit then came alive. Marching 68 yards in seven plays, the Northeast crew began their search for the State's top position. Cochran earned the heroics in this drive. The fleetfooted sprintster accounted for some 40 yards in the drive and scored the touchdown on a 14 yard sprint over right guard.

The Tigers looked at the clock and realized they had more scoring to do.

What we've failed to mention thus far was that the Northeast defense then stiffened the time arose. Yes, the Northeast mon-

stermen stopped Jones at this point and one could feel it coming on that the Tigers were after that win.

Marching right back the Northeast squad went 82 yards in one of the most impressive drives of the year. Again names like Cochran, Norman and Steenson lit up the stats. Clipping off runs of 15 yards or more the Tigers moved the ball all the way down to the 17 yard line when Norman sprinted over right tackle for the touchdown.

Then came the big drive of the game that moved the ball from 33 to the endzone with Steenson earning game honors with his final six yard burst.

The fans were talking about the Thursday night encounter even as late as presstime yesterday. "It was the most exciting game that I've ever seen," one fan said. "That last drive almost stopped my heart," another one added.

How did coach Bill Ward like the game? It was one of the most thrilling games that I've had since coaching. "I want say the most thrilling cause I've been threw alot but certainly one of the most."

The Tigers, now with that big win under their belt, will host Holmes Junior College in a North Conference battle for homecoming Saturday night.

"That win over Jones was certainly a big one but we have to win these North Games before we can get to that all important State Championship," Ward said.

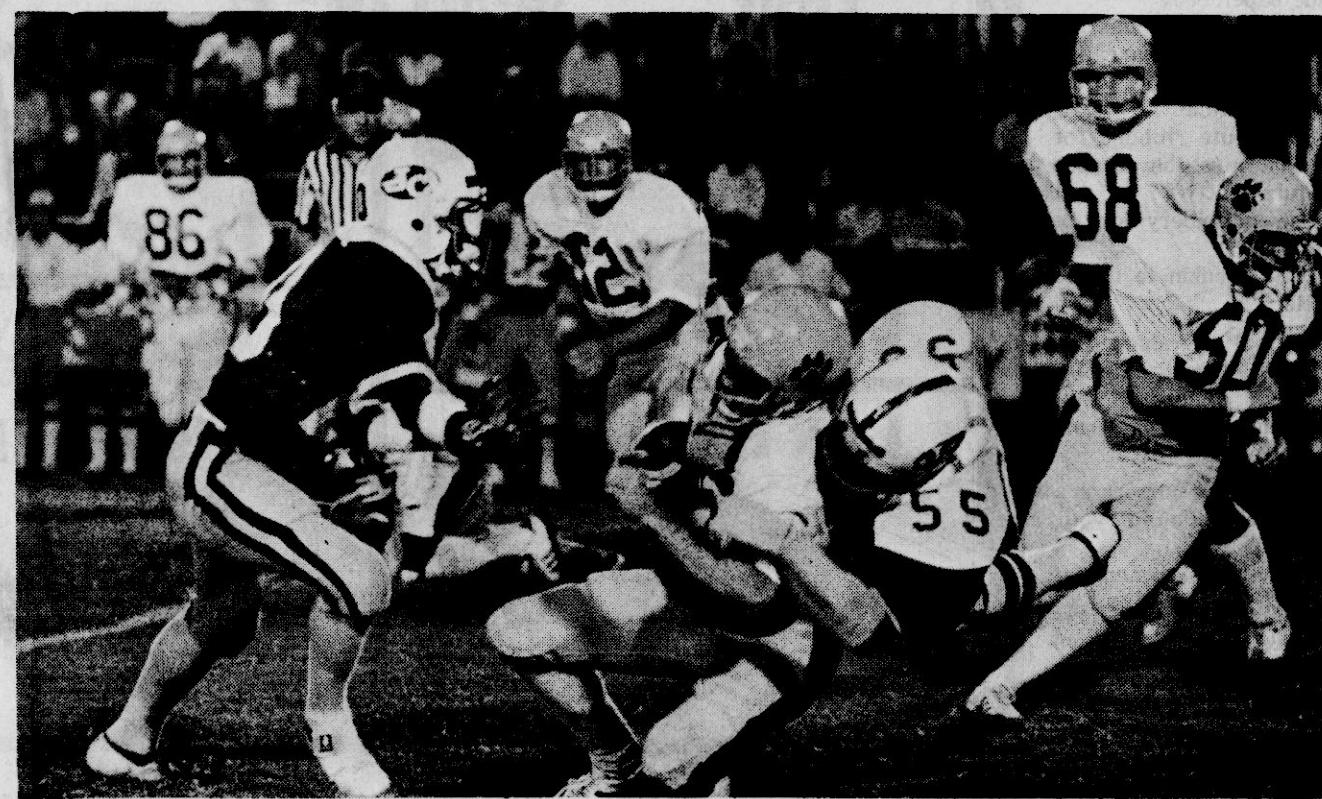

Gametime for the Saturday affair has been set at 8 p.m. due to the Homecoming ceremonies that will begin at 7:30.

DIVES FOR EXTRA YARDAGE—Northeast runningback Randy Cochran lunges forward to gain extra yardage in last Thursday's battle with Jones. Cochran aided the Tigers in a 26-23 victory before a home crowd. Bryan Dennis (30) of Jones pursues on the play.

Northeast, Holmes To Meet For 16th Time Saturday

When the Northeast Mississippi Junior College Tigers collide with Holmes Saturday night for Homecoming, the two teams will be facing each other for the 16th time since the series began back in 1954.

Since then, the Tigers hold a slim 8-7 game edge over

the Bulldogs and will be a heavy favorite this year to win their second win in a row over the squad.

The Tigers shutout the Bulldogs last year 10-0 at the Holmes Stomping grounds. Tiger back Anthony Norman scored the only touchdown on a 6 yard run while Rick

Coggin, now playing at Millsaps, booted a 22 yard fieldgoal to account for the only scoring.

The Tigers, going back one year, lost a heart-breaker to Holmes in 1978 losing a 7-3 decision in the closing seconds of the game.

Don Barthel, now kicking for L.S.U. scored the only NE points with a 30 yard field goal.

The Tigers and Bulldogs played in succession from 1954-56 then resumed the series in 1968 and has played every year since that time. The Tigers have lost only two games in the last seven seasons.

Billy Joe Cross, regional supervisor for Ducks Unlimited, Inc. met with

several area DU members last week and informed them that Prentiss County had been selected as a prime spot to organize a new

chapter of Ducks Unlimited. Ducks Unlimited, Inc. is an international organization born during the 1930s. The purpose of DU is to raise funds from private

sources in the United States for a waterfowl habitat restoration program in Canada where more than 70 percent of all waterfowl on the North American continent originate.

Doug Mansell, spokesman for the local DU group, says

that he is very optimistic about the forming of the new chapter in that several people in the area have expressed an interest in the program.

The chapter members usually meet once a year in a banquet atmosphere wherein memberships are

renewed, several door prizes are given away and an auction of art objects and one of the kind items takes place.

At present some 54 Prentiss Countians belong to DU at either the Tupelo or Corinth Chapters.

Defense Plays Well

'Devils Fall To Panthers

By LEE GENTRY
Sports Editor

AMORY—Defense... defense... defense... It takes a good defense to possess a winning football team. Well Booneville's Blue Devils have showed for the past two weeks that they have an adequate defense.

This was the case for the first few quarters here last Friday night but the Devil defensive corps let down just enough for Amory's Panthers to eek out a 20-11 victory at Panther Stadium.

The Devils indeed fought tooth and nail with the favored Panthers through

the first two frames and trailed by only four points 7-3 at the intermission.

Players from the Booneville bench were constantly chattering on the sidelines "Hey we can beat this team. They're good but I don't think they are that good" just to name a few quotes.

Well, the men in Blue certainly showed they could play with the Lee County troop and battled the Little Ten team hard through the first two quarters.

Amory looked rather impressive in their opening scoring drive of the football game and promptly marched some 60 yards for the opening score. Lee Davis,

all-conference performer, scored the final 24 yards on a sprint over right tackle for the Panthers first tally of the night. Mike Edgeworth added the point after Amory and took a 7-0 lead.

Booneville then took over the pigskin and promptly moved the football up and down the field on numerous occasions but just couldn't shove the ball across the goal line.

Amory was indeed a favorite over the winless Blue Devils but with help from people like Gary McVey and Greg Steen the Devils stopped most of Amory's threats. McVey chipped in with a pair of interceptions while Steen had one also and the unique part is that the interceptions stopped major drives by the Panthers.

The Devils first score came in the opening half. Booneville had rather poor field position through the first two quarters. Moving from inside their own 40 yard line, the Devils moved

the ball inside the Amory 10. Again their drive stalled and Coaches Curlee, Presley and Gullett called for the toe of Jeff Harrington. The BHS lad split the uprights with a 26 yard field goal to trim the Panther lead to 7-3.

The Devils were also hampered by injuries especially through the opening half. Several key performers were shaken up by a very aggressive bunch of Panthers. Senior receiver and All Conference hopeful Carlton Calvert was shaken up and only minutes later sophomore Larry Mackin was injured.

The two performers sit out the remainder of the opening half but a sigh of relief fell across the Booneville fans when the two performers made their presence in the second half.

The Devils didn't fare that well in the second frame Amory took charge of the football game and put the Booneville squad away in the final two frames.

The key play and some

folks called it the turning point in the game came early in the fourth period when Kennedy Meaders capped off a 70 yard drive with a burst over right tackle from three yards out.

The Panthers, who now posts a 2-1 overall record on the season, final six pointer came late in the contest. Davis again got into the act this time with a 12 yard sprint to put the game out of reach at 20-3.

The Devils came back in the closing minutes of the game with a well substaigned drive capped off when Devil back Brad Miller plunged over from the three for the score. Booneville quarterback Greg Oakley then fired a pass to Miller for the two point conversion to trim the lead.

Too little too late as the clock expired and the Panthers held on to post the nine point win.

The Devils are at home this week against Kossuth's Aggies while Amory travels to Ben Jones Country to face New Albany's Bulldogs.

Wrestling Tonight
At Northeast Gym

Wrestling fans will come alive here tonight (Thursday) when Championship Wrestling makes it's return to the Northeast Mississippi Junior College.

One of the top wrestling cards of all time has been signed for tonight's affair.

Wrestling superstar Jerry "The King" Lawler makes a return visit to the Booneville area battling his former wrestling associate Jimmy Hart.

This is just part of the action. A world heavyweight title match has been signed with badman Tommy "Wildfire" Rich battling Billy Robinson in the main event of the night.

Also, Handsome Jimmy Valiant will be on hand as he battles Killer Karl Krupp in a grudge fight to the finish.

This is still just a small portion of the action for tonight's Giant All-Star Card. In a six man tag team match, Tojo Yamamoto, Jerry Jarrett and Bill "Superstar" Dundee will match talent and wit with badmen Dr. Bill Irwin, Gypsy Joe and the Angel.

The opening event of the night will pit Sonny King against Carl Fergie to start all of this top notch action.

Northeast athletic director Bill Ward said he felt like the wrestling

promoters had lined up an outstanding card and added that he looked for a large crowd to attend.

Action gets underway at 8 p.m....Make your plans to attend this top notch card.

Tigers Ranked 12th
By National Poll

The Northeast Mississippi Junior College Tigers have been ranked 12th in the nation by a junior college poll released this week.

The Tigers, pre season pick as the North's number one team, earned the National ranking after last week's 26-23 victory over two time state defending champion Jones Junior College.

This marks the first time in the history of the college that a Northeast football team has earned a spot on the National poll.

In the latest poll the Tigers are tied for the 12th spot with Montgomery of Rockville.

Devil, Aggie Series Recap

Booneville's Blue Devils will meet Kossuth's Aggies for the 44th time here Friday night when the two rival schools collide at Northeast's Tiger Stadium. The series between the two schools began in 1937 and since that time Booneville holds the edge with 28 wins against 11 losses along with three ties. At home the Devils have won 15, lost 5 and tied 2. The last time Kossuth beat Booneville was in 1961, 47-27. Kossuth holds only one consecutive win streak, that coming in 1950-54. Booneville and Kossuth also met on October 21, 1938. Both teams were undefeated. Kossuth was coached by J.P. Box who would leave the next year and become an assistant and later head coach at Booneville. The game had such wide area interest that schools in other adjoining towns closed for the day so they could attend. Booneville won 6-0. Another side light to Friday's game, the Aggie Coach, James Drewry, who was at Booneville 13 years, never lost to Kossuth. His first year, 1965, it was a 13 all tie, and leaving out the one point win for Booneville in 1976. The Devils have won by rather large scores. The biggest score was at Kossuth in 1967. On the first play from scrimmage Bill Breedlove ran 75 yards for a TD. Booneville scored the first four times they had the ball. It was 27-0 at the end of

the first quarter and the final score was 54-0. In 1978 Booneville won 25-0 with Brad White, BHS quarterback scoring 3 TD's. In 1979 the Devils, behind the scoring of Robert Rowan, Raymond Justice and Mike Triplett, took a 20-5 victory at Tiger Stadium. Rowan scored on a 31 yard run, Justice scored from two yards out and Triplett caught a 25 yard pass from Buddy Hall to account for the Devil scoring. And last year the Devils won again. Taking a 16-14 victory over the Aggies at the Kossuth Field. Braddock Miller, Bill Groves and Buddy Hall accounted for the Blue Devil scoring to give the Devils the two point win. Devil-Aggie football for the 44th time. Action set Friday night at Tiger Stadium. Be there...

Strict 'Lee' Speaking

By Lee Gentry

The football fever atmosphere has hit the Northeast Junior College and it looks as though the Tigers are headed for the State playoffs. Most coaches would tell you not to say that this early that it will jinx them so I want.. Indeed things are all peaches and cream at Northeast after the big win over Jones last week and you can just tell by walking on campus that everyone was delighted with big un last week. This just could be the best season ever for the Tigers and who knows they just might win it all. Coach Bill Ward reminds the fans that every game now is a big one and reminds everyone to attend Saturday's Homecoming Game at Tiger Stadium against Holmes.

RIVALRY GAME--

Several topics of interest will be brought into perspective here Friday night when the Booneville Blue Devils host Kossuth's Aggies. As everyone knows, the Kossuth coach James Drewry was a former BHS mentor for 13 years and during his tenure, Kossuth, which by the way is where he played his high school ball, never beat him during the 13 years. Now to top those stats off, since he's been at Kossuth the Aggies have yet to beat Coach Curlee and the Blue Devils. Nevertheless, Friday's contest at Tiger Stadium will be a barn burner from start to finish and if everything goes as in the past anything can happen.

DEDICATION--

What is dedication? Well to give you a for instance, last Friday night when Booneville played Amory at Amory Stanley Downs, president of the BHS booster Club was right there on the sidelines watching the Devils in action. That's not odd but what we've neglected to say is that last Friday morning he was in Chicago. Now what he did was to just drive all day long. Stopped in Booneville long enough to eat then hit the road again to Amory for the ballgame. Now that's what I call dedication..

Picking Time Again--

Myself along with everyone else (or just about everyone else) fared well last week in the pickers chart. That just about everyone else concerns our Fearless Fieldgoal Fred who had only a 50 percent mark for the week. If you'll remember he asked for a numerous amount of space for

his computers. Well, Fred if you don't beat what you did last week we're going to the five and ten and buy you a toy computer. At least Pigskin Pete hit one every now and then...

Predictions From The Sports Desk

KOSSUTH AT BOONEVILLE---The Devils have something over the Aggies. BHS showed me something in that they can move the football. The Aggies will be gunning for Bear but I'm going with the Devils in an upset. Booneville by 3.

BALDWIN AT BRUCE---Bearcats couldn't touch the Tigers last week and they'll find the going rough against Bruce but they should take the win. Baldwin by 10.

AMORY AT NEW ALBANY---Amory has a good quarterback and a good runningback but New Albany has Ben Jones. New Albany by 12.

HOLMES AT NORTHEAST---The Bulldogs have showed some strength in the past couple of weeks but they'll need more than that to handle the first place Tigers. Northeast by 18.

TULANE AT OLE MISS---Ole Miss had their high a week ago against the Tide but Tulane just can't handle them. Rebels by 10.

STATE AT FLORIDA---Close game here. Gatoraid will be plentiful but State should handle them. Not without a fight mind you but should handle them. State by 3.

TENNESSEE AT AUBURN---This game is a tossup. There playing at Auburn but the Vols will be higher than a kite. The game will be decided in the last minute of play and I'll take Tennessee by 4.

NEBRASKA AT PENN STATE---Huskers will play well against the Lions, here again nationally televised, rivalry game, two nationally ranked teams. What can you say? I say close all the way but I'm going with Nebraska by 7.

STANFORD AT OKLAHOMA---The sooners will goar 'em to death. Oklahoma by 14.

BAYLOR AT TEXAS TECH---Red Raiders will roll at home. Texas Tech by 10.

MEMPHIS STATE AT GEORGIA TECH---Tigers have a little something maybe just enough to eek out this win. Memphis State by 4.

USM AT EAST CAROLINA---East Carolina may be asking for more but believe me the Golden Eagles will soar? How's that Leighton? USM by 10.

Till Next Week.

Cards Of Thanks

We wish to express our appreciation to our many friends, neighbors, and relatives for their prayers, kindnesses, and sincere sympathies shown us in the loss of our loved one, William Elgie Perrigo. We thank you for the food, the flowers, the phone calls, and the comforting words. We thank the Medical Clinic doctors, the nurses on B wing at the Northeast Hospital, and McMillan Funeral Home for their services, and Bro. Johnny Duval for his comforting words. May God bless you all.

CONTAINMENT VESSEL—Overall construction at the Tennessee Valley Authority's Yellow Creek Nuclear Plant has advanced to approximately 16 percent completion. Major emphasis has recently centered on erection of the steel containment vessel for the Unit 1 reactor building,

shown here from 150 feet directly overhead. When complete, the containment vessel will be a sphere approximately 200 feet in diameter, made up of plates up to 1³/₄ inches thick. Welding and fitup is nearing completion for the first two courses, or rings, of the containment. (TVA photo)

Pvt. Smith Completes Training

FORT KNOX, Ky.—Pvt. Tommy W. Smith, son of Mrs. Annie L. Grimes, Route 6, Booneville, Miss., recently completed training as an armor crewman at the U.S. Army Armor School, Fort Knox, Ky.

The training was conducted under the One Station Unit Training (OSUT) Program, which combines basic combat training with advanced individual training into one 13-week period.

During the course, students received training in the duties of a tank crewman, including firing the tank's armament and

small weapons. Instruction also was given in field radio operations, map reading, and tank maintenance and repair.

For Rural Residents Manpower Services Office Now In Every County

Through the cooperation and efforts of the U.S. Department of Labor, county and city governments, the State Cooperative Agricultural Extension Service, and the Mississippi State Employment Service, manpower services are now available in every county of the State.

It has been a primary goal of the U.S. Department of Labor's Employment and Training Administration to see that rural residents have the same access to em-

ployment and training services as urban residents. Through a network of state employment services, a wide range of services is offered to help rural workers find jobs and employers to meet their personal needs.

According to Charles Smith, manager of the Mississippi State Employment Service, in this area there are four Rural Employment and Training Service (RETS) offices set up in rural counties to help in serving the people in those counties. These offices are

open five days a week from 8 a.m. to 5 p.m., and offer the same services as are available in larger employment offices, such as interviewing, job bank, testing, counseling, and training, referral to placement, and other services in readying individuals for employment.

RETS Offices in the northeast Mississippi area are located in Tishomingo, Tippah, Prentiss, and Marshall counties and have been instrumental in placing a number of individuals in productive jobs, Smith said.

THOUGHT FOR THE WEEK

'The Backslider's Calendar'

By Tom F. Rayburn

JANUARY: I hereby resolve to start to church this year. But I'll wait until February. Gotta get over the holidays. They take a lot out of a fellow.

FEBRUARY: Weather is terrible. I'll start when it gets a bit warmer. My blood is too thin this time of year.

MARCH: Lots of sickness just now. Got to keep away from those bugs.

APRIL: Easter..big crowds..they won't miss me.

MAY: I've been holed up all winter and now that the weather is getting pretty it's time to hold reunions.

JUNE: I'll wait until the baby is older. How on earth do some folks take their babies when they are just a few weeks old...and then never miss Sunday worship.

JULY: Boy! The heat is terrific! That air conditioning in the church might give me chills, and anyway we've got that cabin boat for Sundays.

AUGUST: Preacher's on vacation. He'll never know if I miss. Never liked those guest

preachers anyhow, but when the preacher gets back...

SEPTEMBER: School's started. Vacation threw me behind in my work. Got to make one last visit to my relatives before the snow flies.

OCTOBER: Leaves are beautiful this time of year..I can worship God outdoors anyhow..kids will be cooped up all winter..so

NOVEMBER: Getting colder..can't stand warm church buildings with a lot of people in them. I'll start back to church when it gets warmer.

DECEMBER: Christmas! It belongs to the kids. I don't have time now for the church; roads are dangerous too...anyway, next month is January. I'll resolve now to start going to church next year. -copied from Pulpit Helps. "Not forsaking or neglecting to assemble together as believers, as is the habit of some people, but admonishing, warning, urging and encouraging one another, and all the more faithfully as you see the day approaching."

TOP FRESH PRODUCE

We proudly feature TOP FRESH PRODUCE. When it comes to produce, it's the closest thing to perfect. Only the finest, tastiest, premium quality fruits and vegetables, carefully selected to meet the most exacting standards for freshness, flavor, color, texture, and shape. With TOP FRESH, we give you our best.

NO-FRILLS PRODUCE

Now...especially for thrifty shoppers...NO-FRILLS non-branded produce! Wholesome, good-tasting "everyday" quality packaged in plain black-and-white, for significant savings. When you're feeding your family, who cares if the potatoes are different sizes or some carrots are broken? If you're looking for a way to balance your grocery budget, discover NO-FRILLS PRODUCE.

WAREHOUSE PAK PRODUCE

Need enough slow and potato salad to feed a hungry cookout crowd? Enough apples and oranges to treat a kindergarten class? Buy 'em by the case! Churches, clubs, big families, anybody who needs a lot of fresh produce can buy it cheaper by the bushel, crate, or case at WAREHOUSE!

NO-FRILLS MARK-IT

YOU HELP US CUT OUR HANDLING COSTS...
WE HELP YOU CUT YOUR GROCERY BILL!

1. Take it out of the case.
2. Check the price on the shelf.
3. Mark the price on each item.
4. Enjoy the extra savings!

MARK IT

THE ANSWER!

Our No-Frills MARK-IT section...the answer to high food costs! It's the savingest place in town. The prices on these two pages are not "specials" but low, everyday MARK-IT prices. Compare them to what you've been paying! At WAREHOUSE, we're dedicated to saving you money.

First we CUT OUT THE FRILLS and eliminate the high expense of national advertising to bring you our NO-FRILLS line of non-branded products. No fancy fragrances or patterns, no colorful labels, no extras. Just basic household products and wholesome "everyday" quality foods labeled in plain black-and-white. Why pay more for a brand name?

Then we CUT OUR OVERHEAD. When you take an item out of the case and mark the price yourself, our handling costs go down. And we pass the savings along to you!

Now you can CUT YOUR GROCERY BILL! Join our No-Frills savings plan. Mark it yourself...see how much you save!
