## Races Finalized For City Elections

The deadline is past and the slate is set for Prentiss County's municipal elections this summer.

A total of 54 persons are seeking election to office in Prentiss County's four municipalities—62 counting Rienzi which is just across the Alcorn County line.

Booneville, with 19, has the largest number of candidates to have qualified. Baldwin follows with 18, then Jumpertown with 11 and Marietta with six. Rienzi has eight candidates to have qualified.

### Booneville

Booneville Mayor Charles Crabb received no challenge for the May 12th election and will seek re-election unopposed.

With Stanley Downs and James Christian qualifying late last week, Booneville now has a total of 13 candidates for the five aldermen-at-large positions.

Other candidates who had qualified earlier for the Booneville aldermen posts included all five incumbents—Bluford Allen, Jack Arnold, Wade Lambert, Charles Steen and Norman Young—as well as Willie D. "Dicey" Jumper, Jimmy Jones, James C. "Jack" Kendrick, Perry Henderson, G.T. Pharr, and R.G. Houston.

In the race for Booneville Chief of Police, incumbent W.W. Stacy is being challenged by John O. "Bobby" Lambert, Franklin Nolon, Oswald, R.C. Calton,

and Johnny Lee Nichols.

### Baldwyn

Incumbent Mayor Merle Rowan will have one opponent, William R. McCary, in the Baldwin election on May 12.

Three of the city's present aldermen—Jackie B. Cole, James Harold Dodds and Robert Wayne Griffin—are seeking re-election.

Seven other candidates have qualified for the Baldwin alderman race: Billy Joe DeVaughn, John P. "Jake" Duncan, Thomas G. Graham Jr., Louis Hinds, Milton H. Nanne, Clyde Tapp and Charles Bernard Weatherford.

In Baldwin's chief of police race, incumbent

## New Member Named To City School Board

A new member was appointed to the board of trustees of the Booneville Municipal Separate School District by the Booneville Board of Mayor and Aldermen during their regular monthly meeting last week.

Richard Coggin, vice-president of Prentiss Manufacturing Company in Booneville, was appointed to the position vacated when city-county engineer Don Eubank resigned from the board.

Eubank and another member of the city school board, William Anderson,

resigned last summer, effective July 1, 1980—the date of implementation of the new separate school district.

Eubank resigned because he had moved outside the city limits of Booneville and, thus, outside the boundaries of the separate school district.

Anderson resigned after being advised by city school board attorney William Smith that his positions as a city policeman and as a Justice Court Judge might constitute a conflict of interest with the school board.

Anderson's wife, Mrs. Betty Anderson, was ap-

pointed to his old position on the board almost immediately, but Eubank's position had remained vacant until last week.

Coggin was appointed to the school board for a one-year term, to expire March 7, 1982.

In addition to Coggin and Mrs. Anderson, other members currently serving on the city school board are Dr. William H. Preston, president; R.B. Prichard, and Billy Morgan.

All three were appointed to the school board by the Booneville Board of Mayor and Aldermen in September 1979.

**DOWNTOWN FIRE**—Booneville Firemen spray water on the second floor of Pat's Fashions on Market Street in downtown Booneville Saturday night after an apparent electrical short caused the blaze. The firemen extinguished the blaze quickly and kept it from spreading to adjacent stores. The Booneville clothing store received heavy fire, smoke and water damage.

## Downtown Fire Causes Heavy Damage To Store

A Saturday night fire heavily damaged a womenswear clothing store in downtown Booneville this past weekend.

The fire reportedly started in the front of the top floor of the two-story building at 207 Market St.

Pat's Fashions, owned by Mrs. Pat Finch of Booneville, occupied the bottom floor of the building and the top floor was used mainly for storage.

Booneville Fire Chief Frank Fleming attributed the cause of the fire to an electrical short.

Most of the fire damage was confined to the front 15-

20 feet of the second floor, he said.

"It was really not as bad as it looked," Fleming said.

The flames coming out of the second floor windows melted aluminum siding which had been placed over the brick wall during a remodeling of the building a few years ago.

Although the ground floor received little or no damage from the fire itself, it did suffer heavy smoke and water damage.

The Booneville Fire Department received the report of the fire at about

## College To Advertise Dorm Bids Separately

The Northeast Mississippi Junior College will advertise separately for the construction of two new dormitories to be built on the campus with funds from a recently approved \$2.5 million Farmers Home Administration loan.

The decision was reached at the regular meeting of the college's board of trustees Tuesday.

The board hopes to begin advertising for bids for the construction of the new dorms—one for men and the other for women—by June, with construction to begin the next month, it was reported Wednesday.

Present plans call for the construction of a 120-bed girls dorm and a 116-bed boys dorm. The girls dorm, at five stories high, will be the tallest building in Prentiss County, one board member has said.

In other action Tuesday, a \$23,335 contract was awarded to C&I Contractors of Corinth for the installation of insulation in the Frank Haney Union. Work is expected to start in two weeks.

Board members also agreed to advertise for bids for the renovation of a house

**THE MAYORIAL HUG**—Booneville Mayor Charles Crabb "lays one on" Booneville Band Director Sherry Shandige last Wednesday as the band returns with top honors from the State Band Festival at Hinds Junior College in Raymond.

The Booneville Band received an All Superior rating and took top honors in concert, sight reading, marching, inspection, drum major and student conductor. A salute to the band appears on pages 10 and 11 of today's paper.

## Sex Equity Survey

## Local Female Seniors' Attitudes Are More Non-Sexist Than Males'

By KEN CHRISTIAN  
Editor

Prentiss County's female high school students may be liberated, but apparently the male students are not.

A recent survey conducted among high school seniors in Prentiss County revealed that more females than males feel it is acceptable for men to work in jobs

traditionally considered "for women only," jobs such as secretaries and nurses.

The survey was conducted by Mrs. Laura Cartwright and the Business and Office Department of the Prentiss County Vocational-Technical School to determine the influence on the attitudes of students of a Business and Office Department that

supports a strong belief in sex equity.

To conduct the survey, permission was secured from the school principals and a questionnaire was given to a total of 231 seniors in the five Prentiss County high schools—Booneville, Jumpertown, New Site, Thrasher and Wheeler.

Of the 231 seniors, 107

were females and 124 males.

The questionnaires were given out by the senior English teachers at each school, since they teach all senior students.

There were 14 statements on the questionnaire. The student was to mark "I agree" or "I disagree" on each one.

When a student's

response indicated a sexist attitude, he was scored "0" for that question. If the response was non-sexist, he received a score of "1." Thus, total scores could range from 0 to 14, with a high score indicating an attitude of sexual equity and a low score indicating a traditional sexist attitude.

Students scoring from 0 to

4 on the quiz were considered to have traditional sexist attitudes; those with scores of 5 to 9 were considered mildly sexist; and those scoring 10 to 14 were considered to have favorable sex equity attitudes.

After the questionnaires were tabulated, 56 percent of the female seniors indicated

non-sexist attitudes, compared to only 11 percent of the males.

The highest percentage of the males, 64 percent, fell into the mildly sexist category.

The accompanying chart shows the results of the survey when compared by sex, school, and age. (Chart appears on Page 2.)

Ninety-three percent of the females felt it was all right for boys to take Cooperative Vocational Office Training but only 56 percent thought it all right for a boy to be in a cooking class.

Of the males, 78 percent thought it proper for a boy to

Johnny W. Conlee is being challenged by Sammie L. Bolton and Carl J. Lindsey.

Incumbent city clerk James P. McWhorter will face challengers Lynda Bedford Conlee and Ruby Duncan Colston in May.

### Jumpertown

The city of Jumpertown plans no primary election in May, according to city clerk Janie Gray, but will hold a general election on June 2.

At that time Jumpertown Mayor Bobby Smart will face his only opponent thus far, challenger C.D. Windham.

All five incumbent aldermen will seek re-election in June. They are Eddie Mauney, Jimmy "Bud" Simes, J.M. "Win" Green, Charlie Geno and Ernest Burns.

They will be challenged by four opponents: Orman L. Bridges, J.C. Young Jr., O.S. Moore Jr. and David M. Yates.

### Marietta

Marietta has six offices up for election and this summer

and only six candidates have qualified to fill them.

Incumbent Mayor James C. Pharr and incumbent aldermen Hollis Pharr, C.T. Moore and Kenneth Moreland have all qualified for re-election.

Tommy Harris and Hershal H. Pharr Sr. have qualified to seek election to the positions held by the two aldermen who are not seeking re-election.

### Rienzi

Incumbent Mayor Edward Switcher and challenger Danny Lowery are candidates in Rienzi's only contested race.

Four of Rienzi's incumbent aldermen—H.M. Palmer, Henry Palmer, Clarence Stacey Jr. and Smith Benjamin—have qualified to seek re-election. Walter Williams has qualified to seek the one remaining alderman position.

Town Clerk Jim Keele is running for re-election unopposed.

take the office training and 31 percent thought it all right for a boy to be in a cooking class.

The survey indicates that there is little difference in sex equity attitudes in the town and in the rural schools.

Although the 18-year-olds were highest in the mild

sexist attitude, 16-year-olds seemed to have changed their minds by the time they were 18.

The survey shows that females are far stronger in their beliefs of sex equity, but it is felt by those who conducted the survey that males are becoming less traditional in their attitudes.

## Cut Line Causes Telephone Woes

Long distance telephone service in a four-county area of Northeast Mississippi was severely limited last Thursday when a backhoe being used to lay a spetic line in Tupelo accidentally cut through a toll cable, according to South Central Bell officials.

Bell District Manager Tom Bailey said the backhoe cut nearly three-fourths of the way through what he termed a "toll cable."

"There were 200 pairs in this line," he said. "Of the 200, 157 were damaged, thus leaving people in Prentiss, Tishomingo, Alcorn and parts of Lee County without long distance service."

Although long distance service was not totally out,

Bailey said so many people tried to call that a temporary jam was created when the remaining functional circuits were overloaded.

"We wish we could give better protection, but these things just happen," he said. "We are genuinely sorry for the inconvenience. We have a publicity campaign going now to try to make people aware of where our lines are."

Service was hindered from the first report of the cut at 1:50 p.m. until the evening. "We got the repair completed by about 5:30," Bailey said.

The service break affected roughly 25,000 Bell customers, he said.

spokesman said.

The board accepted a \$9,700 bid from Jim Byram Ford for a used car for administrative use.

The board also took under advisement several bids from suppliers of copy machine paper and considered a suggestion that a new Northeast sign be erected at the western end of the campus.

Since the fire was still limited to the front section of the second floor, it did not take long to extinguish the blaze, Fleming said.

This is the first major fire at a business in the downtown Booneville area since the old Prentiss County Home Bank building burned in September 1975, Fleming said.

## BIBLE QUESTION BOX

QUESTION: Mr. Hogland, what were the demons in Bible times? Do you feel that people have demons today as they did in New Testament times?

WARD HOGLAND

ANSWER: The term "demon" seems to be of Grecian origin. The word was written and pronounced "daimoon," which means to discriminate, to know. Josephus, the Jewish historian, used the word to refer always to evil spirits. He said, "Demons are no other than the spirits of the wicked, that enter into men and kill them, unless they can obtain some help against them." (Tobit 8:2-3). In answering the second part of your question, I do not believe people have demons as they did in New Testament times. God obviously allowed these demons to enter people in the days of Christ and the apostles so they could demonstrate their power over them. Some will argue that the people who had evil spirits were merely insane. I do not believe this to be true. I do believe the demons were the instruments of satan during the first century (Matt. 12:24). Christ showed his power over satan in many ways and this was one of the many ways it was done. When demons possessed people they caused some to be blind, dumb, deaf, savage and fierce, have super-human strength, grind their teeth and foam at the mouth. Demons are not with us today and neither is the power to raise the dead, handle snakes without harm or drink poison. (see 1 Cor. 13). SEND YOUR QUESTIONS TO:

## Two Named Scholars

Deanna White of Booneville High School and Joseph Mark Kelly of Wheeler Attendance Center have been named Governor's Scholars, Gov. William Winter announced last week. They were selected because of their superior academic achievements, he said.

Winter initiated the Governor's Scholar program to recognize scholastic achievement among high school students and to emphasize the importance of academic excellence, an aide said. Governor's Scholars from across Mississippi will participate in the Governor's Colloquium on Science, Engineering and Technology to be held on April 23 in Jackson.

The Colloquium, sponsored by Gov. Winter and the Mississippi Academy of Sciences, is part of an effort by the governor to emphasize the importance of developing high caliber scientific and technological skills, Winter's aide said.

During the daylong Colloquium, papers on health sciences, engineering and computer sciences will be presented by Mississippi Academy of Science members, Dr. Ben Douglas, Assistant Vice Chancellor of the University of Mississippi Graduate School of

Medicine; Dr. W.L. McDaniel, Dean of the College of Engineering at Mississippi State University; and Dr. Don Trotter, professor of electrical engineering at Mississippi State University.

An evening address by the Nobel Prize winning physicist Dr. Arno A. Penzias will highlight the Colloquium. Dr. Penzias is executive director of Bell Labs Research Communications Science Division. With one of his colleagues, he was awarded the 1978 Nobel Prize in Physics.

The Colloquium is part of Gov. Winter's continuing effort to promote and develop education in Mississippi, the aide said. Education advancement has been a primary objective of the governor during his first year in office.

According to Winter, Mississippi's economic health is closely related to the quality of its educational instruction.

The growing technological sophistication of the South's industrial structure makes it essential that we allocate additional resources and place increased emphasis on in-

struction in mathematics, science and economics," Winter said.

Michael Ray Burcham of Northeast Mississippi Junior College will also participate in the daylong Colloquium.

**THREE AT ONCE**—"We always wanted three kids and, well, now we've got 'em," says Mrs. Gail Humphries of Mobile, Ala. She and husband John recently became the parents of triplets—John Jason, Christina Lee and Wendy Marie. Mrs. Humphries is the granddaughter of Mr. and Mrs. Guy Woods of Booneville and the new arrivals are their great-grandchildren. Woods, who will be 82 on April 21, said he is expecting a visit from the Humphries and other relatives during his birthday.

## TVA Seeks Comments On Land Development

TVA is seeking final public review and comment on a plan for managing the use and development of some 17,000 acres of land around Pickwick Reservoir.

Comments, which are due by May 10, may be submitted to TVA in writing or presented verbally to the

TVA staff at two meetings scheduled later this month.

The first meeting will be held April 28 in the Richards Education Center in Florence, Ala. The second meeting will be held April 29 in the banquet room of Pickwick Landing State Park Lodge. Both meetings are scheduled from 6 to 9 p.m.

## Boy Scout Camporee At Booneville April 24-26

The Tombigbee District Boy Scout Camporee will be held April 24-26 at the Booneville West Side City Park, according to Jimmy Russnogle, area scout executive.

Scouts from Prentiss and Itawamba counties will be involved in the Camporee which will begin at 3 p.m. Friday, April 24, and end at 9 a.m. the following Sunday, he said.

The Camporee will involve several areas of competition for the scouts, including knot tying, reading map symbols, first aid (bandaging with neckerchief), measuring cliff heights, and semaphore (signaling with flags).

Bill Murphy of Booneville is responsible for securing judges for the competitive events which will be held from 9 a.m. until 5 p.m. Saturday, Russnogle said.

There will also be a tug-of-war Saturday afternoon, he

said.

Mayor Charles Crabb is to open the campfire on Saturday at 8, Russnogle said.

"The public is invited to come and see what is happening on Saturday and also to attend the campfire," the local scout executive said.

As of last week, five troops had signed up to participate in the Camporee: Troop 15, sponsored by the Mantachie Lions' Club; Troop 37, Booneville First Methodist Church; Troop 79, Brown Shoe Company; Troop 92, Jumpertown Methodist Church; and Troop 96, The Church of Jesus Christ of Latter Day Saints in Booneville.

Russnogle said he expects at least five or six more units to sign up before next weekend.

For more information on the Camporee, contact Russnogle at 728-3417.

### For First Year Students

## Birth, Health Certificates Required

While most Prentiss County students are counting the days until summer vacation, many youngsters are just beginning the anticipation and registration process for their first year of school.

Children who will enroll in kindergarten or first grade for the 1981-82 season are required to have a certified birth certificate and the blue certificate of compliance for proof of immunization, according to the Mississippi State Board of Health.

Only children enrolling in school in Mississippi for the first time—kindergarten, first grade, or from a non-Mississippi school system—will need the Certificate of Compliance.

The immunization compliance forms and birth certificate application forms are available from the county health department, the spokesman said. Private physicians and other health care providers also offer the Certificate of Compliance.

Birth certificates may also be obtained by writing the State Board of Health, P.O. Box 1700, Jackson, MS 39205.

The short form birth certificate meets school requirements and costs half as much as the long form, a Board of Health spokesman said.

Written requests, along with the \$5 fee, should in-

clude the child's full name, date and county of birth, the mother's maiden name and the father's name. Checks should be made payable to the State Board of Health.

## Sex Equity: A Two-Way Street

"No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving federal financial assistance." —Public Law 92-318.

Since the passage of Public Law 92-318 in 1972, much fanfare has been given to the movement of women into what have traditionally been considered male occupations.

But, when speaking of sex equity, we are dealing with a

two-way street. And much less consideration has been given to males who might be interested in entering traditionally female occupations.

Sex equity is freedom from favoritism based on sex—either male or female. It is equal treatment that allows both men and women to expand and develop according to their individual needs.

It fosters mutual trust as persons of both sexes become unrestricted in their roles.

Sex bias shows itself in behavior based on the idea that one sex is better than

another. Sex discrimination is action that limits people or denies them something because of their sex.

A sex equity program is a deliberate effort to enhance men's and women's abilities to work together productively and to build stable, satisfying family relationships.

While some—and probably even most—men do not want employment in areas traditionally considered feminine, by striving to work together, we can give everyone, male and female, the opportunity to be the best they can be at whatever they choose to do in life.

## A Terrible Price To Pay

Dear Editor:

On behalf of myself and the 90,000 members of the National Coalition to Ban Handguns, I want to express shock and outrage over the assassination attempt on President Reagan. We are all relieved that he is recovering so quickly.

This tragedy again shows the terrible price our society pays for the lack of any effective federal handgun control laws.

In 1980, handguns were involved in over 11,000 murders and in over 12,000 accidents and suicides in this country. And on the day President Reagan was shot, some 342 other Americans were wounded with handguns.

All this senseless death and violence is inexcusable,

because handguns serve no legitimate purpose in our society.

Confrontations with burglars are so rare that a handgun bought for "self-protection" is six times more likely to accidentally kill you or a member of your family than to deter an intruder.

Handgun wounds are the fifth leading cause of death among children under the age of 15.

What can be done to stop this handgun epidemic?

The Kennedy-Rodino bill now before Congress would greatly strengthen the provisions of the Gun Control Act of 1968 and would ban the infamous "Saturday Night Special." However, the McClure-Volkmer bill, supported by

the National Rifle Association, is designed to make it even harder to arrest and convict illegal handgun dealers.

Write to your senators and congressmen today and express your support for strong, effective handgun control laws.

We have to work together, not as Republicans or Democrats, but as Americans. Let's not wait to bury another president before Congress lives up to its responsibilities and enacts meaningful controls over these tools of death.

Sincerely,  
Edmund J. Perret II,  
Chairman,

## Hire Student, Pay Less Tax

By LAURA CARTWRIGHT  
Coordinator  
Coop VOT Program  
Prentiss County  
Vocational-Technical School

A recent bulletin from IRS says, "Hire more workers, pay less tax!"

And this is possible if you hire a student taking Cooperative Vocational Office Training at the Prentiss County Vocational Technical School. Most of us refer to this as Coop VOT.

The Revenue Act of 1978 gives you a tax credit of as much as half of the first \$6,000 in wages paid for such workers during their first full year on the job, and as much as one-fourth of the first \$6,000 in wages paid such workers in the second

year of employment.

You, as a professional or private businessman, are entitled to this credit. If you are afraid of the "paper work," there is no problem there.

A certification that the student is a qualified cooperative education student is prepared by the coordinator of the program in the Business and Office Department at the Prentiss County Vo-Tech School. All that is necessary from the employer is to give the name and address of the firm, the IRS identification number, and a signature.

You claim the tax credit by filing a copy of this form with your federal income tax.

Not only will you save, but

you will be giving a young man or a young woman the opportunity to gain valuable experience while he or she is still at the high school level.

Remember. For employers to receive a tax credit for cooperative education students, the school program must have: (1) a program of vocational education, (2) a written arrangement between the school and employers, (3) required academic instruction, and (4) alternating study and work planned and supervised by the school to further the student's education and employability.

If you would like to be an active participant in helping us to train these young people, call me at 728-9259 or 728-3915.

Reflections

By Ken Christian

Recently in this column I reported the problem we have here at The Banner-Independent each spring with birds managing to find their way into our office. They often create tremendous headaches for themselves by trying to fly back outside via our front windows (which incidentally are permanently closed).

I thought we had problems! That is until I recently received in the mail some examples of what the Aetna Life and Casualty Company calls its "odd claims."

These are claims filed by the company's customers that involve circumstances a little out of the ordinary. And some of them involve—you guessed it—birds!

For example, there is the "Case of the Kamikaze Partridge" which made a "smashing" entrance into the home of a Connecticut family.

Apparently the unfortunate bird was having a navigational problem—and flew through a large picture window. As if that wasn't bad enough for the homeowner, the bird also deposited his last meal—a few dozen blueberries—all over the lily white walls of the family room!

Then there was the "Case of the Overzealous Bird Dog."

His master took off for a long-planned hunting expedition with Fido in the back seat of the car. Suddenly a dizzy blue jay made its last mistake—flying too low and crashing into the car's windshield.

The bird dog, already excited by the prospects of the hunt, couldn't contain himself and tried to retrieve the battered bird, mauling his master in the process and sending the car into a ditch.

The pup has since been farmed out for remedial training.

There were other "odd claims" that did not involve birds. For example, take the case of "Spaceship Outhouse."

One day a construction worker from Virginia had to interrupt his busy work schedule to answer nature's call. Just as he was settling down with a copy of a magazine in a portable toilet, a load of steel being lifted by a nearby crane shifted and knocked over the toilet.

After a couple of bounces and a short roll, the outhouse came to rest with the door facing down. The disheveled construction worker was trapped—and things got worse by the second.

You can imagine his reaction that evening to his wife's query, "So dear, how was your day?"

## Budget Commission Post Tests Governor

By BILL MINOR  
Columnist

JACKSON, Miss.—An important test is coming soon over whether or not Gov. William Winter is going to be able to put his own man at the head of the legislatively-dominated State Budget Commission, that far-reaching state agency which many in state government feel is now a Super Government body.

The Budget Commission is perhaps the best example of how the Mississippi legislature has extended its power into what is considered in practically every state as the proper functions of the executive branch of government.

Over the last 20 years, the legislature has added to the powers and authority of the Budget Commission to the

point that the commission now has very broad control over how state departments spend their money, whom they may hire and what they may buy.

While the governor is technically the chairman of the Budget Commission, he is surrounded by nine members of the legislature, who are the elitists of the lawmaking body, plus the lieutenant governor. The legislators of the Commission run the show, and have kept their own man as director over the last four or five state administrations.

Francis Geoghegan, a former Jefferson county legislator, has been given the job as the budget director back in the latter 1960's after losing his seat in the House. Despite some rocky times because of

personal problems, Geoghegan managed to hold on as director largely with the help of House Speaker C.B. "Buddie" Newman and some other former House cronies on the commission.

But recently, Geoghegan, reportedly under fire from the Mississippi Ethics Commission, turned in his resignation, effective at the first of this month. As in-

terim director, the commission got retired Deputy State Auditor Robert Scott to serve with the understanding his assignment would be only temporary. Winter has said privately that he is going to pick his own man as the new director and that he doesn't expect to have any problems with the legislative members on the commission. They, however,

will have the votes to accept or reject the governor's choice.

Former State Rep. Charles Deaton, now a member of Winter's staff, has been considered one likely prospect because he used to be chairman of the House Appropriations Committee and would be

## Lower Tax Rates Mean Greater Incentives -- Reagan

By DONALD T. REGAN  
U.S. Secretary of the Treasury

Honoring his campaign pledge to give our economy back to the American people, President Reagan has submitted to the Congress a comprehensive and bold program to reduce the burdens of high inflation and high taxation.

That program consists of four mutually reinforcing elements that, working together, can produce a framework for real economic prosperity and reduced inflation. First, we must pursue a stringent budget policy to restrain the rate of growth in Federal spending and to reduce the deficit. We also must have a stable monetary policy and a program of regulatory reform.

Finally, a key element in the President's program is the income tax relief for all taxpayers to encourage individuals to work and save.

The President specifically proposed that individual income tax rates be reduced by 30 percent over 3 years--by 10 percent per year beginning July 1, 1981.

Inflation has pushed people into higher and higher marginal rate brackets. These are the rates you pay on the next dollar of your taxable income. Let's say you receive a well-deserved raise in pay. It's those additional dollars that are taxed at your highest marginal rate.

Or let's say you're the owner of a business that requires overtime to meet seasonal demands, and you find your employees don't want overtime. What they are telling you is that with the amount of tax taken out of their extra

overtime paychecks, they don't find it worthwhile to work those extra hours.

For example, let's consider a family of four with \$29,000 of income. Assuming their deductible expenses equal 23 percent of their income, their taxable income becomes \$21,730 after claiming all their exemptions and deductions. According to the IRS Tax Rate Schedule, their taxable income falls within the tax bracket of \$20,200 to \$24,600. Under present law, that family will pay \$3,273 plus 28 percent of the \$1,530 in excess of \$20,200. That 28 percent is the family's "marginal" tax rate. The family's tax is \$3,701 leaving it with an after-tax income of \$25,299.

Under the President's proposal, that "marginal" tax rate will be reduced by the year 1984 from its present 28 percent to 21 percent.

Two factors are at work in this proposal. Lowering the "marginal" tax rate not only reduces the percentage figure—in our example, from 28 percent to 21 percent by 1984—but it also will lower the dollar amount of basic tax one pays at the low end of the bracket.

Let us now take our example one step further. Consider what happens today, under present law, to that family of four with a \$21,730 taxable income, when the taxpayer gets a raise of \$1,000 a year. After claiming all exemptions and deductions, the family's taxable income is now \$24,810, which moves them up into the next higher bracket.

The new dollar amount the family will pay at the low end of their bracket rises to \$4,505—and their new marginal rate becomes 32 percent. Therefore, their tax

for the new salary under present law would be \$4,572.

In other words, under present tax law, our taxpayers would make only \$28,428 in after-tax income from a raise in pay. So the \$4,000 raise in reality only a \$3,129 after-tax raise. In other words, the government took 22 percent of the raise in taxes.

We want to put some initiative back in a family's life—to make sure that it's worthwhile to take a better job. Under the President's program, a family would keep more than they otherwise would keep.

The exact money amount isn't as important as the incentive one receives to take a new job, to take some risks, to produce more with the expectation of a greater reward. That's the essence of how marginal tax cuts affect incentives: making it worthwhile for people to work harder, save more and take risks that will benefit themselves and the country. By cutting marginal rates, we will again encourage, not penalize, extra effort and personal savings.

Let me cite just a few of the letters President Reagan has received which illustrate these points:

—A woman from Bronxville, N.Y., writes: "Due to the relentless inflationary spiral we found ourselves being pushed into increasingly heavier tax brackets. Finally, five years ago we stopped saving. Now, last year we actually had to dip into savings to remain afloat."

—A Mesquite, Texas, businessman writes: "We went into business for ourselves about 4 years ago on a shoestring budget and now we cannot handle our taxes.

Raising prices would put us out of a job."

These are exactly the kinds of people who will understand a tax cut program designed to put incentives back in the economy.

It's the marginal tax rate cuts which can hold down bracket creep and keep that Bronxville woman out of the inflationary spiral and put her back into a savings program.

It's a marginal tax rate cuts that can allow the Mesquite, Texas businessman to keep enough of his money to stay in business. It will give others like him the incentive to start their own business because the risks will be worth it.

I believe the public will respond to this program—not in some mystical way based on faith and psychology, but on their logical understanding of what they expect to happen in the future.

In the past, the public quite rightly refused to believe that government had changed its ways. This time—in this Administration—they know different. I can tell you that President Reagan is serious. We are going to lick this problem.

# New Highway Bill Gives Maintenance Top Priority

H.B. No. 1383: Highway financing legislation. (Signed by Governor.)

To provide monies for highways the bill changes the diversion of sales taxes from motor fuels in the following manner:

(a) It caps at \$46 million the total amount of sales tax collections from the sale of motor fuels which will be diverted to the State Aid Road Construction Fund and provides that any money from this diversion may not be pledged for bonds issued after April 1, 1981.

(b) The motor fuels sales tax diversion to the State Highway Fund is continued through June 30, 1985, in the amount of \$42 million for fiscal year 1982, \$50 million for 1983 and \$60 million for 1984.

After fiscal year 1984, any amount of motor fuel sales tax collections in excess of the amount required to be paid to municipalities and the State Aid Road Fund will be deposited in the State

Highway Fund.

If motor fuel sales tax collections decrease, then after July 1, 1984, once the municipalities have received the money

benefit and commercial value, present and future traffic census, and route continuity.

The listing of specific corridors along which high-

ways from the state highway system. The total state highway system is set for repeal on June 30, 1985.

With respect to the operation of the Highway Department itself, the bill attempts to place more administrative control in the director and to remove the Highway Commission from the daily work of the department except for establishing the policies under which the department runs.

The appointment of the director of the department is

made subject to Senate confirmation.

H.C.R. No. 23:

This concurrent resolution proposes an amendment to Section 152 of the Mississippi Constitution of 1890, which presently directs the legislature to divide the state into convenient circuit and chancery court districts.

The proposed amendment, which will be submitted to the electorate on Nov. 2, 1982, directs the legislature to divide the state into not more than 20 circuit court

districts and not more than 20 chancery court districts. (The state presently is divided into 20 circuit and 20 chancery court districts.) The legislature is further directed to redistrict such districts by Dec. 31 of the

fifth year following the 1980 federal decennial census and each federal decennial census thereafter.

If the legislature fails to redistrict, then the Supreme Court is given the responsibility to redistrict.

The bill establishes maintenance of the present highways system as the first priority for the use of all available monies, and further provides that all funds for highways be expended based on state needs as a whole and not based on any formula which establishes a set allocation of monies among the districts.

The Highway Commission is directed to annually have the Highway Department prepare a three-year plan detailing maintenance, construction, reconstruction and relocation projects. The highway commission will establish the criteria which will determine the priority of such projects based on public necessity and safety, present and future economic

In the construction or reconstruction of highways, the type of road to be built is based on traffic count. The authorization for the building of 4-lane limited access highways is deleted.

When 4-lane roads are constructed under the guidelines of this bill, the existing two lanes of road must be used as part of that construction.

Municipal bypasses can only be built if specifically authorized by an appropriation of highway funds for that purpose by the Legislature.

After July 1, no appropriation can be made to the Highway Department until the department supplies the legislature with a detailed program explaining

After January 1, 1984, no county will receive any state aid road money unless it is operating under a county unit system or unless its board of supervisors has adopted a resolution stating it will not adopt a county unit system.

The Highway Commission is required to annually furnish the highways committees of the Senate and House its recommendation for deleting high-

## Forest Fires

### One Of State's Worst Enemies

Mississippi's dry weather is creating an unseasonal forest fire danger period in the state, says T.W. Hickman Jr. of Brookhaven, president of Mississippi Forestry Association.

Wild fire is one of the worst enemies of standing timber, the state's number one provider of manufacturing employment. Many of these fires have been caused by careless outdoor burning.

Unfortunately, some of these fires have also been deliberately set by arsonists, says Hickman. MFA offers forest fire rewards of up to \$500 per fire to individuals supplying information which leads to the arrest and conviction of persons who intentionally

set forest fires.

In some sections of Mississippi, this amount is supplemented by forest products industries operating in that area, with possible reward of up to \$1,000 for each such arrest and conviction in those parts of the state.

Any Mississippians is eligible to apply for a reward except those who are law enforcement officers, employees of Mississippi Forestry Commission, or employees of other state and federal agencies who would be expected to report such information in the course of their employment.

Names of persons submitting information under MFA's forest fire rewards

program will be kept secret if desired, says Hickman. Also, rewards will not be paid to anyone who is any way participated or was otherwise responsible for the fire.

Information may be submitted to Mississippi Forestry Association, 620 North State Street, Jackson; to any county or district office of Mississippi Forestry Commission; or to any representative of a law enforcement agency.

The Mississippi Forestry Association will make the final decision as to whether or not a reward will be paid, to whom it will be paid, and the amount, Hickman said. Only one reward will be paid for each conviction.

## Budget Commission

(Continued from Page 4)

highly acceptable to legislators on the commission. However, Deaton, who plans to go back to his law practice in Greenwood eventually, doesn't want the Budget Commission job, this column learned.

Before he took office, Winter had become quite concerned over the fact that the budget authority in Mississippi is removed from control of the governor and resides largely in the hands of the legislative branch. He intimated then that he would seek to bring more fiscal control back into the governor's office, but so far, Winter has made no fight to change the budgetary set-up.

If Winter can name a new director who will institute a broader, long-range view of budget planning, it could significantly change the present Budget Commission style of flying by the seat of its pants, financing state services on a year-to-year basis.

A remarkable thing about the way the legislature has structured the State Budget Commission in Mississippi is that it does not include the two elected officials charged with the responsibility of looking after the financial affairs of the state, namely the State Treasurer and the State Auditor.

There's a strong indication that the powerful state legislators on the Budget Commission don't care what the Treasurer or Auditor think. Several years ago House Speaker Newman

warned then-State Treasurer Ed Pittman not to speak out about a tax cut. When Pittman continued to voice his opinions, Newman became incensed.

Far beyond the idea of being in the business of preparing and recommending a budget to the legislature each year, the Budget Commission, with lawmakers sitting on it, is in the fields of purchasing, letting state contracts, administering the state insurance program for state employees, and deciding what personnel changes and expenditures state agencies can make.

"If you want to buy a typewriter, you can't do it unless the Budget Commission approves it, even though you have money appropriated for equipment," one state official said.

Another state department head tells of an experience where the Budget Commission turned down a five per cent raise for a 30-year state employee, even after it was approved by the State Personnel Board.

During the three months or so the legislature is in session, persons in state government say the Budget Commission virtually shuts down on approving any requests from state agencies because the lawmakers on the commission are tied up with their work in the legislature, and the staff is given little authority to make decisions.

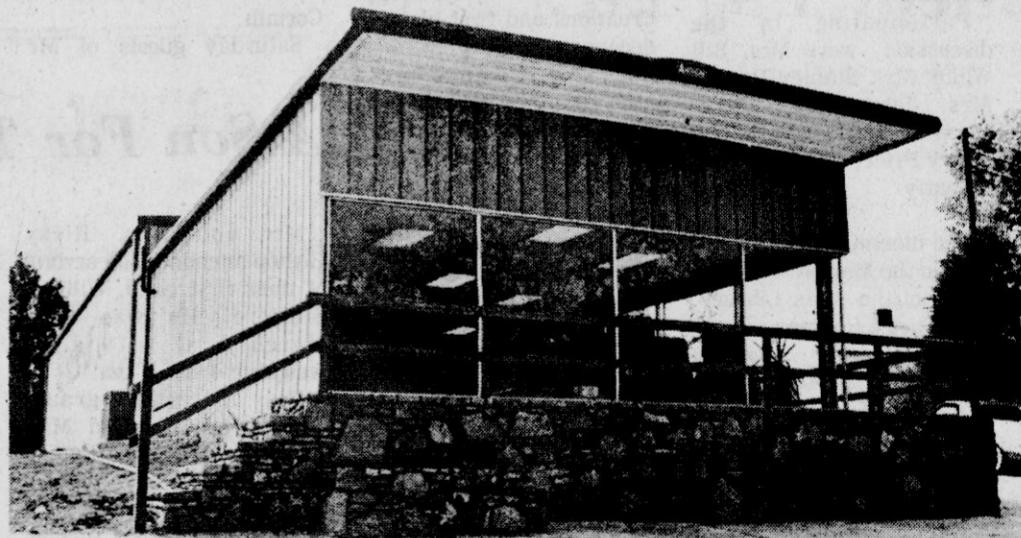

Some skeptics say Winter may have a major battle on his hands getting his personal choice in as Budget Director, because the lawmakers on the commission will want to keep absolute control.

Miss Martha Grisham Is Engaged

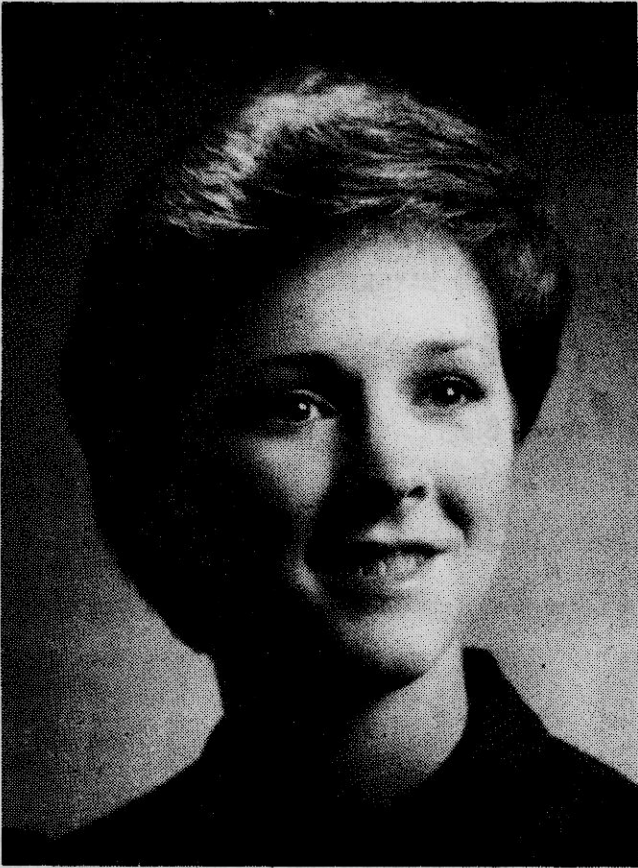

BALDWIN—Mr. and Mrs. Bud Grisham announce the engagement and forthcoming marriage of their daughter, Martha Beth, to George Gary Barnes Jr. of Ocean Springs, son of Mr. and Mrs. Gary Barnes of Saltillo.

The bride-elect is the granddaughter of Mr. and Mrs. Walter Arnold and Mr. and Mrs. W.R. Grisham Sr.

The prospective groom is the grandson of Mr. and Mrs. Leonard C. Irwin of Saltillo and Mr. and Mrs. George W. Barnes of Corinth.

Miss Grisham is a 1977 graduate of Baldwin High School. She plans to receive a BS degree in journalism in May from the Mississippi University for Women, where she is a member of the Mam'selle social club, the Masker social club, Sigma Delta Chi, the Society of Professional Journalists, Women In Communications, Press Club, and the Student Alumni Association.

Barnes is a 1976 graduate of Saltillo High School. He received a BS degree in business administration in August 1980 from Mississippi State Univer-

sity. He is currently employed with the Mississippi State Tax Commission in Pascagoula.

The wedding will be solemnized at 6 p.m. May 23

at the First Baptist Church in Baldwin with the Rev. James E. Grisham and the Rev. Lee Barker officiating. A reception will follow in the church fellowship hall.

Woman's Club Meets

The program of the April 9th meeting of the Booneville Woman's Club at the George E. Allen Library centered on two major topics, national defense and conservation.

Speaking on national defense, Mrs. Webster Cleveland, program director, said that, regardless of demonstrations against our country, "it is the first choice of refugees looking for a home, and citizens in this country still prefer it as a place to live."

She said patriotism soared to a high during the recent Iranian hostage crisis.

Mrs. Cleveland also discussed foreign and domestic problems confronting the United States today. These include inflation, the court system and disagreement over a military draft.

She quoted Secretary of State Alexander Haig as saying that Soviet aggression causes virtually all the world's problems, from the Middle East to Central America, in an East-West context and with an anti-Soviet severity that discomforts our increasingly nervous European allies.

The largest ever United States space craft was to be launched this week, she said, and highly secretive missile work is being conducted in Colorado.

The Yellow Creek Nuclear Plant is also being constructed with safety features in the event the water supply is shut off, she said, and even Tennessee-Tombigbee Waterway planners are making plans for emergency dams.

Mrs. Cleveland urged all United States citizens to "face our problems with a positive attitude." She quoted former President Franklin D. Roosevelt, who said, "All we have to fear is fear itself."

The second part of the program was conducted by Mrs. Emmons Turner Jr. in the form of a dialogue on energy conservation. It was entitled, "Kitchen

Backtalk." Participating in the discussion were Mrs. Bill White, Mrs. Stanley Downs, Mrs. John Smith, Mrs. Hamilton Mathis, Mrs. John Henry Price, and Mrs. John Mahaffy.

The meeting was held at 3 p.m. in the Marion W. Smith Room of the Allen Library. Mrs. Curlee Ross, president, presided over the 28 members present and welcomed Mrs. Carl Barker as a new member.

Mrs. John Smith led the Club Collect and Mrs. Cleveland led the pledge of allegiance.

Mrs. W.T. Barnett Jr. reported on the recent District Convention of the Mississippi Federation of Women's Clubs held in Tupelo.

She said members of the Booneville club who received district honors were Mrs. Stewart Vail, first place in China painting and, Mrs. Donald Carpenter, first

place in Mississippi Creations and first place in decoupage.

Mrs. Carpenter's Mississippi Creation was recognized as the overall winner of the displays, Mrs. Barnett said. The local club's book and its report on international affairs both won third place awards.

Mrs. Sam Galloway, a member of the state board of MFWC, and Mrs. Ross were selected to represent the Booneville club at the state convention of the Mississippi Federated Women's Clubs to be held in Jackson April 24-25.

Miss Candy Cleveland and Miss Lisa Armstrong were chosen to represent the Woman's Club in Booneville's Miss Hospitality pageant.

Spring flowers decorated the room. Refreshments were served by the hostesses, Mrs. William Harold Hatfield, Mrs. Troy Moore, Mrs. Lewis Perry and, in absentia, Miss Vessie Ferrell.

Miss Gannim And Mr. Presley Are Wed

FLORA, Miss.—Mrs. Helen Gannim of Flora announces the marriage of her daughter, Sarah Elizabeth, to William Anthony (Tony) Presley, son of Mr. and Mrs. Herschel Presley of Booneville.

The wedding was solemnized at mid-morning of Feb. 28 in the home of the bride's aunt and uncle, Mr. and Mrs. Lee Childers, of Flora. The Rev. James Holiday officiated at the double ring ceremony.

The bride wore a white street-length crepe dress with V-neck bound in white satin. The long sleeves were trimmed with satin bands at elbow length.

The bride's sister, Marty Gannim of Jackson, Miss., served as maid of honor. Jody Presley of Booneville, brother of the groom, served as best man.

A reception after the ceremony was also held in the Childers' home.

After a wedding trip to Gulfport, the couple are residing in Jackson.

Out-of-town guests attending the wedding included Mr. and Mrs. Herschel Presley and Jody, Mr. and Mrs. Riley Presley, Mrs. Franklin Windham, Mr. and Mrs. Bill White, Bill

Ward Jr., Danny Smith and Larry Nesler, all of Booneville.

Other guests included John Mauney and Mrs. Larry Cole, both of Ripley;

Bill White of Baton Rouge, La.; Jeff Wright and Kim Caver of Lake Charles, La.; Randy Jenkins of Starkville; Mike Green of Hattiesburg; Lisa Cooper of Memphis;

and Mr. and Mrs. Jim Pounds, Tim Wright, Mr. and Mrs. Edd Gregory, Clark Flakeney, Ann Lestre, Torie Crowe and Cindy Burton, all of Jackson.

Miscellaneous Bridal Tea

The couple were honored with a miscellaneous bridal tea at the fellowship hall of the Calvary Baptist Church in Booneville on March 14. Mrs. Charles Crabb and Mrs. Charles Cole greeted the guests; Mrs. Dean Presley, mother of the groom, received the guests with the bride; and Mrs.

John Ratliff registered the guests.

The fellowship hall was accented with many floral arrangements of spring flowers. The refreshment table was decorated with an arrangement of jonquils and garden flowers.

Hostesses Mrs. Theron Pounds and Mrs. Claude McCreary served the punch. Liz Kingsley, Jessie Presley, Sue Dillard, Mildred Scott, Becky Scott, Eloise Kendrick and Marie Wright served as floating hostesses.

Gifts received by the couple were on display in the fellowship hall.

## Booneville Happenings

By JESSIE PRESLEY  
Correspondent

Mrs. Ella Stutts, Mr. and Mrs. Randy Stutts, Mrs. Reba Hughes, and Mr. and Mrs. Vance Potts, all of Booneville; and Mr. and Mrs. Troy Robertson, Greg and Jeff of New Albany attended the wedding of Miss Sherry Potts and Thomas D'Amico in Elmhurst, Ill., Sunday, April 5.

Sherry is the daughter of Mr. and Mrs. Herchel Potts, formerly of Booneville, and the granddaughter of Mr. and Mrs. Vance Potts and Mrs. Ella Stutts and the late T.Q. Stutts of Booneville.

We extend our deepest sympathy to the family of Tom Carter who passed away Saturday night.

Mrs. Bessie Carter remains ill in the North Mississippi Medical Center, Tupelo. We send her our sincere wishes for an early recovery and assurance of our prayers.

Congratulations go to Mr. and Mrs. Danny Hamm this week upon the arrival of a baby girl, born April 1 at the North Mississippi Medical Center, Tupelo. She has been named Amanda Dawn and weighs 7 pounds.

She is the granddaughter of Mrs. Joan Forsythe and Billy Whisenant, and the great-granddaughter of Mrs. Ona Wallace.

Mrs. Dorothy Gullett is a patient at the Northeast Mississippi Hospital. We wish her an early recovery.

The Senior Citizens of Prentiss County Association had a most delightful day when they met at the Ingram Baptist Church on March 19. Pastor Dave Smith of Thrasher and Mrs. Troy Inman led in singing "Amazing Grace" and Bro. Dave read John 14 and led in prayer.

A large number entered into the "Sharetime" period, discussing the topic, "Things I like about my Church." Pastor Glen Brown brought the message as he spoke on the subject of temptation.

Those celebrating birth-

days and receiving a gift from the "Birthday Box" were Leona Allen, Wallace Pannell and Eleanor Tidwell. Pastor Wallace Pannell of Ingram led the blessing for the noon meal.

All enjoyed the bountiful meal which was served in the church fellowship hall.

Mrs. Bobby Nell Jennings and Mrs. Bertie Carter of Brandon spent the weekend at Mrs. Carter's home in Wheeler.

Dudley Spain of Hernando, Miss., son of Mr. and Mrs. Murry Spain of Wheeler, had open heart surgery last week. He is a patient at the Baptist Hospital in Memphis.

Visiting during the weekend with Mr. and Mrs. Joe Kingsley were Mr. and Mrs. Guy Kingsley of Tupelo, Mr. and Mrs. Horace Young of Tupelo, the Curtis family of Marietta, Ga.; Cindy Bledsal and Martha Elizabeth of Muscle Shoals and Natalie Rinehart.

William Smook of Topeka, Kansas, passed away last week. He was the brother of Mrs. John Mysyka of Athens, Wis., and formerly of Booneville. We extend our sincere sympathy to this family.

The Rev. Jerry Mitchell, Prentiss Brotherhood Director, is planning a "weiner roast" for the Brotherhood men and RA boys at the Marietta City Park on April 21 at 7 p.m. Each person is to bring hot dogs, buns, chips, etc., to take care of whatever his appetite calls for.

The drink and dessert will be furnished by the East Marietta Church. This will be a good meeting for Brotherhood and RA boys.

The Bud McCreary family of Mobile, Ala., were weekend guests of Mr. and Mrs. Claude McCreary and Mark.

Mr. and Mrs. James T. Pounds Sr. of Louisville, Ky., spent a few days last week with relatives. While here they helped to

celebrate James mother, Mrs. Nina Pounds birthday. Our Easter Sunrise Service will be at the Northeast Mississippi Junior College gymnasium. It begins at 6:30 a.m. Bro. Wayne Foropolus, pastor of East Booneville, will bring the message. Rise early and please attend.

Mrs. Annie Gaines passed away Monday morning. We extend our deepest sympathy to the family.

Among those attending the funeral of Edgar Marshall in Baldwin last week were Robert Marshall of Iuka; Russell Marshall, Mr. and Mrs. Bobby Marshall.

Mr. and Mrs. W.T. Marshall, Mrs. Earnest Marshall, and Mr. and Mrs. Hall Crawford, all of Memphis, and Mr. and Mrs. Bill Secore and daughter of Texas.

Mrs. Dora Moore has returned home after an extended visit with her daughter, Mrs. Bobby Nell (Crowell) of St. Louis. Bobby (Nell) accompanied her home for a visit.

Thought for the week:

"The Lord is Risen Indeed"

The Lord is ris'n indeed; The grave has lost its prey; With Him shall rise the

ransomed seed, To reign in endless day. The Lord is ris'n indeed; He lives to die no more; He lives, the sinner's cause to plead, Whose curse and shame He bore

The Lord is ris'n indeed; Attending, angels, hear!

Up to the courts the courts of heav'n, with speed, The joyful tidings bear.

Then wake your golden lyres, and stroke each cheerful chord;

Join all ye bright celestial choirs,

To sing our risen Lord. Copied-

**HOSPITAL DONATION**—Mrs. Gladys Mitchell (right) recently presented a painting to the Northeast Mississippi Hospital to be placed in the cafeteria in memory of her late husband, Joseph Mitchell. Mrs. Carolyn Downs (left), president of the Volunteer Services at the hospital, accepts the painting. Mr. Mitchell was a member of the Volunteer organization.

**OFFICERS INSTALLED**—Mrs. Mavis Morgan (left), Northeast Mississippi Hospital office manager, recently installed the Volunteer Services' 1981 officers (from 2nd left) Mrs. Carolyn Downs, president; Mrs. Jackie Barker, vice-president; and Mrs. Louise White, secretary-treasurer.

By Hospital Volunteers

## New Officers Installed

Officers of the Northeast Mississippi Hospital Volunteer Services for 1981 were recently installed during a meeting of the Volunteers.

Officers installed were Mrs. Carolyn Downs, president; Mrs. Jackie Barker, vice-president; and Mrs. Louise White, secretary-treasurer.

Mrs. Helen Wimer, outgoing vice-president, called the meeting to order and welcomed those attending. She then introduced Mrs. Mavis Morgan, who was in charge of the installation service.

Mrs. Morgan compared the Volunteer group to a growing tree.

Using a leafy plant to illustrate, she called the needs of the people the rich soil; the roots of the plant she designated as the American Hospital Association; and the trunk of

the tree she called the state auxiliary.

Mrs. Morgan said the local Volunteers comprise the tree branches, with individual members as leaves.

She charged the new officers to carry out their duties of leadership with diligence so the Volunteer Services will continue to grow like a well-tended garden.

Mrs. Helen White led the members in the Volunteer prayer to conclude the installation service.

Mrs. Downs thanked the members for their work during the previous year and urged their continued support of the Volunteer program in the coming year.

Introducing Mrs. Gladys Mitchell to the group, Mrs. Downs displayed a painting to be placed in the hospital cafeteria in memory of Mrs. Mitchell's late husband, Joseph Mitchell, a former Volunteer.

After the memorial presentation, refreshments prepared by Mrs. Nell

Blaylock, dietician, and the cafeteria staff, were served.

This first is very personal, but I do not apologize; so many people have shown interest in my welfare.

In the fall which caused my broken leg, I received a head injury also and kept having bad headaches. A brain scan, lab work and a C.T. scan in Huntsville did not reveal any brain damage.

We were very thankful for that. I am indebted to so many people; to Dr. Beddow who put on my cast; to Dr. Putman who ordered the X-rays and the scanning; to the nurses at Parkway Memorial Hospital in Decatur for their kindness; also to those in the Decatur General Hospital and to the nurse who gave me the C.T. scan.

During one period of that, the following lines (original)

came to my mind:  
"Our burdens will be lighter

If we trust in the Lord,  
Our days will be brighter  
If we abide in His word."

There's gratitude in my heart to our daughter, Karen Wilson, and family who took good care of me until I could come home on April 3. "It was good to see the green, green grass of home."

We appreciate so much how Cathy took good care of everything here at home and still is doing that. May I never forget how it helped to receive so many beautiful cards, telephone calls and potted plants and silk roses.

About the sick:  
Flossie Corbin was sick at home today, April 12.

Jackie Hutcheson's small child was ill; her mother stayed home with her.

Mrs. Edna Mayo was sick at home.

Donald Tigrett is a patient

in the Baldwin hospital, room 42.

Get-well wishes and prayers go to all these people and others who are ill.

Belated birthday greetings to a cousin, Homer Harris; his day was April 11.

Mrs. Pauline Jones, Mrs.

Betty Coates, and Mrs. Louise Koon were hostesses at a miscellaneous bridal shower Friday night, April 10, honoring Miss Brenda Shumpert, bride-elect of Jim Barber. Many nice gifts were brought including small electric appliances,

lots of household linens and dishes.

Jim is the son of Mr. and Mrs. Calvin Barber and the congregation wishes the best of health, happiness and prosperity for this young couple in their life together.

Attendance was good Sunday morning, April 12. We had a guest speaker, Bro. L.D. Willis, who is devoting most of his time to doing missionary work. He told us of his labors in Thailand and of the need for support in carrying the gospel where it is not known.

On Friday night April 10th, the 2nd annual beauty revue was held at Hill's Chapel School.

The theme of this year's pageant was "The Best of the West" with the gym

being decorated in western style. Much of the audience dressed to fit the theme.

Master of ceremonies was Marshall Dickerson who gave a brief introduction of each contestant as each made his walk. Pianists were Mrs. Margaret Sanders and Miss Katrina

Akers.

Winners in Division I (Boys, headstart through 2nd grade) were Matthew George, Most Handsome; Jason Wesley Cole, 1st Alternate; and James Bradley Downs, 2nd Alternate; Matthew was crowned by last year's

winner, Joby Morgan.

In Division II (Girls, headstart through 2nd grade) Ginger Jacobs was crowned Most Beautiful by last year's winner, Jennifer White. Chosen as 1st alternate was DeAnna Hill and 2nd alternate was Michelle Stockton.

Division III (grades 3-5) winners were: Most Beautiful, Kathy Wheeler; 1st Alternate Valerie Annette Jackson; and 2nd alternate, Rhonda Hughes. Last year's winner, Laurie Harris, crowned this year's winners.

In the final group, Division IV (grades 6-8), Gena Griffin was crowned Most Beautiful by last year's winner, Rebecca Skinner. Rhonda Jan Crowe was chosen as 1st alternate and 2nd alternate was Lenena Holder.

Congratulations to all the beauties.  
Jean Jackson's mother, Mrs. Mellie Hodges, was released from the local hospital last week. She had suffered a heart attack and a stroke. I'm glad to hear that she has improved and hope that she will continue to get better until she is back to normal.

Miss Lisa Chase of Baldwin was an overnight guest of her grandmother, Mrs. Bernice Chase, on Monday night. Bernice was glad to have her visit again on Thursday for dinner.

Edith Foster stayed overnight with Mr. and Mrs. Larry George and Desiree on Tuesday.

Chris Wroten of Corinth spent last week with his grandparents, Mr. and Mrs. Ted Burns.

Tuesday night supper guests of Mrs. Mary Young were Mr. and Mrs. Harold Cooper and boys of Burnsville, Myrtle Cole and Sue Newcomb.

Jimmy Hutchens had back surgery last week at the North Mississippi Medical Center in Tupelo. He is reported to be doing well.

Our sympathies to the loved ones of Chester Cole who passed away last week. Burial was held at Martin Hill.

Mrs. Ruby Davis was admitted back to the hospital last week. Also Michael Burcham was hospitalized in Tupelo last week for some tests and Mrs. Janice Burcham had surgery at a Memphis hospital.

We hope all of these are home by now or will be soon.

Sunday visitors of Mrs. Bernice Chase were Mr. and Mrs. Dwain Johnson, and Mr. and Mrs. Ricky Henderson and Ryan.

Mr. and Mrs. J.W. Burcham are here from Mercedes, Texas, visiting in the home of his brother, Jess Burcham, and other relatives. John Garrett joined all the Burchams for lunch and some fishing on Wednesday. The Burchams also plan to visit relatives in Tennessee before returning home.

Mrs. Marie Burns joined with other friends from this area in attending an Avon luncheon and meeting in Grenada on Thursday. The theme was western, so they put their blue jeans and cowboys hats for the occasion.

Mr. and Mrs. Lee Cole were recent visitors of Myrtle Cole.

Friends in this area are thinking of Bessie Carter who was still hospitalized in Tupelo at last report. We hope she will improve soon. A special greeting to her daughter, Tommie Waters, who reads our column.

Happy birthday wishes for Dennis Johnson and John Garrett on the 17th, Zena Phillips on the 18th, Keith Harling on the 19th, and Ralph Hare and Dwana Smith on the 21st.

Happy anniversary wishes to Mr. and Mrs. Harold Cooper on the 19th.

### It's A Girl!

Mr. and Mrs. Jesse O. Sims of the Cairo community announce the arrival of a daughter, Julie, born April 11 and weighing 7 lbs. 10 1/2 ozs.

Her grandparents are Mr. and Mrs. Doyle D. Byram of Memphis, and Mr. and Mrs. J.L. Sims Jr. of the Cairo community.

Mrs. C.A. Owens of the Cairo community and Mrs. C.S. Byram of Tishomingo are her great-grandmothers.

Julie has a sister, Jana Carolyn, who celebrated her second birthday on April 12, the day after Julie was born.

## DAR Meets At Buchanan Home

Mrs. Bobby Buchanan presented a discussion on "Jefferson Davis" at the April 8th meeting of the D.T. Beall Chapter of the United Daughters of the Confederacy in her home.

The material presented by Mrs. Buchanan was taken from an article written by Mrs. John G. Williams in the UDC magazine.

Mrs. Buchanan told the local members that Samuel Davis grew up on a farm near Smyrna in the rolling hill country of middle Tennessee. One of 12 children, he was especially close to his mother.

He was tall, dark haired and had a "soldierly" appearance, she said. He attended Western Military Institute in Nashville, where, at the beginning of the war, the entire student body joined the Rutherford Rifles, 1st Regiment, Tennessee Volunteer Infantry.

Davis actively engaged in his line of duty. He faced his enemy with such intelligence that at one time he was considered an imposter in a Confederate uniform, Mrs. Buchanan said.

He was placed in prison and questioned, but remained loyal to his friends and would not reveal the source of his information.

He was tried as a spy, Mrs. Buchanan said. At the last moment, he said, "If I had a thousand lives I would lose them all here before I would betray my friend or the confidence of my informant."

Admiring his courage, many Union officers said they wished he could have been spared, Mrs. Buchanan said.

In the town of Pulaski, Tenn., where he was executed, there is a marker in the memory of Sam Davis.

He knew that speaking out to save his own life would bring death to several Confederate soldiers and scouts, Mrs. Buchanan said. True to his principals and the Southern cause, Davis felt he had no choice but to die, she said.

Mrs. Buchanan, Mrs. Elenor Tidwell and Mrs. Minnie McBride welcomed the UDC members to the meeting. During the social hour, dessert and coffee were served.

### Robin, Mize Participate In Training Program

Prentiss County residents John Robin and Clifton Mize Jr., members of the 658th Supply Company of the Army Reserve in Tupelo, took part in a land navigation training course conducted by the 3390th U.S. Army Reserve School at Camp Shelby (near Hattiesburg) March 14-15.

This exercise is a portion of training designed to develop the leadership skills of soldiers who are preparing to become non-commissioned officers, an army spokesman said.

The men and women participating in the weekend school were involved in four preliminary activities on Saturday. They were refresher courses in Map Reading, Circular Compass Briefing, Terrain Association, and Night Land Navigation.

These were all prerequisites to the final four-hour Full Length Navigation Course on Sunday.

The exercise involved eight units from throughout the state. It was the first time the Army Reserve united several units for an instructional school on a statewide level, the spokesman said.

All Army Reserve instructional classes previous to this endeavor were taught at local Army Reserve bases.

## CB Club News

By THRASHER STAR Correspondent

As most of you know, our big event of the year is over. Our jamboree is over, most of the clean up is done and we had a great success. To each and everyone who gave gifts, bought tickets and helped us in anyway, we would like to say "Thank-you." If it was not for people like you helping make our jamboree a success, then we could not help the people less fortunate than us. Again we say "thank you."

"Walking Cane," is still seriously ill in the Tupelo hospital. He has had to take

blood. If any of you would give blood to replace what he has had, it would be very much appreciated, if you need more information call me at 728-5125, or the "White Girl," at 728-6095.

We are glad to report that the "Red Rider," is out of the hospital. He came to the dance for a while Saturday night. We hope he continues to improve.

Did you see who came out Sunday? "Mr. Songster." Sure was good to see him out again. But do take care of yourself.

We will be working on Saturday, May 2, for the Boone-Hill festival at 9 a.m.

We will have a booth set up and we will need as many as will help us for about two hours, let us know, or we will be calling you for your help. If you can give us a couple of hours, we need your help.

We will have a benefit for the Baddour Center on Saturday night, May 2, at 7. Everyone is invited to attend.

There will be special films on the Baddour Center shown and the Miracles will sing. We have two local young people with them.

We will not charge admission, but a love offering will be taken.

We wish the "Walking

Cane," a happy birthday on Sunday, the 12th, and the "Sugar Cookie," on Saturday the 18th. The "Yo Yo," and I will also be celebrating our 30th anniversary on Saturday the 18th. Hope everyone has a nice day. Our prayer is that the "Walking Cane," is better.

Again, let us thank our club president, "White Girl," and vice president, "Big Q," for an outstanding job at our jamboree. We thank everyone who helped make it a success.

Go to the church of your choice, but go.

### Church To Show Religious Movie

"A Thief in the Night," a motion picture about Bible Prophecy, will be shown at 6 p.m. Sunday, April 19, at the First Freewill Baptist Church in Booneville.

The movie is a dramatic portrayal of what could happen when Jesus Christ returns.

It centers around a young woman caught up in living for the present, with little concern for the future.

The Biblical predictions of Revelations 20:11, "There will be no place to hide," are portrayed in the movie.

"A Thief in the Night" was given the Best Film of the Year award by the National Evangelical Film Foundation of Valley Forge, Pa.

Patty Dunning Risinger, who plays the part of the young woman, received the Outstanding Female Actress award.

## Addresses

## Students

Mrs. Lee Davis, librarian of the George E. Allen Library in Booneville, spoke to sixth graders at Hill's Chapel Attendance Center during National Library Week last week.

Mrs. Davis told the students of some of the many uses of the library and how they can benefit from it. She also discussed the duties of a librarian.

After showing the students how to locate books by using the card catalogues, Mrs. Davis shared several books of birds, animals and nature scenes with the students.

# Special Olympics Meet Held

On Friday, April 3 the Northeast Mississippi Junior College hosted the 1980-81 Special Olympics Basketball Tourney.

There were over 300 participants from the five-county area of Benton, Tippah, Prentiss, Alcorn, and Tishomingo. The participants competed for ribbons and trophies.

Students from Special Education Classes and adults from Timber Hills competed in one of the two areas: ball handling or basketball team participation. The winners in the first place positions in Basketball Team Competition are Wheeler School and the combined teams of Timber Hills Adult Day Care.

# Shrine Tourney Meeting Set

All softball coaches interested in playing in the First Annual Shrine Softball Tourney in May are urged to be at a special meeting April 28th at 7 p.m. at the Booneville West Side Community Center.

Bill Ward, chairman of the Shrine Tourney committee, said Monday that he hoped to have a full tournament and said the Tournament, scheduled May 1-3, could accommodate as many as 14 teams.

The purpose of the meeting will be to draw for brackets spots and to register for those who haven't yet entered a team.

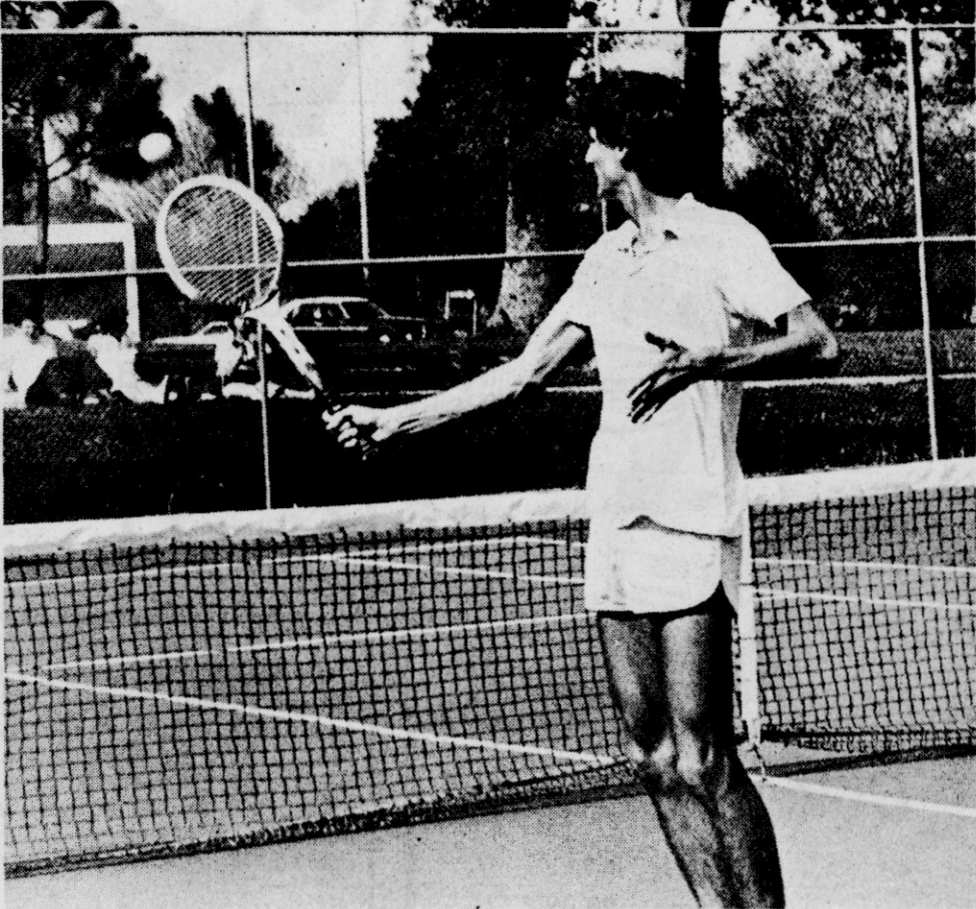

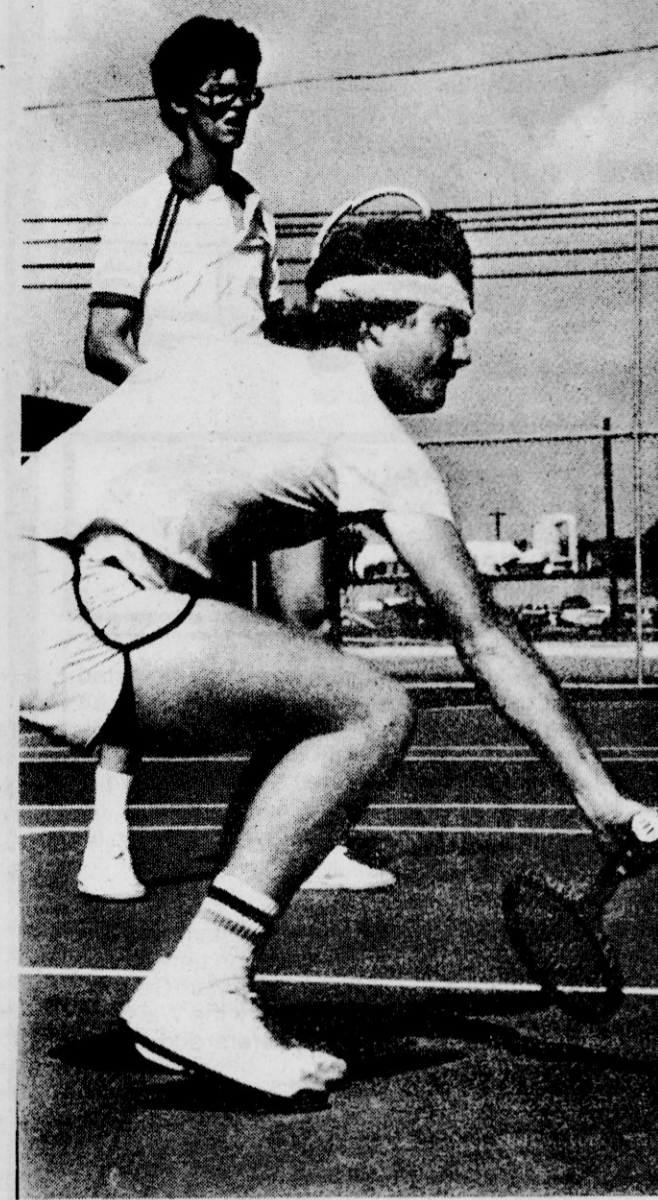

"This is going to be an outstanding event," Coach Ward said. "The proceeds are for a great charity and we hope to have a wonderful event."

All proceeds of the proment will go to help with burned and crippled children.

"We want all area softball teams to play in this tournament," coach Ward said. "We want our first tourney to be one of the biggest around and it really aids a worthy cause."

Trophies will be presented to the winners and runnersups and the cost per team is \$50 and use your own softballs.

Additional information about the tournament may be obtained from coach Ward at 728-7751 or Bill White at 728-4473.

# Bigbee Track Meet Set Today

The Booneville High School track team, under the direction of Coach Riley Presley, will compete for top honors here today when the 1981 Tombigbee Conference Track Meet gets underway at the Aberdeen Field.

The local squad have placed well in meets to date including some first place finishes in several events.

The girls squad will be one of the favorites in the bigbee meet while Booneville's Ryan Hand, the State's number one pole vaulter in Class A will be a solid choice to win again in that category.

The Booneville squad competed in the Gazette Relays Tuesday at New Albany but due to our early press schedule, results of that meet was not available.

Competing against the Booneville squad in Today's Bigbee Classic are, Alcorn Central, Baldwin, Nettleton, Kossuth, Iuka, Okolona, Ripley and Saltito.

Booneville's warriors placed well this year in the Journal Relays at Tupelo and then again the Bulldog Relays at Aberdeen are strong competitors in today's Bigbee event.

Other area track meets include, The Little Ten Meet at Aberdeen Saturday and then the finals of that meet again at Aberdeen April 21.

Little ten teams competing are, Tupelo, Columbus, Caldwell, Columbus Lee, Grenada, Louisville, Oxford, Starkville, West Point, Aberdeen, Fulton, Houston, Pontotoc, Shannon and New Albany.

# Tigers Split With IJC

The Northeast Mississippi Junior College baseball Tigers split a double header with Itawamba of Fulton here Saturday in local action held at the Booneville West Side City Park.

The Tigers, behind the hitting of Corinth's Mike Dixon, took the opening game 5-4 and then dropped an 8-5 decision in the nightcap.

In the first game Dixon's blast with a man aboard proved to be the deciding factor in the seventh inning.

Tony McCreary took the win for the Tigers while IJC's Mark Scott was tagged with the loss.

Dixon proved to be the star of the day also belting yet another round tripper along with other safeties as well.

Northeast's Coy Fitts had a pair of hits also.

In nightcap action, Nikkie White took the IJC win on the mound while Corinth hurler Ronnie Key was charged with the loss.

The Tiger baseball squad will close out their regular season campaign Monday afternoon when they host Delta at the Booneville West Side park.

Some makeup games are scheduled but no word has been given of the makeup dates.

# Spring Sports Schedule This Week At NE

Northeast athletic director Bill Ward announces this week's spring sports action for the week of April 16-22.

In today's action, Northeast's track squad will be in Hernando for JUCO activities. Northeast's net squad will start their bid on the 1981 State Tournament when they open first round action at Meridian.

The tourney will be held for three days.

To round out the week's activities, Northeast's net squad will start their bid on the 1981 State Tournament when they open first round action at Meridian.

## Ford Accepts Northeast Post

Rickey Ford has been named the new Northeast Mississippi Junior College girls basketball coach it was announced Tuesday.

The Northeast Mississippi Junior College board of trustees approved Ford's application Tuesday naming him to the new position replacing former coach Millard Lothenore who resigned to accept other duties.

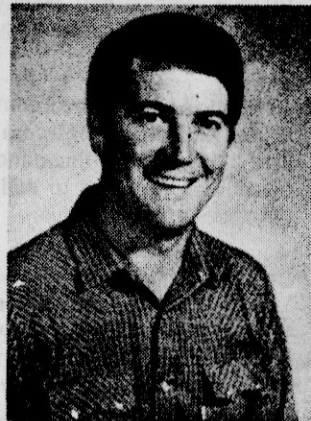

Ford, former Booneville High School mentor for the past four years, comes to Northeast after coaching four seasons as girls mentor and two years as boys coach.

Coach Ford, a graduate of Pine Grove High School, NEMJC, and Mississippi State University, said Wednesday that he was looking forward to his new position at Northeast. "It will be a challenge for me to coach in the junior college ranks," Ford said. The former Booneville coach added that he wanted to live up to the tradition at Northeast as in the past.

Coach Ford said some 10 scholarships would be offered and said he planned to search for recruits soon for next year.

The college is still searching for a men's coach and an announcement on this will be named within the next few weeks.

Both basketball positions are now open at Booneville High School since Ford's served both positions before accepting the Northeast job.

## NE Netters Fall

The Northeast Mississippi Junior College tennis squad dropped a 7-1 decision to arch-rival Itawamba here Monday afternoon in juno action held at the Northeast courts.

Northeast's Carolyn Riggs and her partner Katie Miller took the only wins of the entire afternoon when the defeated IJC's Sharon Duncan and Lisa Lantrip 6-1, 6-0 in womens doubles.

One of the top matches on day came in boys doubles when the Northeast team of Anthony Clark and Jim Kwasinski lost a squeaker to the IJC netters Tom Kirk and Willie Weston 7-6, 4-6, 6-4.

In other action, Swindol downed Connie Murphy 6-1 and 6-0, while Sheffield trimmed Nancy Doran 6-1 and 6-0. IJC's Larue Larry stopped Doril Sanders 7-5 and 6-2 in men's singles and Romeo Brooks ousted John Stamples 6-3 and 6-2 in similar competition.

Don Rogers and Brent Rainey checked Roland Humphrey and Rusty White 6-7, 6-4 and 7-5.

Linda Smith and Paula Caviness got to Karen Davis and Debby Ross 6-2 and 6-2 in women's doubles.

The Northeast net squad will host Freed Haredeman in local action this afternoon in Booneville.

## Sixth Inning Rally Downs Devil Nine

Kossuth's Aggies scored two big runs in the sixth inning here Monday afternoon and came from behind to nip Booneville's Blue Devils 5-4 in local action.

Singles by Kossuth's Barry Drewry and Don

Princes proved to be the power hits of the day scoring the runners.

Mike Mills earned pitching honors on the day while Rod Coggin was charged with the Booneville loss.

Greg Oakley led the Blue Devil charge with three for four on the day while Coggin followed with two for four.

In district competition

Booneville fell to 0-4 while Kossuth shoved their record to 3-1 on the year.

The Devil baseball squad will be at home this afternoon against Ripley at the West Side Park and will then hit the road again Monday afternoon with a battle with the Alcorn Central Golden Bears.

### '81 NE Grid

### Schedule Set

Northeast Mississippi Junior College athletic director Bill Ward announced this week the 1981 football schedule.

Next year's Tiger roster will play a ten game scheduled with six of the 10 games to be played on Thursday nights.

The Thursday night games were instated in a recent meeting of the Mississippi Junior College Athletic Association.

All Northeast's home games, with the exception of the Annual Homecoming Game, will be played on Thursday nights next season plus two of the five away games will be held on that night.

Coach Ward said he was in favor of the Thursday game mainly because it would allow local fans to attend both Northeast games as well as senior college games played on Saturday.

In recent years some games held on Saturday would conflict with the State, Ole Miss and Southern games. On the home turf, Northeast opens with Coahoma on September 10th while other home games, are Hinds, East Mississippi, and Northwest while out of town opponents are Co-Lin, Jones, Holmes, IJC and Delta.

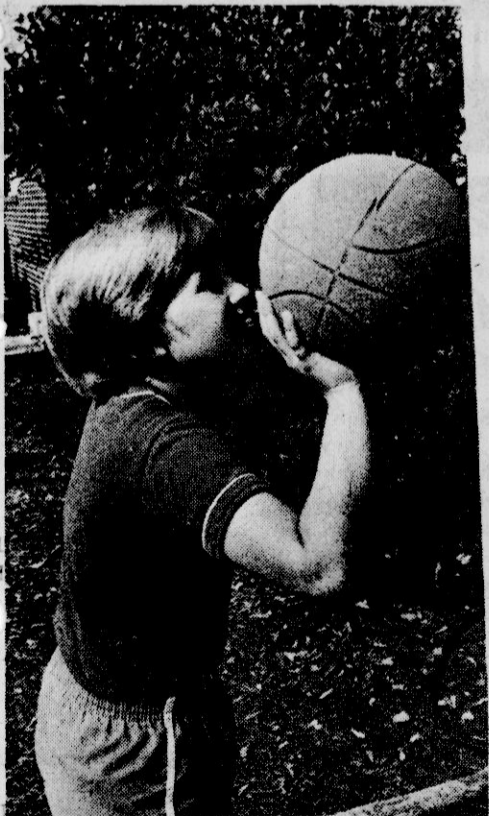

Ward said he had recruited some 25 players to grid scholarships and would sign some 30 players in all. He added that next year's team looks promising and added that the new schedule would go as in years past as another tough schedule.

## Baldwyn Stops Lions 15-2

A seven run fifth inning proved to be the difference here last week when Baldwyn's Bearcats went on to take a 15-2 rout over Biggersville's Lions in local baseball action held at Corinth.

Tye Carpenter and Gregg Tucker both had a double and single to pace the Bearcats wile Roscoe Taylor and Randy Johnson each had twosingles.

James Box had a pair of singles for the Lions as did Trantham.

Doug Davis picked up the win while Box was charged with the loss.

**Cards of Thanks**

MY SINCEREST THANKS: I want to express my heartfelt thanks to each of you for the many cards, plants, flowers, gifts, food, your visits and your concern during my recent illness. I know that many of you offered prayers for my recovery, and our prayers have been answered. I cannot find the words to tell you how much your friendship has meant to me and my family. I have been blessed with excellent medical care and if my progress continues as expected, I will be back to my duties in the office within a few days. I will never forget your thoughtfulness.  
Lex Cain.

**CARD OF THANKS**  
The family of Dick Lowrey wishes to express their appreciation and gratitude to the many friends and loved ones who were so kind and thoughtful during Dick's stay in the hospital. The food, flowers, cards, prayers, and all expressions of sympathy added to a speedy recovery. May God bless each of you.

**ATTEND CONFERENCE**—Students from the Prentiss County Vo-Tech School who attended the Free Enterprise Youth Conference at Mississippi State University last week

are (from left) Kathy Williams, Robie Wilson, Johnna Chomak, Tim Horton and Rebecca Perry. Horton was a featured panelist in one of the workshops at the conference.

## VoTech Students Attend Conference

Tim Horton, co-president of the Prentiss County FBLA, was a featured panelist for a workshop last week at the Free Enterprise Youth Conference at Mississippi State University.

Horton participated in the workshop, "Student Organizations Promoting the Free Enterprise System."

Also attending the Free Enterprise Day from the Prentiss County Vo-Tech

School were Kathy Williams, Johnna Chomak, Rebecca Perry and Robie Wilson.

At the conference, Dr. Bruce Shirwalt conducted workshops for adult sponsors, while Bill Pace, program director of the American Enterprise Center, and Bob Pittman, president of the Mississippi Economic Council-American Enterprise Center, conducted two workshops for students.

Colonel Nguyen Vu, a

Vietnamese, spoke at one of the workshops on appreciation of America and "thanking God for such a wonderful place to live."

Vu has eight children, all of whom have enrolled in college and high school and are rated in the top 10 in their classes. "They know how to appreciate such wonderful facilities in which to attain an education and do their very best," he said.

After the workshops, lunch was served and Mrs. Ruth Ann Williams of

Clinton provided entertainment. Don Souder, executive secretary of the Mississippi Private School Association, commented on Free Enterprise.

James Lynn, Youth and Community Relations Coordinator of the Phillips Petroleum Company of Bartlesville, Okla., was the keynote speaker. He spoke of the economic situation in American and how the young people of today are the future leaders of America.

## Dental Aptitude Test At Northeast Saturday

Students who are planning to enter the dental hygiene program at Northeast Junior College, Meridian Junior College or the University of Mississippi

ANDREA COX

Andrea Jean Cox, daughter of Barry and Gene Cox of Rienzi, celebrated her third birthday on April 10.

She is the granddaughter of Mr. and Mrs. Cleveland Smith and Mr. and Mrs. Troy Cox of Rienzi, and the great-granddaughter of Mrs. Alice Michael and Mrs. Era Cox.

Medical Center this fall, can take the American Dental Hygiene Aptitude Test, a pre-requisite to these programs, Saturday, April 18, in Estes Hall on the Northeast Campus beginning at 8 a.m.

A registration fee of \$16 per person is required upon arrival to the testing center. This is the final testing date.

Similar to the American College Test (ACT), the Dental Hygiene Aptitude test examines proficiency in reading comprehension, mathematics, verbal, and science. This does in no way, however, eliminate the need for taking the ACT, a Northeast spokesman said.

Students who plan to enter the two-year dental hygiene program must make application for admission to the college and to the program, itself. This is not a pre-requisite to writing the Dental Hygiene Aptitude Test, the spokesman said.

A combination of classroom study, as well as on-hands clinical training, are included in the program. The required curriculum includes the study of

English, speech, social problems, anatomy and physiology, and organic and inorganic chemistry.

The clinic at Northeast Junior College currently houses approximately 15 stations for this on-hands training. Patient care is available to the public four days a week by appointment only.

For additional information concerning the Dental Hygiene Aptitude test or to apply for admission to the program, contact Connie Drown, Director of Counseling, at 728-7751 or toll free 728-7759, ext. 235.

### TIMBER TIPS

by Lanny Autry

I've often heard landowners say something like "There's no use in my planting trees or investing in other forest management because I'll never get anything out of it."

Such thinking is not only pessimistic - in many cases it just isn't so. There are many good reasons for initiating good forest management practices on your lands. We at Mid-South Forestry specialize in managing timber lands for individual owners and will be glad to discuss the advantages of proper forest management with you.

Oh, go to the library;  
It is fun just for you  
To listen, and learn, and  
read books, too.

Oh, go to the library;  
It's my cup of tea,  
And wouldn't you know,  
my names Leigh.

Oh, go to the library.

In books there are Indians  
and cowboys  
And animals, princesses  
and toys.

There are books that are

"We are proud to announce a new  
\$100,000 Cancer Contract  
worthy of bearing the name  
you have grown to trust."

### FACT—Superior Coverage

Pays 100% of the first \$10,000 of Covered Medical Expense, thus providing funds in the beginning when need for coverage is usually greatest.

After the initial benefits, pays 80% of Covered Medical Expense up to a total of \$100,000, thereby providing for long term treatment.

Provides benefits both inside and outside the hospital. Coverage on an outpatient basis is especially important since many cancer treatments are rendered in physicians' offices or clinics. Examples of Covered Medical Expense usually handled on an outpatient basis are: Physician office visits; radiation, cobalt, or nuclear medicine therapy; laboratory work; X-rays, and chemotherapy.

Benefit to You—Coverage relieves you of financial burdens when cancer strikes.

### FACT—A Recognized Company

Your Blue Cross and Blue Shield identification card is recognized by hospitals and physicians and is accepted as a guarantee of payment everywhere.

Benefit to You—Prevents delays in treatment while financial arrangements are negotiated.

### FACT—Relieves Financial Burden

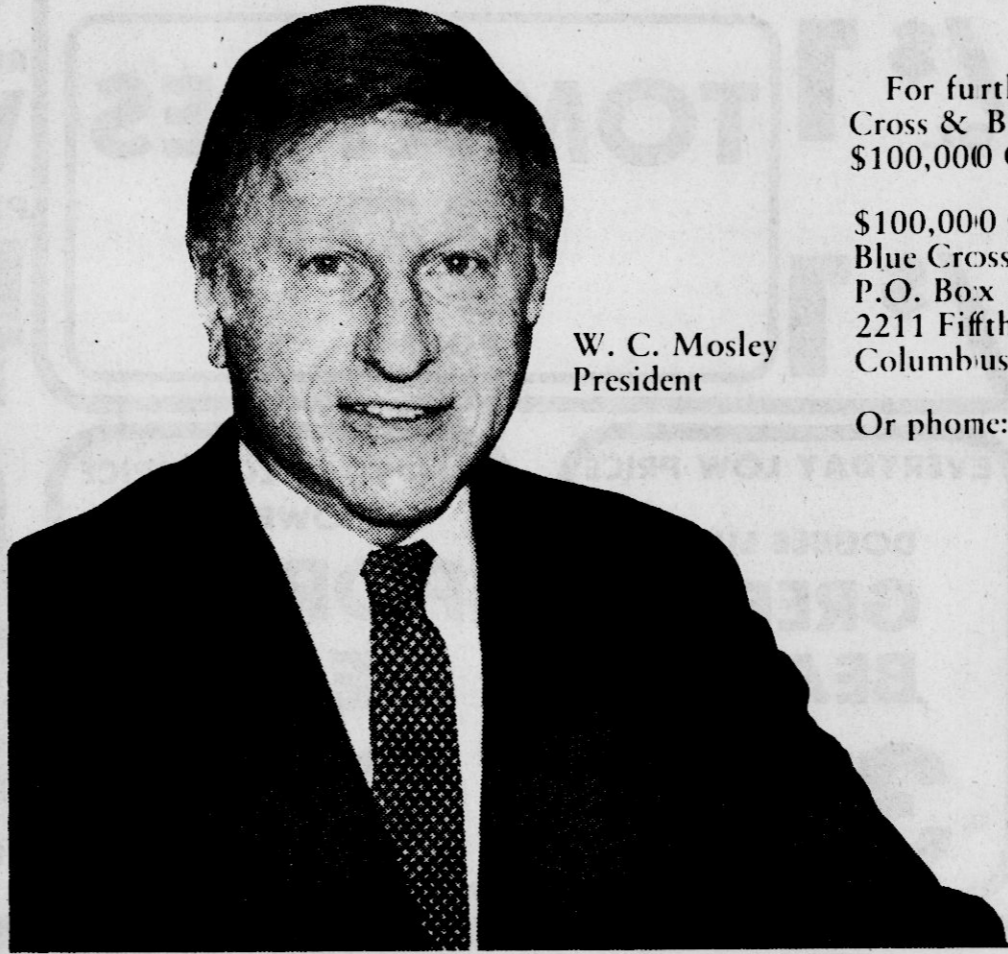

The new \$100,000 Cancer Contract provides benefits in addition to other cancer coverage you may have (with the exception of another cancer only contract written by Blue Cross & Blue Shield of Mississippi or another Blue Cross and Blue Shield Plan).

Benefit to You—Provides additional funds for those expenses not covered as approved medical expenses.

## Home Economist's Notes

By CLAIRE T. ROSS  
Extension Home Economist

Easter is fast approaching and with it come preparations for traditional festivities. This year, as always, eggs will be colored, hunted for and rolled to the delight of youngsters all over the world.

The Easter egg tradition arrived in this country with the early English settlers. The customary White House Easter egg roll was started by Dolly Madison Easter Monday in 1810 on the Capitol grounds.

It was not until 1878 when the children were denied use of the grounds that egg rolling moved to the White House lawn.

Do you ever hesitate before the egg counter in a store and try to decide whether large, medium or small eggs are the better buy? Of course, the smaller are lower in price per dozen, but that is only half the story.

When buying eggs, consider the weight per dozen since the weight determines the food value you are buying. To get the most for your egg dollar, you must do a little calculating yourself.

There is another buying rule that works like this. Using medium and large size eggs as examples, buy the large size carton if the difference in prices is less than 7 cents per dozen, or the medium size if more than 7-cent spread. Use the same figure for small and medium sizes. Be sure the grades compared are the same.

Here are a few things to keep in mind when preparing those festive eggs. Proper storage is very important in maintaining high quality. When you take eggs home refrigerate them right away.

If they are taken out of the carton for storage, be careful to keep the large end up. Quality is lowered when the eggs are stored large end down.

To hard cook eggs, immerse them in lukewarm water at least one inch above the top of the eggs. Heat to boiling; remove from heat; cover tightly and allow to stand 15 minutes.

Then cool them at once in cold running water. This procedure will help prevent the formation of a greenish coating on the yolk that is caused by overcooking. Prompt cooling also makes it easier to remove the shell.

Now it's time to dye the eggs. Use only pure food dye and keep the dye water warmer than the egg. This will prevent color from seeping through the pores of the shell.

After the hunt is over, replace the eggs in the refrigerator for storage. Eat them within a day or two.

Egg protein is the most complete protein known. This means that all of the essential amino acids, or protein building blocks, are present in eggs. Because of this characteristic eggs are often used as a standard in measuring the quality of protein in other foods.

In addition to protein, eggs are a good source of vitamins A, B1, B2, B12, D and other vitamins and minerals.

### Leftover Easter Egg Dishes Humpty Dumpty Dip

½ cup mayonnaise or salad dressing  
1 tablespoon lemon juice  
½ teaspoon hot pepper sauce  
¼ teaspoon liquid brown gravy  
12 pimiento-stuffed green olives  
6 hard-cooked eggs  
1 package (4 oz.) whipped cream cheese

Combine mayonnaise or salad dressing, lemon juice, hot pepper sauce and liquid brown gravy seasoning in mixer or blender. Add olives and blend until smooth.

Add eggs one at a time, blending well after each addition, until smooth and light. Beat in cream cheese. Spoon into bowl and garnish with parsley.

Serve with assorted chips and crackers or raw vegetable sticks. Makes about 2 cups dip. (May add 1 tablespoon finely minced onion with olives, if desired).

### Easter Egg Main Dish

6 hard-cooked eggs  
1 small can mushrooms  
1 small jar chopped pimiento  
1 can asparagus  
1 can cream of celery soup  
¼ cup milk  
Salt and pepper to taste  
Buttered bread crumbs.

Peel and slice eggs and place in shallow buttered casserole. Top with mushrooms, pimiento and asparagus. Pour soup and milk over this. Season with salt and pepper.

Sprinkle bread crumbs over top. Bake in 350 degree oven about 30 minutes.

## Soil Conservation News

By DAVID SUMMERS  
Soil Conservation  
Soil Conservation  
Service-USA

On the average, Mississippi calf producers are producing only 89 pounds of beef per acre of pasture. The potential beef production per acre of pasture in Mississippi is 350 to 400 pounds.

One of the major causes of this low production is poor pasture management. Let's look at a few management practices that could improve our production.

The proper selection of forage species and the soils on which these species are planted can help to increase production.

For example, bahiagrass will perform well on sandy and silt loam soils. Bermudagrass will perform well on most all soils. Tall fescue will perform well on slightly sloping to gently sloping soils, but will not perform well on thin droughty soils or soils that remain wet most of the winter.

Fertilizer and lime should be applied on the basis of a soil test. If a soil test has not been made, a good rule of thumb is to apply 120 pounds in two split applications and 60 pounds of phosphate and potassium per acre.

If the forage stand consists of at least 40 percent clover, the spring application of nitrogen may be omitted. Lime should also be applied on most pastures at the rate of one ton per acre every 3 years. Proper liming will provide an adequate pH and make other plant nutrients more available to the plants.

Weed control will also help improve forage yields. Cattle will not graze weeds,

yet the weeds will use as much or more moisture and nutrients as will the forage plants. Weeds should be controlled as early as possible by the use of the proper herbicide or by clipping.

Rotational grazing will also provide more and better forage by forcing cattle to graze evenly and not leave forage growing around manure piles. Rotational grazing will also permit grazing of the forage when it is in its most nutritional stage.

These four management practices: proper species and site selection, fertilization and liming, weed control, and rotational grazing will more than double your forage production, allowing you to double your stocking rates, while at the same time provide better ground cover and soil protection.

For more information on forage management systems, please contact the Soil Conservation Service at 728-3544 or come by the office in Booneville. We will be glad to work with you.

## Forestry Report

By JOHN STUART  
Prentiss County Forester

If you were planning to go into the nearby woods and gather firewood this summer so it will be fully cured and ready for use next fall

and winter, you'd be wise to make certain you have obtained written permission from the owner of those trees.

It's not only common courtesy and good sense, but

the recent session of the legislature stiffened the penalties for illegally cutting, or carrying away, or

otherwise fooling with trees that don't belong to you unless you have the owners consent.

H.B. 822's amendments to Sections 95-5-1 and 95-5-3 of the Mississippi Code apply to any trees, whether freshly

felled, already down on the ground or already girdled or deadened in some way.

Penalties spelled out in the law include \$55 per tree for a number of specifically named species (all oaks, cypress, pine, popular,

walnut, cherry, pecan, hickory, chestnut, birch, ash, holly, gum, persimmon, cedar, sassafras or beech).

For all other species the penalty is \$35 per tree. In addition, you'll be required to pay the owner the actual

market value of the tree and possibly some added civil damages.

All the owner needs to prove is that he owns the trees and that you are responsible for their cutting, removal, etc.

The amendments apply to trees on all types of landownerships including 16th Sections and other public lands.

## Dr. Davis Appointed

Dr. Jim Davis, a Prentiss County chiropractor, has been appointed to a committee to conduct an in-depth clinical study on personal injury (whiplash) in Prentiss County, according to Practice Consultants of Albany, Ga.

DR. JIM DAVIS

As a result of his advanced work in personal injury, Davis was selected to the committee while attending a three-day symposium in Atlanta.

The symposium was conducted by Practice Consultants and included intensive technical training on whiplash and resulting trauma.

## Industrial Employees

# Engineers Are Highest Paid

If you are employed as an industrial engineer, then you are probably among the highest paid industrial employees in the state, according to the Mississippi State Employment Service.

While there are employees earning larger salaries in specific industries, of occupations common to all responding industries, industrial engineers were at the top of the list on the 1981 Salary Survey recently completed by the Employment Security Commission.

This survey presents salary information for almost 700 occupations across the state.

Industrial engineers lead the list, earning an average of \$9.87 per hour. They are followed by data processing systems analysts, who earn an average of \$9.38 per hour, and accountants, who earn an average of \$8.85 per hour.

These three occupations also topped the scale in the 1980 survey, which showed industrial engineers earning an average of \$9.37 an hour, systems analysts earning an average of \$9.08 per hour, and accountants earning an average of \$7.71 per hour.

At the bottom of the pay scale, in occupations common to all industries, are janitors, who earn an average of \$3.99 per hour. That occupation was also at the bottom of the list in the 1980 survey, when janitors earned an average of \$3.54 per hour.

Next to the bottom of the list are file clerks who earn

an average of \$4.23 per hour, and telephone operators and receptionists, each earning an average of \$4.25 per hour.

In addition to outlining salaries for occupations common to all industries in the state, the salary survey also gives salary figures for occupations peculiar to each of 34 different industrial groups.

These listings show that chemical engineers earn an average of \$16.14 per hour, placing them at the top of the ladder salary-wise for all jobs included in the survey.

Next are sales representatives in the business services industry, earning \$14.13 per hour, and electricians in the contracting, construction, and building trades, who earn an average of \$13.40 per hour.

Waiters and waitresses are at the opposite end of the salary scale, earning an average of \$2.77 an hour, excluding tips.

Laundry markers are also among the lowest paid workers in the state, earning an average of \$3.39 per hour, as are hotel housecleaners, who earn an average of \$3.40 per hour.

The salary survey was compiled from information gathered during January and February of this year. It is designed for use by chambers of commerce, industrial development groups, employers, and personnel managers.

Copies of the survey may be obtained from the Mississippi State Employment Service.

### Maintaining Your Mental Health

## Tell The Truth

## About Absent Parents

From

**TIMBER HILLS  
MENTAL HEALTH SERVICES**

Staff members at Timber Hills have all seen youngsters from one-parent families who are confused and bothered about what they should think and how they should feel about the absent parent.

Usually that parent has left and frequently has not been heard from since. The other parent, following the advice given by many so called "experts," grimly bites his or her tongue and tells the child that the absent parent loves him or her.

"Mom and dad could not get along...but that does not mean that both of us don't love you" is the usual message.

Since the child often has not heard from the absent parent for years (including on birthdays and holidays) he or she is often puzzled what that kind of "love" is all about. After all, if one cares for a person one might be expected to at least send some message occasionally to see how that person is doing, the child reasons. And of course he or she is right. The absent parent does not love the child, or there would be a show of interest.

In his book "The Parents Book on Divorce," psychiatrist Richard Gardner advises that the parent who is caring for the child tell the truth about the other parent. "Dad left us and since neither one of us has heard from him since, we may assume that he doesn't care much about us" would probably be close to what's actually happening.

The child must, of course be assured that he or she is not unlovable—that it is the absent parent's misfortune that he or she apparently cannot care for the youngster or, most probably, for anyone else at this point.

Dr. Gardner thinks that a child will almost certainly feel badly that the absent parent does not seem to love him or her, but that this kind of pain is less damaging than the confusion that is found to be caused if the child is told verbally that he or she is loved when all the facts in the case contradict that statement.

Often counselors find themselves in the position of having to deal with the child's mixed emotions about the absent parent.

One girl who could barely remember her father (he left when she was 2 and has not been heard from since) told one counselor that she didn't know if she would hug or hit that father if she were ever to meet him.

"I really would like to know what he is like," she said. "Mom won't discuss him except to tell me that, of course he loves me. I find that hard to believe."

In such cases, the counselor would probably have to support the reality (i.e. the father does not seem to care much) versus the myth (all parents love their children, regardless of whether they have even shown the slightest indication of this feeling).

It will also be important to re-enforce the youngsters' self-esteem, to convince her that it's her father's loss never to have known her at all.

Single parents who are puzzled about how to discuss the absent family member with a child probably could use some professional help in sorting out their own feelings.

If they are confused, the message that gets across to the child will be confused too...and this kind of uncertainty may well cause all kinds of problems later on.

# THOUGHT FOR THE WEEK:

By C. D. Edge

## The Victory Of Easter

Luke 24:6--The Angel Speaking Of Jesus Said--HE IS NOT HERE BUT IS RISEN:

Victory, that's what Easter is! That's it! The victory of life over death. You want to live, don't you? And you fear death? Then here's good news for you:

THE POWERS OF DEATH HAVE DONE THEIR WORST  
BUT CHRIST THEIR LEGIONS HAS DISPERSED  
LET SHOUTS OF HOLY JOY OUTBURST, ALLELUIA!

The devil had gotten man to sin. No one was strong enough to defeat him. Everyone was headed for hell and damnation. Then came Jesus Christ. He didn't die as a victim of

violence or even as a martyr. He came into this world to pay the awful price of man's sin. He voluntarily gave His life. And because He is God, He rose from the dead. His resurrection proved that the victory over sin and death has been won. Shout for joy! When you take Jesus into your heart, you not only escape death, but you begin to live. That's the Easter victory. The Lord is Risen. Hallelujah!

HE CLOSED THE YAWNING GATES OF HELL  
THE BARS OF HEAVEN'S HIGH PORTALS FELL  
LET HYMNS OF PRAISE HIS TRIUMPH TELL, ALLELUIA!
