With Memphis Facility

Local Hospital Signs Agreement

The Northeast Mississippi Hospital in Booneville and the Baptist Memorial Hospital in Memphis agreed in principal Tuesday to become affiliated.

This affiliation will take the form of an interim management agreement with an option to lease the 136-bed facility in Booneville, pending completion of further technical studies, according to a spokesman for the Baptist hospital.

The option to affiliate the two institutions was signed in Booneville by Paul Flurry, chairman of the board of directors of Northeast Mississippi Hospital, and Roger N. Struble, vice-president and head of Corporate Services of Baptist Memorial Hospital.

The 32-year-old Northeast Mississippi Hospital is jointly owned by Booneville and Prentiss County. The Booneville Board of Aldermen, the Prentiss County Board of Supervisors and the Northeast Mississippi Hospital Board of Trustees unanimously approved the agreement between the Baptist Hospital and the local facility.

Struble said that studies to determine the future capital needs of the hospital should be completed by Dec. 31 of this year. At that time, Baptist will decide whether or not to exercise its lease option.

During the interim, the affiliation agreement between

'The board of Northeast Mississippi Hospital felt the affiliation agreement with Baptist Memorial Hospital was the best approach to solving their problems.'

the two hospital calls for Baptist to provide an administrator to coordinate efforts of the feasibility study team. Struble said John Tompkins, currently a member of the Baptist Corporate staff and a former administrator of the Booneville hospital, will assume this responsibility.

STRUBLE SAID BAPTIST hospital became involved with the Booneville hospital when Northeast's trustees asked Baptist to provide a team of specialists to survey the operations of the institution. The nine-member team examined such areas as current systems, financial operation, physical plant, materials management and purchasing, human resources, nursing, ancillary departments and policies and procedures.

The team also interviewed key members of the

hospital's administrative group, hospital board, medical staff, department managers, and other hospital employees, Struble said.

The team's findings on the physical plant revealed sizable expenditures would be necessary to attract new physicians and additional patients.

"There are other significant problem areas . . . They relate primarily to the industry-wide problem of capital formation. This problem is especially acute with Northeast because the facility is in dire need of renovation," the report said.

The board of the Northeast Mississippi Hospital felt the affiliation agreement with the Baptist Memorial Hospital was the best approach to solving their problems.

THE BOONEVILLE HOSPITAL, located about 100 miles southeast of Memphis, is the fourth hospital to affiliate with Baptist in 18 months. Since July 1980, Baptist has leased a 64-bed hospital in Ripley, Tenn., and a 40-bed hospital in Corning, Ark., and purchased a 70-bed hospital in Covington, Tenn.

Baptist and Methodist hospitals in Memphis - both non-profit church-linked organizations - are vying with one another to go beyond Shelby County and build formal hospital networks in the Mid-South and beyond.

Maurice Elliott, senior vice-president at Baptist, has said that the formal networks are more a way for the big hospitals to protect referrals from outlying facilities than to secure new referrals. He said there are the benefits of cost and quality of service for the small affiliates.

By 1990, Baptist administrators expect to have affiliated, in one fashion or another, with 30 to 40 hospitals, according to an article in a Memphis newspaper.

The Baptist hospital has a 1,500-bed facility in Memphis' medical center, a 417-bed unit in East Memphis, and a 150-bed rehabilitation unit. The 69-year-old hospital complex is the largest non-profit health care institution in the United States. It is owned by the Southern Baptists in Mississippi, Arkansas and Tennessee.

In Jumpertown Community

After-School Accident Claims Student

A 9-year-old Jumpertown boy was killed in front of his home on Highway 4 last Thursday after he apparently ran into the path of an oncoming vehicle on his way to the mailbox.

Gerald Hardy Holley, of Route 3, Booneville, was dead on arrival at Northeast Mississippi Hospital, according to State Highway

Patrolman Alfred Michael, who investigated the accident.

Witnesses told the highway patrolman that there was a long line of vehicles behind the eastbound schoolbus that had stopped to let off Holley and his sister, Geneva, around 12:40

p.m. School had turned out early due to a teachers' meeting that afternoon.

Michael said witnesses told him that after the last car passed the bus, Holley ran across the highway to check his mailbox and a car travelling west-bound, struck him. Gregory O. Garrett, 19, of Oxford was

the driver of the car.

Michael said the accident was definitely not the fault of the driver and no charges were filed.

Services for Holley were at 10 a.m. Saturday, Nov. 7, at Gaston Baptist Church with Bro. Milton Koon and Bro. Dwayne Kirk officiating. Burial was in

Gaston Cemetery.

He is survived by his mother, Mrs. Martha Owens of Booneville and his father, Troy Hardy Holley of Ripley; and a sister, Geneva Holley of the home.

McMillan Funeral Home was in charge of arrangements.

For Two New Dorms

Whitten Speaks At Ground Breaking

By ANGELA SMITH
Staff Reporter

Congressman Jamie Whitten was on hand Monday for the formal loan closing and ground breaking ceremonies for two new dormitories under construction at Northeast Mississippi Junior College.

"I don't know of any institution that does a finer job than Northeast," Whitten said during the loan closing ceremony.

Although actual construction work on the two new dorms began several weeks ago, official ceremonies were scheduled for Monday so officials from the Farmers Home Administration could be present, NEMJC President Harold White said.

The \$2.5 million loan for the dormitory construction is being funded by FmHA and James L. Perry, state director of FmHA, said the \$2.5 million loan was "a first for us."

During the ground-breaking ceremonies, Rep. Whitten, chairman of the Appropriations Committee of the U.S. House of Representatives, said the construction of the two new dorms "is an example of

solid, sound federal spending.

"We need to cut down on wasteful spending, but things that enrich us, that increase our well-being and the growth of this country should be continued," he

said.

Whitten said the new dorms are a sound investment of federal dollars because they will provide

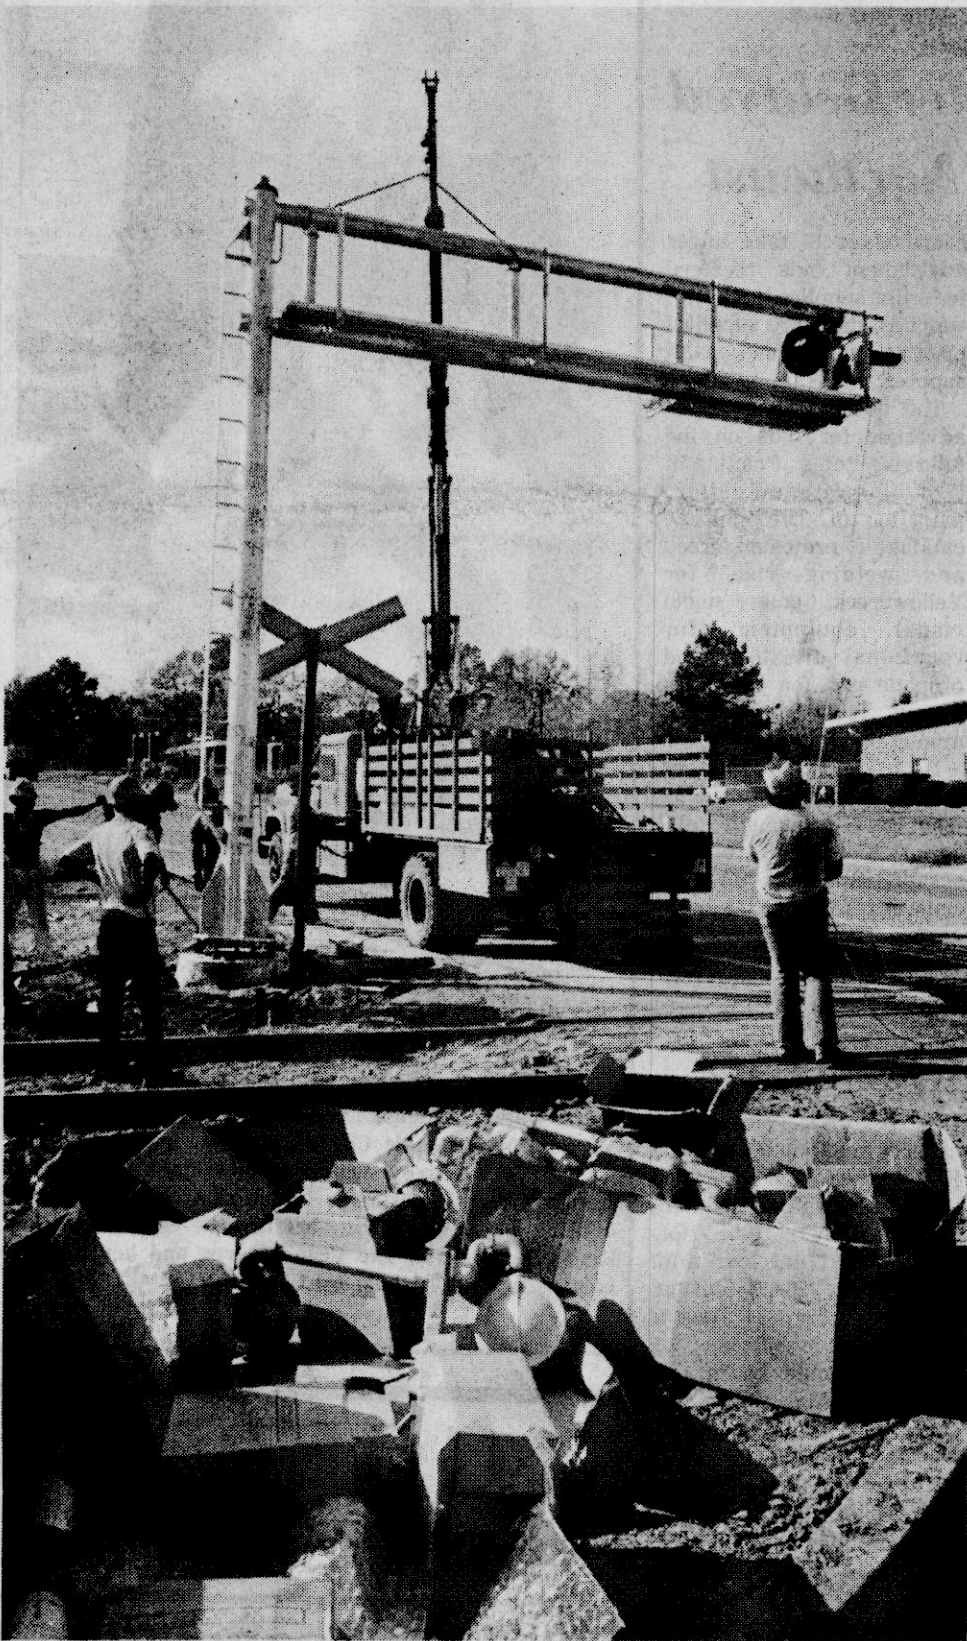

housing for students whose education will help turn around the trend of declining productivity in America.

"What we need now," he said, "is to reverse the economic trend, so our people in Mississippi, and

elsewhere in the nation, will find work to do."

"In this period of recession we needed to cut out wasteful spending, but that is not enough. We must

GOING UP - After more than four years of lobbying on the part of local officials and citizens, workmen for the ICG Railroad have been in the process of installing flashing warning lights at the ICG crossing on the Highway 30 Bypass in Booneville. In January of this year, the city received final approval of a \$47,600 grant through the Federal Highway Act of 1973 to pay for the lights. The crossing has been the site of numerous accidents since the bypass was constructed. ICG workers said earlier this week that the lights could possibly be in operation by today.

Committees Established

N.E.D.A. Meeting Set Dec. 3

The executive directors of the Northeast Economic Development Association (N.E.D.A.) met last Thursday in Pontotoc to finalize plans for a Dec. 3 open meeting of the full board and members, according to Stewart Vail, Booneville businessman who serves as president of the organization.

N.E.D.A. is a lobbying group originally organized in February 1971 to represent 13 counties in

Northeast Mississippi in their efforts to obtain improved roads.

N.E.D.A. eventually led to the statewide organization of H.O.P.E. (Highways: Our Pressing Emergency), which was in turn replaced by T.I.M.E. (Transportation Is Mississippi's Emergency). However, N.E.D.A. was re-activated in August of this year to lobby for improved highways and other pressing needs in the original 13-

county area.

At Thursday's meeting, the executive directors approved the revised constitution and bylaws of the organization and set up a method whereby directors-at-large will be appointed by the boards of supervisors of each of the 13 counties and by the mayor and board of aldermen of the county seats of these counties.

The executive directors also set up committees in four areas in which they feel

N.E.D.A. should begin working: transportation, education, industrial development, and state and federal programs.

The Dec. 3 meeting will be held at 12:30 p.m. at the Northeast Mississippi Junior College in Booneville and will feature a lunch.

An interesting speaker has been secured for the meeting, Vail said this week. All interested persons are invited to attend, he said.

Correction:

Yes, There Are Specialists At NEMH

In last week's paper, in an effort to illustrate the need for additional specialists at the Northeast Mississippi Hospital in Booneville, an unfortunate statement was made.

What we meant to say was that the Booneville hospital has no cardiologists, neurologists, orthopedists, etc. Unfortunately, what we said was something entirely different. We said there are no specialists on the medical staff of the local hospital - and that's not true.

There are six board certified specialists on the staff. All are fully trained and highly competent in their fields. Dr. W.H. Preston Jr. is board certified in obstetrics and gynecology; Dr. Jose Madara is a board certified general

surgeon; Dr. Clifton Cartwright is board certified in Family Practice; Dr. Roger Swanson and Dr. Phyllis Mason are both board certified radiologists; and Dr. Teresita DyReyes is a board certified pathologist.

The other members of the medical staff - Dr. Paul Ellzey, Dr. J.L. Hurst, Dr. Webster Cleveland, Dr. Dwight Johnson and Dr. S.C. Galloway - are highly competent and fully trained general practitioners.

We extend our sincere apologies for the unfortunate statement to all involved. It appears we came down with a case of foot-in-the-mouth disease. Unfortunately, we can't seem to find a specialist that can cure that.

AIM Meeting

TEACHERS TAKE AIM
-- Teachers of the Prentiss County School System met last Thursday afternoon to work on the Accountability and Instructional Management (AIM) program mandated by the state legislature for all schools. Teachers from grades 1-6 met Thursday at Hill's Chapel School where they broke into small groups to work on the project (right) Teachers in grades 7-12 met at the same time at Thrasher High School (above).

County Teachers Meet To Work On AIM Program

Since school started this term, Prentiss County faculty have been working on the Accountability and Instructional Management (AIM) program. The AIM program has been mandated by the state Legislature for all schools, and the program must be in operation by the fall of 1984, said Donald Johnson, assistant county school superintendent and co-ordinator of AIM. Johnson said the AIM

program is designed to "show the public how much they're getting for their tax dollars and to see if we're educating students or just having school."

He said AIM will provide guidelines for effective instruction and will cover every subject taught in the school. He said there will be three phases to the AIM program. They are:

1) Outline: The teachers will outline what they plan to teach.

2) Program Description: The teachers will explain how the subject will be taught, and the materials and resources to be used.

3) Evaluation: The teachers will evaluate what has been taught and how the students compare to other students in the county and state.

Johnson said the first phase of the program should be completed by early 1982.

"We're going to dismiss school probably a half day each six weeks to work on the program," he said.

Thus far, the county teachers have met twice to work on the AIM program.

Thursday of last week teachers in grades 1-6 met at Hill's Chapel. Mrs. Reba DePoyster is elementary chairman. Teachers in grades 7-12 met at Thrasher last Thursday. Garry English is secondary chairman.

Northeast Coed Dies In One-Car Accident

An 18-year-old Northeast Mississippi Junior College freshman was killed in a one-car accident about 10 p.m. Friday approximately one-half mile West of Iuka on Harmony Road.

According to the Mississippi Highway Patrol, Regina Lynn Stovall of Iuka died in the accident. Injured were Mark Emmons, 21, Rebecca Rye, 17, and Chris Davis, 19, all passengers in the vehicle.

Emmons and Miss Rye were reportedly transferred to Baptist Hospital in

Memphis, while Davis was confined to the Tishomingo County Hospital in Iuka. Authorities said the three suffered a variety of cuts and bruises.

Miss Stovall was a 1981 graduate of Iuka High School. Funeral services were at 2 p.m. Sunday at the Cutshall Funeral Home Chapel with the Rev. Dudley Stovall officiating. Burial was in the Pleasant Hill Cemetery.

The cause of the accident was still under investigation earlier this week.

Spring Semester Delayed One Week At Northeast

The Northeast Mississippi Junior College Board of Trustees voted Monday to delay the start of spring semester one week in January in an effort to conserve energy.

"We're taking every precaution to eliminate excessive costs," NE President Harold White said.

Registration for classes at NE will be Jan. 11-12. Graduation ceremonies will be scheduled for Friday, May 14.

White noted that administrative offices would open Jan. 4, although students would not report for registration until a week later.

This year spring holidays (April 5-9) will coincide with Easter, White said.

In other business, the

board voted to take under advisement bids received for office supplies, janitorial supplies, day care supplies, printing supplies and health supplies.

The board also voted to advertise for bids on the following items: Printing of the alumni newsletter; printing of the college catalog; projector-screen and welding rods for Yellowcreek Center; audio visual equipment for vocational division; and propane gas for the Manpower Training Center, among other items.

Dr. Mary Sumners Rickard, who is retiring from the NE teaching staff, submitted a letter of resignation to the board of trustees. Dr. Rickard's resignation becomes effective Dec. 31.

DANGEROUS SITUATION - Two employees of the Prentiss County Electric Power Association cut electric power lines to a metal building which burned Monday afternoon on Highway 45 North near the Thrasher crossing. The building, leased by Belmont Furniture of Booneville, contained mostly wood products. However, the building also contained a

number of acetylene tanks, at least two of which ruptured due to the fire. Because of the danger of an explosion from the tanks, traffic along U.S. 45 was halted for approximately 45 minutes, Prentiss County deputies said. The building was a total loss.

Smokeout Day 1981 Set For Thursday, Nov. 19

Plans are underway at the Northeast Mississippi Hospital in Booneville to observe the Great American Smokeout.

Sponsored nationally each year by the American Cancer Society, the Great American Smokeout is held on the Thursday before Thanksgiving. For the second consecutive year, the Volunteer Services at the Booneville hospital are sponsoring the observance.

Pat Fugitt is the Volunteer chairman for the day and hospital personnel director Cindy Green is honorary chairman.

In observance of Smokeout Day, which will be Thursday, Nov. 19, hospital

volunteers will be giving out pins which say "The Great American Smokeout" and "Kiss me, I don't smoke." Find-a-word puzzles will also be issued to each room in the hospital.

Tips for quitters will be available at the desk in the front lobby of the hospital.

The 1981 goal of the Great American Smokeout is to get at least one in every five smokers to give up cigarettes from midnight to midnight on Nov. 19.

The Smokeout is now in its fifth consecutive year as a nationwide celebration. In 1980, according to a survey conducted by the Callup Organization, nearly 16.5 million American smokers

attempted to give up cigarettes on Smokeout Day. Just under 5 million succeeded for a full 24 hours. One to 10 days later, 2.2 million were still not smoking.

Edward Asner, who was 1978 national Smokeout chairman, quit cold turkey that year and hasn't smoked since, according to the American Cancer Society. His predecessor, Sammy Davis Jr., tried to quit but couldn't make it through the day.

Last year, national chairman Natalie Cole, successfully gave up cigarettes for Smokeout Day, but went back to smoking after the event.

BUSINESS PERSON OF THE YEAR - Paul Miller (center), president and publisher of The Banner-Independent, receives congratulations from Mrs. Laura Cartwright of the Business and Office Department of the Prentiss County Vo-Tech School. Miller was named Business Person of the Year at the annual FBLA Family Night last Thursday at the Booneville West Side Community Center. Tammy Hoard (right), FBLA reporter, presented the award.

Business Person Of Year Named At Family Night

Paul Miller, president and publisher of The Banner-Independent has been named Business Person of the Year by the Prentiss County FBLA Chapter at the Prentiss County Vo-Tech School. The announcement was made by the chapter reporter, Tammy Hoard, at the annual FBLA Family Night held last Thursday night. The surprised Mr. Miller was given a standing ovation by the chapter members, parents, and guests.

William J. McCoy, state representative, installed the 1981-82 FBLA officers at the meeting. Karen Wimberley and Tim Smith, co-presidents, acted as toastmaster and toast-mistress with Glenn Storey, vice-president, assisting.

Each year the FBLA Chapter awards certificates

of appreciation to those persons who have given of themselves to help the Prentiss County FBLA Chapter. This year's certificates went to Tim Horton, two-year president of the Prentiss County FBLA Chapter, the Coca Cola Bottling Company of Corinth, and Robert D. Griffin, Superintendent of the Municipal Separate School District.

Lex Cain, Prentiss County Superintendent of Education, was the first person to receive the Certificate of Appreciation. Other recipients have been Ruby Ashcraft, Paul Miller, Burnis Morris, Jerry Kuykendall, William Fraser, James Sparks, Harrell Padgett, Donald Johnson, Johnny Browne, James H. Cox, Virgil Robinson, Mac Curlee and

At First Methodist Church

Festival Of Religion Planned

The First United Methodist Church in Booneville will have their second annual Festival of Religion, Art, and Music: Sunday, Nov. 15.

"We expect an even greater glorification of God than we had with last year's successful event," Dan Warmbrod, chairman of the event, said.

"To God Be The Glory" is the theme of this year's celebration.

The day-long festival begins with the morning worship service at 10:55 a.m. This service will include special music by the sanctuary choir directed by Doug Holland.

Edward Ludlow and Dan Warmbrod will be presented at 2:30 p.m. in a two-organ recital, a first for North Mississippi. Art works and crafts of both the children and adult members of the church will be on display in

the fellowship hall.

Ludlow, an associate professor of organ and church music at Blue Mountain College, has a Bachelor of Fine Arts degree from the University of Florida and the Master of Music degree from Drake University. He was a Fulbright Fellow at the University of Copenhagen and holds membership in Phi Mu Alpha, Pi Kappa Lambda, Phi Kappa Pi, and the American Guild of Organists.

Warmbrod, an instructor at Northeast Mississippi Junior College and the organist at the Booneville First United Methodist Church, received the Bachelor of Science degree from Middle Tennessee State University and the Master of Arts degree from Peabody College-Vanderbilt University. He is a member of the American Guild of Organists and a student of Edward Ludlow.

Some of the selections at the recital will include "L'Orgue Mystique No. 3" by Charles Torunemire;

"Partita on 'Jesu, meine Freude'" by Johann Gottfried Walter; "Dialogue Monastique" by Richard Purvis; "Have Thine Own Way, Lord" by George C. Stebbins; "Es ist ein Ros entsprungen" by Peter Pindar Stearns, and "O, man, bewail thy grievous fall," by Johann Sebastian Bach.

'Talk O' The Town' Street Opinion Poll

QUESTION: Do you think the newly installed warning lights at the railroad crossing on the Highway 30 bypass will result in a decrease in the number of accidents at that crossing?

MRS. LEX CAIN of Booneville: "I definitely do. For one thing it will slow traffic down when they see the warning lights. I think it was badly needed."

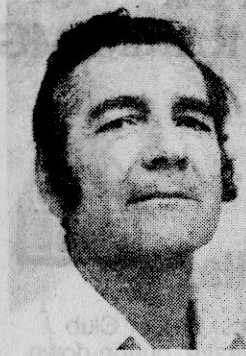

OUIDA McDOWELL of Route 3, Booneville: "It should. I haven't been around that way much myself, but I know there has been a number of accidents and it should greatly decrease them."

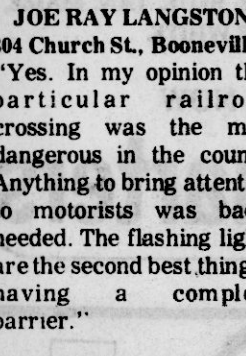

BRENDA MICHAEL of Route 1, Booneville: "I feel like it would, because people will know a train is coming. It was dangerous the way it was. It will be a big improvement."

BRENDA HARLING of Route 6, Booneville: "Yes I do because I get real nervous when I have to cross there. I think they've been needing it for a long time."

THOMAS MCNALLY of Route 3, Booneville: "It should. At least you've got something to look for where before you were on the railroad track before you could see a train."

JOE RAY LANGSTON of 304 Church St., Booneville: "Yes. In my opinion that particular railroad crossing was the most dangerous in the county. Anything to bring attention to motorists was badly needed. The flashing lights are the second best thing to having a complete barrier."

(Editor's note: "Talk O' The Town" is not intended as a scientific poll of public opinion. Rather, it is simply intended to give Prentiss County an opportunity to voice their opinions on particular issues and topics. Maybe we'll ask you next!!)

Reflections

By Ken Christian

No, the Northeast Mississippi Hospital in Booneville has not been sold.

What has occurred is that the Booneville hospital has reached an agreement with the Baptist Memorial Hospital in Memphis whereby the Baptist hospital will assume managerial duties of the local hospital until Dec. 31. Between now and that time, the Memphis hospital will run a feasibility study on NEMH to determine whether or not it will be in the best interests for Baptist hospital to lease the local facility.

If the feasibility study is favorable, then the agreement signed Tuesday by the two hospitals gives Baptist the option to lease the Booneville hospital.

Since this would be a lease agreement, it is possible that the owners of the facility, Prentiss County and the city of Booneville, could again take over the operation of the hospital sometime in the future.

John Tompkins, a member of the Corporate Services staff at Baptist hospital, will assume the duties of administrator of the Booneville hospital to coordinate the efforts of the feasibility study team. Tompkins served as administrator of NEMH for about five months during 1980, immediately preceeding Carl Baker, current administrator. Although it is not official, it is my understanding that Barker will be offered a position with Baptist hospital, but not at the Booneville hospital.

AS OTHERS SEE US

Have you ever wondered how neighboring counties view the actions taken by our local officials? The following editorial which appeared in the Nov. 5 edition of the Itawamba County Times of Fulton gives one such view. Winter To Seek Oil Tax Increase

By BILL MINOR
Columnist

JACKSON, Miss. — Gov. William Winter will make his move to upgrade the quality of public education in Mississippi — his top priority administration goal — by seeking a major increase in the taxes collected from the state's booming oil and gas production, this column has learned.

Winter, it was learned, will go to the 1982 Mississippi Legislature with a proposal to increase the severance taxes on oil and gas production from 6 per cent where it has remained the past 37 years to 9 per cent, a move that could produce as much as \$60 million in additional revenues annually.

The Winter plan calls for creation of an educational trust fund to which the additional 3 per cent in severance taxes would be dedicated. Winter's priority educational programs, such as public kindergartens and compulsory school at-

tendance implementation, would be funded with interest derived from the trust fund.

While he has not made the oil and gas severance tax plan public as yet, Winter has been making contact with top legislative leaders seeking to a floor vote.

Reportedly, Winter has won over House Speaker C.B. "Buddie" Newman, a longtime foe of any increases in taxes on oil and gas production, to go along with at least some increase in the severance tax, which has not been raised since 1944, except for a brief period in the 1950's when a surtax was imposed.

For some time, Winter has been researching the rates and application of severance and various other taxes levied by nearby oil and gas producing states, particularly Louisiana, where the oil severance tax had been hiked from 6 to 12.5 per cent six years ago and the gas severance raised to 7 per cent.

Alabama, which has

shared in the major gas boom that recently has come to Mississippi, has a 6 percent severance tax on both oil and gas, but, in addition, levies a 2 percent conservation tax on the value of both the oil and gas produced.

But Alabama is now also becoming the beneficiary of whopping lease bonuses on state-owned waterbottoms which have long been a tremendous source of revenue for Louisiana.

Recently, Alabama received almost a half billion dollars from leasing submerged land in Mobile Bay for exploration.

The idea of placing the oil and gas revenues into a perpetual trust fund for education is now being considered in a constitutional amendment before the Alabama Legislature.

Winter doubtless will face a tremendous battle getting the severance tax hike through the Mississippi Legislature, both because of the strong resistance now to

additional taxes and the tendency to freeze all expanding state programs, plus the fact that the oil and gas lobby has always been potent in the legislature.

An indication of the influence of the big oil and gas lobby was seen recently when a representative of the Mid-Continent Oil and Gas Association, which speaks for most of the producing companies and independents in the state, was allowed to be closeted with the State Oil and Gas Board, while the press and public were excluded.

Throughout the last 30 years since Mississippi has been among the top 10 to 15 states in oil and gas production, most of the laws affecting the industry have been written to suit the major operators.

Winter has put together a task force including some top business figures who have substantial influence in the oil and gas industry in the state to help him with the severance tax plan as the one lone hope he has for upgrading the public

"Though most people that are elected call themselves public servants, the number who actually fit the definition is far fewer."

"Two supervisors in Prentiss County, though, have done something that makes them fit the bill perfectly. And what's more it is something that our own supervisors could do which would save the county money."

"According to the Booneville Banner-Independent, two first term Prentiss County supervisors have broken with tradition. They have just completed the construction of new buildings to house their road maintenance equipment."

"This is not unusual. Most supervisors build new maintenance buildings during their first term in office. But they have built these equipment sheds on county land, not their own land. Instead of the supervisors getting to keep the sheds as their own property when they leave office, the county will retain possession of them."

"Their successors will not have to build a new shed at county expense; the county will already own one."

"Isn't that a great idea?"

"Wouldn't it be great if it were done that way in this county next time there is a new supervisor?"

"Why don't you tell your supervisor you think so?"

Arson Costs Everyone

Arson is a killer—an expensive killer, and all of us are paying the cost.

By 1986 economic loss from arson may reach \$89 billion a year. Eighty-nine billion dollars could be used to build approximately 1.8 million \$50,000 homes.

This estimate is not fiction. It is based on recent Senate hearings on arson that revealed arson loss will probably reach \$15 billion by the end of the year. It is estimated that arson will increase by 25 percent annually unless something is done to prevent it.

Arson is not solely an urban problem or just a problem of low income areas.

One of every three homeowner and fire insurance premium dollars goes to pay for losses caused by arson and arson related fraud, according to the Ohio Insurance Institute.

The direct and indirect cost of arson to all of us includes: loss of jobs, lost taxes for communities, loss of property and bodily injury. Property taxes increase to support police and fire department arson investigation activities and

related social service. And, insurance rates will rise.

Is arson a crime that can be stopped? Not entirely, but there is much that must be done by individuals as well as community groups. Simple steps each member of the community can take include:

- Eliminate the fuel that arsonists use.
- Secure your home or business.
- Report any suspicious activity to police.
- Organize citizens in your community to inform others about the effects of arson on your neighborhood.

Teachers Express Thanks

Dear Editor

Even though we sometimes despair that the bad things that happen in this world outnumber the good, we, the teachers at

Marietta School, have found that there are many good people left in Prentiss County.

We were overwhelmed by your response in helping us to make our Halloween

Carnival a big success. We sincerely want to express our thanks to each of you who helped us this year.

Bernell Smith,
Principal.

Thanks From Headstart

Dear Editor,

We want to write this letter to everyone who gave donations to sponsor our Halloween Carnival at the Booneville Headstart.

It was a real success and if you could have seen the children that night having a wonderful time, you would have received your reward.

Thank you so very much. Signed, The children, staff and parents, Booneville Headstart Center,

Miss McCreary And Mr. Crabb Exchange Vows

Sandra Ann McCreary and Jeffrey Alan Crabb were married Aug. 15, in the Tuscumbia Baptist Church. The Rev. Robert Walker of Carthage officiated at the ceremony.

Parents of the couple are Mr. and Mrs. Smith Ray McCreary and Mr. and Mrs. Billy Crabb, all of Booneville.

The bride wore a traditional white wedding gown of taffeta, overlaid with chiffon. The v-neckline and cap sleeves were outlined with embroidery and pearls and flowed with a cascade of embroidered chiffon.

Rhonda McCreary, sister of the bride, served as maid of honor. Lisa Cartwright of Starkville, Vickie DeVaughn of Baldwin, Lorraine Gann and Rhonda Newman, both of Booneville, served as bridesmaids.

The attendants wore formal orchid gowns of chiffon. The gowns were emphasized by their handkerchief hem and matching capes trimmed with lace.

Kay Reed, cousin of the bride, served as flower girl.

Timmy Walker of Carthage served as best man. John Mark Davidson of Starkville, Terry Gentry of

Mr. and Mrs. Jeffrey Crabb

Baldwyn, Sam Stacy of Booneville, and Doug Vincent of Shannon, served as groomsmen.

Ushers were Tony McCreary, brother of the bride, and Mark Burcham of Baldwin.

Joey Bernhart, cousin of

the groom, served as ring bearer.

Following the ceremony, a reception was held in the church fellowship hall.

After a wedding trip to Biloxi, the couple are now residing in Starkville.

Miss Christi Ann Ray became the bride of Ted Eugene Allen in a 2 p.m. ceremony on Saturday, Sept. 5, at the First Baptist Church in Booneville. The Rev. Tom Rayburn, pastor, officiated at the double ring ceremony.

The bride is the daughter of Mrs. Nona Mahaffy Ray of Dallas, Texas, and James T. Ray of Morgan City, La. She is the granddaughter of Mrs. John Mahaffy and the late Mr. Mahaffy of Booneville, and Mr. and Mrs. Sam D. Ray of Kosciusko.

The groom is the son of Mrs. Monte Allen and Manuel A. Allen of Dallas. He is the grandson of Mrs. R.V. Welch of Dallas and the late Mr. Welch.

Mrs. Mary Gault Nabers, organist, provided the nuptial music.

The altar of the church sanctuary was flanked by palms and spiraled candelabra. An arrangement of pink gladioli formed the focal point above the altar.

Given in marriage by her father, the bride wore a gown of candlelight chiffon over bridal taffeta. The Victorian neckline was sculptured in English net outlined in scalloped lace and embroidered in pearls.

Pearl-trimmed appliques of double-scalloped lace etched the hem of the gown which dipped into a self-train. The bride's bouquet was a cascade of candlelight roses interspersed with fern and baby's breath from which fell long satin streamers.

Miss Deanna Ray of Dallas served her sister as maid of honor. She wore a soft pink georgette dress and carried a bouquet of rosebuds.

Lee Simmons of Dallas was best man.

Bill Hirsch of Dallas served as usher. Mrs. Tom Rayburn of Booneville directed the wedding.

THE RECEPTION
Immediately following the marriage ceremony, Mrs.

John Mahaffy, grandmother of the bride, entertained with a reception in her home honoring the newlyweds.

The guests were welcomed by the hostess and bride's mother.

Miss Kathy Farrar of Fort Worth, Texas, and Mrs. Harris Masterson of Houston, Texas, served the tiered wedding cake. Misses Lisa Prichard and Melba McCoy served the bridal cup. Miss Norma K. Young of Booneville presided at the coffee service.

Those who had entertained for the bridal couple assisted as floating hostesses. Little Carmen Holland, daughter of Mr. and Mrs. Doug Holland of Booneville, offered scented rice bags to the guests.

After a wedding trip, the couple will reside in Dallas where the bride is a commercial underwriter with Continental Insurance Company and the groom is a commercial real estate appraiser with Joseph J. Blake and Associates.

Mr. and Mrs. Ted Allen

Out-of-town guests included Mrs. Monte Allen, Manuel Allen, Mrs. R.V. Welch, Mrs. Peggy Brown, Mr. and Mrs. Bill Hirsch, Miss Deanna Ray and Lee Simmons, all of Dallas; Miss Kathy Farrow, Arlington, Texas; Mr. and Mrs. Harris Masterson, Houston; Mr. and Mrs. Max Dilworth, Lyle Dilworth, and Mr. and Mrs. H.L. Dilworth, Shelby, Miss.; Mrs. Bobby Schmidt; and Miss Meri Schmidt, Clarksdale; Mrs. Sam D. Ray and Mr. and Mrs. Charles Ray, Kosciusko; Mrs. Paul Marchbanks, Natchez; Mrs. Gene Mattox, Starkville; Mrs. Ronnie Ballard, Pearl; and Mrs. Joel Pettie, Shreveport, La.

PRE-NUPTIALS
On the eve of the wedding, the groom's mother entertained with a rehearsal dinner. Following the rehearsal, members of the wedding party and others close to the family gathered for an evening on the patio at the home of Mrs. W.H. Anderson.

Miss Ray And Mr. Allen Wed

On the wedding day, several friends hosted a brunch at the Cherokee Park home of Mrs. Robert Buchberger. In addition to members of the wedding party, out-of-town guests attended. Hostesses with Mrs. Buchberger included Mrs. W.T. Barnett, Mrs. John H. Price, Mrs. Eva Eskridge, Mrs. Whit Abernathy, Mrs. Stewart

Vail, Mrs. M.W. Smith and Mrs. Emmons Turner.

Miss Mary Frances Roebke held a luncheon for the bride in her home in Rienzi. Mrs. Dorothy Birkitt of Corinth co-hosted. Since the occasion was also the bride's grandmother's birthday, Mrs. Mahaffy was treated to a birthday cake which she shared with the guests.

Retired Employees Meet

The recently organized Jacinto Chapter of the National Association of Retired Federal Employees (NARFE) met Oct. 16 at the Corinth Public Library, according to Hugh J. Horton, president.

Guest speaker was Doug Fleury, director of the Northeast Mississippi Museum in Corinth, who described several categories of "collectibles" and their value. He emphasized that all that "junk" in the attic may contain some real "treasures," Horton said. The Jacinto Chapter is organized to serve the four counties of Alcorn, Prentiss, Tishomingo, and Tishomingo, Horton said, to promote the general welfare of Civil Service retirees and to cooperate with other organizations in furthering the interests of senior citizens.

All retired Civil Service employees and their spouses and all surviving spouses of deceased employees are urged to join the chapter, he

said. The next meeting will be Thursday, Nov. 19, at 2 p.m. at the Northeast Mississippi Museum in Corinth (across from City Hall). Additional

information may be obtained by calling Horton at 286-2894 (Corinth), or Mr. Tice at 728-4366 (Booneville), or Mr. Curtis at 423-6266 (Iuka).

GETTING USE TO BIFOCALS

If you can move your eyes you will have fewer problems getting adjusted to bifocals. The eyeglasses must be properly fitted so they are centered in front of your eyes. The rest is up to you.

Your eyes will move up to use the vision correction in the upper part of the lens. That's for looking at objects beyond your reading distance depending on your vision problem. Your eyes move down naturally when you're reading to make use of the lower part of the lens.

Walking up or down stairs may be a problem at first. You have to look down to see where you're going. You may find it easier to use the upper part of your lens. All you have to do is to lower your chin a bit. The same goes when you're stepping off a curb. It just takes a little practice.

Bifocals are convenient to use because you don't have to change glasses for different kinds of viewing. But if you'd rather have two sets of glasses, you have that option too.

For answers to your specific questions regarding vision, Dr. White invites you to call his Booneville office

Mrs. Ira Hellums, grandmother of Mike Wilson, remains in the Booneville Hospital, room 32. Also, Mike's brother, Patrick, has been ill.

Philip Coats and Bryan Harris have both had a virus but are up and around again.

Sherman Estes is not yet able to attend the worship services.

I just learned today Nov. 6 that Aunt Myrtle Harris is feeling about as usual.

Winnie Harris said when I telephoned her that she is feeling fairly well.

Eunice Barber seems to be better but that big shot she gets today may have a bad effect again.

Those reported sick last Sunday, Nov. 8, were Betty Coats who had foot surgery on Saturday, the 7th, her mother

Those reported sick last Sunday, Nov. 8, were Betty Coats who had foot surgery on Saturday the 7th. Her mother, Pauline Jones, was

absent Sunday morning, she was with Betty who was advised by her doctor to stay off her foot for a few days.

Reba Ann Owens was absent on the weekend of Nov. 1. She went to visit her grandmother, Mrs. L. E. Estis in West Memphis, Ark. Mrs. Estis had improved enough to leave the hospital and to be at home.

Get-well wishes go to all these and to any others who may be ill.

Congratulations belatedly to Mitch and Lisa Yates who are happily entertaining a little son who was named Christopher Lee. Mrs. Gay Weeks is proud to be a great-grandmother.

The Barbers were very glad to have a number of his relatives visiting them and celebrating several birthdays. The time was spent in eating, showing affection and much reminiscing.

Visitation team number 1 met in the home of Kenny Hutcheson Sunday night following worship services. This is a good work and I hope to get involved soon. All the family of Virgie

Harris are very appreciative of everything done for them in their hours of bereavement—the kind words, the lovely flowers, the food, calls, and especially Bro. Barber's words of comfort. They appreciate also the donations to Oak Ridge, to Pine Vale Children's Home, and to Magnolia Bible College Library Fund in her memory.

Mr. and Mrs. Arthur Barnes always enjoy visits from their children, grandchildren, friends and neighbors.

Thought for the week:

The Soul of a Child

The soul of a child is the loveliest flower That grows in the garden of God. Its climb is from weakness to knowledge and power. To the sky from the clay and the cloud. To beauty and sweetness it grows under care. Neglected, tis ragged and wild. 'Tis a plant that is tender,

but wondrously rare This sweet wistful soul of a child.

Be tender, O Gardner, and give it its share Of moisture, of warmth, and of light,

And let it not lack for painstaking care To protect it from frost and from blight.

A glad day will come when its bloom shall unfold It will seem that an Angel has smiled

Reflecting a beauty and sweetness untold In the sensitive soul of a child.

An autobiography of Anwar el-Sadat, published in 1978, is a recent addition to the Allen Library collection. "In Search of Identity" is its title and appended to it are some of Sadat's messages, speeches and directives.

Another biography of a head of state is "When the Queen Was Crowned." This account of Britain's royal family is filled with pictures and explanations of the pagentry of state occasions. In "Reprieve," Agnes de

Mille, dancer, choreographer of "Oklahoma" and accomplished teacher and author, shares her personal tragedy and moving triumph when she suffered a massive cerebral hemorrhage.

Cheryl Prewitt, Miss America of 1980, calls her autobiography "A Bright Shining Place: the Story of a Miracle." In it she details her accident and healing, the Prewitt Gospel Singers' experiences along with her experiences as Miss America.

Home Economist's Notes

Fight Inflation With Inexpensive Baking Soda

By CLAIRE T. ROSS
Home Economist

Here's one way to keep inflation from draining your pocketbook this holiday season: Rely on inexpensive, multi-use products like the old favorite, baking soda. It has dozens of holiday uses.

Baking soda can be used as a deodorizer, an extinguisher for minor grease or electrical fires, a health and beauty aid and a non-abrasive cleaner. For cleaning up in the kitchen after holiday cooking, simply select the right formula to fit the task.

As a paste: Mix together 3 parts baking soda and 1 part water.

In solution: Dissolve 4 tablespoons baking soda in 1 qt. water.

Dry: Sprinkle baking soda straight from the box.

Here are a few ways baking soda can help you this holiday season:

Since this is the time for baking, your refrigerator as well as your freezer will be loaded with holiday foods. A fresh box of baking soda, placed in each unit will eliminate sour odors that can cause food spoilage. Recycle the used baking

soda by pouring it down the drain or garbage disposal to clean and sweeten the

plumbing.

Cookware, appliances, cutting boards and other kitchen equipment get an extra workout during the holidays. To clean burned on food from cookware, rinse pan, leaving a small amount of water (about 1/4 inch) on the bottom.

Soak for at least 1/2 hour and then wipe away loosened soil. For badly burned on food, boil for 5 to 10 minutes with a baking soda solution (three tablespoons to a quart of water). Don't boil in aluminum pan, since it may harm the surface.

Before giving your home a thorough pre-holiday cleaning, clean-up your cleaning equipment. Soak smelly sponge and string mops, brooms, sponges and mesh pads in a baking soda solution. It will remove dirt, grime and odors, leaving them fresh and clean.

Finally, after you have shopped, baked and cleaned and deodorized your home for the holidays, relax before the guests arrive. Take a soothing soak in a baking soda bath. A 1/2 cup or more baking soda in the water will soothe, comfort and soften skin just as the more expensive bath oils and powders do.

DATES TO REMEMBER:

Thursday, Nov. 12, 10 a.m. to 4 p.m. - "Homespun Holidays" will be held at Northeast Mississippi Junior College. Be sure to come for all kinds of holiday ideas.

NOTICE:

The Mayor and Board of Aldermen took up the matter of issuance of the Industrial Development Revenue Bonds of the City of Booneville, Mississippi, in the principal amount not to exceed One Million Five Hundred Thousand Dollars (\$1,500,000). After a discussion of the subject, Alderman Steen offered and moved the adoption of the following resolution:

RESOLUTION DECLARING THE INTENTION OF THE CITY OF BOONEVILLE, MISSISSIPPI, TO ENTER UPON AN INDUSTRIAL DEVELOPMENT PROJECT AND TO ISSUE INDUSTRIAL DEVELOPMENT REVENUE BONDS OF SAID CITY IN THE PRINCIPAL AMOUNT NOT TO EXCEED ONE MILLION FIVE HUNDRED THOUSAND DOLLARS (\$1,500,000) FOR SUCH PURPOSE, AND DIRECTING THE PUBLICATION OF NOTICE OF SUCH INTENTION.

WHEREAS, the Mayor and Board of Aldermen of the City of Booneville, Mississippi (the "Governing Body"), acting for and on behalf of the City of Booneville, Mississippi (the "Issuer"), does hereby find, determine and adjudicate as follows:

1. The Issuer is a municipality as defined in Chapter 147, General Laws of Mississippi, Regular Session 1960, as amended, appearing as Title 57, Chapter 3 of the Mississippi Code of 1972 (the "Act");

2. On September 1, 1981, this Governing Body, as authorized by the Act, adopted a resolution making application to the Mississippi Board of Economic Development (the "Board") for a Certificate of Public Convenience and Necessity (the "Certificate") authorizing the Issuer to acquire, own and lease a Project as hereinafter defined and to issue its industrial development revenue bonds to finance said Project;

3. On September 17, 1981, the Board ordered and directed the approval of the aforesaid application and issued its Certificate No. 488R to the Governing Body, which Certificate authorized and empowered this Governing Body, acting for and on behalf of the Issuer, subject to the conditions therein set out, to adopt and publish a resolution declaring its intention to issue industrial development revenue bonds of the Issuer as authorized by the Act in the principal amount not to exceed One Million Five Hundred Thousand Dollars (\$1,500,000) to provide funds to acquire said Project and thereafter to lease said Project to Prentiss Manufacturing Company or its designee (the "Company") for the purposes hereinafter set out; and

4. On October 6, 1981, the Issuer adopted a resolution declaring its intention to issue the aforesaid bonds; and

5. Said resolution was published, but an error in publication was made; and

6. Said resolution should be re-adopted by the Issuer; and

7. In order to promote industrial development and to provide additional gainful employment for its citizens, the Issuer should redeclare its intention to issue industrial development revenue bonds of the Issuer in the principal amount herein provided.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY, ACTING FOR AND ON BEHALF OF THE ISSUER, AS FOLLOWS:

SECTION 1. That this Governing Body, acting for and on behalf of the Issuer, does hereby declare its intention to issue Industrial Development Revenue Bonds of the Issuer in the principal amount not to exceed One Million Five Hundred Thousand Dollars (\$1,500,000) (the "Bonds") to provide funds for the purpose of defraying the cost of acquiring an expansion to an existing industrial enterprise which expansion consists of land, buildings, improvements, machinery, and equipment (all of which expansion together constitutes the "Project") for the storing, warehousing and distribution of garments or other permissible products under the Act, and for regional offices or facilities in connection with the management, supervision or service of its manufacturing, processing, assembling, storing, warehousing and distribution operations, and thereafter to lease the Project to the Company; provided that the Bonds shall be payable both as to principal and interest solely from the revenue to be derived from the leasing of the Project, and neither the Bonds nor the interest thereon shall ever constitute an indebtedness of the Issuer within the meaning of any constitutional provision or statutory limitation of the State of Mississippi, nor ever constitute or give rise to a pecuniary liability of the Issuer or a charge against its general credit or taxing powers.

SECTION 2. That the issuance of the Bonds in the amount and for the purpose aforesaid shall be authorized at a meeting of the Governing Body to be held at their usual meeting place in the City of Booneville, Mississippi, at the hour of 7:00 o'clock P.M., on December 1, 1981, or at some meeting held subsequent thereto, unless on or before the aforesaid date and hour twenty percent (20) of the qualified electors of the Issuer shall file a written protest against the issuance of the Bonds, in which event the Bonds shall not be issued unless authorized at an election on the question of the issuance thereof to be called and held as provided by law. If no such protest be filed, then the Bonds may be issued without an election on the question of the issuance thereof at any time within a period of two (2) years after the date hereinabove specified.

SECTION 3. That this resolution shall be published once a week for at least four consecutive weeks in the Banner Independent, a newspaper published in Prentiss County, Mississippi, and qualified under the provisions of Section 13-3-31 of the Mississippi Code of 1972. The first publication of this resolution shall be made not less than twenty-one (21) days prior to the date fixed in this resolution for the issuance of said Bonds and the last publication shall be made not more than seven days prior to the date aforesaid.

SECTION 4. That the Clerk of the Issuer is hereby directed to procure from the publishers of the aforesaid newspaper the customary proof of the publication of this resolution to have the same before this Governing Body at their meeting to be held on the date and at the hour set forth in Section 2 of this resolution. Following the reading of the foregoing resolution, Alderman Young seconded the motion for its adoption. The Mayor put the question to a roll call vote, and the result was as follows:

Alderman Steen voted: Aye
Alderman Young voted: Aye
Alderman Lambert voted: Aye
Alderman Houston voted: Aye
Alderman Allen voted: Aye
The motion having received the affirmative vote of all Aldermen present, the Mayor declared the motion carried and the resolution adopted, this the 3rd day of November, 1981.

Fire Report

The Booneville Fire Department dispatched units to five fires during the period of Nov. 6-10.

A car belonging to Tony Smith of Route 4, Booneville, caught fire Nov. 6. Firemen said the fire started under the hood. The car was a total loss. Fire Chief Frank Fleming said.

Firemen responded to a fire at the Dean Perry residence on New Hope Road Nov. 7. The cause of the fire was unknown. Damage to the brick home was minor, Fleming said.

A log truck belonging to Jerry Harris of Route 5, Booneville, caught fire Nov. 8. Cause of the fire was unknown. The truck received extensive damage, Fleming said. The Marietta

Fire Department assisted. A 1976 Maverick belonging to Elaine Bearden of Booneville caught fire Nov. 8. Cause of the fire was unknown. Damage was minor, Fleming said.

On Nov. 10 firemen responded to a fire at a metal building on Highway 45 near the Thrasher crossing. The building which was owned by Mildred Lauderdale, was being leased by Belmont Furniture Manufacturing Co. of Booneville. Wood products were stored in the building.

Fire Chief Fleming said from what they were told about the fire, it apparently started from an exhaust fan. The building was a total loss, Fleming said. The Thrasher Fire Department assisted.

Sheriff's Arrest Report

The Prentiss County Sheriff's Department reports a total of 18 arrests made during the period of Nov. 1-7. Charges placed during that period include: DUI, 3; public drunkenness, 6; possession of marijuana for resale, 1; family disturbance, 2; writ of procedendo, 1; petty larceny, 1; grand larceny, 1; receiving stolen property, 1; and false pretense, 1.

According to the Prentiss County Sheriff's Department, Mrs. Clifford Vines of Route 3, Rienzi, reported on Nov. 1 that her home was ransacked but that nothing was stolen.

Five Holstien calves belonging to Dean English of Route 3, Booneville, were reported stolen Nov. 7.

An undetermined amount of \$2 bills and a .25-caliber automatic pistol belonging to Kenneth Strange of Route 4, Booneville, was reported stolen Nov. 6.

James H. White of Route 2, Booneville, reported stolen a 12-gauge shotgun, a .22 caliber revolver, a hunting knife and about \$200. Nettie Huguley of Old Marietta Road, Booneville, reported the theft of a color tv, sewing machine, a stamp collection, a set of gold teeth and a gold bracelet.

Annie Lee Grimes of Route 5, Booneville reported the theft of a Doberman on Oct. 28.

Virgil Nicholson of Route 5, Booneville reported the theft of a battery and log chain on Nov. 3.

HERE'S HEALTH

Back disorders probably cause victims more pain than any other type of injury. Any strain or injury, even of a minor nature, can result in the loss of the delicate balance and easy mobility of a normal spine.

Once the spine is structurally weakened, additional injuries and strains, however minor, have an accumulative effect over a period of months or years. Finally, a vertebra may be forced out of alignment and the adjacent nerve openings obstructed, resulting in pain.

Spinal disorders can be prevented or corrected by chiropractic treatment...it is not necessary to suffer from back pain. Phone our office for an appointment.

increase American production, restore the quality of our product, and regain world markets."

The congressman said increased wasteful defense spending is certainly no answer, and "that is largely what we are doing."

"In the Congress, at the White House and in the press we don't hear or read of better defense; what we hear of is 'increased military spending' on weapons systems, never quite completed because we are always waiting to add the new gadget, including some still on the drawing board.

"Of course," he said, "we needed to cut out wasteful spending. We did that last year \$14.1 billion worth, with hardly a ripple. Now they want to cut muscle and bone."

NE President Harold White called the ground-breaking ceremony a "red-letter" day for the junior college.

In February FmHA agreed to the \$2.5 million loan and last summer they agreed to purchase the bonds for the project. The bonds will be retired over a 25-year period.

The men's dorm and the women's dorm will both be three-story buildings with open corridors. The facilities are designed to house about 120 students each.

S&S Construction of Corinth received the contract for the dorm construction in October after submitting a bid of \$1.99 million for building both dorms.

Completion date for the dorms if the fall of 1983.

Sappington Named Employer Of Week

The Vocational Business Education Department at the Prentiss County Vocational Technical School this week spotlights Michael Sappington and the Bank of Mississippi and their student-employee, Kathy Arnold from Booneville High School and a part of Booneville and Prentiss County's Cooperative Vocational Office Training program.

Sappington joined the Booneville Branch of the Bank of Mississippi from the Olive Branch Division as president and manager. He is married to the former Gail Howell of Pontotoc and they have two daughters.

Sappington was reared in Ecru, attended Ecru High School and graduated from Mississippi State University with a Bachelors and Masters in Business Administration and Finance.

Kathy is the daughter of Mr. and Mrs. Bob Arnold and is a senior at Booneville High School. She has served as cheerleader, has been a member of FHA, Math and Science Club, National Honor Society, is president of the Anchor Club, has served on the Student

Michael Sappington And Kathy Arnold

Council and was president of her Freshman class. She was also named to Who's Who Among American High School Students. Kathy is co-vice president of the Prentiss County FBLA Chapter.

Our sympathy goes out to "Round Lady" due to the death of her great-grandchild who died a few hours after birth in Denver, Colo.; to "Yo'Yo" because of the death of his uncle, Mr. James "Ollie" Chase; and to "Midnite Cowboy" because of the death of his 23-year-old niece, Judy Williams, of New Orleans.

Saturday night was our regular social. We had plenty of good food and lots of fun. "The Country Rhythms" entertained and "The Riverboat Band" tried out some new songs. Everyone enjoyed themselves.

"Upholstry Man," "Tweety Bird," "Chip-

monk," "Termite," "Lady Termite," "Brass Monkey," "Fig Leaf," "Charly" and "Double Trouble" attended the annual dance and coffee break given by the Trojans CB Club in Columbus. "Upholstry Man" has got to model the prizes he won!

"Hauler," what were you doing behind the wood pile when everyone else was cutting and loading the other wood?

The officers' meeting will be Thursday night at 7 p.m. at "White Girls" house. Please be present.

Happy anniversary to "Ole Blue" and "Lady Blue" on the 9th. Hope you had a nice day and enjoy many more years together.

"Mrs. Songster" enjoyed

having her daughter from Missouri and her grandson and his wife from Oklahoma visiting her for a few days.

The C.B. Club is sponsoring a benefit singing for little 3-year-old April Shelton who has never walked. It will be at 7 p.m. Nov. 14 at the Thrasher School gymnasium. Featured singers will be the Singing Hills, The Laymen, The Singing Echoes and The Templaiores, Club members, wear uniforms and name tags. The public is invited.

Happy birthday to "Dozer Boy" on the 8th, "Texas Ruby" on the 12th, "Angel" on the 13th and "Little Miss Buffalo" on the 14th. We hope each of you have a nice day and enjoy many more.

Our regular business

meeting will be Tuesday night, Nov. 17, at 7:30 p.m. at the West Side Community Center. Please attend because we have several applications to vote on and we will discuss final plans for our Christmas social. The turkey will be given away at this meeting.

"Tweety Bird" doesn't have to have much space to turn a van and camper around, just enough to make a U-turn. It's good no "Smokies" were around.

For all of you who are superstitious, watch out for the black cat or ladder in your path because Friday is the 13th.

Until next week, stay well, be happy and attend the church of your choice.

At MAE Meeting

Teachers Seek More Benefits

Teacher representatives, local presidents and legislative chairmen of the Mississippi Association of Educators from a 12-county area met Nov. 5 at the Natchez Trace Inn Restaurant in Tupelo to launch a "grassroots" lobbying effort for the 1982 session of the Mississippi Legislature.

Among its legislative objectives, MAE listed:

- Revision of the

Employment Procedures Act to include procedural and substantive due process;

- A "cost of living" salary increase based on the percentage increase in the Consumer Price Index (currently 10 percent);
- 100 percent of the employees health insurance to be paid by the state; and
- Salary advancement for teachers who complete additional training.

"The revision of the Employment Procedures Act is necessary because presently school boards can dismiss a teacher without cause," said Dr. Tony Rollins, executive secretary of MAE. "We are only asking that teachers be given those rights of due process enjoyed by other American citizens."

"The cost of living adjustment would actually do nothing more than insure

that teachers would not suffer any further decline in their real income for the next year."

"We will have in place a well-structured communication network that will enable teachers to express their concerns to legislators, both in the home district and at the Capitol," said Missy Hancock, Governmental Relations Director and chief lobbyist for MAE.

Sunflower News

By Rochelle Jenkins Community Correspondent

Many thanks to everyone for the wonderful comments that I've received on this article. It's so nice to know that I can be of help to somebody.

Most of the children of the community enjoyed a wonderful time Saturday morning at Jason's birthday party. They were so excited to go to a party at the Dixieland skating rink.

We really missed Mrs. Ruby Garner from Blue Bell who has been out sick for sometime. We're praying that she'll soon get to feeling better so that she may be able to soon come back to work because Lorraine really misses her and we do too. High blood pressure and inner ear trouble is something that you just can't mess around with and it only takes a God to heal that kind of sickness. So by the time this article is out I hope she is back at work.

Happy Birthday wishes go out for Mrs. Emmaleze Henry, Mrs. Dennia Stewart, and Mrs. Bessie Sorrell. I hope this will be one of the happiest birthdays that you ever had and we pray that you'll have many,

many more.

We would like to wish the Rev. and Mrs. Wess Miller a joyous and wonderful happy anniversary. I wonder what it's like to be married for 53 years, right Mrs. Gracie? I also wish Mr. and Mrs. Charles Allen a happy wedding anniversary.

The Rev. and Mrs. Archie Miller and Mr. and Mrs. Robert Edmond were guests at the home of Mrs. Mary Kelly for dinner on Sunday.

We welcome Robert Mack Miller home from Turkey. He is in the Navy. It must be nice to go overseas and return home with no hurt or harm. The Lord has really blessed him during his stay over there.

The Golden Voices of Zion from the Holiness Church of Christ Deliverance center will be having a "Praise the Lord in Song" concert at the Eastside Community Center on Nov. 22 at 2 p.m. Everyone is invited to come out and be with them. If your choir or group hasn't gotten an invitation, they should. But if they still don't, come anyway and we'll enjoy you

being there to sing a song or what-so-ever you desire. Don't miss it. If you want to hear a lot of good singing, be there.

As we look around, we can't help but notice the beautiful weather we're having for November. It's just another one of God's most bountiful blessings.

After hearing so many good comments on last week's article, I do hope more churches everywhere had a better attendance in Sunday School. If not, I hope it will be this Sunday, because when you miss Sunday School you're missing the schooling part of being taught the word of God.

Preaching is good, but as Jesus went along his journey he sat down and taught the people how to live and that's what it's going to take.

The other day I was just sitting and thinking what an honor it is to be a senior citizen and how the Bible speaks about gray hair being glory and how the old know the way and they can instruct us young people on how to be. I just want to honor some of our senior

citizens this week and I wish the churches of the community would get together and have a day in their honor. It would make them feel so good. And I just want to say from me, "You are Loved."

Some of our senior citizens are John L. McGee, Mrs. Annie Bell Williams, Mrs. Annie M. Dent, Mr. and Mrs. R. B. Jones, John Burress, Wess Shinault, Jodie Miller, Mrs. Flemmie Welch, the Rev. A. C. Welch, Mr. and Mrs. Wess Miller;

Mrs. White, Mrs. Florence Miller, Mr. and Mrs. Dick Fields, Mrs. Jessie Nunn, Mrs. Minnie Hurd, Mrs. Green, Mrs. Everline Stubbs, Mr. and Mrs. Willie Nunn, Mrs. Ada Welch, Mr. and Mrs. Sam Frank Simmons;

Mrs. Pearl Lou Johnson, Mr. and Mrs. Willie McDonald, Mr. and Mrs. Forrest Betts, Mother Julia Johnson, Mr. and Mrs. Willaim Welch, Mr. and Mrs. Jeffery L. Welch, Mr. and Mrs. Hinton Taylor and there may be some I can't think of, so I'll get you next week. So you won't feel bad. So beautiful to have so

many retired and senior citizens in our community.

We were honored with guests, Mr. and Mrs. Johnny Young and Mr. and Mrs. Penroe, who were at our services on Sunday night. The message was the highlight of the services. Our message was about Saul disobeying God and then being rejected by Him and how he had the opportunity to obey God and obeyed him not.

So many times we as the people of God want things our way and when they don't work out like we think we get upset. But, if we are obedient unto the word of God then God will take care of us as He did David the many times that Saul tried to kill him. David had the anointing of God upon his life.

Remember to go to Sunday School, attend church and let Jesus be Lord of your life.

Thought of the Week: Just over the hill, a little more suffering, and giving up to do, then we can be with Jesus and it will be worth it all.

Till next week.

SLATES OF NOMINEES DEVELOPED FOR COMMITTEE ELECTION

The slates of nominees for the upcoming ASC committee election have been developed. Jerry Floyd, chairman of the Prentiss

County Agricultural Stabilization and Conservation committee, announced.

The candidates for each ASC community in Prentiss county are as follows:

Community A (Jum-pertown and Pisgah): Max Lauderdale, Miles Cox, Tommy Garner, Eddie

Mauney, and Bud Green.

Community B (Blackland and Baldwin): Billy O. Spain, Athel J. Smith, Charlie Rowland, Jack Greenhill and Mack Williams.

Community C (Wheeler and Marietta): Edward Stacy, Joe Wayne Garner, David Hill, Mike Huddleston and James Barron.

Community D (Thrasher and Cairo): Harding Bur-cham, J. Carey Pike, Leon Tidwell, Horace Lambert and Geary Smith.

Community E (New Site and Burton): Ralph G. Smith, Waymon Slack, Clyde Wilemon, Bill Breedlove and Ken Martin.

The ASC committee election will be conducted by mail from Nov. 27 until Dec. 7. Eligible ASC voters will receive a secret ballot in the mail with instructions on how to vote for candidates for their choice and return the ballot to the county ASCS office.

Participation in ASC elections is open to all farmers regardless of race, religion, sex, color, or national origin.

1980 MISSISSIPPI FARM MARKETING OVER TWO BILLION Mississippi farmers received 2 billion, 145 million dollars from their 1980 farm

marketings, up slightly from the 2 billion, 139 million dollars received in 1979.

The 1980 cash receipts included \$891 million from livestock marketings, \$1.2 billion from crop marketings and various net amounts from Commodity Credit Corporation loans, according to the U.S. Department of Agriculture's income and balance sheet statistics for 1980.

Federal payments to Mississippi farmers last year amounted to \$18.7 million compared with \$12.9 million in 1979.

The USDA report showed that for the U.S. the open market sales component was higher in 1979 than total cash receipts as CCC loans were negative. Open market sales in 1980 were lower than total cash receipts as CCC loans were positive.

While most crop receipts increased, cattle receipts declined, hogs remained about the same, poultry was up slightly, and dairy products rose by 14 percent.

Net farm income declined from \$32.7 billion in 1979 to \$19.9 billion in 1980, according to the national report. Returns to operators also declined about 50 percent and cash income from farming dropped from \$38.4 billion to

Jones Named Chairman Of Manufacturer's Association

William M. Jones Jr. of Jackson was elected 1981-82 chairman of the board and chief elective officer of the Mississippi Manufacturer's Association at the organization's 30th annual convention held recently in Biloxi.

Jones is a former resident of Booneville and is married to the former Kathryn Green of Booneville. They have one daughter, Mrs. Peggy Lewis of Meridian, and one granddaughter.

Jones, who is employed as regional public affairs director for the Masonite Corporation, succeeds Toby Majure, president of General Equipment Manufacturers, as chairman of the 1,500-member public affairs representative of manufacturers and allied employers.

The new MMA chairman is a graduate of Millsaps College and has a master's degree from the University of Mississippi.

Following service as an intelligence officer with the U.S. Air Force, he was in the field of adult education with the Extension Division of the University of Mississippi until 1965 when he joined the MMA staff as director of public affairs.

In 1970, he joined Masonite as the company's public relations manager for Mississippi.

Jones has served on MMA's board of directors for the past four years and as secretary-treasurer for the past two years. He is

Still Time To Plant Winter Cover Crops

By W.H. HADEN

SOILS AND FERTILIZER

Getting the Most from Lime. The results a farmer gets from a lime application will depend on how badly lime is needed and the kind of liming program used.

Lime the severely acid soils first. Use a quality lime one that is high in liming value and is ground finely. Fineness of grind is extremely important when a hardrock lime is used.

Soft limes like chalks and marls do not have to be ground as finely but are lower in lime value than hardrock limes. Uniform spreading and incorporating of lime will speed up its reaction to correct soil acidity.

Preventing Erosion. Most cropland soil losses occur in winter and early spring. Soil subject to severe erosion should not be pulverized by tilling this fall.

Strongly sloping land to be row cropped in 1982 should have the residue shredded and left on the surface. Chisel plowing or subsoiling on the contour this fall will improve water intake and reduce erosion on these soils. The chisel plow, run as the last trip this fall, will leave mixed clay soils rough to reduce erosion and increase water intake.

Borders, drain ditches and all adjustment strips should be in an established sod to slow runoff and erosion.

Winter Cover Crops. There is still time to plant winter crops on low organic matter soil. Farmers can build organic matter slightly by returning stalk residue to the soil and using winter cover crops.

Most commonly used cover crops are hairy vetch and wild winter peas, both legumes, or winter cereals such as rye and wheat. The legumes will add about 30 to 60 pounds of nitrogen for use by the row crop. Cereals will not fix nitrogen, but they will produce earlier spring growth and can be turned under so cotton can be planted earlier.

Seed about 35 to 40 pounds to vetch or peas per acre. It will take one and one-half bushels of wheat or rye per acre.

For long term improvement in organic matter, plant perennials, such as fescue and alfalfa, for three or more years. Rotate them with row crops for the same period of time.

Tigers, Tigerettes Sharp In Opening Night Wins

The Northeast Mississippi Junior College Tigers and Tigerettes opened the 1981 basketball season with a bang here Monday night with a pair of hoop wins over Dyersburg State in action at the Bonner Arnold Coliseum.

A huge crowd turned out for the opener to view the debuts of both new head coaches Richard Mathis, boys; and Rickey Ford, girls.

What they saw had to indeed please the capacity crowd as both the Tigers and Tigerettes looked about as sharp as any opening ballclub could.

The Lady Tigers got the ball rolling with a flashy 79-59 win while the Tigers complete with slam dunks, alley-oop passes, steals and the rest, waltzed to an easy and commanding 94-71 victory.

In women's action, Booneville's Tina Gardner burned the nets for 25 points while Brenda Mayes followed with 17 and Lisa Stroupe netted 12.

Coach Rickey Ford's squad, without a single sophomore, were well prepared for the outing and thrilled the crowd with their performance.

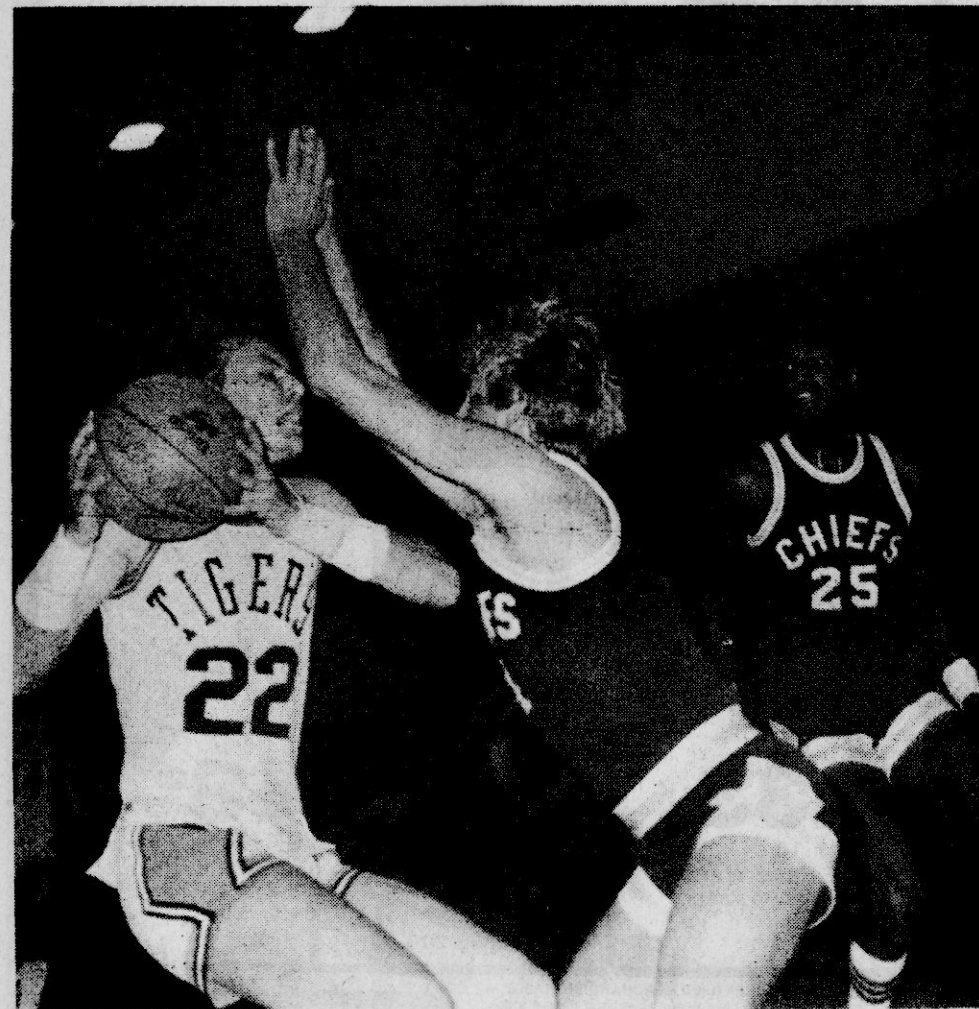

In nightcap action, Tiger ace Maurice Stafford poured in 19 points to lead the pact while teammate Ralph

Griffin followed with 14 and Wheeler's Tim Kesler had 12.

The Tigers, under the direction of new head coach Mathis, started the ball rolling from tipoff to finish and on three different occasions rolled off eight unanswered points.

Northeast was scheduled to play Shelby State in Memphis Tuesday. Results of that game was not available at press time.

Both the Tigers and Tigerettes will return home tonight against Co-Lin and then have another home date Monday night at the Coliseum with Northwest Alabama.

Dillworth Shines: Corinth Drops Devils 28-12

Tailback Jeff Dillworth did everything except carry the water bucket here last Friday night and led Corinth's Warriors to a 28-12 victory over Booneville's Blue Devils in the season finale at Northeast's Tiger Stadium.

The 175 pound back stunned the Booneville fans in attendance with his flashy runs and scored three touchdowns on the night to pace the Warrior victory.

Dillworth's runs came on an 82 yard sprint, a three yard run and a 32 yarder while rushing for some 150 yards on the night.

Booneville fans had some heroics of their own however when Booneville back Greg Oakley took a first quarter kickoff and raced 88 yards to paydirt.

The Devils added another six pointer when Oakley scored his second tally of the night capping off a 40 plus yard drive.

Booneville High School head football coach Charles Gullett had said before Friday's outing that Corinth was

indeed better than their 4-5 record indicated. After the game was over most of the fans were in total agreement with that statement.

"This Dillworth kid is a quality athlete," Gullett said. "He is just as high on the list as our scouting reports had him to be."

The Blue Devil squad ended the 1981 season with a 3-7 overall record while Corinth finished their season mark at the 500 mark with a 5-5 record.

Booneville's wins this year (came over Fulton, Nettleton and Pontotoc while the losses were to Baldwin, (in overtime) Ripley, Houston,, Salltillo, Kossouth, New Albany and Corinth.

The Devils had only four seniors on the ballclub this year and they ended their high school careers. Seniors to be commended for contributions to the BHS sports program are Rickey Leach, Steve Arnold, Willie Shinault, and Gary Garner.

New Site Tourney Gets Underway Tonight

Some of the best basketball action to be found anywhere will get underway here tonight when the Annual New Site Tournament gets underway.

The County event, scheduled Nov. 12th-14th, will consist of a variety of the County's top teams battling each other for the top trophy prize.

The boys event has been changed this year from a Round Robin tournament to a single elimination while the girls tournament will remain, as in the past, a single elimination tourney.

New Site principal Larry

Morgan asks everyone to come out and watch this tournament. "I believe that this year's tournament will be real competitive," Morgan said. "There are several evenly matched teams and all the games should hold the fans interest."

Teams competing in the three day tournament are in both boys and girls brackets. Alcorn Central, Thrasher, Iuka, Belmont, and New Site.

In tonight's opening round action Alcorn Central's girls battle Iuka at 6 followed by Alcorn Central boys against Belmont at 7:15 and then Iuka and New Site faceoff in the nightcap at 8:30.

In tomorrow's action, Thrasher and New Site girls face each other at 6 followed by Belmont against the opening night winner at 7:15. Thrasher meets the opening

NE Folds At Goal-Line: Drops Final Game

The Northeast Mississippi Junior College football Tigers saw their hopes of a second win go down the drain here last Thursday night when they fell short of the goal line on a tying touchdown attempt in the closing seconds.

The Tigers, who went into the game with a 1-8 overall record, battled the first place Pearl River squad tooth and nail throughout the game but were stopped on a fourth and goal situation and dropped a 21-14 decision in the last game of the '81 season.

Preston Maddox got the Tigers on the board first when he took an option handoff from quarterback Shane Russell and sprinted 12 yards capping off a very impressive 60 yard drive.

The game knotted at 7 all, showed the turn-a-round factor to be a key play in the second quarter just before the half ended. Pearl River went ahead to stay on an 81 yard drive capped off on an eight yard pass from PR quarterback Lance Larson to receiver Wancy McNeal to give Pearl a 14-7 lead at the intermission.

The South Mississippi squad added yet another six

pointer to take a 21-7 lead before the Tigers started fighting back.

Phillip McDonald sprinted 10 yards capping off a 47 yard drive to trim the margin to seven points and then came the tying attempt at the closing seconds of the game.

The Tigers moved from it's own 40 yard line to the Pearl River 10 where the drive stalled. A big play in the drive was a pass completion by Monte Hamilton at the PR 26 and moved it to the 10.

Four plays were not enough however and the clock expired leaving the once victorious Tigers short at the goal line.

Northeast ended their 1981 campaign with a 1-9 overall record which is a complete reversal from last year's North champs and a 9-1 record.

The Tigers had a very young squad this year with a host of freshman recruits and according to head coach Bill Ward the Northeast pawmen will indeed be back in 1982.

Action Hot And Heavy In Roundball Circuits

Area roundball action moved on the upswing this week on the Prentiss County circuit. All county schools are in their second month of action while Booneville High School kicks off their campaign next Tuesday night for the city.

JUMPERTOWN DROPS WALNUT

Both Jumpertown's Cardinals and Cardinale's picked up wins here Saturday night. The Cardinales downed Walnut's girls 51-19 in the opener while Jumpertown's Cardinals downed Walnut 72-43 in the nightcap.

Lynette Miller paced the Lady Cardinals with 15

points followed by Donna Alexander with 10.

In boys action, Billy Prentiss bucketed 16 followed by Fred Henderson and Perry Perrin with 14 each.

WHEELER TAGS NEW SITE

Wheeler's Eagles and Eaglettes tripped New Site twice here last Friday night in local cage action. The Eaglettes stopped the Royalettes 47-42 while Wheeler's Eagles checked New Site's Royals 56-47 in the nightcap.

Scoring honors in girls action went to Tangie Miller of Wheeler with 23 points while for the

scorers on the night with 36 points to pace Thrasher followed by Keith Trimble with 18 and Calvin Davis with 15.

TREMONT-JUMPERTOWN SHARE

Tremont's girls and Jumpertown's Cardinals picked up wins Friday night in high school action. Tremont stopped Jumpertown's girls in the opener 64-44 while Jumpertown had a 93-44 victory in the nightcap.

Tracey White paced Jumpertown with 16 while teammate Lynette Miller followed with 12.

In boys action, Perry Perrin and Billy Prentiss had 16 each to lead the Cardinals.

Royalettes Cindy Taylor led the charge with 16 points.

In boys action, Wheeler's Bubba Miller burned the nets for a 22 point performance while Jeff Martin netted 22 for New Site.

MYRTLE DIVIDES WITH THRASHER

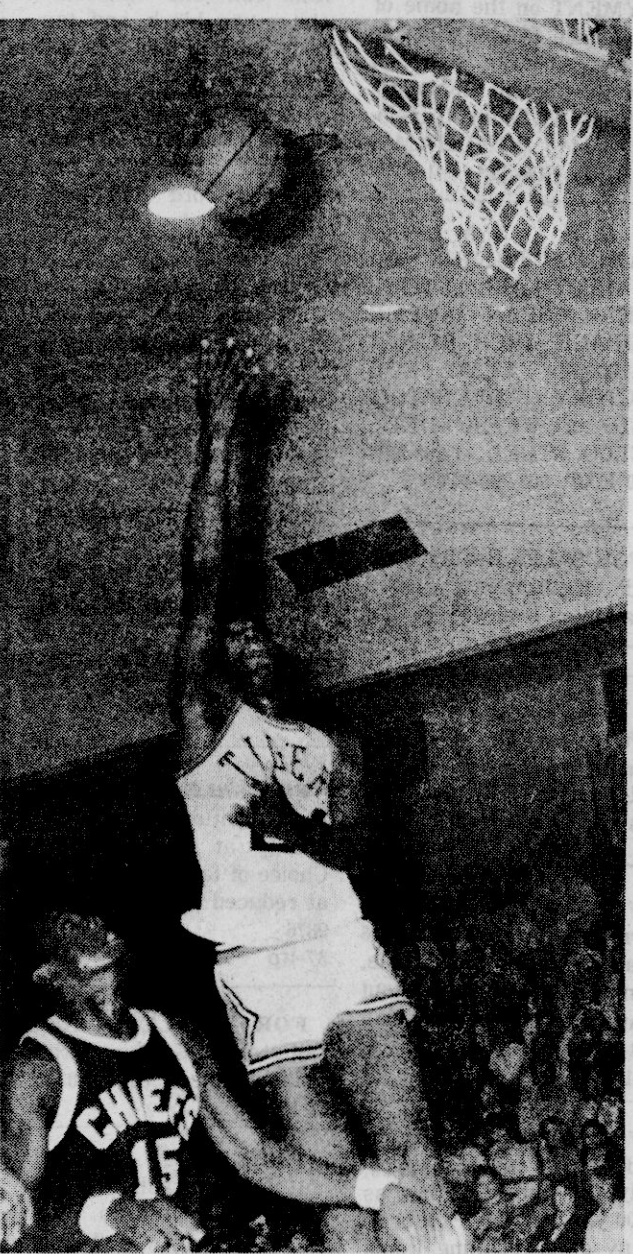

Myrtle and Thrasher split a basketball twin-bill here last Friday night in local action. Myrtle's girls took the opener 56-45 while the Rebels stopped Myrtle 85-79.

In scoring, Lisa Garner had 14 points to lead the Thrasher girls followed by Jessica Goddard with 13. George Leslie led all

SHERIFF'S NOTICE OF SALE
Whereas, on October 26, 1981, Fred Wicker, Circuit Judge of the Circuit Court of Prentiss County, Mississippi, did enter an Order in Cause No. 9,305 of said Court, being styled BRUCE GREEN vs. JOHN McCAULEY, SHERIFF, and UNITED STATES FIDELITY AND GUARANTY COMPANY, wherein the hereinafter described motor vehicle was declared to be an abandoned motor vehicle with obliterated serial number, and John McCauley, Sheriff of Prentiss County, Mississippi, was vested with title therein and authorized, directed and empowered to set a date for sale and sell the hereinafter described motor vehicle, reporting said sale back to said Court on the 20th day of November, 1981.

NOW, THEREFORE, I, John McCauley, Sheriff of Prentiss County, Mississippi, do hereby give notice that on Friday, November 13, 1981, during legal hours, I will proceed to sell at public outcry, to the highest bidder for cash, at the Prentiss County Jail in Booneville, Mississippi, the hereinafter described motor vehicle:
One 1977 Ford three-fourths Ton F-250 Truck with obliterated Vehicle Identification Number, with Vehicle Identification Number plate attached to the door stating same to be a 1975 Ford F-100 Truck, Serial Number F10YK00308.
The undersigned John McCauley, Sheriff of Prentiss County, Mississippi, believes that his title in said vehicle is good, but he will convey only such title as is vested in him by said Order.
WITNESS MY SIGNATURE, this the 20th day of October, 1981.
JOHN McCAULEY, Sheriff of Prentiss County, Mississippi

PANCAKE BREAKFAST -- A large crowd showed up Saturday morning for the Booneville Pilot Club's 29th annual Pancake Festival held in the Booneville High School Cafeteria. The club's Fund Raising Area served as the steering committee for the event. Pancakes were served from 6 a.m. to 1 p.m.

Mrs. Cook Is Named Director

Mrs. Becky Cook was appointed Executive Director of the Prairie Girl Scouts Council at the September meeting of the Council's Board of Directors.

Mrs. Cook has served as a troop leader, an organizer, and as neighborhood chairman for Lee County. She has also been an active member of the Prairie Council Board of Directors for four years and was most recently second vice-president of the Board.

Mrs. Cook is a resident of Tupelo and was formerly associated with Mike Guyton Realty. She and her husband, Bobby J. Cook, have three children. In addition to her work in Girl Scouting, Mrs. Cook has served as a volunteer for United Way of Greater Lee County and the Community Development Foundation.

"I am looking forward to working closely with the many fine leaders and other

volunteers throughout Prairie Council," Mrs. Cook said. Mrs. Cook sees growth as a primary goal for Prairie Council. "Every girl in the Prairie Council area should have the opportunity to be a Girl Scout."

Prairie Council, which serves 19 counties in Northeast Mississippi, is a United Way Agency.

Among 50 States Mississippi Has Highest Dropout Rate

Mississippi has the nation's highest dropout rate and is the only state without a statewide system of public kindergartens.

Gov. William Winter linked these grim statistics with Mississippi's inability to end its monopoly on 50th place in most economic categories, including having the nation's lowest per capita income, in a speech to some 600 educators and public officials at the opening session of the Governor's General Conference on Education.

"For every 100 Mississippians who finish high school, 59 do not," Winter said. "Some 15,000 students dropped out of school last year and another 6,000 never even entered school. That's 10 percent higher than any other state in the nation. This dropout rate is a scandal which must be addressed by the passage of a compulsory school attendance law."

Stressing that he was not "indicting our system of education," Winter lauded space shuttle astronaut Richard Truly as a "product of Mississippi public schools." Truly, a Mississippi native, is scheduled to pilot the space shuttle Columbia on its second space flight.

"But in the hard language of the marketplace," Winter continued, "Mississippi lags behind its neighbors in providing a competitive educational system."

In 1970 Mississippi had the lowest per capita income in the nation, but was just \$200 behind Arkansas and \$300 behind Alabama. Today, a decade later, Mississippi is \$800 behind Arkansas and \$1,000 behind Alabama.

"The disparities can't be attributed to much except education," Winter said, "since in geographic location, population and transportation facilities we are all about the same."

Winter called for higher standards for both teachers and high school curriculums. He also renewed his call for adoption of a statewide system of kindergartens and an effective compulsory school attendance law.

GOOD CITIZENSHIP GIRL -- Betty Carter (right), a senior at Booneville High School, was named Good Citizenship Girl for October by the Booneville Pilot Club. Pictured with her is Pilot president Robbie McDaniel. Betty is the daughter of Mrs. Blanche Carter.

Land Judging Is Good Training

**By EDWARD L.
McWHIRTER
Extension 4-H
Youth Agent**

4-H for Land and Conservation

The 4-H Mississippi Land Judging Contest is set up to train 4-H'ers and other youth to determine the proper crop to produce for each soil type and land condition in the state of Mississippi.

This can also be put to use in other states. You will learn the proper treatments needed to help maintain the highest production on any particular soil or field, also, the limitations for proper selection of a homesite.

Who is eligible? Any 4-H'er or youth interested in learning proper control of soils, how to use land to it's best purpose, and preserving our environment.

The Mississippi Land Judging contest is held in the spring and on various sites through the state of Mississippi.

A little something about the land judging contest and score card:

1. Soil Conservation is the wise use and treatment of the land.

2. The Score Card is divided into two parts. In Part 1 you study the six factors to determine the highest safe use for the land. In Part 2 you prescribe the

3. The total perfect score on one field is 60 points – 30 points for Part 1 and 30 points for Part 2.

4 You will judge 4 fields in the organized contest.

5. Three members compose a county team. The high scoring individual, not a member of the winning team, will compose the state judging team to compete in the International Land Judging contest.

6. You will be given 20 minutes at each judging site, unless otherwise designated.

7. Use an X to mark your answer on the card. Circle the correct Land Capability Class at the bottom of the card.

8. You will not be told how many factors to mark.

9. Mark all factors that keep the land from being Class 1.

10. You will be given a score of four points for checking the factor or factors correctly. Must be correct or your score will be zero.

11. Under Part 2 of the Score Card, Conservation practices are listed by numbers. Pick out the practices to treat the field and mark an X in the square opposite each practice selected.

12. You will not be told the number of practices needed to treat any field. If you use more practices to treat a field than scored by the officials, the count will be made from the top downward.

If you would like to become involved in Land Judging contact your Soil Conservation Service, Tony Thompson, or 4-H Youth Agent, Edward L. McWhirter at 728-5631.

Soil Conservation Notes

Cover Crops Offer Benefits

By TONY THOMPSON
District conservationist
Soil Conservation
Service, USDA

Prentiss County farmers may be overlooking the importance of cover crops on much of their farmland. Several benefits may be derived from planting a cover crop.

Cover crops can control erosion during the winter and early spring months when most of our fields are bare. On some fields cropland erosion may be reduced by as much as 50 percent when cover crops are planted and adequate vegetative cover is established.

Another important benefit of cover crops is the addition of organic material to the soil. This improves infiltration, aeration, and tilth which is badly needed on many of our upland soils.

Additional nutrients provided by cover crops can increase yields for many farmers. Research shows that winter peas yielding two tons of growth per acre will add 125 pounds nitrogen, 25 pounds phosphate, 90 pounds potash and 12 pounds sulfur per acre.

Farmers also say that the added organic matter acts as a "buffer" against chemical injury to warm season crops grown after cover crops. The soil is not as likely to crust or compact where cover crops are grown.

Cover crops, like all operations on the farm, require some careful planning. When cover crops are returned to the soil, the green material needs to be fully decayed when the summer crop is planted.

reduced if planted where cover crops have not decayed. Also, nitrogen will be temporarily tied up during the decaying process. Cover crops should be plowed under four weeks prior to planting the following crop.

Reduced tillage systems are becoming popular in Prentiss County. With this type system the cover crop may be chemically killed and left as a residue base for reduced or no-till systems. Yields have been excellent for some farmers using winter cover crops followed by a conservation tillage system.

Here are some tips for planting cover crops. Apply lime according to a soil test for the crop to be planted next spring. Increase fall applications rates of phosphate and potash to supply both the cool season cover crop and the following warm season crop.

Fertilizers should be incorporated into the seedbed if possible. Cover crops may be drilled or broadcast with seed being covered $\frac{1}{4}$ inch for clover, winter peas and vetches. Small grains should be covered $1\frac{1}{2}$ inches deep.

Also rye, ryegrass, wheat and oats may be overseeded by air before leaf-drop of the standing crop. Cropland with seedbed preparation should be done on or near the contour for slopes over two percent.

With increased costs in today's farming, every practice applied that decreases erosion, fixed cost, and increases yields pays in the end.

If you need more information on cover crops, come by the Soil Conservation Service office or phone 728-3544.

THOUGHT FOR THE WEEK:

By Milton Koon

What Does God Require Of Me?

Micah 6:8

"He hath shewed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?"

The prophet Micah gives us one of the greatest verses in all the Bible when he asks "What does God require," and then proceeds to answer it. Israel is a subservant kingdom under Assyria, to whom they must pay tribute. The Northern Kingdom has fallen, and the poor have been taken advantage of. There is corruptness in government, and even the priests are only looking for what they can get. It seems that from top to bottom there is no soundness.

Micah comes on the scene to say what God does not want is our outward worship only. The people were making sacrifices and going through religious rituals, but there was no change in their life. They were lying to God. Their sacrifices and rituals meant nothing. Their life was still one of selfishness, pride, and doing what was best for themselves.

Micah said that God wants you to "do justly." That is, treat other people right and do not

take advantage of them just because you can. He calls for the people to deal righteously with everyone.

Also, he said, "love mercy." Here he calls for men to love one another. Hosea, the prophet, had sought to tell Israel how to love, yet his message was rejected. Micah now calls on Judah, the Southern Kingdom, to love the things that are of God, the things that are right, and help or be merciful to those in need. (Matt. 5:7)

Then Micah says "walk humbly with thy God." Micah calls on the people to walk and serve God in truthfulness, in all honesty and put away outward shows of religion. He says, let the God we know be the God we show.

Let us be people who will follow God honestly, righteously, and treat our fellowman righteously. Let us not simply "have a form of godliness and denying the power thereof," but let us walk in the Spirit and power of the Lord God Almighty.
