## Local Man Arraigned In Federal Court

A Prentiss County man, who was recently indicted by a federal grand jury of interstate transportation of a stolen motor vehicle and concealing and disposing of a stolen motor vehicle, pleaded innocent to the charge when he appeared for arraignment in Oxford Friday of last week before U.S. Magistrate Norman Gillespie.

The first count of the indictment returned against Robbie Storey, 20, of Route 1, Rienzi, charges that in July 1981, he transported a stolen 1972 Pontiac Grand Prix from Florence, Ala., to Prentiss County. The second count charges he concealed and disposed of the vehicle, knowing it to have been stolen.

A secured bond of \$2,500 was set for Storey. He was represented by a court appointed attorney, Guy Gillespie III of Oxford.

Court date for the case is scheduled for May 17 in Aberdeen with U.S. District Judge L.T. Senter Jr. presiding.

Storey who is currently serving a two-year jail sentence in Alabama for theft in the first degree, will remain in the Lafayette County Jail until his case is tried in Aberdeen.

## Health Fair Scheduled At Marietta Clinic

The Urgent Rural Needs Inc. (TURN) will host an Open House and Health Fair at the Marietta Medical Clinic Saturday, April 24, from 9 a.m. to 1 p.m.

"The purpose of the Open House and Health Fair is to orient the public to our new facility and the practice of proper health care," a spokesman for TURN said this week. The clinic is located in the old health department building in Marietta.

Health screening at the clinic will include free blood pressure checks, urinalysis, weight checks, anemia screening, and counseling. Numerous other laboratory tests will also be available, upon request, for the cost of the lab service only.

"We want the public to be aware of our facility and what we have to offer," the TURN spokesman said. "The clinic will be staffed with licensed medical professionals to serve you."

## Senior Day Planned For County Students

Jumpertown High School will again this year host Senior Day for all seniors in the Prentiss County School System.

Seniors and their sponsors will meet at their respective schools Friday, April 23, and travel by bus to Jumpertown where the activities for the day will begin at 9 a.m.

Don Killough and the Prentiss County Guidance Department, coordinators for the event, have invited representatives of colleges, universities, businesses, the military services, and other organizations which they feel to be of interest to the seniors of 1982. These representatives will present a series of mini-sessions which will provide students an opportunity to ask questions and obtain information about the various organizations.

The "Meh Ladies" from Mississippi University for Women will provide entertainment. Lunch will be served in the school cafeteria.

## Cable System's Earth Station Moved To New Location

Cable television customers in Baldwyn, Guntown and Saltillo can expect to see clearer television programs once the earth station is moved, according to W.E. (Skip) Pratt, general manager of Heritage Cablevision.

The earth station was scheduled to be moved Wednesday (weather permitting) from its location west of Baldwyn to six-tenths of a mile south of Guntown, Pratt said.

"The earth station is being moved because by the time the signal reached Saltillo it was horrible," Pratt said. Two other reasons the earth station is being moved is because of the lack of maintenance of the equipment over the years plus the age of the equipment, he said.

It may be several weeks before cable customers notice the difference, Pratt said, because proof of performance tests and adjustment of equipment will be made during that time.

"But hopefully within a couple of weeks we'll have excellent signal quality throughout the entire area," he said.

Between \$125,000 and \$150,000 has been spent on the project. New headend equipment and new off-air antennas are also being installed, he said.

Pratt estimated cable customers would be without satellite service between 24-48 hours while the earth station is being moved.

## Senator Visits For Fish Fry

Thad Cochran, one of Mississippi's two representatives in the U.S. Senate, was in Booneville Saturday to visit with Republican leaders from Tippah, Tishomingo and Prentiss counties and to attend a fund-raising fish fry at the city park.

Sen. Cochran, who continuously moved about through the crowd at the fish fry, said the purpose of his visit was to "stay in touch with those who run into problems with governmental agencies."

In a short speech, Cochran expressed a sense of optimism over the economic situation.

"Our economic system is the strongest in the world," he said. "It surpasses in many ways that of any other country in the world."

"Those who criticize our temporary economic problems should realize this is the kind of system we need to protect," he said.

The Senator drew applause when he said, "We need to work in a unified, positive way -- Republicans and Democrats -- to get the job done."

Cochran also spoke of the financial problems facing today's farmers.

"These problems have to be addressed even if it takes emergency legislation," he said. "We have to do whatever is necessary to insure that a person can operate a farm or a business at a profit."

Although Cochran admitted that he does not support all of President Reagan's cutbacks, he said he felt they need to be left in place.

"We need to make an effort of tightening up where ever we can," he said.

### Study Committee To Be Named

## City Schools Look To Building Program

By KEN CHRISTIAN  
Editor

The Booneville Municipal Separate School District is making plans to upgrade the district's educational facilities.

The board of trustees of the city school district has voted to appoint a Facility Advisory Study Committee, which will study the facilities and grade organization of the city schools and make a written report to the board of trustees as to their recommendations for possible construction, renovation, location and grade organization within the city district.

This means, city schools superintendent R.D. Griffin said Monday, that the city system is definitely considering the possibility of building some new school facilities.

However, he said the district is "not entering into

## NMH Lease Agreement Approved

The Mississippi Health Care Commission in Jackson last week approved a Certificate of Need application submitted by Baptist Memorial Hospital-Booneville Inc. in the amount of \$743,894, according to John Tompkins, administrator of the Booneville hospital.

Tompkins and attorney Thomas Keenum, representing the hospital's board of directors, met with the Health Care Commission in Jackson Thursday, at which time they were granted tentative approval of the application.

The approval of the Certificate of Need will allow Baptist Memorial to finalize an agreement to lease the Northeast Mississippi Hospital, which is jointly owned by the Prentiss County and the city of Booneville.

Although the Health Care Commission board approved Baptist's application for the Certificate of Need, that approval does not become final until after an automatic 30-day waiting period which is granted for the filing of complaints or

opposition to the proposal. Baptist Memorial Hospital in Memphis and the Northeast Mississippi Hospital in Booneville agreed in principal to a lease arrangement in November 1981.

In January 1982, Baptist announced a \$5.1 million renovation plan for the Booneville hospital, which would include tearing down A and B wings of the hospital and replacing them with one new two-story wing. The project would also entail the renovation of practically every department within the Booneville hospital.

Work on the renovation project was tentatively set to begin this month. But, because it has taken longer than anticipated to obtain the Certificate of Need involved, the start of work on the renovation project will be delayed by a couple of months, administrator Tompkins said Monday.

In addition to the Certificate of Need which the Health Care Commission approved last week allowing the lease agreement to

committee. The board of trustees will dismiss the committee when its task is completed.

None of the school district's administrative staff will serve the committee, but will serve in a resource and advisory capacity. Special consultants and architectural advisory will also be provided to the committee.

"We will furnish the committee with all the expertise we can," Griffin said.

Specifically, there are six areas the committee is to investigate: the present condition of the buildings, whether to renovate or construct, the amount of acreage owned by the district, grade organization, cost of renovation vs. construction, and sources of funding.

## Daylight Savings Time Begins Sunday!

Daylight Savings Time begins at 2 a.m. Sunday, so don't forget to set your clocks ahead one hour when you go to bed Saturday night.

Under the Uniform Time Act, which became effective in 1967, all states, the District of Columbia, and U.S. possessions were to observe Daylight Savings Time beginning at 2 a.m. on the last Sunday in April and ending at 2 a.m. on the last Sunday of October. Any state has the right to exempt itself from this law.

### \$500 Damage

## Vandals Strike Methodist Church

Vandals caused approximately \$500 in damage to the offices of the First Methodist Church in Booneville during a break-in sometime Friday night.

A church member said entrance was probably gained through a bathroom window in the church basement.

The intruders apparently tried to kick in the door to the church's office, but, because it was secured with a dead bolt lock, it would not give.

A Boy Scout plaque was then apparently removed from a wall and thrown through the plate glass window of the office. The intruders then entered the office through the window.

They caused about \$250 damage to an electric typewriter when they crawled through the window.

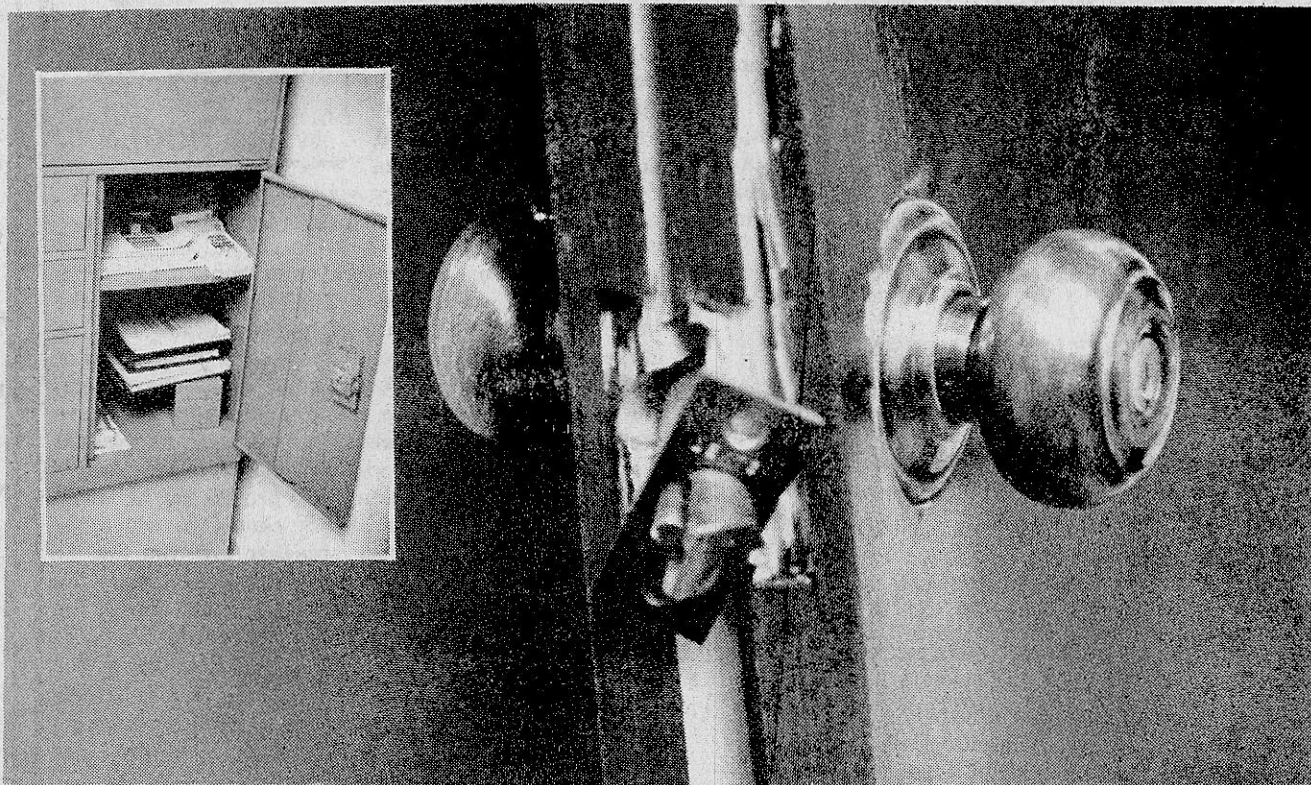

The intruders apparently broke open the office cabinets and one of the desk drawers looking for money. When they didn't find any, they kicked in the door to the pastor's study and went through his office.

They also broke into the church's safe.

Pastor Charles Potts said Monday that the church could not find anything missing. The intruders were apparently looking for money and the Rev. Potts said that no money is let on the premises.

Church custodian R.B. Jones discovered the break-in when he reported to work Saturday morning.

"I hope they catch who did it," the Rev. Potts said this week, "and sentence them to six months -- in church!"

CHURCH VANDALISM -- Intruders broke into the First United Methodist Church Friday night, causing approximately \$250 worth of damage to the building and another \$250 in damage to an electric typewriter. The

intruders kicked in the door to the pastor's study (above) and broke into the church's safe and several cabinets and desk drawers, apparently looking for money. No arrests have been made.

become final, the Booneville hospital will have to file and obtain approval of another Certificate of Need from the Commission before work on the renovation project can begin.

The application for this second Certificate of Need can not be filed until the 30-day waiting period has expired on the Certificate of Need approved last week.

Tompkins said this week that the hospital foresees no

problem in obtaining approval of this second Certificate of Need since it asks only for improvement of existing facilities and does not request approval of additional bed capacity.

Once approval is obtained and finalized, it is anticipated that it will take approximately 30 months to complete the renovation project at the Booneville hospital.

## Long Range Objectives

# City Schools Establish Goals

The Booneville Municipal Separate School District has established long-range goals and objectives for the educational program of the district.

The board of trustees of the city district adopted these goals to "hopefully provide the youth of this district and the total community an educational program they can actively support, participate in, and be a part of."

Specifically, the goals are:

1) -- To improve the buildings, facilities, and equipment of the district through renovation and construction which the community will support. (See related story on page 1).

2) -- To establish an accountable instructional management program for the total instructional program of the district that will insure opportunities for high student achievement and success.

City schools superintendent R.D. Griffin said this week that the district has been working on this all year through the AIM (Accountability and Instructional Management) program in which the schools decide what they want to teach, determine what the child is expected to

learn and then evaluate how well the child has learned the material.

Griffin said he is well pleased with the progress the district has made in this program. Two AIM workshops are planned for this summer and the schools will begin on the evaluation phase of the project next year.

"This is bringing together more control in the educational system," he said.

3) -- To achieve AA accreditation standards of the State of Mississippi and Southern Association of Colleges and Schools.

"This is going to take some years to accomplish," Griffin said. "This is the highest accreditation a school in the Southeastern United States can achieve."

Currently the city schools have class A accreditation, with a few deficiencies in that classification.

Achievement of this goal "will assure the people that the curriculum is meeting the needs of the clientele it serves, that course offerings are broad and that all facets of the program are organized, planned and know what is to be accomplished," Griffin said.

4) -- To broaden the course offerings in the district to include public school music, art, speech, foreign

language, and media centers as the financial resources of the district will allow.

This goal ties in with goal number three. It will entail spending money wisely and in the area of greatest need, Griffin said.

How far the program goes will depend on the economy, inflation and other factors.

5) -- To provide for the continuous improvement of professional skills and staff personnel skills through inservice education, professional certificate upgrading, evaluation, and motivation for self improvement.

"I believe very strongly that if we administrators, staff and teachers do not try

to sharpen our own professional skills we become stagnant," Griffin said.

6) -- To administer the district in a sound, efficient, effective and accountable financial manner.

This, too, will take time to accomplish, Griffin said. "You have to have a financial history before you can determine the best way to utilize funds," he said. The separate school district is only in its second year of operation.

Griffin said that additional goals and objectives may be added from time to time. No time limit has been established in accomplishing these goals, he added.

## City Schools

(Continued from Page 1)

committe have already been appointed and Griffin said he hopes there can be an organizational meeting before school is out this year.

The primary objective of the committee, Griffin said, is to give the board of trustees direction as to what the community want to do to improve the school district -- and when.

"The committee will recommend to the board, hopefully, what the community wants and will support," he said.

The board of trustees can then either adopt, reject or revise the recommendations of the committee. The Educational Finance Commission in Jackson will also have to approve any building or renovation plan before the city can receive financial support from the state in this endeavor.

## BIBLE QUESTION BOX

QUESTION: Mr. Hogland, I am a member of the Church of Christ and I was having a discussion with my preacher the other day and he told me that since the church is made up of individuals that whatever the individual does the church may also do. I was thinking there was a scripture which talked about the church not being charged. Is this in the Bible?

ANSWER: You are correct and your preacher is incorrect. The passage is 1 Tim. 5:16, Paul tells the INDIVIDUAL to take care of his own widow and the church is not to be charged. The text says, "If any man or woman that believeth have widows, let them relieve them, and let not the church be charged; that it may relieve them that are widows indeed." One can see from this text that the church cannot do what the individual does. In this chapter he tells the individual to "provide for his own" this is another thing the church cannot do which the individual is to do. If your preacher told you this he evidently has not been reading his Bible. For example, the individual is to "love his wife" (Eph. 5:25) how in the name of common sense could the church do this? The INDIVIDUAL is told to bring his children up in the "nurture and admonition of the Lord" (Eph. 6:4) but this is not the function of the church. So much error is taught when people do not differentiate between the INDIVIDUAL and the CHURCH.

## In School Tax Dispute

# Tax Assessor Files Request For Suit Dismissal

Prentiss County Tax Assessor-Collector Danny Childers last week filed in Prentiss County Chancery Court a request for dismissal of a lawsuit brought against him in March by the Prentiss County Board of Education.

A similar suit filed against Childers by county school officials in federal court in Aberdeen was dismissed in February when Judge L.T. Senter Jr. granted a motion from Childers' attorney to dismiss the suit. Senter

ruled that the federal court had no jurisdiction in the case.

Following Senter's ruling in February, the Prentiss County Board of Education re-filed their suit in Prentiss County Chancery Court.

The Board of Education claims that Childers refused to collect \$137,408 which should have been collected for use in the operation of county schools for the 1980-81 term.

The suit against Childers asks that the court require

Childers and-or his bonding company, United States Fidelity & Guaranty Company, to reimburse the county school system for the money which the board of education claims is due the school system.

In answer to the school board's suit, Childers' attorney maintains that the school board has no legal standing to bring the suit because of a state law which says no arm or agency of the state government shall bring or defend a suit

against another such arm or agency without prior written approval of the Attorney General.

Childers' request for dismissal further states that if an agency of the state government does file suit against another such agency, the action would have to be brought by the state Attorney General or by the District Attorney of the district in which the suit is filed.

The suit against Childers stems from the separation in 1980 of the Booneville city schools from the Prentiss County School District. County school officials claim that since the separation did not take effect until July 1, 1980, the county school system is entitled to school taxes which would have been collected from city residents that year.

In his response, Childers maintains that county school officials knew he was not required to tax property within the newly-formed city school district.

Childers says that in an assessment made on Sept. 2, 1980, the Prentiss County Board of Supervisors specifically excluded the assessed evaluation of property of separate school districts. On that same day, Childers claims, Prentiss County Superintendent of Education Lex Cain requested the Supervisors to levy two additional mills for capital improvements.

This indicates, Childers, maintains, that county

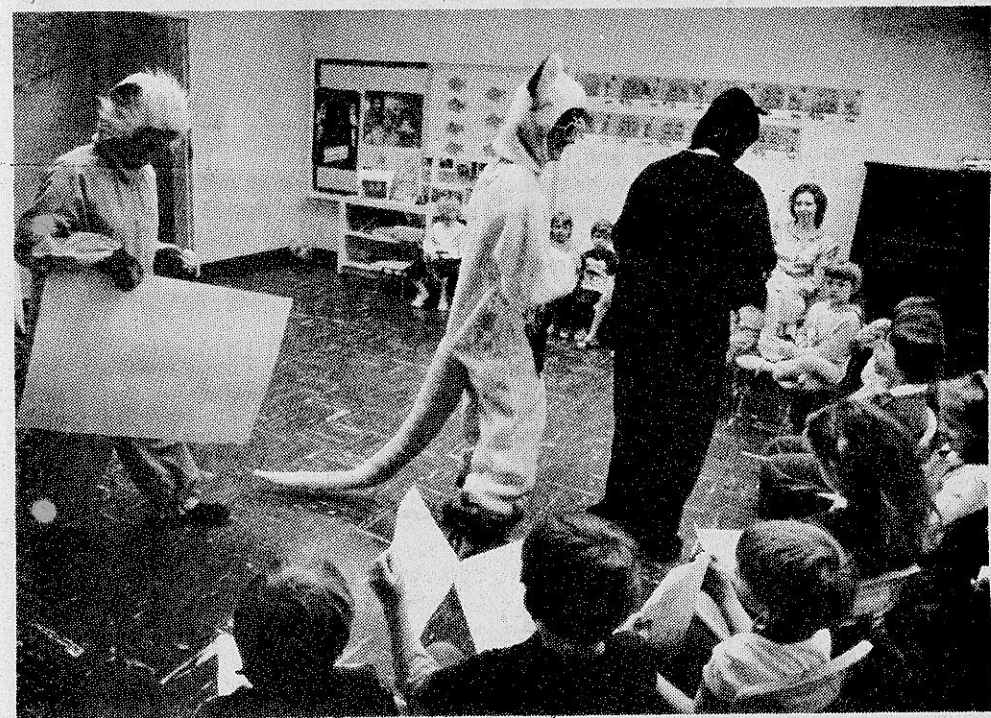

school officials knew the tax assessor did not collect school taxes on the property within the city of Booneville during the time in question.

Childers' answer also maintains that the school board submitted a budget to the Supervisors and to the State Department of Education which reflected an assessed evaluation of the Prentiss County School District as not including the property within the Booneville or Baldwin

separate school districts.

This shows that the county school officials knew they were not entitled to receive the taxes collected on the property within the city limits of Booneville, Childers claims.

Childers is being represented in his defense of the suit by Booneville attorney Thomas Keenum. Tupelo attorney Roy Parker is handling the case for the Prentiss County Board of Education.

## JA Presents Drug Awareness Program

"Katie the Kangaroo" came to town Monday.

"Katie the Kangaroo" is a community project implemented by the Booneville Junior Auxiliary in accordance with Drug Awareness Week. Members of the Junior Auxiliary recently attended a Drug Awareness Seminar in Jackson conducted by DREAM Inc.

The objective of the local project is to make children more aware of harmful drugs and to prevent their abuse, according to project chairmen, Mrs. Sammy (Cindy) Green and Mrs. George (Angie) Martin Via.

The skit for "Katie the Kangaroo" was written by Mrs. William (Elaine) Hatfield and the costumes worn by the characters were made and designed by Mrs.

The skit illustrates the difference between common household cleaners, as well as drugs, and candy. Children are made aware of the helpfulness of drugs when taken correctly and the harm they may cause when taken incorrectly.

## Two Local Men Charged With Attempted Arson

By ANGELA SMITH  
Staff Reporter

Two Booneville men have been charged with conspiracy to commit arson stemming from an incident that occurred at the residence of Joey and Donnita Cobb, who live on Highway 45 South.

Roy Grizzard, 28, and Jerome Leech, 19, both of Lake Street, were charged Tuesday of last week with conspiracy to commit arson.

A 16-year-old juvenile involved in the incident is awaiting a certification hearing to determine whether he can be tried as an adult on the same charge.

A preliminary hearing for Grizzard and Leech was held Friday of last week at which time the pair were bound over to the action of the grand jury. Bond was set at \$20,000 for both. They remained in the Prentiss County jail as of Tuesday afternoon.

According to Cobb, who is an investigator at the Alcorn County Sheriff's Department, he was driving home the night of April 6, when he attempted to pass a car south of Booneville. The car sped off and Cobb pursued. He radioed Baldwin and policemen there stopped the car and issued a ticket to Grizzard, driver of the car.

When Cobb arrived in Baldwin, he discovered the juvenile was a person he had arrested last summer. The

arrest resulted in the juvenile, who had been on probation, being sent to Oakley Training School. During the conversation Cobb had with the men, they asked if he still lived on Highway 45 South, Cobb said. He told them he did.

Later that night Mrs. Cobb, who is a dispatcher at the Prentiss County Sheriff's Department, saw three men get out of their car in front of her house.

She was talking on the phone to a dispatcher at the Booneville police department at the time, and a city unit was sent to the Cobb's residence because county officers were at Cairo at the time.

When Officers Jerry Barnes and Tip Norris arrived at the Cobb residence, the men told officers they ran out of gas and were going to get gasoline from a neighbor. However, it was reported the car was still running at the time.

The driver of the car opened the car trunk for Officer Barnes and fire bombs were found inside, according to Cobb.

However, no arrests were made at that time. Officer Barnes informed the men there was a complaint against them and they would have to leave, which they did.

Further investigation into the incident revealed the three men Cobb had pursued were the same men officers

found in front of the Cobb residence, the investigator reported.

### On Arson Charges

## Two Bound To Grand Jury

Two of four people who were recently arrested on charges stemming from an April 1 fire that destroyed a Jumpertown house have been bound over to the action of the Prentiss County Grand Jury which meets in June.

A preliminary hearing for O'Neal Turner, 33, of Pontotoc County, who is charged with first-degree arson, was held Friday of last week. At that time Turner was bound over to the action of the grand jury. Turner is out of jail on \$30,000 bond.

Linda (Mrs. Henry) Lawson, 29, of Jumpertown, waived a preliminary hearing and was bound over to the action of the grand jury. She is out of jail on \$12,000 bond. Mrs. Lawson was charged with conspiracy to commit arson.

Pete Murphy, 37, of Lee County, who is charged with first-degree arson, is scheduled to have a preliminary hearing Friday, April 23.

Murphy is out of jail on \$100,000 bond. Second district Justice Court Judge Dexter Cadle originally set Murphy's bond at \$200,000 but later lowered it. "I thought it was excessive," Cadle said.

A preliminary hearing for George Harkins, 54, of Jumpertown, has not been

scheduled as of Monday, Cadle said. Harkins who is charged with first-degree arson, remains in the Prentiss County jail.

Mrs. Lawson, owner of the burned brick house, and Harkins were arrested by Lee County lawmen April 8 at a Tupelo motel. Murphy turned himself in to the Prentiss County Sheriff's Department Tuesday of last week.

Some items that were in Mrs. Lawson's house before it burned were reportedly found in Turner's residence and in the home of Pete Murphy.

Lawmen in Prentiss, Pontotoc and Lee Counties and Highway Patrol officers helped state fire officials with the investigation of the fire.

### 'Talk O' The Town'

#### Street Opinion Poll

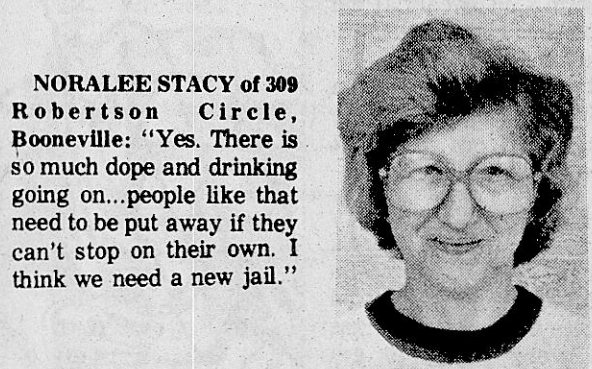

**QUESTION:** Would you be in favor of passing a bond issue to build a new county jail if you felt it would help control crime in Prentiss County?

**JOHNNY LAMBERT** of Route 1, New Site: "Yes. We need a bigger jail. Why arrest a fellow if you don't have a place to put him?"

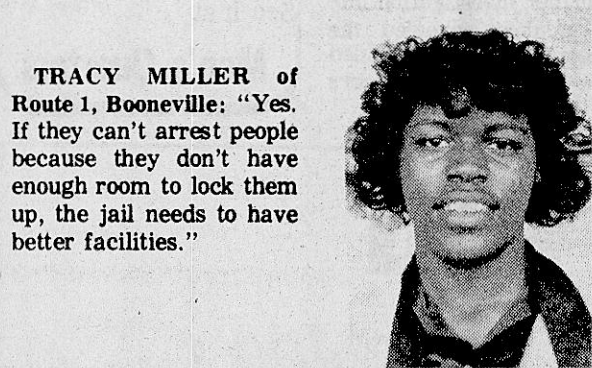

**FAYE MILLER** of 209 Massey St., Booneville: "If it would be a help I think it would be a good idea. They need a new jail or either add more space on the jail if they want to keep all the criminals locked up."

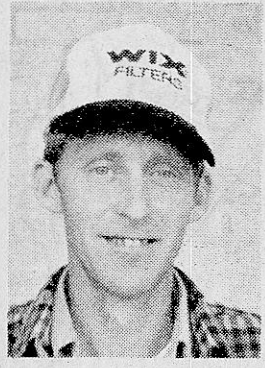

**NORALEE STACY** of 309 Robertson Circle, Booneville: "Yes. There is so much dope and drinking going on...people like that need to be put away if they can't stop on their own. I think we need a new jail."

**C.D. WINDHAM** of Route 3, Booneville: "Yes I would. I think we need more housing to take care of some of these criminals. Like Sheriff McCauley said last week, the criminals are walking the streets. I'm strictly in favor of law enforcement."

**TRACY MILLER** of Route 1, Booneville: "Yes. If they can't arrest people because they don't have enough room to lock them up, the jail needs to have better facilities."

**BOB KELLY** of Route 2, Booneville: "Yes, I'm in favor of it. And if they can't pass a bond issue for building a new jail I think the hardened criminals should be taken to Jacinto and hanged."

(Editor's note: "Talk O' The Town" is not intended as a scientific poll of public opinion. Rather, it is simply intended to give Prentiss Countians an opportunity to voice their opinions on particular issues and topics. Maybe we'll ask you next!)

#### WILL THE SQUABBLE NEVER END?

The city school board and the county school board are at it again.

This time the controversy revolves around the Prentiss County Vocational-Technical School. And once again it looks as if "what's best for the students" has taken a back seat to other, less important matters.

It seems the dispute is over who owns, or at least, controls, the building which houses the Prentiss County Vocational School.

The state Vocational Education Department claims that the state maintains control of the building. And they seem to have some grounds for that claim since 80 percent of the funds used in constructing the Prentiss County Vocational School were federal funds allocated through state agencies.

ON THE OTHER hand, the city school system also claims to own the building, and they too have a basis for their claim.

In 1980 the city school system filed suit against the county school system after county school officials refused to turn over city facilities to the newly formed Booneville Municipal Separate School District. The county Board of

Education claimed that the separate school district had been formed illegally and, therefore, refused to recognize that it existed.

In deciding that case, Chancellor George Adams ruled that the separate school district had been created legally and that the city school system owns all the school facilities within the city limits of Booneville, including the Vo-Tech and the school bus maintenance shop.

And that ruling is what the city is using as the basis of its claim to ownership of the Vo-Tech facilities.

AS FAR AS I know, the county school board is not claiming ownership of the facility - at least not at the present time.

But the county has, I am told, refused to sign an agreement with the city to jointly operate the Vo-Tech because the city included a paragraph in the agreement stating that the city would retain ownership of the facility.

And, I am also told, the city school board earlier this year refused to sign a similar agreement with the county school board unless the county school board agreed to drop their lawsuit against tax assessor Danny Childers.

But, just who is right? Does the city own the facility? Or does the state? Or maybe even the federal government?

Who knows! And, for the matter, who cares!!

As long as the facility serves the purpose for which it was intended, what difference does it make who actually holds title to the property?

IT APPEARS TOME that the Vo-Tech has served students of both the city and county schools very well over the years and there is no reason it should not continue to do so, if level heads prevail.

Apparently all it takes is for an agreement to be signed stating that the facility will be jointly operated by the city and the county.

If such an agreement is not forthcoming, it seems the state Vocational Education Department has determined that the Prentiss County School System will operate the facility. And that means students who attend school in Booneville will not be able to attend classes at the Vo-Tech.

If this happens, will the city be able to establish its own vocational program? No way!

City school officials have told me that the city school system does not have the money to start a program on its own, and, with the Prentiss County Vo-Tech School already here, the state is surely not going to help the city school system build another facility for the same purpose.

ONE SCHOOL ADMINISTRATOR recently compared the situation to the Falkland Islands crisis confronting Great Britain and Argentina.

No one is questioning the way the Vo-Tech has been run. The dispute is over whose flag will fly over the facility!

And who comes out the loser? It's not the school officials who can't come to terms with each other... Once again it's the students who lose.

## Who's Right On Money For Pay Increase?

By BILL MINOR  
Columnist

Secretary of State Ed Pittman has kicked up a big fuss around Capitol Hill by saying that the legislature and the State Budget Commission have hidden some \$50 to \$75 million in funds which could have gone to raise teachers' and state employees' salaries.

The legislative fiscal leadership says Pittman is crazy, and that the recent legislative session went the limit with the money available to eke out a balanced budget. There's no hidden money, they contend.

Who's right? Neither, say some fiscal authorities who are not aligned with either side in the Pittman-legislature jawboning.

That, however, doesn't give any comfort to the 23,000 school teachers and 32,000 state employees who are sitting at the ringside, not knowing if they have been lied to by somebody in not getting any pay increases because of the short money.

School teachers, according to records going back to 1960, have gotten some raise every one of the past 22 years, even in the recession years of 1974 and 1975. Still they're at the bottom of the 50 states in average teacher pay.

State employees have also been getting some annual pay raises ever since they

were put together as a group when the state job classification system began a decade or so ago. Several times in the mid-1970's, however, they got proportionately less than teachers.

The 1983 budget approved by the recent legislative session is the first time in 40 years, all the way back to the Great Depression, that the lawmakers reduced the amount of spending below the previous fiscal period.

Pittman contends that with all the dire talk around the legislature about hard times, the state has been winding up with a cash balance of around \$70 million the last three years, including fiscal 1981, which reflected a recessionary year.

He figures there's going to be that much left in the state treasury when the present fiscal year ends June 30, despite the gloom and doom forecasts of legislative fiscal leaders.

The legislature and the budget commission, however, calculate there will only be \$25 million left in the treasury come June 30, of which \$23 million has been set aside for a working cash balance in the fiscal year beginning July 1. Somebody is apparently going to have a red face when July 1 arrives and the books are totaled up on the tough fiscal year of 1982.

The odds are, the non-aligned fiscal authorities in

state government say privately, that the ending balance is going to be something closer to what Pittman is saying. But these neutral observers add that Pittman's rationale is a simplistic view of state finances that leaves the wrong impression that the cash balance is a "surplus," rather than largely carry-over obligations.

Yet, these same sources will also say that the legislature is not telling the whole story about lapses in certain appropriations which were not given back to the same agencies in 1983, or several carefully disguised reserve funds.

For instance, the lawmakers knew that \$10 million would be given back by the Medicaid Commission and more than \$1 million by the State Welfare Commission from unspent Medicaid and ADC payments as a result of the Reagan cuts. None of that money was re-appropriated.

The legislative fiscal policy of long standing in Mississippi has been close to the vest since the governor does not submit his own administration budget independent of the State Budget Commission's to the legislature. Since the State Budget Commission is dominated by the same legislators who run the spending and taxing committees in the House and Senate, the "BCR" or Budget Commission

Recommendation is usually sacro-sanct on the floor of the legislature.

For years, the State Budget Commission cried "wolf" every time budget season came around when there was no wolf, all the time building up huge surpluses while holding back progressive reforms to improve a sub-standard public school program and allowing programs for the state's poor and medically needy to remain at bare minimums.

Pittman, himself a former state senator, has for some time been a nemesis of the legislative Old Guard over

the condition of state finances and the state's ability to afford certain things.

When he was State Treasurer back in 1978, Pittman's proposal that the legislature should give the people a \$50 million tax cut riled House Speaker C.B. Buddie Newman who regards elected officials as children who should be seen, but never heard.

Yet, at the next legislative session in 1979, with Newman helping lead the way, the legislature upstaged Pittman and voted a \$83.5 million income tax reduction.

The Newman-Pittman feud flared again recently when the House Speaker called the Secretary of State a liar at a social occasion and challenged him to prove that the legislature was hiding millions of dollars in the state budget.

Pittman may have a hard time convincing political observers that what he is doing is not aimed at furthering his own political ambitions, which he insists it isn't. Still, he may come out of this flap with the legislative Old Guard something of a hero to the school folks and the state employees.

#### Now I Know

Since I am interested in the history of the Old Camp Gound Cemetery, I have been trying to find out who actually deeded the land for the cemetery. This week Mrs. Paul Dobbins shared the following information with me.

This land was entered by A. Barton on Sept. 13, 1836. On April 20, 1849, as found in Deed Book 2, page 88, Prentiss County, for a consideration of \$1, the Executors of A. Barton (Wm. Dickson, Arthur C. Barton, and J.W. Rutland) made a deed to Charles W. Williams, William Williams, Jno Reece, and Reuben Ellis, Trustees of Methodist Episcopal Church South. The deed is for two acres of land.

#### Just An Explanation

My column needs a word of explanation this week, more so than usual. I had planned to write my column last Thursday but that proved to be impossible.

Afterall, who can write a column when setting out flowers, and planting flower seeds and 118 gladiola bulbs. Yes...118 gladiola bulbs. (I lost count of how many I ordered!)

Then on Friday it rained all day. I can't speak for all columnists, but for me it's simply impossible to write a column when it's raining.

I fully intended to get down to business and write my

column Saturday. However, I chickened out on the subject I had intended to write about and decided I would have to think of something else.

Since I'm a Baptist, writing my column on Sunday was out of the question. Besides, I still had not thought of what I wanted to write about.

Monday I was so busy at work that by the time I got home, the last thing I wanted to do was write. As it turned out, Tuesday was even busier than Monday so I put off writing my column until Wednesday morning...which I have been known to do before.

Now it's after 1 p.m. and I still haven't had time to write my column. (I had stories to write that I was too busy to write on Monday.)

After reading between the lines, perhaps all of this explains my column this week. (And maybe even some before this!)

Scouts Hold Father-Daughter Banquet

Seven Girl Scout Troops of the Booneville Neighborhood participated in the annual Father-Daughter banquet at the Westside Community Center on Saturday evening, April 17.

After the girls had escorted their fathers, grandfathers and guests to their appointed places,

Cadette Troop 82 opened the evening with the flag ceremony, using the Four Freedoms ceremony. All Scouts joined in the singing of grace, using "God Our Father," a favorite of Girl Scouts everywhere.

Each troop had decorated its table to carry out the 70th birthday of Girl Scouting in the U.S. or in keeping with some facet of the Girl Scout program.

Following the meal Lola Johnson and Kristy White, members of Senior Troop 172, directed the program, with Lola giving the welcome. Kristy introduced Mrs. Opal Anderson, Neighborhood Chairman, who recognized all leaders and assistant leaders and

neighborhood service team. Kristy and Lola then introduced each troop as the girls performed a part of the program.

Brownie Troop 60 paid tribute to Juliette Low, founder of Girl Scouting in the U.S., by giving facts concerning her life. They ended with the singing of "Happy Birthday, Girl Scouts."

Junior Troop 61 sang "Going and Growing," a new song which carries out the theme of Girl Scouts on their 70th birthday.

Junior Troop 55 presented "From Dreams to Reality - Rainbow Connections", which explained what girls can do with their lives.

Junior Troop 96 presented

a skit on Girl Scouting in which the Girl Scouts explained Scouting to a non-Scout.

Brownie Troop 313 sang "Go, Girl Scouts", "Me and My Dad," with Christy Cole doing the solo part of "My Heart Belongs to Daddy," and "Happy Birthday" with a large birthday cake carried in, from which sprang one of the Brownies.

Mrs. Anderson then recognized Kristy White as a graduating Senior Scout who has been a Girl Scout since second grade. Kristy has been to "Our Cabana" in

Mexico, to an encampment in England, and to the

National Girl Scout Convention in Houston, Texas. She has been a Scout representative on Prairie Council Board of Directors and has been a member of the Senior Planning Board of Prairie Council.

Mrs. Helen White, Neighborhood Cookie Chairman, made a report of 1982 Cookie sales and gave the cookie patches and other awards. Kristy White was top salesperson for the entire neighborhood.

MUW OPA Installs New Officers

New officers of the Mississippi University for Women Office Personnel Association were recently installed during a spring luncheon on the MUW campus in Columbus.

Installing the new leaders of the organization was Lynn M. Vuncannon, secretary to the President of Northeast Mississippi Junior College and past president of the Northeast Mississippi Association of Educational Office Personnel.

New officers of the MUW Office Personnel Association are Eva Nell Porch, president; Janet Woodruff, first vice-president; Pat Belcher, second vice-president;

Wanda Cansler, historian; and Peggy Webb, treasurer.

Mrs. Vuncannon, also past president of the Higher Education Division of the Mississippi Association of Education Secretaries, stressed the importance of motivation, time management and establishing priorities during a speech before the group prior to the installation ceremony.

The role of secretaries has changed, Mrs. Vuncannon pointed out. "Secretaries are being recognized as part of the professional team."

"The secretary's role is difficult. It's had to juggle all the roles. It's like trying to be 'superwoman.' You need to take time out for

fun," she told members of the MUW Office Personnel Association.

"Use time analysis. Allow time out to charge your batteries. Establish priorities and be organized. Be the best secretary, the best wife and mother, the best association officer and member...but you have to be organized to do all of this," she said. "The key is to prioritize, prioritize, prioritize."

New officers were presented small tokens from NEMJC by Mrs. Vuncannon, who has served as secretary to the President there for the past 13 years.

Mrs. Vuncannon, who earned her A.A. degree from NEMJC, holds an associate

professional certificate in the Professional Standards Program of the National Association of Educational Office Personnel. A Certified Professional Secretary, Mr. Vucannon is past editor of "Magnolia Miss," a publication of the MAES.

Named MAES Educational Secretary of the Year for 1981-82, Mrs. Vuncannon also was designated National Education Office Employee of the Year for 1981-82.

Organized in 1979, the MUW Office Personnel Association is made up of office personnel on campus. The organization is affiliated with Mississippi Association of Educational Secretaries.

Sponsor of a number of programs each year, the MUW OPA presents a scholarship each semester to a business major. Funds are raised through several money-making projects annually.

## Pilot Club Patriotism Is Subject Of Club Meeting

Lt. Col William H. Hatfield spoke to the Booneville Pilot Club about patriotism at the club's monthly meeting on Thursday, April 15, at 7 p.m. at the Town Motel Restaurant. Mrs. Robbie McDaniel, President, presided.

The Patriotism Area with Mrs. Ann Prichard as leader had charge of the program. Area members include Mrs. Annise Charlwood, Mrs. Mary Robinson, Miss Sherry Bowen, Dollye Hodges, Mrs. Eileen Fulper, Mrs. Mable Nelson, Mrs. Quay Michael, Mrs. Debbie Taylor, and Mrs. Marjorie Waters.

Miss Bowen gave the invocation, and Mrs. Nelson led the members in the pledge to the flag. The tables were decorated by Mrs. Waters with purple and yellow roses arranged in wicker baskets. Mrs. Prichard introduced the guest speaker, Lt. Col. William H. Hatfield, Ret. (USAF).

Col. Hatfield spent 27½ years in the Air Force and participated in 154 combat missions during the Vietnam War. He spoke about patriotism and began his remarks by saying, "Patriotism is that special ingredient or ingrained inherited attitude that sets the American people apart and is responsible for the freedom and abundance we enjoy are directly a result of suffering, bloodshed and

patriotism of our ancestors.

Col. Hatfield said he began his military career in 1946, one year after World War II was over. At that time patriotism was very evident and fashionable, but he pointed out that this is not true today even though the spread of Communism threatens our national sovereignty and survival. He emphasized that our military forces are only an extension of our foreign policy.

Col. Hatfield said it is his hope that the citizens of the United States never again fail to support the American fighting men and women as they did during the Vietnam War because the American soldiers fighting in Vietnam were just as proud, loyal, dedicated, and willing to make the supreme sacrifice as any American soldier of the past.

Col. Hatfield said that individual citizens should make every effort to help restore loyalty and patriotism to youth and future generations. He concluded his remarks by saying, "The freedom we enjoy is everyone's responsibility, not just a few, and is not limited to the politicians in Washington and the military."

Miss Linda Howell, senior at Booneville High School and the daughter of Mr. and Mrs. Paul Howell, was recognized as the Pilot

Citizenship Girl of the Month by Mrs. Susan Cartwright projects coordinator.

Mrs. Cindy Green introduced Mrs. Vick Walendzik as the Pilot of the Month. Mrs. Walendzik is serving as the Club's treasurer for the second year and has a perfect attendance record for 1981-82.

Miss Gretta Morgan and Miss Susan Sartin were selected to represent the Pilot Club in the Mississippi Hospitality Pageant to be held at Northeast Mississippi Junior College on May 28.

Special guests included Mrs. Paul Howell, Mrs. William H. Hatfield, and Mrs. Paul Manley.

**PILOT CLUB SPEAKER** - Lt. Col. William H. Hatfield, Ret. (USAF), (left) was guest speaker at the April meeting of the Booneville Pilot Club. He talked about Patriotism. Mrs. Ann Prichard (right), Patriotism Area leader, had charge of the program.

**CITIZENSHIP GIRL** - Linda Howell (center), a senior at Booneville High School, was recognized as the Pilot Citizenship Girl of the Month at the April Pilot meeting by Mrs. Susan Cartwright (right), Projects coordinator. Linda's mother, Mrs. Paul Howell (left), was a special guest at the meeting.

## Miss McCoy And Mr. Morgan Are Engaged

Mr. and Mrs. James Granville McCoy announce the engagement and forthcoming marriage of their daughter, Melba Jo, to Randy Gene Morgan, son of Mr. and Mrs. Therrill Gene Morgan of Tupelo.

The bride-elect is the granddaughter of Mrs. W.E. White and the late Mr. White, and the late Mr. and Mrs. Robert L. McCoy.

The prospective groom is the grandson of the late Mr. and Mrs. Eldridge Ponders and the late Mr. and Mrs. Fleet (Beatrice) Morgan.

Miss McCoy is a 1975 graduate of Booneville High School where she was valedictorian and a member of the Hall of Fame. She received an A.A. degree in mathematics from the Northeast Mississippi Junior College. While at Northeast she was named to Hall of Fame and Top Ten. She graduated summa cum laude from Mississippi State University with the B.S. degree in 1979 and the M.S. degree in 1980, both in mathematics. She was named the Outstanding Mathematics Graduate of MSU in 1979. She is a mathematics instructor at Northeast Mississippi Junior College.

Morgan is a 1974 honor graduate of Mooreville High School where he was named to Whos' Who and Outstanding American High School Students. He is a 1978 graduate of Northeast Mississippi Junior College, and was named to Top Ten and a member of Phi Theta Kappa. In 1980, he graduated cum laude with a B.B.A. degree in Banking and Finance from the University of Mississippi. While at Ole Miss, he was a recipient of University and Phi Theta Kappa scholarships. He is an internal auditor at the Bank of Mississippi in Tupelo.

Vows will be exchanged

Saturday, June 5, at 6 p.m. at the First Baptist Church in Booneville.

## INSIGHT INTO EYESIGHT

from the office of:  
JOHN R. WHITE, O.D.

## GLAUCOMA'S WARNING SIGNS

Any unusual pressure in the eyes may be a sign of glaucoma. Early diagnosis and treatment can prevent loss of vision.

Glaucoma is an abnormal eye condition in which the watery fluid that flows through the eye fails to drain as it should. Pressure builds up and presses on the optic nerve. If the pressure continues without relief the optic nerve will be damaged and so will your ability to see well.

In its early stages glaucoma can be controlled with medication to keep the pressure down. If that doesn't do the job surgery can be performed to provide another outlet for the fluid.

But glaucoma is an insidious disease. It can sneak up on you without your knowing it and cause serious eye damage before it is discovered. That is another reason why it's so important to have your eyes examined regularly. Your optometrist is trained to identify eye disease as well as structural errors of the eye that cause vision problems.

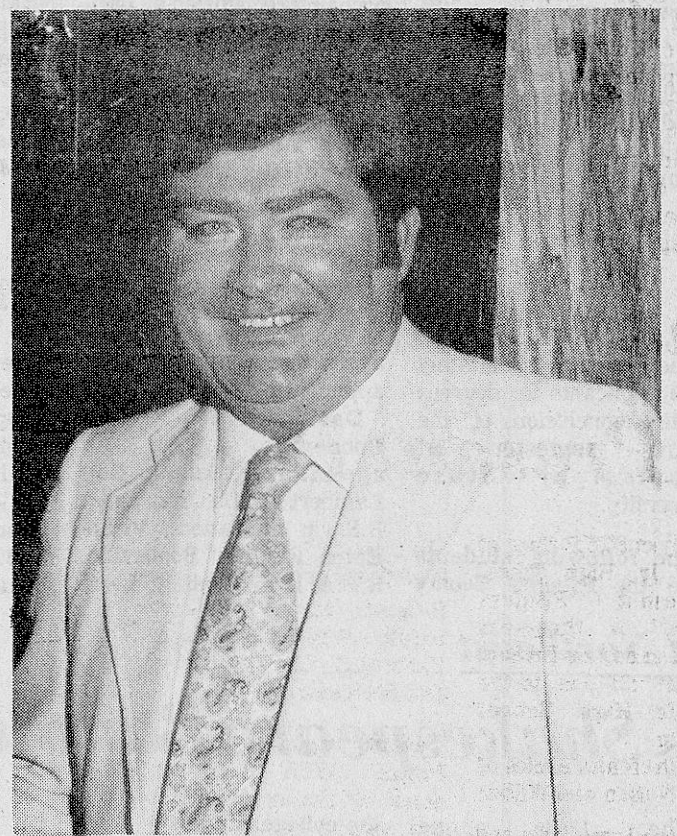

No one should take chances with his eyesight - especially when early detection of a disease can make a vital difference in saving it.

For answers to your specific questions regarding vision, Dr. White invites you to call his Booneville office

## At Tupelo Office

# Bank Presents Leasing Seminar

Peoples Bank & Trust Company will present a seminar on the advantages of equipment leasing on Tuesday, April 27, at 4 p.m. at the Main Office Building in Tupelo.

The seminar is designed to keep commercial customers abreast of the changes in the tax law which have added to the advantages of leasing.

According to Corky Springfield, senior vice-president and manager of the Tupelo offices, leasing

allows a compnay to generate revenue while conserving cash for more profitable investment opportunities. But the tax law changes offer an even greater advantage - a substantial reduction in tax liability.

Springfield explained that lease payments are generally treated as fully deductible expenses which may mean a more rapid writeoff for the tax payer. Because the lease term is generally shorter than the

depreciable life, payments can be expensed in a shorter duration.

"Under today's conditions of high-priced money, inflation and cost squeezes," notes Springfield, "leasing keeps both cash and machines generating profits while at the same time providing a hedge against inflation and obsolescence. It also allows a company to project costs more accurately, helps build available credit and allows virtually 100 percent

financing on equipment." The Peoples Bank has announced a complete equipment leasing service for its customers. This includes machine tools, agricultural equipment, hospital equipment, rolling stock, computer hardware, and medical-dental equipment.

For further information and reservations for the seminar, call the marketing department of the Peoples Bank in Tupelo at 842-5273.

**CLEAN-UP CAMPAIGN** -- Members of the Sunflower community are shown picking up trash on a vacant lot in their neighborhood in conjunction with the countywide clean-up campaign going on during April. The campaign is being co-sponsored by the Prentiss County Development

Association and the county Extension office. Mrs. James Triplett, Sunflower community project chairman, said that she does not know who owns this piece of property, but hopes that once the trash is picked up the city will have the grass cut.

## For Elderly Citizens

# JA Sponsors Lifeline Program

Many residents of Booneville may not be aware of a vital service available to elderly, invalid or other persons who live alone.

This service, called "Lifeline," was established by the Booneville Junior Auxiliary and, for many, it serves as a safety line.

The Lifeline program, administered by Booneville Police Department radio dispatcher Mrs. Mary Wallace, provides an outside

contact for persons who live alone.

Each person participating in the program is to call the radio dispatcher at the police department before 10 a.m. each day to letlet

Each person participating in the program is to call the radio dispatcher at the police department before 10 a.m. each day to let the department know they are all right. If for some reason one of the participants does not call, the dispatcher tries

to call that person.

If the dispatcher is unable to make contact by phone, a patrol car is dispatched to that person's residence.

At the present time there are about seven participants in the Lifeline program. According to Mrs. George Martin Via, chairman of the Lifeline project for the Junior Auxiliary, this program is not restricted to senior citizens, but is available to anyone who would benefit from this service.

If a person qualifies for the program, Mrs. Via obtains that person's telephone number and directions to his or her place of residence. This information is passed to Mrs. Wallace at the police department so that they can check on that person if he or she fails to call in.

Anyone who is interested in participating in this program should contact Mrs. Via at 728-6748 for further information.

# Baptist Memorial Buys Another Hospital In Tennessee

The Baptist Memorial Hospital in Memphis plans to take over the operation of another medical facility.

The Obion County Commission in Union, Tenn., voted Wednesday, April 14, to sell a 259-bed hospital and nursing home to the Memphis hospital for \$16 million.

After lengthy study, the Obion County commissioners, by a vote of 20 to 1, chose the offer of Baptist Memorial over that of Methodist Health Systems of Memphis.

Roger Struble, vice-president of Baptist Memorial, said final details of the sales should be completed by July 1.

Obion County General Hospital has 173 hospital beds and 86 nursing home beds.

"We are extremely happy to be associated with Baptist, and are looking forward to a really good association," David Hogan, administrator of the hospital, said after the vote.

Hogan said the hospital hopes to add such specialties as neurosurgery and more sophisticated diagnostic capabilities.

Struble said Baptist Memorial would expect to add about \$1 million in new equipment after the sale is closed.

Obion General currently serves a population of about 100,000 in a 25-mile radius as well as residents of Weakley and Lake counties in Tennessee and Fulton County, Ky.

The hospital currently has a certificate of need for a \$2.5 million refurbishing project expected to take 18

months to complete. It includes work on the power plant, laundry, cafeteria, and heating and cooling in a patient wing.

The \$16 million sale netted Obion County \$12 million in cash, Struble said.

Of the \$4 million remaining, Baptist Memorial will use \$2.5 million to establish an indigent care trust fund and \$1.5 million will go to the federal government as a depreciation recapture, Struble added.

The hospital executive explained that Obion General is considered "appreciated" in value rather than depreciated at the time of the sale.

The sale of the hospital is conditional upon passage by the county commission next month of a private act

setting up the indigent care trust fund.

Obion General will become the sixth hospital to affiliate with Baptist Memorial in two years.

Others include Lauderdale Hosptial Inc., Ripley, Tenn.; Baptist Memorial Hospital-Tipton, Covington, Tenn.; Corning General Hospital, Corning, Ark.; Baptist Memorial Hospital-Eastern Ozarks, Cherokee Village, Ark.; and Baptist Memorial Hospital-Booneville.

The largest non-profit hospital in the United States, Baptist Memorial has a 2,068 bed capacity in it's three Memphis units - Medical Center, East, and Regional Rehabilitation Center.

The 70-year-old institution is owned and operated by the state Baptist conventions of Arkansas, Mississippi, and Tennessee.

**RIBBON CUTTING** -- Sen. Thad Cochran was on hand for ribbon cutting ceremonies last Saturday for Students of Art in Mississippi. Over 100 people attended the open house where artwork of 25 members and students was displayed. The Students of Art in Mississippi building is located at 202 College St., behind city hall. Those shown include Linda T.

Hall, Dale Petty, vice-president; Pam Petty, secretary-treasurer; Marvin McCoy; Sen. Cochran; Sherry Bowen, public relations; Gerald Bennett, president; Mayor Charles Crabb, and Grace Counce. Art classes are held on Tuesday night from 7 p.m. until 9 p.m.

# Unemployment Shows Decline

Mississippi's unemployment rate dropped to 9.6 percent in March, a decrease of six-tenths of one percentage point compared to February's 10.2 percent jobless rate, according to Mississippi Employment Security Commission Executive Director O.H. Simmons. Last year's March unemployment rate was 8.7 percent.

The 9.6 percent unemploymet rate for the stae was higher than the 9.5 percent national rate for March. MESC figures showed 103,500 unemployed and 970,700 employed out of a civilian labor force of 1,074,200. The initial Unemployment Insurance claims totalled 26,767 for March.

The counties having the

highest unemployment rates in March were Tate, with an unemployment rate of 20.2 percent; Jefferson, with an unemployment rate of 19.5 percent; and Sharkey, with an unemployment rate of 19.2 percent.

Rankin, Oktibbeha, Issaquena, and Lamar counties had the lowest jobless rates in March. Rankin had a rate of 4.2

percent, Oktibbeha and Issaquena each had a rate of 5.1 percent, and Lamar had an unemployment rate of 5.7 percent.

Fifty-nine of the state's 82 counties showed a decrease in their unemployment rates from February to March, while 20 reported increases. The unemployment rate in three counties remained the same.

## Sunflower News

By **ROCHELLE JENKINS**  
Correspondent

After missing a week from writing this article, I hardly know where to start.

The various Easter programs were a success everywhere. We always say whenever our children are featured they are the greatest, no matter how many mistakes they make!

Sunday was a very busy day. Wolf Creek Choir No. 2 had a program. Guest speaker was the Rev. Lewis McGee along with his choir. At Beckley Chapel The Traveling celebrated their groups' anniversary. At Spring Hill The Spiritual Q.C.'s were there.

The scripture says for us to assemble ourselves together in the house of the Lord, so it would be so nice for everyone to go somewhere to church.

The Sunflower Development Club thanks everyone who helped them out in their family portraits.

We're sorry about last week's article. Due to a minor illness, I wasn't able to write it.

We're so thankful that the Lord protected us during the stormy weather Saturday morning. I slept through it, but I was told the weather was very bad with a lot of lightning and thundering. But thanks to God nothing happened.

The Sunflower Development Club is once again working on the Miss Black Teen Prentiss County and Little Mr. and Miss Black Prentiss County. The ages for the contestants are 3-6 years old for the little children. If you want your son or daughter to be in this contest, please contact William Frair or any member of the Sunflower Development Club. The contest will be May 22.

Those planning to enter the contest should sign up very soon. The contest is held once a year and the winner goes to Natchez to compete in the Miss Black Mississippi pageant. Whether you win or not, it's a joy to be in the contest. Beautiful prizes and awards will be given. This contest

gives the young people a chance to show their talents.

The Rev. Lewis Raagin' along with his choir' will be the guest speaker at the Holiness Church of Christ Thursday night.

Saturday, April 24, the Holiness Church will have a fat women walk-a-thon. If some of the ladies ask you to be their sponsors, please help them out. The five-mile walk-a-thon is for women 150 lbs. and over.

Congratulations to Mr. and Mrs. Robert Jones who

became the parents of an 8 lb. boy. We're thankful for their beautiful son.

Congratulations to Mr. and Mrs. Edgar Frank Simmons on the birth of their 6 lb. son.

We're glad that Miss Valerie Crump is doing better. Although she wasn't a patient in the local hospital, she was a very sick girl. We're so glad she's much better now.

Congratulations to Mr. and Mrs. Lee Miller and Mr. and Mrs. Charles Gardner for their good news. In about

six or seven months they will have new additions to their families.

Mrs. Elizabeth Crump and Mrs. Lorraine Hurd were in a car wreck Friday during that rainy weather. The car landed in a pasture. The Lord was in control and no one was hurt. All these years they traveled up and down the dangerous highway to work. The Lord has protected them and we just praise him for it.

There will be fish plates for sale at Mrs. Martha Allen's house on Saturday,

April 24. Mrs. Virginia Miller and Mrs. Linda Edmond will be selling pies and cakes. Contact them at 728-5811 and they will be glad to cook a cake or pie for you.

Happy Birthday to Mrs. Martha Allen.

We welcome Gregory Martin from Memphis to our city of hospitality. We were so glad to see him.

Anthony Shinaut had leg surgery in North Mississippi Medical Center. He is doing fine and will be coming home soon.

Til next week....

## Former Miss America Addresses FBLA Conference

Tim Smith, co-president of the Prentiss County FBLA Chapter at the Prentiss County Vocational School, got a big kiss on the cheek from former Miss America, Cheryl Prewitt Blackwood, as a thank you for helping her get her message across to the Future Business Leaders of America.

Mrs. Blackwood was the featured speaker at the Mississippi FBLA State Conference in Biloxi recently.

Her message was one of positive thinking and aiming toward higher goals. She related experiences leading up to becoming Mississippi's third Miss America.

Smith also received second place at the conference for his Job Description Manual on his training station at the Peoples Bank and Trust Company.

He and Ann Stacy, a third-year vocational student, were awarded the coveted FBLA Who's Who in Mississippi FBLA. Ann was a top five winner her three years in FBLA in Business Mathematics.

The Prentiss County FBLA Chapter also won fifth place in the Amoco Business Achievement Awards and in Money Management. The chapter was given the Gold Seal Chapter Award.

Attending the conference from the Prentiss County FBLA Chapter besides Tim Smith and Ann Stacy were Tina Taylor, Teresa Taylor, Angie Rice, Shirley Burns,

Carol Thomas, Danny Isbell, Clint Carroll, and Doreen

Marshall. They were accompanied by co-sponsors

Laura W. Cartwright and Donna Griffin.

Tim received second place at the conference for his job description Manual. He and Ann Stacy (bottom photo), a third-year vocational student, were awarded Who's Who in Mississippi FBLA. Also pictured are (top photo, from left) Angie Rice, Sherry Deaton and Karen Wimberley, whose work helped the chapter received the Gold Seal Award.

**CINDERELLA CONTESTANTS** -- Participating in the Miss Cinderella Ball Saturday night at the East Side Community Center will be (front, from left) Machele Thomas, Susette Gardner, Dorothy Pams, Vanessa Groves,

and escorts (back, from left) Ronnie Elam, Bernard Rogers, Victor Gardner, Eddie Jumper and Danny Groves. Not pictured is contestant Princess Williams.

## Cinderella Ball Set Saturday

The Beckley Chapel Mass Choir is sponsoring a Cinderella Ball, beginning at 7 p.m. Saturday at the East Side Community Center, for the purpose of introducing young ladies to society.

In addition, the winner of the pageant will receive a scholarship.

"We have five young debutantes competing for Miss Cinderella honors this year," said Jerry Christian, coordinator of the event. "In the years to come we hope the interest will increase. However, we are appreciative for these five

who are competing."

This year's entries are Machele Thomas, a senior at Biggersville; and Susette Gardner, Dorothy Pams, Vanessa Groves and Princess Williams, all seniors at Booneville High School.

Five young men will serve as escorts for the entrants Saturday night. In the future

a scholarship will also be presented to one of the escorts as well as the pageant winner, Christian said.

Escorts for this year's pageant are Ronnie Elam, Benard Rogers, Victor Gardner, Eddie Jumper, all Booneville High School students, and Danny Groves, a graduate of Booneville High School.

"Let me take this opportunity to thank all the businesses and individuals who thought enough of what we are trying to do to purchase an ad or a ticket from these young ladies," Christian said. "Without their support this would not have been possible."

Tickets for the Cinderella Ball are \$4 each.

## Gary White To Participate In Mid-South Spelling Bee

Gary White, an 8th grader at Thrasher School, will represent Prentiss County in the Mid-South Spelling Bee Friday at Memphis State University.

The 13-year-old son of Mr. and Mrs. H.D. White of Rienzi, Gary won the Prentiss County Spelling Bee on March 16 to qualify as a participant in the Mid-South Spelling Bee which begins at 6:30 p.m. tomorrow in the MSU University Center.

The Mid-South Spelling Bee features the top speller in each of 54 counties within the Mid-South states of Tennessee, Arkansas, Mississippi, Kentucky and Missouri. The contest is sponsored by The Press-Scimitar, a Memphis newspaper.

The winning speller in the Mid-South contest will earn an all-expense-paid trip to Washington, D.C., to

compete in the National Spelling Bee. The Mid-South winner will also receive a \$100 savings bond plus a complete set of the Encyclopedia Britannica. The second-place winner will receive a \$75 bond and a copy of the American Heritage Dictionary. The third-place winner will receive a \$50 bond and a hard-backed copy of the World Almanac.

Each contestant will also

be given a \$50 bond for participating. All contestants and their parents will be honored at a banquet prior to the contest.

Gary, whose hobbies are stamp collecting and basketball, says he plans to pursue a career in electrical engineering after he finishes school. He lists math and spelling as his favorite subjects.

Gary attends the Baptist Church.

The Board of Supervisors took up the matter of issuance of the Industrial Development Revenue Bonds of Prentiss County, Mississippi, in the principal amount not to exceed One Million Seven Hundred Fifty Thousand and No-100 Dollars (\$1,750,000.00). After a discussion of the subject, Supervisor William L. McKinney offered and moved the adoption of the following resolution:

RESOLUTION DECLARING THE INTENTION OF PRENTISS COUNTY, MISSISSIPPI, TO ENTER UPON AN INDUSTRIAL DEVELOPMENT PROJECT AND TO ISSUE INDUSTRIAL DEVELOPMENT REVENUE BONDS OF SAID COUNTY IN THE PRINCIPAL AMOUNT NOT TO EXCEED ONE MILLION SEVEN HUNDRED FIFTY THOUSAND AND NO-100 DOLLARS (\$1,750,000.00) FOR SUCH PURPOSE, AND DIRECTING THE PUBLICATION OF NOTICE OF SUCH INTENTION.

WHEREAS, the Board of Supervisors of Prentiss County, Mississippi (the "Governing Body"), acting for and on behalf of Prentiss County, Mississippi (the "Issuer"), does hereby find, determine and adjudicate as follows:

1. The issuer is a municipality as defined in Chapter 147, General Laws of Mississippi, Regular Session 1960, as amended, appearing as Title 57, Chapter 3 of the Mississippi Code of 1972 (the "Act").

2. On April 5, 1982, this Governing Body, as authorized by the Act, adopted a resolution making application to the Mississippi Board of Economic Development (the "Board") for a Certificate of Public Convenience and Necessity (the "Certificate") authorizing the Issuer to acquire, own and lease a Project as hereinafter defined and to issue its industrial development revenue bonds to finance said Project.

3. On April 15, 1982, the Board ordered and directed the approval of the aforesaid application and issued its Certificate No. 520R to the Governing Body, which Certificate authorized and empowered this Governing Body, acting for and on behalf of the issuer, subject to the conditions therein set out, to adopt and publish a resolution declaring its intention to issue industrial development revenue bonds of the Issuer in the principal amount not to exceed One Million Seven Hundred Fifty Thousand and No-100 Dollars (\$1,750,000.00) to provide funds to acquire said Project and thereafter to lease said Project to East Asiatic Company, Inc. or its designee (the "Bonds").

4. In order to promote industrial development and to provide additional gainful employment for its citizens, the Issuer should declare its intention to issue industrial development revenue bonds of the Issuer in the principal amount herein provided.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY, ACTING FOR AND ON BEHALF OF THE ISSUER, AS FOLLOWS:

SECTION 1. That this Governing Body, acting for and on behalf of the Issuer, does hereby declare its intention to issue Industrial Development Revenue Bonds not to exceed One Million Seven Hundred Fifty Thousand and No-100 Dollars (\$1,750,000.00) (the "Bonds") to provide funds for the purpose of defraying the cost of acquiring and improving an enterprise consisting of land, buildings, improvements, machinery and equipment (all of which together constitute the "Project") for the manufacturing and processing of meat products or other perishable foodstuffs. The Issuer, hereafter to lease the Project to the Company; provided that the Bonds shall be payable both as to principal and interest solely from the revenue to be derived from the leasing of the Project, and neither the Issuer nor the interest thereon shall ever constitute an indebtedness of the Issuer within the meaning of any constitutional provision or statutory limitation of the State of Mississippi, nor ever constitute or give rise to a pecuniary liability of the Issuer or a charge against its general credit or taxing powers.

SECTION 2. That the issuance of the Bonds in the amount and for the purpose aforesaid shall be authorized at a meeting of the Governing Body to be held at their usual meeting place in the City of Booneville, Mississippi, at the hour of 10:00 o'clock a.m., on May 17, 1982, or at some meeting held subsequent thereto, unless on or before the aforesaid date and hour, twenty percent (20 percent) of the qualified electors of the Issuer shall file a written protest against the issuance of the Bonds, in which event the Bonds shall not be authorized at an election. On the question of the issuance thereof to be called and held as provided by law. If no such protest be filed, then the Bonds may be issued without an election on the question of the issuance thereof to be held at the meeting of the Issuer on the date and at the hour set forth in Section 2 of this resolution.

Following the reading of the foregoing resolution, Supervisor Larry Barron seconded the motion for its adoption. The President put the question to a roll call vote, and the result was as follows:

Larry Barron voted: Aye  
Jimmy Moore voted: Aye  
H.B. Lindsey, Jr. voted: Aye  
William L. McKinney voted: Aye

Librarian  
George E. Allen Library

National Library Week gives the Allen Library staff the pleasure of welcoming more visitors and new users than is usual. There is still time and opportunity this week for many more to come for special events or just for browsing and enjoying the exhibits.

Thursday morning, April 22, from 9:30 - 11:30 we invite the business community to drop by for coffee. On Saturday afternoon from 2 - 4 we would like to see each of you at an open house. This is also

when entries from our school contest will be on exhibit and prizes will be awarded.

We have lately added to the Allen collection some beautiful and interesting books. "Life on Earth," by David Attenborough has some striking color photographs. That of the Grand Canyon is most unusual, and greatly enlarged photographs of natural and animal life are

next to seeing the real thing. "The American Season's," by Edwin Way Teale, is another book on nature. "Clean Air - Clean Water for Tomorrow's World," by Reed Millard, hopes to lead the new generation to make better use of nature's bounty than has the past one.

For those looking for or engaged in any of these hobbies, some new wrinkles may be found in Olcheshki's

"How to Specialize in Stamp Collecting," Suib's "Marionettes Onstage," "Antique American Country Furniture, a Field Guide," by Voss; or "A Guide Book of United States Coins," by Yeoman.

"Thank You," to those who have added to our magazine collection, and to those who are helping to make this National Library Week a pleasure to us all.

# Lets Boogie.... Strict 'Lee' Speaking

BY LEE GENTRY  
Sports Editor

O.K. Lets Boogie.....Does that sound like the words of a football coach. Well it was Tuesday morning at the Dixieland Skate Center in Booneville.

NE coach and athletic director Bill Ward, who is teaching a new roller skating class at the Dixie Land Skate Center, put his talents to work in a new formation when he played "Mr. Disco" for the students on the PA system.

Coach Ward showed everyone there that he was not only a good football coach but a fine DJ as well.

The class is something new to the athletic department this year and students learn the fundamentals of the very popular sport, roller skating.

The Skate Center staff serves as instructors in the class which includes managers Robin and Vickie Gray along with their staff members who have helped through the semester.

Many functions of the sport of skating are taught during the classes including the basic steps, plus added features like spinning, jumping and spreading reversals. These come more frequent to the advanced students.

The class is a one hour credited course which is listed in the Physical Education department.

"All of us have enjoyed the class this year," Ward said. "It's something a little different and we feel like the students can learn easily here."

So when you hear the word "boogie" it might mean there's a dance going on at Northeast. But then again, it could mean just another class for the roller skaters.

## RAIN HALTS MANY

Every time I've planned to cover a sporting event this week it seems that it comes a flood. Many of the games for both Northeast and Booneville High School were rained out this past paper week but hopefully the spring sports calendar will pick up this week.

## ARNOLD WAXING OPPONENTS

Booneville High School tennis performer Kathy Arnold is on her way to the 1982 State Tennis Tournament again.

Kathy, who is noted as one of the top tennis performers in the State and should be one of the favorites to take the State's top honors.

She is a member of the BHS tennis teams and to date has waxed or defeated every opponent this season (some eight in all at press time) and should win her remaining matches before going on to State Competition.

A special feature will be published on Kathy next week in the Banner-Independent Sports Section...Good Luck Kathy. Till next time.

## Softball Meeting

### Set Tuesday

Prentiss County Shrine Club President Bill Ward asks all interested teams that plan to enter next Thursday's Annual Shrine Softball Tourney to be at this week's special meeting.

The meeting will be held next Tuesday night April 27th at 7 p.m. at the Booneville West Side Community Center.

All interested coaches and managers of the teams should be present at this meeting to set brackets and time slots for the upcoming tournament.

Ward told the Banner-Independent Monday that several teams had signed up for the tournament but added that there was plenty of room available for all teams at this time.

The Tournament, which is slated for April 29th through May 1st is the official start of the spring and summer softball season. Teams get fired up as well as the fans for this opening tournament.

## Three New Faces On 1982 Tiger Schedule

Northeast Mississippi Junior College head football coach and athletic director Bill Ward this week announced the official 1982 football schedule for next year.

Some changes have been made on the new schedule and next year for the first time Northeast will be competing in the new Region 23 Conference.

The conference won't have any bearing on the Tiger's football competition but NE

will be ranked each week hopefully and the local fans will be kept up to date as to how the Tigers measure up against both Mississippi teams.

Northeast has added three new foes on the 82 schedule and has dropped three from last year's schedule.

This year the new faces will be Gulf Coast, East Central and Southwest while vacated from last year are Copiah Lincoln, Hinds and Pearl River.

The Tigers will play five games at the newly renovated Keenum Stadium (formerly Tiger Stadium) while five will be at the opponents site.

## 5 K Run Set For May 1st

COLUMBUS - The Commercial Dispatch will host its sixth annual 5K and 10K runs Saturday, May 1.

The Commercial Dispatch Marathon, as the event is known, will be run on the north frontage road, along the Highway 82 bypass, beginning and ending at the Macon-Meridian exit. The out-and-back course has been sanctioned by the Road Runners Club of America and the Mississippi Track Club.

There are more age categories for runners this year and more trophies than ever! Women will have eight categories in which to run: 14 and under, 15-19, 20-24, 25-29, 30-34, 35-39, 40-49 and 50 and over. Men's categories are 14 and under, 15-19, 20-

24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, and 60 and over.

Trophies will be awarded the top three runners in each age group along with the top male and female runners in each race, for a total of 118 trophies.

T-shirts will be given to each runner entering the competition. The entry fee is \$5 through April 29. After that date, the fee will be \$6.

The races will be directed by members of the Mississippi Track Club. The 5K event will begin at 8 a.m. with the 10K race starting at 8:45 a.m.

All runners are invited to participate. For more information, write The Commercial Dispatch, P. O. Box 511, Columbus, MS 39701.

Registration Meetings Set

Booneville West Side Park Athletic Director Rickey Gillentine has announced that the Park was now beginning to start toward this summer's athletic activities. Gillentine said he was starting registration this week for many of the park leagues and ask that everyone interested in playing this summer to attend the registration dates which will be listed below. The park will have a full slate of activities this summer according to Gillentine and there should be plenty of teams available for all age groups.

**LITTLE LEAGUE PARENTS MEETING**  
Monday night April 26, is the date for this meeting which will be to discuss the rules and regulations of the Little League Park Program. Gillentine urges all interested parents to attend this meeting. "We want to start the 1982 summer session off on a clean slate," he said. The meeting will be at the Booneville Community

Center.

**LITTLE LEAGUE REGISTRATION SET**  
The official Little League registration date has been set for Saturday morning May 1, at 10:00 a.m. at the West Side City Park. Entry forms will be available and all youngsters interested in playing Little League ball this summer should attend this meeting.

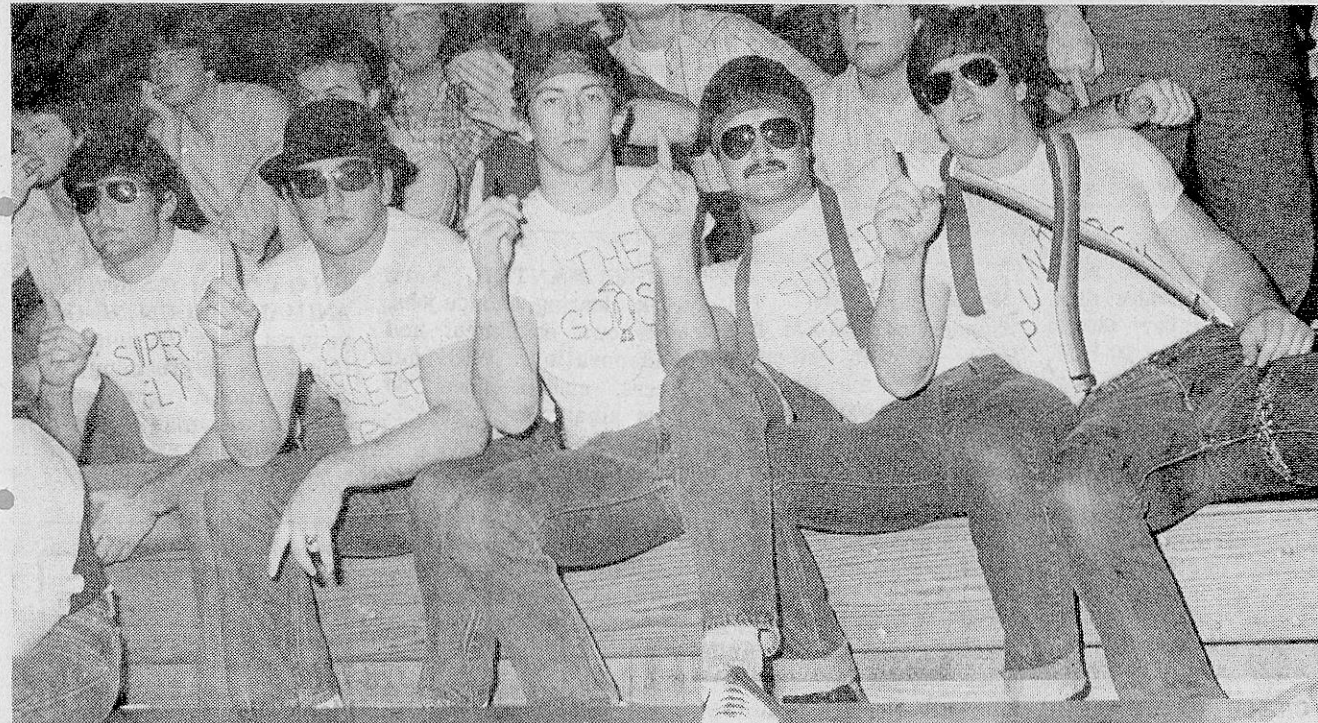

**CITY CHURCH LEAGUE MEETING**  
This year a new church league has been added to the park's athletic programs. A meeting will be held Sunday afternoon April 25, at 2 p.m. at the City Park Pavilion. Registration will be \$150 per team with sanctioned umpires provided. Games will be played on Monday, Tuesday and Thursday nights beginning at 6 each evening. Watch Times indicated for meetings. We hope everyone will attend these meetings, Gillentine said. "We want as many people playing ball this summer that can," he said.

Notes From The SEC

**BIRMINGHAM, AL (Sp)** - Tennessee turned back red-hot Georgia, winner of eight straight games, beating them twice, 9-4 and 5-3, to tie Florida for the top of the East sector in Southeastern Conference baseball. In the West, Ole Miss beat second place Alabama two of three (2-6, 4-2, 6-5) then won one (1-0) and tied one (3-3) with third-place Auburn to increase its lead to 2½ games. The Rebels are now 11-4 to Bama's 8-6 while Florida and Tennessee are 9-4.

Vanderbilt jumped over Georgia for third in the East by sweeping Kentucky, 4-0, 5-4, 12-2 and Miss State hit LSU two of three (2-1, 0-2, 6-4) to gain a game toward fourth. Vandy is 8-9 to Georgia's 7-9 and LSU is 7-10 to State's 6-9.

This week the three-game Saturday-Sunday schedule has Florida visiting Vanderbilt and Tennessee playing at Kentucky in the East with Alabama hosting Miss. State in the West. Ole Miss visits nationally-ranked Memphis State Saturday-Sunday. Of the 25 games with outside teams last week SEC schools won 16 and lost nine for a 94-69 record, winning 57.7 percent.

**NORTHEAST'S FIRST FAMILY** -- If your at a Northeast sporting event you just might run into these guys who are known as the "First Family Of Sports" at Northeast. The group was formed to promote school spirit. The fearless fivesome have appeared at all games and turned up recently at a wrestling match to heckle the pros. Pictured left to right are, David Barkley, alias, "Super Fly"; Lynn Carmichael, alias, "Cool Breeze"; Brady McMillian, alias, "The Goose"; Marty Burks, alias, "Super Freak"; and Jon May, alias, "Punk Rock." Camp Dates Set

Northeast Mississippi Junior College athletic director Bill Ward and Northeast head basketball coach Richard Mathis announced here Monday that area basketballers should keep in mind the dates for the Annual Northeast Basketball Camps slated to begin in June.

The 1982 summer session starts this year beginning June 6th-11th with the senior high boys camp and coach Mathis stated that he hoped for a large turnout for this year's camp.

Mathis said that he hoped all area roundballers took advantage of this camp since the camp molds athletic ability as well as moral attitudes for future athletic performances.

The primary purpose of the camp is to teach skills in fundamentally sound basketball and to improve the finer points of the game. With these goals in mind, Northeast strives to develop the future athletes ideas in sportsmanship, leadership and citizenship.

The senior boys camp will officially kickoff the first camp session while a week later June 13-18th comes the Senior High Girls Camp June 13th-18th.

The juniors get their turn at it the next week with the Junior High Boys Camp set for June 20th-25th and then the following week the Junior High Girls Camp is set for June 27th through July 2nd.

The cost of the camp is \$100.00 for overnight campers while commuters will pay \$80.

Several activities will be held throughout the week long camp including swimming sessions, weightlifting, video taped practice sessions, individual evaluation of jump shots, movies of high school, college and pro games as

**MR. GOODWRENCH CURES "BRAKE FADE"**

AND OTHER CAR PROBLEMS.

When you put on the brakes and they don't feel as strong as they used to, it's time to ask Mr. Goodwrench to take a look! If your GM car's brakes are worn out, he'll install new genuine GM brake shoes and crown ground drum brake linings—the kind designed to give you a smooth break-in period. Or, if you have disc brakes, he'll install new genuine GM disc brake pads.

And, if you ask him, he'll also check your car's shocks, wheel bearings and front-end alignment.

So for brakes that are fading, stop in for the Mr. Goodwrench cure!

## CARDS OF THANKS

We would like to take this opportunity to thank all our friends, relatives and neighbors for all they did during the death of our beloved Father and Grandfather.

We also would like to thank Dr. Madara and all the wonderful nurses we had during our stay at Baptist Memorial Hospital at Booneville. We also would like to thank Bro. Clifford Rinehart, for a fine message of encouragement during this sad time.

Also thanks to Bro. and Sister Larry Hill, and Cindy for the wonderful songs. Thanks to McMillan Funeral Home for their fine services.

Our prayers and thoughts go out to everyone for their help. We love all of you.

The Family of Mr. Clovis Stokes

# Booneville Happenings

By JESSIE PRESLEY  
Correspondent

Congratulations go to Mr. and Mrs. Edward Googer of the Osborne Creek Community. Edward and Edith celebrated their 50th wedding anniversary last Sunday at the Oak Hill Baptist Church. We wish them many more years of togetherness.

We send get well wishes to a dear friend, Mrs. Jessie Spain, a patient in our local hospital. "Miss" Jessie had the misfortune of falling and breaking her arm last week. She lives in the Osborne Creek Community.

Visiting with Jessie Presley last week were Mr. and Mrs. Dale Presley of Jackson, Miss., and Mr. and Mrs. Quinn Johnson of Jackson, Tenn. The Presleys were also guests of Mr. and Mrs. Vernon Shackelford and family.

Mrs. Theota Barnett has been visiting with relatives in Memphis recently.

Mrs. Vadie Hill is a patient in North Mississippi Medical

Center, Tupelo at the time of this writing. We send get well wishes to her and assurance of our prayer. Her room number is 5425.

Mrs. Raymond Spencer spent a few days last week at North Mississippi Medical Center in Tupelo for a check up. Mary Lee says she is doing well.

We congratulate Mr. and Mrs. Prentiss Daniels upon their golden wedding celebration April 18. Mr. and Mrs. Daniels are valuable citizens of Prentiss County.

We regret the accident of Mrs. Chad Fugitt. Mrs. Fugitt fell and broke her right arm last Wednesday afternoon at her home. We wish her an early recovery and assure her of our prayers.

Hardly does a week pass without we hear from some of our friends living "away." Mrs. Mary Cole and daughter Betty White of St. Petersburg, Fla., says they enjoy reading the news of relatives and friends.

Mary is the wife of the late "Red" Cole.

Visiting in Memphis Sunday with Mr. and Mrs. Danny Green and family were Mr. and Mrs. Bill Green, Jim and Maragret Green and children of Tupelo.

I want to commend Ken Christian on the article "What The People Don't Know Will Hurt Them." Thank you Kenneth for speaking out.

Mrs. Estoria Petty was delighted to have all her children for a visit on Easter Sunday.

Mrs. Bettie Bingham is a patient in our local hospital. Get well wishes go to her with our prayers.

We are glad to know that Mrs. Maxine Martin is doing well after having open heart surgery recently. We send her get well wishes and the assurance of our prayers.

## Thought for the Week

Mrs. Alice Bullard gave me this article for my column. I think it has a very good meaning.

"Heaven's Grocery Store" I was walking down life's

highway a long time ago. One day I saw a sign that read "Heaven's Grocery Store."

As I got a little closer, the door came open wide, And when I came to myself I was standing inside.

I saw a host of angels, they were standing everywhere. One handed me a basket and said, "My child, shop with care."

Everything a christian needed was in that grocery store and all you couldn't carry, you could come back for more.

First I got some patience, love was in the same row.

Further down was understanding, you need that everywhere you go.

I got a box or two of wisdom, a bag or two of faith.

I just couldn't miss the Holy Ghost for it was all over the place.

I stopped to get some strength and courage to help me run this race,

By then my basket was getting full, but I

remembered I needed some grace

I didn't forget salvation, for salvation is free

So I tried to get enough of that to save both you and me.

Then I started up to the counter to pay my grocery bill

For I thought I had everything to do my masters will

As I started up the aisle, I saw prayer and I just had to put that in, for I knew when I stepped outside I'd run right into sin.

Peace and joy were plentiful, they were on the next shelf.

Songs and praises were hanging near, so I just helped my self.

Then I said to the angel "Now how much do I owe?" He just smiled and said, "Just take them everywhere you go."

I smiled at him and said, "How much do I owe?"

He smiled again and said, "Jesus paid your bill my child, a long time ago."

## Start your IRA Tax Shelter before April 30.

# Earn 30% interest for thirty days.

Contribute to a First Bank IRA Tax Shelter account by April 30, 1982, and you'll earn interest at a whopping 30% annual rate for 30 days. And you'll earn high interest all year long.

### Up to a \$4000 tax deduction every year.

Every penny you put in your IRA Tax Shelter, up to the maximum, is tax deductible. And you don't have to pay taxes on interest until you take out your money.

You can start your IRA Tax Shelter now with any amount. Or you can contribute to an existing First Bank IRA, and earn the 30% on the money you put in by April 30. If you have already made a contribution in 1982, your latest deposit will automatically earn this special rate. This interest will be paid during May of 1982.

The maximum a working couple can contribute from their joint income for the year is \$4000. For a couple with one spouse working, it's \$2250. And for an individual, it's \$2000.

In a 50% tax bracket, a \$2000 annual contribution could save you \$1000 a year on taxes. In a 30% bracket, it could save you \$600. For working couples, it could be twice that much.

### An interest rate that keeps up with the market.

With a First Bank IRA Tax Shelter you always earn a competitive market interest rate, because the rate is tied to the rate for Money Market CD's and it varies quarterly. When interest rates soar—like they did last year—your rate does too. And vice versa. But no matter what happens, you're assured of earning money market rates.

And with this interest rate, your money grows into quite a nest egg for retirement. Maybe even a million, if you start young enough.

### Use your tax refund or start monthly payments now.

You're smart to put your 1981 tax refund in a First Bank IRA Tax Shelter. With this deduction, you could get a much bigger refund next year. Or if you have money in savings or other investments, you may want to move that money to an IRA Tax Shelter, so you can get the big 30% and earn high interest all year.

Or at First Bank, you can contribute monthly. You only need to contribute \$166 a month for the \$2000 annual maximum for an individual. For working couples, it's \$333 for the maximum.

And for couples with one spouse working, it's \$187.

But on a monthly plan, it's important that you start now. So you can reach your maximum before the April 15, 1983, deadline.

To make it more convenient, we can automatically withdraw your monthly IRA Tax Shelter payment from your First Bank checking account.

### Maybe a deduction for '81, too.

Beginning in '82, anyone who earns income is eligible for an IRA. If in 1981 you were NOT covered by a pension, or profit-sharing plan where you work, you can make an IRA contribution by April 15 and take a deduction on your '81 taxes. The maximums, however, are lower

—\$1500 for an individual, \$1750 for couples with one spouse working and \$3000 for working couples.

Your First Bank IRA Tax Shelter is completely safe because it's invested in 18-month savings plan and it's insured to \$100,000 by the F.D.I.C.

You can begin withdrawing your Tax Shelter money when you're age 59½ and you must start by 70½. You'll pay taxes on the money you withdraw, but when you retire you'll probably pay taxes at a much lesser rate. There is a substantial penalty for early withdrawal.

### Hurry to earn sky-high interest.

Because of the tax deduction, a First Bank IRA Tax Shelter is one of your very best investments. Our 30% annual rate for 30 days makes it even better. Open your IRA at any First Bank location or contribute to an existing one before April 30. Don't let this one get away from you.

Terracing Interest Growing

By DON JONES  
Soil Conservation  
Technician USDA Soil  
Conservation Service  
Booneville Field Office

During the last 50 years in Prentiss County most of our sloping cropland had been terraced to prevent erosion. But in the last 10 years with the advent of larger equipment, most all of the terraces have been plowed down.

Now it is time for the table to be turned once again. more interest in terracing is developing because our sloping cropland is washing away to the extent that gullies are so big tractors and combines are unable to cross them.

One of the main reasons for the plow down was that the first terraces were built with ridges and channels that were to narrow or crooked for efficient modern farming operation.

Now there is a terrace system which will allow large equipment to farm sloping land with terraces. This system is called pipe outlet terraces.

In this system, the terraces can be built across the draws or depressions to maintain a better

alignment. It also does away with grassed waterways or ditches for outlets.

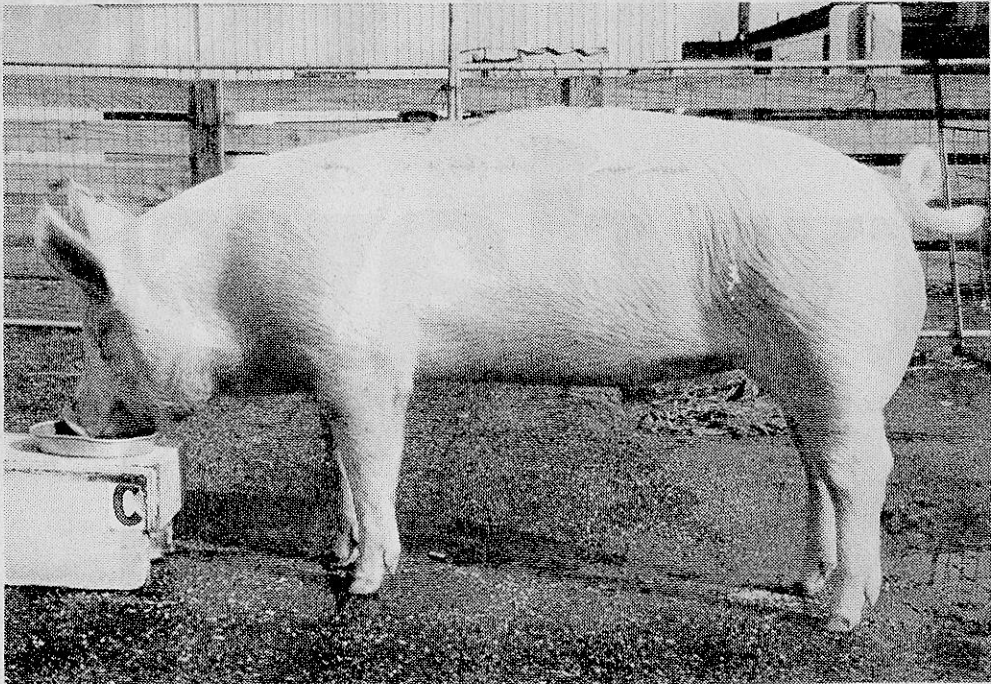

The terrace is built across the washed out places in fields to temporarily store the runoff water. It is then emptied by an underground pipe system.

Another plus for this

system is reducing the number of point rows, therefore making it more farmable. This system can also be tailor made to fit the type equipment you use. They can be spaced so there will be an equal number of rows or an equal number of round trips between the

terraces.

If you have sloping cropland that is washing away and would like more information on the pipe outlet terrace system, contact the Soil Conservation Service at 107 College Street or phone 728-3544.

Handicapped Search Underway

The Booneville Municipal Separate School District is participating in an ongoing statewide effort to identify, locate and evaluate children through the age of 21 who are physically, mentally, communicatively and/or emotionally handicapped, according to R.D. Griffin, superintendent.

Early identification of children in need of special education experiences is most important to each

child, Griffin said. The information gathered from contacts with parents and other agencies will be used to help determine present and future program needs as progress is made toward the goal of providing a free appropriate public education to all handicapped children.

Information which could identify an individual child will be maintained by this school district and will be

provided to other agencies only in accord with the Family Rights and Privacy Act and EHA-B.

Parents are guaranteed the right to inspect any such information about their children and to challenge its accuracy. Access to this information is forbidden to any unauthorized person without informed consent of the parent or guardian.

"If you can notify us of any handicapped child under the age of 21 who is

living in our district, but is not being served in an educational program, please contact our district's child find person, Martha Weatherford, at 728-6863 or write her at P.O. Box 387, Booneville, MS 38829," Griffin said.

For information regarding the collection, maintenance and use of data about your child, contact the school district at the above number or address.

For Mississippi And Louisiana

Gasoline Prices Show Decline

During the past two months, gasoline prices in Mississippi and Louisiana showed the greatest decline in at least eight years, according to the American Automobile Association.

This is the greatest decline since AAA began charting gas prices eight years ago.

AAA's April Fuel Gauge Survey revealed that during the last two months Mississippi's gas prices dropped an average of 11.9 cents a gallon. Louisiana's gas prices, which have for the most part remained consistently lower than

Mississippi's, fell an average of 9 cents a gallon.

"These significant price reductions," explained Joe Puglia, AAA public affairs director, "bring the gasoline prices to the same level they were in December of 1980, prior to increases brought about by deregulation and OPEC price increases."

"Several factors are bringing prices down," he said, "but the most identifiable are decreased use of the automobile, an overabundance of fuel and the trend toward more energy efficient automobiles."

Fuel supplies in the two-state area will be more-than-adequate for the Easter holidays, AAA reports, with a high percentage of stations open on Saturday and Sunday. All other states are reporting good availability, with a high percentage of stations throughout the country planning to be open.

The April report also reflected a widening difference in the prices at full and self-service pumps.

In Mississippi, the average full-service price was \$1.372, while self-service was \$1.245, a difference of

12.7 cents per gallon. The full-service price in Louisiana was \$1.331 and self-service was \$1.107, a difference of 22.4 cents per gallon.

From the stations contacted for the survey, the highest price recorded in Louisiana was \$1.54 for a gallon of full-service unleaded, while the lowest while the lowest was 99.8 cents for self-service regular.

In Mississippi, the high was \$1.539 for full-service unleaded, and the low was \$1.119 for self-service regular.

Maintaining Your Mental Health

'The Shlemiehl And The Shlemazzle'

From  
TIMBER HILLS  
MENTAL HEALTH CENTER

"Shlemiehl" and "Shlemazzle" are marvelously descriptive nouns which originated in Yiddish and have become part of the English language. They are used quite frequently by show business people, and, as a matter of fact, are listed in the "New Random House Dictionary."

The best definition of a "Shlemiehl" is the guy who always spills the hot soup on someone. The best definition of a "Shlemazzle" is the guy who gets the soup spilled on him. All of us know such people... There's the guy who is always late for the most important business date of his life, who turns up at his wedding wearing one brown shoe and one black (and who left the ring in his apartment...to which he has lost the key), who spills things, drops things, and says the wrong things at the wrong time. He always apologizes profusely, so that everybody will feel guilty because they are mad at him...but they are mad anyhow. That's the "shlemiehl."

Then there's the gal who is always left behind to wash all the dishes at the church supper. Comes a sudden thunderstorm, she is left in the middle of the cornfield without an umbrella while the rest of her party has found a comfortable shelter somewhere. She's the girl who marries the guy with the brown and black shoe who forgot the ring. That's a "shlemazzle." Incidentally, she also masks people feel guilty...and they get rather mad at her for it.

Obviously both of these people have managed to establish rather destructive life patterns for themselves. They both tend to feel that somehow life has handed them a raw deal. Other people may or may not agree with that point of view, but usually, after a while, they tend to avoid both of these types if at all possible, since in their own way they have managed to make quite a lot of people feel very

uncomfortable.

How come they persistently seem to defeat themselves? It's difficult to establish any definite reasons for this without knowing them personally. But counselors can think of several reasons. For instance, the profusely apologetic "shlemiehl," who never knowingly says an angry word to anyone, but who accidentally spills the soup, may be quite angry at a lot of people. Instead of chewing out his secretary or yelling at his wife he has accidents which can bother these people a good deal. But because he didn't do it on purpose, they can't really be mad at him, can they? And, what's more important, he does not need to be mad at himself, does he?

The guy who is so handy as a recepticle for spilled soup may also be quite angry...usually at himself. If he seems to be asking for all that punishment, that may be exactly what he is doing. What's more than one attracts disaster one also usually attracts quite a lot of attention. And the "shlemazzle" may enjoy this attention a good deal.

At any rate, once these patterns have been established it becomes very difficult to break them without professional help. A counselor may be able to help both of these unfortunate people find out why they are acting the way they do, what they are trying to accomplish with their actions, and why they take such inappropriate ways of expressing their feelings.

All of us have elements of both the "shlemiehl" and the "shlemazzle" in us...but when these elements take over and become life patterns it's time to call for professional help.

Timber Hills Mental Health Center offers a variety of workshops in areas such as parenting, stress management, couples communication and assertiveness training. For information about services available phone 728-3174 or visit the offices on the Highway 30 Bypass in Booneville.

After hours and on weekends phone 1-286-9209 toll free for emergency counseling services.

# THOUGHT FOR THE WEEK

By Charles L. Potts

## Lord, I'm So Weary . . . Please Help Me.

And why do we try to go it alone? Someone said it was the human pride in 'us. Now pride is a good thing...until it says "God, I don't need you." False pride blinds us. A blind person cannot see...and to be spiritually blind is not to see God's marvelous grace expended; is not to see our personal need for the grace, is not to see the value of persons all around us...thus we are separated from God, our best self, our neighbor...and we are weary of the whole business of living.

No, I'm not kidding. There are folks all around who wonder at the value of their life. They have the feeling that no one cares whether they live or not. They may be sick and alone. Or they may be young and strong...but have lost a reason to be alive. Verse 30 says "Even the

youths shall faint and be weary, and the young men shall utterly fall." Are you weary? Are you ready to give up? Guess what...God has written a prescription for the weary. It's found in Isaiah 40:31; and here it is:

"But they that wait upon the Lord shall renew their strength;  
they shall mount us with wings as eagles;  
they shall run, and not be weary;  
and they shall walk, and not faint."

Charles L. Potts, Pastor  
First United  
Methodist Church  
Booneville, Miss.
