### Assault Charge Changed To Murder

A charge of aggravated assault against James L. Stoop has been amended to murder following the death of a New Site School teacher.

Stoop, 57, of 100 Price Lane, Booneville, was originally charged with aggravated assault after Charles Williams, 41, of Route 7, Booneville, was shot once in the back with a 30.06 high powered rifle Oct. 13.

Williams died at the North Mississippi Medical Center Sunday. The charge against Stoop was amended to murder Sunday evening, according to Justice Court Judge Billy Sartin.

A date for Stoop's preliminary hearing had not been set as of Tuesday afternoon, Sartin said.

### Runoff Election Set For Rienzi

A run-off election will be held today between David Lee and Mrs. Louise Geno for the position of Rienzi alderman.

Lee garnered 44 votes and Mrs. Geno had 34 votes in the special election held Oct. 27.

Other contenders for the position of alderman were Bonnie Davis, 23 votes; and Mrs. Lona Stacy, 12 votes. Smith Benjamin, the only mayoral candidate, received 95 votes.

Joyce Cox was the lone write-in candidate for mayor, according to City Clerk Michelle Thomas.

The election will be held in the Rienzi Town Hall.

### No School Tuesday For City Students

There will be no school Tuesday, Nov. 8, for students in the Booneville Municipal Separate Schools.

Teachers of the system will be involved in inservice training for the evaluation phase of the state Accountability and Instructional Management Plan the entire day.

However, all Prentiss County Schools will be open Tuesday.

### Courthouse, Post Office To Close

The Prentiss County Courthouse and the Booneville Post Office will be closed Friday, Nov. 11, in observance of Veteran's Day.

However, Booneville City Hall will be open Veteran's Day.

### Free Rat Poison At Health Department

Free rat poison is available at the Prentiss County Health Department, each supervisor's maintenance shed, and Booneville City Hall.

### Hill's Chapel School Has Some Insurance

Some buildings at Hills Chapel School have been insured during the last 18 months, according to that school's principal Cayce Depoyster.

On the basis of information found in a state audit of the county school district, The Banner-Independent had reported that four county schools including Hills Chapel had been uninsured since March 1982.

"We do have some insurance on part of our buildings," Depoyster said. But he declined to be more specific.

Though it had been reported to The Banner-Independent that Hills Chapel School authorities had reinstated the insurance, rather than the county Board of Education, Depoyster said he would prefer not to comment as to whether that report was true.

### County Eligible For Emergency Loans

Prentiss County is one of 48 Mississippi Counties to be declared eligible for emergency loan assistance by the U.S. Department of Agriculture, according to a spokesman for the Washington office of Cong. Jamie Whitten.

The declaration was prompted by crop loss from droughts and high temperatures suffered earlier this year, the spokesman said.

## Over Auto Accident

# \$10 Million Suit Filed Against County

By KEN CHRISTIAN  
Publisher

As the result of an automobile accident on Osborne Creek Road in October 1977, a Prentiss County resident has filed a \$10 million lawsuit against the Prentiss County Board of Supervisors, Little Brothers Construction Company, and 28 unnamed co-defendants.

Kenneth Wayne Scott of Route 2, Booneville, filed the lawsuit in Prentiss County

Circuit Court Tuesday of last week through his attorney, Thomas E. Dutton of Birmingham, Ala.

In the suit, Scott claims he was permanently injured as the result of an automobile accident Oct. 28, 1977, on Osborne Creek Road, about one mile west of Booneville. He says the accident was the result of the "improper design, construction, paving, installation, and/or maintenance of the road in question."

Scott charges that the defendants are responsible for his injuries because they "negligently or wantonly designed, planned, constructed, paved, installed, and/or maintained the roadway and/or shoulder of the roadway at the location where the plaintiff was injured."

As a result of the accident, the suit states, Scott was paralyzed and permanently injured. He was also caused and will be caused in the

future to spend large sums of money for medical expenses; he was caused to lose time from his employment; and his earning capacity was "greatly and permanently diminished."

In addition to the \$10 million, Scott is asking for the court to award interest on that amount from the date of the injury, as well as to require the defendants to pay the costs of the court costs.

Although the suit filed in

Circuit Court does not specifically so state, it appears that at the time of the accident Scott may have been employed either by the Supervisors or by Little Brothers Construction Company. It also appears the accident may have occurred at a site where work was being done on the road.

Among the 28 unnamed co-defendants included in the lawsuit along with Little Brothers and the Super-

visors are:

-- Co-employees or executive officers of Scott's employer who had been delegated to provide him a reasonably safe place to work;-- Safety inspectors of the work being done by the defendants;

-- The insurance carriers of the companies and employers involved;

-- The owner or owners of the site where the work was

THE KNIGHT RIDER'S FRIEND -- Randy Armstrong, 15, recently visited Hollywood, Calif., where he watched the filming of the "Knight Rider" television series and met the star of the series, David Hasselhoff. Hasselhoff gave Randy one of "Kit's" original car tags and a Knight Rider jacket.

## Youth Has 'Dream' Trip To Hollywood

By ANGELA SMITH  
Staff Reporter

Randy Armstrong, a 15-year-old freshman at Wheeler High School, has recently returned from Hollywood, Calif., where he "rubbed elbows" with the stars.

Randy and his family spent three days in Hollywood where they watched the filming of the television series "Knight Rider." The high-point of his trip, he says, was spending time with the star of "Knight Rider," David Hasselhoff.

In fact, the entire trip was a dream come true for Randy.

His trip was made possible by Dream Makers Inc. of Nashville, a group of people who arrange for children with critical illnesses to have one of their dreams come true.

Randy has leukemia. It was his dream to meet Michael Knight, alias David Hasselhoff.

His leukemia was diagnosed in October 1982. Since then he has spent six weeks in the hospital and has taken radiation treatments for three weeks. In April he relapsed and was in remission up until last month when he relapsed again.

However, Randy is still

attending school and is an avid Wheeler Eagle fan.

In addition to spending the day with Hasselhoff, Randy and his family, J.C. and Diane Armstrong, and his sister, Tammy, 17, watched the filming of "Knight Rider." The episode they watched will air the first week in December. It is titled "Nightmares."

Randy learned that there are actually nine cars used in the series instead of just one "Kit."

He was even allowed to sit inside "Kit," and also the director's chair. "They really rolled out the red

## Liquor Issue-Governor's Race Most Controversial

# Tuesday's Election Offers Important Choices

When Prentiss Countians go to the polls to vote Tuesday in the Nov. 8 general election they will have several choices to make -- such as whether alcoholic beverages will be sold in the county and which candidate to choose for governor.

In the governor's race, Prentiss Countians have five candidates from which to choose -- Bill Allain, Leon Bramlett, Charles Evers,

Billy Taylor and Helen McMullen Williams.

Voters in the fifth district will have to decide between three candidates for the Prentiss County School Board. They are Mackie D. Holder, Gerald Rowland and Johnny H. Shook. Holder is currently a member of the school board.

However, many of the local races have already been decided. The following people will run unopposed:

W.V. Horn, sheriff; Danny B. Childers, tax assessor-collector; Travis Cox, circuit clerk; Phillip Cole, chancery clerk; John Hatcher, county attorney; John White, state senator, district 5; Billy McCoy, representative, district 3; corner and ranger, James Horn; Justice Court Judge North District, Dexter C. Cadle; Justice Court Judge South District, Dalton E. (Gene) Prentice;

Superintendent of Education, J.W. Greene; incumbent supervisors, Larry Barron, 1st district; Jimmy Moore, 2nd district; J.P. Davis, 3rd district; H.B. Lindsey, 4th district; and William L. McKinney, 5th district.

The only candidate for constable facing opposition is 5th district candidate Tommy Smith who is being challenged by Doyle King, Johnny Mock, and Billy D.

Strickland.

The other candidates for constables are unopposed. They are Gayle Floyd, 1st district; Jerry C. "Bud" Michael, 2nd district; Billy Brasel, 3rd district; and David O. Livingston, 4th district.

Prentiss Countians will also vote on whether to adopt Senate Concurrent Resolution No. 514.

This resolution states that the public may appeal from

the public service commission to the state supreme court in any utility rate proceeding involving a finding for a rate change of any electricity, gas or common utility.

Another resolution on the ballot, No. 523, deals with 16th section lands. Since Prentiss County does not have 16th section lands, this does not directly affect Prentiss County.

## Representative Explains Amendments On Ballot

BY ED WOODWARD  
Managing Editor

Two proposed amendments to the state constitution will be on the November ballot for approval by Mississippi voters. The amendments will be listed on the ballot as Senate Concurrent Resolution No. 514, and Senate Concurrent Resolution No. 523.

Resolution No. 523 concerns 16th Section Lands. And, as Prentiss County is one of 24 counties in North Mississippi that has no 16th Section Lands, the amendment does not affect Prentiss County voters.

An explanation of what 16th Section Lands are, why we may be one of the few counties in the country that have none, how this affects

us, and what could be done about it, will be Part 7 of the series on education currently running in The Banner Independent.

Resolution No. 514, however, does affect Prentiss County voters. And State Representative Billy McCoy was asked to explain it in lay terms.

"Senate Concurrent Resolution 514 came about

because of the Public Utilities Act of 1983," McCoy said, explaining that the Public Utilities Act of 1983 was the legislation that repealed permission for public utilities such as telephone and power companies to put proposed rate increases into effect under bond pending Public Service Commission approval.

"One provision of the act provides for direct appeal from the Public Service Commission to the (state) Supreme Court in any utility rate proceeding involving a finding for a rate change of any electric, gas, or communications utility."

"In other words, up until this time, the Supreme Court had only appellate jurisdiction," McCoy said,

explaining that, once the PSC had denied a rate increase, the utility had the right to appeal, first to the Hinds County Chancery Court, and the case had to climb the ladder of appeals until it finally reached the Supreme Court.

"This (Resolution No. 514) allows them to have original

## Education Series

# 'I Really Think Learning Should Be Fun'

BY ED WOODWARD  
Managing Editor

Thrasher High School Principal Harrell Padgett, like the other Prentiss County principals, places the lack of operational funds at the top of his problems list.

"Although we've come a long way, and I think we're

going to continue to improve, money is still a problem," Padgett said.

"With this new (education reform) law that will soon come into effect, providing it's funded, I think we're going to see a vast improvement in our educational system," he said. "And, hopefully, they (the legislature) will fund

most of these things that they are asking us to do."

Asked what other problems concerned him, Padgett said, "There's not really any big problems, although we do have trouble keeping our children in school. And maybe this new law is going to have some effect on that."

"Our children just don't

come to school like they should," he continued. "We have a high rate of absenteeism here. But, I've noticed, especially in the last three or four years, our children seem to be showing a little more interest in school work than maybe three, four, or five years ago when they seemed to have an indifferent attitude."

"It seems their parents are beginning to get a little more involved and concerned now. I think that's nationwide. And I really think they should, maybe a little more than they have been in the past," Padgett said.

"Technological changes

# 1983-84 Baldwin Budget Includes Raises For City Employees

BY ED WOODWARD  
Managing Editor

Baldwyn's 1983-84 budget is based on an estimated \$15,818 revenue increase generated by Bioclinic Inc's 40,000 square foot expansion, a new 168,000 square foot factory being constructed by Liberty Diversified Industries for the manufacture of plastic products, and an increase in sales tax revenues, according to Mayor Merle Rowan.

The budget includes a 6 per cent increase in city

employees' salaries, and an increase in capital purchases, Rowan said.

"We've had a pretty good year, and our tax base is holding pretty good, so we came out in the black. Of course, our sales tax has been up over the last year," he said.

Asked what might have prompted Baldwin's increase in sales tax revenues, Rowan said, "Our used car business has been good, and that's helped us quite a bit."

Baldwyn, sometimes referred to as "The used car

capital of the South," has approximately 50 wholesale used car dealers within its city limits, and a large auto auction north of town, he explained.

"Other sales have been up, also," Rowan said. "We've got some pretty good, young businesses here. And I think more of our people are staying at home to shop than they have in the past."

The new budget estimates revenues for fiscal year 1984 at \$549,940, with expenditures equaling that

amount. This includes an estimated \$24,000 in police fines, \$252,000 in one-cent sales tax, \$13,900 in street light funds, \$15,500 transfers in capital improvement, and \$38,300 transfers in salaries and wages.

Tax levy revenues are estimated to increase from \$75,985 in fiscal 1983 to \$79,183 in fiscal 1984, Rowan said.

Administrative salaries budgeted include those for the mayor, four office personell, and \$100 per month for each alderman.

These total \$41,400, up from a previous \$37,621.

Police department salaries, including six officers and four dispatchers are set at \$100,850, compared to a previous \$92,008.

Salaries for street maintenance personell increase from \$43,707 to \$53,900 -- over \$10,000 for the five workers.

Estimated funds for public property maintenance are \$50,200, compared to \$46,852 in fiscal 1983.

The new budget also includes increases in funds for

the National Guard army, for social security and retirement, and for miscellaneous expenses. The \$2,400 allocation for the Booneville-Baldwyn Airport is unchanged.

New expenses in the capital outlay budget include \$7,000 for the municipal building fund, \$10,000 for a street department vehicle, \$18,000 for police cars, and \$850 for the library fund. The total capital outlay budget increase is \$32,850.

Included in the complete

Baldwyn city budget are separate budgets for Latimer Park (\$36,150), the cemetery (\$5,750), library maintenance (\$9,705), fire truck maintenance (\$30,770), and revenue sharing (\$89,712), which increases \$19,399 over the previous year, and will be

used for street maintenance, according to Mayor Rowan. "We're just proud that the town is growing," Rowan said. "They anticipate opening the new Liberty Diversified factory in April. And Bioclinic's new addition will be in operation before then."

have taken place. And our young people really know more than we did at the same age. I think they are way, way ahead. And I think

we're going to see a vast change in the next few years.

"We have one computer now which was purchased

for the whole school with library funds. And we're hoping to add more as funds are available. And I think that will be a great help," he

said.

Padgett was asked what changes he thought would have to be made to modernize education

locally.

"I think we're going to have to have a building program," he said. "But, there again, a lot of it will have to be funded through the state."

"I feel like the people of this county, if they really see a need, they're going to meet that need. Right now, we're in the process of going into a football program. It will help us to keep kids in school. And I think it motivates them to do better classwork. And eventually I think the program will be self supporting."

"We're in the process of building a field, which is coming out of local funds. We still lack lights, bleachers, and a fence around it. But, I think this will come about with community involvement," Padgett said.

He agreed that one dangerous pitfall is that, in many schools, sports tends to become the end rather than the means to that end. "It can get to that point. But I really don't think it has reached that point in Prentiss County," he said. "But, here, it has helped to keep some kids in school

who probably would have dropped out otherwise.

"But we've been fairly fortunate here at Thrasher. We've added courses since I came here. We've added speech. We've added an extra course in science. Of course we've added football, which is non-academic. And we've added foreign languages. We offer two -- Spanish and French. We haven't had any takers in French. But we have in Spanish."

Agreeing that learning a foreign language can be fun, Padgett said, "It should be. I really think learning should be fun. If it's at all possible, it should be an enjoyable situation."

Talk 'O The Town

Street Opinion

QUESTION: What is your opinion of the allegations about gubernatorial candidate Bill Allain?

EVIE HOLLEY of East Circle Apts., Booneville: "I think it's false. I voted for him before and I intend to vote for him this time. I think those things were said to hurt his campaign. I don't like that kind of politics."

CHARLENE ROBERTS of East Circle Apts., Booneville: "I think it's false. I voted for him before and I intend to vote for him again. I think they're just trying to shun him out of the election - they're afraid he might win."

BILLIE BETHAY of Michael Street, Booneville: "I don't think it's true. It's just something drummed up to help someone else win. I would still vote for him. I still think he's the best man."

TOMMIE HATFIELD of Route 4, Booneville: "I think he's a nice guy and they shouldn't be talking about him. I voted for him to start with and I will again."

VERA COLE of Brewer Street, Booneville: "I think it's sad. It changes my thinking about Allain. I think a family man should hold this office. I'm not sure if I'd vote for him."

MARTY FUGITT of Route 1, Booneville: "I don't believe they're true. They're just trying to run his campaign. I don't think it will change how I vote."

(Editor's note: "Talk O' The Town" is not intended as a scientific poll of public opinion. Rather, it is simply intended to give Prentiss Countians an opportunity to voice their opinions on particular issues and topics. Maybe we'll ask you next!)

Ponderings

By Angela Smith

Staff Reporter

I'm glad Halloween is over. Now I can take my "dummy" off the porch. My "dummy" is a pair of overalls stuffed with old clothes. His head is a plastic orange jack-o-lantern. He even wears a green and white cap and a pair of my boots. He has been sitting in a rocking chair on the porch for about two weeks. Everyone should make a "dummy" for Halloween. It's just the Halloween thing to do. Like carving jack-o-lanterns or going trick or treating.

As far as I know, the only person my dummy scared was me. He scared me every time I walked around the house and caught a glimpse of him out of the corner of my eye. He scared me every time I backed my car out of the carport. I wasn't used to seeing someone sitting on the porch so early in the day. In riding around Prentiss County during the last few weeks, I saw several "dummies" Prentiss Countians had made in honor of the Halloween season.

There was one dummy in the Piney Grove - New Candier community who looked like my dummy's twin brother.

In Marietta there was a "dummy witch" sitting in a swing. And there were also several "ghosts" seen 'hanging' around in yards.

One of the best parts about having a Halloween dummy is that you can hide and watch the neighbors wave at the dummy.

I probably shouldn't tell this, but one night when someone drove up, I turned on the porch light only to find him deep in conversation with my Halloween dummy.

I thought it was really funny until I realized he thought the dummy was me.

Eyes On Mississippi

Legislative 'Old Guard' Worried About Loss Of Control If Allain Wins Suit Over Appointments

By BILL MINOR  
Syndicated Columnist

JACKSON, Miss. - A lot of government watchers in Mississippi are anxiously waiting for the other shoe to drop in the lawsuit filed by Atty. Gen. Bill Allain to remove legislators from state boards and commissions.

Within the next several weeks, the State Supreme Court can be expected to rule on the decision made by a Hinds County circuit judge that some 36 lawmakers were violating the constitutional separation of powers by serving on boards in the executive branch.

Most observers expect the court to uphold the finding and cut a big swath throughout state government in Mississippi by forbidding the legislative branch to continue its invasion of powers that belong to the executive branch.

But the most explosive possibility of the Supreme Court's decision will be on the question of whether or not a constitutional provision relating to separation of powers will be invoked, and the affected lawmakers will be held to have vacated their seats in the Legislature.

Such a finding is possible under Section 2 of the state constitution which says that acceptance of an officer in another department of government "shall of itself,

and at once, vacate any and all offices" held by the person.

The Hinds Circuit judge had not invoked that power in his finding, giving the Legislative 36 a chance to first get off the executive boards and commissions before next year.

However, the question was raised in the arguments before the Supreme Court by one of the judges on the panel considering the case.

What is of great potential significance is the response made by the attorney representing the 36 legislators. He implied that should the Supreme Court hold that the lawmakers had forfeited their seats in the Legislature when they became members of executive boards and commissions, the Legislature simply would not recognize the court's ruling, because it has the power under Section 38 to "judge" the qualifications of its own members.

Such an eventuality would precipitate a constitutional crisis of proportions never seen before in Mississippi. And its resolution would be hardly less sensational than the morality allegations which have placed a cloud over the governor's election.

While Atty. Gen. Allain is at the center of the charges of alleged deviant sexual conduct, the ultimate solution of that dilemma should not, and hopefully,

will not, influence the case now before the Supreme Court.

Very likely, the state's high court will not go so far as to throw the 36 out of the Legislature for past violations, but will take a hard line on future violations.

This, then, would mean the Legislature would have to immediately rewrite the laws relating to the various boards and commissions, setting out their powers and functions and how the membership shall be constituted.

Here is where the legislative Old Guard which strongly opposed the Allain lawsuit will have its influence felt. For example, what kind of a State Budget Commission, the pet (and most powerful) board from which lawmakers would be stripped, would the Legislature be willing to create?

Conceivably, the lawmakers could emasculate the functions of the Budget Commission, and give the governor virtually one bookkeeper and a manual adding machine, and call that the State Budget Commission, while putting an elaborate staff and equipment in a newly created legislative budget committee.

With the hot breath of the Hinds County Circuit judge's ruling already on them, the state's legislators at the tail

end of the 1983 legislative session gave their first indication of what they may have in mind if lawmakers are taken from the boards.

They tried to build into the State Personnel Board law a legislative veto over the policies and powers of the board. Handed the bill just as the 1983 session came to an end, Gov. William Winter vetoed the measure after the lawmakers had gone home, calling it a legislative power grab of executive functions.

Winter's veto will come back up within the first three days of the 1984 session when it could be overridden if the Old Guard thinks it has the muscle to do it.

Should the Personnel Board bill be the harbinger of things to come, then the answer of the old hands in the Legislature to the Supreme Court could be the erection of a legislative veto over actions of executive boards.

Significantly, that is precisely the issue which the United States Supreme Court addressed recently with regard to the Congress and the presidency, holding that the Congress didn't have the power of legislative veto over executive decisions.

That may well be how the issue will be eventually settled in Mississippi. By the state's own high court.

Sea Horses On Tippah Farm?

By ED BLAKE  
Mississippi  
Farm Bureau  
Federation

Farmlands over Mississippi contain a lot of fascinating to strange things - and also some of the oldest when you take into account the many stratas of earth that contain fossil remains of life forms nearly as old as the earth itself.

What brought this subject up was a report from a northeast Mississippi farmer that he had seahorses on his farm. Now that was a new one. Teams of mules, quarter horses, shetland ponies and the like, yes. But seahorses, no! Not nearly 400 miles from the Mississippi Sound.

But Tippah county farmer James Mitchell wasn't just horsing around when he spoke of finding a few seahorses on his place many years ago when an 80 foot well was dug.

I started to ask him if the water turned up salty too, but didn't because James Mitchell hadn't cracked a smile yet. He was dead serious, although a lot of times he isn't.

So last week Mitchell escorted this writer through the autumn briskness and a colorful woodland on his place a few miles east of Ripley to show me what he was talking about. He carried a shovel, and I dared

not ask him what it had to do with his horses, sea or otherwise.

We checked out a few tree clad bluffs that dropped away northerly to bottomlands next to Owl Creek. In ravines where recent rains have bared fresh soil along the bluffline we gazed through a beautiful setting of colorful leaves and green ferns to see traces of shells protruding from the soil.

The shovel went into play,

working fossils out of the remnant of an ancient sea bottom now high and mostly dry several hundreds of feet above sea level.

One thoroughly fascinating aspect of fossil hunting is the fact that no one can predict where or when the earth will yield her best preserved fossil remains. Most fossils found here are mineralized hard parts of animals such as clams, insects or vertebrates, or just impressions of them left in soil turned to stone.

Some fossils, however, are in the form of an empty cavity where a creature once was, but whose physical remains long since have disappeared leaving only the surrounding mold.

I reckon that is what has happened to James Mitchell's seahorses - or else they still are cut off at the pass - about eighty feet down.

That Yankee From Yonder

My Community News Reports

By Ed Woodward

Managing Editor

No matter how hard I try to entertain or inform you it seems that the most popular feature in a weekly paper is still the community news columns. So, I guess, since I can't beat 'em, I might as well join 'em with my version of a community news column.

Following are some choice news items from my old neighborhood that Sara brought along with her last weekend. I hope you enjoy them.

Billy Bob "Red" Knek spent Saturday afternoon dipping and worming his favorite blue tick hound, Howard Cossell, while Mrs. Knek was giving birth to their fifth child in the kitchen of their TVA home. Mrs. Knek, the baby Jimmy Bob, and Howard are all doing fine, and we wish them the best.

Mr. and Mrs. "Pookie" Hawkins walked across their backyard to visit with Bubba and Sue Ellen Buford

Sunday afternoon.

The Burt Holcombs of the Frog's Flipper Community traveled to Possum Trot to attend the Speakin' Saturday night.

Miss Jennie Sue Burke accompanied Jimmy Bill Law home from Slippery Rock College last weekend. After dinner with Jimmy Bill's parents, Mamie Jane and Jimmy John Law, the couple spent the evening riding around Pea Ridge in Jimmy Bob's '59 Ford pickup.

The Ed and Sara Woodwards enjoyed a meal at Morrison's in Tupelo Friday night, then attended the Lyric Theatre where Ed reviewed The New Jersey Kitchen Knife Bludgeoning, a new "mad-slasher" movie. They then returned home where Ed sat up and watched Casablanca for the 415th time while Sara slept through it on the couch for the 413th time.

On Saturday The Woodwards traveled to Winfield,

Alabama's Mule Day, which Ed covered for The Hamilton Progress. They then returned home where Ed watched Dr. Strangelove, or How I Learned to Stop Worrying and Love the Bomb for the 513th time while Sara slept through it on the couch.

Joe Ron and Wanda Stump stayed home and did absolutely nothing for the entire weekend. They only reported this because they knew everyone would phone to ask if they were all right if they didn't appear in this column.

Elvis "Boot" Legger is spending the month in the county jail enjoying a reunion with two former county sheriffs, a former constable, a former police chief, and three former justice court judges, all former business associates according to "Boot", who says it's like old home week.

"Boot's" wife Wanda Sally asked me to spread the word that he will be back in business in a new location to be announced by Thanksgiving. She also announced that anyone wanting to buy a Rabbit Hutch cap or T-shirt should stop by and see her.

Well, that's what's been happening in my old neighborhood. I hope you all enjoyed reading about it. If you did, let me know, and I'll give you another report some other time on the most obscurely infamous little county in northeast Mississippi.

# Theme For 1983 Christmas Parade Is 'Christmas Is Loving, Caring & Sharing'

Booneville's 1983 Christmas parade has been scheduled for 6 p.m. on Tuesday, Dec. 6, with the theme, "Christmas Is Loving, Caring and Sharing," according to Mrs. W.M. Murphy, president of the Inter-Civic Council, sponsors for the event.

"Everyone's help is needed in making the Christmas parade a success," Mrs. Murphy said. She urged churches, schools, businesses, clubs, individuals and others in the area to sponsor a float or a Christmas Queen nominee. Mrs. Murphy said float entries should be registered with Ms. Barbara Prichard, chairman of the float committee. Ms. Prichard can be contacted at 728-4073.

Floats should be registered as soon as possible, but no later than Dec. 2, giving the name, address and phone number of the sponsoring

organization, including the person in charge of construction of the float, she said.

Civic clubs must have their nominee for Christmas Queen submitted to, and approved by Thurston Davis prior to the ICC at 5 p.m., Nov. 7, Mrs. Murphy said. No two clubs may have the same nominee. And nominations and an alternate, complete with a picture and resume of each girl, should be submitted to Davis at The Peoples Bank as soon as possible, she said.

Mrs. Murphy said that, for the first time, judges from out of town will choose the Christmas Queen. And she stressed that there would be only one Christmas Queen featured in the parade.

Anyone needing further information on any aspect of this year's Christmas parade can contact Mrs. Murphy at 728-3511.

Fatal Accident At Saltillo

## NEMJC Sets Country Music Concert

Northeast Junior College's new Country Music Curriculum, only the second of its kind on any college campus in the nation, has produced the Country and Western Pop Chorus that will be featured in a Nov. 10 concert in Seth Pounds Auditorium on the Northeast Campus.

Country Music instructor Shirley Taylor said the performance is being given to show the public the progress her young program has made.

"The group will be performing a variety of country tunes from old standards to contemporary country hits," Ms Taylor said.

The concert begins at 7 p.m. Admission is \$2 for adults and \$1 for students. Tickets may be purchased in advance from HMR club members or chorus members.

For more information, call Shirley Taylor at 728-7751, ext. 379.

## Saltillo Intersection Collision Fatal To 3 Prentiss Countians

Three Prentiss Countians were killed last Friday in an automobile accident south of Saltillo when the driver of their car reportedly ran a stop sign and crashed into an 18-wheeler truck.

Clovis Jackson, 69, of Route 2, Booneville, the driver of the car, and his wife, Vera Kelley Jackson, were dead at the scene. Vivian Olyer Guin, 63, of South Lake Street, Booneville, Mrs. Jackson's sister, died on the way to the North Mississippi Medical Center in Tupelo.

The accident occurred around 12:30 p.m. when Jackson ran the stop signs recently posted at the intersection of old Hwy. 45 just south of Saltillo and collided with an 18-wheeler truck driven by Frankie B. Leavy, 44, of Route 2, Sallis, according to Mississippi Highway Patrol Trooper Ray White.

Leavy was treated for minor injuries at the North Mississippi Medical Center. The Jacksons were in a 1968 Chevrolet. The 18-wheeler truck had the right-of-way at the intersection, White said.

It was necessary to use the

Jaws of Life equipment to free the victims from the car, he said.

Services for Mr. and Mrs. Jackson were held Friday, Oct. 28, at 2 p.m. at McMillan Funeral Home with Luther Gibson and Robert McCoy officiating. Burial was in Jumpertown Cemetery.

Mr. Jackson was a retired farmer. Mrs. Jackson was a retired employee of the Booneville hospital. They were Methodists.

They are survived by six sons, Edward Jackson, Gerald Jackson, Clovis Morris Jackson, Perry Jackson and Tony Jackson, all of Booneville, and Mike Jackson of Baldwin; three daughters, Margie Ringer and Sandra Stevenson, both of Booneville, and Catherine Stokes of California.

Mr. Jackson is also survived by four brothers, Bill Jackson and Alton Jackson, both of Memphis, Buster Jackson of Booneville and R.H. Jackson of Alabama; and two sisters, Mrs. Ray Gilley and Mrs. Florence Criddle, both of Booneville.

Mrs. Jackson is survived by four brothers, Vewel Kelley and Velus Kelley, both of Booneville.

Salts Funeral Home was in charge of arrangements.

They are survived by 10 grandchildren and two great-grandchildren.

McMillan Funeral Home was in charge of arrangements.

Services for Mrs. Guin were held Sunday, Oct. 30, at 3:30 p.m. at the East Booneville Baptist Church with The Rev. Wayne Foropoulos and Bro. Luther Gibson officiating. Burial was in the Booneville Cemetery.

Mrs. Guin was the widow of Jackie Talmadge Guin. She was a member of the East Booneville Baptist Church.

She is survived by a daughter, Mrs. Linda Johnson of Booneville; two sons, Gary Guin of Booneville and Steve Guin of Texas; one sister, Mrs. Vailier Brinkley of Booneville; four brothers, Vewel Kelley and Velus Kelley, both of Baldwin, and Virgil and Vurtas Kelley, both of Booneville.

Salts Funeral Home was in charge of arrangements.

### SENATE CONCURRENT RESOLUTION NO. 514

A CONCURRENT RESOLUTION PROPOSING AN AMENDMENT TO SECTION 148, MISSISSIPPI CONSTITUTION OF 1890, TO PROVIDE THAT JURISDICTION OF THE SUPREME COURT SHALL NOT EXTEND TO OTHER THAN APPELLATE JURISDICTION EXCEPT THAT THE LEGISLATURE MAY BY GENERAL LAW PROVIDE FOR THE SUPREME COURT TO HAVE ORIGINAL AND APPELLATE JURISDICTION IN CASES AND PROCEEDINGS APPEALED FROM AN ADMINISTRATIVE AGENCY CHARGED BY LAW WITH THE RESPONSIBILITY FOR APPROVAL OR DISAPPROVAL OF RATES SOUGHT TO BE CHARGED THE PUBLIC BY ANY PUBLIC UTILITY.

Amend Section 148, Mississippi Constitution of 1890, to read as follows:

SECTION 148. The Supreme Court shall have such jurisdiction as properly belongs to a court of appeals and shall exercise no jurisdiction on matters other than those specifically provided by this Constitution or by general law. The Legislature may by general law provide for the Supreme Court to have original and appellate jurisdiction as to any appeal directly from an administrative agency charged by law with the responsibility for approval or disapproval of rates sought to be charged the public by any public utility. The Supreme Court shall consider cases and proceedings for modification of public rates in an expeditious manner regardless of their position on the court docket.

### SENATE CONCURRENT RESOLUTION NO. 523

A CONCURRENT RESOLUTION PROPOSING AN AMENDMENT TO SECTION 211, MISSISSIPPI CONSTITUTION OF 1890, TO AUTHORIZE THE LEASE OF NOT MORE THAN THREE ACRES OF SIXTEENTH SECTION LANDS OR LIEU LANDS FOR A TERM NOT EXCEEDING 99 YEARS TO ANY CHURCH HAVING ITS PRINCIPAL PLACE OF WORSHIP SITUATED ON SUCH LANDS, WHICH HAS BEEN IN CONTINUOUS OPERATION AT THAT LOCATION FOR NOT LESS THAN 25 YEARS.

Amend Section 211, Mississippi Constitution of 1890, to read as follows:

Section 211. The Legislature shall enact such laws as may be necessary to ascertain the true condition of the title to the sixteenth

section lands in this state, or lands granted in lieu thereof, in the Choctaw Purchase, and shall provide that the sixteenth section lands reserved for the support of township schools, except as hereinafter provided, shall not be sold nor shall they be leased for a longer term than ten (10) years for lands situated outside municipalities and for lands situated within municipalities for a longer term than twenty-nine (29) years, for a gross sum, provided further, that existing leases of the sixteenth section lands situated in the municipalities of the state may, for a gross sum, be extended for a term of years not exceeding ninety-nine (99) years from the date of such extension, but the Legislature may provide for the lease of any of said lands for a term not exceeding twenty-five (25) years for a ground rental, payable annually, and in the case of such unexpired lands may lease them for such short terms as may be deemed proper in consideration of the improvement thereof, with right thereafter to lease for a term or to hold on payment of ground rent; provided however, that land granted in lieu of sixteenth section lands in this state and situated outside of the county holding or owning same may be sold and the proceeds from such sale may be invested in a manner to be prescribed by the Legislature; but provided further, however, that the Legislature, for industrial development thereon, may authorize the sale, in whole or in part for a gross sum or otherwise, of sixteenth section lands, or lands granted in lieu thereof situated within the county; and the Legislature shall either provide for the purchase of other lands within the county to be held for the benefit of the township schools in lieu of the lands sold or shall provide for the investment of the proceeds of such sale for the benefit of the township schools, or the Legislature may provide for both purchase of other lands to be so held and investment of proceeds for the benefit of the township schools; and the Legislature, for industrial development thereon, may authorize the granting of leases on sixteenth section lands, or lands granted in lieu thereof, in whole or in part, for a gross sum or otherwise, for terms not to exceed ninety-nine (99) years, and the Legislature shall provide for the investment of the proceeds of such leases for the benefit of the township schools. The Legislature may authorize the lease of not more than three (3) acres of sixteenth section lands or lands granted in lieu thereof for a term not exceeding ninety-nine (99) years for a ground rental, payable annually, to any church, having its principal place of worship situated on such lands, which has been in continuous operation at that location for not less than twenty-five (25) years at the time of the lease.

Mrs. Erma McKinney, Mrs. Polly Lauderdale and Mrs. Sarah Leathers of Booneville, together with Mrs. Elizabeth Johnsey, drove to Florence, Ala., Friday night to see the Bradshaw-Vestavia Hills football game. It was Homecoming game for Bradshaw and of exciting interest to our few people attending was to see their granddaughter and niece, Linda Leathers, crowned as Homecoming Queen.

Mrs. Katie Gann came home Tuesday from the Baptist Hospital in Memphis. Family and friends are very happy to have her at home.

The family of Mrs. Clarence Essary honored her Sunday on her 80th birthday with a family gathering and dinner in the

home of Mr. and Mrs. Danny Frazier of, Corinth. Those present to enjoy the day with Mrs. Essary were her husband; Mr. and Mrs. Vance Bragg; Mr. and Mrs. Jerry Hamblin, Robby and Ryan Hamlin; Ben Bragg, Chad Bragg; Mrs. Lee Ann Vanderford, Brandon Vanderford; Mr. and Mrs. Grady Kuykendall, Mike and Ronnie Kuykendall; Mr. and Mrs. Roy Brown, Karen and Sharon Brown; Roddy Vanderford; Mr. and Mrs. Frazier, Rhonda, Kendall and Greg Frazier; William Kirkman; Mr. and Mrs. J.B. Elliott, Mrs. Louise White, Mr. and Mrs. Keith Frazier and Viola Presley.

Mrs. Milton Bishop and Mrs. Jerry Moore were co-hostesses Sunday afternoon for a house-warming at the lovely new home of Mr. and Mrs. Perry Walden on Route 1.

The guests were given a

welcome by Mrs. Vernell Powell, Mrs. Sandra Williams and Miss Dana Moore who also took the visitors on a tour of the home and assisted in serving refreshments. The Waldens were given a veritable shower of beautiful gifts to add to their already attractive home.

Mr. and Mrs. Frank Eldridge are happy to have completed work on the remodeling and redecorating of their home. Here to spend the weekend with the Eldridge's and admire the finished work are Mr. and Mrs. Gary Eldridge and Todd Eldridge of Meridian.

Mrs. Knox Mills of Route 3, Rienzi has been away from her usual busy daily schedule this week due to illness. Best wishes go to her and also to Mrs. Myrtis Cox who continues to be ill.

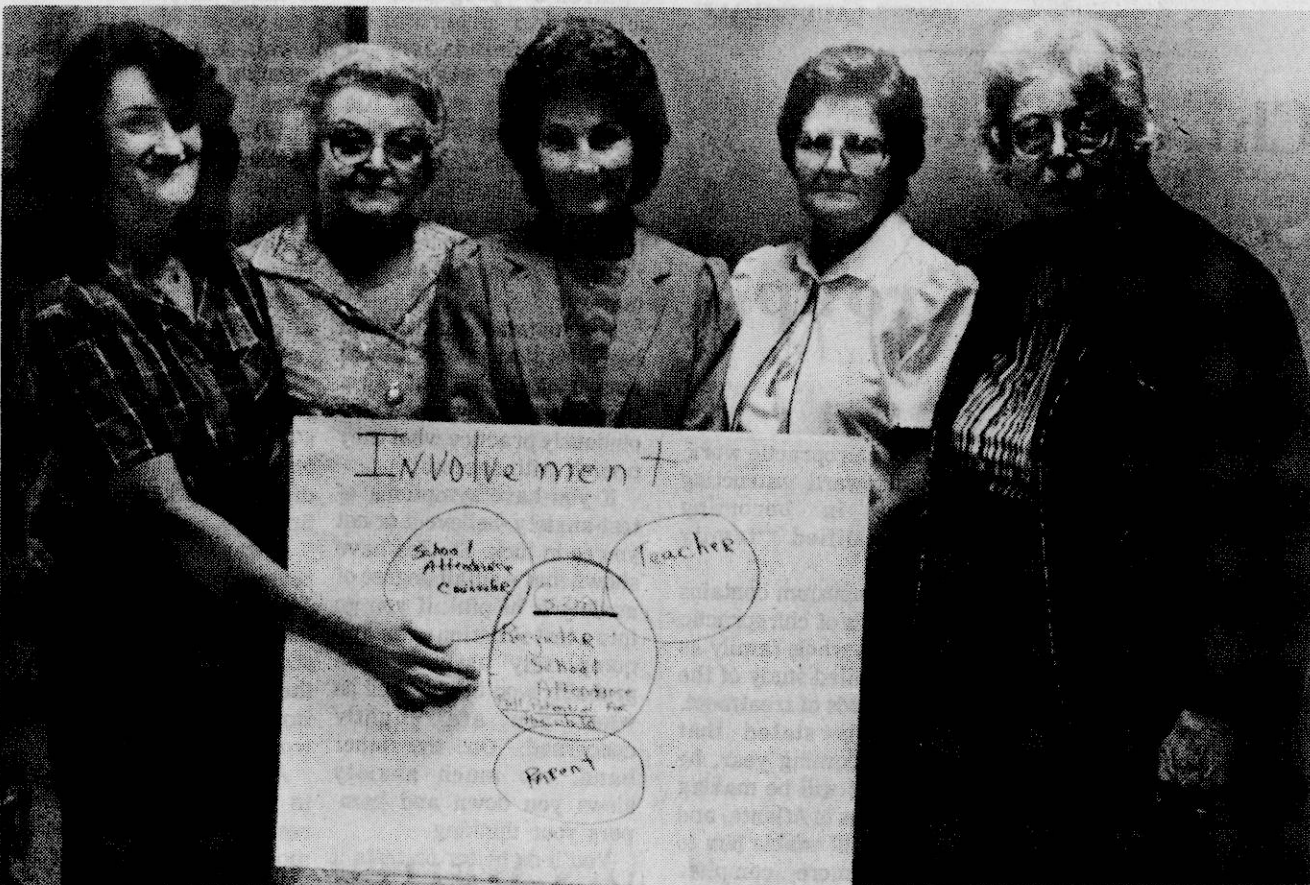

Mr. and Mrs. Billy Crow

entertained as guests recently family members from Rienzi, Corinth and Alabama.

Mrs. Truman Smith returned home Saturday from a three day visit in Florence, Ala., with Mr. and Mrs. Don Bowling.

If you are not already in the spirit of Halloween, just stop by the Rienzi Public Library and see the windows which have been decorated by Mrs. Mary McCord, librarian. The pumpkins, jack-o-lanterns, witches and ghosts will really give you an eerie feeling! Thank you, Mary, for your display.

Dr. Jim Davis, chiropractor, has again been selected to be a participating doctor in Practice Consultants, Inc.

Dr. and Mrs. Davis and staff traveled to Atlanta, Georgia this past weekend to attend the first study session.

This group regularly conducts three-day symposiums in Atlanta, GA involving an on-going educational and research program in advanced

phases of chiropractic work, oriented toward instructing members in becoming better qualified "family doctors."

Each symposium contains new methods of chiropractic care for the whole family as well as detailed study of the latest methods of treatment.

Dr. Davis stated that during the coming year, he and his staff will be making regular visits to Atlanta, and he feels it will enable him to render a more complete service to his patients.

## Library Notes

By LEE DAVIS  
Librarian  
George E. Allen Library

Are you a secret super brain? (And don't even know it?) So begins the first chapter of "The Mensa Genius Quiz Book"

In 1945 Roland Berrill and Dr. L.L. Ware, British barristers, got together a group known to have exceptionally high intelligence, and shortly Mensa was founded. Membership is open to anyone who achieves an IQ test score in the upper two percent of the general population. There are now about 70,000 members worldwide and 48,000 in American Mensa. They come from every trade and profession and engage in a wide variety of activities.

Among these are a gifted children's program, a scholarship program, a research foundation, a program that works with prison inmates of high IQs and a number of special interest groups.

The quiz book is mainly for pleasure. It does help you find out some interesting things about yourself, however.

The quotation that follows has little that is new to you on taking tests, but it is recommended by those who obviously practice what they preach with success!

If you have symptoms of test-anxiety, believe it or not you're in luck. Studies have shown that a small degree of anxiety is helpful. If you go into a test situation calm and completely assured, you probably won't do as well as when you are slightly concerned. On the other hand, too much anxiety slows you down and hampers your thinking.

You'll do better on tests if you try to find out in ad-

vance what sort of test you are to take. If it requires factual, multiple choice answers, the best technique is a review of facts. If, on the other hand, the test will include essay questions, you will need to marshal your facts, organize them into a coherent whole, and practice expressing your essays in good English, and in appropriate sequence.

Also, you should find out how the test is being scored. If it is a multiple choice test, and it is being scored on the basis of number of right answers only, you should most certainly try guessing. Everything is in favor for guessing in such instance, and your subconscious will frequently have a "hunch" about the right answer. On the other hand, if there is any penalty for wrong answers, your best bet is to do as many as you can of the ones you are absolutely sure about. In this instance, guessing can weaken your score.

Still another variable is whether or not the test is timed. If you are taking a timed test, the smartest thing you can do is to skip over any question that puzzles you. Do only those where you can see the answer immediately. Then, when you finish all of those, go back and do the ones where you have to think briefly, and last of all, do those that take up the most time.

Always remember to review your work. You will often find a careless error that you can correct instantly. You may also find that you have missed an important direction that would penalize you.

And last of all, remember to come to any test fresh, rested, and in a cheerful mood. That alone can add 10 percent to your score.

The Devil's Ballot

If Jesus Christ and the Devil were to physically walk into a voting booth November 8, 1983, how do you think they would vote on this issue? We of TUSCUMBIA BAPTIST CHURCH feel that Jesus would vote no. We ask everyone in Prentiss County to join us and vote against legalizing the sale of alcohol on November 8. "Lest Satan should get an advantage of us: For we are not ignorant of his devices." II Cor. 2:11.

Do not be a part of something that can lead to the destruction of our county, both spiritually and morally. "And shall come forth; they that have done good, unto the resurrection of life; and they that have done evil, unto the resurrection of damnation." John 5:29.

## Church of Christ

November 3, 1983

Dear Prentiss County citizens:

Our 80th anniversary and Homecoming was a huge success! This past Sunday, October 30, we had 551 for Bible classes and 603 for morning worship. (We sent over 400 guests through our noon hour serving lines in less than 20 minutes!) It was a great day in the history of our congregation.

On behalf of ALL THE 5 ELDERS, 16 DEACONS, AND 450 MEMBERS of the Booneville church of Christ---I ENCOURAGE YOU TO VOTE AGAINST coming out from under the dry laws in Prentiss County. The election is Tuesday, November 8, 1983, and YOU be sure to get out and vote.

From a spiritual standpoint, "Wine is a mocker, strong drink is raging; and whosoever is deceived thereby is not wise." (Proverbs 20:1)

As a citizen and a parent I know that documented evidence has always proven that legal availability of liquor always increases drinking...and increased drinking will produce more alcoholics, family problems, highway tragedy and more crime!

I plan to vote AGAINST legalizing the sale of alcoholic beverages in Prentiss County on November 8.

HOW ABOUT YOU?

Sincerely,  
  
Doug Greenway

Recently we have had requests for a homemade peanut butter recipe. With peanuts now being harvested, possibly you are fortunate enough to have a supply to use in your favorite recipes, as well as for just plain roasting.

Peanuts are most often thought of as nuts, but they aren't nuts at all. Peanuts belong to the pea and bean family, the legumes. Like nuts, they're popular in salads, sandwiches, cookies and desserts, raw or salted. Peanuts are also good in main dishes, soups, and in combination with other vegetables. In the Fall of the year, boiled or parched, peanuts are a real treat.

Indians were growing peanuts in Virginia before white settlers came to America and the U.S. Peanuts are raised throughout the South. The peanut is known under the names of "Goober", "goober pea", "ground pea" and "ground nut." To be precise, the peanut is a pea, rather than a nut, the term "nut" having been added because of its flavor and oil. The oil that can be pressed out of crushed peanuts is used as a cooking oil, for making margarine, peanut butter, and in other products where vegetable oil is required.

There are two general types: those known as "bunch nuts," and "vine" or "Trailing" nuts. Spanish and Valencia are bunch types, and others fall in the other category.

Not only do we enjoy peanuts, but peanut oil and peanut butter are two by-products that might be considered indispensable in many diets. Peanut oil has a high smoke point and is excellent for frying. It's good as an all purpose oil for salads, and any use requiring vegetable oil. Peanut butter is a friend to all for its nutritive value, taste appeal and versatility. Fortunately, prices are more reasonable now.

Peanut butter has earned a place for itself in American diets, and is available in many varieties. "Homogenized" peanut butter has oil added, while "chunky" has bits of chopped peanuts added to the finely ground peanut butter. Other varieties include "yeasted" (yeast added to enrich the food value) and "fortified" (vitamins added to restore those lost in roasting).

Of all forms of protein available to today's consumer, peanut butter is one of the least expensive sources. In addition to the protein content, peanut butter contains substantial amounts of vitamins and minerals.

Use peanut butter in a variety of foods to enhance flavor, add richness and

provide nutrition. Children adore its rich taste. It's children's number one sandwich choice. Whether spread with jelly or fresh bananas, children can usually eat peanut butter night and day and prefer it over meats and vegetables.

Peanut butter's versatility is almost unlimited. Use it in toppings, soups, candies, cookies, puddings and cakes, or serve it on toast.

High quality peanut butter, unopened, retains its sweet flavor for months if stored at room temperature. Once opened, however, to keep it soft and ready to use, store on a cupboard shelf rather than in the refrigerator. Refrigeration caused the peanut oil to separate. Should the contents become stiff and dry in the jar, simply add peanut oil and turn the jar upside down. In a short time, peanut butter should be like new again.

Best values in peanut butter often come with store labels or private label brands, rather than the nationally advertised brands. Sizes of containers may range from five ounces to five pounds. Just buy the size and texture your family likes.

## Homemade Peanut Butter

In the container of a blender, put 1 cup of freshly roasted or salted peanuts and 1 1/2 tablespoons of peanut oil. Blend the mixture until it is smooth. Gradually add, with the blender turned on, another 1-1/2 tablespoons of oil or enough to make the peanut butter the proper consistency. Add 1 teaspoon of salt if the peanuts are unsalted.

## Pecan Peanut Butter Balls

1 lb. butter or margarine  
2 lbs. peanut butter  
3 lbs. confectioners' sugar  
1 cup pecans, chopped  
2 lbs. semi-sweet chocolate  
Melt margarine and mix with peanut butter and sugar. Add pecans to dough-like mixture. Roll dough into balls about the size of large marbles. Set on waxed paper. Melt chocolate in double boiler. Using a small teaspoon, dip balls in chocolate, coating each one well. Set on waxed paper to cool.  
Makes about 200 pieces of candy.

## Peanut Chicken Salad Baked

2 cups cubed cooked chicken  
1 cup thinly sliced celery  
1 cup mayonnaise  
1 cup chopped roasted peanuts  
2 tablespoons lemon juice  
2 teaspoons minced onion  
1 teaspoon salt

1/2 cup grated cheese  
1/2 cup finely crushed potato

chips or breadcrumbs  
Mix gently all ingredients

except cheese and potato chips. Pile lightly into a 10 x

6 x 1 3/4 inch casserole dish. Sprinkle cheese and potato

chips on top. Bake 25 minutes in a preheated 375

degree F. oven. Serves 8.

Mr. and Mrs. Bobby Geno, Bradley and Maria of Tupelo were here this week visiting with Mr. and Mrs. R.G. Geno and Mr. and Mrs. Blanton Outlaw.

There was an error in last week's paper in the item about the Aubrey Murphy birthday dinner. Bobby and Shelia Reeves names were omitted. They are the parents of Bobby Dee and Jessica and they all attended the reunion.

Mr. and Mrs. Mike Rinehart of Natchez, Miss., were visitors last week of Captain and Mrs. Bob Dawson and little Rob in Jacksonville, N.C.

Friends of Allie Miller Isabel are happy to know that she has been put in a private room in the Tupelo Medical Center. Her room number is 297.

Mrs. Eloise Maddox visited with Mr. and Mrs. Ken Keeter in Corinth Sunday afternoon.

Glad to report that Ileene Nixon is at home from the Methodist Central hospital in Memphis and improving. Gloria Morelock accompanied her mother home for a short stay.

Mrs. Maxine Neal of Tusculumbia, Ala., spent the weekend with Mrs. Dovie McCutcheon and Ava Ruth. Mr. and Mrs. Houston Nabors visited with Rhonda Nabors in Oxford the weekend of Oct. 23.

Mrs. Catherine Goodman is in the Baptist Memorial Hospital here in room 208. We wish for her a speedy recovery.

Mr. and Mrs. Hershel Thomason recently visited her sister, Mrs. Lois Crowder in Huntington Beach, Calif. While there they called on their niece and her husband, Mr. and Mrs. Chuck Morus in Cypress, Calif. Mrs. Crowder returned to Booneville with them for a visit.

Mrs. Carren Griffin of Dyer, Tenn., and Gerald Griffin enjoyed a day with the Hershel Thomasons.

Miss Jennifer Robinson of NEMJC went to Memphis over the weekend for a visit with her parents, Mr. and Mrs. Bobby Robinson. Glen Spencer, also a student at NEMJC, went along for a visit with his parents. They returned Sunday.

Friends are glad to report that Paul Gibbs came through open heart surgery

in Tupelo Medical Center with flying colors and is recuperating at home. We wish for him a speedy recovery.

Mrs. Mary Elizabeth Streete and family of Memphis visited the Travis McCharens over the weekend. The Rev. Joe Pack Arnold attended meetings in Jackson last week.

The annual meeting of the Waldens was held Oct. 30 at the West Side Community Center. Attending were Mr. and Mrs. John B. Smith, Muscle Shoals, Ala.; Mr. and Mrs. J.W. Walden, Rienzi; Percy and Nora Lee Stricklen, Iuka; Nann Palmer, Nancy Lynn and Mary, Corinth; Paul Walden, Bradley, Aberdeen; Mr. and Mrs. Ramsey Walden and William Garner, Mamie (Walden) Grimes and Myra Terden of Tishomingo;

J.D. and Edith Walden, Dayna and Janet Walden, Columbus; Mr. and Mrs. Clint Sharpe, Merl Walden, Arthur and Pauline Stennett, Lottie Swinney Floyd, Mrs. Charlie Ed Roberts and Brad, Roy Walden, Randy Walden, Mr. and Mrs. E.M. Walden, Carmon and Christine Walden, Edwin

Brown, Odus and Pearl Brown, Mr. and Mrs. Clifford Walden;

Johnnie and Anna Brown, Maylene Brown, Mr. and Mrs. Wayne Walden and Jonathan, Bill and Odein Walden, and Loyd Walden, all of Booneville.

The Waldens look forward to this time when they all get together with plenty of food and a good time of fellowship.

Congratulations to Dr. and Mrs. Paul Ellzey. They are the proud grandparents of a grandson born Oct. 12 to Paula Peterson, their daughter who lives in Oklahoma. They named him Joel Robert.

Mr. and Mrs. Hershel Thomason visited last week in Dyer, Tenn., with their daughter and family, Mr. and Mrs. Neil Griffin. Mrs. Lois Crowder of Huntington Beach, Calif., Mrs. Thomason's sister, went along also.

The Northeast Junior College honored Mrs. R.O. (Iva) Stringer of Atlanta on Oct. 19 with a reception in the Magnolia Room of the Frank Haney Union Building. The late R.O. Stringer was the first president of the college.

Her daughters, Mrs.

Overton (Lavona) Currie of Atlanta and Mrs. Woodard (Eva) Milley of Tampa, Fla., came along with her. Mrs. Louise Peeler stood in the receiving line. Miss Earline Woods and others assisted with the serving. Harold T. White, president of the college, presented Mrs. Stringer with a picture of the Stringer Building and a beautiful birthday cake as it was her 80th birthday.

Those who came enjoyed seeing these friends again. Mrs. Stringer and Mrs. Milley attended prayer meeting at First Baptist Church on Wednesday night before returning home.

So many hearts are saddened over the tragic deaths of Mr. and Mrs. Clovis Jackson and her sister, Mrs. Vivian Guin. Sympathy and prayers are extended to their families and also to those who passed away last week - John Langston, Mrs. Arvellie Stricklen, Gary Parks, Mrs. Myrtle Smith Schoggen, Mrs. Ardis Mavis Allen (Mrs. Rose Cobb's mother), and Charles Williams.

Wayne Vandiver of Monroe, La., has accepted the call to become minister of education and youth at First Baptist Church. He

and his wife, Connie, will be moving to Booneville around the 17th of Nov.

Joe and Wanda Sellers, Camille and Stephanie of Grenada, Miss., recently visited in the home of Mr. and Mrs. Clyde Broadway and Louree Davis.

Mrs. Richard Thorpe of McComb was a guest last week of her mother, Mrs. Cullen Stennett.

Mrs. Lisa Worley and children, Michelle and Melissa of Batesville visited with Mrs. Catherine Richie last week and stayed until Monday of this week.

Mr. and Mrs. Bobby Roten, Manda and Joshua of Memphis were visitors Friday of her parents, Mr. and Mrs. Malone Cartwright.

Corey Cartwright of Corinth spent the weekend with Mr. and Mrs. Malone Cartwright.

Mrs. Myrtle Stevens recently visited her sister and her husband, Mr. and Mrs. Bob Montgomery in Jackson, Miss.

Mrs. Myrtle Stevens and Mrs. Syble Tollison have been visiting their sister and her husband, Mr. and Mrs. Holmes Dysart in Nashville for a week.

**After the pumpkin pie,  
what comes next?**  
**Christmas!**

Business people are often accused of rushing the Holiday season, but we must plead "not guilty." Actually, for some items, we must start promoting Christmas items as early as August. Items like knitting yarns and fabrics used to make gifts must be promoted well in advance. After all, if you're knitting sweater gifts for several friends and relatives, you must shop very early.

Personalized greeting cards and gift portraits must be done in advance, and when you think about the many people crowding into stores to do their last-minute gift buying, you'll realize that if everyone waited until a few days before Christmas, it would be utter chaos.

Thankfully, there are people who do shop early.

Local firms will have extra sales help to make your last-minute gifting easier, but those of you who can shop early will find better selections and, certainly, you'll find that relaxed shopping sure beats the last-minute rush. So after the pie and after the football games are over, think about the advantages of shopping early and especially the time, gasoline and energy you'll save when you shop locally.

**No need to roam... the best shopping's here at home!**

The volunteer concept is being emphasized by the Extension Service in forming advisory groups at the local level to help plan and carry out Extension educational programs.

## Congress Orders Welfare Dept. To Delay On Monthly Reporting By Food Stamp Recipients

The State Department of Public Welfare was recently notified that Congress decided to delay the mandatory implementation of food stamp monthly reporting for three months. In most Mississippi counties, the Federal requirement will be phased in over the next three months, rather than having all affected food stamp households begin this procedure in November as was originally planned.

The monthly reporting procedure is currently being tested in Clarke, Lincoln, Monroe, Montgomery, Pearl River and Yazoo counties. Food stamp households in these counties, that are already participating in monthly reporting, will continue to do so.

In all other counties the categories of food stamp households that have to monthly report have changed. Some households that were advised they would have to send in a report each month will not receive a monthly reporting form.

However, these households may be required to monthly report at a later date.

Those persons who report monthly as a requirement to receive Aid to Dependent Children benefits must continue to report.

Households that receive a monthly reporting form should complete it and return it to the office address given on the form. The form may be used in

determining eligibility and computing benefits for ADC or for food stamps.

Those food stamp households that are not subject to the monthly reporting requirement must continue reporting changes in their circumstances within 10 days of the time they learn of the change.

Monthly reporting requires certain food stamp households to make monthly reports on their income and circumstances to the county welfare department. The information is used to compute benefits and eligibility.

graduate of Booneville High School, is the recipient from Prentiss County. The son of Mrs. Dean Presley and the late Herschel Presley, he is a computer science major. Pictured with Jody are (from left) Ronnie Sweeney, scholarship director; Presley; Barbara Shackelford, alumni association representative; and President Harold T. White.

Beer, Wine Referendum Set

By ED WOODWARD  
Managing Editor

At their regular monthly meeting, Tuesday, Nov. 1, the Booneville Board of Aldermen set Tuesday, Dec. 13, as the date of the special election for the referendum on the sale of beer and wine in the city.

The date was suggested by Mayor Charles Crabb. Crabb said the Board of Elections had verified the petition as valid on Oct. 24. According to state law, the city must announce a date for the referendum within 30 days after the petition has been validated.

According to the election board's report, the

signatures of 555 of the city's 2,773 registered voters was required for the petition to be validated. There were 609 qualified signatures on the petition submitted to the board by local attorney Tommy Comer in September.

The board passed three resolutions required to facilitate the sale of \$809,600 in municipal bonds to finance the updating of the city's sewage disposal facilities, and voted to place participating wrecker services on call for the police department on a monthly basis, rather than the present per call rotation.

Police Chief Bobby Lambert explained to the board that the call list was usually forgotten whenever the dispatchers work load increased. He suggested that a monthly call list would work more efficiently.

Despite the policy of having wrecker services on call for the police department, board members agreed that anyone involved

in an accident had the right to request a specific wrecker service if they did not want the one on call.

In other action, the board voted to reappoint Leland Barnett to the Housing Authority, and discussed the possibility of initiating a study on the need for updating the city's zoning ordinance. It was decided the zoning board should withhold any decisions on rezoning requests until such a study was completed.

Several items, including a meeting with Jack Gordon in regard to a 15,000 square foot polyfoam factory Gordon plans to build in the industrial park, and discussion on the recently completed contract with Heritage Cablevision were tabled until the November recess meeting of the Board.

At the request of Chief Lambert the board then went into executive session to discuss personnel problems Lambert said he was having in the police department.

Bishop To Speak  
At Beckly Chapel

Bishop Marshall Gilmore, the 41st bishop elected in the Christian Methodist Episcopal Church, will be the guest speaker at Beckley Chapel Church Sunday, Nov. 6, at 11 a.m.

COMPARE  
TOUGH FORD  
TRUCKS WITH  
DODGE AND  
CHEVY

FORD GIVES YOU:

- **FREE AIR CONDITIONING**  
Buy a Ford Explorer package pickup equipped with power steering, special tu-tone paint, tilt wheel, speed control, AM/FM radio, tinted glass and more—and you get air conditioning at no extra charge. Over a \$700 savings! Savings based on the manufacturer's suggested retail price for the package, compared with traditional pricing for the options purchased separately.
- **'84 TRUCKS AT '83 PRICES**  
Right now, you can get a new '84 Ranger "S" at an '83 price. Ford Ranger has the widest cab and a bigger payload than any small pickup. Hurry, supplies are limited.
- **ROOMIER CABS**  
Ford's Super Cab is the roomiest 2-door. And Ford Ranger, with plenty of room for three, has the widest cab of any small truck.
- **MOST POWERFUL V-6**  
Only Ford offers such a power choice. Gas V-8's topped by a big 7.5L engine. 6.9L diesel with 26 more horsepower than Chevy. And Ranger V-6, the most powerful V-6 you can buy.
- **BEST-BUILT AMERICAN TRUCKS**  
Based on a survey of owner-reported problems during the first three months of ownership of 1983 trucks designed and built in the U.S., Ford quality was rated better than Dodge, better than Chevy.

## Northeast Announces Schedule For Cultural Arts Week

In what has become an annual event at Northeast Mississippi Junior College, Cultural Arts Week will again bring the finest talents from the various arts to the campus Nov. 7-11 for the enrichment and enjoyment of students and the public.

Presented in cooperation with the departments of art, English, modern languages, music and speech, Cultural Arts Week will begin Monday, Nov. 7, with a noon performance by the Maranatha Trio in the Mississippi Room of the Frank Haney Union. The Maranatha Trio is composed of two students currently attending Northeast and another member who is an alumnus of Northeast. The group is singing Gospel music.

At 6:30 p.m. that night, the speech department will present "Murder On Center

**George Shook**

Stage," a three-act murder mystery by Jerry Twedt. The dinner theater, to be performed in the Mississippi Room of the Union, will begin at 6:30. Tickets for the event are \$10 each and may be purchased in the business office.

Soprano soloist Cynthia Furr Linton will perform Tuesday, Nov. 8 at 11:20 a.m. in the Hines Hall

**Cynthia Linton**

Auditorium. Ms Linton is head of the vocal area, and assistant professor of music at the University of Mississippi. She was a district winner in the Metropolitan Opera Auditions, and a 1967 winner of the National Association of Teachers of Singing "Singer of the Year Award" for the southern region. In the summer of 1980, Ms

Linton toured Europe as a soloist with The Greater Memphis Choral.

Later that evening, at 7:30 p.m., artist Georg Shook will present a slide show, and conduct a lecture-discussion in Hines Hall Auditorium. Shook is a native of Mississippi whose works in water color have gained him national acclaim. Shook has been featured in numerous articles and books, and has won well over 100 major awards for his works.

Wednesday, Nov. 9, at noon the Backstage Band from Corinth will perform in the Mississippi Room.

All activities scheduled for Cultural Arts Week are free, except the dinner theater Monday night.

The public is welcome and encouraged to attend all performances. For more information contact W.T. Rutledge at 728-7751, ext. 228.

## Mail Order Shopping Regaining Popularity With U.S. Consumers

Mail order shopping, the mainstay of pioneer and rural families near the turn of the century, is regaining much of the popularity once lost to fancy shopping malls and ritzy boutiques.

The rising cost of transportation, a decline in the amount of time many families have in which to do their shopping have contributed to the recent upsurge in postal purveying.

Many people enjoy being able to look through catalogs in the evenings while they relax, rather than fighting through crowds at a store, according to Beverly Riggs, family economics and management specialist with the Mississippi Cooperative Extension Service.

But, Miss Riggs said there are some problems with mail order shopping that have caused some individuals inconvenience.

She offered several tips.

"Order merchandise well in advance. The Federal Trade Commission has established that orders placed from companies located in the United States to be delivered to addresses within the United States should be delivered within 30 days, unless the seller specifies otherwise," Miss Riggs said.

Companies must notify customers if a delay in the delivery of their order is anticipated. The customer then has the option of canceling the order, or agreeing to endure the delayed delivery.

If an order is canceled due to an anticipated delay in delivery, the company must make a full refund to the customer within seven working days. If the order had been paid for with a credit card, the company

has one billing cycle in which to remove the charges from the customer's account.

"Be sure to fill in the mail order form carefully, fully and accurately. Take note of any shipping or handling charges, and be sure to enclose the entire correct amount with your order. Send a check or a money order. Cash sent through the mails does not always reach its destination," Miss Riggs said.

"Keep a copy of the order form. In the event the wrong merchandise is delivered, you will be able to resolve the problem much more easily if you have kept a copy of the order," Miss Riggs said.

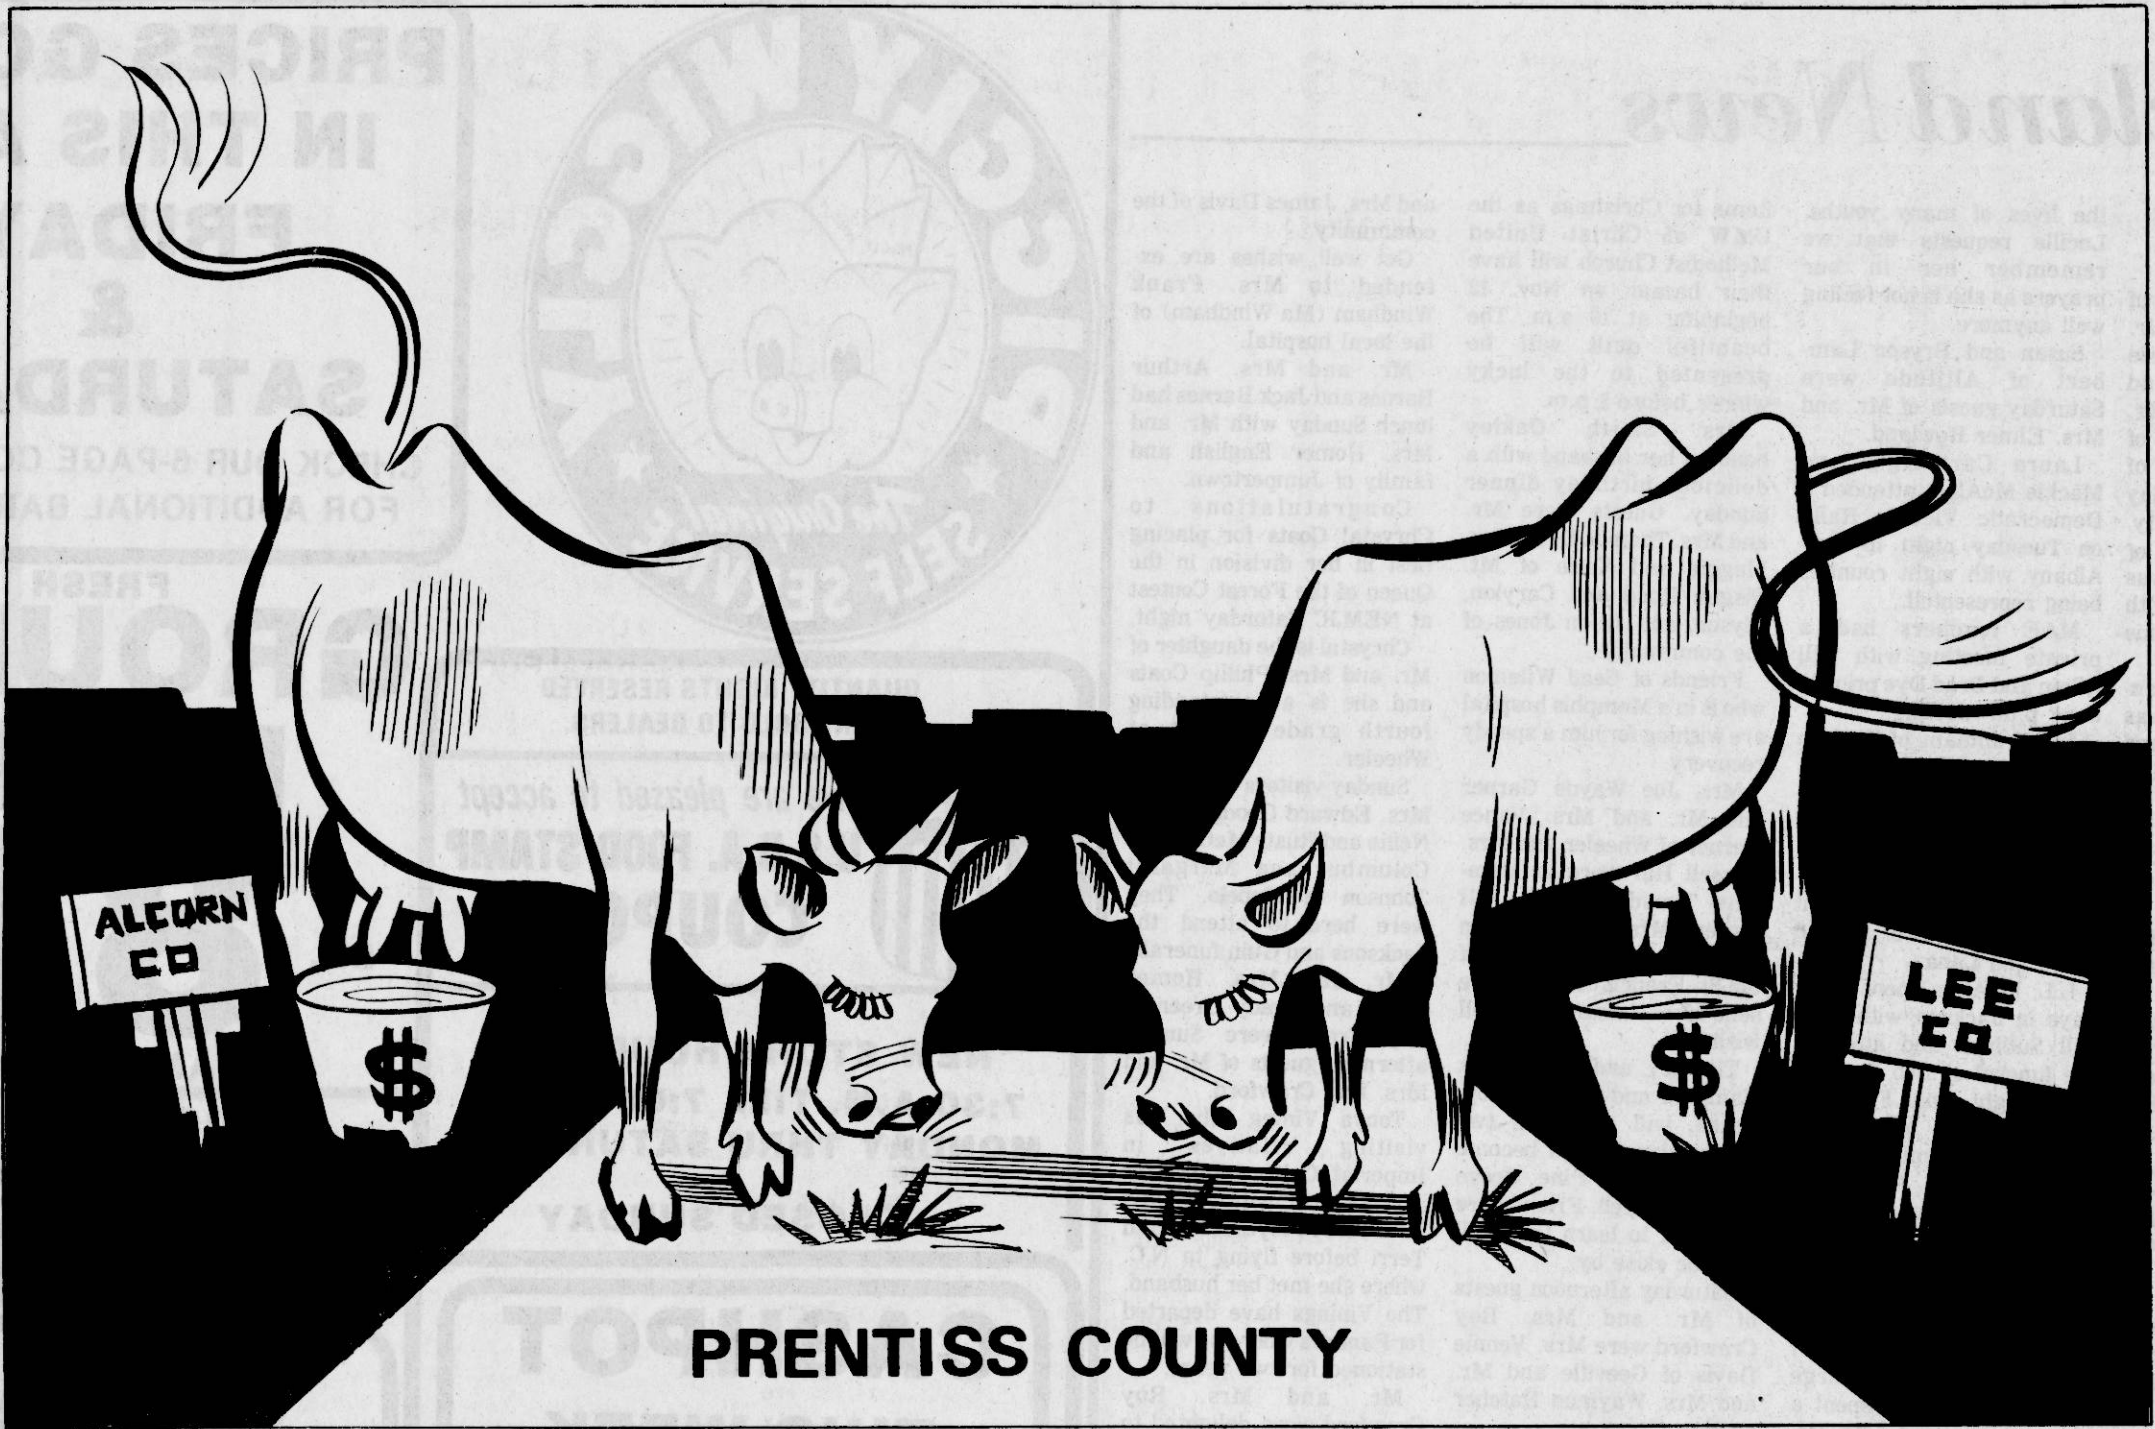

One of the most common problems with mail order shopping is non-delivery. Individuals who have not

received merchandise, or notification of expected delays within a reasonable amount of time, should contact the company from which the merchandise was ordered.

"Be sure to include the order number, a description of the items ordered, a copy of the cancelled check or money order, your name and address, and the date you ordered the merchandise," Miss Riggs said.

Individuals who feel they have been swindled, who never received any merchandise or response to letters of complaint, or received what they consider to be something other than what was represented in the catalog, should contact their postmaster. Federal laws prohibit using the mails to commit fraud or theft.

## Questions & Comments Regarding The Election

Does a person who signed a petition calling for an election mean that they are for the legalization of liquor? No. The petitions that were filed with the Board of Supervisors requested the board to call an election. It did not state anyone's preferences. A person will determine his choice on election day with his vote.

Is this an election for legalization of beer? No. This election is held pursuant to section 67-1-11 of the Mississippi Code of 1972. Beer and light wines are excepted and this is an election concerning only the legalization of alcoholic beverages.

Can there be any "joints" out in the county or in the cities? No. There are no provisions in the law that would allow such situations in this election.

Does any board, form of government, special interest group or organization determine the outcome of the election? No. Only the individual voter through his vote. The majority of votes for or against wins.

If legalized, will minors be able to purchase liquor? Only persons 21 years of age or older may purchase liquor.

Can a person who abuses the use of alcohol be barred from purchasing it? Yes, the laws provide that certain relatives or an employer may take steps to prohibit the sales of alcoholic beverages to such a person.

Are the hours and days of sale of alcoholic beverages regulated? Yes.

Are the display and advertising of alcoholic beverages regulated and controlled? Yes.

The legalization of alcoholic beverages so that it can be controlled is not a moral issue. The real moral issue in our county is looking the other way and permitting the illegal traffic of alcoholic beverages in our county.

For the sake of your family, vote for legalization so that it can be controlled, rather than permit the illegal uncontrollable traffic of alcoholic beverages in our county.

Use your common sense and good judgement. Look at all the counties that have voted wet. Are those counties bankrupt? Are those counties the sin centers of Mississippi? Don't be misled by statistics, just look for yourself.

Why are the United Dries spending so much money to stop legalized alcohol? Since Prentiss County is full of alcoholic beverages, why do they not spend this money to stop illegal sales of alcohol?

Lee County and Alcorn County have legalized sales of alcoholic beverages. Does that make our friends and relatives in these counties more sinful than us? If these counties are so sinful why do we go there to visit and to shop? Why does a county line make an outlaw out of a tax paying citizen?

If the cost of having legalized sales of alcoholic beverages is \$9 plus outgo and \$1 income, why is Prentiss County so low on the totem pole? If this were true we would be on top and Lee and Alcorn Counties would be bankrupt.

If Prentiss County had legalized sales of alcoholic beverages could our law officers not patrol our city and county for crimes and not have to spend their time on roadblocks set up on Highway 45?

If Prentiss County had legalized sales of alcoholic beverages could a person not entertain in one's own home without being raided by law officers?

The sale of legalized alcoholic beverages seems to be helping the industrial growth of our adjoining counties. How many of our people have to drive from their home in Prentiss County to employment in Lee and Alcorn Counties? There they have to make their money to spend in Prentiss County.

Forget statistics. Open your eyes and look around you. Lee and Alcorn Counties are prospering. What is Prentiss County doing?

Alcoholic beverages are often used for medicinal purposes. People doing this are lawfully as guilty of possession as someone who takes social drinks.

We live in a democracy. Does anyone have the right to tell us to or not to sign a petition? Does anyone have the right to tell us how to vote?

Vote. It is your privilege.

If you need transportation to the polls, call any of the following numbers: 728-7410; 728-8661; 728-2155; 728-7990; or 365-5365.

## The Law & Comments Regarding The Liquor Election On November 8, 1983

The election was called pursuant to the laws of our state: Section 67-1-11 of the Mississippi Code of 1972 provides as follows:

Local Option Election to Repeal Chapter Effective in County.

(1) Notwithstanding any provision of this chapter, the legalizing provisions of this chapter shall not be effective, applicable or operative in any county unless and until a local option election shall be called and held in such county in the manner and with the results hereinafter provided.

(2) Upon presentation and filing of a proper petition requesting same signed by at least twenty percent of fifteen hundred, whichever number is lesser, of the qualified electors of the county, it shall be the duty of the board of supervisors to call an election at which there shall be submitted to the qualified electors of the county the question of whether or not the sale, distribution and possession of alcoholic liquors shall be permitted in such county as provided in this chapter. Such election shall be held and conducted by the county election commissioners on a date fixed by the order of the board of supervisors, which date shall not be more than sixty days from the date of the filing of said petition. Notice thereof shall be given by publishing such notice once each week for at least three consecutive weeks in some newspaper published in said county or, if no newspaper be published therein, by such publication in a newspaper in an adjoining county and having a general circulation in the county involved. The election shall be held not earlier than fifteen days from the first publication of such notice.

(3) Said election shall be held and conducted as far as may be possible in the same manner as is provided by law for the holding of general elections. The ballots used thereat shall contain a brief statement of the proposition submitted and, on separate lines, in words "I vote FOR coming out from under the dry law in Prentiss County (" "I vote AGAINST coming out from under the dry law in Prentiss County (" with appropriate boxes in which the voters may express their choice. All qualified electors may vote by marking the ballot with a cross (x) or check (✓) mark opposite the words of their choice.

(4) The election commissioners shall canvass and determine the results of said election, and shall certify same to the board of supervisors which shall adopt and spread upon its minutes an order declaring such results. If, in such election, a majority of the qualified electors participating therein shall vote in favor of the proposition, this chapter shall become applicable and operative in such county and the manufacture, sale, distribution and possession of alcoholic beverages

therein shall be lawful to the extent and in the manner permitted hereby. If, on the other hand, a majority of the qualified electors participating in the election shall vote against the proposition, this chapter shall not become effective and operative in such county and all laws prohibiting and regulating the manufacture, sale, distribution and possession of intoxicating liquor shall remain in full force and effect and be administered and vigorously prosecuted therein. In either case, not further election shall be held in said county under the provisions of this chapter for a period of two years from the date of the prior election and then only upon the filing of a petition requesting same signed by at least twenty per cent or fifteen hundred, whichever number is the lesser, of the qualified electors of the county as is otherwise provided herein.

Over 1500 qualified electors petitioned the Board of Supervisors to call an election. The fact that a person signed the petition did not necessarily mean that they were for or against legalization. The petition simply requested an election so that the voters of Prentiss County could decide the issue by our American democratic process of the right to vote. As required by law the Board of Supervisors have called an election for the voters to decide the issue; not some special interest group or body of government or some organization but the people themselves by their own individual vote.

If the people vote against legalization this would be the law regarding alcoholic beverages in Prentiss County. Section 67-1-9 of the Mississippi Code of 1972 provides as follows:

Alcoholic Beverages Prohibited Except as Authorized in Chapter.

It shall be unlawful for any person to manufacture, distill, brew, sell, possess, import into this state, export from the state, transport, distribute, warehouse, store, solicit, take order for, bottle, rectify, blend, treat, mix or process any alcoholic beverage except as authorized in this chapter. However, nothing herein contained shall prevent any duly licensed practicing physician or dentist from possessing or using alcoholic liquor in the strict practice of his profession, or prevent any hospital or other institution caring for sick or diseased persons, from possessing and using alcoholic liquor for the treatment of bona fide patients of such hospital or other institution. Any drugstore employing a licensed pharmacist may possess and use alcoholic liquors in the combination of prescriptions of duly licensed physicians. The possession and dispensation of wine by an authorized representative of any church for the purpose of conducting any bona fide rite or religious ceremony conducted by such church

shall not be prohibited by this chapter.

If the people vote for legalization this is the law regarding alcoholic beverages in Prentiss County. Section 67-1-7 of the Mississippi Code of 1972 provides where it is lawful:

General Applicability of Chapter.

Subject to all the provisions and restrictions contained in this chapter, the manufacture, sale, distribution, possession and transportation of alcoholic beverages shall be lawful in those counties of this state in which, at a local option election called and held for that purpose under the provisions of this chapter, a majority of the qualified electors voting in such election shall vote in favor thereof. However, the manufacture, sale and distribution of such alcoholic beverages shall not be permissible or lawful in such counties except in (a) incorporated municipalities located within such counties, (b) qualified resort areas within such counties approved as such by the state tax commission, or (c) clubs within such counties, whether within a municipality or not.

Section 67-1-51 of the Mississippi Code of 1972 provides who shall have permits to deal with alcoholic beverages:

Permits; Distance Restrictions.

(1) Permits which may be issued by the commission shall be as follows:

(a) Manufacturer's permits. A manufacturer's permit shall permit the manufacture, importation in bulk, bottling and storage of alcoholic liquor and its distribution, and sale to manufacturers holding permits under this chapter in this state and to persons outside the state who are authorized by law to purchase the same, and to sell exclusively to the commission.

Manufacturer's permits shall be of the following classes:

Class 1. Distiller's and/or rectifier's permit, which shall authorize the holder thereof to operate a distillery for the production of distilled spirits by distillation and/or to operate a rectifying plant for the purifying, refining, mixing, blending, flavoring or reducing in proof of distilled spirits and alcohol.

Class 2. Wine manufacturer's permit, which shall authorize the holder thereof to manufacture, import in bulk, bottle and store wine or vinous liquor.

(b) Package retailer's permit. A package retailer's permit shall authorize the holder thereof to operate a store exclusively for the sale at retail in original sealed and unopened packages of alcoholic beverages not to be consumed on the premises where sold; alcoholic beverages shall not be sold by any retailer in any package or container containing less than one-half pint by liquid measure.

(c) On-premises retailer's

permit. An on-premises retailer's permit shall authorize the sale of alcoholic beverages for consumption on the licensed premises only. Such a permit shall issue only to qualified hotels, restaurants and clubs, and to common carriers with adequate facilities for serving passengers. In resort areas, whether inside or outside of a municipality, the commission may, in its discretion, issue on-premises retailer's permits to such establishments as it deems proper. An on-premises retailer's permit when issued to a common carrier shall authorize the sale and serving of alcoholic beverages aboard any licensed vehicle while moving through any county of the state; however, the sale of such alcoholic beverages shall not be permitted which such vehicle is stopped in a county that has not legalized such sales.

(d) Solicitor's permit. A solicitor's permit shall authorize the holder thereof to act as salesman for a manufacturer or wholesaler holding a proper permit, to solicit on behalf of his employer orders for alcoholic beverages and to otherwise promote his employer's products in a legitimate manner. Such a permit shall authorize the representation of and employment by one principal only; however, the permittee may also, in the discretion of the commission, be issued additional permits to represent other principals. No such permittee shall buy or sell alcoholic beverages for his own account, and no such beverage shall be brought into this state in pursuance of the exercise of such permit otherwise than through a permit issued to a wholesaler or manufacturer in the state.

(2) Retail permittees may hold more than one retail permit at the discretion of the commission.

(3) No authority shall be granted to any person to manufacture, sell or store for sale any intoxicating liquor as specified in this chapter within four hundred feet of any church, school, kindergarten or funeral home. However, within an area zoned commercial or business such minimum distance shall be not less than one hundred feet.

Section 67-1-5 of the Mississippi Code of 1972 defines alcoholic beverage as follows:

The words "alcoholic beverage" mean any alcoholic liquid capable of being consumed as a beverage by a human being, but shall not include wine containing not more than four percent of alcohol by weight and shall not include beer containing not more than four percent of alcohol by weight.

Section 67-1-5 of the Mississippi Code of 1972 defines municipality as follows:

The word "municipality" means any incorporated city or town of this state.

Section 67-1-5 of the

Mississippi Code of 1972 defines hotel as follows:

The word "hotel" means an establishment within a municipality, or within a qualified resort area approved as such by the commission, where in consideration of payment, food and lodging are habitually furnished to travelers, and wherein are located at least twenty adequately furnished and completely separate sleeping rooms with adequate facilities, that persons usually apply for and receive as overnight accommodations, and which establishment operates one or more regular dining rooms constantly frequented by customers each day. Hotels in towns or cities of more than twenty-five thousand population are similarly defined except that they must have fifty or more sleeping rooms.

Section 67-1-5 of the Mississippi Code of 1972 defines restaurant as follows:

The word "restaurant" means a place which is regularly and in a bona fide manner used and kept open for the serving of meals to guests for compensation, which has suitable seating facilities for guests, and which has suitable kitchen facilities connected therewith for cooking an assortment of foods and meals commonly ordered at various hours of the day; the service of such food as sandwiches and salads only shall not be deemed in compliance with this requirement. No place shall qualify as a restaurant under this chapter unless fifty per cent or more of the revenue derived from such place shall be from the preparation, cooking and serving of meals and not from the sale of beverages.

Section 67-1-5 of the Mississippi Code of 1972 defines club as follows:

The word "club" means an association or a corporation:

(1) organized or created under the laws of this state for a period of five years prior to July 1, 1966;

(2) organized not primarily for pecuniary profit, but for the promotion of some common object other than the sale or consumption of alcoholic beverages;

(3) maintained by its members through the payment of annual dues;

(4) owning, hiring or leasing a building or space in a building, of such extent and character as may be suitable and adequate for the reasonable and comfortable use and accommodation of its members and their guests;

(5) the affairs and management of which are conducted by a board of directors, board of governors, executive committee, or similar governing body chosen by the members at a regular meeting held at some periodic interval; and

(6) no member, officer, agent or employee of which is paid, or directly or indirectly receives, in the form of a salary or other

compensation any profit from the distribution or sale of alcoholic beverages to the club or to members or guests of the club beyond such salary or compensation as may be fixed and voted at a proper meeting by the board of directors or other governing body out of the general revenues of the club.

The commission may, in its discretion, waive the five-year provision of this subsection. In order to qualify under this subsection, a club must file with the commission, at the time of its application for a license under this chapter, two copies of a list of the names and residences of its members, and similarly file within ten days after the election of any additional member his name and address. Each club applying for a license shall also file with the commission at the time of the application a copy of its articles of association, charter of incorporation, bylaws, or other instruments governing the business and affairs thereof.

Section 67-1-5 of the Mississippi Code of 1972 defines resort as follows:

The term "qualified resort area" means any area or locality outside of the limits of incorporated municipalities in this state commonly known and accepted as a place which regularly and customarily attracts tourists, vacationists and other transients because of its historical, scenic or recreational facilities or attractions, or because of other attributes which regularly and customarily appeal to and attract tourists, vacationists and other transients in substantial numbers. However, no area or locality shall so qualify as a resort area until it has been duly and properly approved as such by the commission.

Section 67-1-81 of the Mississippi Code of 1972 provides against the sale of alcohol to minors as follows:

Sales to Minors Prohibited; Penalties.

Any permittee or other person who shall sell, furnish, dispose of, give, or cause to be sold, furnished, disposed of or given, any alcoholic beverage to any person under the age of twenty-one years shall be guilty of a misdemeanor and shall be punished by a fine of not less than five hundred dollars (\$500.00) nor more than one thousand dollars (\$1,000.00) for a first offense. For a second or subsequent offense, such permittee or other person shall be punished by a fine of not less than one thousand dollars (\$1,000.00) nor more than two thousand dollars (\$2,000.00), or by imprisonment for not more than one year, or by both such fine and imprisonment in the discretion of the court. Upon conviction of a second offense under the provisions of this section the permit of any permittee so convicted shall be automatically and permanently revoked.

Any person under the age of twenty-one years who

purchases, receives, or has in his or her possession in any public place, any alcoholic beverages, shall be guilty of a misdemeanor and shall be punished by a fine of not more than one hundred dollars (\$100.00). Any person under said age who knowingly makes a false statement to the effect that he or she is twenty-one years old or older to any person engaged in the sale of alcoholic beverages for the purpose of obtaining the same shall be guilty of a misdemeanor and shall be punished by a fine of not more than two (\$200.00), and on failure to pay such fine and all costs shall be imprisoned for not less than five nor more than thirty days in the county jail.

Section 67-1-83 of the Mississippi Code of 1972 states what sales are prohibited as follows:

Other prohibited sales; Penalty.

(1) It shall be unlawful for any permittee or other person to sell or furnish any alcoholic beverage to any person who is known to be insane or mentally defective, or to any person who is visibly intoxicated, or to any person who is known to be a habitual user of narcotics or other habit-forming drugs. It shall also be unlawful for the holder of any package retailer's permit to sell any alcoholic beverages except by delivery in person to the purchaser at the place of business of the permittee.

(2) It shall be unlawful for any permittee or other person to sell or furnish any alcoholic beverage to any person to whom the commission has, after investigation, decided to prohibit the sale of such beverages because of an appeal to the commission so to do by the husband, wife, father, mother, brother, sister, child or employer of such person. The interdiction in such cases shall last until removed by the commission, but no person shall be held to have violated this subsection unless he has been informed by the commission, by registered letter, that is is forbidden to sell to such individual or unless such fact is otherwise known to such permittee or other person.

(3) It shall be unlawful for any holder to a package retailer's permit engages solely in the business of package retail sales under this chapter to sell any alcoholic beverages before 10 a.m. and after 10 p.m. It shall also be unlawful for said holder to sell alcoholic beverages on Sunday and election days.

(4) Any person who shall violate any of the provisions of this section shall be guilty of a misdemeanor and, upon conviction, shall be punished by a fine of not more than five hundred dollars (\$500.00) or by imprisonment in the county jail for a term of not more than six months or by both such fine and imprisonment, in the discretion of the court. In

addition, the commission shall forthwith revoke the permit of any permittee who violates the provisions of this section.

Section 67-1-85 of the Mississippi Code of 1972 provides for the regulation of advertising and display of alcoholic beverages as follows:

Regulation of Advertising and Display of Alcoholic Beverages.

No holder of a package retailer's permit shall have any sign, lighted or otherwise, or printing upon the outside of the premises covered by his permit advertising, announcing or advising of the sale of alcoholic beverages in or on said premises. However, on the front of said premises there may be printed, in letters not more than eight inches high, the name of the business, the permit number thereof, which may be preceded by the words "A.B.C. Permit No.", and the words "Package Liquors Sold Here." In addition, no alcoholic beverages, price list or promotional matter shall be kept, stored or displayed in the windows or other openings of said premises. An open window space or spaces not exceeding sixty square feet in area in the aggregate, and an open space of not exceeding twenty square feet in a front door, may be left open to view. The commission shall have the power and authority to adopt and enforce reasonable rules and regulations to compel compliance with the provisions of this section.

It shall be unlawful to advertise alcoholic beverages by means of signs, billboards, or displays on or along any road, highway, street, or building.

This section shall not be construed so as to prohibit the commission from promulgating rules and regulations permitting the holder of an on-premises retailer's permit to include in signs located on the holder's premises and in advertisements of the holder's principal business, the word "lounge" or other similar words descriptive of the facilities available at such principal place of business, without referring specifically to alcoholic beverages.

These statutes of the Mississippi Code of 1972 were quoted to inform the voters of Prentiss County as what are the regulations and laws regarding alcoholic beverages and to illustrate that there are laws for control and that legalization of alcoholic beverages would not be a wide-open situation, uncontrolled and unabated.

Let's face it voters, alcoholic beverages are here in Prentiss County; they have been and will continue to be. Let's don't put our head in the sand, let's legalize it and control it as provided by law and take advantage of the economic benefits. Our neighboring counties of Lee and Alcorn have legalized it and look where they are and where we are!

## County Agent's Report

By  
CLIFFORD J. HAMPTON

On-farm storage facilities give the producer some advantages in marketing grain crops. However, when the crop is moved to market, top prices will be based on clean, dry, wholesome grain and any factor that lowers the quality of the grain will also lower the price. One of the factors is insects. Insects affect both the quantity and quality of stored grain. They can (1) cause heating, (2) lower germination of seeds, (3) destroy food value, (4) reduce grain weight, and (5) lower grade.

Stored-grain pests can be divided into groups by their feeding habits. These groups are: (1) internal feeders, (2) external feeders, and (3) scavengers.

### Internal Feeders

Insects of this group may be either beetles or moths. Examples of the beetles are granary weevils, maize weevils, or rice weevils. These weevils are small

chestnut-brown or black beetles with long slender snouts. Maize and rice weevils have four light reddish or yellow spots on the back. The females of these insects will eat a small hole in the grain kernel. An egg is laid in the hole and covered with a gelatinous fluid. The egg hatches and the larva completes its development within the kernel.

An example of a moth pest in this group is the Angoumois grain moth which is a small buff or yellowish brown colored moth. Eggs are laid on the surface of stored grain. After hatching, the larva will bore into the kernel and feed on the endosperm until development is complete.

### External Feeders

Insects in this group are beetles. The lesser grain borer is an example of these insects. This small beetle (1/8-inch long) is polished dark brown or black. The adults and larvae feed on the grain kernels and give them

a honeycombed appearance. This insect has been found in grain samples from the gulf coast.

### Scavengers

This is a rather large group of insects and contains both beetles and moths. The term scavenger is used because the insect generally feed on broken kernels, meal, flour, or debris from other grain pests. They seldom feed on sound kernels. The name scavenger does not lessen the damage that might be caused by these insects. Examples are the Indian meal moth and confused flour beetle.

The Indian meal moth is easily distinguished by its wing markings. The front wings are reddish brown with a copper luster on the outer two-thirds and whitish gray close to the body. Eggs are laid singly or in groups over the grain kernels. The larvae are dirty white with purplish or greenish hues. You may see a lot of silk webbing on the surface of

the grain if this insect is present.

The confused flour beetle is a shiny reddish-brown beetle with many small puncture marks on the front of the body. It is found in grain bins, mills, warehouses, or wherever grain or grain products are stored. Each female is capable of laying 450 eggs. They are covered with a sticky material that causes them to stick to the sides of sacks, boxes, and other containers. The larvae feed on dust, flour, and broken grain surfaces.

### Prevention And Control

To protect stored grains from insects, follow these guidelines:

- (1) Sanitation of Storage Bin
- (2) Bin Treatments
- (3) Use of Protective Sprays
- (4) Managing Grain for Proper Storage Temperature and Humidity
- (5) Monitoring Grain Periodically throughout Storage for Insect Activity

(6) Proper Fumigation of Grain if Insect Problems Develop

### Sanitation of Storage Bins

To protect grains from insects, especially scavengers, follow a good sanitation program. Scavenger can survive on fungi, dockage, broken kernels and flour that may remain in the bin from the last storage season. Clean the bins with brooms, or with wet-dry shop vacuum cleaners. Inside the storage bin, carefully clean the walls, floors, and, if possible, the area under louvered floors.

Also, be sure to clean grain handling equipment such as augers, grain buggies, and combines. Infested grain from these sources could be carried into the storage bin. Collect and remove the refuse from the storage area. To keep from contaminating newly harvested grain, do not store it on top of old grain.

Sanitation is basically a year-round effort. Periodic

picking up of spills and disposal of unwanted quantities of grain will eliminate sources of infestations.

### Bin Treatments Prior to Filling

After you completed the sanitation program, apply a residual insecticide to the bin walls. Spray all surfaces until just before runoff. Give particular attention to cracks and crevices where insects may hide. Spray area under the louvered floor at the time of cleaning. To give insects sufficient time to come in contact with treated surfaces, spray the bin two to three weeks before filling. Spraying may be done with a 3-gallon compressed-air sprayer, depending on the size of the storage area.

Potassium permanganate has long been used for various operations in fish culture. Perhaps the largest volume of permanganate used in fish culture is for prevention of fish kill due to oxygen depletion.

Since oxygen depletion

may cause the loss of an entire fish population, routine observations of all ponds before sunrise should be made during the summer months when the water is hot and oxygen will be lowest. This is because of the discontinuance of photosynthesis during the darkness hours.

Snails, tadpoles, or fish at or near the surface indicate low oxygen. Normally, whenever the permanganate

is added, the fish almost immediately return to deeper water. When treating for oxygen depletion, no phosphate fertilizers should be added and the fish should not be fed.

Frequently it is desirable for all fish in a stream, lake, or pond to be destroyed. In cases such as this, normally 0.05 ppm or rotenone is used. A waiting period of 5 to 7 days is normally necessary for the natural

detoxification of rotenone before restocking can be attempted. When more immediate restocking is desired or if the rotenone effects need to be stopped, permanganate can be applied to detoxify rotenone.

In field usage, concentrations of 2.0-2.5 ppm permanganate successfully neutralized the concentration of 0.05 ppm rotenone. The use of the permanganate apparently

had no harmful effects on the water treated. Probable owing to its fungicidal action, this chemical may have beneficial effects on any fish present or that are added immediately to such treated waters.

For more information on potassium permanganate, contact your local Soil Conservation Service at 107 College Street in Booneville or call 728-3544.

## 4-H News

By WANDA L. ROBINSON  
4-H Program Assistant

When many people think of 4-H, they think of farm kids. But more than three-fourths of the youth enrolled in 4-H nationally and state-wide do not live on farms. Of the more than four million youth who participated in 4-H nation-wide last year, 17 per cent lived on farms. In Mississippi 24 per cent lived on farms.

Although 4-H may have been aimed at farm youth when it began, it has expanded to include all youth—rural and urban.

In Prentiss County, 4-H'ers participate in public speaking contests, talent shows and judging contests. Through these contests and others, 4-H builds confidence in youth.

It isn't easy for all the 4-H'ers who participate in the public speaking contest to stand before an audience and be judged on how well they perform. Although only one can win the top prize, many others walk away knowing they can handle themselves in public.

Others learn their citizenship responsibilities by completing community

service projects, and attending Citizenship-Washington Focus in Washington, D.C. (This year, two 4-H'ers represented Prentiss County at the meeting.)

Personal growth is the purpose of these 4-H projects and activities, regardless of where a boy or girl lives. For more information on 4-H, call 728-5631.

### A Look At Leaders

We appreciate the volunteer leaders who work in the 4-H program. It's rewarding to see our leaders always striving to improve

their leadership ability in order to effectively serve the youth in Prentiss County.

The characteristics of an effective 4-H leader are:

- A sincere interest in boys and girls, and enjoys working with them;
- Liked and respected in the community by both adults and youth;
- Works democratically with youth and other adults;
- Willing to share responsibility with others;
- Plans and organizes work in advance;
- A good teacher;
- Has perseverance;
- A mature individual

aware of own strengths and weaknesses;

- Willing to attend training meetings;
- Enthusiastic about 4-H.

We have 4-H leaders with these characteristics in Prentiss County. All of our leaders are striving to be more efficient in these and other areas. We appreciate 4-H leaders who work year-round helping 4-H'ers with project work.

If you are interested in serving as a volunteer 4-H leader contact the county Extension Office at 728-5631.

### Biggest Bite For Self-Employed

## Social Security Tax To Increase January 1

The maximum amount of annual earnings subject to Social Security tax will increase from \$35,700 to \$37,800 on January 1, 1984, according to Hugh Tigrett, District Manager, Social Security Administration, Tupelo.

As a result of the increase in the annual earnings wage base, the maximum yearly Social Security tax paid by employees will rise by \$140.70. Although the Social Security amendments of 1983 raised the tax rate in 1984 from 6.7 percent to 7.0 percent, the law further provided a one-time tax credit of 0.3 percent to be allowed against 1984 employee taxes. Thus, according to Tigrett, the effective tax rate for employees will remain at 6.7 percent in 1984.

The maximum tax paid by employers on a worker's earnings will rise to 7.0 percent and will amount to an increase of \$254.10. This reflects the increase in both the earnings wage base and the tax rate increase.

The maximum Social Security tax paid by self-employed individuals will rise by \$933.45, reflecting both the increase in the wage base and the increase in the tax rate from the present 9.35 percent to 11.3 percent. Again, Tigrett stated the 1983 amendments raised the tax rate for self-employed to 14 percent, but included a tax credit in 1984 of 2.7 percent, which reduces the tax rate to 11.3 percent.

The new 1984 wage base was determined under automatic adjustment provisions of the Social Security law and is tied to the average increase in wages as determined on the basis of data provided by the Internal Revenue Service.

Other changes, according to Tigrett, which will also become effective January 1, include:

The maximum amount of earnings that a beneficiary under age 65 may earn without losing any Social Security benefits will increase from \$4920 to \$5160 in 1984.

The exempt amount for beneficiaries age 65 to 69 will increase from \$6600 to \$6960 in 1984. There are no earnings restrictions on beneficiaries age 70 or above.

## CB Club News

By LADY BLUE SURF  
Correspondent

Blue Surf, Termite, Telephone Man, and Brass Monkey were cutting wood Saturday morning. They were joined at noon by Birdhunter, Lady Birdhunter, and Lady Termite. Lots more of you club members need to help because they are behind about seven cords now.

Several members have still been on the sick list this week, but most are feeling better. I have had a real good case of laryngitis and

Blue Surf was glad to get a word in once in a while.

Happy birthday to Cotton on Nov. 4. Hope you have a nice day and enjoy many, many more.

Each club member who can help Nov. 4 and 5 is asked to contact Brass Monkey by Thursday if you can help with the roadblock from 3 p.m. to 5 p.m. on Friday and from 8 a.m. to 2 p.m. Saturday. Each person is asked to dress in club uniform. This is for the Regional Rehabilitation Center in Tupelo which helps everyone. All help is needed.

Saturday night, Nov. 5 at 7:30 p.m. is our regular social at West Side Community Center. Chili or beef stew is on the menu, but if you rather make sandwiches and a cake or pie do so. Just furnish your won bowls and crackers or corn bread, tea or cokes.

Trojan C.B. Club jam-boree is Nov. 3 and 6 at fairgrounds, Columbus, Miss. Some of club members are planning to attend.

Happy anniversary to Lame Duck and Grannie on Nov. 5. Hope you have a nice day and enjoy many more

wonderful years together.

A bake sale to raise money to paint our club trailer and for spina bifida will be held on Saturday Nov. 12 at 9 a.m. at Wal-Mart. Each unit is asked to donate cakes, pies, candy, popcorn balls, etc. for this event. Contact Butterbean Lady for other details.

Officers meeting will be held at the home of Double R on Thursday, Nov. 10 at 7:30 p.m. Everyone is urged to attend. Final Christmas plans are to be discussed.

Until next week, stay well, be happy, and attend the church of your choice.

## VOT Employer Of The Week

The Vocational Business Education Department at the Prentiss County Vocational Technical School this week spotlights Mrs. LaJuan Aust and Men's Quarters and their student-employee, Jessica Aust, a junior at Booneville High School, and a part of the Cooperative Vocational Office Training program.

Mrs. Aust and her husband, Hale, are entering their tenth year at the Men's Quarters, which is primarily a men's wear store where they carry a large line of sports and dress wear. Mrs. Aust is manager.

Mrs. Aust graduated from Booneville High School, Northeast Mississippi Junior College, and Mississippi University for

Women. She has a B.S. Degree in Elementary Education, and taught for many years in the Booneville Elementary School. She is a member of the Church of Christ, and her business is in the Prentiss County Development Association. Mr. Aust is Director of Vocational Education at Northeast Mississippi Junior College, and a member of the First United Methodist Church.

Jessica is a first year student in the Vocational Business Education Department. She is a member of the National Honor Society, Anchor Club, Math and Science Club, Band, Space Club, and the Prentiss County FBLA Chapter.

## Let's Try Another Way

A lot of people in our area drink. They drive to Lee or Alcorn county; there they spend their money for gasoline, for food, for clothes, for automobiles and furniture.

Why do they do this? Because they can also buy a bottle of wine, or a six pack of beer at the grocery store. There are also a number of people that drive to these towns to work because there are no jobs here.

The upcoming election does not determine whether we have alcohol in this county or not. We already have it. There is no way to prevent this, but it can be controlled if it is legal. We are not receiving the taxes that are due us. As a result of this, we have no money to improve our schools, our roads or even our bridges. We are losing our young people to other towns because there are no jobs here. Booneville and Prentiss County has the lowest pay scale in the area; it also has one of the largest crime rates. This cannot be ignored.

Let us not be so foolish as to deprive our county of the taxes that are rightfully ours, when we go to the polls.

Most people drink. Why not spend our money at home? We need it.

When we compare our schools, our roads, and our industry with our neighboring counties, we wonder what is wrong. Is it because we are afraid of change, afraid our neighbor or preacher will learn our secret, or because we have replaced religion with tradition?

Do we want to stand by and see our town die, or do we want to work together to get our fair share of taxes, industry, school funds, and better roads?

This could mean the difference between your son or daughter having to go to another town, or even another state to find employment. Look around you and see how many people are driving 20 or 30 miles to work every day. How many do you know that have had to leave this area entirely?

Last, but not least, how many do you know that are receiving unemployment benefits or food stamps, because they can't find work?

Before you cast your vote Tuesday, consider these things. Our county is supposed to be dry. Is it? We cannot blame legalized liquor for the condition of our town. Why not try another way?

**DON'T LET BABY GET BORED!**

When an infant is five to six weeks old, it's time to help her or him learn to follow a moving object with the eyes. Hang a brightly colored mobile toy for visual interest. Suspend it about five feet over the crib at eye level.

Awake, baby can be moved to other rooms in the house. This presents new things to look at as he or she learns to control eye movements. Even babies can get bored looking at the same surroundings hour after hour!

Such simple practices as feeding -- or even CHANGING -- your baby from alternate sides can give different SEEING experiences.

And, not long after six weeks, you can start playing "peek-a-boo" games by holding baby's hands over the eyes and then suddenly removing them.

Helping baby learn how to see can be fun for both parent and child.

County Forester

Now is the time to start thinking about transplanting trees if your landscaping plans call for it.

Many people find it fun and challenging to dig their own trees from local woodlands. Many of the natural trees and shrubs found in our woods are quite for landscape plants and are likely more maintenance free.

If you do plan to dig your own, remember to get the landowner's permission before even entering private property, much less digging up plants. Remember also that it is against the law to dig plants from highway rights-of-way.

We have a few weeks left in which deciduous trees will

retain their leaves before dropping them for winter. For ease in locating and identifying the tree or shrub you want, go out soon. Flag the plants you want now so that you can come back later in the winter and dig them.

You may want to bring a shovel to root prune the trees when you flag them. This helps ease the shock of transplanting by causing the root system to re-sprout new roots close to the trunk before it is actually transplanted. To do this you cut the lateral roots down to a depth of 12 inches around the tree.

A good rule of thumb is to leave six inches of radius for each inch of trunk diameter, i.e. a one inch tree would have a root ball of one foot diameter after root pruning. Do not dig the tree completely up, just sever the

lateral roots in place. It is a good idea to water the tree when this is done if the soil is dry.

Later, say in January or February, you can dig up the plants and relocate them in your yard. Dig just outside of the original root pruning cut. Dig down around the tree to a depth of six to 12 inches and then cut under the ball to sever the "tap root." Lift the tree carefully from the hole making sure to support the root ball from the bottom.

If the root ball breaks, the tree may die. Place the ball on burlap or other suitably strong material, wrap it up and tie it tightly to hold the ball securely. Relocate as soon as possible. For best survival chances, do it all in one day.

If the tree is to be held in the balled stage for any

length of time, make sure the root ball does not freeze or dry out and don't leave it in direct sun.

Many root balls are desiccated by transportation in open trucks. Be sure to cover the root ball with plastic or tarpaulins when transporting.

## Leaving No Will Makes More Difficult Time For Survivors

If you don't always agree with the decisions the government makes about how your money will be used, you have an opportunity to exercise more control.

Make out a will. National statistics show that fewer than one out of eight people prepare a will. And after their death their estates are distributed by the courts, regardless of what relatives may agree were the deceased's preferences.

"It's odd how people can get heated up over \$60 million for this project or \$200 million for that program when each year the courts determine the distribution of more than \$5 billion worth of people's estates," said Dr. Robert J. Martin, economist with the Mississippi Cooperative Extension Service.

"When the government is spending your tax money it's

only that, money. But when an individual dies without a will the courts determine what will happen to the family home, the cars and the furniture. Often the courts can even require that heirlooms be sold, and the cash divided among the surviving relatives," Martain said.

Even if court-ordered distribution turns out to be close to what the deceased had intended, legal delays involved often impose a great hardship on survivors.

Mississippi law provides that the estate of an individual who dies without a will be divided equally among the spouse and children of the deceased. When the court handles this division of an estate it must first be certain just what the estate includes. This involves title and deed searches and the entertainment of claims

against the estate by creditors.

Individuals who leave their estate to be divided by the courts may be making an already difficult time even more difficult for their survivors. It may take months, or even years for an extensive estate for final distribution of the estate to be made.

During that time all the assets of the estate are under control of the court. Surviving spouses and children may be prevented from making purchases and sales necessary to keep a family farm or business running.

"Many people will work for 40 years to provide for their families, but they won't spend a single day to see to it that everything they have worked for goes to the people they want it to," Martin said.

# PRENTISS COUNTY VOTERS THE LIQUOR ELECTION IS A MORAL ISSUE

No qualified voter can wash his hands of this matter. Human personality is too sacred. Life and health are too precious. The results of drinking are so tragic for millions of people. Only the selfish, unconcerned, and misled claim that no moral issue is involved in the legal sale of liquor.

REMEMBER what alcoholic beverages have done! They have produced physical and mental sickness, poverty, broken homes, disappointment, unhappiness, financial losses, highway deaths, criminals, and have completely destroyed many lives.

PROVE to everyone that those who drink or want to sell liquor do not control Prentiss County. Show by your vote that you will not help weave them a garment of respectability which they do not deserve. Prove that you know the facts and that you will not be misled.

REFUSE to put your approval on a business whose purpose it is to systematically educate children and young people for a life of drinking alcoholic beverages, and the liquor industry does just that.

INSIST that lawless and criminal elements be barred from activity in your community. The facts prove that legalization of liquor results in more drinking and more vice. Refuse to have a part in the decreased decency and morality that will follow if Prentiss County approves legal sales.

There will be no name on your ballot in this election.

NOTICE

The Board of Supervisors of Prentiss County, Mississippi, took up for consideration the matter of issuing General Obligation Bonds for Supervisor's District Numbers One, Two and Five of Prentiss County, Mississippi, to raise money for the purpose of constructing, reconstructing, and repairing roads, highways, and bridges and acquiring the necessary land, including land for road building materials, and rights-of-way, therefore, within Supervisor's District Numbers One, Two and Five of Prentiss County, Mississippi. After a discussion of the subject, Supervisor J. Moore offered and moved the adoption of the following resolution:

**RESOLUTION DECLARING THE INTENTION OF THE BOARD OF SUPERVISORS OF PRENTISS COUNTY, MISSISSIPPI, TO ISSUE GENERAL OBLIGATION BONDS OF SUPERVISOR'S DISTRICT NUMBER ONE, TWO AND FIVE IN THE MAXIMUM PRINCIPAL AMOUNT OF TWO HUNDRED AND FIFTY THOUSAND DOLLARS (\$250,000) TO RAISE MONEY FOR THE PURPOSE OF CONSTRUCTING, RECONSTRUCTING, AND REPAIRING ROADS, HIGHWAYS, AND BRIDGES AND ACQUIRING THE NECESSARY LAND, INCLUDING LAND FOR ROAD BUILDING MATERIALS, AND RIGHTS-OF-WAY THEREFORE, WITHIN SUPERVISOR'S DISTRICT NUMBERS ONE, TWO AND FIVE OF PRENTISS COUNTY, MISSISSIPPI, AND DIRECTING PUBLICATION OF NOTICE OF SUCH INTENTION.**

WHEREAS, the Board of Supervisors of Prentiss County, in the State of Mississippi (hereinafter referred to as the "Board"), acting for and on behalf of Supervisor's District Numbers One, Two and Five of said county (hereinafter referred to as the "Districts"), does hereby find, determine, adjudicate, and declare as follows:

1. That it is necessary and in the public interest to issue General Obligation Bonds of Supervisors District Numbers One, Two and Five (the "Bonds") in the following amounts for the common purpose as set out below: District One in the principal amount of One Hundred Thousand Dollars (\$100,000); District Five in the principal amount of One Hundred Thousand Dollars (\$100,000); and District Two in the principal amount of Fifty Thousand Dollars (\$50,000); to raise money for the purpose of constructing, reconstructing and repairing roads, highways, and bridges, and acquiring the necessary land, including land for road building materials, and rights-of-way therefore, within Supervisor's District Numbers One, Two and Five of Prentiss County, Mississippi.

2. That the assessed value of all taxable property within District One according to the last completed assessment for taxation is Six Million Seven Hundred Ninety-three Thousand Four Hundred Sixty Dollars (\$6,793,340.00); that the assessed value of all taxable property within District Two according to the last completed assessment for taxation is Five Million Four Hundred Ninety-four Thousand Two Hundred Forty Dollars (\$5,494,240.00); that the assessed value of all taxable property within District Five according to the last completed assessment for taxation is Four Million Thirty-eight Thousand Seven Hundred Thirteen Dollars (\$4,338,713.00); that District One has outstanding bonded indebtedness subject to the ten percent debt limit prescribed by Section 19-9-5 of the Mississippi Code of 1972, in the amount of Two Hundred Fourteen Thousand Nine Hundred Ninety-eight Dollars (\$214,998.00); and outstanding bonded indebtedness and floating indebtedness subject to the fifteen percent (15 percent) debt limit prescribed by Section 19-9-5, Mississippi Code of 1972 (which amount includes the sum set forth above subject to the 10 percent debt limit), in the amount of Two Hundred Fourteen Thousand Nine Hundred Ninety-eight Dollars (\$214,998.00); that District Two has outstanding bonded indebtedness subject to the ten percent debt limit prescribed by Section 19-9-5 of the Mississippi Code of 1972, in the amount of One Hundred Forty-four Thousand Two Hundred Thirty-nine Dollars (\$144,239.00) and outstanding bonded indebtedness and floating indebtedness subject to the fifteen percent (15 percent) debt limit prescribed by Section 19-9-5, Mississippi Code of 1972 (which amount includes the sum set forth above subject to the 10 percent debt limit), in the amount of One Hundred Forty-four Thousand Two Hundred Thirty-nine Dollars (\$144,239.00); that District Five has outstanding bonded indebtedness subject to the ten percent debt limit prescribed by Section 19-9-5 of the Mississippi Code of 1972, in the amount of One Hundred Seventeen Thousand Seven Hundred Seventy Dollars (\$17,770.00) and outstanding bonded indebtedness and floating indebtedness subject to the fifteen percent (15 percent) debt limit prescribed by Section 19-9-5, Mississippi Code of 1972 (which amount includes the sum set forth above subject to the 10 percent debt limit), in the amount of One Hundred Seventeen Thousand Seven Hundred Seventy Dollars (\$17,770.00); that the issuance of the Bonds hereinafter proposed to be issued, when added to the outstanding bonded indebtedness of each respective District will not result in bonded indebtedness, exclusive of indebtedness not subject to the aforesaid ten percent (10 percent) debt limit, of more than ten percent (10 percent) of the assessed value of taxable property within the respective Districts and will not exceed any constitutional or statutory limitation upon indebtedness which may be incurred by the respective Districts.

3. That the respective Districts are authorized by Sections 19-1 through 19-4-31, Mississippi Code of 1972, to issue the Bonds hereinafter proposed to be issued for the purpose hereinafter set forth, for which purpose there are no other available funds on hand.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF PRENTISS COUNTY, MISSISSIPPI, AS FOLLOWS:

SECTION 1. That the Board of Supervisors of Prentiss County, Mississippi, acting for and on behalf of District Numbers One, Two and

Five, does hereby declare its intention to issue the Bonds of (1) Supervisor's District Number One in the principal amount of One Hundred Thousand Dollars (\$100,000); (2) Supervisor's District Number Two in the principal amount of One Hundred Thousand Dollars (\$100,000); and (3) Supervisor's District Number Five in the principal amount of Fifty Thousand Dollars (\$50,000), for the purpose of constructing, reconstructing and repairing roads, highways and bridges and acquiring the necessary land, including land for road building materials, and rights-of-way therefore, within Supervisor's District Numbers One, Two and Five of Prentiss County, Mississippi.

SECTION 2. That said Board of Supervisors proposes to direct the issuance of all or any portion of the Bonds in the amount and for the purpose aforesaid at a meeting of the Board to be held at its regular meeting place in the County Courthouse in the City of Booneville, Mississippi, at 10 a.m. on the 28th day of November, 1983, or at some meeting held subsequent thereto. If twenty percent (20 percent) or fifteen hundred (1500), whichever is less, of the qualified electors in any of the respective Districts shall file a written protest with the Clerk of the Board against the issuance of the Bonds on or before the aforesaid date and hour, then the Bonds shall not be issued for that particular District or Districts in which a written protest was presented unless authorized at an election on the question of the issuance of the Bonds in the District or Districts so effected by the written protest, such election shall be called and held as provided by law. If no protest be filed in one or more Districts, then the Bonds may be issued for that District or Districts without an election on the question of the issuance thereof at any time within a period of two (2) years after the date above specified.

SECTION 3. That this resolution shall be published once a week for at least three (3) consecutive weeks in the Banner-Independent, a newspaper published in the City of Booneville, Prentiss County, Mississippi, having a general circulation in the Districts, and qualified under the provisions of Section 13-3-31, Mississippi Code of 1972. The first publication of this resolution shall be made not less than twenty-one (21) days prior to the date fixed herein for the issuance of the Bonds, and the last publication shall be made not more than seven (7) days prior to such date, said Resolution being published on November 3, 10, 17 and 24, 1983.

SECTION 4. That the Clerk of the Board shall be and is hereby directed to procure from the publisher of the aforesaid newspaper the customary proof of said publication of this resolution and have the same before the Board on the date and hour specified in Section 2 hereof.

Supervisor L. Barron seconded the motion and the President of the Board declared the motion carried and the resolution adopted, on this 31st day of October, 1983.

# First Annual Northeast Marching Band Contest To Be Held In Keenum Stadium Saturday

Approximately 1,800 band students from high schools in Mississippi, Alabama and Tennessee are expected to participate in NEMJC's First Annual Northeast Mississippi Marching Band Contest Saturday, Nov. 5, at Keenum Stadium, according to Northeast Band Director Ricky Bishop.

The contest will be the only one of its kind in that it will combine exhibition, festival and contest categories, Bishop said. Participating bands will be able to perform in any of the categories, which will allow the directors to select the

category that will "best suit the needs of each band," he said.

In the exhibition category, bands will receive adjudication sheets, audio tapes and a plaque for participation. Bands marching in the festival category will receive rating, trophies for first division ratings, adjudication sheets, audio tapes and a plaque for participation.

Bands marching in the contest category will receive all the items given in the festival category and a trophy for the high scoring band in each of the six

highest classifications.

Trophies for overall high scoring guard, majorettes, percussion and drum major will be awarded along with the Northeast Mississippi Sweepstakes trophy, which will be given to the band with the overall high score.

All of the schools participating will be broken down into seven individual classifications. Junior high and high school bands organized since the fall of 1982 will be Class D, bands with 1-20 wind players will be in Class C and bands with 21-35 wind players will fall under the CC classification.

Class B will include bands with 36-50 wind players, Class BB is to include bands with 51-75 wind players, Class A bands will have 76-100 wind players and bands with 101 or more wind players will be classified AA.

Though this is NEMJC's first annual contest, Bishop feels that things such as the new 6,000-seat stadium, spacious parking facilities, the good number of eating establishments and top quality judging will help insure good attendance.

Bishop said he also views the new contest system

employed in this event as perhaps its biggest drawing card.

"We decided to go with this system to suit the needs of the bands in our general locale," he said. "The bands have different needs at this time of the year, therefore, we are offering exhibition, festival and contest categories. I think it will be a real learning experience for all those who participate."

Bands already scheduled to participate include Aberdeen, Alcorn Central, Baldwin, Belmont, Biggersville, Booneville, Corinth, Fulton, Germantown, Tenn., Haleyville, Ala., Horn Lake, Iuka, Kossuth, Mooreville, New Albany, Olive Branch, Pontotoc, Red Bay, Ala., Ripley, Rogersville, Ala., Savannah, Tenn., Southaven, Tenn., Tishomingo and others.

An 11:30 luncheon for the judges and staff is scheduled. The contest will begin at 1 p.m. with bands performing every 15 minutes. The Northeast Mississippi Junior College Marching Band will perform an exhibition at the end of the day.

Admission is \$2 per person and parking is free.

## To The Voters Of Prentiss County

If you knew that your child would be run over and killed by a man under the influence of alcohol bought at a new legal tavern in Prentiss County, could you vote to bring that tavern into existence? Prentiss County would get about 3 cents from the quantity of alcohol it would take to make a man do all sorts of evil deeds. Could you betray your own child for 3 cents or your neighbor's child? Could you betray them for any amount of money? After Judas betrayed Jesus for 30 pieces of silver, he decided the money wasn't worth it and threw it down. But it was too late. There are four stages to consider as the cause of all alcohol related murders, rapes and accidents, etc., due to legalized alcohol.

1. Those who vote wet would give the taverns authority to open.
2. The dealers would have authority to sell.
3. The drinkers would have authority to buy.
4. Here comes the sad part. Do these under the influence of alcohol have authority to murder, rape, abuse their families, and to kill untold numbers on the highway? No, they do not, as it evolves into something uncontrollable, and evil.

If legalization of alcohol came to pass, all voters who voted wet would be directly involved in every death and in every heartache as each evil deed occurred. Prentiss County, like Judas, would want to throw down its betrayal money, but it would be too late. Let's all vote, and vote against legalization of alcohol and have a clear conscience.

## 100 Boys Participate In Cub Scout Olympics

Some 101 boys representing nine Cub packs from Prentiss and Itawamba counties participated in a Cub Scout Olympics Saturday at Marietta Springs Park, according to local Scout executive Jim Russnogle.

Divided into three age categories, the boys participated in five events: softball throw, push-ups, sit-ups, standing long jump, and 50-yard dash.

Cory Agnew of Pack 33, Baldwin, was the overall winner in the 8-year-old age group, while Greg Cates, Pack 15, Mantachie, and Michael Haynes, Pack 33, Baldwin, took the same honors in the 9 and 10-year-old groups.

The boys were scored by receiving points in each category: one point for each inch in the standing long jump; one point for each foot

in the softball throw; two points for each push-up and another two points for each sit-up; plus 100 points for first, 90 points for 2nd, 80 points for 3rd, 70 points for 4th, 60 points for 5th, and 50 points for all others in the 50-yard dash.

First, second and third place winners respectively in each event are as follows:

**Softball throw:**  
8-year-olds: Jason Kelgore, Mathew Tucker, Brad Brown. 9-year-olds: Adam Wilcoxson, Jarmon Koltheim, David Kirk. 10-year-olds: Calvin Agnew, Thomas Kehow, Randy Mansell.

**Push-ups:**  
8-year-olds: Benje Ewing, Ronnie Abbott, Brian Wallace. 9-year-olds: Joel Tollison, Brock Agnew, Michael Wallis. 10-year-olds: Jim Cole, Jonathan Loberg, Richey Dillinger.

**Sit-ups:**  
8-year-olds: Gerald McGee, Chris Johnson, Michael Fleming. 9-year-olds: David Kirk, Eddie Swartz, Joel Tollison. 10-year-olds: Michael Haynes, Jim Cole, Thomas Kelton.

**Standing Long Jump:**  
8-year-olds: Gerald McGee, Deric Murphy, Jason Shackelford. 9-year-olds: Eddie Swartz, Brian Sandhill, Matthew Pasewicz. 10-year-olds: Thomas Kelton, Jim Cole, Richey Dillinger.

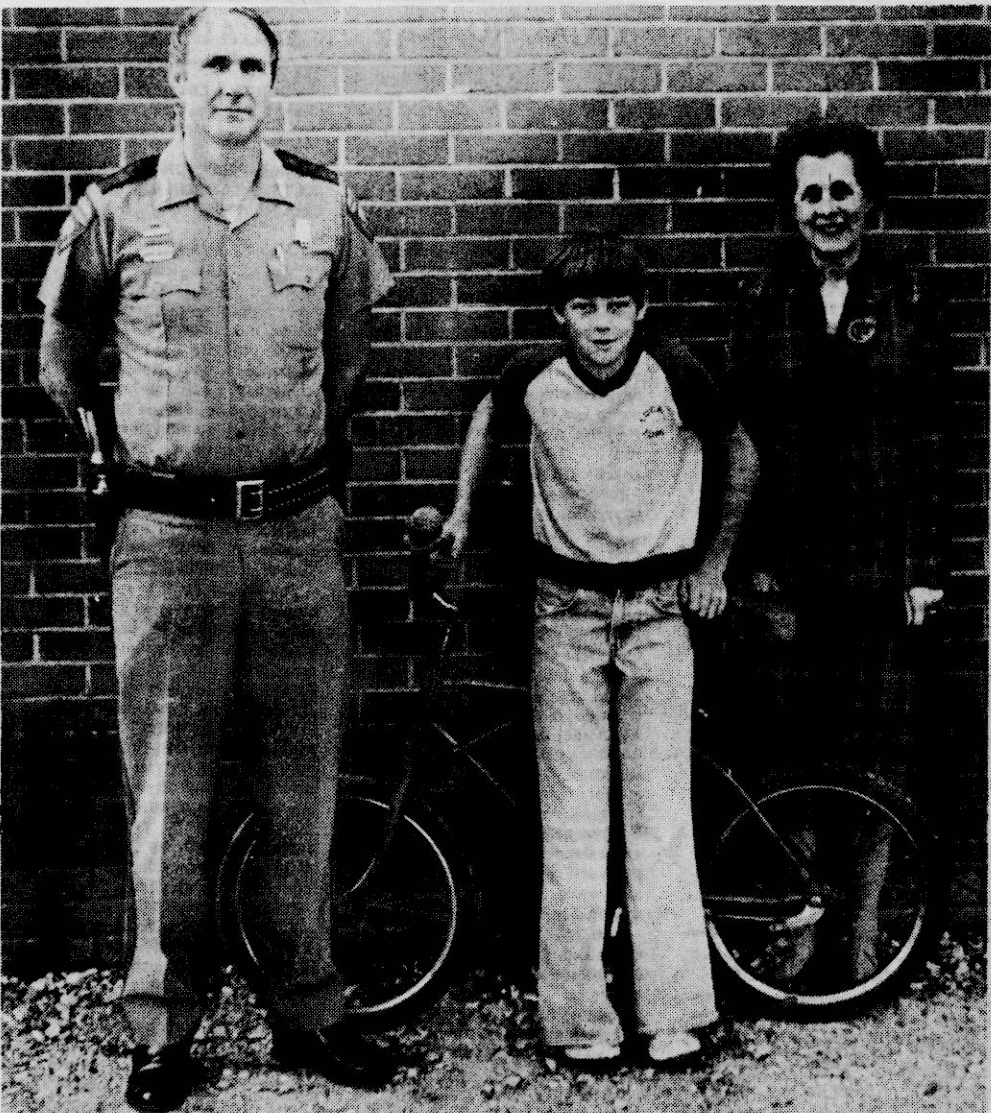

**50-Yard Dash:**  
8-year-olds: Cory Agnew, Ron Roper, Deric Murphy. 9-year-olds: Greg Cates, Jason Kilgore, Eddie Swartz. 10-year-olds: Michael Haynes, Jim Cole, Thomas Kelton.

Photos of the event can be found elsewhere in today's Banner-Independent.

## Northeast's Country Chorus To Perform In Concert

Northeast Junior College's new Country Music Curriculum, only the second of its kind on any college campus in the nation, has produced the Country and Western Pop Chorus that will be featured in a Nov. 10 concert in Seth Pounds Auditorium on the Northeast Campus.

Country Music instructor Shirley Taylor said the performance is being given to show the public the progress her young program has made, and to help generate funds for expanding the program. Admission from the concert will also go partly to Northeast's Hotel-Motel-Restaurant Management Club, which is co-sponsoring the show.

"The group will be performing a variety of country tunes from old standards to contemporary country hits," Ms Taylor said.

"We'll also have a very special Blue Grass group to play."

The concert begins at 7 p.m. Admission is \$2 for adults and \$1 for students. Tickets may be purchased in advance from HMR club members or chorus members.

For more information, call Shirley Taylor at 728-7751, ext. 379.

## Learn Shopping Responsibility Before Going To The Market To Shop

By ANNO O. RUSHING  
Extension Marketing Specialist

Choosing foods to fill the market basket is a very important job. It's the shopper's responsibility to decide which ones are good buys for the family. A lot of considerations are involved in that decision.

What is a good food buy? It's one that suits family tastes, time and facilities, is nutritionally sound, of suitable quality and quantity, and is available at the lowest possible price under the best conditions of sale for you. Satisfaction, preference, cost, nutrition, facilities, and convenience must be considered.

Before going to the market, think of what everyone in the family likes to eat. Providing foods that the family will like is necessary to keep them happy and give them eating satisfaction.

Of course, considering the cost of the food is important. But, some foods may cost a little more and yet appeal to family appetites.

The cost of food includes many things besides the

price that is marked on the article. Quality is a big factor in choosing food.

Another big factor that must be considered in the cost of food is the quantity bought. Getting sufficient amounts without having leftovers to waste is essential. Buying the right amount of food comes with experience.

Of course, appetites vary from time to time and guests at mealtime affect the amount necessary. Generally, the amount to provide for family needs can be determined.

Wise use of leftovers can help in using the amount of food bought and cut down on most of the waste that can result from over-buying.

Plan buying and shopping with consideration for the nutritive values of foods. Use the basic four guide and make sure foods from each group are included in the day's menus.

Knowing alternative foods will help keep costs down. When one food is high priced, choose another from the same group at a lower price. Be on the look-out for

new foods to give variety to your meals.

Think about the ease of using foods, and various combinations of foods when planning and buying. Many foods in today's markets are partially or completely prepared, and may be a big help.

Ease of preparation goes hand in hand with convenience, which includes economy of time and effort involved. Time and effort go

YOU AND I — TOGETHER FOR MISSISSIPPI

A Message from Bill Allain:

I have been traveling across our State since March, campaigning to become our Governor. In every community, every county, I have found a spirit of cooperation and a sense of hope among our people.

We are on the threshold of greatness. But, for the sake of future generations, we cannot afford to waste one day training our next Governor.

Together, we must begin working to solve the problems of unemployment, education, crime, high utility rates, and economic development.

The nation is finally watching Mississippi and using us as an example to follow. The gains we've made must continue, and I am committed to keeping Mississippi moving forward for the next four years.

As your Governor, using my 20 year experience in state government, I will work tirelessly to:

- Find new jobs
- Attract new industry and expand present industry
- Implement the Education Reform Act
- Reduce crime and drug traffic
- Continue fighting for fair utility rates

But I can't do it alone. I need the help of all Mississippians. In the next four years, the progress of our State will finally match the spirit of our people.

I need your vote on November 8. Together, we cannot fail.

Respectfully,

*Bill*

OPPOSES LEGALIZATION OF ALCOHOL UPON ETHICAL GROUNDS

THE BIBLE SAYS

Proverbs 20:1 Wine is a mocker, strong drink is raging and whosoever is deceived thereby is not wise.

Proverbs 31:4-5 It is not for Kings, O Lemuel, it is not for Kings to drink wine; nor for princes strong drink: lest they drink and forget the law and pervert the judgement of any of the afflicted.

Isaiah 5:11 Woe unto them that rise up early in the morning that they may follow strong drink; that continue until night, till wine inflame them!

Habakkuk 2:15 Woe unto him that giveth his neighbor drink, that putteth thy bottle to him and makest him drunken also, that thou mayest look on their nakedness!

Ephesians 5:18 And be not drunk with wine, wherein is excess, but be filled with the spirit.

'Awesome,' says Blalock

## Bulldogs Maul Blue Devils 35-0

Booneville's Rod Coggin and A New Albany Player Battle For The Ball

By SCOTT MCKINNEY  
Sports Writer

Booneville High School quarterback Michael Blalock walked off the field at W.P. Daniel High School last Friday night and had one word that could describe the New Albany Bulldogs: "Awesome."

Blalock was referring to the Bulldogs after New Albany had just beaten the Blue Devils 35-0 in a District I-A football game.

"They just outmuscled us in every phase of the game," Blalock said about New Albany, which improved its record to 8-1. Their only setback came at the hands-on District champion Ripley.

"They have a good team and strength is one of their strong points," Blalock said about New Albany.

Strength is one of the Bulldogs' "strong points." One of the New Albany coaches stated that nine of the starting 11 defensive players could squat over 1,100 pounds.

"They were stronger and faster than we were," Booneville coach Wayne Jones said. "We thought we could move the ball against them, but their defense was just too strong."

Defense wasn't the Bulldogs only strong areas. Quarterback Danny Traylor

completed only 3 of 4 passes, but the three passes he completed were all for touchdowns.

New Albany jumped on the scoreboard on their first possession as Traylor connected with Robby Hale on a five-yard scoring strike after an 87-yard drive. Later in the period, a bad snap from center soared over punter Rod Coggin's head and out of the endzone to give New Albany a safety and a 9-0 lead.

Traylor struck twice in the second period, first on a 68-yard scoring pass to David White with 7:28 left and three minutes later to Hale again, this time for a 13 yarder.

Gary Cannon ran 13-yards for a touchdown with 50 seconds remaining to boost New Albany's lead to 28-0 at the half.

With only a minute left in the game, Sam Creekmore laid the plans for New Albany's final score, carrying the ball five times on a 76-yard drive, the reaching the endzone on a five yard sprint.

The Bulldogs racked up 376 total yards to Booneville's 98 as the New Albany defense held its own. Three New Albany running backs had big nights as Creekmore picked up 95 yards on eight carries, Charlie Tohill rushed for 90

yards on six carries, and Cannon added 85 yards on seven carries.

The Blue Devils picked up only 85 yards rushing with fullback Jimbo Goddard gaining 47 of those on 13 rushes.

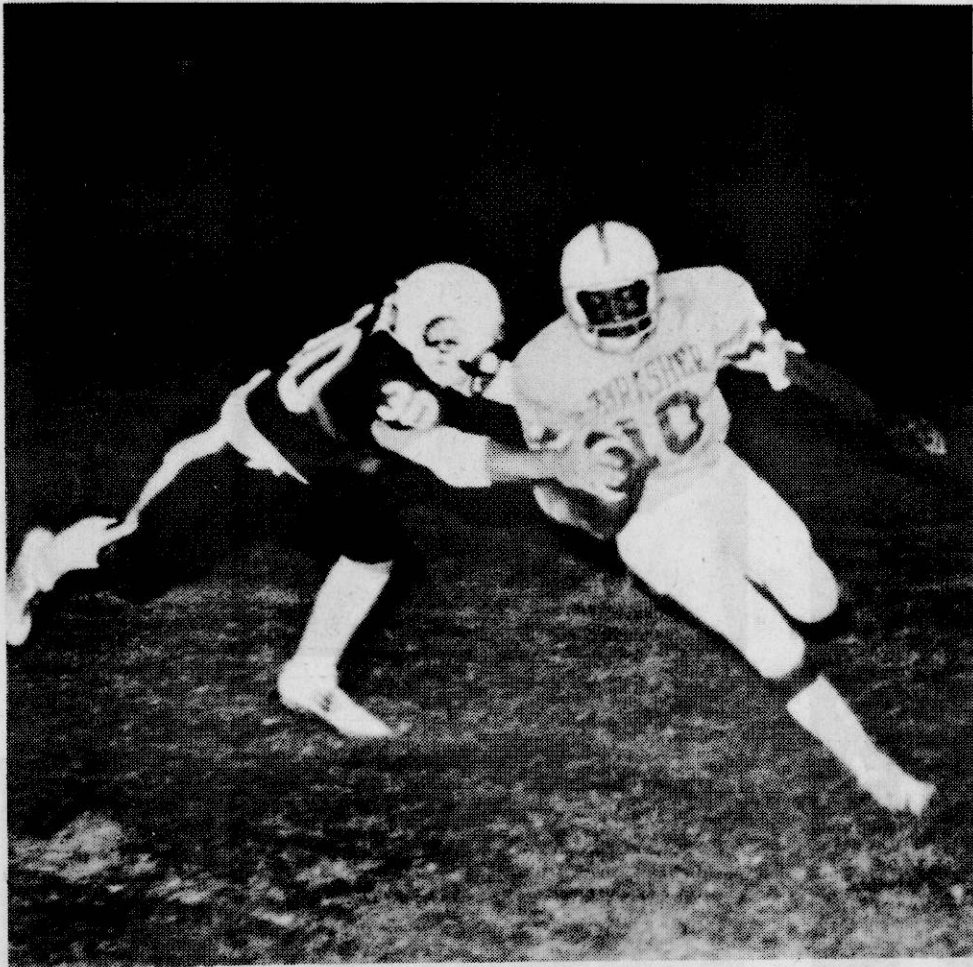

Booneville dropped to 1-8 and 1-6 in the district as they head into the season finale against Saltillo.

Coach Jones feels that Saltillo has improved since the first of the year. "They've come a long way, but we have, too. It should be a good game. We're going to give it all we've got," Jones said.

The game will highlight homecoming festivities as the kickoff is set for 7:30 tomorrow night at Keenum Stadium.

Johnson: 'We just got outplayed.'

## Chieftains Massacre Rebels

Thrasher's Bobert Shumpert Attempts To Evade An Iuka Defender

BY BUTCH CALDWELL  
Sports Writer

A four-touchdown first half and three pass interceptions carried the Iuka Chieftains in a 34-6 romp over the Thrasher Rebels at Iuka Friday night, Oct. 28.

Iuka wasted no time putting points on the board after a Thrasher punt. The Chieftains marched 58 yards in four plays with Jeff Hapner going the last six yards for the score.

Hapner also kicked the PAT, giving Iuka a 7-0 lead with only 3 minutes elapsed in the first quarter.

Iuka quickly scored again on a 28 yard pass from Randy Burton to James Butler boosting the Chieftains margin to 14-0 with 6:08 remaining in the opening period.

The Chieftains continued their touchdown parade with the help of a pass interception on their own 40. Seven plays later, Rocky Taylor hit paydirt on a two-yard plunge, giving the Chieftains a 21-0 margin over the Rebels with 10:59 left in the first half.

Iuka then capped off the first half with a 52 yard drive

in eight plays. Mathew Walter went over for another TD. And Jeff Hapner's conversion made the score a lopsided 28-0 at the half.

Iuka continued their formidable ground assault in the third quarter when Mathew Walter's second TD raised the tally to 34-0.

Thrasher came to momentary life on their next possession. Marvin Dilworth capped a 68 yard march in seven plays with a one-yard jolt over the goal line for the Rebels lone TD of the night. Danny Ramey's extra point kick attempt was blocked, leaving the score at 34-6.

Thrasher drove into Iuka territory twice during period four, but lost the ball on downs each time.

Coach Jackson emptied the bench in the last two minutes, giving every player a chance to gain experience.

"We did the best we could. But we just got outplayed," Jackson said.

Thrasher's record for it's premier season now stands at 3-6, with one game remaining -- Belmont at Baldwin's Latimer Park tonight.

Southwest Mississippi Junior College wrapped up its scoring in the first half last Thursday night as it picked up its first win of the season in a 17-14 triumph over Northeast.

Southwest's victory set up battle between Northeast and Mississippi Delta.

Quarterback Mac Barrient connected on 144 yards passing for Southwest, tonight at Keenum Stadium.

33-0

and scored one touchdown, the first score of the game, on a four-yard scamper. Humberto Futch added the extra point.

A 17-yard punt set up the score, which capped a 39-yard drive.

Northeast drove 82 yards in 11 plays to tie the game at 7-7 on an eight-yard run by Ricky Johnson. Todd Wagner kicked the extra point for the Tigers. However, Southwest came right back on their next series to pull ahead.

They drove 82 yards in 10

plays to answer the Tigers. Carl Scott got the six-pointer when he broke through the Northeast defensive line and went 20 yards for the score. Again, Futch added the point after touchdown.

Late in the quarter, Southwest took possession after the Tigers had downed a punt at the nine-yard line. They drove 81 yards in 12 plays while playing against a running clock.

Only seconds remained on the clock as Southwest stood at the Northeast 10-yard line. Futch then kicked a 25-

yard field goal as time expired with Southwest holding a 17-7 lead.

In the third quarter, the Tigers took the football on their own 44-yard line. After two running plays, Northeast had a first down at the Southwest 45.

Quarterback David DeGroat then romped 45 yards for the Northeast touchdown, and Wagner's extra point pulled the Tigers within three.

However, Southwest held on to the small lead, and

Northeast dropped its overall record to 4-5. And its North Division record stands at 4-2.

With their victory over Northeast, Northwest secured the number one spot in the North Division.

But, regardless of the outcome of tonight's game against Mississippi Delta, Northeast will advance to the state playoffs as the number two team from the North.

completely shut out Northeast in the final period to preserve the victory.

## NE-Delta Game Will Have

## No Effect On Playoffs

Northeast Junior College head football coach David Carnell confirmed Monday night that the Tigers will advance to the state junior college playoffs regardless of the outcome of the Northeast-Mississippi Delta game tonight.

Mississippi Delta was tied with Northeast for second place, but the Trojans lost to East Mississippi, 13-12, last week to assure the Tigers of the playoff spot.

Coach Carnell was unsure of where Northeast would in the playoffs. He said that in all probability it would be at Gulf Coast Junior College, a team that beat Northeast earlier in the year.

In the state playoffs, the number one team from the North hosts the number two team from the South and the number one team from the South hosts the number two team from the North.

# Bearcats Pluck Cardinals For 9th Victory

BY SCOTT MCKINNEY  
Sports Writer

Baldwyn's undefeated Bearcats parlayed lightning speed, their kicking game and a solid defense to shut out Belmont's Cardinals 33-0 on the way to the District I-BB North Half title last Friday night in Belmont.

The victory left the 'Cats with a 9-0 record and the

right to play Hamilton's Lions for the overall title and the state playoff berth at Baldwin on November 11.

Going into the game the two clubs were about equal on both offense and defense. But in the showdown, Baldwin's speed was too much to handle, and the Cards gave way.

They played it even for one period, although each

team had mustered a scoring threat in the first 12 minutes.

In the second period Stan Scott booted a 24-yard field goal to provide a lead that was never relinquished.

What looked like a routine punt turned into a disaster for the Cardinals when a

bouncing ball hit a Cardinal player and was scooped up by Anthony Price, who ran 20 yards for the score as the half ended.

Price scored his second touchdown at the start of the third quarter when he took the kickoff and scampered 85 yards for the six-pointer.

And Baldwin began to pull far ahead.

A 55 yard drive produced the next Baldwin touchdown with halfback Jimmy Earl Tyes outrunning Cardinal defenders in a 52 yard footrace.

Price got his third score on a seven-yard touchdown run for the Bearcats as the crowd began to head for home.

Scott later hit a 40-yard field goal early in the final period that would end the scoring.

Belmont did drive deep into Baldwin territory late in the game, getting to the Bearcat eight-yard line. However, the Baldwin

defense stiffened up and shut out the Cardinals to keep them away from paydirt.

Bearcat Coach Hubert Tucker called the story before the game when he said the kicking game would make the difference.

"That's where the game will be won or lost," Tucker said. And his prognostication held up.

The survivor of the Baldwin-Hamilton encounter will face the District IV champion at a site to be determined at a later date.

Baldwin will travel to Biggersville in search of a perfect 10-0 season Friday night. Kickoff is set for 7:30.

## New Site Sweeps Pair From Pine Grove

The New Site Royals swept a pair of games from Pine Grove last week, with the girls winning 74-54 and the boys taking the nightcap 70-43.

The Lady Royals, who led 42-23 at halftime, were paced by Lane Smith with 17 points, Katie Caveness with 13, Cindy Stanley with 12.

Tammy Thornton with 10. Pat Stroupe had 26 points for Pine Grove.

Mark Barnes paced the Royals with 25 points, followed by Scotty Moore with 16, and Richard Shook with 14. Keith Shackelford and Tim Slake led Pine Grove with 12 points each. New Site led at the half, 33-20.

## Eagles Swoop Two From Cardinals

Tangie Miller poured in 38 points for the Lady Eagles as Wheeler took both ends of a basketball double-header from Jumbertown last week.

The lady Eagles beat the Lady Cardinals 53-31 in the first game, and in the boy's game Wheeler put six players in double figures with a 103-6 win after leading 47-41 at the half.

Eagles William Lowery and Mike Chandler hit 22 points each, Tony Tate had 18, Willie Miller 17 and Todd Swinney and Clay Richey 10 each. Ricky Burress had 18, Charlie Durham 17, Merle Jumper 16, and Glenn Wilson 15 for Jumbertown.

Angela Welch had 15 points for the Lady Cardinals in the opener.

## Victory Victorious Over Martin Hill

Martin Hill Christian Academy played Victory Christian Academy in New Albany Friday.

New Albany is the defending state champs and returned their starting team for the 1983-84 basketball season. New Albany defeated Martin Hill, 81-70.

Leading scorer for MHCA was Karl Sexton with 48 points. David Sexton was next with 12. Leading rebounder was Karl Sexton with 8, followed by Brian Smith with 6. Billy Blakney had three for MHCA.

In the seventh grade game, MHCA won with a score of 28-12. Tony Carter was high scorer with 18. Chuck Owens followed with 10.

New Albany's girls defeated MHCA's girls, also. Gena Griffin was high scorer for MHCA, followed by Michelle Eaton.

## Two Local LL Teams To Compete In Hamilton, AL

According to Doug Mansell, chairman of the Booneville Little League Committee, two teams from the Booneville program will travel to Hamilton, Ala., this weekend to compete in a youth football jamboree sponsored by the city of Hamilton.

The two teams from the Booneville and Prentiss County area will be com-

prised of all the 12-year-olds in senior division and all the 9-year-olds in the junior division.

The Booneville games will begin at 1 p.m. and 2 p.m. at the Hamilton High School football field.

"The public is invited and encouraged to attend and support the local youth program," Mansell said.

## Ducks Unlimited Banquet Nov. 17 At Haney Union

The Prentiss County Chapter of Ducks Unlimited will hold their fourth annual banquet in the Frank Haney Union at Northeast Mississippi Junior College Nov. 17 at 6 p.m.

"The Ducks Unlimited success story is really starting to spread around," local chapter chairman Sam Milton said. "Banquets much like our chapter event held throughout the country last year contributed towards Ducks Unlimited's national fund-raising effort which raised \$34.7 million during 1982 alone."

"But what's even more important to realize," Milton said, "is that the national fund-raising total must increase this year if the North American waterfowl habitat race is to be won."

DU's sportsmen-conservations founders discovered through surveys conducted 45 years ago that 70 percent of North

America's waterfowl production occurs in Canada.

Since Federal duck stamp dollars cannot be spent beyond U.S. borders, sportsmen funds earmarked for waterfowl conservation are not getting to the places where the great percentage of production takes place.

Through Ducks Unlimited's efforts, over \$200 million has been raised in the U.S. since 1937, according to a DU spokesman. Eighty cents of each of those dollars has been sent to Canada to reserve some 3.2 million acres of prime habitat encompassing over 2,100 wetland projects.

Tickets for the local DU banquet are \$19 each and include a one-year Ducks Unlimited membership and a subscription to the organization's magazine.

Call Doug Mansell at 728-3505 for tickets and further details.

THOUGHT FOR THE WEEK

Friends Of Sinners

'I Came Not To Call The Righteous, But Sinners To Repentance.' Mark 2:17

Adapted From Our Daily Bread

By Herbert V. Lugt

Although the Christian must not choose ungodly people as his close companions, he is to love them and to seek their salvation. He must look beyond their sinful ways and accept them as precious souls for whom Christ died. To scorn sinners is to turn them away from the gospel.

A doctor in a mission hospital gave medical treatment to six young prostitutes and then invited them to church. But the members in the congregation couldn't see beyond the girls' shameful reputation. They gasped when the young women shyly walked into the sanctuary, and for two successive Sundays the people completely ignored them. Then someone started a whispering campaign, and soon there was a demand that such undesirables be kept out of

the church. But action wasn't necessary - the girls never came back.

How different life is when God's people follow Jesus' example and show love for sinners! Many years ago I made contact with a man who had a bad reputation for his heavy drinking and foul language. One morning he surprised us by coming to church. He was unkempt and not very clean, but a businessman and his wife got out of their seats and sat next to him. Then they invited him home for dinner. Soon afterward he was genuinely converted.

Our Lord loves the ex-convict, the person with a drinking problem, the unwed mother, the couple living together outside of marriage, the one who's been divorced, and the girl who has had an abortion. What about us? Are we willing to be friends of sinners?

# Know How To Identify And Treat Hypothermia

Hypothermia, an abnormally low internal body temperature caused by exposure to the cold, kills thousands of people each year who are unaware of its lethal effects. Temperatures do not have to be below freezing for hypothermia to occur. Anyone with a body temperature of 95 degrees Fahrenheit or below is hypothermic.

Most hypothermia victims are persons aged 65 or older. The Federal Emergency Management Agency and the National Oceanic and Atmospheric Administration, as part of their "Survive Winter" campaign, offers the following information on hypothermia prevention and treatment which is of particular importance to the elderly.

The National Institute on Aging estimates that more than 2.5 million older

Americans are especially vulnerable to hypothermia, although infants also are particularly susceptible.

Each year nearly 20,000 elderly citizens die from hypothermia. Thousands of these victims die in their own homes. Many hypothermia deaths are a result of cool temperatures indoors, rather than exposure to extremely cold weather outdoors. Many persons faced with costly heating expenses may find it difficult to keep themselves or their homes warm in cool temperatures. They simply may not realize they are becoming cold and their bodies may not adjust well to temperature change.

Elderly persons with a poor diet or malnutrition, other illnesses, limited physical activity, or those using alcohol or certain types of prescription drugs

(such as antidepressants, sedatives and tranquilizers) face a higher risk of developing hypothermia. Added hunger and fatigue can also increase its chances.

Hypothermia also can worsen pre-existing conditions and diseases in older adults. Many deaths are initiated by hypothermia even though another disease is ultimately listed as the cause of death.

Many myths exist regarding treatment of hypothermia victims (and others severely affected by the cold). Exercise, hot foods, and hot drinks, body massage, or alcoholic drinks do not heat a cold person. In fact, these actually speed up the rate of body cooling.

Hypothermia is caused by a loss of body heat (primarily through the skin and through breathing). The

body maintains its heat by narrowing the blood vessels in the skin which reduces the flow of warm blood near the body's surface. As the skin's blood flow is increased, more heat is released from the body's "inner core," which cools off the body and lowers its internal temperature.

It's difficult to recognize hypothermia. As the body temperature drops, the victim becomes progressively more physically and mentally confused. Memory is affected and logical thinking becomes impossible. The person may become too confused to recognize the danger and seek help. Many victims die at home because their condition is often overlooked as simple disorientation.

In all outdoor cold weather activities (or cool ones in

doors), several steps can be taken to prevent hypothermia:

- Dress warmly. Clothing is the best defense against hypothermia - it insulates by trapping warm air between layers. Loose clothing traps more air than tight garments and allows greater freedom of movement.

- Keep clothes dry. Clothing moist or wet from rain, melting snow or perspiration reduces insulation and speeds the loss of body heat.

- Avoid overheating and sweating. Remove excess clothing before the body overheats.

- Keep hands and feet warm and dry. They are the first parts of the body to become cold. Avoid damp or wet socks, and avoid tight jewelry or clothing which can restrict the flow of blood to the hands and feet.

Hypothermia victims exhibit many symptoms. If you suspect someone of being hypothermic, check for:

- Confusion, disorientation or reduced mental clarity which becomes progressively worse as the body temperature falls. The person also may become apathetic and do nothing to reduce the danger, or may become irritable, hostile and aggressive.

- Cool or cold skin, particularly on the stomach, lower back, arms, legs and feet. The skin's color is usually very pale, but also may have large, irregular blue or pink spots.

- A slowed breathing and heartbeat. (Both slow at low temperatures and may be very difficult to detect in severe hypothermia victims.)

- A "puffy" or swollen face.

- Unusually stiff muscles, particularly in the neck, arms and legs. The stiffness may be accompanied by a fine trembling or shivering which may be limited to one side of the body or one arm or leg. (Shivering is a sign the body is having trouble keeping warm.)

- Poor coordination and problems with balance, including difficulty in walking and jerky movements.

Hypothermia is a serious, complicated medical condition requiring professional medical assistance. A hypothermia victim should be treated in a hospital. Do not try to rewarm the person at home - improper treatment can cause sudden death from heart failure.

While waiting for professional medical attention to arrive:

- Protect the person from

the cold with extra clothes, blankets, quilts or towels. Make sure that you cover the person's head and neck.

- Do not place the person in a hot shower or bath.

- Do not give the victim hot food or hot drinks.

- Do not give the person alcoholic beverages or drugs.

- Do not raise the victim's feet - this allows cold blood to flow into the body's core and will further reduce body temperature.

- Do not massage the person's arms or legs.

Never assume the hypothermia victim is dead or beyond recovery. There is a chance for recovery even though the hypothermia victim appears to have died.

Above all, keep calm and call for professional medical attention if you suspect someone of having hypothermia.

## Prentiss National Guard Units Part Of 1st Cavalry Division Roundout Brigade

The 155th Armored Brigade of the Mississippi Army National Guard of which the Booneville company is a unit, has become a roundout brigade to the 1st Cavalry Division, Major General Gray W. Harrison Jr., the Adjutant General of Mississippi, has announced.

With the roundout, the highest category of affiliation, the organization and structure of the brigade will align with similar brigades in the Active Army Division. The equipment, strength authorization and training requirements for the Tupelo-based brigade will be upgraded to match those now in use within 1st Cavalry, headquartered at Fort Hood, Texas.

The roundout is designed to raise "understructured" active army divisions to standard mobilization level, Harrison stated, "allowing reserve component units to deploy with their active army sponsors" in an

emergency, or soon thereafter.

"The brigade will be organized and structured strength-wise the same as the 1st Cav," Harrison noted. "Although the units will still have to train pretty much on their own, the 1st Cavalry will offer guidance and assistance."

Brig. Gen. Samuel E. Fleming Jr., of Tupelo, Commanding General of the 155th Armored Brigade, said the roundout was a real challenge to the personnel of his command, but "we accept the challenge and look forward to our association with the 1st Cavalry Division."

Maj. Gen. Andrew P. Chambers is the Commanding General of the Division which currently has two armor brigades and division artillery within its organization at Fort Hood. Upon mobilization, the Mississippi National Guard unit would become the third brigade within the division

and raise the division strength to its authorized level of 15,000 personnel.

The new equipment required for the roundout will include 126 M-1 Abrams Tanks, the Army's new primary ground combat weapon system which first was fielded in 1981. These tanks will be divided between the two tank battalions, headquartered at Greenville and Amory. The tanks will primarily be located at Camp Shelby with some at Camp McCain.

The Improved TOW Vehicle (ITV), an M113 armored personnel carrier mounted with a tube-launched, optically-sighted, wire-guide (TOW) missile system, will be introduced to 1st Battalion, 155th Infantry, headquartered in McComb.

With the new equipment will come special maintenance requirements. A new Equipment Training Team (NETT) has already been utilized to prepare maintenance personnel,

said the state maintenance officer.

"The M-1 is a real good vehicle and, like other sophisticated equipment, it will require preventive maintenance and regularly schedule maintenance," he continued. "Also, we will have to continue servicing and maintaining the M60 (the present main battle tank) as well as training for the new equipment."

Units within the 155th Armored Brigade include: 155th Armored Brigade, Tupelo; Company A 106th Support Battalion, Baldwin, HHC 1-198th Armor, Amory; Company A 1-198th Armor, Baldwin; Company B 1-198th Armory, Booneville; Company C 1-198th Armory, Iuka; and Support Company 1-198th Armory, Fulton.

## Seven Steps To Surviving Rush-Hour Traffic

Seven steps can help ensure survival in rush-hour traffic, according to the Governor's Highway Safety Program.

"The first step is to use your vehicle safety belt," said Ira Lacy, GHSP director. "It is well documented that safety belts can reduce the toll of human death and injury. The quick and easy click of the belt can restrain drivers and passengers from becoming projectiles in the vehicle if it is involved in a crash. The safety belt also can keep occupants from flying outside the vehicle where the chances of serious injury or death are much greater."

GHSP also advised

drivers to maintain at least two seconds of traveling time between them and the vehicle ahead. "This will help protect you from an accident if the vehicle ahead should stop suddenly," Lacy noted.

Another step is to be prepared to brake. "Don't delay braking," he said, "and avoid slamming on your brakes."

GHSP also cautioned drivers on problems of being "boxed in" by other vehicles. "Try to avoid driving next to other vehicles if possible so you can leave yourself an 'out' if it's needed," Lacy said.

Drivers also should be prepared to slow down or

change lanes quickly to avoid an accident.

"Never drive while under the influence of alcohol," the GHSP director said. "More than 62 percent of Mississippi's fatal traffic accidents are related to drunk driving."

GHSP finally suggested driving within the speed limit, and driving smoothly at a steady pace.

"Driving in rush-hour traffic can exert pressure to the point that a driver can forget or ignore good driving habits," Lacy noted. "Yet, your driving can affect many lives in such traffic. A moment of carelessness could cause many years of regret."

UM PUBLIC OFFICIALS DAY - Participants in Public Officials Day held recently at The University of Mississippi include (from left) State Senator-elect and Mrs. John White of Baldwin, and Ole Miss student Andy Phillips of Oxford. The annual event is held at Ole Miss to honor legislators and other public officials.

# Ole Miss Wins Third Straight

Ole Miss won its third consecutive game last Saturday in Jackson as they downed the LSU Tigers 27-24 in the SEC battle.

Rebel runningback Arthur Humphrey paced the Rebels ground game as he picked up 95 yards on 29 carries while quarterback Kelly Powell connected on 12 of 18 passes for 149 yards and two scoring strikes to aid in the passing attack.

Ole Miss, now 4-5 and 2-2 in the SEC, started slow as LSU returned Norman Jefferson returned a Rebel punt 68 yards for the score, but the Rebels came right back when Powell connected with Roger Clark recovered a Tiger fumble at the Rebel 22 and safety's Barry Wilburn and Joe Hall stopped a last-ditch pass with 17 seconds left to preserve the win for the Rebels.

Turnovers were the key difference in the game as LSU turned over the football 5 times to the Rebels 1.

Ole Miss has an off-week this weekend before traveling to Knoxville in two weeks to face the Vols.

## Tide Hands State Sixth Straight Loss

The Alabama Crimson Tide used the powerful running of junior fullback Rickey Moore to help them overcome a stubborn Mississippi State team 35-18 in Tuscaloosa, Alabama, last Saturday.

Moore ran for 104 yards and scored twice for the 18th-ranked Alabama Tide. Moore bulled in from 15 and with an intercepted pass.

State's Artie Cosby hit on four field goals for a school record. Alabama quarterback Walter Lewis got 229 yards on 19 completions, including seven to Joey Jones for 94 yards, but was intercepted three times.

Thomas' touchdown completed the scoring. It was the sixth straight loss for Mississippi State after two opening victories. State is now 0-4 in the SEC and will entertain Memphis State Saturday in Starkville.

## Saylors Leads Jumper By 3 Per Cent With One Week Left

Manfred Saylors and Doug Jumper continue to battle for the top spot in the Banner-Independent's prognosticator's chart as writer Scott McKinney, both picked 9 of 14 games last week in finishing in a tie for fourth place. Miller is all but out of the yearly race as his average has dropped to 67 percent.

Two pickers correctly picked the score in two of last week's games. Miller correctly picked the Alabama-Mississippi State score, while Saylors picked the Kossuth-Houston game correct.

With only one week left in the high school seasons, as well as the contest, Saylors seems to have locked up the top position, but Jumper still has an outside shot at the title.

This week's guest picker is Thrasher High School Football coach, Willie T. Jackson.

## 34-14 Gamecocks Turn Delta Mistakes To Advantage

Jacksonville State drove 71 yards in 11 plays of every Delta State mistake the march on a four yard and jumped out to 17-0 first quarter lead en route to 34-14 victory over the faltering Statesmen.

The Gamecock's Mike Boyd recovered a Roy Matthews' fumble on the opening kickoff and the visitors converted it into a 3-0 lead as Chris Hobbs hit a 24-yard field goal. This was to be the start of a long day for Delta State.

Two more Statesmen fumbles set up the next Jacksonville scores as Delta State couldn't get things started.

Delta State got back into the game with 12:50 remaining as the Statesmen

dove 71 yards in 11 plays with Ronnie Parker capping the march on a four yard touchdown run. But, it wasn't enough as the Gamecock's added another touchdown and a field goal to stay ahead of Delta State.

Scott Butler, Delta State's record-setting quarterback, finished with 23 completions in 45 attempts for 249 yards, but no touchdowns, the first time in eight games.

The loss was the third straight for the Statesmen who are now 4-4 and 2-4 in the conference.

# Round Ball !!!

Basketball season has already started for those Prentiss County schools not involved in high school football. The photos on this page show last week's matchup between Wheeler and Jumpertown.

Wheeler's girls won, 53-31, with the Wheeler boys following suit, 103-76.
