Childers

May Pay

According to State Auditor Ray Mabus, Prentiss County Tax Assessor-Collector Danny Childers has agreed to repay more than \$6,000 in tax penalties the auditor claims were not collected.

Mabus' office sent Childers a letter in April demanding payment of uncollected penalties on automobile vehicle tag receipts from July 1982 to August 1983. The letter threatened a civil suit if Childers did not settle the matter in 30 days.

When contacted Wednesday morning, Childers declined to comment on whether he had agreed to repay the money. "If I said anything at all, I would say that my job is to serve the people of Prentiss County. That is my main interest," Childers said.

Shirley Armstrong, executive secretary of the Prentiss County Chapter, American Red Cross, has announced the kick off of a fund campaign to assist victims of the tornadoes that hit Water Valley and twelve counties in North Mississippi.

Surveys indicated 104 homes were destroyed, 135 homes had major damage, and 159 homes had minor damage. In addition 26 mobile homes were destroyed and 7 mobile homes had major damage. A total of 433 families suffered loss.

Red Cross currently has 6 canteens providing sandwiches and hot meals to disaster victims and workers.

Service centers have been opened in Water Valley and Greenwood to assist disaster victims with food, clothing, household furnishings, medical and nursing, and building repairs. Some 221 Red Cross volunteers and staff are assisting in the relief effort.

Local contributions should be sent to Mrs. Armstrong in Booneville. For more information call 728-5671.

Fund

Drive

According to Cancer Fund Chairman Keith Shackelford, this is the week that the Cancer Society actively seeks donations.

"We encourage everyone to give what they can afford," Shackelford said. "Cancer strikes at least once in nearly every family. And you never know when it may strike in yours."

"But with your donations we are managing to save many people who would not have been saved just a few years ago," he said.

No Aid For

Prentiss

Though disaster aid for Mississippi counties hit by the Easter weekend tornadoes was approved by President Reagan, Prentiss Countians who received tornado damage will not be eligible for the funds.

Though Gov. Bill Allain requested aid for all 12 counties that were in the tornadoes' paths, only Lafayette, Leflore, Tallahatchie and Yalobusha Counties were actually declared federal disaster areas.

According to federal coordinating officer Thomas Credle, in eight of the counties, including Prentiss County, "the magnitude and severity of the damage and losses...are within the capability of state and local government to respond."

No damage estimate has been issued for Prentiss County.

Bay Springs L&D Dedication Sunday

The Nashville District, U.S. Army Corps of Engineers has announced that a dedication ceremony for the Divide Section and the Bay Springs Lock and Dam portions of the Tennessee-Tombigbee Waterway will be held this Sunday, May 6, at the Bay Springs Lock and Dam, just north of the Highway 4 bridge over the waterway.

The official ceremony will begin at 2 p.m. with a jet formation flyover by the Mississippi Air National Guard.

Musical entertainment and other miscellaneous events will begin around noon, according to the Corps' Public Affairs Office.

The dedication speaker will be Lt. Gen. J.K. Bratton, chief of engineers for the Corps.

Mississippi Congressman Jamie Whitten will serve as master of ceremonies for the dedication. He will introduce state governors and other congressional, state and local dignitaries who are expected to attend the event.

Dignitaries will arrive at the festivities aboard the Corps' 217 foot, diesel-powered towboat, "The Motor Vessel Mississippi."

The towboat will be decorated in red, white and blue and will actually dock within the chambers of the Bay Springs Lock for the ceremony.

"The Mississippi" will cruise downstream from Paden leading a flotilla of nearly 100 smaller private craft plus the U.S. Coast Guard Cutter "Cimmaron" and several

other federal and state agency boats.

"The Mississippi" will be docked at the Highway 30 bridge over the Tenn-Tom near Paden on Saturday, May 5 from 6 to 9 p.m. for an Open House.

Visitors will be allowed on board during this period. Refreshments will be available and crew members will escort visitors through the ship's facilities.

Though everyone is invited, regulations prohibit children under

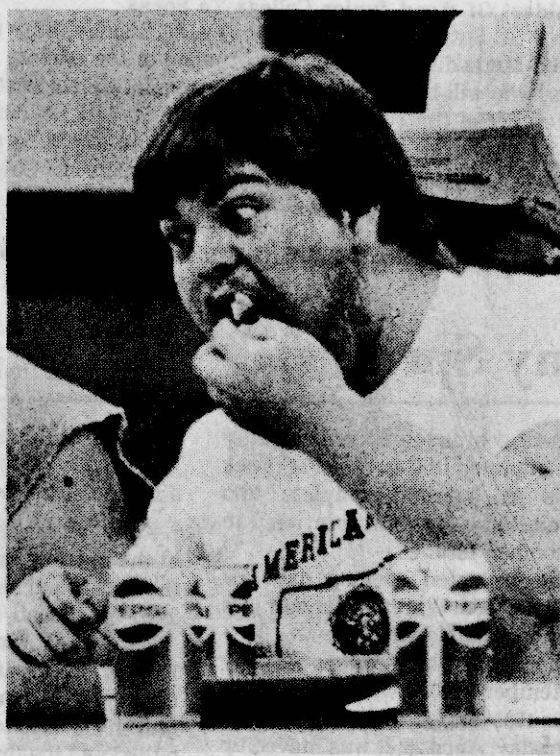

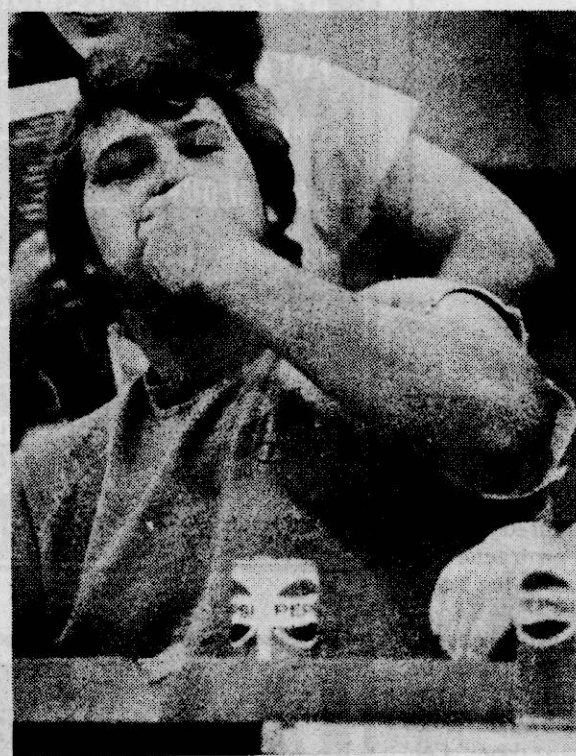

16 from boarding.

The ceremony will dedicate the northernmost section of what the Corps describes as the "largest civil works project ever undertaken" under its direction.

Remaining to be completed are two of the five locks on the Canal Section between the Bay Springs and Aberdeen Locks and Dams.

Those are Locks D and E, north of Fulton. At last report, Lock D is 87

At May Board Meeting

All On City Water Meters To Be Billed For Garbage

By ED WOODWARD
Managing Editor

At its regular monthly meeting, Tuesday night, May 1, the Booneville Board of Mayor and Aldermen voted to begin billing anyone who has a city water meter for garbage pickup.

Alderman Wade Lambert told the board that the volume of garbage picked up by the city crews has increased dramatically since the removal of county dumpsters.

"Over the years, many people have asked to be removed from city garbage pickup service. And they have been carrying their garbage to the county dumpsters," Lambert said.

But, he said, now that there are no longer any county dumpsters, they are leaving their garbage out for

city pickup again, even though they have not called and asked to be reinstated on the pickup roster.

Lambert said his driver has been on the route for several years and knows who is currently billed for service and who is not. He said the driver is now making a list of those who are not paying for service.

"We're trying to do what's right," Lambert said. "We don't want to be unfair to anybody. We just ask that, in turn, these people be fair to the city and call or write us."

After some discussion, the board voted to begin charging everyone who has a city water meter for garbage service.

Lambert said anyone who is still doing away with their own garbage and does not want city service should call him or the city street department and request can-

cellation of their service again.

Doc Loveless met with the board to request city sewage service, a fire hydrant and a street light for a property he is currently developing at the west city limits.

Loveless said he has built one home for himself on the property and will be building two more in the future.

It was determined that sewer lines and a lift station, costing an estimated \$2,500 would have to be installed and it will be necessary to advertise for bids for the work.

The board voted to advertise for the bids and informed Loveless that the work would be done as soon as possible.

Alderman Charles Steen told the board that two night charge men were needed for the police department. He suggested that Jerry

Barnes and Hubert Kitchens both be promoted to captain.

The board approved the promotions.

Alderman Bluford Allen informed the board of a total charge-off of \$6,022 in unpaid gas bills and \$1,070 in water bills.

Allen also said a new ditch digger was needed for the gas and water department.

The board voted to first let Allen see several pieces of equipment demonstrated before writing the specifications and advertising for bids for the ditch digger.

Alderman R.C. Houston informed the board that the weather was currently holding up all work in the city park.

The board then opened bids on waste testing service for the new sewage treatment facility and a

were not with the land owners involved were allowed to remain.

This past Thursday night, Woodward once again attempted to attend a meeting of the PCEPA directors, and once again he was asked to leave.

Board of directors' chairman Percy White told Woodward that electric power cooperatives do not fall under the jurisdiction of the state's Open Meetings law. He said if Woodward had anything he would like to bring before the board, he could do so, but that he could not remain for the rest of the meeting.

Following Woodward's ejection from the first meeting, PCEPA manager Ronny Rowland said one of the land owners at the meeting, Cecil Smith, had requested that the press not be allowed to attend the meeting.

Smith denies that he made such a request. "I didn't care who knew what I was there for," Smith told

Community Fund Drive Postponed Until October

By ED WOODWARD
Managing Editor

This is the time of year that the Prentiss County Community Fund would normally be kicking off its annual fundraising drive. But, according to PCCF President Sam Milton, that will not happen until October this year.

"For several reasons, we decided the time of year for the drive needed to be changed," Milton said, explaining that the primary reason is that people have become acclimated to the national program, The United Way.

"The Prentiss County Community Fund is patterned after The United Way," he said. "And what we plan to do is realign ourselves with The United Way for a few years in order to receive the benefit of their expertise and to take advantage of the national advertising that is held during the month of

October."

Milton said that, in past years, the PCCF has not been aligned with The United Way. "We were just independent of anybody," he said.

"We will have to pay a small annual dues to belong to it. But there are several benefits that we will receive by being a member."

"Also, there have been a number of campaigns that have sprung up in the springtime along with ours. And this will give us a time to have our campaign without running head-to-head with these others," Milton said.

Milton said agencies funded by the PCCF will not lose any funding because of the change in schedule.

"Approximately 60 percent of the money paid to the various agencies comes from payroll deductions," he said. "We have recently sent a letter out to the treasurers and

Press Again Barred From PCEPA Meeting

By KEN CHRISTIAN
Publisher

For the second consecutive month, **Banner-Independent** managing editor Ed Woodward has been barred from attending a meeting of the Prentiss County Electric Power Association's board of directors.

Woodward attempted to attend the March meeting because the **Banner-Independent** had reason to believe some land owners in Prentiss County planned to meet with the board to discuss what they considered to be "outrageous" prices from PCEPA to furnish power to their properties in the Bay Springs area.

The land owners did meet with the board, but editor Woodward was escorted from the meeting by former PCEPA manager J.W. Abernethy. Woodward was the only person required to leave the meeting. Others in attendance who were not members of the board and

were not with the land owners involved were allowed to remain.

This past Thursday night, Woodward once again attempted to attend a meeting of the PCEPA directors, and once again he was asked to leave.

Board of directors' chairman Percy White told Woodward that electric power cooperatives do not fall under the jurisdiction of the state's Open Meetings law. He said if Woodward had anything he would like to bring before the board, he could do so, but that he could not remain for the rest of the meeting.

percent complete and scheduled to be completed in October 1984. Lock E is 88 percent complete and scheduled for completion in November 1984.

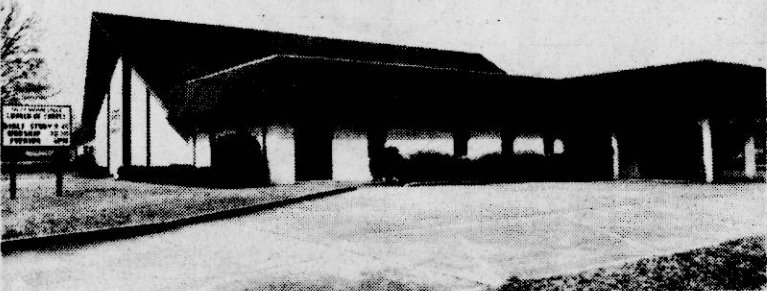

The projected opening date for the Tenn-Tom Waterway is now less than one year away.
The date, which was originally September 1985, was moved up to June 1985 early this year. But on Thursday, April 26, it was moved up again, to March 1985.
At the annual meeting of the Tombigbee River Valley Water Management District, Thursday night, April 26, Col. Patrick Kelly, head of the Mobile District of the U.S. Army Corps of Engineers, announced the new date.

Kelly, who was featured speaker at the meeting, said contractors on the unfinished section of the Tenn-Tom are ahead of schedule.
He said all major work between Fulton and Aberdeen will be finished by December 1984. "And by March 1, I hope to have all the plugs pulled and the dredging done," Col. Kelly said.

"Our goal is to have it open by March and to officially dedicate it in June 1985," he said.

BIBLE QUESTION BOX

QUESTION: Mr. Hogland, is the term "Withdrawing fellowship" a scriptural term?

ANSWER: I doubt that a church can "withdraw fellowship" from anyone. The word fellowship (koinonia) means joint participation, partnership, partaking (see Thayer or Vine). Thus "withdrawing fellowship" would be dissolving the partnership or terminating participation together.

Since we cannot force any person to stay away from the meetings of the church, when that person worships that would be "joint participation." However, the Bible does teach discipline. As a matter of fact God demands it. See such passages as (Matt. 18:15, 16;) (1 Cor. 5:1-13;) (1 Thes. 5:14) etc. We are taught to "warn them," "reject," "mark them" and "withdraw yourselves" from certain people. There is a difference in "withdrawing yourselves" and "withdrawing fellowship." In church discipline we are not to do anything which would leave the impression that we approve the actions of the person who has been marked. You see, when we walk in the light we have fellowship with God (see 1 Jno. 1) but if we get out of that light the fellowship is broken with God. The person who needs discipline doesn't have any fellowship with God in the first place. He broke that fellowship when he sinned.

The Banner-Independent Monday.

At the request of The Banner-Independent, state Senator John White of Prentiss and Itawamba counties has asked for an opinion

from Attorney General Ed Pittman as to whether or not electric power cooperatives are covered by the state's Open Meetings law.

Although the Attorney General's

office has not yet issued an opinion in the matter, there have been preliminary indications from their research.

"Right now, unofficially, it looks

as if the PCEPA may not be covered by the Open Meetings Law," Sen. White said.

He indicated that he feels this should be changed.

"There is no doubt that some kind of reform needs to be made in the Open Meetings Law so that it will cover organizations like the PCEPA," he said.

"I am looking into this and studying the situation to see if any other legislation is necessary," the Senator said. "I am reasonably sure that I will be sponsoring some kind of legislation pertaining to cooperative power associations, but I am not sure what form such legislation will take until I have studied the situation thoroughly."

For the information of the members of the Prentiss County Electric Power Association, PCEPA is publishing the by-laws of the association in The Banner-Independent and The Baldwin News.

National Hospital Week Proclaimed

With the announcement, "We're the Caring King," Baptist Memorial Hospital, Booneville Inc. joins hospitals throughout the nation in celebrating National Hospital Week May 6-12.

"The 1984 National Hospital Week theme pays tribute to the special kind of people we have at Baptist Memorial Hospital, Booneville," said John Tompkins, Administrator.

"Whether they be employees, volunteers, visitors or trustees, they are all people who are the Caring Kind. They are people who care about one another and about the community. It is their commitment to caring that we celebrate.

"We could not serve the community without the community's support," Tompkins said, "and the dedicated effort of our employees. National Hospital Week 1984 is a celebration of both our employees

and the community. Only by working together can we truly be the Caring Kind."

National Hospital Week is sponsored each year by the American Hospital Association and

its 6,300 member hospitals to foster better communication and understanding between hospitals and their patients, employees, and the communities they serve.

Let The Bible Answer

Hill's Chapel Church Of Christ

ROUTE 5, BOX 271 - BOONEVILLE, MISS.

WHEN WAS SAUL SAVED?

People have answered this question in different ways. Some say that Saul was saved on the road to Damascus, while others say he was saved when he was baptized. Since both answers cannot be correct, we must turn to the Bible for the correct answer. The different accounts of Saul's call and conversion, are found in the book of Acts chapters 9, 22, and 26.

When the Lord appeared to Saul on the road to Damascus, Saul asked who it was and what he must do. (Acts 9:5-6) The Lord did not tell Saul what to do, but told him where to go in order to find out what he must do. (Acts 22:10) The purpose of the Lord's appearance to Saul was to make him a minister and witness. (Acts 26:16-18)

After Saul had gone into Damascus, the Lord sent Ananias to Saul for the following reasons: (1) that he might receive his sight, (Acts 9:17) (2) to fill him with the Holy Ghost, (Acts 9:17) (3) to tell him what to do to be saved and assist him in doing it. (Acts 22:16) It was in Damascus that Saul was to learn what to do and it was Ananias who told him what to do.

If Saul was saved on the road to Damascus, he was the most miserable saved man in the Bible. If he was saved on the road to Damascus, why did Ananias tell him to be baptized and wash away his sins? (Acts 22:16) Did the preacher deliver the wrong message? It is impossible to wash away something that does not exist. When a person is saved, all sins are forgiven. Saul was saved in Damascus when he obeyed the things Ananias told him to do. In baptism he reached the blood of Christ and all of his sins were forgiven.

Talk 'O The Town

Street Opinion

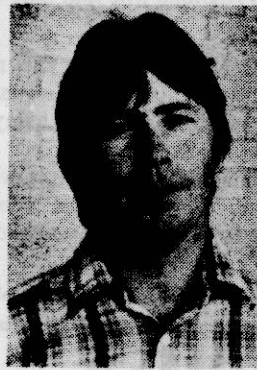

QUESTION: Does Prentiss County need a civil defense director?

MILDRED COX of New Site: "I certainly do. I live out in the county and we need a system to alert people so they can get to safety in case of bad weather."

MARIE HALL of North Lake Street: "Yes, I think we need one. Then the people would be alerted ahead of time about storms or tornados and not have to watch TV to know what to do."

HAROLD MICHAEL of Route 1, Booneville: "I believe it would pay to have one. We never know when we're going to have trouble. I think we need one."

TIM LOVELESS of Route 2, Tishomingo: "Yes. The civil defense director could issue storm warnings. We need someone to organize the work to clean up in case a tornado touched down."

CHERYL REYNOLDS of Route 2, Booneville: "Definitely. You can never tell what kind of disaster we'll have. If we had a disaster everyone would panic. We need a civil defense director to guide the people."

ANN CRABB of Route 1, New Site: "Yes, I think so - for safety reasons. It would help Prentiss Countians."

(Editor's note: "Talk O' The Town" is not intended as a scientific poll of public opinion. Rather, it is simply intended to give Prentiss Countians an opportunity to voice their opinions on particular issues and topics. Maybe we'll ask you next!)

Ponderings

By Angela Smith

Staff Reporter

When I am asking people 'street opinion' questions it takes from thirty minutes to an hour. During this time I have the opportunity to observe people coming and going at Wal-Mart - my favorite place to conduct street opinion. In the last two years since I have been asking street opinion questions I have noticed some things I cannot understand. One of those things happened Monday. I had been there about 20 minutes when I noticed two little girls sitting alone in a car, parked not too far from a front entrance to the store. I would guess the children were between the ages of 2 and 4. From the time I noticed the children it was at

least 30 minutes before the children's parents returned to the car. While the parents were inside the store shopping, the oldest child got out of the car once. It could be she dropped a toy out the window. She was only out of the car for a moment but in the meantime the youngest child began crying for her mother. She stopped crying when her sister got in the car again. While I was watching the children I remembered reading last week about a child who had been left alone in a car for a few moments. During those few moments he knocked the car out of gear. Luckily a passerby was able to stop the car before it rolled into traffic. As it was, these two children I was watching weren't concerned about playing with their car. They were more interested in me and watched me take pictures. I can't fully describe how it made me feel to see those children left alone like that. Mostly it made me angry. How can parents be so

thoughtless? There has been so much publicity recently about children being kidnapped - and in situations similar to that one. Monday night the movie, "Adam," was shown again on TV. That movie was about a six-year-old boy who was kidnapped and murdered. He was kidnapped in a department store. His mother had just left him alone for a few moments, too. While I was talking to one woman in street opinion, I told her about the children. She said that while I watched them she would go inside the store and have the parents paged. But before she could, the parents came out. Neither one of us said anything to the parents. I wanted to tell them what idiots I thought they were for leaving their children alone in a car while they left to shop. But I didn't. Legislature Must Act On Nearly 200 Bills

By SENATOR JOHN WHITE

This week, our last of the 1984 Regular Session, is being spent taking action on nearly 200 bills which have been in conference

committees where Senators and Representatives have been working out compromises. Both houses worked through the weekend to try to meet deadlines which call for the session to end May 6.

Some of the bills on which the two houses have come to agreement include: -Dual Registration: This bill eliminates the requirement that voters register at city hall for

municipal elections and at the county courthouse for all other elections. The bill also allows for voters to be registered at places other than the

Dear Editor: In your newspaper editorial of April 26th you ask some questions that need to be answered.

You ask if anyone was watching the radar in City Hall on the Saturday night that tornados struck north Mississippi. You ask if it was even turned on. You ask if the part-time radar watcher was even in town. You also ask the question could the residents of the surrounding area who were hit have been warned if Bill Prather had still been on the job.

Yes, Mr. Woodward, the radar was turned on. Yes, the Mayor and the part-time radar watcher were there. In fact, the Mayor was there until 30 minutes past midnight. As to warning the residents of the surrounding area, may I invite your attention to the fact that the City of Booneville has no authority to issue tornado warnings to anyone. This is a function of the federal government

through their National Weather Service stations and is a city knowledge they have never delegated this function to Civil Defense agencies or local governments.

I think that if you had taken the time to make one phone call to the City Hall you wouldn't have had so many unanswered questions. However, on the other hand, if you had made that one phone call then you wouldn't have had anything to write about would you?

May I suggest that in the future you gather the facts before you abuse the privilege of journalism by shooting off your mouth just to fill space in a newspaper. Sincerely yours, Robert Floyd (Note: Mr. Floyd is the person currently on call by the City to monitor the radar. Ed.)

Dear Editor: This is an open letter to Mr. Danny B. Childers, Prentiss County Tax Collector.

Dear Mr. Childers: Last Friday I came to your office to buy license decals for our cars. I came in rather than mail my check because I did not want to be responsible for the \$10.00 charge to replace each of them, should they be lost in the mail. Also, I saw no reason to pay extra to have them mailed.

However, when I received my receipt I found I had paid \$1.00 each as a "Mailing Fee." When I questioned this charge your clerk insisted, "It is our practice to charge this fee whether you come in or not." So, as I see it, you now have \$2.00 too much of my money. My first

though was, "this is too petty to bother with," but after consideration I am not so sure. It is a petty thing when, in any amount, an elected official chooses to exact an unfair (and I believe illegal) charge from the citizens he was elected to serve? As I recall, one of the things that triggered the American Revolution was a few pennies tax on tea.

Therefore I have made this an "open letter" and am sending a copy to The Banner-Independent for publication. I am not qualified to determine whether your practice of adding mailing charges when no mailing is provided is legal; that it is both unfair and unethical seems without question. Sincerely yours, Frank Scott

Dear Editor: I would like to thank both the Booneville Fire and Police Departments for their fine work and help during my recent house fire.

They gave our family their undivided attention and it is deeply appreciated.

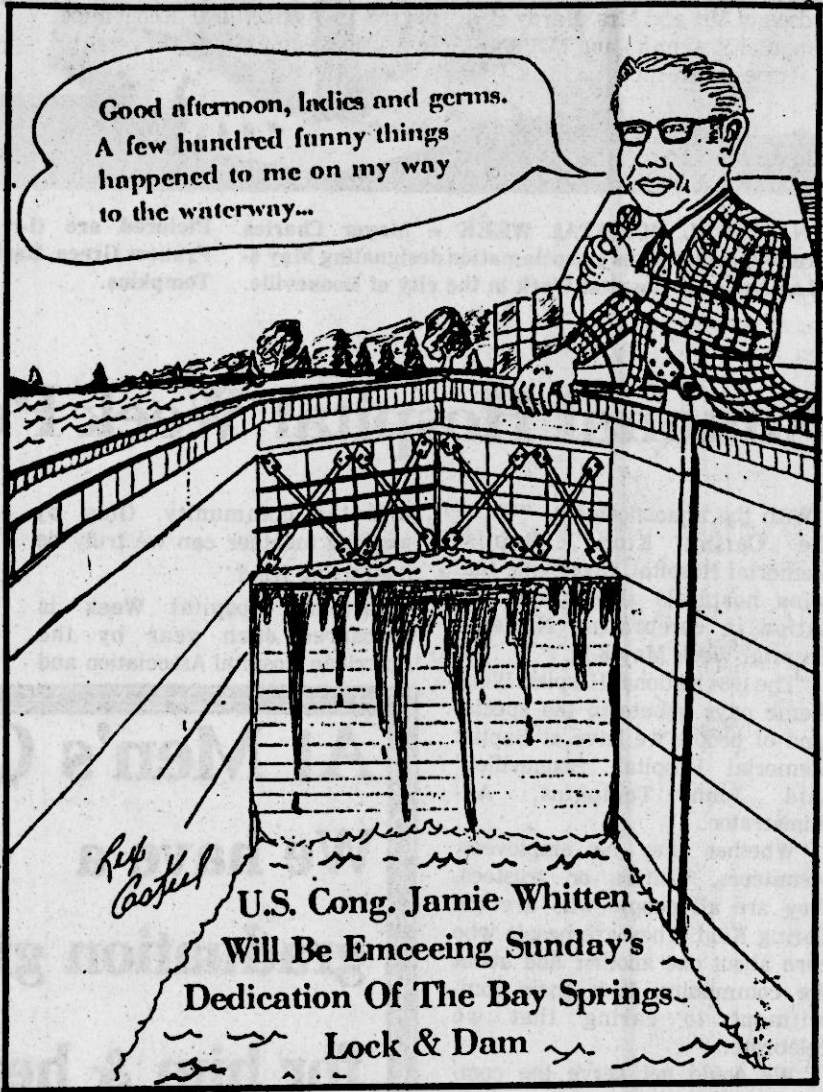

Not only did they work on putting out the fire, they worked very hard in

getting our belongings out of the house. They made our experience with tragedy seem easier.

Their work and life-risking attempts to save our belongings is deeply appreciated.

They should be commended for their fine work.

Thank you, Gary A. Cartwright

That Yankee From Yonder

By Ed Woodward

Managing Editor

A couple of years ago, when I was subbing for the editor of an Alabama weekly paper, I had to attend a county commissioners' meeting. County commissioners are Alabama's version of Mississippi's county supervisors.

When Les had first taken over as editor of that paper he had tried to attend a commissioners' meeting, been thrown out and had to return with a lawyer, who explained to the five men why they had to let the Press cover their meetings.

So, when I walked into the commissioners' meeting room, laid my tape recorder on the window sill and sat down, one of those elected officials pointed to the recorder and said, "I'm not going to say anything while that thing is running."

I said, "I'm just here to report what happens, and the recorder is my way of insuring that I don't misquote anyone." Then I asked him,

"Don't you think the people who elected you have a right to know what happens here?" He replied, "I'll tell them what they need to know."

Apparently, this is also to be the official attitude of the Board of Directors of the Prentiss County Electric Power Association.

Response to my being barred from the board's March meeting convinced us here at The Banner-Independent that you - our readers and the PCEPA's members - feel you have a right to know what goes on at the board's monthly meetings. So, we decided I should attempt to attend the April meeting.

I walked into the PCEPA building at 6:55 last Thursday night and sat down. Ronny Rowland and two or three board members shook hands and welcomed me. Then, a few minutes after 7 p.m., we all filed into the board room.

After the opening prayer, Board Chairman Percy White asked me if I had anything specific to bring before the board. I explained that I was just there to observe because it seemed a great many PCEPA members wanted to know what goes on at the meetings.

White then waved some copies of The Banner-Independent at me and accused me of having lied about what was said and what happened at the March meeting. When I replied that I had accurately reported what happened, he said he hadn't said what I quoted him as saying and pointed out that all the board members would back him up.

I don't doubt that. But I wonder how many of the non-board members who were present would back him up...not that it matters, because my report of that meeting was accurate.

White then said that his board is not subject to the Open Meetings Law and I would have to leave. And, rather than argue, I left.

Oh yes...White and his board did agree that we PCEPA members have a right to know what happens at the board meetings. And, they say, we can always find out by reading the minutes of those meetings, which are always available at the power association's offices for members to inspect them.

Now, I think that's very nice. And I can't wait for a chance to read those minutes. I'm sure they will tell us exactly what we "need to know."

Library Notes

By LEE DAVIS
Librarian
George E. Allen Library

Helen Jones (Mrs. Kermit Jones) is now exhibiting 27 paintings at the George E. Allen Library.

These are in several mediums, most of them painted as part of class requirements at Northeast Junior College.

Among them are three first place winners at the Northeast Junior College show.

This year the water color, "Fog Bound," won first place in painting. Best of Show for 1984 is "Violet's and Old Lace," a 22x28 oil painting.

"Contrasts," Best of Show for 1983, is done in white charcoal and soft pastel.

Mrs. Jones said she began taking art classes at Northeast purely for pleasure. Prior to these classes, she said she had never really drawn or painted before.

Another reason she began painting, was so she would be busy while her husband, Kermit, a certified public accountant, was busy during income tax season.

But now her love for painting extends beyond income tax time. For Mrs. Jones painting has become a full-time hobby - and one that she is free to express her feelings in.

One of her favorite paintings is "Violet's and Old Lace," and it will be sure to be a favorite of those who come by the George E. Allen Library to view her work.

Seminar For Volunteer Board Members

The legal liabilities of volunteer board members will be explored in a seminar Tuesday, May 8 at 6:30 p.m., in Patterson Hall on the Northeast Junior College campus, according to Eugene Doran, local project coordinator.

The seminar on legal liabilities is the first in a series of workshops to be offered by Northeast under the national demonstration project "Building Better Boards for Community Organizations."

Northeast is one of 148 colleges selected from across the nation to participate in the project which is designed to strengthen the skills of volunteers serving as board members of nonprofit organizations, Doran said.

Plans for future workshops include courses on fundraising and financial management, board recruitment, conducting effective meetings and board-staff relations,

SCHOLASTIC PRESS - The annual Mississippi Scholastic Press Institute was held recently at The University of Mississippi. Participating from Booneville High School's newspaper staff were (from left) Deanna Lambert, Mississippi Scholastic Press Association

County School Report

By J.W. GREENE
Prentiss County
Superintendent of Schools

At its March 5th meeting, the county school board approved payment on a note made by the Board of Supervisors on behalf of the school district in June of 1982 in the amount of \$200,000.00.

This note was necessitated by the expenses created as a result of the separation of school districts in 1980. In 1983 we paid \$40,000.00 plus \$12,041.76 in interest. The payment made recently for this year was \$40,000.00 plus \$11,700.00 in interest. Our plans are to have the note paid in full in the next two years.

Even though school districts around us seem to be struggling to make ends meet, our district has had some very unique financial problems during the last few years. In 1980 we were required to pay over \$100,000.00 in unemployment as a result of the separation of school districts.

Since that time, unemployment payments have averaged \$5,000.00

per quarter. Unemployment is paid directly from school maintenance funds (local tax monies) with no contribution from the state.

What this amounts to is that these large sums came directly from the monies used to operate our schools and educate our children; and they had to somehow be replaced.

Since I took office in January, the Board delayed the payment of unemployment for about 60 days while I consulted attorneys to make sure we were liable for the payment. Our efforts have been unsuccessful so far; and under the advisement of attorneys, the Board found it necessary to authorize the payment.

As superintendent, I feel you have a right to know about the financial situation of your school district. Many of you no doubt, are concerned about the condition of some of our school buses. We desperately need to replace some of them.

The Board is very aware of the problem and is taking a careful look at replacements. They are considering prices of both new and used

buses, as well as maintenance costs involved. Better buses will be added gradually as the budget permits.

Principals will begin soon to look at improvements to buildings and grounds. Due to the financial obligations which we must meet, I will be urging principals to carefully evaluate their situations and make only those improvements most needed. We will need your patience in these matters.

Energy costs continue to be staggering. Each principal has been asked to reduce utility costs by 20 percent. With conscientious effort I believe this can be accomplished. Parents can help by encouraging students to be energy-conscious at school. Every means of saving is important.

The 1983-84 school year is winding down, and students and teachers are looking forward to the summer vacation. The Board and I will continue to be busy planning for the 1984-85 school term.

I can truthfully say that I have gotten my feet wet as your superintendent. Now I guess it's time to sink or swim!

ANNUAL STAFF AT SCHOLASTIC PRESS - The annual Mississippi Scholastic Press Institute held recently at The University of Mississippi. Participating from Booneville High School's annual staff were (front row, from left) Annett Koon, Candi Lambert and

JONES EARNS NEMJC'S "BEST OF SHOW" - Helen Jones of Booneville not only took first prize but also earned "Best of Show" honors in Northeast Junior College's 1984 Art Awards Show. First prize in painting was won with Jones' "Fog Bound" while her "Violets and Old Lace" earned "Best of Show" honors. In the photo above, NEMJC Art Department Chairman Marty McClendon is standing with Jones in front of "Violets and Old Lace."

1984 Art Awards Announced At NEMJC

Twenty-four winners were recognized for their works and \$330 in prize money was awarded them when Northeast Junior College's Art Department recently named the winners of its 1984 Art Awards Show.

Booneville's Helen Jones was awarded "Best of Show" for her painting entitled "Violets and Old Lace." Ripley's Sandy Caviness won the "Most Improved" award for her work through the year.

Jones also took first place in the paintings category with "Fog Bound." Right behind her in second place was Burt Rencher of Corinth with his "Motiff and '72."

Third place was won by Booneville's Crystal McElroy on the strength of "Glassy Reflections." Rencher also captured an honorable mention with "Dream Flick" and Guntown's Michael McCarthy won honorable mention with his "All of a Sudden."

In drawing, "It's Just a Yolk" by Marci McCoy of Booneville won first place, while second was won with "Tired Tongues" by Thomas Dunaway of Saltillo.

Third place was won by Corinth's Cullen Davidson with his work called "Boots." Honorable mention winner was Gina Wilemon of Belmont with "Tools of the Trade."

First prize in design went to Anne Prather of Tupelo with "Shapes." Second prize was claimed by Corinth's Eric Page with "Eric of Melnebone."

Greg Garrison of New Albany took third place with "Brain Teasers" and McCoy's "Hidden Utensil" and Prather's "Music" both won honorable mention.

Merit award winner in the pottery category went to Verona's Chris Barnett for his "Weed Pot" while honorable mention went to McElroy for "Salad Bowl" and Booneville's Jim Floyd for "Ash Tray."

Advertising design's merit award winner was Corinth's Teresa Darwin, who won with her "Japan" travel poster. Honorable mention went to McElroy with "A Little Good News," Rencher with "Jamaica" travel poster, McCarthy with "We're Gonna Have a Party" and Rencher again with "Spandau Ballet."

ONLY TWO MORE WEEKS of school remain for the seniors at BHS, and the faculty and the remaining students would like to wish the Class of 1984 the best of luck in the future.

Graduation for the seniors is set for Friday, May 18, at 8 p.m. at Bonner Arnold Coliseum.

For grades 8-11, final exams will start May 23 and continue through that week.

RECENTLY, THE STATE FBLA CONVENTION was held in Jackson. BHS students Julie Long, Jessica Aust and Amy Goddard's chapter business report was named best in the state.

Juniors at BHS, the girls originally had intended for the project to be only a chapter project. But business instructor Mrs. Cartwright suggested that the girls enter the project at the district competition. The girls did, and they were winners.

Also at the conference, Scott McKinney, Jim Caver, Rod Coggin, Laurin Wood and Monica Canup won the award for best entrepreneurship project in the state.

These students, along with the other winners will compete for national recognition in July in Atlanta, Ga., at the national competition.

IN ADDITION to these awards, BHS junior Rose Anne Green was installed as the state FBLA

reporter and Mark McGreger, a senior at BHS, was named to the Who's Who organization in Mississippi Future Business Leaders of America.

Deanna Lambert, a junior at BHS, was recently elected FHA-HERO State Co-Newsletter Editor during the state FHA-HERO convention held in Jackson last week.

Accompanying Deanna on the trip were sponsors Mrs. Lee Griffin and Mrs. Cissy Worley, along with classmates Lori Deaton, Vicki Calamese, and Lola Johnson. Students and advisors attended workshops and classes that informed them of the FHA-HERO organization.

Last Tuesday BHS freshmen toured the Prentiss County Vocational-Technical School. Students met with school instructors about classes concerning many different business fields. The purpose of the tour was to introduce students to the opportunities available at the school.

The same day, April 17, the Drama Club attended the play "Carousel" at NEMJC's Seth Pounds Auditorium.

The play centered around a selfish man who realized, in the end, to care for others. Club sponsors Mrs. Jackson and Mrs. Snell attended the play with the students.

Class For Recertification Of Teachers

Area teachers may earn three semester hours credit toward recertification when they enroll in Computers in the Classroom, a special in-service class offered by Northeast Junior College, computer literacy coordinator Opal Melvin announced today.

The class, which is set to begin June 11 and continue through June 20, will meet in Room 22 of Wright Hall on the Booneville campus. Participants will meet for a total of 45 class hours.

Total cost per person is \$95.00, which includes tuition, registration fee and textbook. Limited to 20, the participants will be accepted on a first-come, first-pay basis. They must hold a STANDARD (5-10-year) teacher's certificate and be presently employed in a teaching position. Deadline for registering is May 15.

The class is a comprehensive study of the educational ap-

plications of micro-computer technology. Specific topics to be included are the computer, the school and the revolution; current applications, selecting educational computers, computer languages, types of educational applications, students and microcomputers,

sources of information, related microcomputer problems and future trends.

The format will be lecture, discussion, demonstration, hands-on activities and projects.

Melvin cautioned would-be participants that only one in-service

class can be counted toward license renewal, while one three hour credit must be regular academic credit earned through a senior college or university.

For additional information, Melvin can be reached at 728-7751, ext. 303.

NEMJC STUDENT, INSTRUCTOR ELECTED TO MHEA OFFICES — Northeast Junior College freshman Susan Wimberley and her instructor in home economics, Barbara McCoy, have both been elected to serve as officers in the Mississippi Home Economics Association. At left in the photo above, Wimberley was recently elected chairman of the student member section of the northeast district of MHEA. Her duties will be similar to those of a president, presiding over the fall and spring meetings during the coming year. At right is McCoy, who was elected president-elect of the northeast district. She will act as program coordinator. McCoy was also elected vice president last year. Wimberley is majoring in home economics education and plans to attend Mississippi University for Women next year. She serves as secretary for her local home ec club at Northeast and is the daughter of Lavelle Wimberley of Booneville.

Northeast Now Accepting Applications For Dental Hygiene Program

Applications to the dental hygiene program at Northeast Junior College are now being accepted, according to department chairman Dr. Charles Johnson.

Limited to 12 students, the new class will begin May 25, with the first semester of summer school.

According to Dr. Johnson, applicants must apply for admission to both the College and to the dental hygiene program. A minimum score of 15 is required on the ACT (American College Test).

Under the supervision of a licensed dentist and hygienist, the course of study includes lecture and hands-on clinical training.

Graduates of the program will be trained to perform dental office duties, which include scaling and polishing teeth, applying fluoride treatments, applying pit and fissure sealants, taking X-rays, making

study models and teaching patients correct oral hygiene procedures.

Upon completion of the program, students will receive the Associate of Science degree, will have written the national board exam and will be eligible to take state boards in any state.

One of three dental hygiene programs in the state, the Northeast program is accredited by the American Dental Association's Commission of Accreditation, the highest classification granted to Dental Hygiene Programs by the American Dental Association.

For additional information or to apply for admission, write the Office of Admissions, Northeast Mississippi Junior College, Booneville, Miss. 38829 or call (601) 728-7751, ext. 239.

May 6 Is Deadline To Register For COMP Test At NEMJC

Students majoring in educational fields and planning to enroll in state-supported institutions of higher learning this fall will need to take the COMP Test June 16 at Northeast Junior College.

The COMP, College Outcome Measures Program test, is mandatory for all education majors as a result of educational reform legislation recently passed. The purpose of the test is to ensure that top-quality educators will be

graduated from Mississippi's colleges and universities.

The last day to apply for the COMP to be given at Northeast is May 6. NEMJC counselor Sarah Rhodes said the test will only be given at Northeast this one time during the summer and then again in October.

The fee for taking the entire COMP exam is \$25. Depending on his or her ACT score, a student may

FmHA Offers Disaster Assistance

The Farmers Home Administration has offered its resources in the rebuilding efforts in tornado-ravaged north Mississippi.

Don Barrett, FmHA State Director, announced that a temporary office has been set up in Water Valley to help tornado victims.

"Farmers Home Administration

is not required to wait on a disaster declaration," Barrett said. "We have millions of dollars available under our present programs, and those people need help right now," Barrett said.

Barrett said, "that many low income victims could qualify for low interest loans to repair or replace damaged housing and that

FmHA's highest priority would be the processing of these housing loans."

FmHA will also send a team of construction inspectors into the stricken areas to help its borrowers with insurance claims, and will turn over 25 houses owned by FmHA to relief officials for temporary shelter in these counties, he said.

Walk-America 1984

WALK-AMERICA WINNERS - Over \$5,000 was raised in the recent Prentiss County "Walk America" for the March of Dimes. Over 200 people participated in the walk. Students from Anderson Junior High raised approximately \$700, while Blue Bell had the most participants and raised the most money, \$1,500. Pictured are (front, l-r) Mandy Harrison, Jason Harrison, James Davis, Thomas Davis, of Anderson

Junior High; (middle row, l-r) Lisa Hopkins of Anderson Junior High; Anthony Pettigo, the overall winner, who raised \$289.83; Timothy McGaha of Anderson Junior High; (back, l-r) Pam Petty of Brown Shoe who raised \$85 and was the adult individual who turned in the most donations; and Debbie Hutchens, representing Blue Bell.

county courthouse in order to make registration more accessible to the public.

- **Ethics:** The voters of the state will have the opportunity in the November general election to approve an amendment to the state Constitution which would prohibit conflict of interest of public officials. The proposal prohibits officials from doing business with or having an interest in a business which contracts with the level of government in which he serves.

Some of the bills which have been agreed upon by both houses and signed into law by the Governor include:

- **Flood Control:** The bill gives the Pearl River Basin Development District the authority to sponsor federal flood control projects, but allows any three counties to veto a project. Resolutions have also been introduced to create a special committee to study the chronic flooding problem in the Pearl River Basin.

- **PKU:** This bill mandates testing of newborns for hypothyroidism and phenylketonuria (PKU) which could combat mental retardation.

- **Medicaid:** The bill delays for one year the implementation of the Medically Needy Coverage.

Bills which we will be acting on this week after being reported out of conference committee include:

- **Trespassing:** A bill prohibiting entering upon lands without permission of the owner.

- **Separation of Powers:** A set of bills reorganizing state boards and commissions after removing legislators from them.

- **Sovereign Immunity:** A bill extending sovereign immunity (which prohibits governmental entities from being sued) for one year after which limits will be set on when governmental bodies may be sued and how much the claim can be.

- **Appropriations:** There are 100 bills appropriating funds for state agencies and programs for the next year in conference committee.

- **Unemployment:** A bill revising eligibility for unemployment benefits.

- **Corrections:** A bill reenacting the Department of Corrections which includes a provision to hire a superintendent for Parchman.

- **Childnapping:** A bill making it unlawful to remove a child from a parent or legal guardian.

- **Commitment:** A bill revising involuntary commitment procedures to a mental institution.

- **Gifted School:** A bill creating a school for gifted high school junior and seniors on the Mississippi University for Women campus.

- **Parole:** A bill limiting supervised parole to two years with the remainder of the parole period to be served unsupervised.

- **Interest Rates:** A bill setting the maximum interest rates which may be charged on small loans by financial institutions.

In other action last week, the Senate:

- amended and approved a House bill which would finance a permanent tourism center for Jackson through a one-half percent sales tax on restaurants and motels with annual revenues of over \$100,000.

- passed a Senate resolution requesting the State Tax Commission to revise the method it uses to appraise property of public utilities for ad valorem taxation purposes to make it accurately reflect the true value of the property.

Booneville Happenings

By MRS. GORDON MCGEE
Correspondent

Mrs. Marie Parks of Michigan City, Ind., and Mrs. W.C. King of Houston, Texas, recently spent the week with their mother, Mrs. Bertha Johnson.

Last week three young people, Holley Bonds, Benjie Houston and Amanda Miller, represented the First Baptist Church in the Prentiss Associational Bible Drills where they qualified for the State Bible Drill. The State Drill was held Monday, April 30, at First Baptist Church in Baldwin, Mr. and Mrs. Hugh Dickerson were the leaders in this training program.

Mrs. L.A. Bolding and daughter, Mrs. Larry Bolding of Union City, Tenn., had a visit with Mamie South on Friday, April 24.

Mrs. Marie Hall, Saltillo, recently visited with Mr. and Mrs. Leland Mullinix.

Mr. and Mrs. Quitman Loden have returned from a 16 day trip in Ogden, Utah, where they visited with their son and family, Lt. Colonel and Mrs. Michael W. Loden, Todd, Shawn and Tiffany.

May 5 is the "White Elephant" Sale by youth of First United Methodist Church. Be sure and go by and see if you can find something you can't do without. The sale will be held at the First Methodist Church.

Thursday, April 26, the associational Baptist Senior Citizen fellowship was held at Mt. Olive Baptist Church. Bro. Marshall, pastor of Wheeler Baptist church, brought the message. Bro. Joe McIntire gave the devotional. Coy Stuts led the Bible quizz. A good crowd attended as many of the

churches were represented. Mr. and Mrs. Harold Joyner of Tupelo were Saturday guests of Mrs. Christine Huddleston.

Mrs. Delores Towery of Smithville was a guest Sunday of Mr. and Mrs. Claud Spencer.

Mrs. Ruby Mims visited her sister, Mrs. Ruth Wilson in Ripley and friends in New Albany last week.

Mr. and Mrs. Jimmie Henry and Patrick of Guntown were Saturday visitors of Mr. and Mrs. Billy Prather.

Mrs. Bobby Nell Johnson of Kenosha, Wis., spent last week with her mother, Mrs. Etta Nix, who is ill.

Mr. and Mrs. Claud Spencer went to Kossuth last Saturday for a visit with Mr. and Mrs. Charles Sego, Jason and Tonya.

Shirley Prather of Hattiesburg spent the weekend with her parents, Mr. and Mrs. Billy Prather. Shirley is now employed by the First Mississippi International Bank as mortgage loan administrator.

Sympathy is extended to the family of Dewey Arnold. He died last Wednesday at his residence in Baldwin and was buried last Friday in the Lebanon Cemetery. He was the father of Mrs. Jessie Bullock of Booneville.

Dr. and Mrs. Bill Duncan and family spent the weekend in Jackson, Miss., with Mrs. Duncan's parents, Mr. and Mrs. H.B. Duckworth where they attended the 50th wedding anniversary of Mr. and Mrs. Duckworth.

In Bro. Duncan's absence at First Baptist Church, Jerri R. Bullard was the guest speaker. He is a Southern Baptist Missionary to Columbia, South America. He is

working in Tupelo while on leave from the Foreign Mission Board. Thursday, May 3, is National Day of Prayer - a way in which all Americans can truly make a significant contribution to our nation at a moment in history when we need God's intervention. Pray that others will participate.

Kym Smith and Jennifer Robinson of NEMJC went to Memphis last Friday for the weekend with Jennifer's parents, Mr. and Mrs. Bob Robinson.

Mr. and Mrs. L.C. Wright went to Tupelo last Saturday for a visit with Mr. and Mrs. Hal Wright, Daniel and Michael.

Best wishes and prayers are extended to Dayton Ward who is home from the hospital.

Weekend visitors of Mr. and Mrs. Dayton Ward were Mr. and Mrs. Clyne of Iuka, Mr. and Mrs. Jack Searcy and Mrs. Nell Martin, Belmont, Mr. and Mrs. Sid Wilson, Tishomingo, Mrs. Floyd Davis, St. Joseph, Tenn., Mrs. Quay Poole, Ralph Harris, Vester and Ola Harris of Thrasher, Mr. and Mrs. Nonan Harris and Mr. and Mrs. Jack Ward.

Recent visitors of Mrs. Catherine Richie were Mr. and Mrs. J.B. Smith and Mark, Muscle Shoals, Ala., Mr. and Mrs. Phillip Worley, Machele and Melissa, Fayette, Ala., and Mr. and Mrs. Sam Richey and Clay.

Mr. and Mrs. Mike Marcelle and Matt of Muscle Shoals, Ala., were Sunday guests of Mr. and Mrs. Oliver Downs and Terry.

Congratulations to the three youth who will serve as cheerleaders for the 1984-85 from First United Methodist - Jennifer

Jones, Emily Comer and Melissa Stell.

Easter services were well attended at First United Methodist Church. The Rev. C.L. Potts delivered the message and the choirs presented music.

Sunday guests of Mr. and Mrs. Bruce Lester were Mr. and Mrs. John Young, Mrs. Mitzi Miller, Audrey and Molly Ann of Batesville.

Mrs. Frances Bryant of Tupelo enjoyed the day last Monday with Mrs. A.L. Bryant.

Those still on the sick list include: Mrs. Ruby Reno, Booneville Hospital; Mrs. Evelyn Breedlove, Memphis; Donald Franks and Mrs. Lula Mae Irvin, Birmingham; Mrs. Wood, Vena Baldwin's mother, Tupelo; and Dayton Ward and Mrs. Mamie South, at home.

Mrs. John M. Curlee Sr. was honored with a birthday dinner Sunday, April 29. Those attending the celebration were Joe and Beth Curlee, Rienzi; John Mac, Elizabeth, Frank and Mike Curlee of Aberdeen; Mac, Martha Lewis, John and Elizabeth Curlee, Booneville; Mrs. Nolen Michael, Rienzi; and Mr. and Mrs. Forrest Michael of Booneville.

Daniel Spain will be competing in a Computer Fair on May 12 at the University of Alabama in Birmingham. His original "Space Quiz" computer program won him a place in this final State competition. His parents are Bill and Mary Clyde Spain of Birmingham. Grandparents are Mr. and Mrs. Harold Spain and Mr. and Mrs. Harold Prichard of Booneville.

Local Chiropractor Appointed To Study Committee

Dr. Jim Davis has been appointed to a committee to conduct in-depth clinical study on personal injury (whiplash) in Prentiss County.

As a result of the advanced work in personal injury Dr. Davis has successfully completed, he was one of a select group chosen while attending a three-day symposium in Atlanta, Ga.

The symposium was conducted by Practice Consultants. Included in the study was intensive technical training on personal injury (whiplash) and resulting trauma.

Dr. Davis states that this additional training will enable him to render a more complete service to patients involved in personal injury (whiplash).

By-Laws of The Prentiss County Electric Power Association

These by-laws are being published in The Baldwin News and The Banner-Independent for the information of all members of the Prentiss County Electric Power Association. The by-laws were originally adopted by the Board of Directors in 1962 and have been amended through the years. The by-laws printed below are the existing by-laws as of today, April 27, 1984.

Ronny Rowland, Secretary-Manager
Prentiss County Electric Power Association

BY-LAWS OF PRENTISS COUNTY ELECTRIC POWER ASSOCIATION Booneville, Mississippi

The aim of the Prentiss County Electric Power Association (hereinafter called the "Cooperative") is to make electric energy available to its members at the lowest cost consistent with sound economy and good management.

By-Laws ARTICLE I MEMBERS

SECTION 1. Qualifications and Obligations. Any person, firm, corporation or body politic may become member in the Cooperative by:

(a) paying the membership fee hereinafter specified;

(b) agreeing to purchase from the Cooperative electric energy as hereinafter specified; and

(c) agreeing to comply with and be bound by the Mississippi Electric Power Association Act of 1936, as amended, by the certificate of incorporation of the Cooperative and these bylaws and any amendments thereto, and such rules and regulations as may from time to time be adopted by the Board of Directors.

provided, however, that no person, firm, corporation or body politic shall become a member unless and until he or it has been accepted for membership by the Board of Directors or the members. At each meeting of the members, all applications received more than ninety (90) days prior to such meeting and which have not been accepted by the Board of Directors shall be submitted by the Board of Directors to such meeting of the members, and subject to compliance by the applicant with the conditions set forth in subdivision (a), (b) and (c) of this section, such application for membership may be accepted by a vote of the members of such meeting. The Secretary shall give any such applicant at least ten (10) days prior notice of the date of the members' meeting to which his application will be submitted and such applicant may be present and heard at the meeting.

A husband and wife may jointly become a member and their application for a joint membership may be accepted in accordance with the foregoing provisions of this section, provided the husband and wife comply jointly with the provisions of the above subdivisions (a), (b) and (c).

SECTION 2. Membership Fee. The membership fee shall be not less than \$20.00 nor more than \$100.00, not less than \$10.00 of which shall be paid at the time of application for membership. The Board of Directors may, if the financial condition of the Cooperative requires, direct that the remaining \$90.00 or any part thereof be collected at the rate of \$1.00 per month per service connection. Electric bills which cover a period of electric service less than 15 days will not include membership charges. All membership fees collected in excess of \$20.00 shall be returned to the member, when, in the opinion of the Board of Directors, the financial condition of the Cooperative justifies such refunds.

One membership must be held in connection with each separate or noncontiguous property for which service is taken and for each different class of service desired; provided, however, that commercial and residential service may be obtained upon one membership if the commercial activity is carried on in the residence of the owner, and electric service is provided through a single meter and billed under the appropriate lighting and power rate.

SECTION 3. Service to Non-Members. The Cooperative shall render service to its members only; provided, however, that service may be rendered to governmental agencies and political sub-divisions, and to other persons not in excess of

ten per centum (10 percent) of the number of its members; and provided, further, that should the Cooperative acquire any electric facilities dedicated or devoted to the public use it may, for the purpose of continuing service and avoiding hardship and to an extent which together will all other persons served by the Cooperative on a non-member basis shall not exceed forty per centum (40 percent) of the total number of persons served by the Cooperative, continue to serve the persons served directly from such facilities at the time of such acquisition without requiring that such persons become members upon non-discriminatory terms.

SECTION 4. Purchase of Electric Energy. Each member shall, as soon as electric energy shall be available, purchase from the Cooperative all electric energy used on the premises referred to in the application of such member for membership, and shall pay therefor monthly at such rates as shall be appropriately fixed by the Board of Directors; provided, however, that the electric energy which the Cooperative shall furnish to any member may be limited to such an amount as the Board of Directors shall from time to time determine, and that each member shall pay to the Cooperative such minimum amount per month as shall be fixed by the Board of Directors from time to time, regardless of the amount of electric energy consumed. Each member shall also pay all obligations which may from time to time become due and payable by such members to the Cooperative as and when the same shall become due and payable.

SECTION 5. Amortization Charge. Deleted January 27, 1977.

SECTION 6. Non Liability for Debts of the Cooperative. The private property of the members of the Cooperative shall be exempt from execution for the debts of the Cooperative and no members shall be individually liable or responsible for any debts or liabilities of the Cooperative.

SECTION 7. Expulsion of Members. The Board of Directors of the Cooperative may, by the affirmative vote of not less than two-thirds (2/3) of the members thereof, expel any member who shall have violated or refused to comply with any of the provisions of the Mississippi Electric Power Association Act of 1936, as amended, or of the certificate of incorporation of the Cooperative or these by-laws or any rules or regulations adopted from time to time by the Board of Directors. Any member so expelled may be reinstated as a member by a vote of the members at any annual or special meeting of the members. The action of the members with respect to such reinstatement shall be final.

SECTION 8. Transfer, Termination and Withdrawals of Memberships. (a) When any member desires to transfer his membership to any other person who is qualified for membership in the Cooperative, he may assign the same according to the following procedure, unless the Board of Directors find that it is not feasible for the Cooperative to extend service to the proposed assignee:

(1) The assignor and assignee shall fill out an assignment blank which the Secretary shall make available, showing the location of the premises which have been served in connection with the membership, the character and approximate amount of service which has been taken, the location of the premises for which the assignee desires service and the type of and approximate amount thereof which is desired;

(2) The assignor and assignee shall make satisfactory arrangements with the Board of Directors for the payment to the Cooperative of any obligations of the assignor to the Cooperative and for making of any repairs or replacements which are required on the meter boxes or other

facilities owned by the Cooperative and used in service to the premises in question:

(3) The sum of fifty cents (50 cents) shall be paid to the Treasurer of the Cooperative to cover the expense of each assignment; and

(4) Upon the assignment of any membership the assignor shall endorse the certificate of membership on the back of the same and the assignment shall be recorded on the books of the Cooperative. The assignment of a membership shall operate to transfer to the assignee all interest, rights, privileges, duties and obligations of the assignor, which shall thereafter be enjoyed and assumed by the assignee, and shall divest the assignor of all right, title and interest in the property and assets of the Cooperative.

(b) A membership may be transferred by a member to himself or herself and his or her spouse, as the case may be, jointly upon the written request of such member and compliance by such husband and wife jointly with the provisions with respect to transfers of membership set forth in paragraph (a) of this section. When a membership is held jointly by a husband and wife, upon the death of either such membership shall be deemed to be held solely by the survivor with the same effect as though such membership had been originally issued solely to him or her, as the case may be, and the joint membership certificate may be surrendered by the survivor and upon the recording of such death on the books of the Cooperative the certificate may be reissued to and in the name of such survivor; provided, however, that the estate of the deceased shall not be released from any membership debts or liabilities to the Cooperative.

(c) Termination of membership in any manner shall not release the member from the debts or liabilities of such member to the Cooperative.

(d) Any member may withdraw from membership upon payment in full of all debts and liabilities of such member to the Cooperative and upon compliance with such terms and conditions as the Board of Directors may prescribe.

SECTION 9. Change of Premises to be Served. Any member who moves from one location to another shall be entitled to receive service at his new location if (a) member notifies the Cooperative of his change in location, describing the new premises and the type and approximate amount of service desired therefor, (b) the new location is within the area of service of the Cooperative, as determined by the Board of Directors, and (c) such member pays a reasonable connection charge, the amount of which shall be determined by the Board.

SECTION 10. Repurchase of Memberships. (a) When in the judgment of the Board of Directors the financial condition of the Cooperative justifies it, the Board may authorize the repurchase of memberships not on the active accounts of the Cooperative.

(b) In case the Cooperative disposes of facilities which are necessary for the service of any members thereof, such members shall be notified of such disposition at least two (2) months in advance and shall be entitled to have their respective memberships repurchased by the Cooperative.

(c) Memberships repurchased under (a) and (b) of this section shall be repurchased upon such non-discriminatory terms as the Board of Directors may direct.

SECTION 11. Security Deposits. When the membership fee (or such meter deposit as may be required with respect to service to non-members) does not in the judgment

of the Board of Directors constitute sufficient security for the payment of bills for electric energy, the Board of Directors may require such customer to post a deposit with the Cooperative in an amount deemed sufficient to secure such payment.

SECTION 12. Wiring. Service to any person may at the discretion of the Board of Directors be conditioned upon such person furnishing to the Cooperative the certificate of a reputable inspector stating that the wiring of the premises served or to be served complies with all local regulations and is in accordance with the latest rules and regulations of the National Electric Code of the National Board of Fire Underwriters for the installing of electric wire, apparatus, and appliances, and is in accordance with the wiring, specifications prescribed by Rural Electrification Administration. The requirement or waiver of such a certificate, however, or the supplying of service on the basis thereof, shall not subject the Cooperative to liability to any member or other person for any damage or injuries such sustained by reason of defects existing in the wiring of such premises.

SECTION 13. Easement for Cooperative's Lines. Members shall, without charge to the Cooperative, grant to it easement over land owned by them for the transmission and distribution lines of the Cooperative, and the Board of Directors may require from applicants for membership the return of any payments previously made to such applicants for easements.

Article II

MEETING OF MEMBERS

SECTION 1. Annual Meetings. The annual meeting of the members shall be held on the last Friday in August of each year, at such place within the service area of the Association as shall be designated in the notice of the meeting, for the purpose of electing Directors, passing upon reports covering the previous fiscal year and transacting such other business as may come before the meeting: provided, however, that members may vote for directors at such place or places within the service area of the Association as shall be designated in the notice of the meeting. If the day fixed for the annual meeting shall be a legal holiday, such meeting shall be held on the next succeeding business day. Failure to hold the annual meeting at the designated time shall not work a forfeiture or dissolution of the Cooperative.

SECTION 2. Special Meeting. Special meetings of the members may be called by the Board of Directors, by any seven (7) Directors, or upon a written request signed by at least twenty per centum (20 percent) of all the members and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided. Special meetings of the members may be held at any place within the service area of the Association provided such place is specified in the notice of the special meeting.

SECTION 3. Notice of Member's Meetings. Written notice stating the place, day and hour of the meeting and, in case of special meetings, the purpose for which the meeting is called, shall be delivered not less than five (5) days nor more than twenty-five (25) days before the date of the meeting, either personally or by mail, by or at the direction of the Secretary, or by the persons calling the meeting, to each member. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at his address as it appears on the records of the Cooperative, with postage thereon prepaid. In case of

a joint membership, notice given to either husband or wife shall be deemed notice to both joint members. The failure of any member to receive notice of any annual or special meeting of the members shall not invalidate any action which may be taken by the members at any such meeting.

SECTION 4. Quorum. At least fifteen per centum (15 percent) of the total number of members of the Cooperative, present in person, shall constitute a quorum for the transaction of business at all meetings of the members. In case of a joint membership, the presence at a meeting of either husband or wife, or both, shall be regarded as the presence of one member. If less than a quorum is present at any meeting, the President or presiding officer shall adjourn the meeting with no business transacted. In the event a quorum is not present at any meeting at which Directors are to be elected, the present Directors, who are candidates for re-election, shall continue to serve as Directors for another term, subject to the provisions of these By-Laws with respect to removal of Directors.

SECTION 5. Voting. Each member shall be entitled to only one vote upon each matter submitted to a vote at the meeting of the members. All questions shall be decided by a vote of a majority of the members voting thereon, except as otherwise provided by these By-Laws, the articles of incorporation or the law. Voting by mail shall be permitted only in connection with questions which require a majority vote of the members of the Cooperative.

Any member may authorize the Secretary of the Cooperative to act for that member on all matters submitted to the members at any meeting of the members. This authorization shall be in the form of a proxy, executed in writing by the member, designating the Secretary of the Cooperative as the authorized representative of the member, and filed with the Secretary before or at the time of the meeting. No proxy shall be voted at any meeting of the members unless it shall designate the particular meeting at which it is to be voted, and no proxy shall be voted at any meeting other than the one so designated or any adjournment of such meeting. No proxy shall be valid after sixty (60) days from the date of its execution. The presence of a member at a meeting of the members shall revoke a proxy theretofore executed by him and such members shall be entitled to vote at such meeting in the same manner and with the same effect as if he had not executed the proxy.

Any member who executes a proxy designating a meeting of the members at which directors are to be elected, may advise the Secretary as to the members' preference for directors.

SECTION 6. Order of Business. The order of business at the annual meeting of the members, and so far as possible at all other meetings of the members, shall be essentially as follows:

1. Call to order by the President of the Cooperative who shall preside over all meetings of the members. In the President's absence or inability to preside the Vice-President of the Cooperative shall preside.
2. Determine if quorum is present.
3. Reading of the notice of the meeting and proof of the due publication or mailing thereof, or the waiver or waivers of notice of the meeting, as the case may be.
4. Reading of unapproved minutes of previous meeting of the members and the taking of necessary action thereon.
5. Presentation and consideration of, and acting upon, reports of officers, trustees and committees.
6. Unfinished business.
7. New business.
8. Election of Directors.
9. Adjournment.

ARTICLE III DIRECTORS

SECTION 1. General Powers. The business and affairs of the Cooperative shall be managed by a Board of thirteen (13) Directors which shall exercise all of the powers of the Cooperative except such as are by law or by the articles of incorporation of the Cooperative or by these by-laws conferred upon or reserved to the members. Two directors shall be elected from each of five (5) areas served by the distribution lines owned by the Cooperative and described as follows: Area Number One (1); that area served by the Cooperative located in Range Seven (7) East and North of the South boundary of Township Five (5) South, Area Number Two (2); that area served by the Cooperative located North of the South boundary of Township Five (5) South and West of the West boundary of Range Seven (7) East, Area Number Three (3); that area served by the Cooperative South of the South boundary of Township Five (5) South and East of the West boundary of Range Eight (8) East, Area Number Four (4); that area served by the Cooperative South of the South boundary of Township Five (5) South and East of the West boundary of Range Eight (8) East, Area Number Five (5); that area served by the Cooperative located North of the South boundary of Township Five (5) South and East of the West boundary of Range Eight (8) East. Each director must be a resident of the area he represents. Two members who reside within the city limits of Booneville, Mississippi and one member who resides within the city limits of Baldwin, Mississippi shall be elected to membership on the Board of Directors. All directors must be members in good standing of the Cooperative.

SECTION 2. Election and Tenure of Office. Directors shall be elected by the members at each annual meeting as herein described, and subject to the further provisions of this section, shall hold office until their successors are elected and shall have qualified.

Members presently serving as directors of the Cooperative, the area and post represented, and the expiration of the present terms are as follows: Terms that shall expire on the last Friday in August 1970 shall be Area No. 1-Post No. 2, Percy T. White, Area No. 2-Post No. 2, J.M. Green, Area No. 3-Post No. 2, J.H. Gardner, Area No. 4-Post No. 2, J. Mack Goodwin. Terms that shall expire on the last Friday in August 1971 shall be Area No. 3-Post No. 1, G.B. Grisham, Area No. 4-Post No. 1, W.A. Gray, Area No. 5-Post No. 1, Dramon Williams, City of Booneville-Post No. 1, Paul C. Ellzey. Terms that shall expire on the last Friday in August 1972 shall be Area No. 1-Post No. 1, L.C. Wright, Area No. 2-Post No. 1, Russell B. Hill, Area No. 5-Post No. 2, Edwin Brown, City of Baldwin, Hollis R. Smith, City of Booneville-Post No. 2, L.H. Oakley. At the expiration of the above and all subsequent terms, Directors elected to fill the posts with terms expiring, shall be elected to serve a term of three (3) years or until their successors shall have been elected and shall have qualified, subject to the provisions of these by-laws with respect to the removal of directors. Directors presently serving will continue to remain in office until their successors shall have been elected and shall have qualified unless sooner removed according to these by-laws. All candidates for the office of Director shall be voted upon by the members. Balloting shall be on official ballot furnished by the Cooperative at such time and place, or places, within the service area of the Association as shall be designated in the notice of the meeting.

The Secretary of the Cooperative shall provide adequate personnel to determine eligibility of members, keep a register of members who

vote, hand out official ballots to qualified members and tabulate the votes cast. The Secretary shall also select a sufficient number of members in good standing to act as judges of the election and three (3) such judges shall act as judges at each place of balloting. Terms of office of these judges shall be subject to the provisions of these by-laws with respect to the removal of directors.

SECTION 3. Qualifications. No person shall be eligible to become or remain a director of the Cooperative who:

(a) is not a member and bona fide resident in the area served by the Cooperative and in the area he represents as described in Section 1 of this Article; or

(b) is in any way employed by or financially interested in a competing enterprise or a business selling electric energy or supplies to the Cooperative; or

(c) is in any way employed by or financially interested in an enterprise or business whose primary function is closely related to electric power distribution, including but not limited to electricians, electric wiring contractors, electric appliance sales or repair, or sales of electrical equipment or supplies; or

(d) holds a full time elective public office in connection with which a regular salary is paid.

When a membership is held jointly by a husband and wife, either one, but not both, may be elected a director, subject to the eligibility qualifications stated above.

SECTION 4. Nomination. Any member of the Cooperative who meets the qualifications set forth in these by-laws may qualify by petition to become a candidate for Director. This petition shall contain a request signed by the member stating his desire to become a candidate for Director of the Prentiss County Electric Power Association. The petition shall indicate the Post for which the member desired to be a candidate. This petition must contain the endorsement of not less than twenty-five (25) members in good standing of the Cooperative and be filed with the Secretary of the Cooperative not less than twenty-five (25) days before the meeting of the members. Individual petitions must be filed by each member desiring to qualify as a candidate for Director.

The names of all candidates for Director qualifying as provided in this section shall appear on the official ballot furnished by the Cooperative and no candidates for Director shall be qualified in any other manner.

The Secretary shall prepare and post at the principal office of the Cooperative at least twenty (20) days before the annual meeting of the members a list of candidates for Director. The Secretary shall mail with the notice of the meeting a statement of the number of Directors to be elected and showing the qualified candidates for each post to be filled.

SECTION 5. Removal of Directors and Officers. Any member may bring charges against an officer or director by filing them in writing with the Secretary, together with a petition signed by twenty percentum (20 percent) of the members, requesting the removal of the officer or director in question. The removal shall be voted upon at the next regular or special meeting of the members and any vacancy created by such removal may be filled by the members at such meeting. The director or officer against whom such charges have been brought shall be informed in writing of the charges previous to the meeting and shall have an opportunity at the meeting to be heard in person or by counsel and to present evidence; and the person or persons bringing the charges against him shall have the same opportunity.

SECTION 6. Vacancies. Subject to the provisions of these by-laws with respect to the removal of Directors, vacancies occurring in the Board of Directors shall be filled by a majority vote of the remaining Directors and Directors thus elected shall serve the unexpired term of the departed Directors they replace or until their successors shall have been elected and shall have qualified.

SECTION 7. Compensation. The Directors shall not be entitled to compensation for their services as directors but shall be entitled to reimbursement for expense incurred by them in the performance of their duties. No Directors shall receive compensation for serving the Cooperative in any other capacity.

SECTION 8. Rules and Regulations. The Board of Directors shall have power to make and adopt such rules and regulations, not inconsistent with law, the articles of incorporation of the Cooperative or these by-laws, as it may deem advisable for the management, administration and regulation of the business and affairs of the Cooperative.

SECTION 9. Accounting System and Reports. The accounts of the Cooperative shall be established and maintained in such form, subject to any contractual obligations of the Cooperative, as the Board of Directors may prescribe. All accounts of the Cooperative shall be examined by a committee of the Board of Directors which shall render reports to the Board of Directors. The Board of Directors shall also within ninety (90) days after the close of each fiscal year cause to be made a full and complete audit of the accounts, books, and financial conditions of the Cooperative as of the end of such fiscal year. Such audit shall be made by an independent certified public accountant and submitted to the members at the following annual meeting.

SECTION 10. Directors and Officers Liability. The Cooperative shall pay any attorney's fees, court cost and any recovery resulting from any lawsuit or legal proceeding brought against any member or members of its Board of Directors, any officer of the Cooperative, or any supervisory employees of the Cooperative, as a result of any action, which they may have taken, or failed to take, while acting in their individual or collective capacities as Directors, Officers or Supervisory employees, with the following exceptions:

EXCEPTIONS: The Cooperative shall not be liable to make any payments in connection with lawsuits, legal proceeding, or recovery against any Director, Officer or Supervisory employee if said action is:

1. Based upon or attributable to their gaining any personal profit or advantage to which they were not legally entitled;

2. brought about by acts of deliberate dishonesty committed by the Directors, Officer or Supervisory employee with actual dishonest intent;

3. covered by any existing valid insurance policy or policies except to any excess beyond the amount payable under such policy or policies;

4. the result of deliberate violation of any Federal or State law.

ARTICLE IV MEETINGS OF DIRECTORS

SECTION 1. Regular Meetings. A regular meeting of the Board of Directors shall be held without notice other than this by-law, immediately after, and at the same place as, the annual meeting of the members. A regular meeting of the Board of Directors shall also be held monthly at such time and place in Prentiss County, Mississippi, as the Board of Directors may provide by resolution. Such regular monthly meetings may be held without notice other than such resolution

fixing the time and place thereof.

SECTION 2. Special Meetings. Special meetings of the Board of Directors may be called by the President or any three (3) directors. The person or persons authorized to call special meetings of the Board of Directors may fix the time and place for the holding of any special meeting of the Board of Directors called by them.

SECTION 3. Notice. Notice of the time, place and purpose of any special meeting of the Board of Directors shall be given at least three (3) days previous thereto, by written notice, delivered personally or mailed, to each Director at his last known address. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed with postage thereon prepaid. The attendance of a Director at any meeting shall constitute waiver of notice of such meeting except in the case a Director shall attend a meeting for the express purpose of objecting to the transaction of any business because the meeting shall not have been lawfully called or convened.

SECTION 4. Quorum. A majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, provided, that if less than a majority of the Directors is present at said meeting, a majority of the Directors present may adjourn the meeting from time to time without further notice.

SECTION 5. Manner of Acting. The act of the majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

ARTICLE V OFFICERS

SECTION 1. Number. The officers of the Cooperative shall be a President, Vice-President, Secretary and Treasurer, and such other officers as the Board of Directors may, from time to time, determine. The offices of Secretary and Treasurer may be held by the same person.

SECTION 2. Election and Term of Office. The officers shall be elected by ballot, annually by the Board of Directors at the meeting of the Board of Directors held immediately after each annual meeting of the members. All officers, except Secretary and-or Treasurer shall be elected from the membership of the Board. If the election of officers shall not be held at such meeting such election shall be held as soon thereafter as conveniently may be. Each officer shall hold office until the first meeting of the Board of Directors following the next succeeding annual meeting of the members or until his successor shall have been elected and shall have qualified. A vacancy in any office shall be filled by the Board of Directors for the unexpired portion of the term.

SECTION 3. Removal. Any officer, elected or appointed by the Board of Directors may be removed by the Board of Directors whenever in its judgment the best interest of the Cooperative will be served thereby.

SECTION 4. Vacancies. Except as otherwise provided in these by-laws, a vacancy in any office may be filled by the Board of Directors for the unexpired portion of the term.

SECTION 5. President. The President:

(a) shall be the principal executive officer of the Cooperative and shall preside at all meetings of the Board of Directors and at all meetings of the members.

(b) shall sign, with the Secretary, certificates of membership, the issue of which shall have been authorized by resolution of the Board of Directors, and may sign any deeds, mortgages, deeds of trust, notes, bonds, contracts, or other instruments authorized by the Board of Directors to be executed,

except in cases in which the signing and execution thereof shall be expressly delegated by the Board of

Directors or by these by-laws to some other officer or agent of the Cooperative, or shall be required by law to be otherwise signed or executed; provided, however, that the signing of certificates of membership may be delegated to an employee of the Cooperative; and

(c) in general shall perform all duties incident to the offices of President and such other duties as may be prescribed by the Board of Directors from time to time.

SECTION 6. Vice-President. In the absence of the President, or in the event of his inability or refusal to act, the Vice-President shall perform the duties of the President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President, and shall perform such other duties as from time to time may be assigned to him by the Board of Directors.

SECTION 7. Secretary The Secretary shall:

(a) keep the minutes of the members and the Board of Directors in one or more books provided for that purpose;

(b) see that all notices are duly given in accordance with these by-laws, or as required by law;

(c) be custodian of the Cooperative records and of the seal of the Cooperative and see that the seal of the Cooperative is affixed to all certificates of membership prior to the issue thereof and to all documents, the execution of which on behalf of the Cooperative under its seal is duly authorized in accordance with the provisions of these by-laws;

(d) keep a register of the post office address of each member which shall be furnished to the Secretary by such member;

(e) sign with the President certificates of membership, the issue of which shall have been authorized by resolution of the Board of Directors; provided, however, that the signing of certificates of membership may be delegated to an employee of the Cooperative.

(f) have general charge of books of the Cooperative in which a record of the members is kept;

(g) keep on file at all times a complete copy of the by-laws of the Cooperative containing all amendments thereto, which copy shall always be open to the inspection of any member, and at the expense of the Cooperative forward a copy of the by-laws and of all amendments thereto to each member upon the express application and request of the member thereto; and

(h) in general perform all duties incident to the office of Secretary and such other duties as from time to time may be assigned to him by the Board of Directors.

SECTION 8. Treasurer. The Treasurer shall:

(a) have charge and custody of and be responsible for all funds and securities of the Cooperative;

(b) receive and give receipts for moneys due and payable to the Cooperative from any source whatsoever, and deposit all such moneys in the name of the Cooperative in such bank or banks as shall be selected in accordance with the provisions of these by-laws; and

(c) in general perform all duties incident to the office of Treasurer and such other duties as from time to time may be assigned to him by the Board of Directors.

SECTION 9. Manager. The Board of Directors shall appoint a manager who shall be a graduate electrical engineer and who may be, but who shall not be required to be, a member of the Cooperative. The manager shall have general oversight, care and management of the property and business of the Cooperative and shall perform such additional duties and have ad-

ditional authority as the Board of Directors may from time to time require of or vest in him, provided, however, that the manager shall always be subject to the direction and management of the Board of Directors through action taken at regular or special meetings of such Board.

SECTION 10. Bonds of Officers. The Board of Directors may require the Treasurer or any other officer of the Cooperative charged with responsibility for the custody of any of its funds or property, to give bond in such sum and with such surety as the Board of Directors shall determine. The Board of Directors in its discretion may also require any other officer, agent or employee of the Cooperative to give bond in such amount and with such surety as it shall determine.

SECTION 11. Reports. The officers of the Cooperative shall submit at each annual meeting of the members reports covering the business of the Cooperative for the previous fiscal year and showing the conditions of the Cooperative at the close of such fiscal year.

SECTION 12. Nepotism. No person related by blood or by marriage to any Director, officer or employee of the Cooperative shall be permanently employed by the Cooperative provided such relationship is as near as first cousin; provided, however, that nothing herein shall affect the employment of any person in the employment of the Cooperative on April 6, 1961.

ARTICLE VI CONTRACT, CHECKS and DEPOSITS

SECTION 1. Contracts. Except as otherwise provided in these by-laws, the Board of Directors may authorize any officer or officers, agent or agents to enter into any contract or execute and deliver any instrument in the name and on behalf of the Cooperative, and such authority may be general or confined to specific instances.

SECTION 2. Checks, Drafts, etc. All checks, drafts or other orders for the payment of money, and all notes, bonds or other evidence of indebtedness issued in the name of the Cooperative shall be signed by such officer or officers, agent or agents of the Cooperative and in such manner as shall from time to time be determined by resolution of the Board of Directors.

SECTION 3. Deposits. All funds of the Cooperative shall be deposited from time to time to the credit of the Cooperative in such bank or banks as the Board of Directors may select.

ARTICLE VII MEMBERSHIP CERTIFICATE

SECTION 1. Certificates of Membership. Membership in the Cooperative shall be evidenced by a certificate of membership which shall be in such form and shall contain such provisions as shall be determined by the Board of Directors not contrary to, nor inconsistent with, the articles of incorporation of the Cooperative of these by-laws.

SECTION 2. Issue of Membership Certificates. No membership certificate shall be issued for less than the membership fee fixed in these by-laws, nor until the cash payment requirement for such membership fee has been fully paid for in cash, and such payment has been deposited with the Treasurer.

SECTION 3. Lost Certificate. In case of a lost, destroyed or mutilated certificate, a new certificate may be issued therefor upon such terms and such indemnity to the Cooperative as the Board of Directors may prescribe.

ARTICLE VIII REVENUES AND RECEIPTS

Revenues of the Cooperative (exclusive of amortization charges which shall be disposed of as hereinbefore in Section 5 Article I of

these by-laws provided) for any fiscal year in excess of the amount thereof necessary for:

(a) Payment of all current operating expenses, including salaries, wages, cost of materials and supplies, power at wholesale, taxes, and insurance;

(b) Payment, at maturity, of interest on all bonds, notes or other principal indebtedness issued by, or the payment of which shall have been assumed by, the Cooperative, and for amortization charges on all such bonds, notes, or other principal indebtedness and-or sinking fund payments thereon;

(c) The establishment and maintenance of reasonable reserves for replacements, new construction, and for contingencies, and to provide a reasonable amount of cash working capital; and

(d) Payment of, or the establishment and maintenance of a reserve in the amount (with appropriate allowance for the proceeds of amortization charges) sufficient for the payment of, all bonds, notes or other principal indebtedness, including interest thereon to the date of actual payment, shall, subject to contractual obligations of the Cooperative, be distributed by the Cooperative to its members as either (1) patronage refunds prorated in accordance with the patronage of the Cooperative by the respective members paid for during such fiscal year, or (2) by way of general rate reductions, or (3) by combination of such methods.

Dissolution. In the event of dissolution of the Cooperative, its affairs shall be liquidated in the manner provided by law. The directors or officers in charge of such liquidation shall use the proceeds derived from liquidation to satisfy and discharge all outstanding liabilities and obligations of the Cooperative. To the extent permitted by law, any remaining proceeds of liquidation shall be disposed of as follow:

(a) The aggregate amount of capital contributed by members of the Cooperative during the period of its existence shall be determined and such remaining proceeds up to such aggregate amount shall be returned to such members in proportion to the respective amounts of capital contributed by them.

(b) The remaining liquidation proceeds, if any, shall be distributed ratably among the members holding membership as of the time it ceases to conduct its business of supplying electric power and energy.

ARTICLE IX WAIVER OF NOTICE

Any member or Director may waive, in writing, any notice of meeting required to be given by these by-laws.

ARTICLE X FISCAL YEAR

The fiscal year of the Cooperative shall begin on the first day of July of each year and end on the thirtieth day of June of the following year.

ARTICLE XI SEAL

The Corporate Seal of the company shall contain the words "Prentiss County Electric Power Association," and such words as shall show the corporate nature of the company. The seal shall be kept in charge and custody of the Secretary of the company, and must be affixed to all instruments requiring a seal.

ARTICLE XII AMENDMENTS

These By-Laws may be altered, amended or repealed by the affirmative vote of not less than two-thirds of the total number of Directors of the Cooperative at any regular or special meeting of the Board of Directors, provided that a notice of such regular or special meeting shall have contained a copy of the proposed alteration, amendment or repeal.

County Agent's Notes

By CLIFFORD J. HAMPTON
County Agent

Many wheat fields in Prentiss County are already infested with Septoria disease of wheat. The leaf phase of the disease usually begins on the lower leaves of the plant and progresses upward.

The first symptoms of this disease appear as small, oval purple-brown spots with yellow margins. The spots develop more

frequently near the base of the lower leaves. They may later become darker and scatter over the entire leaf blade.

Leaf blotches may also appear. These blotches later take on a peppered appearance which are the tiny fruiting bodies of the fungus. Severely infected plants are usually defoliated from the base of the plant upward. The disease is usually more prevalent as the plants reach maturity.

The wheat heads may also be attacked by the fungus. The lesions on the heads are usually small, linear to oblong, light brown to dark brown in color, and generally do not have the peppered appearance as shown in the leaf symptom. The kernels often become shriveled and are light in weight, resulting in poor and low quality yields.

Increased losses from these diseases are the result of an inadequate wheat rotation.

Infection mainly comes from old wheat residue although the fungus may also be seed borne. It may also be spread in the manure from animals fed infected wheat straw. The best method of control is practicing a three year wheat rotation and the use of a recommended seed treatment fungicide. Wheat varieties vary in their reaction to the diseases. The proper use of a chemical fungicide for seed treatment will reduce the number

of disease causing organisms on the surface of the seed.

If wheat is planted in a location that has a history of septoria leaf and glume blotch and if symptoms are present, it may be well to consider an application of a protective fungicide.

For more information concerning septoria disease of wheat, come by or call the county Extension office at 728-5631 or 728-7092.

County Executive Director

The "Hold Our Topsoil" (HOT) campaign is still going strong after being kicked off in 1983. This year agencies of the United States Department of Agriculture along with agencies of the State government, farm organizations, the Governor's office and leaders throughout the State are working hand and glove to promote this program.

This year several area wide field days have been scheduled to demonstrate various programs and practices which can be effective in efforts to hold our productive topsoil on the land. Field days are as follows:

Area 1, Aug. 22, Cleveland; Area 2, Sept. 20, Bruce; Area 3, Aug. 2, Holly Springs; Area 4, Aug. 23, Aberdeen; Area 5, Sept. 6, Bolton; Area 6, Aug. 29, Hattiesburg; Area 7, July 26, Brookhaven.

The field day in this area will be held on the James Creek farm on Aug. 23. This farm is located in Monroe County, 3 miles northwest of Aberdeen. Transportation will be provided to those interested in attending the field day. Emphasis will be placed on conservation practices that conserve our soil and water resources.

The HOT Program was initiated in 1983 by Governor William Winter, in cooperation with leaders of farm organizations, other farm leaders and heads of federal and state agencies. These efforts were implemented to help bring together all

resources available within the State to help stop the soil loss from Mississippi's productive land, which is the third highest of all states in the continental United States.

Farmers and others who are interested in the conservation of our soil are urged to mark this field day on their calendars and make plans to attend.

New Signup period For Revised Wheat Program

Farmers with wheat bases who previously had not signed up for the 1984 wheat acreage reduction program may want to take advantage of the revised program authorized by recently-enacted farm legislation. The signup period for the revised program began on April 16th and ends on May 4th.

Wheat farmers who applied for the previous program do not need to take any action unless they wish to change their level of participation in the revised program.

The revised program lowers the wheat target price from \$4.45 to \$4.38 per bushel, provides a 10 percent paid land diversion, increases payment-in-kind from 75 to 85 percent of the farm program's payment yield, and authorizes haying and grazing on any acreage conservation reserve (ACR) acres devoted to wheat before January 12, 1984.

During the previous signup, 16 farms, representing 5 percent of Prentiss County's eligible wheat

base, enrolled in the wheat program. Farmers who wish to change their participation level should contact our office as soon as possible.

Although the reduced wheat acreage requirement remains at 30 percent, 20 percent of this must be under the acreage reduction program and the remaining 10 percent will be paid land diversion at a rate of \$2.70 per bushel. Advance diversion payments will be available.

Haying and grazing on wheat ACR acres is authorized by the State ASC committee. Farmers cannot harvest the grain, but they will be allowed to harvest hay before the disposal deadline, or graze this acreage without regard to the six month nongrazing period. However, the land must not be overgrazed and subject to erosion. Winter wheat producers who are covered by federal crop insurance will not have to pay premiums on diverted acreage and may benefit from higher yield guarantees.

Conservation Rules for Conservation Use Acreages

Establishing conservation practices on cropland removed from production is a requirement of the 1984 acreage reduction programs. By reducing wheat, feed grain, cotton and rice acres, producers help curtail surplus stocks and strengthen farm prices. The cropland removed from production is referred to as acreage conservation reserve (ACR) to

emphasize the importance of saving soil and water.

Provisions for conservation management of these acres are part of the acreage reduction program contract," Milton Hertz, Deputy Administrator of USDA's Agricultural Stabilization and Conservation Service, said.

"To guard against soil erosion, certain grasses and cover crops must be planted, or approved conservation practices installed on ACR acres as soon as possible after the normal planting period for spring crops. The cover and practices recommended for these acres are sufficient to protect the land from wind and water erosion."

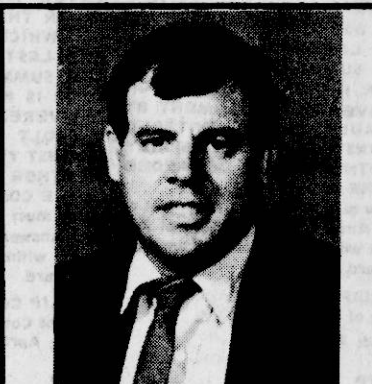

Farm program participants are authorized to plant annual, biennial or perennial grasses and legumes, volunteer stands other than weeds, small grains and crop residue from use of no-till or minimum-till practices. Hertz said other cover or plantings, particularly those benefiting wildlife, may be developed as long as the practice or cover meets erosion control standards.

Producers may also devote their ACR acres to a permanent vegetative cover or conservation practice such as trees, sod waterways, filter strips and windbreaks. If these conservation measures are maintained, the land will be eligible for ACR acres through 1985. Permanent conservation practices are eligible for cost-share payments under the Agricultural Conservation Program.

To protect ACR from insects, weeds and rodents, farmers are required to use normal control measures. "If these measures are found inadequate, additional control measures will be mandatory," Hertz said keeping ACR acres free from weeds is a very important program requirement, and farmers who fail to maintain these acres will be out of compliance and could lose program benefits.

The acreage reduction program contract prohibits harvesting ACR acres. Grazing is prohibited during the six principal growing months of May 1 thru Oct. 31, 1984.

In deciding on the cover and control measures for their acreage conservation reserve, farmers are encouraged to consider the soil and water conservation benefits, protection of wildlife, and the long-term nutrient returns from a well-chosen cover crop, the USDA official said.

County Forester

One of the Nation's and Mississippi's most familiar and favorite friends is celebrating a special birthday this year. He's Smokey Bear. This year marks his 40th year as a symbol of forest fire prevention.

How many times have you seen Smokey ask for your help in preventing forest fires? "Only you can prevent forest fires." Do you stop to think that he is talking to you? He is, and he really does need your help. The job is a long way

from finished.

The Mississippi Forestry Commission is still very serious about helping Smokey, and we are finding more and more that other organizations, individuals and communities are recognizing that wildfires are a serious community problem.

Many times those involved are volunteers who believe that community members should be active in solving community problems; that working together as citizens is the best way to make better communities.

In the case of wildfires, crime prevention and fire prevention go together. In Mississippi, believe it or not, most forest fires are caused by arson, and woods arson is a felony. Youth groups associated with local sheriffs' offices, are taking on fire prevention programs in some states, like neighboring Louisiana. Maybe we need that in some counties in our State too.

Similarly, local "Neighborhood Watch" programs could be valuable in reporting suspicious activity, including woods arson, when citizens are aware of the

wildfire problem.

Each community must write its own formula for fire prevention though, and in 1984 as Smokey celebrates a milestone, there's a real opportunity for all our citizen groups in Prentiss County to emphasize fire prevention.

The Forestry Commission is ready to "go after" wildfires with all the resources we have. But the prevention of them is truly up to you, folks. I urge all of you to join us in helping celebrate Smokey's 40th anniversary for a fire-free Spring fire season.

The quality of a 4-H program is related directly to the important people working with boys and girls in that program.

Volunteers in 4-H make the difference. It is the volunteer who shares that special skill or hobby such as needlecraft or wood-working. It's a volunteer who inspires a 4-H member to try just one more time to make a speech, give a visual presentation or develop a talent act.

It's a volunteer who recruits other volunteer to share those good feelings that come from seeing the

joy of accomplishment on the face of a 4-H'er who finally got that seam straight.

It's a 4-H volunteer who sees the miracle of cooperation and dedication as a group of young people develop and carry through plans for meeting a special community need.

It's a volunteer who sees a young person move from shyness and self-consciousness to a confident leader.

The volunteer helps 4-H'ers gain success in project work and encouragement from parents and other 4-H members. It's the volunteer who is so strained by all the questions, so tired from the

meeting, so pressured from the schedules, so admired by the community, so valued by the parents, loved by the members and satisfied from having tried and

know the task was worthwhile.

The person who makes the difference in the lives of the young people enrolled in 4-H is that special volunteer.

Northeast Captures State Tennis Title

Northeast Junior College captured the women's state junior college championship last week, pulling ahead of rival Itawamba Junior College in the last match of the tournament held at Meridian Junior College.

To clinch the title, Northeast's Kathy Arnold and Lori Owens beat the Copiah-Lincoln team in doubles competition 6-2, 6-3 to give Northeast a 37-35 win over IJC.

When the state and regional junior college tennis tournament was over early Friday, Arnold, Owens and Northeast's Melissa Tyre had claimed first place trophies and plaques against some very tough competition at Meridian Junior College.

Although Northeast's men didn't make out as well, coach Emma

Braddock said she was still proud of the way they gave everything they had.

And Braddock was, of course, proud of the women's singles title Arnold won, the women's doubles title Arnold won with Owens and the first place finish Tyre took in the number four slot.

Prior to the state tournament, Arnold and Tyre had both beaten players from IJC to capture the number one ranking in their respective divisions.

"It was obvious that our division was the toughest, since Kathy had to beat Carla Brandenburg from IJC and Melissa had to beat Beth Rampage, who is also from IJC in the finals," Braddock said.

Along with those two wins the women's team put together enough

points to win the state title, even though Lori Owens was defeated in the finals and Suzann Sims was defeated by the eventual division three singles champion.

In doubles play, Arnold and Owens defeated the Johnson sisters from Copiah-Lincoln, while Sims and Tyre were defeated by Jones Junior College who went on to win their division of the tournament.

This is the second title for the Northeast team coached by Braddock. The Lady Tigers were runners-up last year.

State winners now qualify to compete for the national title later this month.

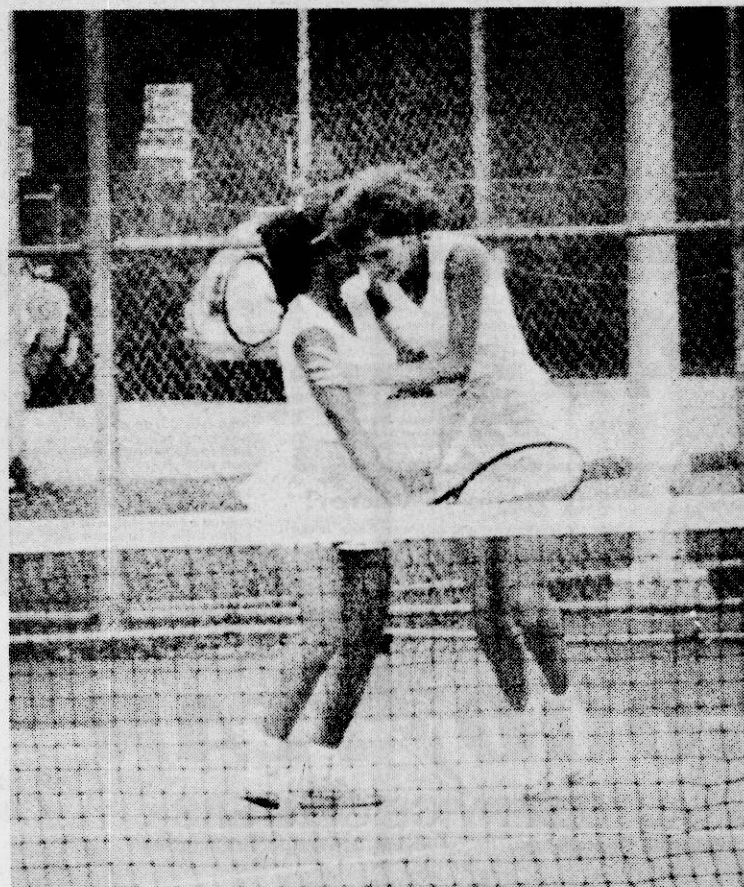

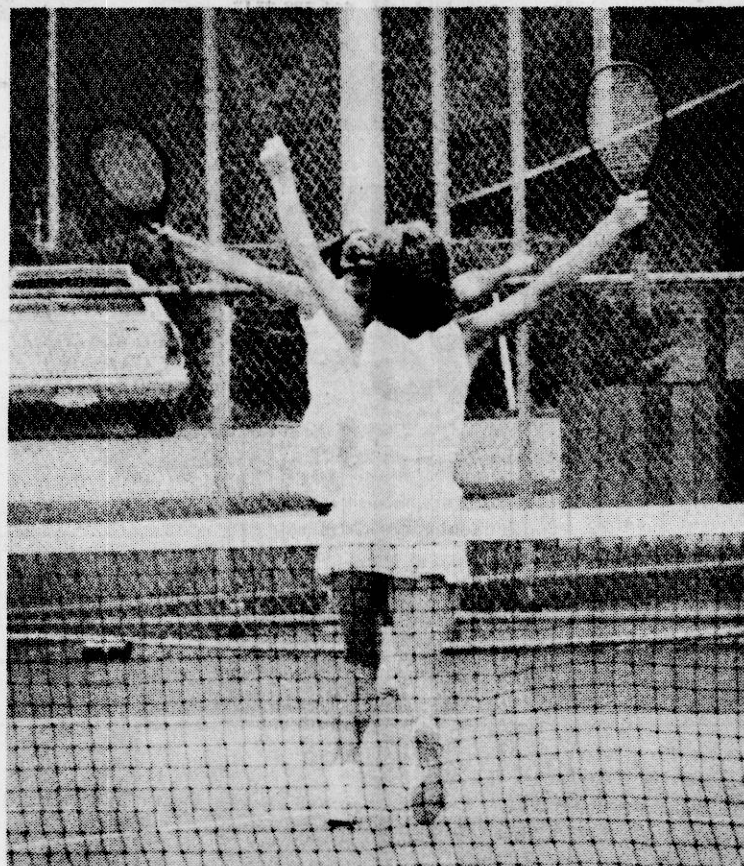

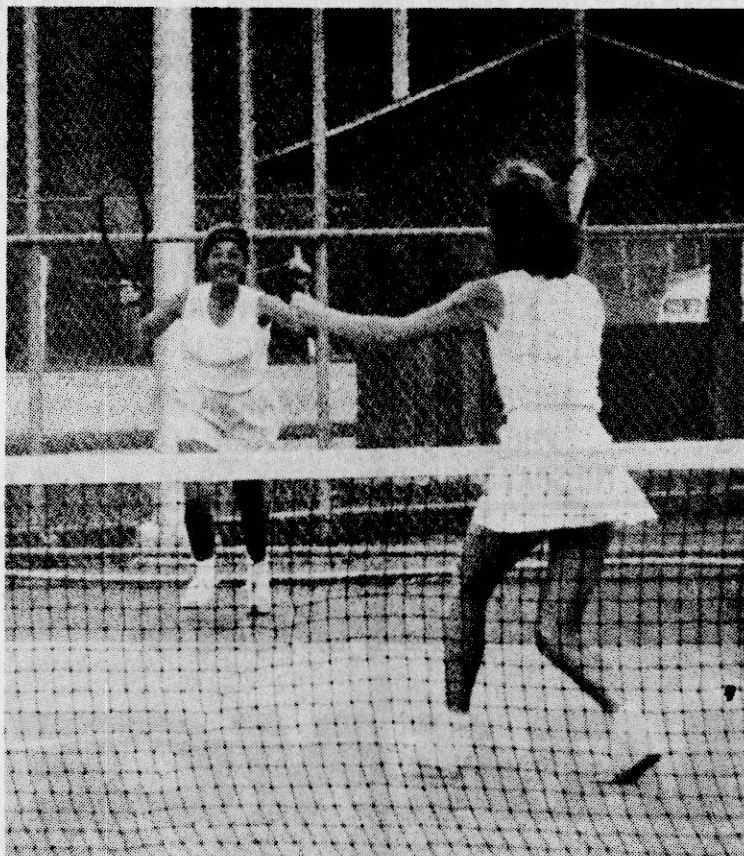

Coach Braddock said her freshmen class has really helped the squad this spring. "Lori Owens and Melissa Tyre have really stepped in and done a fine job," she said.

I will lose one of the best girls I ever had in Kathy Arnold of Booneville," Braddock said. "Several senior colleges have shown interest in her."

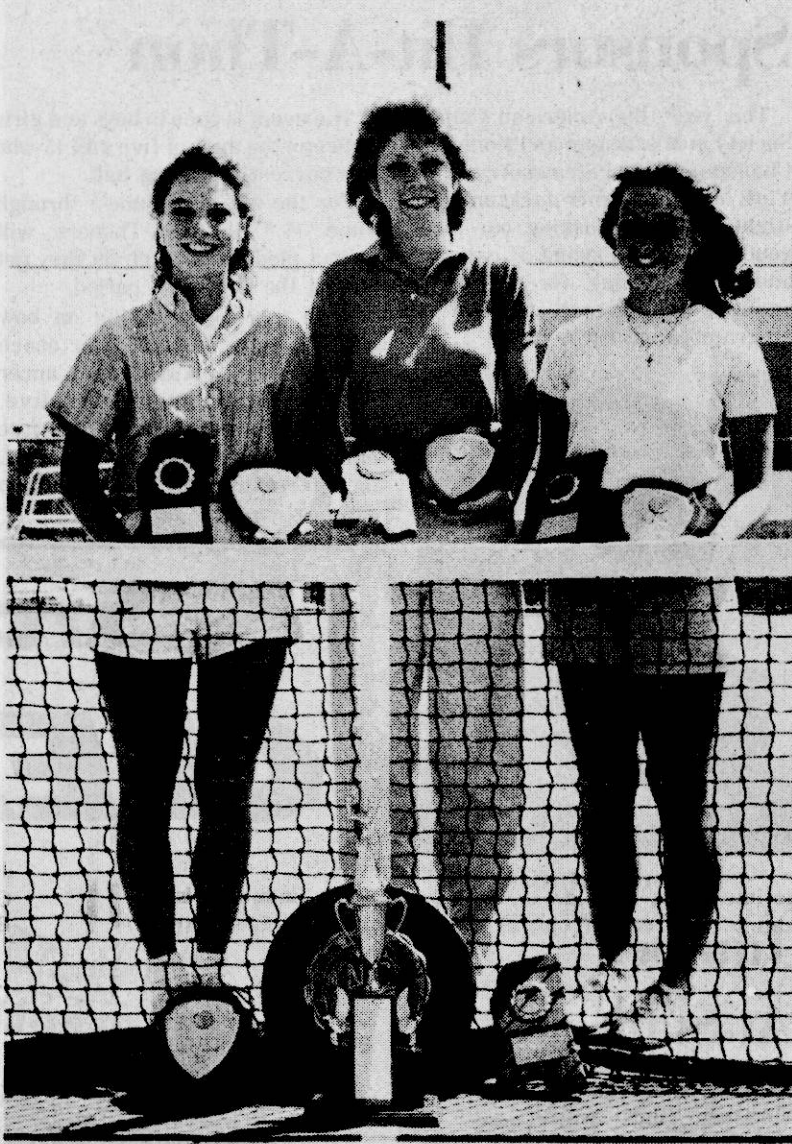

"In the men's part, Gulf Coast was so strong they could hardly be touched. They wound up winning the thing 51-27," Braddock said. "The score alone should tell you how tough they were."

The NEMJC men were knocked out in the first round by Gulf Coast Junior College, who eventually won the men's division of the tournament. However, the Northeast men ended up with a better showing against Gulf Coast than any other team this year.

After winning the championship, the women's team will now play in the national playoffs which begin May 14 in Ocala, Fla.

BHS Baseballers One Game Short Of Playoffs

The Booneville High School baseball team closed out their season Monday, April 30, when they suffered a 9-5 loss from Okalona in the Tombigbee Conference Tournament in Saltillo.

This posted a 9-9 season record for the Devils and put them one game short of the district playoffs.

Rod Coggin suffered the loss for the Devils in the game.

In a game which was played Friday, April 27, Booneville out-hit

Alcorn Central 13-4 to take a 8-2 win in the final regular season game.

Coggin took the victory on the mound for Booneville.

Booneville baseball coach Ken Shackelford said, "We were within one game of the district playoffs with seven new starters on the team."

"We would like to have won, but we feel that they will do better next year. Over all we were real proud of the team this season," he said.

Sports Camps At MUW

Registration is under way now for the 11th annual basketball camp at Mississippi University for Women.

A resident camp and a day camp, serving different age groups, will be offered this summer, according to Samye Johnson, camp director and coach of the MUW basketball team.

The resident camp is for girls in the seventh grade through high school. The day camp, which will run from 8:45-11:45 a.m., is open to girls in the fourth through sixth grades. Camp dates are June 3-8.

The camp fee for resident campers is \$110, which includes room, board, camp tuition, insurance and a camp T-shirt. The fee for day campers is \$40 per week.

Interested students should write MUW basketball Camp, Box W-1400, MUW, Columbus, Miss. 39701 for an application for enrollment. Special rates are offered if five or more players from the same team

send applications together. May 31 is the pre-registration deadline.

The 1984 tennis camp at Mississippi University for Women will be held June 3-9 with award-winning tennis coach Terrie Gooch directing the week-long session.

The camp is open to girls 10-18 years of age. Boys 10-18 years of age may attend on a commuter basis.

Cost of the camp is \$195 for live-in campers and \$150 for commuters. The fee includes camp fee or room and board, injury insurance, certificate of attendance and a camp T-shirt. Housing will be in an MUW dormitory.

For application forms, interested persons should write: MUW Tennis Camp, Box W-1400, MUW, Columbus, Miss. 39701 or call (601) 329-4750, Extension 225. The deadline for entry is May 25.

Registration will be June 3 from 1:30-3 p.m. in an MUW dormitory.

Sports Roundup

2nd Annual 2-Man Scramble

The Booneville Country Club will be hosting its second annual In-ventional Two-Man Scramble this Saturday and Sunday.

The two-man scramble is where teams pair up to take the best shots from the players and play that ball.

According to Bill Prather Jr. some 65 teams have already entered the tournament and around ten more are expected to enter by tournament time on Saturday.

"We are hoping the weather will cooperate with us for the tournament," Prather said.

"We have a lot of good teams in the tournament this year," said Prather. "Bobby Dean Davis and Dennis Bumpus, who are the defending champions, will be in the tournament along with area teams like Manfred Saylor and George Oakley and Richard Mathis and Dewayne Bullard, who are the area tournament favorites," Prather added.

The tournament will be a 36 hole tournament with 18 on Saturday and 18 on Sunday. A trophy along with a \$180 gift certificate will go to the first place winners. A \$120 gift certificate will go to the second place winners and an \$80 gift certificate to the third place winners.

Shriners' Softball Tourney

Shriner Bill Ward has announced that the annual Shriner's Benefit softball tourney will be held at the Booneville City Park May 17 and 18.

All tournament proceeds will go to the Burned and Crippled Children's Hospital, according to Ward.

The tourney is open to all men's and women's softball teams. Last year, fifteen teams participated in the event which was held at Jumpertown Park due to wet conditions at Booneville.

Ward expects another big turnout with plenty of exciting games for this year's tourney. The drawing for the tournament will be held May 15 at 7 p.m. at the park pavilion.

Entry fee for the tourney is \$40. Each team must supply its own balls, Ward said.

Anyone who needs more information on the tournament should contact Ward at 728-7751.

Advanced Lifesaving Course

Northeast Mississippi Junior College student activities director Ricky Gillentine announced this week that the college, in conjunction with the Red Cross, will be sponsoring an advanced lifesaving course this month.

The course will be held at Northeast's Roden-Carr Aquatic Center for seven days starting on May 14. The class period will be 1 p.m. until 4 p.m.

Gillentine said that anyone who plans to work as a lifeguard must take this course.

Instructors for the class will be Judy Nance and Jennifer Givens, both of Ripley.

Anyone wanting more information about this class should call Gillentine at 728-7751, ext. 306.

Ripley Over BHS In Tennis

Booneville's tennis team lost a close match to the Ripley Tigers 3-2 last Tuesday in Ripley.

Devilette Cynde Whitley turned back Jennifer Cadel 6-0, 6-4 and Kimmy Drown and Susan Downs outlasted Allison Brown and Heather Parsons 4-6, 6-2, 6-0.

Ripley's Mark Parsons defeated Jon Lindsey 6-2, 6-3 to give the win to Ripley. Price Elliot and Jerry Windham stopped David Jenkins and Jim Lindsey 6-3, 6-2 and Carmen Huddleston and Steve McCafferty teamed up to down Cindy Robinson and Jimmy Arnold 6-3, 6-2.

J'Town Park Activities

The Jumpertown City Park is now registering boys and girls for summer T-ball, softball and baseball teams, according to Steve Goldman, park director.

Goldman said the registration fee is \$5 per person. Deadline for registering is May 14. "No registrations will be accepted after that date. There will be no exceptions," he said.

"We will also be sponsoring a softball tournament May 10 through 12," Goldman said. "All men's and women's teams are invited to participate."

He said there is a \$40 entry fee for the softball tournament. "Hit your own balls - Blue Dot only," Goldman said.

Brackets will be drawn up on Tuesday, May 8, at 7 p.m. in the park pavilion, according to Goldman.

"This will be the first tournament of the year," he said. Goldman said anyone interested in more information on either the youth activities or the softball tournament can contact him at 728-9740 or 728-5203.

Coach Proud Of Tigers Despite Bad Season

As the old saying goes, hind-sight is all 20-20, but Tiger baseball coach Billy Southward's foresight concerning the season just past wasn't all that bad, either.

Going into the season, Southward said he quickly spotted the weaknesses that would inevitably lead to such an unsuccessful season for the Tigers.

"The bottom line is that to be a winning team you have to have at least one strong point in your game to offset any weaknesses you might have. We just didn't have that strong point to fall back on," Southward said.

"Our pitching probably hurt us most," Southward said. "We had a couple of good pitchers, but one got sick toward the end of the season and others were constantly bothered by their arms."

Southward's observations about his team's pitching game are easily backed up by the Tiger's team earned run average of 7.97.

"In addition to our pitching problems, our team made quite a few more defensive errors than normal, and our batting was

nothing spectacular," Southward remarked.

Southward said the .265 team average was not bad, but merely average. An average batting average, however, was not enough to pull Northeast out of the pitfall created by fielding errors.

"If we had a more sound defense, our hitting wouldn't have been all that bad," Southward said. "But the way we played, we would definitely have had to bat .300 or above to win."

But even though the Tigers didn't make out too well in the final tally, Southward doesn't look down on his team in the slightest.

"When you're playing the caliber of teams we've been playing, you realize you're going to lose quite a few games," Southward said. "It takes a special kind of courage to keep going out there and do the best you can, win or lose. The people that stuck with the team through the season have that kind of courage."

Several of the men who displayed that courage consistently were players like Mike Murphy, who led the team in batting with a .432

average, Vonnice Howard, who followed him with .400 and Tommy Dawsey, who finished the season with a solid .318. Pitcher Eric Lancaster tried valiantly to hold on through the end of the season, but

an injury knocked him off the mound.

Because of the tenacity of the Tigers, the team pulled out upset wins over Mississippi Delta and Northwest.

DR. JIM DAVIS AND STAFF - JOYCE, LEOLA, MARGE

Sinus Trouble

Headaches, nasal discharge or nasal stuffiness, post-nasal drainage, facial pain, dizziness, bad breath, cough, that frequent cold may all be signs of sinus trouble. Irritation, inflammation and congestion of the sinus cavities may develop following a cold, changing weather, breathing dust, smoke or other irritants. Yet, whatever the contributing factors may be in a case of sinus trouble, a normal nerve supply to the delicate membranes of the nose and sinus cavities is necessary for complete healing. A diminished nerve supply through pressure on certain nerve trunks weakens these membranes and causes them to be more susceptible to irritation and inflammation.

Many drugs have been made available for the supposed "cure" or "relief" of sinus conditions, but at best these products have afforded little more than temporary relief while frequently causing minor to serious side effects. You do have a better choice! Modern chiropractic science has proven to be highly effective in the care of acute and chronic sinus conditions. Consult your doctor of chiropractic to see how you too may be helped.

Danny Ramsey

Jumper At State

Danny Ramsey, a senior at Thrasher High School, will be competing in the state track meet Saturday.

Ramsey placed third in the high jump during last week's north half meet, jumping 5'10" to qualify for the meet in Jackson, where the state meet will be held at one of the community colleges.

Thrasher Track Coach Danny Smith said he was proud of Ramsey and the rest of the team. "This was our first year to participate in track and I feel we have accomplished much," Smith said.

He said he was extremely proud of Ramsey's accomplishments. "We don't have anywhere for Danny to practice. And that makes what he has done seem even greater," Smith said. "Danny has worked hard and I feel his chances his of placing at state are good."

Spring Training At Thrasher

The Thrasher High School football team is currently into a spring training program with hopes of fielding a winning team next fall.

Coach Willie T. Jackson said, "We are a lot more aggressive this year than we were last year."

"We lacked experience last year. But this year the fellows know more about it and want to work at it more. We have a gritty ball club this year," Jackson said.

"We will have to play our backfield in many different places this year due to lack of depth. But all our players will be seeing action this year on the field," he said.

"We don't have a very big ball club. But we feel that we can stick some people on the field to make our presence known," Jackson said.

"We have a number of junior high kids coming up who look promising. And we expect them to help the team a lot this coming fall," he said.

Jackson also said the Rebels hope to have a spring game this year. But, he said, nothing is set at the present time.

He said Thrasher will close out spring training next Friday if practice goes well this week.

Injuries Defeat Lady Tigers

Going into last week's state tournament, Northeast Junior College's Lady Tigers softball team, under coach Millard Lothenore, sported an impressive 16-3 record. But injuries to the ten-member team in the first game of the tourney led to the Lady Tigers' downfall later in the tournament. After earning a bye in the first round, the Lady Tigers faced Hinds, who beat them 11-3. Some members of the Northeast team were also

injured in that game. Shortstop Kim Wilson seriously jammed a finger early in the game, making errorless play at that position a near impossibility. Tammy Holt cut her foot when it was caught under the fence, and pitcher Emily Teague was hit hard in the shin by a Hinds' line drive. "That game really hurt us, mentally as well as physically," Lothenore said. "It kind of took the wind out of our sails."

Since Northeast had only 10 players on the team, the injured members were forced to play hurt, a situation that Lothenore feels led to costly errors. Despite the painstaking loss in the first game, Northeast came back to win their second contest against division rival IJC 10-2. But the beating the Lady Tigers took earlier in the day contributed heavily to their dropping their last game against Meridian by a score of 9-5.

"I think on any other day, we might have beaten them," Lothenore said. "But we were playing hurt and on their home field."

Northeast's leading hitter in the tourney and through the regular season was Caledonis's Georgie Egger, who posted a .555 mark in the tournament and a .447 average over the season.

Other big sticks for the Lady Tigers were Teague of Ramer, Tenn., with a .500 and Corinth's Ginger Dickerson with a .500 average.

Players named to the All-State team were Holt, Wilson, Regina Trussell and Egger. Wilson was also chosen the team's best defensive player, while Egger was named best offensive player and the winner of the Tiger Award in softball.

The Lady Tigers' overall record for the season was 17-10, including some battles lost to senior college teams and the state tournament losses.

SPORTS AWARDS WINNERS - Prentiss County winners at the Northeast Junior College All-Sports Banquet Monday night are (l-r) Ruby Tyes, Baldwin, Women's Basketball, Best Rebounder; Kathy Arnold, Booneville, Tennis Captain, All-State, All Region 23; Vanessa Groves, Booneville, Women's Basketball, Most

Assists, Best Defensive Player, Team Captain; Diane Harris, Booneville, Women's Basketball, Tiger Award, Best Offensive Player, All-State, All Region 23; (back row, l-r) Jock Calamese, Booneville, Intramural Award; Terry Ballard, Wheeler, Men's Basketball, Free Throw Award.

NEMJC Sports Banquet Winners

By SCOTT MCKINNEY Sports Writer

Kathy Arnold and Diane Harris, both of Booneville, captured the top awards for their respective sports during Northeast Mississippi Junior College's All-Sports Banquet Monday night. Terry Ballard of Wheeler, Ruby Tyes of Baldwin and Vanessa Groves each received awards for outstanding performance in basketball. And Jock Calamese of Booneville was awarded an outstanding performance award in intramural athletics. Arnold was named Captain of the women's tennis team by Coach Emma Braddock. She also was named an All-State and All-Region 23 netter. Arnold guided the Lady Tiger netters to the state championship this spring, earning the team a berth in the national finals later this month. Harris won the women's basketball Tiger Award and Best Offensive Player Award. She was also named to the All-State and All-Region 23 teams. Ballard, a standout for the Wheeler Eagles during his prep career, was the lone Prentiss County native to receive a men's basketball award. He was presented the Best Free-Throw Shooter Award by Coach Richard Mathis. Former Booneville High School player Vanessa Groves was

presented with the Most Assists Award, the Best Defensive Player Award and the Team Captain Award in women's basketball. Ruby Tyes of Baldwin garnered the Best Rebounder Award. Northeast Alumni Association members sponsor the Tiger Awards, which are given to the athlete in each sport who exem-

plifies leadership, academic excellence and performance. Receiving Tiger Awards at the Banquet were David Cantu of Germantown, Tenn. - baseball; Harris - women's basketball; Dwayne Grubbs of New Albany - tennis; Kenneth Odle of Alcorn Central - men's basketball; and John Rhodes of Kossuth - football.

Fishing Roundup

Input Wanted For Fishing Column

By SCOTT MCKINNEY Sports Writer

Several people in Prentiss County have asked me if we could publish a fishing column as a regular feature. So, understanding that this county is one of the hotbeds for fishing in the warmer months, I offer you Fishing Roundup.

Prentiss County has developed into one of the better areas for fishing with the opening of Bay Springs Lake. Reports are already coming in about the prize fish being caught in this promising new lake. There are also other lakes near our area that many of you fish, including a number of private lakes where many of you throw your lines. Each week I'll take a look at a different fishing spot and relay facts about upcoming tournaments. And you will play a vital part in my reports. I'll be glad to receive your tips for other fisherman on baits, lakes and fish. Also, if you have a prize catch you would like to show, just drop me a line (without a hook). Address your mail to: Fishing Roundup, The Banner-Independent, P.O. Box 269, Booneville, MS 38829. Until next week, good fishing!

Mail Fraud Stories Offer Moral To Consumers

A reputed multimillionaire received a three-year sentence last year for filing a false tax return and faces five years probation for mail fraud after release from prison, according to Postmaster Jack Wright of Booneville.

Glenn Braswell of Atlanta, Ga., was indicted for using bogus "before and after" pictures to sell a breast developer called "Right Places" and a remedy for baldness known as "Save Face," Wright said.

During the first half of 1980 alone, Braswell sold two million dollars worth of useless baldness "cures."

More than 138 administrative actions were filed by the Postal Service against his products under the postal False Representations Statute, Postmaster Wright was advised by postal consumer protection officials in Washington, D.C.

The Teltronics Corporation advertised digital watches and, if two were purchased, a free calculator for an unbelievably low price a few months before Christmas, Postmaster Wright said.

More than 100,000 people lost a total of \$1.7 million when they responded.

Fortunately, half of it was recovered after it had been converted to Mexican gold.

The seller was apprehended and arrested as he prepared to leave the country.

"The moral of these mail fraud stories," Postmaster Wright said, "is: If an offer sounds too good to be true, it probably is.

"Watch out for mail fraud," he said. "Check with the Postal Inspection Service, your postmaster, Better Business Bureau or local consumer protection agency before responding to 'unbelievably good' offers."

COLORING CONTEST WINNERS - The Handicap Awareness area of the Pilot Club of Booneville recently sponsored a coloring contest for area school children. An awards and recognition program was held Saturday, April 21, at the George E. Allen Library. Artwork was judged by members of the Students of Art in Mississippi. Local artist Gerald Bennett, a polio victim, serves as president of the association. Pictured are (not in order) Melissa Crabb, Scotty Starling, Pam Smith, Barris

Agnew, Brandy Rena Chisholm, Marty Pannell, Jason McKinney, Regina Hall, Laura Gann, Janie McCreary, Amy Robertson, Derrick Young, Bruce Ragin, Jason Michael, Inetha Sullivan, Brad Nicholson, Eric Cole, and Waylon Borden. Not pictured are Jason King, Kevin Wright and Laquita McDonald. Also pictured are Nelwyn Murphy, Anne Prichard and Sherry Bowen, members of the Pilot Club.

Prentiss Circuit Clerk Attends Jackson Seminar

Prentiss County Circuit Clerk Travis Cox attended the recent Seminar for Circuit Clerks at the Metro Ramada Inn in Jackson.

Seminar participants were addressed by State Auditor Ray Mabus and Attorney General Edwin Lloyd Pittman. Topics for the

seminar included field audit procedures, 1984 primaries and county caucuses, state retirement and stress management.

Highlight of the two-day seminar was a panel discussion by circuit clerks who presented topics of in-

terest to the other clerks and then fielded questions.

The seminar was conducted by the Mississippi Judicial College, a division of the Court Education Program at The University of Mississippi School of Law.

Mississippi Public Radio Now On Air 18 Hours A Day

On Monday, April 30, Public Radio in Mississippi will move to a full broadcast schedule of eighteen hours per day on seven of its eight-station network. The broadcast day will begin at 6 a.m. and end at midnight daily.

For those individuals who have been listening during the program test phase of the network's existence, classical music has been the basic fare.

Beginning Monday, the schedule will expand to include in-depth public affairs from National Public Radio and the BBC, as well as jazz, bluegrass, radio drama and other offerings.

Even though the hours will expand to a full broadcast day, the April 30 schedule will not be the

final program schedule for PRM. As the studios at the flagship station in Jackson are not as yet complete, programming will be broadcast out of temporary facilities.

With no capabilities to produce local programming, the first month or two will be comprised totally of National Public Radio offerings and syndicated programming. After that time locally produced programming will gradually be added to the broadcast schedule.

Linda Flentje, director of radio said, "In this manner we can truly reflect the listening needs and interests of Mississippians, as well as illustrate the abundance of talent and the wealth of resources this state has to offer."

As has been the case since

November 15, PRM's program schedule will be carried on the following stations: WMAB, 89.9 FM, Mississippi State; WMAE, 89.5 FM, Booneville; WMAH, 90.3 FM, Biloxi; WMAO, 90.9 FM, Greenwood; WMAU, 88.9 FM, Bude; WMAV, 90.3 FM, Oxford and WMAW, 88.1 FM, Meridian.

The flagship station at Jackson, WMAA, 91.3 FM, will sign-on at a later date after studio renovations and tower construction are completed.

As the broadcast schedule is finalized, a monthly program guide will be created. Listeners may have their names added to the mailing list by writing Public Radio in Mississippi, 1920 Dunbarton, Jackson, Miss. 39216.

Summer Cheerleading Camp Scheduled At Ole Miss

The 1984 Ole Miss Cheerleading Camp will feature one of America's top instructional staffs, a staff responsible for teaching eight of the recent finalists in the nationally televised 1984 Ford Collegiate Championships.

Two camps, one July 8-12, and the second July 15-19 will be led by the Universal Cheerleading Association staff, and will feature classes in cheerleading conditioning, gymnastics safety and techniques, new cheers and chants, leadership seminars, pompon routines and private coaching on a daily basis.

Cheerleaders currently enrolled in high school, junior high school and middle school are invited to attend either of the upcoming four-day instructional sessions on the Ole Miss campus.

The camps are being coordinated by the University's Division of Continuing Education, and will be highlighted by special activities such as a daily award program.

Association (toll-free) at 800-238-0286, or by writing or calling The University of Mississippi Division

of Continuing Education, University, Miss. 38677; telephone (601) 232-7034.

WARNING!

To Non-Subscribers . . .

A man who was too cheap to subscribe to his hometown newspaper sent his little boy to borrow his neighbor's copy. In his haste, the boy ran over an \$80 hive of bees and in 10 minutes he looked like a warty squash. His father ran to his assistance, and failing to notice the barbed wire fence, ran into that, cutting a hole in his anatomy as well as ruining a pair of \$30 pants. The old cow took advantage of the gap in the fence and killed herself eating green corn. Hearing a racket, the wife ran out, upset a four-gallon chum of cream into a basket of chicks, drowning the entire batch. In her haste she dropped a \$300 set of false teeth, which the family dog buried thinking it was a new type of bone. The baby, having been left alone, crawled through the spilled cream and into the parlor, ruining a \$400 carpet. During the excitement, the oldest daughter ran away with the hired man, a stray dog broke up 11 setting hens, the calves got out and chewed the tails off four fine shirts on the clothes line, and the cat had a batch of kittens. All this just to save 25 cents. And, in this case, the poor guy never did get to read that week's paper.

Battle Of Booneville Marked Sheridan's Rise To Fame

By GREG SHOOK
Staff Writer

Many people in the Booneville area do not know there was a Civil War skirmish fought here.

According to *The Photographic History of the Civil War*, there was. But, unaccountably, nowhere in Booneville or Prentiss County will you find a memorial to the Confederate or the Federal troops who gave their lives in that battle.

It happened on July 1, 1862. The Union troops first deployed their forces here in Booneville, then

marched southward to find the Confederate troops waiting for them.

According to Prentiss County author and historian Claude Gentry, "The Union troops sounded the whistle many times on the train to make the Confederate troops think that there were many troops arriving."

"And it worked, too," Gentry said.

Union forces consisted of the 2nd Iowa Cavalry and the 2nd Michigan Cavalry under the direction of Col.

Phil Sheridan.

Confederate troops were composed of Gen. Nathan Bedford Forrest's cavalry, plus those under the direction of Gen. James Chalmers.

The Union forces defeated Forrest's troops, then went on to repulse Chalmers' outstanding forces in the battle, according to Gentry. It would be two years before Forrest would gain his revenge at the Battle of Brice's Crossroads, west of Baldwyn.

Because of his victory in this battle Sheridan was promoted to

Brigadier General. He also went on to become one of the North's most famous cavalry leaders, then a famous Indian fighter in the West.

The reported Union casualties included 45 killed. The Confederate losses were counted at 17 killed and 65 wounded.

It is not known why Booneville has failed to commemorate this incident here in our city. There are no markers or monuments. But, according to Gentry, the skirmish took place at the old Tyas place, which is located west of Booneville on Blackland Road.

SAMMY MILLER

Soldier Graduates Tech School

Pvt. Sammy D. Miller, son of Mr. and Mrs. W.C. Miller of 205 Felker St., Booneville, has graduated from the U.S. Army power generation equipment repair course at Fort Belvoir, Va.

During the course, students were taught to maintain and repair electric and hydraulic control systems of mobile power generators.

Miller's wife, Sandra, is the daughter of Joyce Michaels of Rural Route 5, Booneville.

He is a 1975 graduate of Jumpertown High School, Booneville.

Area Bank Holds First Annual Shareholders' Meeting In Tupelo

A crowd of approximately 375 people met Thursday evening, April 19, at the Ramada Inn Convention Center in Tupelo as First Bank Capital Corporation held its first annual shareholders meeting.

First Bank Capital Corporation is the one-bank holding company which owns First Citizens National Bank. First Bank Chairman of the Board Jack Reed Sr., Chief Executive Officer Gene Berbette and President Lewis Whitfield reported on the 62-year-old bank's 1983 performance and outlined future plans.

Whitfield cited numerous non-financial events that occurred during the year as vital ingredients in First Bank's success. In February, 1983, Governor William Winter assisted bank officials in the inaugural First Bank Young Citizen Awards, a program designed to honor outstanding area youth in the areas of Leadership, Service, Responsibility, and Achievement Plus.

Whitfield said First Bank's commitment of recognizing the accomplishments of young persons led to the bank's receiving the prestigious Golden Coin Award, presented by the Bank Marketing

Association for excellence in achieving a highest-quality public affairs program.

According to Whitfield, First Bank has captured four Gold Coin Awards in the past eight years, making it the only Mississippi bank to have won four awards.

Whitfield said the introduction of First Aid, First Bank's automated teller machines, provided additional service to bank customers.

During 1983, First Bank enjoyed its third merger since 1981, with the addition of the Bank of Starkville, now referred to as First Bank-Starkville, which has completed plans for the construction of a 5,000 square foot facility with an anticipated completion date of late 1984.

The foundation of First Bank Capital Corporation was approved by shareholders in September, 1983, providing what Whitfield termed "an opportunity to allow greater corporate flexibility to meet the full financial needs of our market area. (The holding company) gives us the organizational framework for future growth."

He concluded his remarks with a report on expected capital expenditures in 1984 for the improvement of facilities in Tupelo, East Columbus, Tishomingo, Starkville, and the expansion of the First Aid system.

Berbette reviewed financial performance and noted a deposit

increase of \$15 million. "1983 was by far First Bank's best year for profits," Berbette said. "Net income after taxes was \$2,106,000. This is an increase of \$660,000 over 1982 and a percentage increase of 46 percent. A record \$6.00 per share was paid to stockholders with a total dividend payout of \$681,318."

Berbette also said that shareholder equity had increased from the end of fiscal 1979 from \$8 million to \$12.8 million, a 60 percent increase over a 4-year period. He concluded his remarks by briefly analyzing current market conditions and interest rates.

The annual meeting marked the completion of Jack Reed Sr.'s first year as Chairman of the Board. Reed said First Bank "has continued to provide high-quality financial services to the people of Northeast Mississippi. We continue to be a leader in area development by contributing more than our fair share of people and dollar resources in community projects."

Both Reed and Whitfield were recognized for their recent installations in statewide organizations. Mr. Reed was recently named Chairman of the Governor's Lay Board of Education as a result of his continuing work for the improvement of education in Mississippi.

In April, Mr. Whitfield was named Chairman of the Mississippi Economic Council.

Corinth Man To Lead Bug Hunt In Trinidad Jungles

During the last week of June, Doug Fleury of Corinth will be co-leader of an expedition sponsored by the Cincinnati Zoo to collect tropical insects and plants in the mountain jungles of Trinidad.

The Cincinnati Zoo houses the largest collection of living insects from all over the world. Each year, the Zoo sends a collecting group to the South American jungles to collect its large insects.

In 1979, Fleury first brought large Mississippi insects to the Cincinnati Zoo. Since that time, he has been responsible for sending thousands of Mississippi insects for display in Cincinnati.

Randy Morgan, entomologist at

the Insectarium, will be supervising the scientific work to be done in Trinidad. The eight-day expedition will operate out of the Simla Research Station in the Arima Valley.

Up to sixteen volunteers will collect and feed insects, as well as see the incredible bird-life and other environmental wonders of Trinidad-Tobago. The tropical island is a piece of the northern Andes Mountains that has separated from the mainland.

Anyone wishing information about the expedition may contact Doug Fleury at P.O. Box 184, Corinth, Miss. 38834.

County Students Win State Science Fair Honors At Jackson

Ten students from the Prentiss County School District won honors for their projects and research in various sciences recently at the 1984 State Science and Engineering Fair in Jackson.

The State Science Fair is open to winners of the six district competitions. Students from grades 7-12 enter projects in ten categories.

Over 600 students competed this year.

This year's award winners included: Tracey L. Gifford, Thrasher, United States Army Award; Anthony Mink, Jumpertown, American Meteorological Society Award;

Class 3, grades 7-8: Mitzy Cosby, Thrasher, second place, behavior

and social sciences; Greg Koon, Wheeler, fifth place, math and computers.

Class 4, grades 9-10: Anthony Mink, Jumpertown, fifth place, earth and space sciences; Jennifer Anderson, Thrasher, third place, medicine and health; Matt Rinehart, Thrasher, fourth place, microbiology.

Class 5, grades 11-12: James Smith, Wheeler, fifth place, chemistry and biochemistry; Chris Bullard, Wheeler, fifth place, earth and space sciences; Paul Lambert, Thrasher, fifth place, math and computers; Peter Bullard, Thrasher, fifth place, environmental sciences.

Rienzi Girl Awarded Scholarship At BMC

The Hutchins Scholarship at Blue Mountain College has been awarded to Darlene Sweeney, the daughter of Mr. and Mrs. W.R. Sweeney of Rienzi, Miss.

Miss Sweeney is a Junior majoring in Special Education. She transferred to Blue Mountain from Northeast Mississippi Junior College.

The Hutchins Scholarship was established through the Alumnae Association by friends of Mabel, Elizabeth, and Lucy Hutchins. The scholarship is awarded to students who possess the potential for the same standard of scholarship and integrity exemplified by these Blue Mountain College faculty members.

State Unemployment Continues Decrease

Mississippi's unemployment rate dropped to 10.3 percent in March, a decrease of six-tenths of a percentage point compared to February's revised jobless rate of 10.9 percent, according to Mississippi Employment Security Commission Executive Director

Cohen Robertson.

Last year's March unemployment rate was 14.3 percent.

The 10.3 percent unemployment rate for the state was higher than the 8.1 percent national rate for March.

TVA Task Force Suggests Safety Check Before Summer Boating

Spring and summer bring with them pleasurable boating experiences on Tennessee Valley lakes. To keep them pleasurable, TVA's Water Safety Task Force suggests that boaters plan ahead from a safety standpoint. The task force suggests the following spring checkup for boats and boating equipment:

- Make sure all mechanical and moving parts, batteries, gas gauges, electrical lines, and fuel lines are operating properly.

- Check anchor ropes, gas tanks, paddles, and boat trailer wheels to

determine if they should be replaced or repaired.

- Check pressure valves on fire extinguishers.

- Check personal flotation devices for faulty fasteners or loss of buoyancy.

The task force also recommends that each boat have a first aid kit, tool kit, a sound signaling device such as a whistle, bell, or horn, a "kill" switch which would automatically cut off the motor if the operator is thrown overboard, and a visual distress signal such as a flare gun for emergencies.

They also encourage boaters to carry a spare tire for the boat trailer.

"Boaters should be cautious of hazardous areas immediately above and below the dams," explained Mike Crowson of TVA's Water Safety Task Force. "The water levels are controlled according to a fixed schedule. The electrical generators at a powerhouse start automatically in time of high electrical demand. When that happens, generators let a torrent of water loose in a matter of seconds. Very few persons can

control their boats under those conditions."

The task force also encourages boaters to participate in the Boating Safety courses that are offered by various organizations. For times and locations call Boat-Us, toll free, at 1-800-336-BOAT.

TVA's Water Safety Task Force does not set or enforce boating laws. However, it does encourage all boaters to follow safety rules and regulations to limit the number of accidents on TVA lakes.

THOUGHT FOR THE WEEK:

Dear Lord, We Would Run With You...

By Charles L. Potts

- 1 John 1:6-7

All of us came from somewhere we call home. We go back occasionally to see the town, countryside, old house and the accompanying memories of a past day. We were always told that it was very important who our friends were... that is, who we ran around with. Any pastor can tell of folks who have sought him out to tell of their mistakes... wrong choices, broken hearts, lives, and homes. Much of this wretchedness can be traced to running with the wrong crowd. This wrong crowd often influences one to walk in darkness; while the Biblical injunction invites us to walk in light, be cleansed by the blood of Christ, and have true fellowship one with another. To do so means one must be willing to "run with God"... let Him bring some order out of the chaos that wells up within a soul and bears down upon a person's life. Friends can offer advice... but basically the problem is personal. One thing ministers discover about folks trying to "run without God" is that they are trying to run away from life. To do so is to fall into that "trap"... of thinking more highly of oneself than one ought to think, of blaming others for one's own personal problems, and that inevitable loss of trust in ones fellowman. For the husband and wife who walk in darkness... chose the wrong company... and leave God out; evenings which could have been spent in

rewarding recreation are often consumed in frantic hours of "fighting it out," with recrimination, caustic criticism, and the loss of confidence and trust. All of which imposes a terrible burden on the love each actually has for the other. It becomes a vicious circle. A church member, who so runs, with a sharp tongue or an ungoverned temper need ever hope to find "some other church" more hospitable. Angry words and caustic comments will make enemies and antagonize people everywhere. You can depend on that. On a mirror in a hotel room these words were read:

Life is a mirror;

Smile at it and

It will smile back at you.

There is a profound principle here... life comes back to us in very much the same package as the one in which we ship it out. The words of Jesus point it out; the merciful will obtain mercy; the forgiving will be forgiven; those who hate will be hated; the poor in spirit will be given the earth; the generous will receive, and the hard-fisted will find the going tough. "The kingdom of heaven is within you." It is if you are willing to "run with God."
