Roundup

Hearing Held

An executive session meeting of the Booneville Board of Aldermen regarding charges against police lieutenant James Pennington was held Monday afternoon, Nov. 19.

According to police commissioner Charles Steen, the board decided to study the matter further before deciding whether the officer should be demoted to patrolman. "We will probably rule on it sometime next week," he said.

Distribute Commodities

Commodities, including cheese, butter, and rice, will be distributed to eligible Prentiss County residents on Wednesday, Dec. 5, at the Prentiss County Food Stamp Office, according to Joe Hill, Prentiss County Welfare Director.

The distribution will be made on a first come first serve basis to those presenting properly signed and dated commodity vouchers. Lost vouchers cannot be replaced, he said.

"Should there be a change in this distribution date, it will be announced over radio station WBIP," Hill said Monday.

Front Door Locked

Coinciding with the opening of Booneville Baptist Memorial Hospital's new patient wing, hospital administrator John Tompkins has announced that the main lobby doors will be locked at 9 p.m. each night for security reasons.

"After 9 p.m. people will have to enter the hospital through the emergency room entrance on Washington Street," Tompkins said.

"The reason for this is to insure security for our patients and staff," he said.

Schools Closed

Prentiss County School students and students in the Booneville Municipal Separate School District will be out of school Nov. 21-25 for Thanksgiving holidays. Classes will resume Monday, Nov. 26.

Students at Northeast Junior College will also be dismissed Nov. 21-25 for Thanksgiving. Classes will resume Monday, Nov. 26.

Troopers On Alert

Speeders and drunken drivers will be of special interest to the Mississippi Highway Patrol during the four-day Thanksgiving period since drivers in these categories caused most of the 12 highway deaths over Thanksgiving last year.

The patrol will step up its enforcement during the 102-hour period that begins at 6 p.m. Wednesday, Nov. 21, and ends midnight Sunday, Nov. 25.

More than the usual number of troopers will be on duty during the holiday period because all days off and leaves of absence have been cancelled.

Planned TV Station Hits Financial Snag

By ED WOODWARD
Managing Editor

If Booneville's low-power television station, TV-53, ever goes on the air it will not be by January 16, 1984, the original deadline for broadcasting imposed by the Federal Communications Commission when the station's license was granted.

According to Darryl Anthony, Mobile, Ala., one of the station's original investors and secretary-treasurer of Dove Broadcasting Inc., the corporation formed to operate the station, funding has become a problem and the FCC has granted a six-month extension of its on-air date.

Anthony was contacted after

attempts to reach station manager Julian Graddick for comment on the current status of TV-53 were unsuccessful.

Both Graddick's home phone and TV-53's phone have been disconnected, according to South Central Bell Directory Assistance, and a personal visit to Graddick's house found him not at home.

The Banner-Independent first contacted Don Kaufman, also of Mobile, and a vice-president of Dove Broadcasting. But Kaufman said he was no longer associated with the TV station.

"I was originally involved in that, and I thought there was going to be some other investors. But I just don't know what's happened to it. I kind of lost track of it," Kaufman

said. Asked about Graddick's whereabouts, Kaufman said, "I think he moved his family back here to Mobile."

Kaufman then referred The Banner-Independent to Anthony, a Mobile accountant, who was reached at one of his clients' offices.

"I think, basically, it's just a matter of inability to find any financial backing for the thing," Anthony said.

"We thought we originally had a group that could carry it," he said. "But the banks that we talked with were very hesitant about loaning any money on equipment."

"And, at the time, the investors that we had had other investments that they were working on, trying to

secure. And they just didn't have the necessary liquid funds to put up on the thing," he said.

"The last I talked with Julian (Graddick), he was still attempting to find some people who can back the deal financially," Anthony said.

Contrary to what Kaufman had said regarding Graddick's returning to Mobile, Anthony said, "I think he's working up that way (in Booneville). So, he doesn't have any intention of returning to this area."

Asked about rumors of unpaid bills owed by Dove Broadcasting, Anthony said, "There are some back bills that will be paid. That's just a matter of some people getting together and coming up with the money."

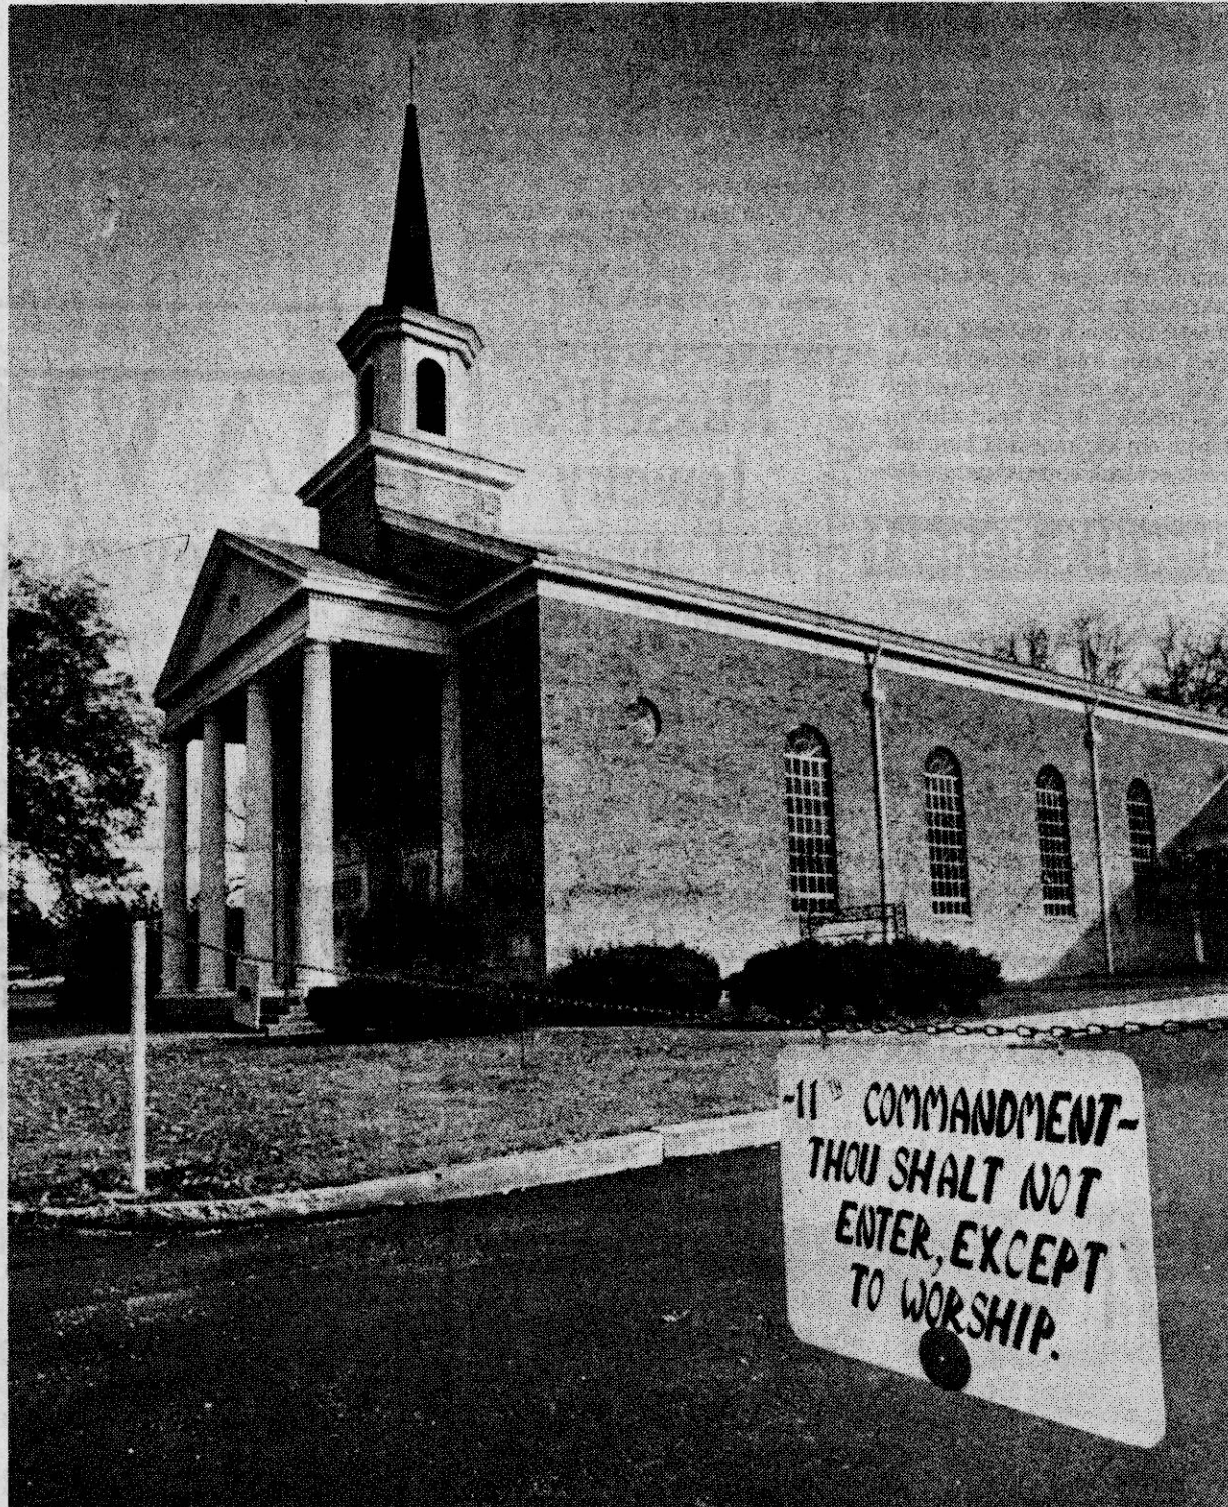

Anthony said the FCC had

granted a six-month extension on the one-year originally given TV-53 to go on the air. "There has been an extension granted. The FCC was approached, and an explanation was provided them regarding the problems that the investment group is having. So, they did go ahead and grant an extension. I think it was six-months."

The FCC's original deadline for TV-53 to begin broadcasting was Jan. 16. A six-month extension would make the new deadline July 16.

"It's still a viable investment for some people if some money can be found," Anthony said. "Because the extension request was granted, that

On what appears to be word from the highest authority, the First Baptist Church in Booneville recently placed this sign and chain across the entrance to the church's main parking lot. Apparently the

parking lot was blocked off because some people have been using it as a short cut between the two streets on either side of the church. (Photo by Ken Christian)

Hospital Layoffs National Trend

Despite recently announced layoffs at North Mississippi Medical Center in Tupelo, Union County Hospital in New Albany, Oxford-Lafayette County Hospital and Itawamba County Hospital in Fulton, Booneville Baptist Memorial Hospital administrator John Tompkins said Wednesday there are presently no future plans for layoffs at his facility.

"What's bringing all this about is all the changes in the health care field. And it's not only in this area; it's throughout the country that this type thing is going on," Tompkins said.

"We had our staff reduction early compared to some of the other

hospitals in the area that are just now doing theirs," he said. "We had ours about two years ago."

Explaining the reason for the recent rash of hospital layoffs in the area, which was capped by Itawamba County Hospital administrator Glendon Speigner's Thursday, Nov. 15, announcement of layoffs and cutbacks affecting 10 percent of his facility's employees, Tompkins said, "What's causing this national trend is the reimbursement mechanism."

"Hospitals have to operate like a business," he said. "So, throughout the nation, hospitals are having staff reductions because of a

Baldwyn's New Factory On Hold

It may be well into 1985 before construction begins on what was to be the industry that would fill the remaining space in Baldwyn's industrial park.

According to Baldwyn Mayor Merle Rowan, Mesker-Clark, a door manufacturer that earlier this year announced plans to build a new factory in the Charles M. Gordon Industrial Park, is still seeking financing for the project.

Rowan said Mesker-Clark officials announced at a Tuesday, Nov. 13, meeting with city officials that they were now looking into the possibility of leasing from another company that would agree to construct their building.

"I don't have any idea when they might be opening their doors, since they don't even have the building part worked out yet," Rowan said. Asked what was holding up

construction of the building, Rowan said, "Money."

"They started out with plans to obtain local financing," he said. But, he said, no local financing could be obtained.

The company then began negotiating with Citibank (First National City Bank) of New York City, Rowan said. "But after the failure of several banks around the country, they backed off."

"They regrouped and decided they were going to have to tighten up," he said.

Asked about the stability of Mesker-Clark, Rowan said company officials have told him they "have more work than they can handle."

"But, right now, we don't know where we are. It's just hanging in Limbo," Rowan said.

A Christmas Story At Thanksgiving

Counting Blessings, She's Celebrating Christmas Early

By ANGELA SMITH
Staff Reporter

Wilda McMurry is probably one of the few people in Prentiss County who already has a Christmas tree decorated.

Why would anyone put up a tree even before Thanksgiving?

The reason is really quite simple, the Jumpertown woman says.

"It's been a long time since I felt like putting up a Christmas tree -- and I felt like it now."

Mrs. McMurry's Christmases past have frequently been spent in hospitals.

For the last three Decembers she has had surgery involving hardening of the arteries. And last Christmas Eve her daughter's home burned.

Earlier this month Mrs. McMurry had surgery again. When she came home from the hospital, before she even went home, she had her daughter, Becky Cooper, take her to Wal-Mart to purchase a Christmas tree.

"I'm just hoping and praying this

will be the best Christmas ever," Mrs. McMurry said. "I feel like it's Christmas next week. This is the first Christmas in 15 years that I've really felt like celebrating. This is my way of getting to wish people a 'Merry Christmas'."

Mrs. McMurry is possibly one of the first Prentiss Countians to mail a Christmas card this year, too. Her first card was sent to Prentiss Manufacturing. She worked at Prentiss No. 2 before she became disabled.

THANKSGIVING will also be a special time for Mrs. McMurry.

"It just seems like people are doing so much for me," she said.

Sunday she ate an early Thanksgiving dinner with her neighbor, June Mardis. The Lions Club has supplied her with new glasses and her nurse, Cathy Davis, got a wheelchair for her through the Home Care Program.

After Mrs. McMurry's left leg was amputated last year, the local CB club sponsored a benefit for her

to help with medical expenses.

"The Lord has been good to me. And when I was in the hospital, people from hundreds of miles around prayed. They never stopped praying."

"Every day that goes past I've got more to be thankful for. If you could just see the things I've seen," she continued. "I've always taken my legs for granted. Now it's good to even use a walker."

"People should be so thankful for what they have. For the past year I've enjoyed living more than I ever have. There are so many things to be thankful for -- I just can't name them all."

Mrs. McMurry's holidays will be spent with her children and their families, Becky Cooper of Jumpertown, Davy McMurry of Marietta and Cathy Neblett of Wheeler. "Spending the holidays with my family -- that's what I want," she said.

"I'm thankful to be alive and that all my kids are well. We've all got houses to live in, food, and clothing. There's a lot to be thankful for."

QUESTION: Is it scriptural to raise money for the church by selling candy, flowers, crafts, etc.?

ANSWER: Christians are to be gainfully employed that they may have and also be able to help those that need. (Eph. 4:28) The New Testament church is a spiritual body to carry out the work of the Lord. The work of the collective people of God is outlined in the scriptures. It is the preaching of the gospel, relieving the needy, and building up the body of Christ. (Eph. 4:11-13)

The church of the New Testament (our pattern for today) did not engage in candy sales, bingo parties, or craft sales. The Christians were instructed to give as God had prospered them. This was done on the first day of the week. (1 Cor. 16:1, 2) They were further instructed to purpose to give. To give bountifully. To be a cheerful giver, not grudgingly, or of necessity. (2 Cor. 9:6-7) It is sad that so many in the name of religion sell everything from flowers to candy. Some churches (not the N.T. church) engage in all kinds of business to conduct all kinds of activities. We plead with those sincerely interested in truth to turn back to the Bible. Recognize that we must submit ourselves to the Lord's will, that we must follow the New Testament without adding to or taking away from what is written.

TV Station

does give it new life."

Asked why finding financing was proving so difficult, Anthony said, "Well, the banks are a little tough to deal with in a situation where you're trying to go up there (in Booneville) and the banks are unfamiliar with you. Then, you go to a bank here (in Mobile) and they're

not familiar with the area up there. "So, it was kind of a straddle situation that we could never really find any real substance on either foot," he said.

"The problem is with venture capital," Anthony said. "If it was a going concern already up there, the money, I feel, would have been much more available.

"But, since it is venture capital, banks have a very strong stigma attached to that term. And, as a result, they just weren't overly cooperative."

Anthony said, though Dove Broadcasting does still exist on paper, it is "in suspense right now. There is just no activity going on in it."

Anthony admitted that, if funding for TV-53 can be found, Dove Broadcasting will have to undergo a complete reorganization. "I don't anticipate any action under the present shareholders," he said.

"But, there is still hope alive for it if some money for some backing can be found. Julian (Graddick) is still very serious about it. He was totally sold on the idea and still is, the last I talked with him.

"In all fairness to him, when he went up there, he had every intention in the world of getting this thing on the air. But we've had just problem after problem relating to the financing. And I think a few of the investors just finally realized that it might be just futile and just threw their hands in the air in exasperation," Anthony said.

Hospital

(Continued from Page 1)

reduced patient load, more outpatient procedures being performed and shorter length of stays."

Tompkins said hospitals are actually going through a realignment of priorities. "The crunch is on," he said. "There is a crisis in health care as far as who is going to pay for it.

"The reimbursement mechanisms have changed and more and more things are being done on an outpatient basis.

"In the past, insurance companies wouldn't pay for outpatient services. And, now, they are encouraging them. So, that certainly contributes to fewer patients in hospitals," Tompkins said.

He said the length of time the average patient stays in a hospital is now shorter, too. "The national average used to be about seven or eight days. Now, I think it's probably somewhere around six days," he said.

Tompkins said he felt Booneville Baptist Memorial had already experienced its transition period and no layoffs are currently planned.

"Of course, everything depends on the census (average number of patients in the hospital)," he said. "But we're beginning to enter the winter season, the time when all hospitals have an increase in their census due to respiratory infections."

HOSPITAL DEDICATED - Participating in formal dedication ceremonies for Baptist Memorial Hospital's new building in Booneville are (l-r) Junior Roper, local board chairman; Joseph H. Powell, president, Baptist Memorial Health Care System, Memphis, and John Tompkins, local hospital administrator. "We're just delighted at the number of people who came to see our new facility in inclement weather," Tompkins said. "We appreciate everybody's interest. We're happy to have this part of the project completed so we will have adequate patient rooms up to modern day standards so we can better serve the public."

THANKSGIVING

The Pilgrims observed their first Thanksgiving Day in 1621 to express their gratitude for the blessings received during their first year in America. Thanksgiving Day is celebrated by Americans the fourth Thursday of November each year. We have much to be thankful for as Americans.

We have opportunities that are unsurpassed by people of other nations. We enjoy religious and political freedoms that were important to those who came to this country.

Many are the material blessings that are ours for which we should be grateful. Life itself is possible because of God (Gen. 1:27, Acts 17:28). The measure of health we enjoy is something for which we should express our gratitude. Many of us have more than the necessities of life to make life comfortable for us.

The most important blessings that are ours are spiritual blessings. We are blessed to have the Bible that has influenced the world. The sacrifice made by Christ is something that the whole world should be grateful for (John 3:16). The church that Jesus build is a vibrant force in the world today. Forgiveness of sins, peace of mind and the promises are available to all who obey God (Heb. 5:9).

How can we express our gratitude for the many blessings that are ours? We can express gratitude by: (1) obeying the gospel (2) worshipping right (3) living right (4) rendering service to others. Gratitude for our many blessings is expressed as we glorify God and serve our fellowman.

Talk 'O The Town

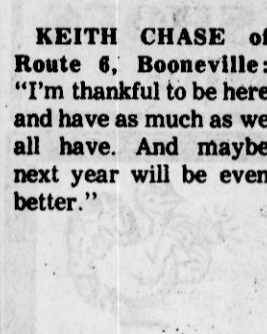

Street Opinion

QUESTION: What are you thankful for this Thanksgiving?

RAMELL HUDDLESTON of Route 5, Booneville: "I'm thankful we're all healthy. And I was pleased with the presidential election. I hope more people go back to work - that's the main thing."

GINI LIVINGSTON of Route 1, Booneville: "I'm thankful for my family and friends and for the Lord and what he has given us."

KEITH CHASE of Route 6, Booneville: "I'm thankful to be here and have as much as we all have. And maybe next year will be even better."

ELORA AGNEW of Route 2, Booneville: "I'm thankful that the Lord let me live and my children, grandchildren, neighbors and their children live."

JAMES R. COATS of Route 1, Rienzi: "I'm thankful I'm alive, for my family, and for Jesus who saved us."

EUGENE HORN of Route 7, Booneville: "I'm thankful for my health and having a job."

(Editor's note: "Talk O' The Town" is not intended as a scientific poll of public opinion. Rather, it is simply intended to give Prentiss Countians an opportunity to voice their opinions on particular issues and topics. Maybe we'll ask you next!)

Ponderings

By Angela Smith
Staff Reporter

When I went inside church Sunday morning, one of the first things I noticed was the Thanksgiving arrangement prepared by several ladies at the church.

The arrangement included a cornucopia of fruits of the season including bright orange pumpkins, apples, oranges, butternut squash, bananas, grapes and English walnuts. It was a beautiful scene depicting a bountiful harvest.

Tomorrow is Thanksgiving - a time to think about all of life's blessings. Every day it would be good to take into consideration the many things for which there are to be thankful. But often, most people take their blessings for granted. That is why Thanksgiving is such an important time. It is an opportunity for

people to realize how lucky they are. There are families who must deal with sickness or loss of family members at the holiday season. But often times people facing hardships often have a better outlook on life than people who seem to have everything.

AT CHURCH Sunday there was time taken for the congregation to share their thoughts about what they were thankful for. Some of the things people mentioned being thankful for were their health, Jesus, their church, family, friends, and living in America.

We sang the song, "Count Your Many Blessings." Some of the words of the song are "Count your many blessings, name them one by one, and it will surprise you what the Lord has done." As we go through our daily routine, it would be good to keep those words in mind instead of sometimes feeling sorry for ourselves.

SCHOOL students are lucky, too. They will be out

of school Wednesday through Monday. When I was in school we got out for Thanksgiving holidays Wednesday at noon.

I mentioned this fact to the publisher who inquired, "Did they have Thanksgiving back then?" I didn't tell him, but yes - they did have Thanksgiving back then. That was the year the Pilgrims and Indians shared their feast - so we got out of school at noon.

THURSDAY will be a busy day filled with visiting friends and relatives. There will be Thanksgiving parades and football games on TV. Most will probably have turkey and dressing and all the trimmings and possibly several day of leftovers. But regardless of what your Thanksgiving Day consists of - it is a good time to give thanks for all you have...and possibly some things you don't have.

Sisson Was Pioneer For Proportional Representation

By BILL MINOR
Syndicated Columnist

JACKSON, Miss. -- There was only a brief notice the other day in the paper telling of the death of former State Rep. Upton Sisson of Gulfport at age 76. No fanfare, no eulogies by the state's political leadership.

What did Upton Sisson do in state legislative office that is worth noting? You could say that Sisson was a pioneer in getting proportional representation for Mississippians in their State Legislature.

Few perhaps remember the early battles for reapportionment of the Legislature which began in the late 1950s when Sisson, then a representative from Harrison County, courageously tried to bring the issue to the forefront.

His effort to get the

Mississippi House to face up to the fact the Legislature had failed to reallocate legislative seats on a population basis was regarded as some kind of alien concept. He was both scorned and warned that his position could jeopardize legislation benefitting his area.

Even though the state constitutional provision apportioning legislative seats contemplated that reapportionment would take place after each decennial census, the Legislature had gone for 70 years without changing the representation counties had been given in the 1890 constitution.

Powerful House Speaker Walter Sillers, who held away in the time Sisson was plugging for fair representation, interpreted the constitution as not binding upon the Legislature to reapportion and he thwarted

efforts of Sisson and a few others to bring the question to the floor.

There were glaring instances of under-representation, particularly in South Mississippi and on the Gulf Coast, and over-representation of certain Northeast Mississippi counties.

Harrison County, then had only 1 full representative and a "floater" representative it shared with Jackson County, but five times more population than Marshall County which had three full representatives.

The discrepancy was even worse in the case of Noxubee County which had a population of only 16,800 in 1960, but had three representatives, as many as Hinds County, which had 11 times more population.

Sisson threatened to go to court to get fair

representation for his county, much to the amusement of the House leadership which was confident that apportionment of legislative seats was a legislative matter and the courts had no say-so.

Having lost his seat to the "floater" tradition, Sisson made good in 1960 on his threat to file a lawsuit - the first time the issue of legislative apportionment had ever been brought to court.

The legislative old guard was shocked when a Hinds County Chancellor named W.T. Horton not only ruled he had jurisdiction in the case, but proceeded to hold that Harrison and Hinds counties were entitled to additional seats based on equal population factors.

In the meantime, the United States Supreme Court came down with its landmark Baker Vs. Carr decision which

established the "one man, one vote" doctrine (now known as "one person, one vote") in the apportionment of state legislatures.

Although it tried to ignore the fact that it was acting under compulsion of a state chancery court ruling, the Legislature in the spring of 1963 passed an apportionment bill that increased Harrison County to 6 and Hinds County to 9 seats in the House, and added another seat for Jones and Forrest Counties.

One cockeyed idea pushed by then Gov. Ross Barnett, to give every county in the state a senator was put before the voters in November, 1962, and soundly rejected, despite Barnett's personal popularity.

It is one of those ironies of history that while Sisson had the courage to personally lead a court fight to give his county

greatly increased legislative representation, he would never fill one of those seats.

Sisson chose not to become a candidate, possible because of personal problems, for one of the six seats Harrison County filled in the 1963 elections. A few years later, however, he did run for a legislative seat, only to be rejected.

In recent years, Sisson had taken up another cause in behalf of citizen rights - the right of initiative and referendum, which does not exist in Mississippi but is widely used in some 30 other states.

The last time I heard from Upton Sisson, he was on my case for not pushing initiative and referendum in my column as he thought I should. Upton was right, as he usually was.

State Landowners Should Be Familiar With Old Law

By ED BLAKE
Mississippi Farm Bureau Federation

Mississippi farmers and other landowners should never lose sight of a statute that prevails in varying forms on lawbooks throughout the nation which transfers legal title to property used openly for a prescribed number of years to those who use it regardless of true ownership.

Provisions of the Mississippi "adverse possession" statute have been around long enough that no one we talked to could come up with the statute's historical background, but obviously it springs from the days when land was cheap and squatters' rights were catered to as a means of stimulating the development of this nation's vast land resources.

But today in rapidly changing times, adverse possession provisions remain valid, and far-

mors or others who may be lax in who utilizes portions of their land could have a jolt in store if the adverse possessors of their Mississippi land for a period of ten years or more should decide to claim the land they have possessed and used as their own.

The problem for landowners is particularly pertinent for absentee landowners who seldom visit their property in this state to know whether or not someone is opening using some portion of that property as their own. It could happen when someone puts up a fence across a portion of the property and starts grazing a few cattle thereon, or by a nearby farmer who decides to encroach on surrounding land adjacent to his own fields by enlarging fields beyond his deeded property lines. If this practice continues unchallenged for ten years under Mississippi law, and the encroacher decides to claim the land

legally, the law is on the encroacher's side.

Another problem for landowners is the complexity of the law in its provisions and subsequent judicial decisions which bear on present and future interpretations of the law.

As this writer inquired around for a definitive reason for adverse possession, the consensus was that it came at a time in history when land was cheap and it was deemed fitting and proper to have a prescribed period of time for owners or users of land to assert their utilization so that legal claims or disclaimers could be a matter of public record.

But today, times have changed.

Early in the 19th century pioneers in the Mississippi boondocks could stake a claim and the president of the United States might grant him a legal claim to that land.

Then early in the 20th century much land was

available for only a few dollars an acre. During

the Great Depression no

That Yankee From Yonder

By Ed Woodward

Managing Editor

Well, who joined me? Last Thursday and Friday was "The Great American Smokeout," when all you people who are still covering your lungs with soot and coughing over your morning coffee were supposed to go 24 hours without smoking. So, how many of you made it through the 24 hours?

Better yet, how many made it through the 24 hours and tried for another 24? And, how many have now made it a whole week?

If you made it through the whole week, you might be on your way to joining me, because on December 27 I'll be able to say I have made it through a whole year.

My first anniversary as a non-smoker comes one year after 32 years of puffing on everything from Lucky Strikes to Gitanes. So I don't want to hear any excuses like "I've been smoking too long to quit."

If I could do it, anybody can, because it definitely

wasn't easy for me, even with good incentive. On July 20, 1980, my father died with both emphysema and lung cancer, which makes me an extremely good candidate for the same diseases.

I don't know if you've ever been around an emphysema victim. But, if you have, and you haven't at least tried to quit smoking, I have doubts about your intelligence, your sanity or both.

Dad was lucky. The cancer got him before the emphysema got into the final stages. But, as it was, he couldn't walk a city block without having to stop and rest. In the final stages, you can't even eat two bites of food without stopping for a whiff of oxygen.

It still took me over three years to quit after that, though I tried every method I could think of. And, ultimately, it was a form of self hypnosis that worked...meditation.

Go ahead, laugh, if you can without coughing. It may sound wierd and conjure up visions of Hari Kreeshnas and Maharishis, but it worked. And that's what counts.

There is really nothing mystic, or occult or even wierd about meditation. In fact, I used a method described in a book called *The Writer's Survival Guide*, a how-to-cope-with-stress manual for

creative people. It's really very simple. You find a quiet place where you can hide for 20 minutes and either lie down or sit in a comfortable chair. I always sit.

Once you are relaxed, you close your eyes and begin breathing at a regular pace. As you breathe in, and as you breathe out, you repeat any monotonous sounding word you like. I used either "now" or "one."

Eventually you will block everything but that monotonous word from your mind. It may take several sessions, but with persistence, you'll manage it. Once you have blanked your mind, substitute the phrase, "Don't smoke," for your monotonous word.

Do this every day for 20 minutes. If you don't quit immediately, you will at least cut down because everytime you start to light up, a voice inside your head will say "Don't smoke." And, if you stick with it, eventually, you will quit.

Just don't give up, and don't get discouraged. It took me a year from the time I started meditating, until I took that last puff.

So try it. I'd be delighted to have you join me as a non-smoker.

No invitations are being sent locally but all friends and relatives of the couple are invited to attend.

Junior Auxiliary Sponsors 'Lifeline'

Many Booneville residents may be unaware of a service available to elderly, invalid, or other persons who live alone. This service, called "Lifeline," was established by the Booneville Junior Auxiliary and serves as a safety line for many.

Administered by Booneville Police Department dispatcher Mrs. Mary Wallace, this line provided an outside contact for persons who live alone.

Each person participating in the program is to call the radio dispatcher at the police department before 10 a.m. each day to let the department know they are all right. If for some reason one of the participants does not call the

dispatcher tries to call that person. If the dispatcher is unable to make contact by phone, a patrol car is dispatched to that person's residence.

At the present time there are nine participants in the Lifeline program.

This program is not restricted to senior citizens but is available to anyone who would benefit from this service, according to Mrs. Gerry Green, chairman of the Lifeline project for the Junior Auxiliary.

Anyone interested in participating in this program should contact Mrs. Green at 728-4772 or Mrs. Wallace at the Booneville Police Department at 728-5611.

GOLDEN ANNIVERSARY - Mr. and Mrs. Clifford Walden of Route 5, Booneville, will be honored with a 50th wedding anniversary reception Saturday, Dec. 1, from 2 until 4 p.m. at the Martin Hill Baptist Church. The celebration will be hosted by their children and grandchildren. All friends and relatives are invited to attend.

DONATED TO NEMJC - Parker-Hannifin recently endowed Northeast Junior College with what was termed "a sizeable gift." Parker Expresses Appreciation To Northeast With 'A Sizeable Gift'

Because of what Parker-Hannifin's Booneville Plant Manager Dick Mullen called "extraordinary support" from Northeast Junior College, the maker of automotive connectors recently endowed NEMJC's Development Foundation with a sizeable gift.

In the photo above, from left, are Northeast Dean Joe Childers, Mullen, NEMJC President Harold T. White and Director of Vocational Education Hale Aust.

NEMJC's part in the opening of Parker's Booneville plant began in February of 1984 when the company began using Holiday Hall for recruiting and training prospective employees.

Six orientation classes have gone through training at NEMJC so far and Mullen said the plant is ahead of schedule.

"This has been a unique situation," Mullen said. "The support from Northeast has been extraordinary and very beneficial

to our Booneville plant. Without Northeast's support, we wouldn't be where we are today."

White said the gift would be commingled with other monies in the development foundation fund and the interest would be used to benefit NEMJC.

"We here at Northeast are just proud to be a small part of such a vital addition to our community," White said. Training programs for prospective Parker employees are continuing at Northeast.

Penalty On Reserve Oats

Producers may no longer repay loans without penalty on farmer-owned reserve oats, according to Everett Rank, administrator of the U.S. Department of Agriculture's Agricultural Stabilization and Conservation Service.

The prices were adjusted to reflect the market price received by farmers, he said.

The national average adjusted price of \$1.62 per bushel for oats of Nov. 1 was 3 cents below the reserve release level. Rank said storage payments for reserve oats will resume in all states.

The daily market reviewed by CCC for oats is Minneapolis.

Bearcats Give Lions Mauling

By GREG SHOOK
Sports Writer

On a cold Friday night, 85 miles from home, the Baldwin Bearcats faced the Hamilton Tigers on the Tiger's home ground for the District 1-AA championship and made it a repeat performance of last year season by taking a 15-0 victory.

As soon as the Bearcats hit the field Friday night it looked like victory would be a sure thing. Gregg Tucker and company were fired up and ready to go and they proved it by immediately stopping the Tigers' opening drive.

Stan Scott's opening kick-off went to the Hamilton where the Hamilton receiver was stopped cold by quick Bearcat coverage.

The Tigers started from a 'split back' formation. On the first two plays from scrimmage the Bearcats dropped the Tigers for a four yard loss, moving the ball back to the 25 yard line. The Tigers regained only six yards before having to punt away to the Bearcats.

Baldwin received the ball on the 38 yard line, then marched 64 yards in 11 plays. The combination of Fred Harvell, Trice Grice and

Gregg Tucker marched the ball down to the three yard line, where Grice took the ball in for the score with 4:29 left in the first quarter. The PAT by Scott was no good, giving Baldwin an early 6-0 lead.

The rest of the first half belonged to Baldwin as they marched the ball down the field to the 12 yard line. Scott then came in to attempt a field goal. It was good, making the score 9-0, Baldwin, with 3:54 left in the first half.

The only spark of light the Tigers showed was in the closing moments of the third quarter when the Tigers drove the ball down to the Bearcats

10. The Tigers then attempted a field goal, which was blocked by Bub Anglin.

The Bearcats then took the ball again, this time from the 20 yard line and marched 80 yards in the final period for a score from Willie Howell from two yards out on fourth-and-one. Scott's PAT was once again no good.

Baldwin will now face the Coffeeville Pirates in the North State playoffs in Baldwin.

This moves the Bearcats to 11-0 on the season with only three games left for the State Class AA title.

BHS Roundballers Start Slow

By SCOTT MCKINNEY
Sports Writer

The start of the 1984 basketball season hasn't brought the best success to the Booneville High School Devils and Lady Devils.

At presstime, the Lady Devils had yet to win a game, while the Devils had gotten off to a 1-2 start after one week of play. However, Carlos Smith, coach of the Devilettes, and Lee Stewart, head mentor of the Devils, are expecting things to shape up as the season progresses.

The Lady Devils, faced with replacing the seven seniors who graduated off of last year's squad, opened their season against one of the more powerful teams in the area, the New Site Lady Royals.

The Royalettes downed the Lady Devils 84-34 in Booneville last Tuesday night.

New Site placed five players in double figures to gain the win over Booneville. Lane Smith led the way with 16, while Cindy King added 13, Tammy Thorton and Carol Taylor, 12 each, and Lori Shockley, 10. Pam Crump and Susan Downs scored 8 each for Booneville.

In the nightcap, Clay Johnson put on an offensive show as he scored 38 points to lead the Devils past the Royals 77-70.

Johnson scored 14 of Booneville's 24 fourth quarter points enabling the Devils to gain the victory. Jim Caver added 16 for the Blue Devils.

Doug Taylor scored 22 points for New Site in a losing effort, while

Kip Loden chipped in with 14 and Neil Moss added 13.

A powerful New Albany team then awaited the Devils and Devilettes at the NEMJC Bonner Arnold Coliseum. New Albany showed why both of their teams are ranked very high in preseason polls as both Bulldog squads gained easy wins over Booneville.

The Lady Dawgs placed five players in double figures to gain an easy 71-22 win over the Devilettes. Daphne Davis led New Albany with 17 points as Barbara Strickland added 16, Janet Shorter, 13, Marilyn Gibson, 12, and Yvette McAllister, 10. Pam Crump scored 10 to lead the Lady Devils.

Johnny Payton, one of the top players in the Southeast, led the Bulldogs, who finished second in the state last year, with 24 points. Clay Johnson scored 17 for Booneville as

Jim Caver added 12.

In what turned out to be a two hour game, the Ripley Tigers defeated the Lady Devils 51-29 last Saturday night in Ripley. Krista Warasner led the Lady Tigers with 10 as Lillie Vance also added 10. Jenny Weatherford led the Devilettes with 9.

In the nightcap, the Tigers built an early advantage and held on for a 67-55 victory over Booneville.

Vincent Gurley led the winners with 24, as Charles Childers added 16. Johnson again led the Devils with 25, as Caver chipped in with 12.

Both the Devils and the Lady Devils are scheduled to appear in the Wheeler Turkey Tournament this week, with the Devils battling the Corinth Warriors tonight at 8:30. The Lady Devils will play the host Wheeler Eaglettes tomorrow at 6:30.

FROM THE COACH'S DESK

By BILL WARD
NEMJC Athletic Director

This is something new for me, but I hope you enjoy this column and I hope it will generate interest in athletics. It will let you know more about what is going on at Northeast Junior College from week to week.

We had a real large crowd at our opening basketball game last Tuesday night. Our ladies defeated Jackson State Community College 81-58. Our men won 111-66.

Our men's basketball team played at Walker College in Jasper, Ala., Thursday night. They were defeated by last year's Alabama State Championship team 79-76 in a close game.

Our ladies are now 2-0 going into Monday's tournament game with Martin ladies at 4:00 p.m. and our men are 2-1.

I believe we are going to have two fine basketball teams this year. By the time you read this column we will have finished our Northeast Junior College round robin tournament with Walker College, Martin College, and Itawamba Junior College. I will tell you more about it next week.

Monday night, Nov. 26, wrestling returns to Northeast with the biggest card ever. Jerry "The King" Lawler, Jimmy Hart, and Jimmy Valiant will be here. Don't miss it, it promises to be the best yet.

Tuesday, Nov. 27, Northeast's men and women will play Itawamba at Bonner Arnold Coliseum. Game time at 6:00 p.m. with the ladies opening up, followed by the men. It will be a good one.

Thursday night we travel to Northwest to play Coach Harry Adair and Coach "Cat" Robbins' fine basketball teams at Northwest Junior College gym. Don't miss it, I know this will be two fine games.

If you do not have your season ticket for basketball, you need to get one, \$20.00 per ticket. You save \$16.00 admission at the door, adults \$3.00, students \$2.00. Twelve home games. Pretty good savings, don't you think?

The athletic department really appreciates your support for all our athletic events. We hope you continue your support during our basketball season.

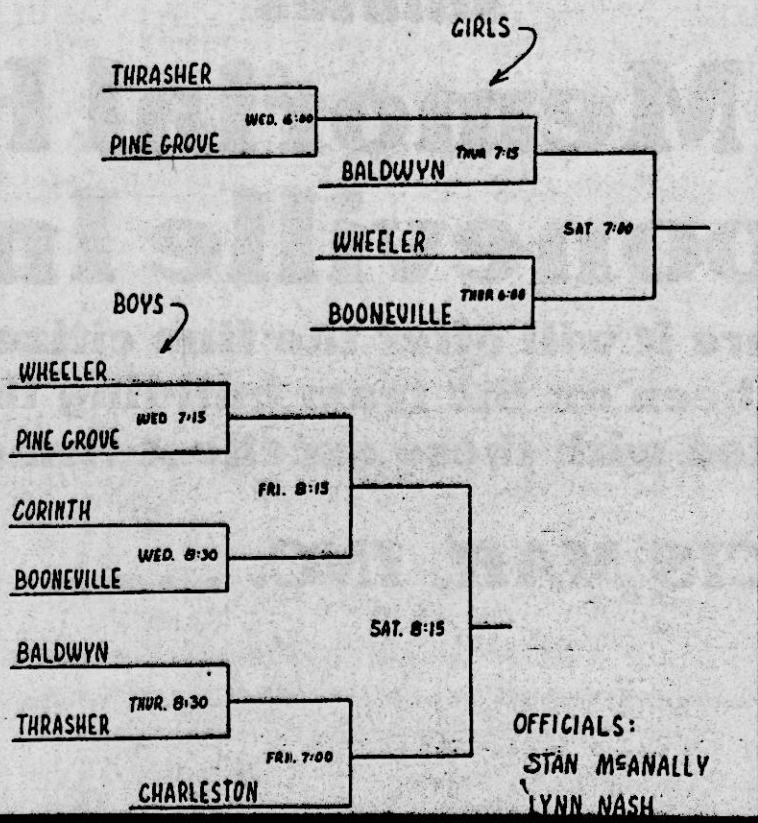

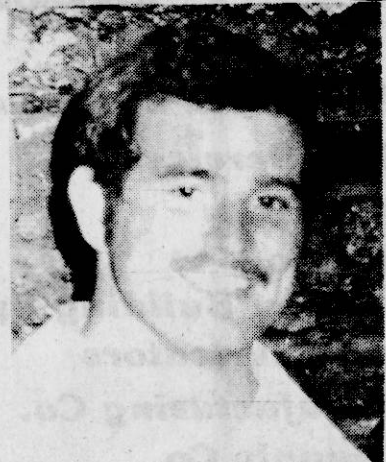

By the way, Nov. 23 in Keenum Stadium, West Point High School will play Olive Branch High School, starting the High School Football Playoffs, at 7:30 p.m.

West Point won 4A District 1 Championship and Olive Branch won District 2 4A Championship.

The paper will be out a early so I hope you have a good Thanksgiving. See you next week. We have a lot going on at Northeast in December, I'll keep you informed.

Both NEMJC Teams Off To Fast Start

By SCOTT MCKINNEY
Sports Writer

The Northeast Junior College Tigers and Lady Tigers opened their 1984 basketball seasons last week, and after one week of play, both squads have looked impressive.

Coach Rickey Ford's Tigerettes have started their season with two consecutive wins over two out-of-state teams. The Lady Tigers downed Northwest Alabama 103-63 in their opener last week, then beat the Jackson State Lady Generals 81-58 in their home opener at Bonner Arnold Coliseum.

The Tigerettes completely dominated the game with Northwest Alabama in the opener, leading 59-38 at the half. Booneville's Kunshinge Sorrell led the way for Northeast with 20 points. Jackie Perry of Jackson, Tenn., added 19, Ara Gardner of Ripley chipped in with 13 for the

Lady Tigers and Trina Bullock of Pine Grove added 12.

In the game with Jackson State, Sorrell continued her dominance in scoring, popping the nets for 27 points. Perry chipped in with 16 and Ingomar's Secyme Lyon added 12.

Sorrell said Monday that the Lady Tigers have looked good, but there is still a lot of work to be done. "We're looking pretty good right now," she said. "But, we could stand some improvement in all phases of our game. Hopefully we'll come along around the time for playoffs."

The men's squad, under the direction of coach Richard Mathis, have got off to a 2-1 start this season.

"I thought we looked good in our first two games," Mathis said, referring to the Tigers' wins over Northwest Alabama and Jackson

State.

"But, we didn't look as good when we lost to Walker College. The thing that hurt us in that game was our poor free throw shooting," he said.

The Northeast men opened their season with a 91-86 victory over Northwest Alabama in Phil Campbell, Ala., last week. The game was close throughout as the Tigers held a slim eight-point, 54-46 lead at halftime.

Northeast placed six players in double figures to stay ahead of the Alabamians and hang on for the win. Calvin Fields of Friendship, Tenn., led Northeast with 18 points, while Perry Perrin of Jumpertown added 15, Ronnie Elam of Booneville, 14, Roosevelt Combs of Memphis and Derrick Pollard of Alcorn Central 13 each and Kevin Simmons of Jumpertown 10.

The Tigers again had no problems in scoring in their home opener as

they routed the Jackson State Generals 111-66.

Fields again led the way for Northeast, which again placed six in double-digits, with 19 markers. Elam added 14, David Robbins of Blue Mountain scored 12, Michael Groves of Booneville added 11 and Perrin and Robert Evans of Blue Mountain scored 10 each.

Seventeen missed free throws against Walker College, last year's Alabama state champs, spelled defeat for the Tigers last week in Jasper, Ala.

Walker capitalized on the Tigers' poor shooting from the charity stripe to earn a 79-76 win.

Fields burned the nets for 25 points to lead Northeast, while Elam added 12, Perrin, 11, and Combs, 10.

Fields said early this week that the Tigers must learn to play together if they expect to ac-

complish anything. "As long as we can play together as a team, we'll do all right," Fields said.

"We've looked pretty good in our first few games, but we need to work on our defense. We know we can score, but we have to stop the other team from scoring, too," he said.

Both the Tigers and the Lady Tigers were scheduled to be in action this week, but results were not available at presstime.

Eagles & Lady Royals Win At Thrasher

By GREG SHOOK
Sports Writer

The Wheeler Eagles and the New Site Lady Royals took home the top honors in the round-robin style Thrasher Tournament last week.

New Site clinched the tournament by taking a 64-44 victory.

The Lady Royals started slow, but finished strong, in their usual style, breaking 16 points in the first quarter. Cindy King connected for six of them.

On the other end of the floor, Thrasher hit for only six points with Sue Leslie contributing five.

The Royalettes began pulling away in the second quarter. Lori Shockley had sank eight to help put the Lady Royals up 37-19 at half time.

The third quarter was much the same as the first half. And, when the horn sounded to end the quarter, New Site was ahead 49-29.

Both team traded baskets during the fourth quarter. But when the game was over New Site prevailed 64-44.

Lady Royal high scorers were Lane Smith with 14 points and Lori Shockley with 13.

For the Thrasher Rebelettes it was Marie Miller with 17 points and Martha Champion with 10.

Wheeler took an 88-66 win over the Thrasher Rebels to make it 3-0 and win the tournament.

Wheeler got on the score board first when Tony Tate hit one from 15 feet out. The Rebels got on the board with 6:50 in the first quarter when Paul McCutchen scored from the corner.

With 2:26 left in the first quarter the Rebels tied the game at 12. Todd Swinney then came down the floor and put the Eagles up by one when he drew a one-and-one on the offensive end of the floor. This put the Eagles up 13-12.

After steady basket trading, by the half the score was 44-35, Wheeler.

Thrasher jumped on the board first in the third quarter when Bill Windham hit a shot from inside the lane. But Wheeler started pulling away from the Rebels with 3:26 left in the third quarter.

The Eagles would never look back and the score at the end of the third was 64-47, Wheeler.

Wheeler outscored Thrasher 24-19

in the fourth quarter - enough to finish off the Rebels. The final score showed Wheeler winning 66-68.

Leading the Eagles in scoring were Tony Tate with 22, William Lowery with 21 and Mike Chandler and Clay Richey with 14 each.

For the Thrasher Rebels it was Paul McCutchen on top by himself with 24 points.

In one other game, on Saturday night, the New Site boys took a 63-39 win over the Jumpertown Cardinals.

Ronald Clark led the Royals with 18 points, while Doug Taylor added 16 points. Kip Loden also added 10 for the Royals.

For the Jumpertown Cardinals it was Andre Simmions with 16 points. At the half New Site lead 33-28.

In the first game of the tournament New Site's Lady Royals won 82-46 over the Wheeler Lady Eagles.

The half time score was 47-27 New Site.

Leading the Lady Royals were Katie Cavness with 24 points, Tammy Thorton with 15, Lori Shockley with 13 and Cindy King with 10.

For the Wheeler Lady Eagle it was Pam Johnson with 30 points.

In the second game of the evening the Thrasher Rebelettes took an 81-70 win over the Jumpertown Cardinals.

The score at the half was 35-32, Thrasher.

Marie Miller led the Rebelettes with 22 points, while Sue Leslie added 19. Traci Taylor added 12, as did Martha Champion.

For the Cardinalettes it was Cassie Davis with 19 points, Michelle Lauderdale with 15, Myra Green with 14 and Cindy Horton with 12.

In the final game of the evening Thrasher won 81-59 over the Jumpertown Cardinals.

At the half Thrasher had a 34-20 lead.

High scorers for Thrasher were Bill Windham with 26 points and Paul McCutchen with 19 points.

For the Cardinals it was Anthony Miller with 19 points and Andre Simmions with 11.

In the second night of play the Wheeler Lady Eagles took a 63-61 win over the Cardinalettes in a close one.

At the half Jumpertown led 34-32.

For the Lady Eagles it was Pam Johnson with 20 points, Jan Lindsey with 16 and Teena Micheal with 15.

Leading the Cardinalettes were Cassie Davis with 17 points and Myra Green with 13 points.

In the second game of the night the New Site boys won over the Thrasher Rebels by 49-43.

The Rebels led at the end of every quarter but the fourth, which was the one that meant the most.

The score at the half was 34-33, Thrasher.

High scorer for the Royals was Ronald Clark with 15 points.

For the Rebels it was Paul McCutchen with 15 points and Bill Windham with 10 points.

In the final game of the night it was Wheeler winning by 93-64 over the Jumpertown Cardinals.

The score at the half was 54-28,

BHS Insights

By KIMI DROWN

BHS Journalism Student
As you guessed, yes, it is Thanksgiving! The Booneville schools will be getting out earlier for this year's holiday instead of on Wednesday, we will get out on Tuesday.

The turkeys at BHS are all very excited about the Thanksgiving break, and the students are too! Have a Happy Thanksgiving!

Our Devil basketball teams are giving their all this year. We started the year by winning 2 out of 3 games against New Site. Our B-team boys have rolled over every team they've played. The Devils won against New Site, and the Devilettes are still "giving their best shots." These games are action-packed and very exciting.

If you like cheering and the thrill of success, come out and watch the ball teams. They are doing a super job. Tuesday, the Devils played at Saltillo and are playing at the Turkey Tournament at Wheeler Wednesday and Thursday.

The Fall Festival was a big success! Many people packed the halls of BHS. The main attractions was the Mystery House at the Band Hall. The first part consisted of scary music, a coffin, and eerie creatures, the second part was a

confusing tunnel maze.

Other big attractions were the marriage booth, the air brush T-shirts, the school movie, the pie throw, and the pictures made with

Santa.

In club news, the FHA became members of a nationwide club called the Polar Bears. The Polar Bears is a fun club that, of course, has rules, an oath, and an initiation.

THOUGHT FOR THE WEEK:

Thanksgiving And Praise

"Jesus said to Simon and Andrew, 'Come and follow me.'"

Mark 1:17 (Phillips)

By Charles L. Potts

Charles L. Potts, Pastor First United Methodist Church Booneville, Miss.

How should we behave in this or that situation that arises? How should we act or react to people who like or dislike us? These are questions we often ask ourselves if we are trying to follow Jesus.

parents . . . just occasionally, by the kids . . . that they have worked so hard to provide a loving, secure home for . . . gives mom and dad a real lift. Five days a week teachers try to help our children grow. Do we thank or praise them? The mail carrier delivers mail to us day after day. What a word of appreciation would mean to them.

George Oakley Wins Golden Egg Bowl Tickets

By PIGSKIN PETE
 Sports Columnist

Well, congratulations are in order for George Oakley of Booneville!

Mr. Oakley was the lucky winner in my "Pick the Winner" contest last week and he received two free tickets to see this week's Ole Miss-Mississippi State game in Jackson.

I want to thank all of you who either mailed your predictions in or brought them by The Banner. The paper's publisher, Ken Christian, told me by phone last week that the response was really good and maybe we could do more things of this nature.

I really regret that I wasn't able to be in Booneville to present Mr. Oakley with the tickets last week.

But, I had a previous engagement with a movie producer from Hollywood. They're thinking about doing a movie on my life. (No, Ed. It won't be called "King Kong Meets Pigskin Pete!")

Anyway, I told Ken to let either Greg Shook or Scott McKinney, the two intrepid sports writers at The Banner, to present the tickets. I hope those two didn't break the camera!

It all ends this week. The 1984 football season comes to a close this weekend as only a handful of teams will start preparing for bowl games. It's hard for me to believe that it will all be over. It seems that only yesterday I was on a Mogwai safari in Zambawia when Ken called me to come back to Booneville. Boy, has time filed by or what!

I have to admit that my prognosticating hasn't been exactly what it should have been this year. But, it's been at least seven years since I have done any of this. (And, after the way I did this year, it may be seven more years before I return!)

However, I pledge to all my loyal fans out there that this week I will make up for all the bad weeks I have had. Why, these other turkeys won't have a chance this week.

Speaking of turkeys, Thanksgiving is here and the other prognosticators have a lot to be thankful about. They'd better be glad I wasn't myself this fall. Just wait until next year! Anyway, let's get on to this

(See Pigskin Pete, Page 3)

Jumper Widens His Lead With One Week To Go

With only one week remaining in The Banner-Independent's prognosticator's race, Doug Jumper has the inside track to the top position.

Jumper currently holds a two-game lead on second-place picker Manfred Saylor and a three-game advantage over Leighton Miller, who is in third place. After picking 9 of 15 games correct last week, Jumper has now picked 116 of 170 games correct for the year. Saylor's won last week's contest after picking 10 of 15 games correct, one better than Jumper. But, with only one week

remaining, Saylor is two games behind Jumper with 114 of 170 games correct for the year.

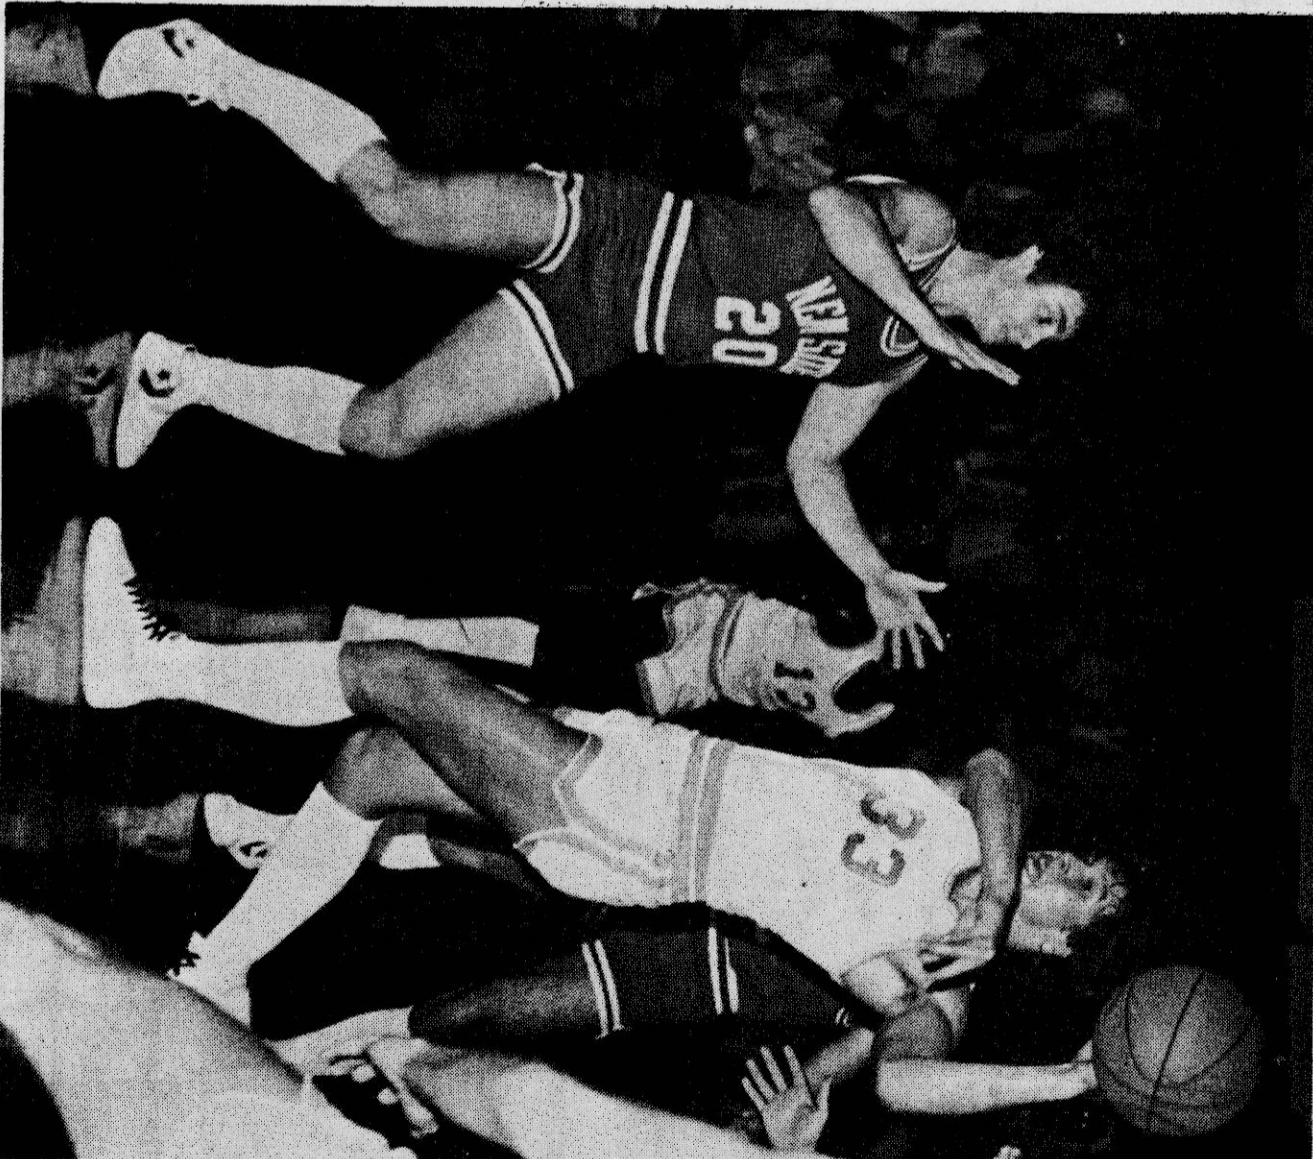

Though Miller had led the race for the majority of the season, he fell behind three weeks ago and has not been able to catch up with the leaders. Last week, Miller picked 8 of 15 games correct to put him at 113 of 170 games correct for the year.

NEMJC athletic director Bill Ward fell off of the pace last week, picking just 7 of 15 games correct. Ward is in fourth place for the year with 108 of 170 games

correct. This week's guest picker is Sandy Fisher, manager of the Pizza Inn of Booneville.

week's games.
 Coach Hubert Tucker and the Baldwyn Bearcats won their first game of the state playoffs last week as they downed the Hamilton Lions. It was the second year in a row that the Cats have beaten the Lions in the playoffs and the second year Baldwyn has had an 11-0 record going into the second round of action.
 However, last year the Bearcats were eliminated in the second round by Philadelphia. Baldwyn doesn't face Philadelphia in the second round this year, but they do face a tough Coffeeville team.
 Coffeeville has been ranked all year, as have the Bearcats. And, the game should be a real battle between these two fine teams.
 It's hard for me to pick a score on this game because I know absolutely nothing about Coffeeville. WBIP radio personality Lee Gentry told me one time that it was close to Maxwell's House. But, I don't know if I trust his directions or not. Wait a minute...
 I just got a call from Coach Tucker at Baldwyn and he said that the game this week with Coffeewille will be played in Baldwyn at 7:30 Friday night. Also, he said that they have a strong team at Coffeewille and run the wing-t offense, the same offense that the Booneville Blue Devils run.
 However, I still feel that the Cats will come out on top and advance further into the state playoffs. Roll on Baldwyn!
Baldwyn 22 Coffeewille 12
 Well, here it is. The game of all games. The battle for the Golden Egg. Ole Miss verses Mississippi State.
 By now everyone could guess that I am partial to the Johnny Rebs from Oxford. But, they just ain't doing so hot this year.
 Emory Bellard's Bullies will roll into the Mississippi Memorial Stadium in Jackson this Saturday and be ready to pounce on the lowly Rebels. But, Billy Brewer's troops from Oxford are always on their best toes when they battle State.
 It sounds as if I am going against the Rebels, but I am no dummy. I know that the Bulldogs have an exceptional team and that they will give Ole Miss all they want. So, I'll give credit where credit is due and say that the score will be closer than most think. I'll give the Bullies a chance. Maybe Artie Cosby has Mother Nature on his side this year.
Ole Miss 48 Miss. State 5
 In other selected games this week, Tennessee will beat Kentucky by 4; LSU will beat Tulane by 17; Arizona will beat Arizona State by 3; SMU will down Arkansas by 7; Miami will beat Boston College by 1; South Carolina will defeat Clemson by 8; North Carolina will beat Duke by 5; Texas will down Baylor by 21; Penn State will beat Pitt by 25; Oklahoma State will upset Oklahoma by 3; TCU will beat Texas A&M by 9; Maryland will down Virginia by 4; and USC will beat Notre Dame by 1.
 Again, congratulations to George Oakley for winning the "Pigskin Pete Pick The Winner" contest. And, thanks to all who participated.
 Well, I must run. Christie Brinkley is waiting (for Billy Joe; not me. But I can dream, can't I).
 See ya next week!

Bulldogs Pull Bayou Bengals Sweet Tooth

By Scott McKinney
Sports Writer

Artie Cosby booted three field goals in the second half Saturday to propel the Mississippi State Bulldogs past the LSU Tigers 16-14, spoiling any chance of the Tigers gaining a berth in the Sugar Bowl.

Cosby's 27-yard field goal with 1:15 left in the game gave the Bulldogs their upset victory over the nationally-ranked Bayou Bengals in Starkville at Scott

Field. State trailed 14-7 at halftime, but the kicker's foot booted the Bulldogs back into the game and into the win in the second half.

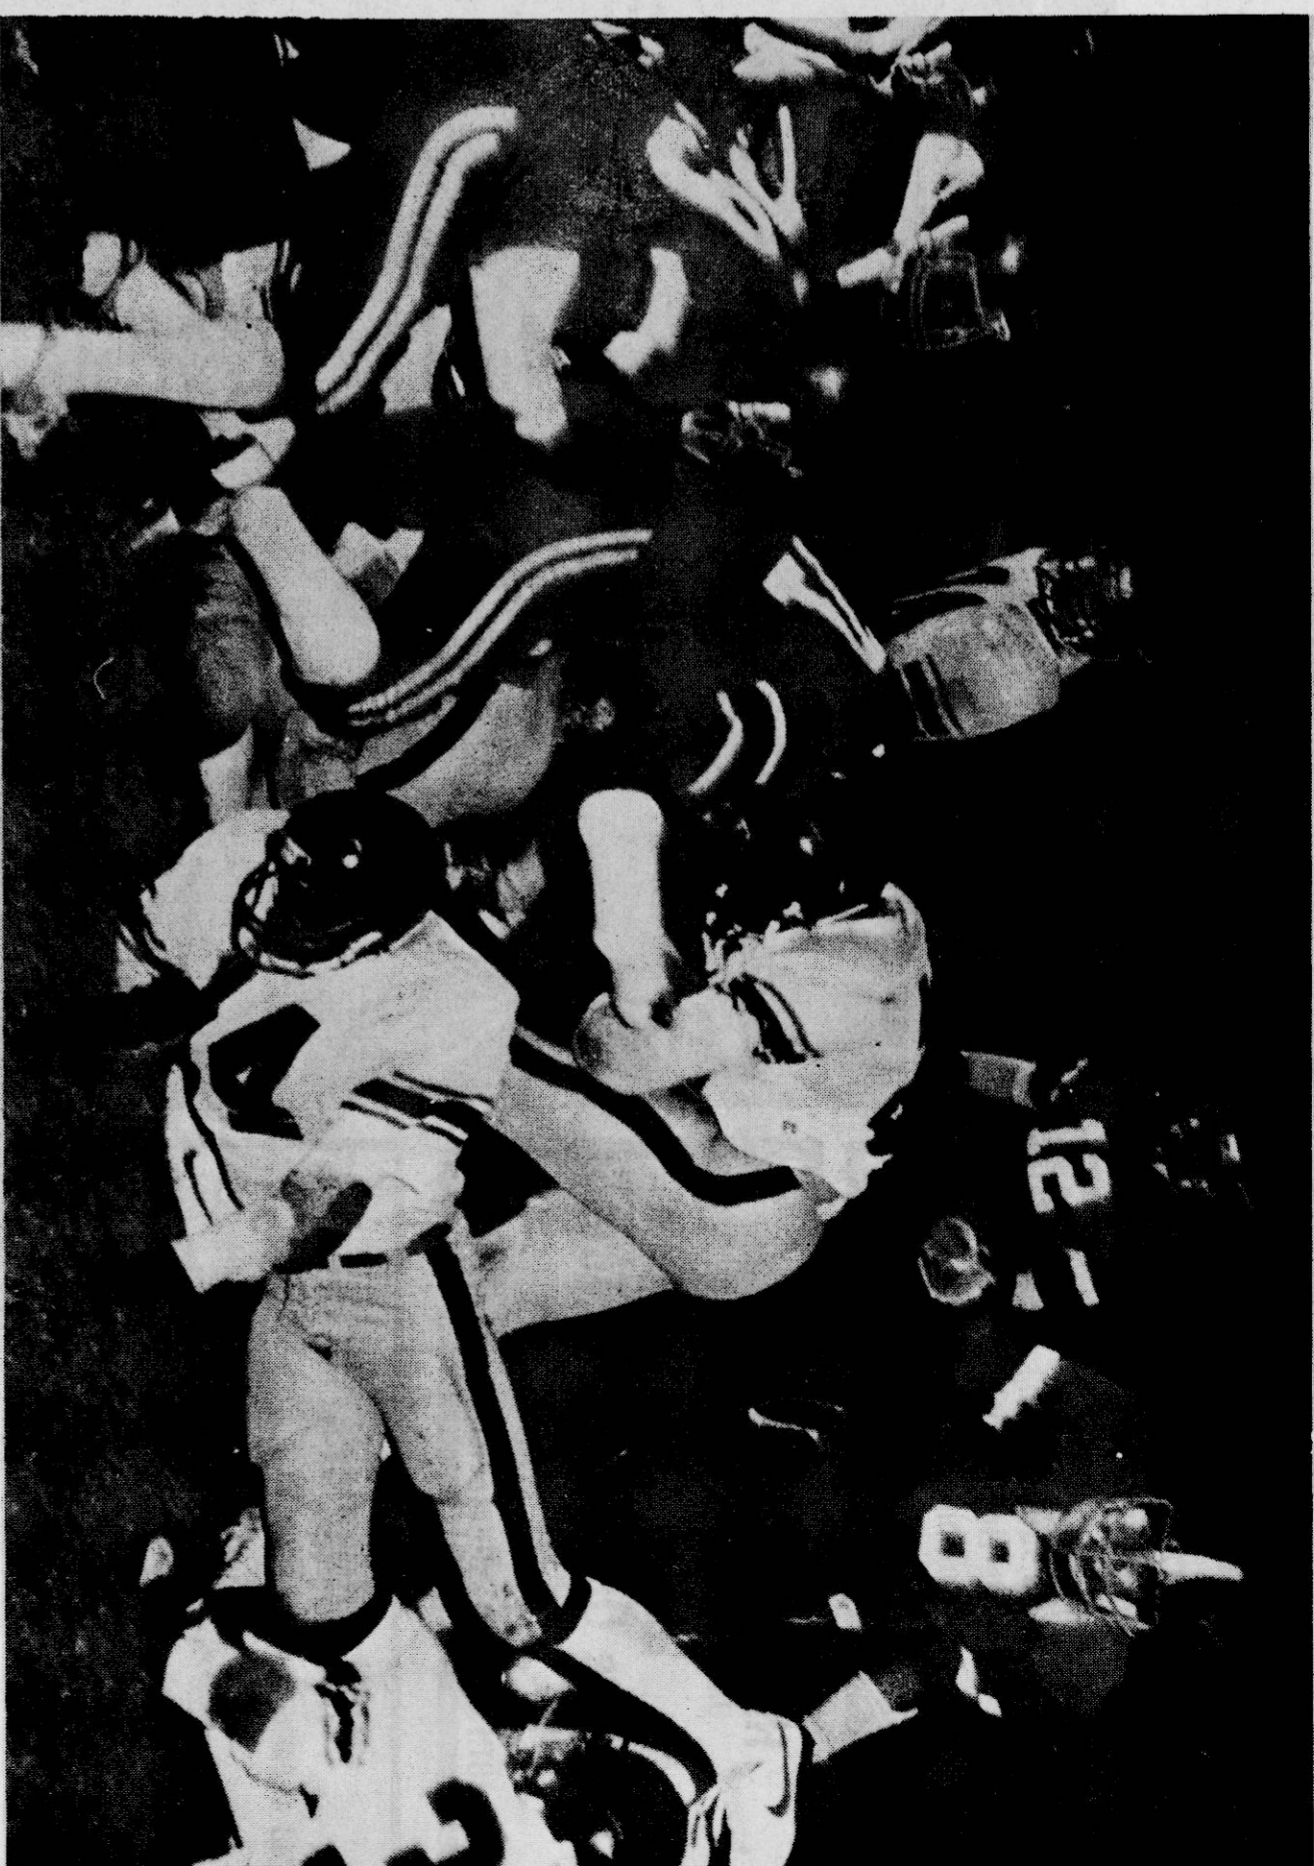

"I was proud of Artie for that field goal," Mississippi State head coach Emory Ballard said. "Artie just couldn't do better than that. He just kicked the ball well and we got to go the house winners."

LSU started as if they would have no trouble with the Bulldogs, scoring on their second possession. Garry James put the Tigers on the board first with 5:22 left in the opening period as he scored on a one yard plunge. James' score topped off a 67-yard drive by the Bayou Bengals, led by quarterback Jeff Wickersham. State got the equalizer later in the period as quarterback Orlando Lande, substituting for injured

Don Smith, scored on an eight yard keeper. Lande led the Bulldog ground attack with 115 yards on 22 carries.

LSU went ahead 14-7 in the second period on Wickersham's 41-yard touchdown pass to Eric Martin. The Tigers had marched 80 yards in just 40 seconds and seemed to have the momentum going their way.

However, the Mississippi State defense took control in the second half and allowed the Bayou Bengals only three first downs in the half. Cosby's three boots, from 45, 21 and 27 yards gave the Dawgs their 16-14 win over the Tigers. State will close their 1984 season Saturday in Jackson when they battle the Ole Miss Rebels in the "Battle for the Golden Egg." The game will be televised by WTBS of Atlanta with kickoff set for 11:30 a.m.

Vols Shell-Shock Rebels In Jackson

By SCOTT MCKINNEY
Sports Writer

The Tennessee Volunteers used a powerful offense and a tenacious defense last week in Jackson to shell-shock the Ole Miss Rebels 41-17 in an SEC game.

The Volunteer offense rolled up over 400 yards, while the Tennessee defense allowed Ole Miss only 14 first downs and 279 yards. Vol defenders also knocked Rebel starting quarterback Kent Austin out of the game in the early going.

It was the Vols' fourth straight victory, leaving many Tennessee faithful thinking about a Holiday Bowl matchup with unbeaten Brigham Young.

Tennessee scored first when Faud Revelz booted a 24-yard field goal with 5:30 left in the opening period. The Volunteers never trailed after that point.

The margin was stretched to 10-0 in the second period when quarterback Tony Robinson hit wide receiver Tim McGee on a five yard pitch. The play came with 8:53 left in the period and capped a 92 yard, 13 play drive.

Ole Miss got their only first-half score late in the second period when kicker Jon Howard booted a 37-yard field goal. Howard's kick narrowed the Tennessee lead to 10-3 at halftime.

Tennessee scored 31 second-half points to take the win over the Rebels. Ole Miss' only other scores came on a one yard run by Nathan Wonsley in the third period, and a five yard pass from quarterback David McKinney to Timmy Mottehl in the final minutes of the game.

Ole Miss will battle Mississippi State in the final game of the 1984 season Saturday in Jackson. Kickoff is set for 11:30.
